21.17 seek a district court hearing on the order at any time after it is served on the person. The
21.18 hearing may be held by electronic means as soon as possible. The subject of the order may:

21.19 (1) contest imposition of the order on grounds that it is an abuse of the board's
21.20 discretion under this section; or

21.21 (2) seek a variance from it to allow movement of a person inconsistent with the
21.22 order, upon a showing that the person would otherwise suffer irreparable harm.

~~(g) If it purports to be or is represented as a food for which a definition and standard of identity have been prescribed by rules as provided by sections 31.10 and 31.102;~~

41.1 ~~unless (1) it conforms to such definition and standard, and (2) its label bears the name~~
41.2 ~~of the food specified in the definition and standard, and, insofar as may be required by~~

41.4 ~~coloring) present in such food;~~

41.5 ~~(h) If it purports to be or is represented as (1) a food for which a standard of quality~~
41.6 ~~has been prescribed by rules as provided by sections 31.10 and 31.102, and its quality falls~~
41.7 ~~below such standard unless its label bears, in such manner and form as such rules specify,~~
41.8 ~~a statement that it falls below such standard, or (2) a food for which a standard or standards~~

41.10 ~~and it falls below the standard of fill of container applicable thereto unless its label bears, in~~
41.11 ~~such manner and form as such rules specify, a statement that it falls below such standard;~~

41.12 ~~(i) If it is not subject to the provisions of clause (g), unless it bears labeling clearly~~
41.13 ~~giving (1) the common or usual name of the food, if any there be, and (2) in case it~~

41.15 ~~ingredient, except that spices, flavorings, and colorings, other than those sold as such,~~
41.16 ~~may be designated as spices, flavorings, and colorings, without naming each; provided,~~
41.17 ~~that to the extent that compliance with the requirements of this subclause is impractical~~

41.19 ~~promulgated by the commissioner;~~

41.20 ~~(j) If it purports to be or is represented for special dietary uses, unless its label~~
41.21 ~~bears such information concerning its vitamin, mineral, and other dietary properties as~~

42.4 ~~according to the directions of the purveyor will result in the final food product being~~
42.5 ~~adulterated or misbranded;~~

42.6 ~~(n) If it is a color additive unless its packaging and labeling are in conformity with~~
42.7 ~~such packaging and labeling requirements applicable to such color additive prescribed~~
42.8 ~~under the provisions of the federal act.~~

42.12 ~~circumstances:~~ an item is covered by section 34A.02.

42.13 ~~(a) if it bears or contains a poisonous or harmful substance which may render~~
42.14 ~~it injurious to health; but if the substance is not an added substance, the article is not~~

~~(e) if its package or other container does not have a label showing (1) the name and place of business of the manufacturer, packer, or distributor; and (2) an accurate statement of the quantity of the contents in terms of weight, measure, or numerical count subject to reasonable variations permitted and exemptions for small packages established in rules of the commissioner;~~

~~(f) if a word, statement, or other information required by or under authority of this chapter to appear on the label or other labeling is not prominently and conspicuously placed on the label or labeling in terms that make it likely to be read and understood by the ordinary individual under customary conditions of purchase and use;~~

~~(g) if it is represented as a food for which a definition and standard of identity or composition has been prescribed by rules of the commissioner under section 31A.07, unless (1) it conforms to the definition and standard, and (2) its label bears the name of the food specified in the definition and standard and, if required by the rules, the common names of optional ingredients, other than spices, flavoring, and coloring, present in the food;~~

This section applies to a carcass, part of a carcass, meat, or meat food product of an animal, a product exempted from the definition of a meat food product, or a dead, dying,

disabled, or diseased animal. If an authorized representative of the commissioner finds such an article or animal on premises where it is held for purposes of, during, or after distribution in intrastate commerce, and there is reason to believe that it is adulterated or misbranded and is usable as human food, or that it has not been inspected, in violation of sections 31A.01 to 31A.16, the Federal Meat Inspection Act, or the Federal Food, Drug, and Cosmetic Act, or that the article or animal has been or is intended to be distributed in violation of a provision of those laws, it may be detained by the representative for up to 20 days pending action under section ~~31A.24~~ 34A.11, subdivision 2, or notification of federal authorities having jurisdiction over the article or animal. It must not be moved by a person, firm, or corporation from the place at which it is located when detained, until released by the representative. The representative may require all official marks to be removed from the article or animal before it is released unless the commissioner is satisfied that the article or animal is eligible to retain the official marks.

