 35.10 shall be as the commissioner prescribes.

35.11 Sec. 31. Minnesota Statutes 2012, section 90.101, subdivision 1, is amended to read:

35.12 Subdivision 1. **Sale requirements.** The commissioner may sell the timber on any

 35.14 to be included in the permit area covered by any one permit issued to the purchaser of
 35.15 timber on state lands, or in any one contract or other instrument relating thereto. No
 35.16 timber shall be sold, except (1) to the highest responsible bidder at public auction, or
 35.17 (2) if unsold at public auction, the commissioner may offer the timber for private sale
 35.18 for a period of no more than ~~six months~~ one year after the public auction to any ~~person~~

 35.22 in the county or forestry administrative area in which the tract is located or in an adjacent
 35.23 county or forestry administrative area that is nearest the tract offered for sale or that is
 35.24 most accessible to potential bidders. In adjoining counties or forestry administrative areas,
 35.25 sales may not be held less than two hours apart.

35.26 Sec. 32. Minnesota Statutes 2012, section 90.121, is amended to read:

 36.2 first round of bidding unless fewer than four tracts are offered, in which case not more than
 36.3 one tract shall be awarded to one bidder. Any tract not sold at public auction may be offered
 36.4 for private sale as authorized by section 90.101, subdivision 1, 30 days after the auction to
 36.5 persons responsible bidders eligible under this section at the appraised value; and

 36.7 employees. For the purposes of this clause, "employee" means an individual working in
 36.8 the timber or wood products industry for salary or wages on a full-time or part-time basis.

36.9 (b) The auction sale procedure set forth in this section constitutes an additional
 36.10 alternative timber sale procedure available to the commissioner and is not intended to
 36.11 replace other authority possessed by the commissioner to sell timber in lots of 3,000
 36.12 cords or less.

36.13 (c) Another bidder or the commissioner may request that the number of employees a
 36.14 bidder has pursuant to paragraph (a), clause (3), be confirmed by signed affidavit if there is
 36.15 evidence that the bidder may be ineligible due to exceeding the employee threshold. The
 36.16 commissioner shall request information from the commissioners of labor and industry and
 36.17 employment and economic development including the premiums paid by the bidder in
 36.18 question for workers' compensation insurance coverage for all employees of the bidder.
 36.19 The commissioner shall review the information submitted by the commissioners of labor
 36.20 and industry and employment and economic development and make a determination based
 36.21 on that information as to whether the bidder is eligible. A bidder is considered eligible and
 36.22 may participate in intermediate auctions until determined ineligible under this paragraph.

36.23 Sec. 33. Minnesota Statutes 2012, section 90.145, is amended to read:

36.24 **90.145 PURCHASER QUALIFICATIONS AND, REGISTRATION, AND**

 36.32 under chapter 182. The commissioner of natural resources ~~shall~~ may require a purchaser
 36.33 to provide proof of compliance with the general industry safety standards.

36.34 (c) The purchaser ~~and~~ or the purchaser's agents, subcontractors, and assigns
 36.35 conducting logging operations on the timber permit must comply with the mandatory

37.1 insurance requirements of chapter 176. The commissioner ~~shall~~ may require a purchaser
 37.2 to provide a copy of the proof of insurance required by section 176.130 before the start of
 37.3 harvesting operations on any permit.

37.4 (d) Before the start of harvesting operations on any permit, the purchaser must certify
 37.5 that a foreperson or other designated employee who has a current certificate of completion,

37.10 (e) The purchaser and the purchaser's agents, employees, subcontractors, and assigns
 37.11 who will be involved with logging or scaling state timber must be in compliance with
 37.12 this chapter.

37.13 Subd. 2. **Purchaser ~~preregistration~~ registration.** To facilitate the sale of permits
 37.14 issued under section 90.151, the commissioner may establish a ~~purchaser preregistration~~
 37.15 registration system to verify the qualifications of a person as a responsible bidder to
 37.16 purchase a timber permit. Any system implemented by the commissioner shall be limited
 37.17 in scope to only that information that is required for the efficient administration of the
 37.18 purchaser qualification ~~provisions~~ requirements of this chapter ~~and shall conform with the~~
 37.19 ~~requirements of chapter 13.~~ The registration system established under this subdivision is
 37.20 not subject to the rulemaking provisions of chapter 14 and section 14.386 does not apply.

37.21 Sec. 34. Minnesota Statutes 2012, section 90.151, subdivision 1, is amended to read:

37.22 Subdivision 1. **Issuance; expiration.** (a) Following receipt of the down payment
 37.23 for state timber required under section 90.14 or 90.191, the commissioner shall issue a
 37.24 numbered permit to the purchaser, in a form approved by the attorney general, by the
 37.25 terms of which the purchaser shall be authorized to enter upon the land, and to cut and

 37.27 appraiser, according to the provisions of this chapter. The permit shall be correctly
 37.28 dated and executed by the commissioner and signed by the purchaser. If a permit is not
 37.29 signed by the purchaser within ~~60~~ 45 days from the date of purchase, the permit cancels

 37.31 commissioner may grant an additional period for the purchaser to sign the permit, not to
 37.32 exceed ~~five~~ ten business days, provided the purchaser pays a ~~\$125~~ \$200 penalty fee.

37.33 (b) The permit shall expire no later than five years after the date of sale as the
 37.34 commissioner shall specify or as specified under section 90.191, and the timber shall

38.3 request, prior to the expiration date, and may be granted, for good and sufficient reasons,

38.6 land after expiration of the permit becomes the property of the state.

38.7 (c) The commissioner may grant an additional period of time not to exceed ~~120~~ 240
38.8 days for the removal of cut timber, equipment, and buildings upon receipt of ~~such a written~~

38.10 ~~a second period of time not to exceed 120 days for the removal of cut timber, equipment,~~
38.11 ~~and buildings upon receipt of a request by the permit holder for hardship reasons only.~~
38.12 The permit holder may combine in the written request under this paragraph the request
38.13 for additional time under paragraph (b).

38.17 sold in units of per thousand feet, per cord, per piece, per ton, or by whatever description
38.18 sold, and shall specify that all landings of cut products shall be legibly marked with the
38.19 assigned permit number. The permit shall provide for the continuous identification

38.26 full payment therefor and until all provisions of the permit have been fully complied
38.27 with. The permit shall provide that from the date ~~the same becomes effective~~ cutting
38.28 commences until the expiration ~~thereof~~ of the permit, including all extensions, the
38.29 purchaser and successors in interest shall be liable to the state for the full permit price of
38.30 all timber covered thereby, notwithstanding any subsequent damage or injury thereto or
38.31 trespass thereon or theft thereof, and without prejudice to the right of the state to pursue
38.32 such timber and recover the value thereof anywhere prior to the payment therefor in full to
38.33 the state. If an effective permit is forfeited prior to any cutting activity, the purchaser is
38.34 liable to the state for a sum equal to the down payment and bid guarantee. Upon recovery

39.1 from any person other than the permit holder, the permit holder shall be deemed released
39.2 to the extent of the net amount, after deducting all expenses of collecting same, recovered

39.8 cutting shall be cut ~~without~~ in such a manner so as not to cause damage to other timber;
39.9 that the permit holder shall remove all timber authorized and designated to be cut under

39.11 by the commissioner not to be convertible into ~~board~~ the permit's measure, shall be paid
39.12 for by the piece or cord or other unit of measure according to the size, species, or value, as
39.13 may be determined by the commissioner; and that all timber products, except as specified
39.14 by the commissioner, shall be scaled and the final settlement for the timber cut shall be
39.15 made on this scale; ~~and that the permit holder shall pay to the state the permit price for~~
39.16 ~~all timber authorized to be cut, including timber not cut.~~

39.17 Sec. 38. Minnesota Statutes 2012, section 90.151, subdivision 6, is amended to read:

39.18 Subd. 6. **Notice and approval required.** The permit shall provide that the permit
39.19 holder shall not start cutting any state timber nor clear ~~building sites~~ landings nor logging
39.20 roads until the commissioner has been notified and has given prior approval to such
39.21 cutting operations. Approval shall not be granted until the permit holder has completed
39.22 a presale conference with the state appraiser designated to supervise the cutting. The
39.23 permit holder shall also give prior notice whenever permit operations are to be temporarily
39.24 halted, whenever permit operations are to be resumed, and when permit operations are to
39.25 be completed.

39.26 Sec. 39. Minnesota Statutes 2012, section 90.151, subdivision 7, is amended to read:

39.27 Subd. 7. **Liability for timber cut in trespass.** The permit shall provide that the
39.28 permit holder shall pay the permit price value for any timber sold which is negligently
39.29 destroyed or damaged by the permit holder in cutting or removing other timber sold. If the
39.30 permit holder shall cut or remove or negligently destroy or damage any timber upon the
39.31 land described, not sold under the permit, except such timber as it may be necessary to cut
39.32 and remove in the construction of necessary logging roads and landings approved as to
39.33 location and route by the commissioner, such timber shall be deemed to have been cut in

40.1 trespass. The permit holder shall be liable for any such timber and recourse may be had
40.2 upon the ~~bond~~ security deposit.

40.3 Sec. 40. Minnesota Statutes 2012, section 90.151, subdivision 8, is amended to read:

40.4 Subd. 8. **Suspension; cancellation.** The permit shall provide that the commissioner
40.5 shall have the power to order suspension of all operations under the permit when ~~in the~~
40.6 ~~commissioner's judgment~~ the conditions thereof have not been complied with and any
40.7 timber cut or removed during such suspension shall be deemed to have been cut in trespass;
40.8 that the commissioner may cancel the permit at any time ~~when in the commissioner's~~
40.9 ~~judgment the conditions thereof have not been complied with~~ due to a breach of the permit
40.10 conditions and such cancellation shall constitute repossession of the timber by the state;
40.11 that the permit holder shall remove equipment and buildings from such land within 90 days
40.12 after such cancellation; that, if the purchaser at any time fails to pay any obligations to the
40.13 state under any other permits, any or all permits may be canceled; and that any timber cut

40.20 **90.161 SURETY BONDS FOR AUCTION SECURITY DEPOSITS**
40.21 **REQUIRED FOR EFFECTIVE TIMBER PERMITS.**

40.22 Subdivision 1. **Bond Security deposit required.** (a) Except as otherwise provided
40.23 by law, the purchaser of any state timber, before any timber permit becomes effective for
40.24 any purpose, shall give a good and valid ~~bond~~ security in the form of cash; a certified
40.25 check; a cashier's check; a postal, bank, or express money order; a corporate surety bond;
40.26 or an irrevocable bank letter of credit to the state of Minnesota equal to the value of all

40.29 section 90.14 and 90.163.

40.30 (b) The ~~bond~~ security deposit shall be conditioned upon the faithful performance
40.31 by the purchaser and successors in interest of all terms and conditions of the permit and
40.32 all requirements of law in respect to timber sales. The ~~bond~~ security deposit shall be
40.33 approved in writing by the commissioner and filed for record in the commissioner's office.

41.1 ~~(c) In the alternative to cash and bond requirements, but upon the same conditions,~~
41.2 A purchaser may post bond for 100 percent of the purchase price and request refund of the
41.3 amount of any payments pursuant to ~~sections~~ section 90.14 and 90.163. The commissioner
41.4 may credit the refund to any other permit held by the same permit holder if the permit is
41.5 delinquent as provided in section 90.181, subdivision 2, or may credit the refund to any
41.6 other permit to which the permit holder requests that it be credited.

41.7 (d) In the event of a default, the commissioner may take from the deposit the sum of
41.8 money to which the state is entitled. The commissioner shall return the remainder of the
41.9 deposit, if any, to the person making the deposit. When cash is deposited as security, it
41.10 shall be applied to the amount due when a statement is prepared and transmitted to the
41.11 permit holder according to section 90.181. Any balance due to the state shall be shown on
41.12 the statement and shall be paid as provided in section 90.181. Any amount of the deposit
41.13 in excess of the amount determined to be due according to section 90.181 shall be returned
41.14 to the permit holder when a final statement is transmitted under section 90.181. All or

41.16 statement if it appears that the total amount due on the permit will exceed the bid price.

41.17 (e) If an irrevocable bank letter of credit is provided as security under paragraph
41.18 (a), at the written request of the permittee, the commissioner shall annually allow the
41.19 amount of the bank letter of credit to be reduced by an amount proportionate to the value
41.20 of timber that has been harvested and for which the state has received payment under the
41.21 timber permit. The remaining amount of the bank letter of credit after a reduction under
41.22 this paragraph must not be less than the value of the timber remaining to be harvested
41.23 under the timber permit.

41.24 (f) If cash; a certified check; a cashier's check; a personal check; or a postal, bank, or
41.25 express money order is provided as security under paragraph (a) and no cutting of state

41.28 holder requests in writing that it be credited.

41.29 **Subd. 2. Failure to ~~bond~~ provide security deposit.** ~~If bond~~ the security deposit is
41.30 not furnished, no harvesting may occur and the down payment for timber 15 percent of the
41.31 permit's purchase price shall forfeit to the state when the permit expires.

41.32 **Subd. 3. Subrogation.** ~~In case of default~~ When security is provided by surety
41.33 bond and the permit holder defaults in payment by the permit holder, the surety upon the
41.34 bond shall make payment in full to the state of all sums of money due under such permit;
41.35 and thereupon such surety shall be deemed immediately subrogated to all the rights of
41.36 the state in the timber so paid for; and such subrogated party may pursue the timber and

42.1 recover therefor, or have any other appropriate relief in relation thereto which the state
 42.2 might or could have had if such surety had not made such payment. No assignment or
 42.3 other writing on the part of the state shall be necessary to make such subrogation effective,
 42.4 but the certificate signed by and bearing the official seal of the commissioner, showing the
 42.5 amount of such timber, the lands from which it was cut or upon which it stood, and the
 42.6 amount paid therefor, shall be prima facie evidence of such facts.

