ARTICLE 1

GAME AND FISH POLICY

Section 1. Minnesota Statutes 2008, section 17.4981, is amended to read:

17.4981 GENERAL CONDITIONS FOR REGULATION OF AQUATIC FARMS.

(a) Aquatic farms are licensed to culture private aquatic life. Cultured aquatic life is not wildlife. Aquatic farms must be licensed and given classifications to prevent or minimize impacts on natural resources. The purpose of sections 17.4981 to 17.4997 is to:

(1) prevent public aquatic life from entering an aquatic farm;

(2) prevent release of nonindigenous or exotic species into public waters without approval of the commissioner;

(3) protect against release of disease pathogens to public waters;

(4) protect existing natural aquatic habitats and the wildlife dependent on them; and

(5) protect private aquatic life from unauthorized taking or harvest.

(b) Private aquatic life that is legally acquired and possessed is an article of interstate commerce and may be restricted only as necessary to protect state fish and water resources.

(c) The commissioner of natural resources shall establish license and other fees as provided in section 16A.1285, subdivision 2, that would make aquaculture licensing and enforcement self-sustaining. Notwithstanding section 16A.1283, the commissioner may, by written order published in the State Register, establish the fees required by this section. The fees are not subject to the rulemaking provisions of chapter 14, and section 14.386 does not apply. The commissioner shall develop best management practices for aquaculture to ensure the long-term sustainability of aquaculture and wetlands used for aquaculture, including, but not limited to, fish farming in man-made ponds.

Sec. 2. Minnesota Statutes 2008, section 17.4988, subdivision 3, is amended to read:

Subd. 3. **Inspection and additional fees.** Notwithstanding section 16A.1283, the commissioner may, by written order published in the State Register, establish fees for the services listed in clauses (1) to (3) and the additional fee required under subdivision 2, paragraph (a). The fees must be set in an amount that does not recover significantly more or less than the cost of providing the service. The fees are not subject to the rulemaking provisions of chapter 14 and section 14.386 does not apply. The services covered under this provision include:

(1) initial inspection of each water to be licensed;

- 3.1 (2) fish health inspection and certification, including initial tissue sample collection,
3.2 basic fish health assessment, viral pathogen testing, and bacteriological testing; and
3.3 (3) initial inspection for containment and quarantine facility inspections.

3.4 Sec. 3. Minnesota Statutes 2008, section 84.027, subdivision 13, is amended to read:

3.5 Subd. 13. **Game and fish rules.** (a) The commissioner of natural resources may
3.6 adopt rules under sections 97A.0451 to 97A.0459 and this subdivision that are authorized

3.10 prohibit or allow taking of wild animals to protect a species, to prevent or control wildlife
3.11 disease, to open or close bodies of water or portions of bodies of water for night bow
3.12 fishing, and to prohibit or allow importation, transportation, or possession of a wild animal;

3.13 (2) sections 84.093, 84.15, and 84.152 to set seasons for harvesting wild ginseng
3.14 roots and wild rice and to restrict or prohibit harvesting in designated areas; and

3.15 (3) section 84D.12 to designate prohibited invasive species, regulated invasive
3.16 species, unregulated nonnative species, and infested waters.

3.17 (b) If conditions exist that do not allow the commissioner to comply with sections
3.18 97A.0451 to 97A.0459, the commissioner may adopt a rule under this subdivision
3.19 by submitting the rule to the attorney general for review under section 97A.0455,

3.24 fishing under this section may include the need to temporarily open the area to evaluate
3.25 compatibility of the activity on that body of water prior to permanent rulemaking. The
3.26 notice may be published after it is received from the attorney general or five business days
3.27 after it is submitted to the attorney general, whichever is earlier.

3.28 (c) Rules adopted under paragraph (b) are effective upon publishing in the State
3.29 Register and may be effective up to seven days before publishing and filing under
3.30 paragraph (b), if:

3.31 (1) the commissioner of natural resources determines that an emergency exists;

4.4 (3), may not be effective earlier than seven days after publication.

4.5 (e) A rule published under paragraph (c), clause (3), may be effective the day the
4.6 rule is published if the commissioner gives notice and holds a public hearing on the rule
4.7 within 15 days before publication.

4.8 (f) The commissioner shall attempt to notify persons or groups of persons affected
4.9 by rules adopted under paragraphs (b) and (c) by public announcements, posting, and
4.10 other appropriate means as determined by the commissioner.