Sec. 24. Minnesota Statutes 2010, section 32.01, subdivision 11, is amended to read:

Subd. 11. **Adulterated.** "Adulterated" ~~has the meaning given it in section 31.01, subdivision 19, and acts amendatory thereof~~ means an item is covered by section 34A.02.

46.5 not including package liners; or

46.6 (2) the invoice or delivery slip with which commercial feed is distributed.

46.7 Subd. 7. **Labeling.** "Labeling" means labels and other written, printed, or graphic
46.8 matter:

46.9 (1) on food or its containers or wrappers;

46.10 (2) accompanying or supporting food; or

46.11 (3) a placard in, on, or adjacent to the food.

46.12 Subd. 8. **Nonperishable food.** "Nonperishable food" is food with a shelf life of
46.13 more than 90 days and that is not perishable food, readily perishable food, or frozen food.

46.14 Subd. 9. **Perishable food.** "Perishable food" means food including, but not limited
46.15 to, fresh fruits, fresh vegetables, and other products that need protection from extremes of
46.16 temperatures in order to avoid decomposition by microbial growth or otherwise.

46.17 Subd. 10. **Person.** "Person" means any individual, firm, partnership, cooperative,

46.27 use, transporting, transferring, negotiating, soliciting, or exchanging food; having in

47.7 and distribution.

47.8 Sec. 28. **[34A.02] ADULTERATION.**

47.9 Subdivision 1. **Adulterated food.** Food is adulterated if:

47.10 (1) it bears or contains any poisonous or deleterious substance which may render it
47.11 injurious to human or animal health; but if the substance is not an added substance, the
47.12 item is not adulterated under this clause if the quantity of the substance in the item does
47.13 not ordinarily render it injurious to human or animal health;

47.14 (2) it bears or contains any added poisonous, deleterious, or nonnutritive substance,
47.15 other than one which is a pesticide in or on a raw agricultural commodity, a food additive,
47.16 or a color additive, that is unsafe within the meaning of section 31.122 or section 406
47.17 of the federal act;

47.18 (3) it bears or contains, by administration of a substance to the live animal or
47.19 otherwise, an added poisonous or harmful substance, other than a pesticide in or on a raw
47.20 agricultural commodity, a food additive, or a color additive, that may, in the judgment of
47.21 the commissioner, make the article unfit for human food;

47.22 (4) it is unsafe or bears or contains any food additive that is unsafe within the
47.23 meaning of section 31.122 or section 409 of the federal act;

47.24 (5) it is or bears or contains any color additive that is unsafe within the meaning of
47.25 section 31.122 or section 706 of the federal act;

47.26 (6) it is a raw agricultural commodity and it bears or contains a pesticide that is
47.27 unsafe within the meaning of section 31.122 or section 408 of the federal act;

47.28 (7) it consists in whole or in part of a diseased, contaminated, filthy, putrid, or
47.29 decomposed substance, or if it is otherwise unfit for food;

47.30 (8) it has been produced, prepared, packed, or held under unsanitary conditions
47.31 whereby it may have become contaminated with filth, or whereby it may have been
47.32 rendered diseased, unwholesome, or injurious to human or animal health;

47.33 (9) it is in whole or in part the product of a diseased animal or of an animal which
47.34 has died otherwise than by slaughter that is unsafe within the meaning of section 402(a)(1)

or (2) of the federal act, or of an animal that has been fed upon the uncooked offal from a slaughterhouse;

(10) its container is wholly or partly composed of any poisonous or deleterious substance that may render the contents injurious to human or animal health;

(11) it has been intentionally subjected to radiation, unless the use of the radiation was in conformity with a rule, regulation, or exemption in effect pursuant to section 31.122 or section 409 of the federal act;

(12) any valuable constituent has been in whole or in part omitted or abstracted from the food, if any substance has been substituted wholly or in part for the food, or if damage or inferiority has been concealed in any manner. In the case of commercial feed, the substituted constituent must be of lesser value in order to be adulterated;