42.7 Subd. 4. **Change of security.** Prior to any ~~harvest~~ cutting activity, or activities
 42.8 incidental to the preparation for harvest, a purchaser having posted a ~~bond~~ security deposit
 42.9 for 100 percent of the purchase price of a sale may request the release of the ~~bond~~ security
 42.10 and the commissioner shall grant the release ~~upon cash payment to the commissioner of~~
 42.11 ~~15 percent of the appraised value of the sale, plus eight percent interest on the appraised~~
 42.12 ~~value of the sale from the date of purchase to the date of release~~ while retaining, or upon
 42.13 repayment of, the permit's down payment and bid guarantee deposit requirement.

42.14 Subd. 5. **Return of security.** Any security required under this section shall be
 42.15 returned to the purchaser within 60 days after the final scale.

42.16 Sec. 43. Minnesota Statutes 2012, section 90.162, is amended to read:

42.17 **90.162 ~~ALTERNATIVE TO BOND OR DEPOSIT REQUIREMENTS~~**
 42.18 **SECURING TIMBER PERMITS WITH CUTTING BLOCKS.**

42.19 In lieu of the ~~bond or cash~~ security deposit equal to the value of all timber covered
 42.20 by the permit required by section 90.161 ~~or 90.173~~, a purchaser of state timber may elect
 42.21 in writing on a form prescribed by the attorney general to give good and valid surety to the
 42.22 state of Minnesota equal to the purchase price for any designated cutting block identified
 42.23 on the permit before the date the purchaser enters upon the land to begin harvesting the
 42.24 timber on the designated cutting block.

42.25 Sec. 44. **[90.164] TIMBER PERMIT DEVELOPMENT OPTION.**

42.26 With the completion of the presale conference requirement under section 90.151,
 42.27 subdivision 6, a permit holder may access the permit area in advance of the permit being
 42.28 fully secured as required by section 90.161, for the express purpose of clearing approved
 42.29 landings and logging roads. No cutting of state timber except that incidental to the clearing
 42.30 of approved landings and logging roads is allowed under this section.

42.31 Sec. 45. Minnesota Statutes 2012, section 90.171, is amended to read:

42.32 **90.171 ASSIGNMENT OF AUCTION TIMBER PERMITS.**

43.1 Any permit sold at public auction may be assigned upon written approval of the
43.2 commissioner. The assignment of any permit shall be signed and acknowledged by the
43.3 permit holder. The commissioner shall not approve any assignment until the assignee has
43.4 been determined to meet the qualifications of a responsible bidder and has given to the state
43.5 a ~~bond~~ security deposit which shall be substantially in the form of, and shall be deemed
43.6 of the same effect as, the ~~bond~~ security deposit required of the original purchaser. The
43.7 commissioner may accept ~~the~~ an agreement of the assignee and any corporate surety upon
43.8 ~~such~~ an original bond, substituting the assignee in the place of ~~such~~ the original purchaser
43.9 and continuing ~~such~~ the original bond in full force and effect, as to the assignee. Thereupon
43.10 but not otherwise the permit holder making the assignment shall be released from all
43.11 liability arising or accruing from actions taken after the assignment became effective.

43.12 Sec. 46. Minnesota Statutes 2012, section 90.181, subdivision 2, is amended to read:

43.13 Subd. 2. **Deferred payments.** (a) If the amount of the statement is not paid within
43.14 30 days of the date thereof, it shall bear interest at the rate determined pursuant to section
43.15 16A.124, except that the purchaser shall not be required to pay interest that totals \$1 or
43.16 less. If the amount is not paid within 60 days, the commissioner shall place the account in
43.17 the hands of the commissioner of revenue according to chapter 16D, who shall proceed to
43.18 collect the same. When deemed in the best interests of the state, the commissioner shall
43.19 take possession of the timber for which an amount is due wherever it may be found and
43.20 sell the same informally or at public auction after giving reasonable notice.

43.21 (b) The proceeds of the sale shall be applied, first, to the payment of the expenses
43.22 of seizure and sale; and, second, to the payment of the amount due for the timber, with
43.23 interest; and the surplus, if any, shall belong to the state; and, in case a sufficient amount is
43.24 not realized to pay these amounts in full, the balance shall be collected by the attorney
43.25 general. Neither payment of the amount, nor the recovery of judgment therefor, nor
43.26 satisfaction of the judgment, nor the seizure and sale of timber, shall release the sureties
43.27 on any ~~bond~~ security deposit given pursuant to this chapter, or preclude the state from
43.28 afterwards claiming that the timber was cut or removed contrary to law and recovering
43.29 damages for the trespass thereby committed, or from prosecuting the offender criminally.

43.30 Sec. 47. Minnesota Statutes 2012, section 90.191, subdivision 1, is amended to read:

43.31 Subdivision 1. **Sale requirements.** The commissioner may sell the timber on any
43.32 tract of state land in lots not exceeding 500 cords in volume, without formalities but for
43.33 not less than the full appraised value thereof, to any person. No sale shall be made under
43.34 this section to any person holding ~~two~~ more than four permits issued hereunder which are

44.1 still in effect; ~~except that (1) a partnership as defined in chapter 323, which may include~~
 44.2 ~~spouses but which shall provide evidence that a partnership exists, may be holding two~~
 44.3 ~~permits for each of not more than three partners who are actively engaged in the business~~
 44.4 ~~of logging or who are the spouses of persons who are actively engaged in the business of~~
 44.5 ~~logging with that partnership; and (2) a corporation, a majority of whose shares and voting~~
 44.6 ~~power are owned by natural persons related to each other within the fourth degree of~~
 44.7 ~~kindred according to the rules of the civil law or their spouses or estates, may be holding~~
 44.8 ~~two permits for each of not more than three shareholders who are actively engaged in the~~
 44.9 ~~business of logging or who are the spouses of persons who are actively engaged in the~~
 44.10 ~~business of logging with that corporation.~~

44.11 Sec. 48. Minnesota Statutes 2012, section 90.193, is amended to read:

44.12 **90.193 EXTENSION OF TIMBER PERMITS.**

44.13 The commissioner may, in the case of an exceptional circumstance beyond the
 44.14 control of the timber permit holder which makes it unreasonable, impractical, and not
 44.15 feasible to complete cutting and removal under the permit within the time allowed, grant
 44.16 ~~an~~ one regular extension of ~~for~~ one year. A written request for the regular extension must
 44.17 be received by the commissioner before the permit expires. The request must state the
 44.18 reason the extension is necessary and be signed by the permit holder. An interest rate of
 44.19 eight percent may be charged for the period of extension.

44.20 Sec. 49. Minnesota Statutes 2012, section 90.195, is amended to read:

44.21 **90.195 SPECIAL USE AND PRODUCT PERMIT.**

44.22 (a) The commissioner may issue a permit to salvage or cut not to exceed 12 cords of
 44.23 fuelwood per year for personal use from either or both of the following sources: (1) dead,
 44.24 down, and ~~diseased~~ damaged trees; (2) other trees that are of negative value under good
 44.25 forest management practices. The permits may be issued for a period not to exceed one
 44.26 year. The commissioner shall charge a fee for the permit ~~that shall cover the commissioner's~~
 44.27 ~~cost of issuing the permit and~~ as provided under section 90.041, subdivision 10. The fee
 44.28 shall not exceed the current market value of fuelwood of similar species, grade, and volume
 44.29 that is being sold in the area where the salvage or cutting is authorized under the permit.

44.30 (b) The commissioner may issue a special product permit under section 89.42 for
 44.31 commercial use, which may include incidental volumes of boughs, gravel, hay, biomass,
 44.32 and other products derived from forest management activities. The value of the products
 44.33 is the current market value of the products that are being sold in the area. The permit may

45.1 be issued for a period not to exceed one year and the commissioner shall charge a fee for
 45.2 the permit as provided under section 90.041, subdivision 10.

45.3 (c) The commissioner may issue a special use permit for incidental volumes of
 45.4 timber from approved right-of-way road clearing across state land for the purpose of
 45.5 accessing a state timber permit. The permit shall include the volume and value of timber
 45.6 to be cleared and may be issued for a period not to exceed one year. A presale conference
 45.7 as required under section 90.151, subdivision 6, must be completed before the start of
 45.8 any activities under the permit.

45.9 Sec. 50. Minnesota Statutes 2012, section 90.201, subdivision 2a, is amended to read:

45.10 Subd. 2a. **Prompt payment of refunds.** Any refund of cash that is due to a permit
 45.11 holder as determined on a final statement transmitted pursuant to section 90.181 or a
 45.12 refund of cash made pursuant to section 90.161, subdivision 1, ~~or 90.173, paragraph~~
 45.13 ~~(a)~~, shall be paid to the permit holder according to section 16A.124 unless the refund is
 45.14 credited on another permit as provided in this chapter.

45.15 Sec. 51. Minnesota Statutes 2012, section 90.211, is amended to read:

45.16 **90.211 PURCHASE MONEY, WHEN FORFEITED.**

45.17 If the holder of an effective permit begins to cut and then fails to ~~cut~~ complete any
 45.18 part thereof of the permit before the expiration of the permit, the permit holder shall
 45.19 nevertheless pay the price therefor; but under no circumstances shall timber be cut after
 45.20 the expiration of the permit or extension thereof.

45.21 Sec. 52. Minnesota Statutes 2012, section 90.221, is amended to read:

45.22 **90.221 TIMBER SALES RECORDS.**

45.23 The commissioner shall keep timber sales records, including the description of each
 45.24 tract of land from which any timber is sold; the date of the report of the state appraisers;
 45.25 the kind, amount, and value of the timber as shown by such report; the date of the sale;
 45.26 the price for which the timber was sold; the name of the purchaser; the number, date
 45.27 of issuance and date of expiration of each permit; the date of any assignment of the
 45.28 permit; the name of the assignee; the dates of the filing and the amounts of the respective
 45.29 ~~bonds~~ security deposits by the purchaser and assignee; the names of the sureties thereon;
 45.30 the amount of timber taken from the land; the date of the report of the scaler and state
 45.31 appraiser; the names of the scaler and the state appraiser who scaled the timber; and the
 45.32 amount paid for such timber and the date of payment.

46.1 Sec. 53. Minnesota Statutes 2012, section 90.252, subdivision 1, is amended to read:

46.2 Subdivision 1. **Consumer scaling.** The commissioner may enter into an agreement
46.3 with either a timber sale permittee, or the purchaser of the cut products, or both, so
46.4 that the scaling of the cut timber and the collection of the payment for the same can be
46.5 consummated by the ~~consumer~~ state. Such an agreement shall be approved as to form and
46.6 content by the attorney general and shall provide for a bond or cash in lieu of a bond and
46.7 such other safeguards as are necessary to protect the interests of the state. The scaling
46.8 and payment collection procedure may be used for any state timber sale, except that no
46.9 permittee who is also the consumer shall both cut and scale the timber sold unless such
46.10 scaling is supervised by a state scaler.

46.11 Sec. 54. Minnesota Statutes 2012, section 90.301, subdivision 2, is amended to read:

46.12 Subd. 2. **Seizure of unlawfully cut timber.** The commissioner may take possession
46.13 of any timber hereafter unlawfully cut upon or taken from any land owned by the state
46.14 wherever found and may sell the same informally or at public auction after giving such
46.15 notice as the commissioner deems reasonable and after deducting all the expenses of such
46.16 sale the proceeds thereof shall be paid into the state treasury to the credit of the proper
46.17 fund; and when any timber so unlawfully cut has been intermingled with any other timber
46.18 or property so that it cannot be identified or plainly separated therefrom the commissioner
46.19 may so seize and sell the whole quantity so intermingled and, in such case, the whole
46.20 quantity of such timber shall be conclusively presumed to have been unlawfully taken
46.21 from state land. When the timber unlawfully cut or removed from state land is so seized
46.22 and sold, the seizure shall not in any manner relieve the trespasser who cut or removed, or
46.23 caused the cutting or removal of, any such timber from the full liability imposed by this
46.24 chapter for the trespass so committed, but the net amount realized from such sale shall
46.25 be credited on whatever judgment is recovered against such trespasser, if the trespass
46.26 was deemed to be casual and involuntary.

46.27 Sec. 55. Minnesota Statutes 2012, section 90.301, subdivision 4, is amended to read:

46.28 Subd. 4. **Apprehension of trespassers; reward.** The commissioner may offer a
46.29 reward to be paid to a person giving to the proper authorities any information that leads to
46.30 the conviction of a person violating this chapter. The reward is limited to the greater of
46.31 \$100 or ten percent of the single stumpage value of any timber unlawfully cut or removed.
46.32 The commissioner shall pay the reward from funds appropriated for that purpose or from
46.33 receipts from the sale of state timber. A reward shall not be paid to salaried forest officers,
46.34 state appraisers, scalers, conservation officers, or licensed peace officers.

47.1 Sec. 56. Minnesota Statutes 2012, section 90.41, subdivision 1, is amended to read:

47.2 Subdivision 1. **Violations and penalty.** (a) Any state scaler or state appraiser who
47.3 shall accept any compensation or gratuity for services as such from any other source
47.4 except the state of Minnesota, or any state scaler, or other person authorized to scale state
47.5 timber, or state appraiser, who shall make any false report, or insert in any such report any
47.6 false statement, or shall make any such report without having examined the land embraced
47.7 therein or without having actually been upon the land, or omit from any such report any
47.8 statement required by law to be made therein, or who shall fail to report any known trespass
47.9 committed upon state lands, or who shall conspire with any other person in any manner, by
47.10 act or omission or otherwise, to defraud or unlawfully deprive the state of Minnesota of any
47.11 land or timber, or the value thereof, shall be guilty of a felony. Any material discrepancy
47.12 between the facts and the scale returned by any such person scaling timber for the state
47.13 shall be considered prima facie evidence that such person is guilty of violating this statute.