4.11 (g) Notwithstanding section 97A.0458, a rule adopted under this subdivision is

24.1
24.2

24.3 Section 1. Minnesota Statutes 2008, section 84.0273, is amended to read:

24.4 **84.0273 ESTABLISHMENT OF BOUNDARY LINES RELATING TO**
24.5 **CERTAIN STATE LANDHOLDINGS.**

24.6 (a) In order to resolve boundary line issues affecting the ownership interests of the
24.7 state and adjacent landowners, the commissioner of natural resources may, in the name
24.8 of the state upon terms the commissioner deems appropriate, convey, by a boundary line
24.9 agreement, quitclaim deed, or management agreement in such form as the attorney general
24.10 approves, such rights, titles, and interests of the state in state lands for such rights, titles
24.11 and interests in adjacent lands as are necessary for the purpose of establishing boundaries.
24.12 A notice of the proposed conveyance and a brief statement of the reason therefor shall be
24.13 published once in the State Register by the commissioner between 15 and 30 days prior
24.14 to conveyance. The provisions of this ~~section~~ paragraph are not intended to replace or
24.15 supersede laws relating to land exchange or disposal of surplus state property.

24.16 (b) In order to resolve trespass issues affecting the ownership interests of the state
24.17 and adjacent landowners, the commissioner of natural resources, in the name of the state,
24.18 may sell surplus lands not needed for natural resource purposes at private sale to adjoining
24.19 property owners and leaseholders. The conveyance must be by quitclaim in a form
24.20 approved by the attorney general for a consideration not less than the value determined
24.21 according to section 94.10, subdivision 1.

24.22 (c) Paragraph (b) applies to all state-owned lands managed by the commissioner of
24.23 natural resources, except school trust land as defined in section 92.025. For acquired lands,
24.24 the commissioner may sell the surplus lands as provided in paragraph (b) notwithstanding
24.25 the offering to public entities, public sale, and related notice and publication requirements
24.26 of sections 94.09 to 94.165. For consolidated conservation lands, the commissioner may
24.27 sell the surplus lands as provided in paragraph (b) notwithstanding the classification and
24.28 public sale provisions of chapters 84A and 282.

24.29 Sec. 2. **[84.0277] CAMP RIPLEY BUFFER EASEMENTS.**

24.30 Subdivision 1. **Acquisition authorized.** The commissioner may acquire, from
24.31 willing sellers, perpetual conservation easements on behalf of the state and federal
24.32 government consistent with Camp Ripley's Army compatible use buffer project. This
24.33 project is geographically defined as a three-mile zone around Camp Ripley in central
24.34 Minnesota.

25.1 Subd. 2. **Payments; terms.** Notwithstanding sections 84.0272, subdivision 1,
25.2 and 84.0274, subdivision 5, paragraph (b), the commissioner may make payments to a
25.3 landowner under this subdivision to acquire a perpetual conservation easement according
25.4 to subdivision 1. The onetime payment may be based on the following:

25.5 (1) if the easement prohibits the construction of any new buildings or permanent
25.6 structures upon the land, the commissioner may pay 60 percent of the most recent assessed
25.7 market value of the land as determined by the county assessor of the county in which the
25.8 land is located; or

25.9 (2) if the easement prohibits the construction of any new buildings or permanent
25.10 structures upon the land and grants the public the right to access the land for natural
25.11 resource-based outdoor recreation, the commissioner may pay 70 percent of the most
25.12 recent assessed market value of the land as determined by the county assessor of the
25.13 county in which the land is located.

25.14 Sec. 3. Minnesota Statutes 2008, section 282.04, subdivision 1, is amended to read:

25.15 Subdivision 1. **Timber sales; land leases and uses.** (a) The county auditor may
25.16 sell timber upon any tract that may be approved by the natural resources commissioner.
25.17 The sale of timber shall be made for cash at not less than the appraised value determined
25.18 by the county board to the highest bidder after not less than one week's published notice
25.19 in an official paper within the county. Any timber offered at the public sale and not sold
25.20 may thereafter be sold at private sale by the county auditor at not less than the appraised
25.21 value thereof, until the time as the county board may withdraw the timber from sale. The
25.22 appraised value of the timber and the forestry practices to be followed in the cutting of
25.23 said timber shall be approved by the commissioner of natural resources.