(13) any substance has been added to it or mixed or packed with it so as to increase its bulk or weight, reduce its quality or strength, or make it appear better or of greater value than it is;

(14) its composition or quality falls below or differs from that which it is purported or is represented to possess by its labeling; or

(15) it is confectionery and:

(i) has partially or completely imbedded in the food any nonnutritive object, provided that this clause does not apply in the case of any nonnutritive object if in the judgment of the commissioner, as provided by rules, the object is of practical functional value to the confectionery product and would not render the product injurious or hazardous to human or animal health; or

(ii) bears or contains any nonnutritive substance, provided that this item does not apply to a confection containing alcohol as defined in section 31.76, or a safe nonnutritive substance which is in or on confectionery by reason of its use for some practical functional purpose in the manufacture, packaging, or storing of the confectionery if the use of the substance does not promote deception of the consumer or otherwise result in adulteration or misbranding in violation of this chapter, and provided further that the commissioner may, for the purpose of avoiding or resolving uncertainty as to the application of this clause, issue rules allowing or prohibiting the use of particular nonnutritive substances.

Subd. 2. Commercial feed or material. For only commercial feed or material exempted from the definition of commercial feed under section 25.33, subdivision 5, an item is adulterated if:

(1) it contains viable weed seeds in amounts exceeding limits established by the commissioner by rule or in sections 21.71 to 21.78;

(2) it is, bears, or contains any new animal drug which is unsafe within the meaning of section 512 of the federal act; or

(3) it contains a drug and the methods used in or the facilities or controls used for its manufacture, processing, or packaging do not conform to the current good manufacturing practice rules promulgated by the commissioner to ensure that the drug meets the safety requirements of sections 25.31 to 25.43 and has the identity and strength and meets the quality and purity characteristics that it purports or is represented to possess. In adopting rules under this clause, the commissioner shall adopt the current good manufacturing practice rules for medicated feed premixes and for medicated feeds established under authority of the federal act, unless the commissioner determines that they are not appropriate to the conditions that exist in this state.

Sec. 29. **[34A.03] MISBRANDING.**

(a) Food is misbranded if:

(1) its labeling is false or misleading in any particular or its labeling, whether on the item itself, its container, or its package, fails to conform with the requirements of this chapter;

(2) it is offered for sale or distributed under the name of another food;

(3) it is an imitation of another food for which a definition and standard of identity have been prescribed by rules as provided by sections 31.10 and 31.102, or if it is an imitation of another food that is not subject to clause (5), unless in either case its label bears in type of uniform size and prominence the word "imitation" and immediately thereafter the name of the food imitated;

(4) its container is so made, formed, or filled as to be misleading;

(5) it purports to be or is represented as a food for which a definition and standard of identity have been prescribed by rules as provided by sections 31.10, 31.102, and 31A.07 unless it conforms to that definition and standard, and its label bears the name of the food specified in the definition and standard, and insofar as may be required by the rules, the common names of optional ingredients, other than spices, flavoring, and coloring, present in the food;

(6) it purports to be or is represented as:

(i) a food for which a standard of quality has been prescribed by rules as provided by sections 31.10 and 31.102, and its quality falls below that standard unless its label bears in a manner and form that the rules specify, a statement that it falls below the standard; or

(ii) a food for which a standard or standards of fill of container have been prescribed by rule as provided by sections 31.10, 31.102, and 31A.07, and which falls below the

50.1 standard of fill of container applicable thereto unless its label bears, in a manner and form
50.2 that the rules specify, a statement that it falls below the standard;

50.3 (7) it is not subject to clause (5), unless it bears labeling clearly giving the common
50.4 or usual name of the food, if there is one, and in case it is fabricated from two or more
50.5 ingredients, the common or usual name of each ingredient, except that spices, flavorings,
50.6 and colorings, other than those sold as such, may be designated as spices, flavorings, and
50.7 colorings, without naming each, provided that to the extent that compliance with the
50.8 requirements of this clause is impractical or results in deception or unfair competition,
50.9 exemptions must be established by rules promulgated by the commissioner;

