20.32 by which this information is to be submitted. This information shall be provided to the
20.33 person conducting the assessment and the person or the person's legal representative, and
20.34 must be considered prior to the finalization of the assessment or reassessment.

20.35 (e) If the person chooses to use community-based services, the person or the person's
20.36 legal representative must be provided with a written community support plan within 40

21.1 calendar days of the assessment visit, regardless of whether the individual is eligible for
21.2 Minnesota health care programs. The written community support plan must include:

- 21.3 (1) a summary of assessed needs as defined in paragraphs (c) and (d);
- 21.4 (2) the individual's options and choices to meet identified needs, including all

 22.2 clause (7), and (b);

22.3 (5) information about Minnesota health care programs;

22.4 (6) the person's freedom to accept or reject the recommendations of the team;

22.5 (7) the person's right to confidentiality under the Minnesota Government Data
 22.6 Practices Act, chapter 13;

22.7 (8) the certified assessor's decision regarding the person's need for institutional level
 22.8 of care as determined under criteria established in section 256B.0911, subdivision 4a,
 22.9 paragraph (d), and the certified assessor's decision regarding eligibility for all services and
 22.10 programs as defined in subdivision 1a, paragraphs (a), clause (7), and (b); and

22.11 (9) the person's right to appeal the certified assessor's decision regarding eligibility
 22.12 for all services and programs as defined in subdivision 1a, paragraphs (a), ~~clause~~ clauses
 22.13 (7), (8), and (9), and (b), and incorporating the decision regarding the need for institutional
 22.14 level of care or the lead agency's final decisions regarding public programs eligibility
 22.15 according to section 256.045, subdivision 3.

22.16 (i) Face-to-face assessment completed as part of eligibility determination for
 22.17 the alternative care, elderly waiver, community alternatives for disabled individuals,
 22.18 community alternative care, and brain injury waiver programs under sections 256B.0913,
 22.19 256B.0915, and 256B.49 is valid to establish service eligibility for no more than 60
 22.20 calendar days after the date of assessment.

22.21 (j) The effective eligibility start date for programs in paragraph (i) can never be
 22.22 prior to the date of assessment. If an assessment was completed more than 60 days
 22.23 before the effective waiver or alternative care program eligibility start date, assessment
 22.24 and support plan information must be updated in a face-to-face visit and documented in
 22.25 the department's Medicaid Management Information System (MMIS). Notwithstanding
 22.26 retroactive medical assistance coverage of state plan services, the effective date of
 22.27 eligibility for programs included in paragraph (i) cannot be prior to the date the most
 22.28 recent updated assessment is completed.

24.7 Sec. 12. Minnesota Statutes 2012, section 256B.441, subdivision 1, is amended to read:

24.8 Subdivision 1. **Rebasing of nursing facility operating payment rates.** (a) The
24.9 commissioner shall rebase nursing facility operating payment rates to align payments to
24.10 facilities with the cost of providing care. The rebased operating payment rates shall be
24.11 calculated using the statistical and cost report filed by each nursing facility for the report
24.12 period ending one year prior to the rate year.

24.13 (b) The new operating payment rates based on this section shall take effect beginning
24.14 with the rate year beginning October 1, 2008, and shall be phased in over eight rate years
24.15 through October 1, 2015. For each year of the phase-in, the operating payment rates shall
24.16 be calculated using the statistical and cost report filed by each nursing facility for the
24.17 report period ending one year prior to the rate year.

24.18 (c) Operating payment rates shall be rebased on October 1, 2016, and every two
24.19 years after that date.

24.20 (d) Each cost reporting year shall begin on October 1 and end on the following
24.21 September 30. Beginning in ~~2006~~ 2014, a statistical and cost report shall be filed by each
24.22 nursing facility by ~~January 15~~ February 1. Notice of rates shall be distributed by August
24.23 15 and the rates shall go into effect on October 1 for one year.

24.24 (e) Effective October 1, 2014, property rates shall be rebased in accordance with
24.25 section 256B.431 and Minnesota Rules, chapter 9549. The commissioner shall determine
24.26 what the property payment rate for a nursing facility would be had the facility not had its
24.27 property rate determined under section 256B.434. The commissioner shall allow nursing
24.28 facilities to provide information affecting this rate determination that would have been
24.29 filed annually under Minnesota Rules, chapter 9549, and nursing facilities shall report
24.30 information necessary to determine allowable debt. The commissioner shall use this
24.31 information to determine the property payment rate.