47.14 (b) No such appraiser or scaler who has been once discharged for cause shall ever
47.15 again be appointed. This provision shall not apply to resignations voluntarily made by and
47.16 accepted from such employees.

47.17 Sec. 57. Minnesota Statutes 2012, section 93.46, is amended by adding a subdivision

47.21 subdivisions 12 to 18, from previously developed stockpiles, tailing basins, underground
47.22 mine workings, or open pits and that involves no more than 80 acres of land not previously
47.23 affected by mining, or more than 80 acres of land not previously affected by mining
47.24 if the operator can demonstrate that impacts would be substantially the same as other
47.25 scram operations. "Land not previously affected by mining" means land upon which mine
47.26 wastes have not been deposited and land from which materials have not been removed in
47.27 connection with the production or extraction of metallic minerals.

47.28 Sec. 58. Minnesota Statutes 2012, section 93.481, subdivision 3, is amended to read:

47.29 Subd. 3. **Term of permit; amendment.** (a) A permit issued by the commissioner
47.30 pursuant to this section shall be granted for the term determined necessary by the
47.31 commissioner for the completion of the proposed mining operation, including reclamation
47.32 or restoration. The term of a scram mining permit for iron ore or taconite shall be
47.33 determined in the same manner as a permit to mine for an iron ore or taconite mining
47.34 operation.

48.1 **(b)** A permit may be amended upon written application to the commissioner. A
48.2 permit amendment application fee must be submitted with the written application. The
48.3 permit amendment application fee is ten percent of the amount provided for in subdivision
48.4 1, clause (3), for an application for the applicable permit to mine. If the commissioner
48.5 determines that the proposed amendment constitutes a substantial change to the permit,
48.6 the person applying for the amendment shall publish notice in the same manner as for a
48.7 new permit, and a hearing shall be held if written objections are received in the same
48.8 manner as for a new permit. An amendment may be granted by the commissioner if the
48.9 commissioner determines that lawful requirements have been met.

48.10 Sec. 59. **[93.61] DRILL CORE LIBRARY ACCESS.**

48.11 Consistent with section 13.03, subdivision 3, a person shall not be required to pay a
48.12 fee to access exploration data, exploration drill core data, mineral evaluation data, and
48.13 mining data stored in the drill core library located in Hibbing, Minnesota, and managed
48.14 by the commissioner of natural resources. The library shall be open during regular
48.15 business hours.

48.16 Sec. 60. Minnesota Statutes 2012, section 97A.401, subdivision 3, is amended to read:

48.17 Subd. 3. **Taking, possessing, and transporting wild animals for certain**
48.18 **purposes.** (a) Except as provided in paragraph (b), special permits may be issued without
48.19 a fee to take, possess, and transport wild animals as pets and for scientific, educational,
48.20 rehabilitative, wildlife disease prevention and control, and exhibition purposes. The
48.21 commissioner shall prescribe the conditions for taking, possessing, transporting, and
48.22 disposing of the wild animals.

48.24 exhibition, propagation, or as pets.

48.25 (c) Nonresident professional wildlife rehabilitators with a federal rehabilitation
48.26 permit may possess and transport wildlife affected by oil spills.

48.27 Sec. 61. **[115.84] WASTEWATER LABORATORY CERTIFICATION.**

48.28 Subdivision 1. **Wastewater laboratory certification required.** (a) Laboratories
48.29 performing wastewater or water analytical laboratory work, the results of which are
48.30 reported to the agency to determine compliance with a national pollutant discharge
48.31 elimination system (NPDES) permit condition or other regulatory document, must be
48.32 certified according to this section.

48.33 (b) This section does not apply to:

- 49.1 (1) laboratories that are private and for-profit;
 49.2 (2) laboratories that perform drinking water analyses; or
 49.3 (3) laboratories that perform remediation program analyses, such as Superfund or
 49.4 petroleum analytical work.

49.5 (c) Until adoption of rules under subdivision 2, laboratories required to be certified
 49.6 under this section that submit data to the agency must: (1) register with the agency by
 49.7 submitting registration information required by the agency; or (2) be certified or accredited
 49.8 by a recognized authority, such as the commissioner of health under sections 144.97 to
 49.9 144.99, for the analytical methods required by the agency.

49.10 Subd. 2. **Rules.** The agency may adopt rules to govern certification of laboratories
 49.11 according to this section. Notwithstanding section 16A.1283, the agency may adopt
 49.12 rules establishing fees.

49.13 Subd. 3. **Fees.** (a) Until the agency adopts a rule establishing fees for certification,
 49.14 the agency shall collect fees from laboratories registering with the agency, but not
 49.15 accredited by the commissioner of health under sections 144.97 to 144.99, in amounts
 49.16 necessary to cover the reasonable costs of the certification program, including reviewing
 49.17 applications, issuing certifications, and conducting audits and compliance assistance.

49.18 (b) Fees under this section must be based on the number, type, and complexity of
 49.19 analytical methods that laboratories are certified to perform.

49.20 (c) Revenue from fees charged by the agency for certification shall be credited to
 49.21 the environmental fund.

49.22 Subd. 4. **Enforcement.** (a) The commissioner may deny, suspend, or revoke
 49.23 wastewater laboratory certification for, but is not limited to, any of the following reasons:
 49.24 fraud, failure to follow applicable requirements, failure to respond to documented
 49.25 deficiencies or complete corrective actions necessary to address deficiencies, failure to pay
 49.26 certification fees, or other violations of federal or state law.

49.27 (b) This section and the rules adopted under it may be enforced by any means
 49.28 provided in section 115.071.

49.29 Sec. 62. Minnesota Statutes 2012, section 115A.1320, subdivision 1, is amended to read:

49.32 (b) The agency shall establish procedures for:

49.33 (1) receipt and maintenance of the registration statements and certifications filed
 49.34 with the agency under section 115A.1312; and

50.1 (2) making the statements and certifications easily available to manufacturers,
50.2 retailers, and members of the public.

50.3 (c) The agency shall annually review the value of the following variables that are
50.4 part of the formula used to calculate a manufacturer's annual registration fee under section
50.5 115A.1314, subdivision 1:

50.6 (1) the proportion of sales of video display devices sold to households that
50.7 manufacturers are required to recycle;

50.8 (2) the estimated per-pound price of recycling covered electronic devices sold to
50.9 households;

50.10 (3) the base registration fee; and

50.11 (4) the multiplier established for the weight of covered electronic devices collected
50.12 in section 115A.1314, subdivision 1, paragraph (d). If the agency determines that any of
50.13 these values must be changed in order to improve the efficiency or effectiveness of the
50.14 activities regulated under sections 115A.1312 to 115A.1330, the agency shall submit
50.15 recommended changes and the reasons for them to the chairs of the senate and house of
50.16 representatives committees with jurisdiction over solid waste policy.

50.17 (d) By January 15 each year, beginning in 2008, the agency shall calculate estimated
50.18 sales of video display devices sold to households by each manufacturer during the preceding
50.19 program year, based on national sales data, and forward the estimates to the department.

50.20 (e) The agency shall provide a report to the governor and the legislature on the
50.21 implementation of sections 115A.1310 to 115A.1330. For each program year, the report
50.22 must discuss the total weight of covered electronic devices recycled and a summary
50.23 of information in the reports submitted by manufacturers and recyclers under section
50.24 115A.1316. The report must also discuss the various collection programs used by
50.25 manufacturers to collect covered electronic devices; information regarding covered
50.26 electronic devices that are being collected by persons other than registered manufacturers,
50.27 collectors, and recyclers; and information about covered electronic devices, if any, being
50.28 disposed of in landfills in this state. The report must include a description of enforcement
50.29 actions under sections 115A.1310 to 115A.1330. The agency may include in its report
50.30 other information received by the agency regarding the implementation of sections
50.31 115A.1312 to 115A.1330. The report must be done in conjunction with the report required
50.32 under section ~~115D.10~~ 115A.121.

50.33 (f) The agency shall promote public participation in the activities regulated under
50.34 sections 115A.1312 to 115A.1330 through public education and outreach efforts.

50.35 (g) The agency shall enforce sections 115A.1310 to 115A.1330 in the manner
50.36 provided by sections 115.071, subdivisions 1, 3, 4, 5, and 6; and 116.072, except for those

51.1 provisions enforced by the department, as provided in subdivision 2. The agency may
 51.2 revoke a registration of a collector or recycler found to have violated sections 115A.1310
 51.3 to 115A.1330.

51.4 (h) The agency shall facilitate communication between counties, collection and
 51.5 recycling centers, and manufacturers to ensure that manufacturers are aware of video
 51.6 display devices available for recycling.

51.7 (i) The agency shall develop a form retailers must use to report information to
 51.8 manufacturers under section 115A.1318 and post it on the agency's Web site.

51.9 (j) The agency shall post on its Web site the contact information provided by each
 51.10 manufacturer under section 115A.1318, paragraph (e).

51.11 Sec. 63. **[115A.141] ARCHITECTURAL PAINT; PRODUCT STEWARDSHIP**
 51.12 **PROGRAM; STEWARDSHIP PLAN.**

51.13 Subdivision 1. Definitions. For purposes of this section, the following terms have
 51.14 the meanings given:

51.15 (1) "architectural paint" means interior and exterior architectural coatings sold in
 51.16 containers of five gallons or less. Architectural paint does not include industrial coatings,
 51.17 original equipment coatings, or specialty coatings;

51.18 (2) "brand" means a name, symbol, word, or mark that identifies architectural paint,
 51.19 rather than its components, and attributes the paint to the owner or licensee of the brand as
 51.20 the producer;

51.21 (3) "discarded paint" means architectural paint that is no longer used for its
 51.22 manufactured purpose;

51.23 (4) "producer" means a person that:

51.24 (i) has legal ownership of the brand, brand name, or cobrand of architectural paint
 51.25 sold in the state;

51.26 (ii) imports architectural paint branded by a producer that meets item (i) when the
 51.27 producer has no physical presence in the United States;

51.28 (iii) if items (i) and (ii) do not apply, makes unbranded architectural paint that is
 51.29 sold in the state; or

51.30 (iv) sells architectural paint at wholesale or retail, does not have legal ownership of
 51.31 the brand, and elects to fulfill the responsibilities of the producer for the architectural paint
 51.32 by certifying that election in writing to the commissioner;

51.33 (5) "recycling" means the process of collecting and preparing recyclable materials and
 51.34 reusing the materials in their original form or using them in manufacturing processes that
 51.35 do not cause the destruction of recyclable materials in a manner that precludes further use;

52.1 (6) "retailer" means any person who offers architectural paint for sale at retail in
52.2 the state;

52.3 (7) "reuse" means donating or selling collected architectural paint back into the
52.4 market for its original intended use, when the architectural paint retains its original
52.5 purpose and performance characteristics;

52.6 (8) "sale" or "sell" means transfer of title of architectural paint for consideration,
52.7 including a remote sale conducted through a sales outlet, catalog, Web site, or similar
52.8 electronic means. Sale or sell includes a lease through which architectural paint is
52.9 provided to a consumer by a producer, wholesaler, or retailer;

52.10 (9) "stewardship assessment" means the amount added to the purchase price of
52.11 architectural paint sold in the state that is necessary to cover the cost of collecting,
52.12 transporting, and processing postconsumer architectural paint by the producer or
52.13 stewardship organization pursuant to a product stewardship program;

52.14 (10) "stewardship organization" means an organization appointed by one or more
52.15 producers to act as an agent on behalf of the producer to design, submit, and administer a
52.16 product stewardship program under this section; and

52.17 (11) "stewardship plan" means a detailed plan describing the manner in which a
52.18 product stewardship program under subdivision 2 will be implemented.

52.19 Subd. 2. **Product stewardship program.** For architectural paint sold in the state,
52.20 producers must, individually or through a stewardship organization, implement and
52.21 finance a statewide product stewardship program that manages the architectural paint by
52.22 reducing the paint's waste generation, promoting its reuse and recycling, and providing for
52.23 negotiation and execution of agreements to collect, transport, and process the architectural
52.24 paint for end-of-life recycling and reuse.

52.25 Subd. 3. **Requirement for sale.** (a) On and after July 1, 2014, or three months after
52.26 program plan approval, whichever is sooner, no producer, wholesaler, or retailer may sell
52.27 or offer for sale in the state architectural paint unless the paint's producer participates in an
52.28 approved stewardship plan, either individually or through a stewardship organization.

52.29 (b) Each producer must operate a product stewardship program approved by the
52.30 agency or enter into an agreement with a stewardship organization to operate, on the
52.31 producer's behalf, a product stewardship program approved by the agency.

52.32 Subd. 4. **Requirement to submit plan.** (a) On or before March 1, 2014, and before
52.33 offering architectural paint for sale in the state, a producer must submit a stewardship
52.34 plan to the agency and receive approval of the plan or must submit documentation to the
52.35 agency that demonstrates the producer has entered into an agreement with a stewardship
52.36 organization to be an active participant in an approved product stewardship program as

53.1 described in subdivision 2. A stewardship plan must include all elements required under
53.2 subdivision 5.

53.3 (b) An amendment to the plan, if determined necessary by the commissioner, must
53.4 be submitted every five years.

53.5 (c) It is the responsibility of the entities responsible for each stewardship plan to
53.6 notify the agency within 30 days of any significant changes or modifications to the plan or
53.7 its implementation. Within 30 days of the notification, a written plan revision must be
53.8 submitted to the agency for review and approval.