50.10 (8) it purports to be or is represented for special dietary uses, unless its label
50.11 bears information concerning its vitamin, mineral, and other dietary properties as the
50.12 commissioner determines to be, and by rules prescribed as, necessary in order to fully
50.13 inform purchasers as to its value for those uses;

50.14 (9) it bears or contains any artificial flavoring, artificial coloring, or chemical
50.15 preservative, unless it bears labeling stating that fact, provided that, to the extent that
50.16 compliance with the requirements of this clause is impracticable, exemptions must be
50.17 established by rules promulgated by the commissioner. The provisions of this clause and
50.18 clauses (5) and (7) with respect to artificial coloring do not apply to butter, cheese, or ice
50.19 cream. The provisions with respect to chemical preservatives do not apply to a pesticide
50.20 when used in or on a raw agricultural commodity which is the product of the soil;

50.21 (10) it is a product intended as an ingredient of another food and when used
50.22 according to the directions of the purveyor will result in the final food product being
50.23 adulterated or misbranded;

50.24 (11) it is a color additive unless its packaging and labeling are in conformity with
50.25 such packaging and labeling requirements applicable to the color additive prescribed
50.26 under the provisions of the federal act;

50.27 (12) it is food subject to section 31.101, subdivision 10, or chapter 31A, that fails to
50.28 bear, directly or on its container, as the commissioner by rule prescribes, the inspection
50.29 legend and other information the commissioner may require by rule to ensure that it
50.30 will not have false or misleading labeling, and that the public will be told how to keep
50.31 the article wholesome; or

50.32 (13) its labeling would deceive or mislead the purchaser with respect to its
50.33 composition or suitability.

50.34 (b) Food is also misbranded if it is a raw agricultural commodity which is the
50.35 product of the soil, bearing or containing a pesticide applied after harvest, unless the
50.36 shipping container of that commodity bears labeling which declares the presence of the

51.1 chemical in or on the commodity and the common or usual name and the function of the
51.2 chemical. No such declaration is required while the commodity, having been removed
51.3 from the shipping container, is being held or displayed for sale at retail out of the container
51.4 in accordance with the custom of the trade.

51.5 Sec. 30. **[34A.031] APPLICABILITY TO CHAPTERS 25 AND 32.**

51.6 The enforcement provisions in this chapter do not apply to violations of chapters
51.7 25 and 32.

51.8 Sec. 31. **[34A.04] ENFORCEMENT.**

51.9 Subdivision 1. **Enforcement required.** (a) The commissioner shall enforce this
51.10 chapter and chapters 28, 28A, 29, 30, 31, 31A, and 34. To carry out the enforcement duties
51.11 under these chapters, the commissioner may, upon presenting appropriate credentials,
51.12 during regular working hours and at other reasonable times, inspect premises subject
51.13 to the commissioner's enforcement and licensing authority; require information from
51.14 persons with information relevant to an inspection; and inspect and copy relevant papers
51.15 and records, including business records.

51.16 (b) The commissioner may administer oaths, take and cause to be taken depositions
51.17 of witnesses, and issue subpoenas, and may petition the district court in the county in which
51.18 the premises is located to compel compliance with subpoenas or to permit an inspection.

51.19 (c) Violations of chapters 28, 28A, 29, 30, 31, 31A, and 34, or rules adopted under
51.20 chapters 28, 28A, 29, 30, 31, 31A, and 34 are a violation of this chapter. The enforcement
51.21 provisions in this chapter do not apply to violations of chapters 25 and 32.

51.22 (d) Upon the request of the commissioner, county attorneys, sheriffs, and other
51.23 officers having authority in the enforcement of the general criminal laws shall take action
51.24 to the extent of their authority necessary or proper for the enforcement of this chapter or
51.25 standards, stipulations, and agreements of the commissioner.

51.26 Subd. 2. **Commissioner's discretion.** If minor violations of this chapter occur or
51.27 the commissioner believes the public interest will be best served by a suitable notice of
51.28 warning in writing, this chapter does not require the commissioner to take any additional
51.29 action.

51.30 Subd. 3. **Criminal actions.** Each county attorney or city attorney to whom the
51.31 commissioner reports any violation of this chapter shall institute appropriate proceedings
51.32 in the proper courts without delay and prosecute them in the manner required by law. If
51.33 the county or city attorney refuses to prosecute, the attorney general, on request of the
51.34 commissioner, may prosecute.