25.24 (b) Payment of the full sale price of all timber sold on tax-forfeited lands shall be
25.25 made in cash at the time of the timber sale, except in the case of oral or sealed bid auction
25.26 sales, the down payment shall be no less than 15 percent of the appraised value, and the
25.27 balance shall be paid prior to entry. In the case of auction sales that are partitioned and
25.28 sold as a single sale with predetermined cutting blocks, the down payment shall be no less
25.29 than 15 percent of the appraised price of the entire timber sale which may be held until the
25.30 satisfactory completion of the sale or applied in whole or in part to the final cutting block.
25.31 The value of each separate block must be paid in full before any cutting may begin in that
25.32 block. With the permission of the county contract administrator the purchaser may enter
25.33 unpaid blocks and cut necessary timber incidental to developing logging roads as may
25.34 be needed to log other blocks provided that no timber may be removed from an unpaid
25.35 block until separately scaled and paid for. If payment is provided as specified in this

26.1 paragraph as security under paragraph (a) and no cutting has taken place on the contract,
26.2 the county auditor may credit the security provided, less any down payment required for
26.3 an auction sale under this paragraph, to any other contract issued to the contract holder
26.4 by the county under this chapter to which the contract holder requests in writing that it
26.5 be credited, provided the request and transfer is made within the same calendar year as
26.6 the security was received.

26.7 (c) The county board may sell any timber, including biomass, as appraised or scaled.
26.8 Any parcels of land from which timber is to be sold by scale of cut products shall be so
26.9 designated in the published notice of sale under paragraph (a), in which case the notice
26.10 shall contain a description of the parcels, a statement of the estimated quantity of each
26.11 species of timber, and the appraised price of each species of timber for 1,000 feet, per cord
26.12 or per piece, as the case may be. In those cases any bids offered over and above the
26.13 appraised prices shall be by percentage, the percent bid to be added to the appraised price
26.14 of each of the different species of timber advertised on the land. The purchaser of timber
26.15 from the parcels shall pay in cash at the time of sale at the rate bid for all of the timber
26.16 shown in the notice of sale as estimated to be standing on the land, and in addition shall
26.17 pay at the same rate for any additional amounts which the final scale shows to have been
26.18 cut or was available for cutting on the land at the time of sale under the terms of the sale.
26.19 Where the final scale of cut products shows that less timber was cut or was available
26.20 for cutting under terms of the sale than was originally paid for, the excess payment
26.21 shall be refunded from the forfeited tax sale fund upon the claim of the purchaser, to be
26.22 audited and allowed by the county board as in case of other claims against the county. No
26.23 timber, except hardwood pulpwood, may be removed from the parcels of land or other
26.24 designated landings until scaled by a person or persons designated by the county board
26.25 and approved by the commissioner of natural resources. Landings other than the parcel
26.26 of land from which timber is cut may be designated for scaling by the county board by
26.27 written agreement with the purchaser of the timber. The county board may, by written
26.28 agreement with the purchaser and with a consumer designated by the purchaser when the
26.29 timber is sold by the county auditor, and with the approval of the commissioner of natural
26.30 resources, accept the consumer's scale of cut products delivered at the consumer's landing.
26.31 No timber shall be removed until fully paid for in cash. Small amounts of timber not
26.32 exceeding \$3,000 in appraised valuation may be sold for not less than the full appraised
26.33 value at private sale to individual persons without first publishing notice of sale or calling
26.34 for bids, provided that in case of a sale involving a total appraised value of more than \$200
26.35 the sale shall be made subject to final settlement on the basis of a scale of cut products in

27.1 the manner above provided and not more than two of the sales, directly or indirectly to any
27.2 individual shall be in effect at one time.

27.3 (d) As directed by the county board, the county auditor may lease tax-forfeited land
27.4 to individuals, corporations or organized subdivisions of the state at public or private sale,
27.5 and at the prices and under the terms as the county board may prescribe, for use as cottage
27.6 and camp sites and for agricultural purposes and for the purpose of taking and removing of
27.7 hay, stumps, sand, gravel, clay, rock, marl, and black dirt from the land, and for garden
27.8 sites and other temporary uses provided that no leases shall be for a period to exceed ten
27.9 years; provided, further that any leases involving a consideration of more than \$12,000 per
27.10 year, except to an organized subdivision of the state shall first be offered at public sale in
27.11 the manner provided herein for sale of timber. Upon the sale of any leased land, it shall
27.12 remain subject to the lease for not to exceed one year from the beginning of the term of the
27.13 lease. Any rent paid by the lessee for the portion of the term cut off by the cancellation
27.14 shall be refunded from the forfeited tax sale fund upon the claim of the lessee, to be
27.15 audited and allowed by the county board as in case of other claims against the county.