53.9 Subd. 5. **Stewardship plan content.** A stewardship plan must contain:

53.10 (1) certification that the product stewardship program will accept all discarded
53.11 paint regardless of which producer produced the architectural paint and its individual
53.12 components;

53.13 (2) contact information for the individual and the entity submitting the plan, a list of
53.14 all producers participating in the product stewardship program, and the brands covered by
53.15 the product stewardship program;

53.16 (3) a description of the methods by which the discarded paint will be collected in all
53.17 areas in the state without relying on end-of-life fees, including an explanation of how the
53.18 collection system will be convenient and adequate to serve the needs of small businesses
53.19 and residents in both urban and rural areas on an ongoing basis and a discussion of how
53.20 the existing household hazardous waste infrastructure will be considered when selecting
53.21 collection sites;

53.22 (4) a description of how the adequacy of the collection program will be monitored
53.23 and maintained;

53.24 (5) the names and locations of collectors, transporters, and recyclers that will
53.25 manage discarded paint;

53.26 (6) a description of how the discarded paint and the paint's components will be
53.27 safely and securely transported, tracked, and handled from collection through final
53.28 recycling and processing;

53.29 (7) a description of the method that will be used to reuse, deconstruct, or recycle
53.30 the discarded paint to ensure that the paint's components, to the extent feasible, are
53.31 transformed or remanufactured into finished products for use;

53.32 (8) a description of the promotion and outreach activities that will be used to
53.33 encourage participation in the collection and recycling programs and how the activities'
53.34 effectiveness will be evaluated and the program modified, if necessary;

53.35 (9) the proposed stewardship assessment. The producer or stewardship organization
53.36 shall propose a uniform stewardship assessment for any architectural paint sold in the

54.1 state. The proposed stewardship assessment shall be reviewed by an independent auditor
54.2 to ensure that the assessment does not exceed the costs of the product stewardship program
54.3 and the independent auditor shall recommend an amount for the stewardship assessment.

54.4 The agency must approve the stewardship assessment;

54.5 (10) evidence of adequate insurance and financial assurance that may be required for
54.6 collection, handling, and disposal operations;

54.7 (11) five-year performance goals, including an estimate of the percentage of
54.8 discarded paint that will be collected, reused, and recycled during each of the first five
54.9 years of the stewardship plan. The performance goals must include a specific goal for the
54.10 amount of discarded paint that will be collected and recycled and reused during each year
54.11 of the plan. The performance goals must be based on:

54.12 (i) the most recent collection data available for the state;

54.13 (ii) the estimated amount of architectural paint disposed of annually;

54.14 (iii) the weight of the architectural paint that is expected to be available for collection
54.15 annually; and

54.16 (iv) actual collection data from other existing stewardship programs.

54.17 The stewardship plan must state the methodology used to determine these goals; and

54.18 (12) a discussion of the status of end markets for collected architectural paint and
54.19 what, if any, additional end markets are needed to improve the functioning of the program.

54.20 Subd. 6. **Consultation required.** Each stewardship organization or individual
54.21 producer submitting a stewardship plan must consult with stakeholders including
54.22 retailers, contractors, collectors, recyclers, local government, and customers during the
54.23 development of the plan.

54.24 Subd. 7. **Agency review and approval.** (a) Within 90 days after receipt of a proposed
54.25 stewardship plan, the agency shall determine whether the plan complies with subdivision
54.26 4. If the agency approves a plan, the agency shall notify the applicant of the plan approval
54.27 in writing. If the agency rejects a plan, the agency shall notify the applicant in writing of
54.28 the reasons for rejecting the plan. An applicant whose plan is rejected by the agency must
54.29 submit a revised plan to the agency within 60 days after receiving notice of rejection.

54.30 (b) Any proposed changes to a stewardship plan must be approved by the agency
54.31 in writing.

54.32 Subd. 8. **Plan availability.** All draft and approved stewardship plans shall be
54.33 placed on the agency's Web site for at least 30 days and made available at the agency's
54.34 headquarters for public review and comment.

54.35 Subd. 9. **Conduct authorized.** A producer or stewardship organization that
54.36 organizes collection, transport, and processing of architectural paint under this section

55.1 is immune from liability for the conduct under state laws relating to antitrust, restraint
55.2 of trade, unfair trade practices, and other regulation of trade or commerce only to the
55.3 extent that the conduct is necessary to plan and implement the producer's or organization's
55.4 chosen organized collection or recycling system.

55.5 Subd. 10. **Responsibility of producers.** (a) On and after the date of implementation
55.6 of a product stewardship program according to this section, a producer of architectural
55.7 paint must add the stewardship assessment, as established under subdivision 5, clause (9),
55.8 to the cost of architectural paint sold to retailers and distributors in the state by the producer.

55.9 (b) Producers of architectural paint or the stewardship organization shall provide
55.10 consumers with educational materials regarding the stewardship assessment and product
55.11 stewardship program. The materials must include, but are not limited to, information
55.12 regarding available end-of-life management options for architectural paint offered through
55.13 the product stewardship program and information that notifies consumers that a charge
55.14 for the operation of the product stewardship program is included in the purchase price of
55.15 architectural paint sold in the state.

55.16 Subd. 11. **Responsibility of retailers.** (a) On and after July 1, 2014, or three months
55.17 after program plan approval, whichever is sooner, no architectural paint may be sold in the
55.18 state unless the paint's producer is participating in an approved stewardship plan.

55.19 (b) On and after the implementation date of a product stewardship program according
55.20 to this section, each retailer or distributor, as applicable, must ensure that the full amount
55.21 of the stewardship assessment added to the cost of architectural paint by producers under
55.22 subdivision 10 is included in the purchase price of all architectural paint sold in the state.

55.23 (c) Any retailer may participate, on a voluntary basis, as a designated collection
55.24 point pursuant to a product stewardship program under this section and in accordance
55.25 with applicable law.

55.26 (d) No retailer or distributor shall be found to be in violation of this subdivision if,
55.27 on the date the architectural paint was ordered from the producer or its agent, the producer
55.28 was listed as compliant on the agency's Web site according to subdivision 14.

55.29 Subd. 12. **Stewardship reports.** Beginning October 1, 2015, producers of
55.30 architectural paint sold in the state must individually or through a stewardship organization
55.31 submit an annual report to the agency describing the product stewardship program. At a
55.32 minimum, the report must contain:

55.33 (1) a description of the methods used to collect, transport, and process architectural
55.34 paint in all regions of the state;

56.1 (2) the weight of all architectural paint collected in all regions of the state and a
56.2 comparison to the performance goals and recycling rates established in the stewardship
56.3 plan;

56.4 (3) the amount of unwanted architectural paint collected in the state by method of
56.5 disposition, including reuse, recycling, and other methods of processing;

56.6 (4) samples of educational materials provided to consumers and an evaluation of the
56.7 effectiveness of the materials and the methods used to disseminate the materials; and

56.8 (5) an independent financial audit.

56.9 Subd. 13. **Data classification.** Trade secret information, as defined under section
56.10 13.37, submitted to the agency under this section is nonpublic data under section 13.37,
56.11 subdivision 2.

56.12 Subd. 14. **Agency responsibilities.** The agency shall provide, on its Web site, a
56.13 list of all compliant producers and brands participating in stewardship plans that the
56.14 agency has approved and a list of all producers and brands the agency has identified as
56.15 noncompliant with this section.

56.16 Subd. 15. **Local government responsibilities.** (a) A city, county, or other public
56.17 agency may choose to participate voluntarily in a product stewardship program.

56.18 (b) Cities, counties, and other public agencies are encouraged to work with producers
56.19 and stewardship organizations to assist in meeting product stewardship program reuse and
56.20 recycling obligations, by providing education and outreach or using other strategies.

56.21 (c) A city, county, or other public agency that participates in a product stewardship
56.22 program must report for the first year of the program to the agency using the reporting
56.23 form provided by the agency on the cost savings as a result of participation and describe
56.24 how the savings were used.

56.25 Subd. 16. **Administrative fee.** (a) The stewardship organization or individual
56.26 producer submitting a stewardship plan shall pay the agency an annual administrative fee.
56.27 The agency shall set the fee at an amount that, when paid by every stewardship organization
56.28 or individual producer that submits a stewardship plan, is adequate to cover the agency's
56.29 full costs of administering and enforcing this section. The agency may establish a variable
56.30 fee based on relevant factors, including, but not limited to, the portion of architectural
56.31 paint sold in the state by members of the organization compared to the total amount of
56.32 architectural paint sold in the state by all organizations submitting a stewardship plan.

56.33 (b) The total amount of annual fees collected under this subdivision must not exceed
56.34 the amount necessary to recover costs incurred by the agency in connection with the
56.35 administration and enforcement of this section.

57.1 (c) The agency shall identify the direct program development or regulatory costs
 57.2 it incurs under this section before stewardship plans are submitted and shall establish a
 57.3 fee in an amount adequate to cover those costs, which shall be paid by a stewardship
 57.4 organization or individual producer that submits a stewardship plan. The commissioner
 57.5 must make the proposed fee available for public review and comment for at least 30 days.

57.6 (d) A stewardship organization or individual producer subject to this section must
 57.7 pay to the commissioner the agency's administrative fee under paragraph (a) on or before
 57.8 July 1, 2014, and annually thereafter and the agency's onetime development fee under
 57.9 paragraph (c) on or before July 1 the year following submission of a stewardship plan.
 57.10 Each year after the initial payment, the annual administrative fee may not exceed five
 57.11 percent of the aggregate stewardship assessment collected for the preceding calendar year.

57.12 (e) The commissioner must deposit the fees collected under this section in the
 57.13 state treasury and credit the fee to the miscellaneous special revenue account in the
 57.14 environmental fund. Fees in the account may be used by the commissioner to implement
 57.15 and enforce this section. For fiscal years 2014 and 2015, the amount collected under this
 57.16 section is annually appropriated to the agency to implement and enforce this section.

57.17 **Sec. 64. [115A.142] REPORT TO LEGISLATURE AND GOVERNOR.**

57.18 As part of the report required under section 115A.121, the commissioner of the
 57.19 Pollution Control Agency shall provide a report to the governor and the legislature on
 57.20 the implementation of section 115A.141.

57.21 **Sec. 65. Minnesota Statutes 2012, section 115B.20, subdivision 6, is amended to read:**

57.22 **Subd. 6. Report to legislature.** Each year ~~By January 31~~ of each odd-numbered
 57.23 year, the commissioner of agriculture and the agency shall submit to the senate Finance
 57.24 Committee, the house of representatives Ways and Means Committee, the Environment
 57.25 and Natural Resources Committees of the senate and house of representatives, the Finance
 57.26 Division of the senate Committee on Environment and Natural Resources, and the house
 57.27 of representatives Committee on Environment and Natural Resources Finance, and the
 57.28 Environmental Quality Board a report detailing the activities for which money has been
 57.29 spent pursuant to this section during the previous fiscal year.

57.30 **EFFECTIVE DATE.** This section is effective July 1, 2013.

57.31 **Sec. 66. Minnesota Statutes 2012, section 115B.28, subdivision 1, is amended to read:**

58.1 Subdivision 1. **Duties.** In addition to performing duties specified in sections
 58.2 115B.25 to 115B.37 or in other law, and subject to the limitations on disclosure contained
 58.3 in section 115B.35, the agency shall:

58.4 (1) adopt rules, including rules governing practice and procedure before the agency,
 58.5 the form and procedure for applications for compensation, and procedures for claims
 58.6 investigations;

58.7 (2) publicize the availability of compensation and application procedures on a
 58.8 statewide basis with special emphasis on geographical areas surrounding sites identified
 58.9 by the agency as having releases from a facility where a harmful substance was placed or
 58.10 came to be located prior to July 1, 1983;

58.11 (3) collect, analyze, and make available to the public, in consultation with the
 58.12 Department of Health, the Pollution Control Agency, the University of Minnesota Medical
 58.13 and Public Health Schools, and the medical community, data regarding injuries relating to
 58.14 exposure to harmful substances; and

58.15 (4) prepare and transmit ~~by December 31 of each year to the governor and the~~
 58.16 ~~legislature an annual~~ legislative report required under section 115B.20, subdivision
 58.17 6, to include (i) a summary of agency activity under clause (3); (ii) data determined
 58.18 by the agency from actual cases, including but not limited to number of cases, actual
 58.19 compensation received by each claimant, types of cases, and types of injuries compensated,
 58.20 as they relate to types of harmful substances as well as length of exposure, but excluding
 58.21 identification of the claimants; (iii) all administrative costs associated with the business of
 58.22 the agency; and (iv) agency recommendations for legislative changes, further study, or any
 58.23 other recommendation aimed at improving the system of compensation.

58.24 Sec. 67. Minnesota Statutes 2012, section 115B.421, is amended to read:

58.25 **115B.421 CLOSED LANDFILL INVESTMENT FUND.**

58.26 The closed landfill investment fund is established in the state treasury. The fund
 58.27 consists of money credited to the fund, and interest and other earnings on money in the
 58.28 fund. ~~The commissioner of management and budget shall transfer an initial amount of~~
 58.29 ~~\$5,100,000 from the balance in the solid waste fund beginning in fiscal year 2000 and~~
 58.30 ~~shall continue to transfer \$5,100,000 for each following fiscal year, ceasing after 2003.~~

58.31 Beginning July 1, 2003, funds must be deposited as described in section 115B.445. The
 58.32 fund shall be managed to maximize long-term gain through the State Board of Investment.
 58.33 Money in the fund may be spent by the commissioner after fiscal year 2020 in accordance
 58.34 with sections 115B.39 to 115B.444.