52.1 Sec. 32. **[34A.05] FALSE STATEMENT OR RECORD.**

52.2 A person must not knowingly make or offer a false statement, record, or other
52.3 information as part of:

52.4 (1) an application for registration, listing, license, certification, or permit subject
52.5 to this chapter;

52.6 (2) records or reports required subject to this chapter; or

52.7 (3) an investigation of a violation of this chapter.

52.8 Sec. 33. **[34A.051] ILLEGAL SALES.**

52.9 It is a violation of law to sell, in or into Minnesota, food that is from a place of
52.10 business located outside of Minnesota that has not been licensed, inspected, permitted,
52.11 or otherwise approved by the local, tribal, state, or national government charged with
52.12 enforcement of food safety regulations in that jurisdiction or by Minnesota, unless the
52.13 product itself has been so inspected and approved and bears a stamp or similar indicia
52.14 of such inspection and approval.

52.15 Sec. 34. **[34A.06] ADMINISTRATIVE ACTIONS.**

52.16 Subdivision 1. **Administrative enforcement.** (a) The commissioner may enforce
52.17 this chapter by written warning, administrative meeting, cease and desist, forced sale,
52.18 detention, embargo, condemnation, citation, corrective action order, seizure, agreement,
52.19 withdrawal from distribution, or administrative penalty if the commissioner determines
52.20 that the remedy is in the public interest.

52.21 (b) For facilities required to submit a plan review under Minnesota Rules, chapter
52.22 4626, the commissioner may withdraw by written order the approval of a facility or
52.23 equipment if:

52.24 (1) hazards to human life exist; or

52.25 (2) there is satisfactory evidence that the person to whom the approval was issued
52.26 has used fraudulent or deceptive practices to evade or attempt to evade provisions of
52.27 this chapter.

52.28 (c) Any action under this subdivision may be appealed pursuant to section 34A.08.

52.29 Subd. 2. **License revocation, suspension, and refusal.** (a) The commissioner
52.30 may revoke, suspend, limit, modify, or refuse to grant or renew a registration, listing,
52.31 permit, license, or certification if a person violates or has violated this chapter within
52.32 the last three years.

52.33 (b) The commissioner may revoke, suspend, limit, modify, or refuse to grant or
52.34 renew a registration, listing, permit, license, or certification to a person from another state

if that person has had a registration, permit, license, or certification denied, revoked, or suspended by another state for an offense reasonably related to the requirements, qualifications, or duties of a registration, permit, license, or certification issued under this chapter.

(c) The commissioner may revoke, suspend, limit, modify, or refuse to grant or renew a registration, listing, permit, license, or certification to a person after receiving satisfactory evidence that the registrant, permittee, licensee, or certificate holder has used fraudulent and deceptive practices in the evasion or attempted evasion of this chapter.

(d) A registration, listing, permit, license, or certification may not be revoked or suspended until the registrant, permittee, licensee, or certificate holder has been given opportunity for a hearing by the commissioner. After receiving notice of revocation or suspension, a registrant, permittee, licensee, registrant, or certificate holder has ten days to request a hearing, or another time period mutually agreed to by both parties. If no request is made within ten days or other agreed-upon time, the registration, listing, permit, license, or certification is revoked or suspended. In the case of a refusal to grant a registration, listing, permit, license, or certification, the registrant, permittee, licensee, registrant, or certificate holder has ten days from notice of refusal to request a hearing. Upon receiving a request for hearing, the department shall proceed pursuant to section 34A.08, subdivision 2.

Sec. 35. **[34A.07] ADMINISTRATIVE PENALTIES.**

Subdivision 1. **Assessment.** (a) In determining the amount of the administrative penalty, the commissioner shall consider the economic gain received by the person allowing or committing the violation, the gravity of the violation in terms of actual or potential damage to human or animal health and the environment, the willfulness of the violation, the number of violations, the history of past violations, and other factors justice may require, if the additional factors are specifically identified in the inspection report. For a violation after an initial violation, the commissioner shall also consider the similarity of the most recent previous violation and the violation to be penalized, the time elapsed since the last violation, the number of previous violations, and the response of the person to the most recent previous violation identified.

