bonds.

The bill was read for the first time and referred to the Capital Investment Division

to the Public Facilities Authority for a grant to the city of Newport to design and construct the installation of liner from the sewer main within the service line toward the residence to a cleanout installed in the boulevard for approximately 860 residential services and to install liner in the sanitary sewer main line and service connections in areas of the city sewer system susceptible to infiltration and inflow. This appropriation also includes money for chemical grouting and sealing of the 300 sanitary manholes within the project area and for boulevard restoration. This appropriation is not available until the commissioner of management and budget determines that an amount sufficient to complete the project has been committed from nonstate sources. Subd. 2. Bond sale. To provide the money appropriated in this section from the bond proceeds fund, the commissioner of management and budget shall sell and issue bonds of		BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:
Subdivision 1. Appropriation. \$4,800,000 is appropriated from the bond proceeds function to the Public Facilities Authority for a grant to the city of Newport to design and construct the installation of liner from the sewer main within the service line toward the residence to a cleanout installed in the boulevard for approximately 860 residential services and to install liner in the sanitary sewer main line and service connections in areas of the city sewer system susceptible to infiltration and inflow. This appropriation also includes money for chemical grouting and sealing of the 300 sanitary manholes within the project area and for boulevard restoration. This appropriation is not available until the commissioner of management and budget determines that an amount sufficient to complete the project has been committed from nonstate sources. Subd. 2. Bond sale. To provide the money appropriated in this section from the bond proceeds fund, the commissioner of management and budget shall sell and issue bonds of the state in an amount up to \$4,800,000 in the manner, upon the terms, and with the effect prescribed by Minnesota Statutes, sections 16A.631 to 16A.675, and by the Minnesota		Section 1. NEWPORT; INFLOW AND INFILTRATION REDUCTION
to the Public Facilities Authority for a grant to the city of Newport to design and construct the installation of liner from the sewer main within the service line toward the residence to a cleanout installed in the boulevard for approximately 860 residential services and to install liner in the sanitary sewer main line and service connections in areas of the city sewer system susceptible to infiltration and inflow. This appropriation also includes money for chemical grouting and sealing of the 300 sanitary manholes within the project area and for boulevard restoration.