59.1 Sec. 68. Minnesota Statutes 2012, section 115C.02, subdivision 4, is amended to read:

59.2 Subd. 4. **Corrective action.** "Corrective action" means an action taken to minimize,
59.3 eliminate, or clean up a release to protect the public health and welfare or the environment.
59.4 Corrective action may include, environmental covenants pursuant to chapter 114E, an
59.5 affidavit required under section 116.48, subdivision 6, or similar notice of a release
59.6 recorded with real property records.

59.7 Sec. 69. Minnesota Statutes 2012, section 115C.08, subdivision 4, is amended to read:

59.8 Subd. 4. **Expenditures.** (a) Money in the fund may only be spent:

59.9 (1) to administer the petroleum tank release cleanup program established in this
59.10 chapter;

59.11 (2) for agency administrative costs under sections 116.46 to 116.50, sections
59.12 115C.03 to 115C.06, and costs of corrective action taken by the agency under section
59.13 115C.03, including investigations;

59.14 (3) for costs of recovering expenses of corrective actions under section 115C.04;

59.15 (4) for training, certification, and rulemaking under sections 116.46 to 116.50;

59.16 (5) for agency administrative costs of enforcing rules governing the construction,
59.17 installation, operation, and closure of aboveground and underground petroleum storage
59.18 tanks;

59.19 (6) for reimbursement of the environmental response, compensation, and compliance
59.20 account under subdivision 5 and section 115B.26, subdivision 4;

59.21 (7) for administrative and staff costs as set by the board to administer the petroleum
59.22 tank release program established in this chapter;

59.23 (8) for corrective action performance audits under section 115C.093;

59.24 (9) for contamination cleanup grants, as provided in paragraph (c);

59.25 (10) to assess and remove abandoned underground storage tanks under section
59.26 115C.094 and, if a release is discovered, to pay for the specific consultant and contractor
59.27 services costs necessary to complete the tank removal project, including, but not limited
59.28 to, excavation soil sampling, groundwater sampling, soil disposal, and completion of
59.29 an excavation report; and

59.30 ~~(11) for property acquisition by the agency when the agency has determined that~~
59.31 ~~purchasing a property where a release has occurred is the most appropriate corrective~~
59.32 ~~action. The~~ to acquire interests in real or personal property, including easements,
59.33 environmental covenants under chapter 114E, and leases, that the agency determines are
59.34 necessary for corrective actions or to ensure the protectiveness of corrective actions. A
59.35 donation of an interest in real property to the agency is not effective until the agency

60.1 executes a certificate of acceptance. The state is not liable under this chapter solely as a
 60.2 result of acquiring an interest in real property under this clause. Agency approval of an
 60.3 environmental covenant under chapter 114E is sufficient evidence of acceptance of an
 60.4 interest in real property when the agency is expressly identified as a holder in the covenant.
 60.5 Acquisition of all ~~properties~~ real property under this clause, except environmental
 60.6 covenants under chapter 114E, is subject to approval by the board.

60.7 (b) Except as provided in paragraph (c), money in the fund is appropriated to the
 60.8 board to make reimbursements or payments under this section.

60.9 (c) In fiscal years 2010 and 2011, \$3,700,000 is annually appropriated from the fund
 60.10 to the commissioner of employment and economic development for contamination cleanup
 60.11 grants under section 116J.554. Beginning in fiscal year 2012 and each year thereafter,
 60.12 \$6,200,000 is annually appropriated from the fund to the commissioner of employment
 60.13 and economic development for contamination cleanup grants under section 116J.554. Of
 60.14 this amount, the commissioner may spend up to \$225,000 annually for administration
 60.15 of the contamination cleanup grant program. The appropriation does not cancel and is
 60.16 available until expended. The appropriation shall not be withdrawn from the fund nor the
 60.17 fund balance reduced until the funds are requested by the commissioner of employment
 60.18 and economic development. The commissioner shall schedule requests for withdrawals
 60.19 from the fund to minimize the necessity to impose the fee authorized by subdivision 2.
 60.20 Unless otherwise provided, the appropriation in this paragraph may be used for:

60.21 (1) project costs at a qualifying site if a portion of the cleanup costs are attributable
 60.22 to petroleum contamination or new and used tar and tar-like substances, including but not
 60.23 limited to bitumen and asphalt, but excluding bituminous or asphalt pavement, that consist
 60.24 primarily of hydrocarbons and are found in natural deposits in the earth or are distillates,
 60.25 fractions, or residues from the processing of petroleum crude or petroleum products as
 60.26 defined in section 296A.01; and

60.27 (2) the costs of performing contamination investigation if there is a reasonable basis
 60.28 to suspect the contamination is attributable to petroleum or new and used tar and tar-like
 60.29 substances, including but not limited to bitumen and asphalt, but excluding bituminous or
 60.30 asphalt pavement, that consist primarily of hydrocarbons and are found in natural deposits
 60.31 in the earth or are distillates, fractions, or residues from the processing of petroleum crude
 60.32 or petroleum products as defined in section 296A.01.

60.33 Sec. 70. Minnesota Statutes 2012, section 115C.08, is amended by adding a subdivision
 60.34 to read:

61.1 Subd. 6. Disposition of property acquired for corrective action. (a) If the
 61.2 commissioner determines that real or personal property acquired by the agency for a
 61.3 corrective action is no longer needed for corrective action purposes, the commissioner may:

61.4 (1) request the commissioner of administration to dispose of the property according
 61.5 to sections 16B.281 to 16B.287, subject to conditions the commissioner of the Pollution
 61.6 Control Agency determines necessary to protect the public health and welfare and the
 61.7 environment or to comply with federal law;

61.8 (2) transfer the property to another state agency, a political subdivision, or a special
 61.9 purpose district as provided in paragraph (b); or

61.10 (3) if required by federal law, take actions and dispose of the property according
 61.11 to federal law.

61.12 (b) If the commissioner determines that real or personal property acquired by
 61.13 the agency for a corrective action must be operated, maintained, or monitored after
 61.14 completion of other phases of the corrective action, the commissioner may transfer
 61.15 ownership of the property to another state agency, a political subdivision, or a special
 61.16 purpose district that agrees to accept the property. A state agency, political subdivision,
 61.17 or special purpose district may accept and implement terms and conditions of a transfer
 61.18 under this paragraph. The commissioner may set terms and conditions for the transfer
 61.19 that the commissioner considers reasonable and necessary to ensure proper operation,
 61.20 maintenance, and monitoring of corrective actions; protect the public health and welfare
 61.21 and the environment; and comply with applicable federal and state laws and regulations.
 61.22 The state agency, political subdivision, or special purpose district to which the property is
 61.23 transferred is not liable under this chapter solely as a result of acquiring the property or
 61.24 acting in accordance with the terms and conditions of transfer.

61.25 (c) The commissioner of administration may charge the agency for actual staff and
 61.26 other costs related to disposal of the property under paragraph (a), clause (1). The net
 61.27 proceeds of a sale or other transfer of property under this subdivision by the commissioner
 61.28 or by the commissioner of administration shall be deposited in the petroleum tank fund or
 61.29 other appropriate fund. Any share of the proceeds that the agency is required by federal
 61.30 law or regulation to reimburse to the federal government is appropriated from the fund
 61.31 to the agency for the purpose. Section 16B.287, subdivision 1, does not apply to real
 61.32 property that is sold by the commissioner of administration and that was acquired under
 61.33 subdivision 4, clause (11).

61.34 Sec. 71. Minnesota Statutes 2012, section 115D.10, is amended to read:

61.35 **115D.10 TOXIC POLLUTION PREVENTION EVALUATION REPORT.**

62.1 The commissioner, in cooperation with the commission, shall report to
 62.2 the Environment and Natural Resources Committees of the senate and house of
 62.3 representatives, the Finance Division of the senate Committee on Environment and
 62.4 Natural Resources, and the house of representatives Committee on Environment and
 62.5 Natural Resources Finance on progress being made in achieving the objectives of sections
 62.6 115D.01 to 115D.12. The report must be ~~submitted by February 1 of each even-numbered~~
 62.7 year done in conjunction with the report required under section 115A.121.

62.8 Sec. 72. Minnesota Statutes 2012, section 116.48, subdivision 6, is amended to read:

62.9 Subd. 6. **Affidavit.** (a) Before transferring ownership of property that the owner
 62.10 knows contains an underground or aboveground storage tank or contained an underground
 62.11 or aboveground storage tank that had a release for which no corrective action was taken or
 62.12 if required by the agency as a condition of a corrective action under chapter 115C, the
 62.13 owner shall record with the county recorder or registrar of titles of the county in which the
 62.14 property is located an affidavit containing:

62.15 (1) a legal description of the property where the tank is located;

62.16 (2) a description of the tank, of the location of the tank, and of any known release
 62.17 from the tank of a regulated substance to the full extent known or reasonably ascertainable;

62.18 (3) a description of any restrictions currently in force on the use of the property
 62.19 resulting from any release; and

62.20 (4) the name of the owner.

62.21 (b) The county recorder shall record the affidavits in a manner that will insure
 62.22 their disclosure in the ordinary course of a title search of the subject property. Before
 62.23 transferring ownership of property that the owner knows contains an underground or
 62.24 aboveground storage tank, the owner shall deliver to the purchaser a copy of the affidavit
 62.25 and any additional information necessary to make the facts in the affidavit accurate as of
 62.26 the date of transfer of ownership.

62.27 (c) Failure to record an affidavit as provided in this subdivision does not affect or
 62.28 prevent any transfer of ownership of the property.

62.29 Sec. 73. **[116.68] SILICA SAND MINING MODEL STANDARDS AND**
 62.30 **CRITERIA.**

62.31 Subdivision 1. **Definitions.** The definitions in this subdivision apply to sections
 62.32 116.68 and 116.69.

62.33 (a) "Local unit of government" means a county, statutory or home rule charter city,
 62.34 or town.

63.1 (b) "Mining" means excavating silica sand by any process, including digging,
 63.2 excavating, drilling, blasting, tunneling, dredging, stripping, or by shaft.

63.3 (c) "Processing" means washing, cleaning, screening, crushing, filtering, sorting,
 63.4 processing, stockpiling, and storing silica sand, either at the mining site or at any other site.

63.5 (d) "Silica sand" means well-rounded, sand-sized grains of quartz (silicon dioxide),
 63.6 with very little impurities in terms of other minerals. Specifically, the silica sand for the
 63.7 purposes of this section is commercially valuable for use in the hydraulic fracturing of
 63.8 shale to obtain oil and natural gas. Silica sand does not include common rock, stone,
 63.9 aggregate, gravel, sand with a low quartz level, or silica compounds recovered as a
 63.10 by-product of metallic mining.

63.11 (e) "Silica sand project" means the excavation and mining and processing of silica
 63.12 sand; the washing, cleaning, screening, crushing, filtering, drying, sorting, stockpiling,
 63.13 and storing of silica sand, either at the mining site or at any other site; the hauling and
 63.14 transporting of silica sand; or a facility for transporting silica sand to destinations by rail,
 63.15 barge, truck, or other means of transportation.

63.16 (f) "Temporary storage" means the storage of stock piles of silica sand that have
 63.17 been transported and await further transport.

63.18 (g) "Transporting" means hauling and transporting silica sand, by any carrier:

63.19 (1) from the mining site to a processing or transfer site; or

63.20 (2) from a processing or storage site to a rail, barge, or transfer site for transporting
 63.21 to destinations.

63.22 Subd. 2. **Standards and criteria.** (a) By October 1, 2013, the agency and the
 63.23 commissioners of natural resources, health, and transportation, in consultation with local
 63.24 units of government, shall develop model standards and criteria for mining, processing,
 63.25 and transporting silica sand. These standards and criteria may be used by local units of
 63.26 government in developing local ordinances. The standards and criteria shall be different
 63.27 for different geographic areas of the state. The unique karst conditions and landforms of
 63.28 southeastern Minnesota shall be considered unique when compared with the flat scoured
 63.29 river terraces and uniform hydrology of the Minnesota Valley. The standards and criteria
 63.30 developed shall reflect those differences in varying regions of the state. The standards
 63.31 and criteria must include:

63.32 (1) recommendations for setbacks or buffers for mining operation and processing,
 63.33 including:

63.34 (i) any residence or residential zoning district boundary;

63.35 (ii) any property line or right-of-way line of any existing or proposed street or
 63.36 highway;

- 64.1 (iii) ordinary high water levels of public waters;
- 64.2 (iv) bluffs;
- 64.3 (v) designated trout streams, Class 2A water as designated in the rules of the
- 64.4 Pollution Control Agency, or any perennially flowing tributary of a designated trout
- 64.5 stream or Class 2A water;
- 64.6 (vi) calcareous fens;
- 64.7 (vii) wellhead protection areas as defined in section 103I.005;
- 64.8 (viii) critical natural habitat acquired by the commissioner of natural resources
- 64.9 under section 84.944; and
- 64.10 (ix) a natural resource easement paid wholly or in part by public funds;
- 64.11 (2) standards for hours of operation;
- 64.12 (3) groundwater and surface water quality and quantity monitoring and mitigation
- 64.13 plan requirements, including:
- 64.14 (i) applicable groundwater and surface water appropriation permit requirements;
- 64.15 (ii) well sealing requirements;
- 64.16 (iii) annual submission of monitoring well data; and
- 64.17 (iv) storm water runoff rate limits not to exceed two-, ten-, and 100-year storm events;
- 64.18 (4) air monitoring and data submission requirements;
- 64.19 (5) dust control requirements;
- 64.20 (6) noise testing and mitigation plan requirements;
- 64.21 (7) blast monitoring plan requirements;
- 64.22 (8) lighting requirements;
- 64.23 (9) inspection requirements;
- 64.24 (10) containment requirements for silica sand in temporary storage to protect air
- 64.25 and water quality;
- 64.26 (11) containment requirements for chemicals used in processing;
- 64.27 (12) financial assurance requirements;
- 64.28 (13) road and bridge impacts and requirements; and
- 64.29 (14) reclamation plan requirements as required under the rules adopted by the
- 64.30 commissioner of natural resources.
- 64.31 Subd. 3. **Silica sand technical assistance team.** By October 1, 2013, the agency
- 64.32 and the commissioners of natural resources, health, and transportation shall assemble
- 64.33 a silica sand technical assistance team to provide local units of government, at their
- 64.34 request, with assistance with ordinance development, zoning, environmental review and
- 64.35 permitting, monitoring, or other issues arising from silica sand mining and processing
- 64.36 operations. The technical assistance team must not impose any fee or charge for this

65.1 service. A majority of the members must be from a state agency and all of the members
 65.2 must have expertise in one or more of the following areas: silica sand mining, hydrology,
 65.3 air quality, water quality, land use, or other areas related to silica sand mining.