(b) The commissioner may issue an administrative citation assessing an administrative penalty of up to \$1,500 for each violation of this chapter. Each day a violation continues is a separate violation. The citation must describe the nature of the violation, the statute or rule alleged to have been violated, the time for correction, if applicable, and the amount of any proposed fine. The citation must advise the person to notify the commissioner in writing within 20 days, or another time period mutually agreed

to by the commissioner and the person subject to the citation, if the person wishes to appeal the citation, and that if the person fails to appeal the citation, the citation is the final order and not subject to further review.

(c) An administrative penalty may be assessed if the person subject to a written order does not comply with the order in the time provided in the order.

Subd. 2. Collection of penalty. If a person subject to an administrative penalty fails to pay the penalty, which must be part of a final citation by the commissioner, by 30 days after the final order is issued, the commissioner may commence an administrative action for double the assessed penalty.

Sec. 36. **[34A.08] APPEAL OF ADMINISTRATIVE ACTION OR PENALTY.**

Subdivision 1. Notice of appeal. (a) After service of a citation under section 34A.07 or order under section 34A.06, subdivision 1, a person has 20 days from receipt of the citation or order, or another time period mutually agreed to by the commissioner and the person subject to the citation or order, to notify the commissioner in writing that the person intends to contest the citation or order through a hearing. The hearing request must specifically identify the order or citation being contested and state the grounds for contesting it.

(b) If the person fails to notify the commissioner that the person intends to contest the citation or order, the citation or order is final and not subject to further administrative review.

Subd. 2. Administrative review. If a person notifies the commissioner that the person intends to contest a citation or order issued under this chapter, the Office of Administrative Hearings shall conduct a hearing in accordance with the applicable provisions of chapter 14 for hearings in contested cases.

Sec. 37. **[34A.10] CRIMINAL PENALTIES.**

Subdivision 1. General violation. Except as provided in subdivisions 2 and 3, a person is guilty of a misdemeanor if the person violates this chapter or an order, standard, citation, stipulation, agreement, or schedule of compliance of the commissioner, or impedes, hinders, or otherwise prevents, or attempts to prevent the commissioner or a duly authorized agent, in performance of a duty in connection with this chapter. Unless otherwise specified in this chapter, each separate violation is a separate offense, except that in the case of a violation through continuing failure or neglect to obey this chapter, each day the failure or neglect continues is a separate offense.

55.1 Subd. 2. **Violation endangering humans or animals.** A person is guilty of a
55.2 gross misdemeanor if the person violates this chapter or an order, standard, stipulation,
55.3 agreement, or schedule of compliance of the commissioner and the violation endangers
55.4 humans or animals.

55.5 Subd. 3. **Violation with knowledge.** A person is guilty of a gross misdemeanor if
55.6 the person knowingly violates this chapter or an order, standard, stipulation, agreement, or
55.7 schedule of compliance of the commissioner.

55.8 Sec. 38. **[34A.11] EMBARGO, SEIZURE, AND CONDEMNATION.**

55.9 Subdivision 1. **Tag, notice, or withdrawal from distribution.** If the commissioner
55.10 finds probable cause to believe that any food, animal, or consumer commodity is being
55.11 distributed in violation of this chapter or rules under this chapter, or is adulterated or so
55.12 misbranded as to be dangerous or fraudulent, the commissioner shall affix to the food,
55.13 animal, or consumer commodity a tag, withdrawal from distribution order, or other
55.14 appropriate marking giving notice that the food, animal, or consumer commodity is, or is
55.15 suspected of being, adulterated, misbranded, or distributed in violation of this chapter,
55.16 and has been detained or embargoed, and warning all persons not to remove or dispose
55.17 of the food, animal, or consumer commodity by sale or otherwise until permission for
55.18 removal or disposal is given by the commissioner or the court. It is unlawful for a person
55.19 to remove or dispose of a detained or embargoed food, animal, or consumer commodity by
55.20 sale or otherwise without the commissioner's or a court's permission and each transaction
55.21 is a separate violation of this subdivision.