24.32 Sec. 13. Minnesota Statutes 2012, section 256B.441, subdivision 43, is amended to read:

24.33 Subd. 43. **Reporting of statistical and cost information.** (a) Beginning in 2006,
24.34 all nursing facilities shall provide information annually to the commissioner on a form

25.1 and in a manner determined by the commissioner. The commissioner may also require
25.2 nursing facilities to provide statistical and cost information for a subset of the items in
25.3 the annual report on a semiannual basis. Nursing facilities shall report only costs directly
25.4 related to the operation of the nursing facility. The facility shall not include costs which
25.5 are separately reimbursed by residents, medical assistance, or other payors. Allocations
25.6 of costs from central, affiliated, or corporate office and related organization transactions
25.7 shall be reported according to section 256B.432. Beginning with the September 30, 2013,
25.8 reporting year, the commissioner may shall no longer grant to facilities one extension of
25.9 up to 15 days for the filing of this report if the extension is requested by December 15 and
25.10 the commissioner determines that the extension will not prevent the commissioner from
25.11 establishing rates in a timely manner required by law extensions to the filing deadline.
25.12 The commissioner may separately require facilities to submit in a manner specified by
25.13 the commissioner documentation of statistical and cost information included in the report
25.14 to ensure accuracy in establishing payment rates and to perform audit and appeal review
25.15 functions under this section. Facilities shall retain all records necessary to document
25.16 statistical and cost information on the report for a period of no less than seven years.
25.17 The commissioner may amend information in the report according to subdivision 47.
25.18 The commissioner may reject a report filed by a nursing facility under this section if the
25.19 commissioner determines that the report has been filed in a form that is incomplete or
25.20 inaccurate and the information is insufficient to establish accurate payment rates. In the
25.21 event that a complete report is not submitted in a timely manner, the commissioner shall
25.22 reduce the reimbursement payments to a nursing facility to 85 percent of amounts due
25.23 until the information is filed. The release of withheld payments shall be retroactive for
25.24 no more than 90 days. A nursing facility that does not submit a report or whose report is
25.25 filed in a timely manner but determined to be incomplete shall be given written notice that
25.26 a payment reduction is to be implemented and allowed ten days to complete the report
25.27 prior to any payment reduction. The commissioner may delay the payment withhold under
25.28 exceptional circumstances to be determined at the sole discretion of the commissioner.

25.29 (b) Nursing facilities may, within 12 months of the due date of a statistical and
25.30 cost report, file an amendment when errors or omissions in the annual statistical and
25.31 cost report are discovered and an amendment would result in a rate increase of at least
25.32 0.15 percent of the statewide weighted average operating payment rate and shall, at any
25.33 time, file an amendment which would result in a rate reduction of at least 0.15 percent of
25.34 the statewide weighted average operating payment rate. The commissioner shall make
25.35 retroactive adjustments to the total payment rate of a nursing facility if an amendment is
25.36 accepted. Where a retroactive adjustment is to be made as a result of an amended report,

26.1 audit findings, or other determination of an incorrect payment rate, the commissioner may
26.2 settle the payment error through a negotiated agreement with the facility and a gross
26.3 adjustment of the payments to the facility. Retroactive adjustments shall not be applied
26.4 to private pay residents. An error or omission for purposes of this item does not include
26.5 a nursing facility's determination that an election between permissible alternatives was
26.6 not advantageous and should be changed.

26.7 (c) If the commissioner determines that a nursing facility knowingly supplied
26.8 inaccurate or false information or failed to file an amendment to a statistical and cost report
26.9 that resulted in or would result in an overpayment, the commissioner shall immediately
26.10 adjust the nursing facility's payment rate and recover the entire overpayment. The
26.11 commissioner may also terminate the commissioner's agreement with the nursing facility
26.12 and prosecute under applicable state or federal law.

26.13 Sec. 14. Minnesota Statutes 2012, section 256B.441, subdivision 63, is amended to read:

26.14 Subd. 63. **Critical access nursing facilities.** (a) The commissioner, in consultation
26.15 with the commissioner of health, may designate certain nursing facilities as critical access
26.16 nursing facilities. The designation shall be granted on a competitive basis, within the
26.17 limits of funds appropriated for this purpose.

26.18 (b) The commissioner shall request proposals from nursing facilities every two years.
26.19 Proposals must be submitted in the form and according to the timelines established by
26.20 the commissioner. In selecting applicants to designate, the commissioner, in consultation
26.21 with the commissioner of health, and with input from stakeholders, shall develop criteria
26.22 designed to preserve access to nursing facility services in isolated areas, rebalance
26.23 long-term care, and improve quality.