65.4 Subd. 4. **Consideration of technical assistance team recommendations.** (a) When
 65.5 the technical assistance team, at the request of the local unit of government, assembles
 65.6 findings or makes a recommendation related to a proposed silica sand project for the
 65.7 protection of human health and the environment, a local government unit must consider
 65.8 the findings or recommendations of the technical assistance team in its approval or denial
 65.9 of a silica sand project. If the local government unit does not agree with the technical
 65.10 assistance team's findings and recommendations, the detailed reasons for the disagreement
 65.11 must be part of the local government unit's record of decision.

65.12 (b) Silica sand project proposers must cooperate in providing local government unit
 65.13 staff, and members of the technical assistance team with information regarding the project.

65.14 **EFFECTIVE DATE.** This section is effective the day following final enactment.

65.15 Sec. 74. **[116.685] ENVIRONMENTAL REVIEW; SILICA SAND PROJECTS.**

65.16 (a) Until one year after the effective date of this section, an environmental
 65.17 assessment worksheet shall be prepared for any silica sand project that will excavate 20 or
 65.18 more acres of land to a mean depth of ten feet or more during its existence, unless the
 65.19 project meets or exceeds the thresholds for an environmental impact statement under rules
 65.20 of the Environmental Quality Board, and an environmental impact statement must be
 65.21 prepared. In addition to the contents required under statute and rule, an environmental
 65.22 assessment worksheet completed pursuant to this section must include the following:

65.23 (1) a hydrogeologic investigation assessing potential groundwater and surface water
 65.24 effects and geologic conditions that could create an increased risk of potentially significant
 65.25 effects on groundwater and surface water;

65.26 (2) for a project with the potential to require a groundwater appropriation permit
 65.27 from the commissioner of natural resources, an assessment of the water resources
 65.28 available for appropriation;

65.29 (3) an air quality impact assessment that includes an assessment of the potential
 65.30 effects from airborne particulates and dust;

65.31 (4) a traffic impact analysis, including documentation of existing transportation
 65.32 systems, analysis of the potential effects of the project on transportation, and mitigation
 65.33 measures to eliminate or minimize adverse impacts;

65.34 (5) an assessment of compatibility of the project with other existing uses; and

66.1 (6) mitigation measures that could eliminate or minimize any adverse environmental
 66.2 effects for the project.

66.3 **EFFECTIVE DATE.** This section is effective the day following final enactment
 66.4 and applies to projects that commence after that date.

66.5 Sec. 75. **[116.69] TECHNICAL ASSISTANCE, ORDINANCE, AND PERMIT**
 66.6 **LIBRARY.**

66.7 By October 1, 2013, the agency, in consultation with local units of government,
 66.8 shall create and maintain an online library on local government ordinances and local
 66.9 government permits that have been approved for regulation of silica sand projects for
 66.10 reference by local governments.

66.11 **EFFECTIVE DATE.** This section is effective the day following final enactment.

66.12 Sec. 76. Minnesota Statutes 2012, section 116C.03, subdivision 2, is amended to read:

66.13 Subd. 2. **Membership.** The members of the board are the ~~director of the Office of~~
 66.14 ~~Strategic and Long-Range Planning~~ commissioner of administration, the commissioner
 66.15 of commerce, the commissioner of the Pollution Control Agency, the commissioner
 66.16 of natural resources, the commissioner of agriculture, the commissioner of health,
 66.17 the commissioner of employment and economic development, the commissioner of
 66.18 transportation, the chair of the Board of Water and Soil Resources, and a representative of
 66.19 the governor's office designated by the governor. The governor shall appoint five members
 66.20 from the general public to the board, subject to the advice and consent of the senate.
 66.21 At least two of the five public members must have knowledge of and be conversant in
 66.22 water management issues in the state. Notwithstanding the provisions of section 15.06,
 66.23 subdivision 6, members of the board may not delegate their powers and responsibilities as
 66.24 board members to any other person.

66.25 Sec. 77. Minnesota Statutes 2012, section 116C.03, subdivision 4, is amended to read:

66.26 Subd. 4. **Support.** Staff and consultant support for board activities shall be provided
 66.27 by the ~~Office of Strategic and Long-Range Planning~~ Pollution Control Agency. This
 66.28 support shall be provided based upon an annual budget and work program developed by
 66.29 the board and certified to the commissioner by the chair of the board. The board shall
 66.30 have the authority to request and require staff support from all other agencies of state
 66.31 government as needed for the execution of the responsibilities of the board.

67.1 Sec. 78. Minnesota Statutes 2012, section 116C.03, subdivision 5, is amended to read:

67.2 Subd. 5. **Administration.** The board shall contract with the ~~Office of Strategic and~~
67.3 ~~Long-Range Planning~~ Pollution Control Agency for administrative services necessary to
67.4 the board's activities. The services shall include personnel, budget, payroll and contract
67.5 administration.

67.6 Sec. 79. Minnesota Statutes 2012, section 282.01, subdivision 1a, is amended to read:

67.7 Subd. 1a. **Conveyance to public entities.** (a) Upon written request from a state
67.8 agency or a governmental subdivision of the state, a parcel of unsold tax-forfeited land
67.9 must be withheld from sale or lease to others for a maximum of six months. The request
67.10 must be submitted to the county auditor. Upon receipt, the county auditor must withhold
67.11 the parcel from sale or lease to any other party for six months, and must confirm the
67.12 starting date of the six-month withholding period to the requesting agency or subdivision.
67.13 If the request is from a governmental subdivision of the state, the governmental
67.14 subdivision must pay the maintenance costs incurred by the county during the period the
67.15 parcel is withheld. The county board may approve a sale or conveyance to the requesting
67.16 party during the withholding period. A conveyance of the property to the requesting
67.17 party terminates the withholding period.

67.18 A governmental subdivision of the state must not make, and a county auditor must
67.19 not act upon, a second request to withhold a parcel from sale or lease within 18 months
67.20 of a previous request for that parcel. A county may reject a request made under this
67.21 paragraph if the request is made more than 30 days after the county has given notice to the
67.22 requesting state agency or governmental subdivision of the state that the county intends to
67.23 sell or otherwise dispose of the property.

67.24 (b) Nonconservation tax-forfeited lands may be sold by the county board, for
67.25 their market value as determined by the county board, to an organized or incorporated
67.26 governmental subdivision of the state for any public purpose for which the subdivision is
67.27 authorized to acquire property. When the term "market value" is used in this section, it
67.28 means an estimate of the full and actual market value of the parcel as determined by the
67.29 county board, but in making this determination, the board and the persons employed by or
67.30 under contract with the board in order to perform, conduct, or assist in the determination,
67.31 are exempt from the licensure requirements of chapter 82B.

67.32 (c) Nonconservation tax-forfeited lands may be released from the trust in favor of
67.33 the taxing districts on application to the county board by a state agency for an authorized
67.34 use at not less than their market value as determined by the county board.

68.1 (d) Nonconservation tax-forfeited lands may be sold by the county board to an
68.2 organized or incorporated governmental subdivision of the state or state agency for less
68.3 than their market value if:

68.4 (1) the county board determines that a sale at a reduced price is in the public interest
68.5 because a reduced price is necessary to provide an incentive to correct the blighted
68.6 conditions that make the lands undesirable in the open market, or the reduced price will
68.7 lead to the development of affordable housing; and

68.8 (2) the governmental subdivision or state agency has documented its specific plans
68.9 for correcting the blighted conditions or developing affordable housing, and the specific
68.10 law or laws that empower it to acquire real property in furtherance of the plans.

68.11 If the sale under this paragraph is to a governmental subdivision of the state, the
68.12 commissioner of revenue must convey the property on behalf of the state by quit claim
68.13 deed. If the sale under this paragraph is to a state agency, the commissioner must issue a
68.14 conveyance document that releases the property from the trust in favor of the taxing
68.15 districts.

68.16 (e) Nonconservation tax-forfeited land held in trust in favor of the taxing districts
68.17 may be conveyed by the commissioner of revenue in the name of the state to a
68.18 governmental subdivision for an authorized public use, if an application is submitted to the
68.19 commissioner which includes a statement of facts as to the use to be made of the tract and
68.20 the favorable recommendation of the county board. For the purposes of this paragraph,
68.21 "authorized public use" means a use that allows an indefinite segment of the public to
68.22 physically use and enjoy the property in numbers appropriate to its size and use, or is for a
68.23 public service facility. Authorized public uses as defined in this paragraph are limited to:

68.24 (1) a road, or right-of-way for a road;

68.25 (2) a park that is both available to, and accessible by, the public that contains
68.26 improvements such as campgrounds, playgrounds, athletic fields, trails, or shelters;

68.27 (3) trails for walking, bicycling, snowmobiling, or other recreational purposes, along
68.28 with a reasonable amount of surrounding land maintained in its natural state;

68.29 (4) transit facilities for buses, light rail transit, commuter rail or passenger rail,
68.30 including transit ways, park-and-ride lots, transit stations, maintenance and garage
68.31 facilities, and other facilities related to a public transit system;

68.32 (5) public beaches or boat launches;

68.33 (6) public parking;

68.34 (7) civic recreation or conference facilities; and

68.35 (8) public service facilities such as fire halls, police stations, lift stations, water
68.36 towers, sanitation facilities, water treatment facilities, and administrative offices.

69.1 No monetary compensation or consideration is required for the conveyance, except as
69.2 provided in subdivision 1g, but the conveyance is subject to the conditions provided in
69.3 law, including, but not limited to, the reversion provisions of subdivisions 1c and 1d.

69.4 (f) The commissioner of revenue shall convey a parcel of nonconservation
69.5 tax-forfeited land to a local governmental subdivision of the state by quit claim deed
69.6 on behalf of the state upon the favorable recommendation of the county board if the
69.7 governmental subdivision has certified to the board that prior to forfeiture the subdivision
69.8 was entitled to the parcel under a written development agreement or instrument, but
69.9 the conveyance failed to occur prior to forfeiture. No compensation or consideration is
69.10 required for, and no conditions attach to, the conveyance.

69.11 (g) The commissioner of revenue shall convey a parcel of nonconservation
69.12 tax-forfeited land to the association of a common interest community by quit claim deed
69.13 upon the favorable recommendation of the county board if the association certifies to the
69.14 board that prior to forfeiture the association was entitled to the parcel under a written
69.15 agreement, but the conveyance failed to occur prior to forfeiture. No compensation or
69.16 consideration is required for, and no conditions attach to, the conveyance.

69.17 (h) Conservation tax-forfeited land may be sold to a governmental subdivision of
69.18 the state for less than its market value for either: (1) creation or preservation of wetlands;
69.19 (2) drainage or storage of storm water under a storm water management plan; or (3)
69.20 preservation, or restoration and preservation, of the land in its natural state. The deed must
69.21 contain a restrictive covenant limiting the use of the land to one of these purposes for
69.22 30 years or until the property is reconveyed back to the state in trust. At any time, the
69.23 governmental subdivision may reconvey the property to the state in trust for the taxing
69.24 districts. The deed of reconveyance is subject to approval by the commissioner of revenue.
69.25 No part of a purchase price determined under this paragraph shall be refunded upon a
69.26 reconveyance, but the amount paid for a conveyance under this paragraph may be taken
69.27 into account by the county board when setting the terms of a future sale of the same
69.28 property to the same governmental subdivision under paragraph (b) or (d). If the lands
69.29 are unplatted and located outside of an incorporated municipality and the commissioner
69.30 of natural resources determines there is a mineral use potential, the sale is subject to the
69.31 approval of the commissioner of natural resources.

69.32 (i) A park and recreation board in a city of the first class is a governmental
69.33 subdivision for the purposes of this section.

69.34 (j) Tax-forfeited land held in trust in favor of the taxing districts may be conveyed
69.35 by the commissioner of revenue in the name of the state to a governmental subdivision for
69.36 a school forest under section 89.41. An application that includes a statement of facts as

70.1 to the use to be made of the tract and the favorable recommendation of the county board
 70.2 and the commissioner of natural resources must be submitted to the commissioner of
 70.3 revenue. No monetary compensation or consideration is required for the conveyance, but
 70.4 the conveyance is subject to the conditional use and reversion provisions of subdivisions
 70.5 1c and 1d, paragraph (e). At any time, the governmental subdivision may reconvey the
 70.6 property back to the state in trust for the taxing districts. The deed of reconveyance is
 70.7 subject to approval by the commissioner of revenue.

70.8 **EFFECTIVE DATE.** This section is effective the day following final enactment.