55.22 Subd. 2. **Seizure.** A carcass; part of a carcass; meat or meat food product of an
55.23 animal; or dead, dying, disabled, or diseased animal that is being transported in intrastate
55.24 commerce, or is held for sale in this state after transportation in intrastate commerce, may
55.25 be proceeded against, seized, and condemned if:

55.26 (1) it is or has been prepared, sold, transported, or otherwise distributed, offered, or
55.27 received for distribution in violation of this chapter;

55.28 (2) it is usable as human food and is adulterated or misbranded; or

55.29 (3) it is in any other way in violation of this chapter.

55.30 Subd. 3. **Action for condemnation.** If food or an article or animal detained or
55.31 embargoed under subdivision 1 has been found by the commissioner to be adulterated
55.32 or misbranded or in violation of this chapter, the commissioner shall petition the district
55.33 court in the county in which the food or animal is detained or embargoed for an order and
55.34 decree for the condemnation of the food or animal. The commissioner shall release the

56.1 food or animal when this chapter and rules adopted under this chapter have been complied
56.2 with or the food or animal is found to be not adulterated or misbranded.

56.3 Subd. 4. **Remedies.** If the court finds that a detained or embargoed food or animal
56.4 is adulterated, misbranded, or in violation of this chapter or rules adopted under this
56.5 chapter, the following remedies are available:

56.6 (1) after entering a decree, the food or animal may be destroyed at the expense of
56.7 the claimant under the supervision of the commissioner, and all court costs, fees, storage,
56.8 and other proper expenses must be assessed against the claimant of the food or animal or
56.9 the claimant's agent; and

56.10 (2) if adulteration or misbranding can be corrected by proper labeling or processing
56.11 of the food or animal, the court, after entry of the decree and after costs, fees, and expenses
56.12 have been paid and a good and sufficient bond, conditioned that the food or animal must
56.13 be properly labeled or processed, has been executed, may by order direct that the food or
56.14 animal be delivered to the claimant for proper labeling or processing under the supervision
56.15 of the commissioner. The expense of the supervision must be paid by the claimant. The
56.16 food or animal must be returned to the claimant and the bond must be discharged on the
56.17 representation to the court by the commissioner that the food or animal is no longer in
56.18 violation and that the expenses for the supervision have been paid.

56.19 Subd. 5. **Duties of commissioner.** If the commissioner finds in any room, building,
56.20 vehicle of transportation, or other structure any meat, seafood, poultry, vegetable, fruit, or
56.21 other perishable articles of food that are unsound, or contain any filthy, decomposed, or
56.22 putrid substance, or that may be poisonous or deleterious to health or otherwise unsafe, the
56.23 commissioner shall condemn or destroy the item or in any other manner render the item as
56.24 unsalable as human food, and no one has any cause of action against the commissioner
56.25 on account of the commissioner's action.

56.26 Subd. 6. **Emergency response.** If the governor declares an emergency order under
56.27 section 12.31 and if the commissioner finds or has probable cause to believe that livestock,
56.28 food, or a consumer commodity within a specific area is likely to be adulterated because
56.29 of the emergency or so misbranded as to be dangerous or fraudulent, or is in violation of
56.30 section 31.131, subdivision 1, the commissioner may embargo a geographic area that is
56.31 included in the declared emergency. The commissioner shall provide notice to the public
56.32 and to those with custody of the product in as thorough a manner as is practicable under
56.33 the emergency circumstances.

56.34 Sec. 39. **[34A.12] POWERS OF THE COMMISSIONER.**

Subdivision 1. **Gathering information.** The commissioner may, for the purposes of this chapter:

The reports and answers must be made under oath, or otherwise, as the commissioner prescribes, and filed with the commissioner within a reasonable time the commissioner prescribes, unless additional time is granted by the commissioner.

Subd. 2. **Penalties related to testimony and records.** (a) A person who neglects or refuses to attend and testify, to answer a lawful inquiry, or to produce documentary evidence, if it is in the person's power to do so in obedience to the subpoena or lawful requirement of the commissioner, is guilty of a misdemeanor.

(b) A person who willfully:

(c) A person required by this chapter to file an annual or special report who fails to do so within the time fixed by the commissioner for filing the report and continues the failure for 30 days after notice of failure to file, is guilty of a misdemeanor.