27.16 (e) As directed by the county board, the county auditor may lease tax-forfeited land
27.17 to individuals, corporations, or organized subdivisions of the state at public or private sale,
27.18 at the prices and under the terms as the county board may prescribe, for the purpose
27.19 of taking and removing for use for road construction and other purposes tax-forfeited
27.20 stockpiled iron-bearing material. The county auditor must determine that the material is
27.21 needed and suitable for use in the construction or maintenance of a road, tailings basin,
27.22 settling basin, dike, dam, bank fill, or other works on public or private property, and
27.23 that the use would be in the best interests of the public. No lease shall exceed ten years.
27.24 The use of a stockpile for these purposes must first be approved by the commissioner of
27.25 natural resources. The request shall be deemed approved unless the requesting county
27.26 is notified to the contrary by the commissioner of natural resources within six months
27.27 after receipt of a request for approval for use of a stockpile. Once use of a stockpile has
27.28 been approved, the county may continue to lease it for these purposes until approval is
27.29 withdrawn by the commissioner of natural resources.

27.30 (f) The county auditor, with the approval of the county board is authorized to grant
27.31 permits, licenses, and leases to tax-forfeited lands for the depositing of stripping, lean ores,
27.32 tailings, or waste products from mines or ore milling plants, or to use for facilities needed
27.33 to recover iron-bearing oxides from tailings basins or stockpiles, or for a buffer area needed
27.34 for a mining operation, upon the conditions and for the consideration and for the period
27.35 of time, not exceeding ~~15~~ 25 years, as the county board may determine. The permits,
27.36 licenses, or leases are subject to approval by the commissioner of natural resources.

28.1 (g) Any person who removes any timber from tax-forfeited land before said
28.2 timber has been scaled and fully paid for as provided in this subdivision is guilty of a
28.3 misdemeanor.

28.4 (h) The county auditor may, with the approval of the county board, and without first
28.5 offering at public sale, grant leases, for a term not exceeding 25 years, for the removal
28.6 of peat and for the production or removal of farm-grown closed-loop biomass as defined
28.7 in section 216B.2424, subdivision 1, or short-rotation woody crops from tax-forfeited
28.8 lands upon the terms and conditions as the county board may prescribe. Any lease for
28.9 the removal of peat, farm-grown closed-loop biomass, or short-rotation woody crops
28.10 from tax-forfeited lands must first be reviewed and approved by the commissioner of
28.11 natural resources if the lease covers 320 or more acres. No lease for the removal of
28.12 peat, farm-grown closed-loop biomass, or short-rotation woody crops shall be made by
28.13 the county auditor pursuant to this section without first holding a public hearing on the
28.14 auditor's intention to lease. One printed notice in a legal newspaper in the county at least
28.15 ten days before the hearing, and posted notice in the courthouse at least 20 days before
28.16 the hearing shall be given of the hearing.

28.17 (i) Notwithstanding any provision of paragraph (c) to the contrary, the St. Louis
28.18 County auditor may, at the discretion of the county board, sell timber to the party who
28.19 bids the highest price for all the several kinds of timber, as provided for sales by the
28.20 commissioner of natural resources under section 90.14. Bids offered over and above the
28.21 appraised price need not be applied proportionately to the appraised price of each of
28.22 the different species of timber.

28.23 (j) In lieu of any payment or deposit required in paragraph (b), as directed by the
28.24 county board and under terms set by the county board, the county auditor may accept an
28.25 irrevocable bank letter of credit in the amount equal to the amount otherwise determined
28.26 in paragraph (b). If an irrevocable bank letter of credit is provided under this paragraph,
28.27 at the written request of the purchaser, the county may periodically allow the bank letter
28.28 of credit to be reduced by an amount proportionate to the value of timber that has been
28.29 harvested and for which the county has received payment. The remaining amount of
28.30 the bank letter of credit after a reduction under this paragraph must not be less than 20
28.31 percent of the value of the timber purchased. If an irrevocable bank letter of credit or
28.32 cash deposit is provided for the down payment required in paragraph (b), and no cutting
28.33 of timber has taken place on the contract for which a letter of credit has been provided,
28.34 the county may allow the transfer of the letter of credit to any other contract issued to the
28.35 contract holder by the county under this chapter to which the contract holder requests in
28.36 writing that it be credited.