70.9 Sec. 80. Minnesota Statutes 2012, section 282.01, subdivision 1d, is amended to read:

70.10 Subd. 1d. **Reverter for failure to use; conveyance to state.** (a) After three years
 70.11 from the date of any conveyance of tax-forfeited land to a governmental subdivision for
 70.12 an authorized public use as provided in this section, regardless of when the deed for the
 70.13 authorized public use was executed, if the governmental subdivision has failed to put the
 70.14 land to that use, or abandons that use, the governing body of the subdivision must: (1)
 70.15 with the approval of the county board, purchase the property for an authorized public
 70.16 purpose at the present market value as determined by the county board, or (2) authorize
 70.17 the proper officers to convey the land, or the part of the land not required for an authorized
 70.18 public use, to the state of Minnesota in trust for the taxing districts. If the governing body
 70.19 purchases the property under clause (1), the commissioner of revenue shall, upon proper
 70.20 application submitted by the county auditor, convey the property on behalf of the state by
 70.21 quit claim deed to the subdivision free of a use restriction and the possibility of reversion
 70.22 or defeasement. If the governing body decides to reconvey the property to the state under
 70.23 this clause, the officers shall execute a deed of conveyance immediately. The conveyance
 70.24 is subject to the approval of the commissioner and its form must be approved by the
 70.25 attorney general. For 15 years from the date of the conveyance, there is no failure to put
 70.26 the land to the authorized public use and no abandonment of that use if a formal plan of
 70.27 the governmental subdivision, including, but not limited to, a comprehensive plan or land
 70.28 use plan, shows an intended future use of the land for the authorized public use.

70.29 (b) Property held by a governmental subdivision of the state under a conditional use
 70.30 deed executed under this section by the commissioner of revenue on or after January 1,
 70.31 2007, may be acquired by that governmental subdivision after 15 years from the date
 70.32 of the conveyance if the commissioner determines upon written application from the
 70.33 subdivision that the subdivision has in fact put the property to the authorized public use for
 70.34 which it was conveyed, and the subdivision has made a finding that it has no current plans
 70.35 to change the use of the lands. Prior to conveying the property, the commissioner shall

71.1 inquire whether the county board where the land is located objects to a conveyance of the
 71.2 property to the subdivision without conditions and without further act by or obligation of
 71.3 the subdivision. If the county does not object within 60 days, and the commissioner makes
 71.4 a favorable determination, the commissioner shall issue a quit claim deed on behalf of
 71.5 the state unconditionally conveying the property to the governmental subdivision. For
 71.6 purposes of this paragraph, demonstration of an intended future use for the authorized
 71.7 public use in a formal plan of the governmental subdivision does not constitute use for
 71.8 that authorized public use.

71.9 (c) Property held by a governmental subdivision of the state under a conditional use
 71.10 deed executed under this section by the commissioner of revenue before January 1, 2007,
 71.11 is released from the use restriction and possibility of reversion on January 1, 2022, if the
 71.12 county board records a resolution describing the land and citing this paragraph. The
 71.13 county board may authorize the county treasurer to deduct the amount of the recording
 71.14 fees from future settlements of property taxes to the subdivision.

71.15 (d) Except for tax-forfeited land conveyed to establish a school forest under section
 71.16 89.41, property conveyed under a conditional use deed executed under this section by
 71.17 the commissioner of revenue, regardless of when the deed for the authorized public use
 71.18 was executed, is released from the use restriction and reverter, and any use restriction or
 71.19 reverter for which no declaration of reversion has been recorded with the county recorder
 71.20 or registrar of titles, as appropriate, is nullified on the later of: (1) January 1, 2015; (2) 30
 71.21 years from the date the deed was acknowledged; or (3) final resolution of an appeal to
 71.22 district court under subdivision 1e, if a lis pendens related to the appeal is recorded in the
 71.23 office of the county recorder or registrar of titles, as appropriate, prior to January 1, 2015.

71.24 (e) Notwithstanding paragraphs (a) to (d), tax-forfeited land conveyed to establish a
 71.25 school forest under section 89.41 is subject to a perpetual conditional use deed and reverter.
 71.26 The property reverts to the state in trust for the taxing districts by operation of law if the
 71.27 commissioner of natural resources determines and reports to the commissioner of revenue
 71.28 under section 89.41, subdivision 3, that the governmental subdivision has failed to use the
 71.29 land for school forest purposes for three consecutive years. The commissioner of revenue
 71.30 shall record a declaration of reversion for land that has reverted under this paragraph.

71.31 **EFFECTIVE DATE.** This section is effective the day following final enactment.

71.32 Sec. 81. Minnesota Statutes 2012, section 282.04, is amended by adding a subdivision
 71.33 to read:

71.34 Subd. 1b. **Intermediate timber sales.** (a) The county auditor may sell the timber on
 71.35 any tract of tax-forfeited land in lots not exceeding 3,000 cords in volume, in the same

72.1 manner as timber sold at public auction under subdivision 1 and related laws, subject to
 72.2 the following special exceptions and limitations:

72.3 (1) the county auditor shall offer all tracts authorized for sale under this subdivision
 72.4 separately from the sale of tracts of timber made pursuant to subdivision 1;

72.5 (2) no bidder may be awarded more than 25 percent of the total tracts offered at the
 72.6 first round of bidding unless fewer than four tracts are offered, in which case not more
 72.7 than one tract shall be awarded to one bidder; and

72.8 (3) no sale may be made to a person having more than 30 employees, unless
 72.9 approved by the commissioner of natural resources.

72.10 Any tract not sold at public auction under this subdivision may be offered for
 72.11 private sale as authorized by subdivision 1, to persons eligible under this subdivision at
 72.12 the appraised value.

72.13 For the purposes of this subdivision, "employee" means an individual working in the
 72.14 timber or wood products industry for salary or wages on a full-time or part-time basis.

72.15 (b) The auction sale procedure set forth in this subdivision constitutes an additional
 72.16 alternative timber sale procedure available to the county auditor and is not intended to
 72.17 replace other authority possessed by the county auditor to sell timber in lots of 3,000
 72.18 acres or less.

72.19 (c) Another bidder or the county auditor may request that the number of employees a
 72.20 bidder has pursuant to paragraph (a), clause (3), be confirmed if there is evidence that the
 72.21 bidder may be ineligible due to exceeding the employee threshold. The county auditor
 72.22 shall request information from the commissioners of labor and industry and employment
 72.23 and economic development including the premiums paid by the bidder in question for
 72.24 workers' compensation insurance coverage for all employees of the bidder. The county
 72.25 auditor shall review the information submitted by the commissioners of labor and industry
 72.26 and employment and economic development and make a determination based on that
 72.27 information as to whether the bidder is eligible. A bidder is considered eligible and may
 72.28 participate in intermediate auctions until determined ineligible under this paragraph.

72.29 (d) Notwithstanding paragraph (a), the county auditor may sell timber under this
 72.30 subdivision in excess of 3,000 acres in volume if approved by the commissioner of natural
 72.31 resources.

 72.35 Board of Commissioners may petition the Minnesota Board of Water and Soil Resources

73.1 to discontinue the Hennepin Soil and Water Conservation District and transfer the duties
73.2 and authorities of the district to the Hennepin County Board of Commissioners. The
73.3 Minnesota Board of Water and Soil Resources has 60 days from the receipt of the petition
73.4 to conduct its review. The Minnesota Board of Water and Soil Resources shall make
73.5 its determination regarding the petition no later than its first regular meeting following
73.6 the 60-day review period.

73.7 Subd. 2. **Discontinuance.** The Minnesota Board of Water and Soil Resources shall
73.8 review the petition submitted under subdivision 1 to determine whether progress toward
73.9 the goals identified in section 103C.005 can be achieved by discontinuing the Hennepin
73.10 Soil and Water Conservation District and transferring the duties and authorities of the
73.11 district to the Hennepin County Board of Commissioners. If the Board of Water and Soil
73.12 Resources determines that progress toward the goals identified in section 103C.005 can
73.13 be achieved by the discontinuance of the district and the transfer of district duties and
73.14 authorities to the Hennepin County Board of Commissioners, the Board of Water and Soil
73.15 Resources shall order the discontinuance of the Hennepin Soil and Water Conservation
73.16 District. The order shall become effective within 60 days from the date of the order. The
73.17 Minnesota Board of Water and Soil Resources may discontinue the Hennepin Soil and
73.18 Water Conservation District without a referendum.

73.20 Hennepin Soil and Water Conservation District by the Minnesota Board of Water and Soil
73.21 Resources, the Hennepin County Board of Commissioners has the duties and authorities
73.22 of a soil and water conservation district. The Hennepin County Board of Commissioners
73.23 may assign these duties and responsibilities to the Hennepin County Department of
73.24 Environmental Services or other county departments as deemed appropriate by the county
73.25 board. All contracts in effect on the date of the discontinuance of the district, to which
73.26 the Hennepin Soil and Water Conservation District is a party, remain in force and effect
73.27 for the period provided in the contracts. Hennepin County shall be substituted for the
73.28 Hennepin Soil and Water Conservation District as party to the contracts and succeed
73.29 to the district's rights and duties.

73.30 Subd. 4. **Transfer of assets.** The Hennepin Conservation District Board of
73.31 Supervisors shall transfer the assets of the district to the Hennepin County Board of
73.32 Commissioners no later than 60 days from the date of the order. The Hennepin County
73.33 Board of Commissioners shall use the transferred assets for purposes of implementing the
73.34 transferred duties and authorities.

74.1 Subd. 5. **Grants.** Upon discontinuance of the Hennepin Soil and Water
 74.2 Conservation District by the Minnesota Board of Water and Soil Resources, Hennepin
 74.3 County has the eligibility of a soil and water conservation district for state grant funds.

74.4 Subd. 6. **Reestablishment.** The Hennepin County Board of Commissioners may
 74.5 petition the Minnesota Board of Water and Soil Resources to reestablish the Hennepin
 74.6 Soil and Water Conservation District. Alternatively, the Minnesota Board of Water
 74.7 and Soil Resources under its authority in section 103C.201, and after giving notice
 74.8 of corrective actions and time to implement the corrective actions, may reestablish the
 74.9 Hennepin Soil and Water Conservation District if it determines the goals identified in
 74.10 section 103C.005 are not being achieved. The Minnesota Board of Water and Soil
 74.11 Resources may reestablish the Hennepin Soil and Water Conservation District under this
 74.12 subdivision without a referendum.

74.13 **EFFECTIVE DATE; LOCAL APPROVAL.** This section is effective the day after

96.1 Sec. 7. Minnesota Statutes 2012, section 65B.84, subdivision 1, is amended to read:

96.2 Subdivision 1. **Program described; commissioner's duties; appropriation.** (a)

96.3 The commissioner of commerce shall:

96.4 (1) develop and sponsor the implementation of statewide plans, programs, and
96.5 strategies to combat automobile theft, improve the administration of the automobile theft
96.6 laws, and provide a forum for identification of critical problems for those persons dealing
96.7 with automobile theft;

96.8 (2) coordinate the development, adoption, and implementation of plans, programs,
96.9 and strategies relating to interagency and intergovernmental cooperation with respect
96.10 to automobile theft enforcement;

96.11 (3) annually audit the plans and programs that have been funded in whole or in part
96.12 to evaluate the effectiveness of the plans and programs and withdraw funding should the
96.13 commissioner determine that a plan or program is ineffective or is no longer in need
96.14 of further financial support from the fund;

96.15 (4) develop a plan of operation including:

96.16 (i) an assessment of the scope of the problem of automobile theft, including areas
96.17 of the state where the problem is greatest;

96.18 (ii) an analysis of various methods of combating the problem of automobile theft;

96.19 (iii) a plan for providing financial support to combat automobile theft;

96.20 (iv) a plan for eliminating car hijacking; and

96.21 (v) an estimate of the funds required to implement the plan; and

96.22 (5) distribute money, in consultation with the commissioner of public safety,
96.23 pursuant to subdivision 3 from the automobile theft prevention special revenue account
96.24 for automobile theft prevention activities, including:

96.25 (i) paying the administrative costs of the program;

96.26 (ii) providing financial support to the State Patrol and local law enforcement
96.27 agencies for automobile theft enforcement teams;

96.28 (iii) providing financial support to state or local law enforcement agencies for
96.29 programs designed to reduce the incidence of automobile theft and for improved
96.30 equipment and techniques for responding to automobile thefts;

96.31 (iv) providing financial support to local prosecutors for programs designed to reduce
96.32 the incidence of automobile theft;

96.33 (v) providing financial support to judicial agencies for programs designed to reduce
96.34 the incidence of automobile theft;

96.35 (vi) providing financial support for neighborhood or community organizations or
96.36 business organizations for programs designed to reduce the incidence of automobile

97.1 theft and to educate people about the common methods of automobile theft, the models
 97.2 of automobiles most likely to be stolen, and the times and places automobile theft is
 97.3 most likely to occur; and

97.4 (vii) providing financial support for automobile theft educational and training
 97.5 programs for state and local law enforcement officials, driver and vehicle services exam
 97.6 and inspections staff, and members of the judiciary.

97.7 (b) The commissioner may not spend in any fiscal year more than ten percent of the
 97.8 money in the fund for the program's administrative and operating costs. The commissioner
 97.9 is annually appropriated and must distribute the amount of the proceeds credited to
 97.10 the automobile theft prevention special revenue account each year, less the transfer of
 97.11 \$1,300,000 each year to the general fund described in section 168A.40, subdivision 4.

97.12 (c) At the end of each fiscal year, the commissioner may transfer any unobligated
 97.13 balances in the auto theft prevention account to the insurance fraud prevention account
 97.14 under section 45.0135, subdivision 6.

97.15 Sec. 8. Minnesota Statutes 2012, section 216B.16, is amended by adding a subdivision
 97.16 to read:

97.17 Subd. 6e. **Revenue allocation among consumer classes.** (a) This subdivision
 97.18 applies only to investor-owned electric utilities who have at least 50,000 customers, but
 97.19 no more than 200,000 customers.