26.24 (c) The commissioner shall allow the benefits in clauses (1) to (5) for nursing
26.25 facilities designated as critical access nursing facilities:

26.26 (1) partial rebasing, with operating payment rates being the sum of 60 percent of the
26.27 operating payment rate determined in accordance with subdivision 54 and 40 percent of the
26.28 operating payment rate that would have been allowed had the facility not been designated;

26.29 (2) enhanced payments for leave days. Notwithstanding section 256B.431,
26.30 subdivision 2r, upon designation as a critical access nursing facility, the commissioner
26.31 shall limit payment for leave days to 60 percent of that nursing facility's total payment rate
26.32 for the involved resident, and shall allow this payment only when the occupancy of the
26.33 nursing facility, inclusive of bed hold days, is equal to or greater than 90 percent;

26.34 (3) two designated critical access nursing facilities, with up to 100 beds in active
26.35 service, may jointly apply to the commissioner of health for a waiver of Minnesota

27.1 Rules, part 4658.0500, subpart 2, in order to jointly employ a director of nursing. The
27.2 commissioner of health will consider each waiver request independently based on the
27.3 criteria under Minnesota Rules, part 4658.0040;

27.4 (4) the minimum threshold under section 256B.431, ~~subdivisions 3f, paragraph (a),~~
27.5 ~~and 17e~~ subdivision 15, paragraph (e), shall be 40 percent of the amount that would
27.6 otherwise apply; and

27.7 (5) notwithstanding subdivision 58, beginning October 1, 2014, the quality-based
27.8 rate limits under subdivision 50 shall apply to designated critical access nursing facilities.

27.9 (d) Designation of a critical access nursing facility shall be for a period of two
27.10 years, after which the benefits allowed under paragraph (c) shall be removed. Designated
27.11 facilities may apply for continued designation.

27.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

27.13 Sec. 15. Minnesota Statutes 2012, section 256B.49, subdivision 14, is amended to read:

27.14 Subd. 14. **Assessment and reassessment.** (a) Assessments and reassessments
27.15 shall be conducted by certified assessors according to section 256B.0911, subdivision 2b.
27.16 The certified assessor, with the permission of the recipient or the recipient's designated
27.17 legal representative, may invite other individuals to attend the assessment. With the
27.18 permission of the recipient or the recipient's designated legal representative, the recipient's
27.19 current provider of services may submit a written report outlining their recommendations
27.20 regarding the recipient's care needs prepared by a direct service employee with at least
27.21 20 hours of service to that client. ~~The person conducting the assessment or reassessment~~
27.22 certified assessor must notify the provider of the date by which this information is to be
27.23 submitted. This information shall be provided to the ~~person conducting the assessment~~
27.24 certified assessor and the person or the person's legal representative and must be
27.25 considered prior to the finalization of the assessment or reassessment.

27.26 (b) There must be a determination that the client requires a hospital level of care or a
27.27 nursing facility level of care as defined in section 256B.0911, subdivision 4a, paragraph
27.28 (d), at initial and subsequent assessments to initiate and maintain participation in the
27.29 waiver program.

27.30 (c) Regardless of other assessments identified in section 144.0724, subdivision 4, as
27.31 appropriate to determine nursing facility level of care for purposes of medical assistance
27.32 payment for nursing facility services, only face-to-face assessments conducted according
27.33 to section 256B.0911, subdivisions 3a, 3b, and 4d, that result in a hospital level of care
27.34 determination or a nursing facility level of care determination must be accepted for
27.35 purposes of initial and ongoing access to waiver services payment.

28.1 (d) Recipients who are found eligible for home and community-based services under
28.2 this section before their 65th birthday may remain eligible for these services after their
28.3 65th birthday if they continue to meet all other eligibility factors.

28.4 (e) The commissioner shall develop criteria to identify recipients whose level of
28.5 functioning is reasonably expected to improve and reassess these recipients to establish
28.6 a baseline assessment. Recipients who meet these criteria must have a comprehensive
28.7 transitional service plan developed under subdivision 15, paragraphs (b) and (c), and be
28.8 reassessed every six months until there has been no significant change in the recipient's
28.9 functioning for at least 12 months. After there has been no significant change in the
28.10 recipient's functioning for at least 12 months, reassessments of the recipient's strengths,
28.11 informal support systems, and need for services shall be conducted at least every 12
28.12 months and at other times when there has been a significant change in the recipient's
28.13 functioning. Counties, case managers, and service providers are responsible for
28.14 conducting these reassessments and shall complete the reassessments out of existing funds.

28.15 Sec. 16. Minnesota Statutes 2012, section 256B.492, is amended to read:

29.2 regimented meal and sleep times, limitations on visitors, and lack of privacy. Restrictions
29.3 agreed to and documented in the person's individual service plan shall not result in a
29.4 residence having the qualities of an institution as long as the restrictions for the person are
29.5 not imposed upon others in the same residence and are the least restrictive alternative,
29.6 imposed for the shortest possible time to meet the person's needs.

29.7 (c) The provisions of paragraphs (a) and (b) do not apply to any setting in which

29.25 vulnerable adult from further harm, the county social service agency shall seek authority
29.26 to remove the vulnerable adult from the situation in which the maltreatment occurred. The
29.27 county social service agency may also investigate to determine whether the conditions
29.28 which resulted in the reported maltreatment place other vulnerable adults in jeopardy of
29.29 being maltreated and offer protective social services that are called for by its determination.

29.30 (b) County social service agencies may enter facilities and inspect and copy records
29.31 as part of an investigation. The county social service agency has access to not public
