- (f) A health carrier may sell, issue, or renew an individual health plan, if the individual has elected to buy the individual health plan not as part of a general plan to substitute individual health plans for a group health plan nor as a result of any violation of subdivision 3 or 4.
- (g) A health carrier may sell, issue, or renew an individual health plan if coverage provided by the employer is determined to be unaffordable under the provisions of the Affordable Care Act as defined in section 62A.011, subdivision 1a.
