6.4 registration to provide health services if that person is practicing within the scope of the
6.5 license or registration or delegated authority;

6.6 (14) improper management of health records, including failure to maintain adequate

6.28 such responsibilities knows or has reason to know that the person is not qualified by training,

7.2 standard of test administration, such as communicating with another examinee during
7.3 administration of the examination, copying another examinee's answers, permitting another
7.4 examinee to copy one's answers, or possessing unauthorized materials; or (3) impersonating
7.5 an examinee or permitting an impersonator to take the examination on one's own behalf.

7.6 (c) For the purposes of paragraph (a), clauses (4) and (5), conviction as used in these
7.7 subdivisions includes a conviction of an offense that if committed in this state would be
7.8 deemed a felony without regard to its designation elsewhere, or a criminal proceeding where
7.9 a finding or verdict of guilt is made or returned but the adjudication of guilt is either withheld
7.10 or not entered.

7.11 (d) For the purposes of paragraph (a), clauses (4), (5), and (6), a copy of the judgment
7.12 or proceeding under seal of the administrator of the court or of the administrative agency

7.33 from any third-party payer as payment in full, if the effect is to give the impression of

8.1 eliminating the need of payment by the patient of any required deductible or co-payment
 8.2 applicable in the patient's health benefit plan. As used in this clause, "advertise" means
 8.3 solicitation by the licensee by means of handbills, posters, circulars, motion pictures, radio,