97.20 (b) For all filings made prior to January 1, 2018, cost of service shall be the primary
 97.21 consideration in the commission's determination of revenue allocation among customer
 97.22 classes. The commission's discretion to deviate from cost of service and consider noncost
 97.23 factors when it determines revenue allocation among customer classes is limited to the
 97.24 following parameters:

97.25 (1) no deviations of more than four percent for all filings made after January 1,
 97.26 2014; and

97.27 (2) no deviations of more than two percent for all filings made after January 1, 2016.

97.28 Revenue allocation among customer classes that deviates from the cost of service must be
 97.29 supported by a preponderance of the evidence.

97.30 (c) For all filings made on or after January 1, 2018, cost of service shall be the only
 97.31 consideration in the commission's determination of revenue allocation among customer
 97.32 classes.

97.33 (d) At least 60 days prior to its next general rate proceeding, a utility subject to
 97.34 this subdivision shall be required to meet with interested stakeholders to explore the

98.1 possibility of expanding or increasing access to electric affordability programs for
98.2 low-income consumers.

98.3 (e) Upon the filing of a general rate case by a utility subject to this subdivision in
98.4 which the filing utility seeks to impose rates based on cost of service, the filing utility
98.5 must deposit \$10,000 into an account devoted to funding a program approved by the
98.6 commission under section 216B.16, subdivision 15. The funds shall be used to expand the
98.7 outreach of the commission-approved affordability program.

98.8 **EFFECTIVE DATE.** The section is effective the day following final enactment and
98.9 applies to general rate changes filed on or after that date.

98.10 Sec. 9. **[216C.411] DEFINITIONS.**

98.11 For the purposes of sections 216C.411 to 216C.415, the following terms have the
98.12 meanings given.

98.13 (a) "Made in Minnesota" means the manufacture in this state of solar photovoltaic
98.14 modules:

98.15 (1) at a manufacturing facility located in Minnesota that is registered and authorized
98.16 to manufacture and apply the UL 1703 certification mark to solar photovoltaic modules by
98.17 Underwriters Laboratory (UL), CSA International, Intertek, or an equivalent UL-approved
98.18 independent certification agency;

98.19 (2) that bear UL 1703 certification marks from UL, CSA International, Intertek, or
98.20 an equivalent UL-approved independent certification agency, which must be physically
98.21 applied to the modules at a manufacturing facility described in clause (1); and

98.22 (3) that are manufactured in Minnesota:

98.23 (i) by manufacturing processes that must include tabbing, stringing, and lamination;

98.24 or

98.25 (ii) by interconnecting low-voltage direct current photovoltaic elements that produce
98.26 the final useful photovoltaic output of the modules.

98.27 A solar photovoltaic module that is manufactured by attaching microinverters, direct
98.28 current optimizers, or other power electronics to a laminate or solar photovoltaic
98.29 module that has received UL 1703 certification marks outside Minnesota from UL, CSA
98.30 International, Intertek, or an equivalent UL-approved independent certification agency is
98.31 not "Made in Minnesota" under this paragraph.

98.32 (b) "Solar photovoltaic module" has the meaning given in section 116C.7791,
98.33 subdivision 1, paragraph (e).

98.34 **EFFECTIVE DATE.** This section is effective the day following final enactment.

99.1 Sec. 10. [216C.412] "MADE IN MINNESOTA" SOLAR ENERGY
99.2 PRODUCTION INCENTIVE ACCOUNT.

99.3 Subdivision 1. Account established; account management. A "Made in
99.4 Minnesota" solar energy production incentive account is established as a separate account
99.5 in the special revenue fund in the state treasury. Earnings, such as interest, dividends,
99.6 and any other earnings arising from account assets, must be credited to the account.
99.7 Funds remaining in the account at the end of a fiscal year do not cancel to the general
99.8 fund but remain in the account. There is annually appropriated from the account to the
99.9 commissioner of commerce money sufficient to make the incentive payments under
99.10 section 216C.415 and to administer sections 216C.412 to 216C.415.

99.11 Subd. 2. Payments from utilities and associations. (a) Beginning January 1, 2014,
99.12 and each January 1 thereafter, through 2023, for a total of ten years, each electric public
99.13 utility, cooperative electric association, and municipal electric utility subject to section
99.14 216B.241 must annually pay to the commissioner of commerce five percent of the amount
99.15 it was required to spend in the previous year, based on its sale of electricity, on energy
99.16 conservation improvements under section 216B.241, subdivisions 1a and 1b. Payments
99.17 made under this paragraph count towards satisfying expenditure obligations of a public
99.18 utility, cooperative electric association, or municipal utility under section 216B.241,
99.19 subdivision 1b. The commissioner shall, upon receipt of the funds, deposit them in the
99.20 account established in subdivision 1. A public utility, municipal utility, or cooperative
99.21 electric association subject to this paragraph must be credited energy-savings for the
99.22 purpose of satisfying its energy savings requirement under section 216B.241, subdivision
99.23 1c, based on its payment to the commissioner. For a cooperative electric association or
99.24 municipal utility, the kilowatt hours of energy-savings credit equals the total dollar amount
99.25 transferred by the utility to the commissioner under this paragraph divided by the utility's
99.26 or association's average cost per kilowatt hour saved for the previous calendar year under
99.27 its conservation improvement program under section 216B.241.

99.28 (b) Notwithstanding section 116C.779, subdivision 1, paragraph (g), beginning
99.29 January 1, 2014, and continuing through January 1, 2023, for a total of ten years, the utility
99.30 that manages the account under section 116C.779 must annually pay from that account to
99.31 the commissioner an amount that, when added to the total amount paid to the commissioner
99.32 of commerce under paragraph (a), totals \$15,000,000 annually. The commissioner shall,
99.33 upon receipt of the payment, deposit it in the account established in subdivision 1.

99.34 EFFECTIVE DATE. This section is effective the day following final enactment.

100.1 Sec. 11. **[216C.413] "MADE IN MINNESOTA" SOLAR ENERGY**
100.2 **PRODUCTION INCENTIVE; QUALIFICATION.**

100.3 Subdivision 1. **Application.** A manufacturer of solar photovoltaic modules seeking
100.4 to qualify those modules as eligible to receive the "Made in Minnesota" solar energy
100.5 production incentive must submit an application to the commissioner of commerce on a
100.6 form prescribed by the commissioner. The application must contain:

100.7 (1) a technical description of the solar photovoltaic module and the processes used
100.8 to manufacture it, excluding proprietary details;

100.9 (2) documentation that the solar photovoltaic module meets all the required
100.10 applicable parts of the "Made in Minnesota" definition in section 216C.411, including
100.11 evidence of the UL 1703 right to mark for all solar photovoltaic modules seeking to
100.12 qualify as "Made in Minnesota";

100.13 (3) any additional nonproprietary information requested by the commissioner
100.14 of commerce; and

100.15 (4) certification signed by the chief executive officer of the manufacturing company
100.16 attesting to the truthfulness of the contents of the application and supporting materials
100.17 under penalty of perjury.

100.18 Subd. 2. **Certification.** If the commissioner determines that a manufacturer's solar
100.19 photovoltaic module meets the definition of "Made in Minnesota" in section 216C.411, the
100.20 commissioner shall issue the manufacturer a "Made in Minnesota" certificate containing
100.21 the name and model numbers of the certified solar photovoltaic modules and the date of
100.22 certification. The commissioner must issue or deny the issuance of a certificate within 90
100.23 days of receipt of a completed application. A copy of the certificate must be provided to
100.24 each purchaser of the solar photovoltaic module.

100.25 Subd. 3. **Revocation of certification.** The commissioner may revoke a certification
100.26 of a module as "Made in Minnesota" if the commissioner finds that the module no longer
100.27 meets the requirements to be certified. The revocation does not affect incentive payments
100.28 awarded prior to the revocation.

100.29 **EFFECTIVE DATE.** This section is effective the day following final enactment.

100.30 Sec. 12. **[216C.414] "MADE IN MINNESOTA" SOLAR ENERGY**
100.31 **PRODUCTION INCENTIVE.**

100.32 Subdivision 1. **Setting incentive.** Within 90 days of a module being certified as
100.33 "Made in Minnesota," the commissioner of commerce shall set a solar energy production
100.34 incentive amount for that solar photovoltaic module for the purpose of the incentive
100.35 payment under section 216C.415. The incentive is a performance-based financial

101.1 incentive expressed as a per kilowatt-hour amount. The amount shall be used for incentive
101.2 applications approved in the year to which the incentive amount is applicable for the
101.3 ten-year duration of the incentive payments. An incentive amount must be calculated for
101.4 each module for each calendar year, through 2023.

101.5 Subd. 2. **Criteria for determining incentive amount.** (a) The commissioner shall
101.6 set the incentive payment amount by determining the average amount of incentive payment
101.7 required to allow an average owner of installed solar photovoltaic modules a reasonable
101.8 return on their investment. In setting the incentive amount the commissioner shall consider:

101.9 (1) an estimate of the installed cost per kilowatt-direct current, based on the cost data
101.10 supplied by the manufacturer in the application submitted under section 216C.413, and an
101.11 estimate of the average installation cost based on a representative sample of Minnesota
101.12 solar photovoltaic installed projects;

101.13 (2) the average insolation rate in Minnesota;

101.14 (3) an estimate of the decline in the generation efficiency of the solar photovoltaic
101.15 modules over time;

101.16 (4) the rate paid by utilities to owners of solar photovoltaic modules under section
101.17 216B.164 or other law;

101.18 (5) applicable federal tax incentives for installing solar photovoltaic modules; and

101.19 (6) the estimated levelized cost per kilowatt-hour generated.

101.20 (b) The commissioner shall annually, for incentive applications received in a year,
101.21 revise each incentive amount based on the factors in paragraph (a), clauses (1) to (6),
101.22 general market conditions, and the availability of other incentives. In no case shall the
101.23 "Made in Minnesota" incentive amount result in the "Made in Minnesota" incentives paid
101.24 exceeding 40 percent, net of average applicable taxes on the ten-year incentive payments,
101.25 of the average historic installation cost per kilowatt. The commissioner may exceed the 40
101.26 percent cap if the commissioner determines it is necessary to fully expend funds available
101.27 for incentive payments in a particular year.

101.28 Subd. 3. **Metering of production.** A utility or association must, at the expense of a
101.29 customer, provide a meter to measure the production of a solar photovoltaic module
101.30 system that is approved to receive incentive payments. The utility or association must
101.31 furnish the commissioner with information sufficient for the commissioner to determine
101.32 the incentive payment. The information must be provided on a calendar year basis by no
101.33 later than March 1. The commissioner shall provide an association or utility with forms to
101.34 use to provide the production information. A customer must attest to the accuracy of the
101.35 production information.

102.1 Subd. 4. **Payment due date.** Payments must be made no later than July 1 following
102.2 the year of production.

102.3 Subd. 5. **Renewable energy credits.** Renewable energy credits associated with
102.4 energy provided to a utility or association for which an incentive payment is made belong
102.5 to the utility or association.

102.6 Sec. 13. **[216C.415] "MADE IN MINNESOTA" SOLAR ENERGY**
102.7 **PRODUCTION INCENTIVE; PAYMENT.**

102.8 Subdivision 1. **Incentive payment.** Incentive payments may be made under this
102.9 section only to an owner of grid-connected solar photovoltaic modules with a total
102.10 nameplate capacity below 40-kilowatts direct current who:

102.11 (1) has submitted to the commissioner, on a form established by the commissioner,
102.12 an application to receive the incentive that has been approved by the commissioner;

102.13 (2) has received a "Made in Minnesota" certificate under section 216C.413 for
102.14 the module; and

102.15 (3) has installed on residential or commercial property solar photovoltaic modules
102.16 that are generating electricity and has received a "Made in Minnesota" certificate under
102.17 section 216C.413.

102.18 Subd. 2. **Application process.** Applications for an incentive payment must be
102.19 received by the commissioner between January 1 and February 28. The commissioner
102.20 shall by a random method approve the number of applications the commissioner
102.21 reasonably determines will exhaust the funds available for payment for the ten-year period
102.22 of incentive payments. Applications for residential and commercial installations shall be
102.23 separately randomly approved. The random method adopted by the commissioner must
102.24 allow for the commissioner to achieve statewide geographic distribution of the kilowatt
102.25 hours of payment if there are sufficient applications to achieve that distribution.

102.26 Subd. 3. **Commissioner approval of incentive application.** The commissioner
102.27 must approve an application for an incentive for an owner to be eligible for incentive
102.28 payments. The commissioner must not approve an application in a calendar year if the
102.29 commissioner determines there will not be sufficient funding available to pay an incentive
102.30 to the applicant for any portion of the ten-year duration of payment. The commissioner
102.31 shall annually establish a cap on the cumulative capacity for a program year based on
102.32 funds available and historic average installation costs. Receipt of an incentive is not
102.33 an entitlement and payment need only be made from available funds in the "Made in
102.34 Minnesota" solar production incentive account.

103.1 Subd. 4. **Eligibility window; payment duration.** (a) Payments may be made under
 103.2 this section only for electricity generated from new solar photovoltaic module installations
 103.3 that are commissioned between January 1, 2014, and December 31, 2023.

103.4 (b) The payment eligibility window of the incentive begins and runs consecutively
 103.5 from the date the solar system is commissioned.

103.6 (c) An owner of solar photovoltaic modules may receive payments under this
 103.7 section for a particular module for a period of ten years provided that sufficient funds are
 103.8 available in the account.

103.9 (d) No payment may be made under this section for electricity generated after
 103.10 December 31, 2033.

103.11 (e) An owner of solar photovoltaic modules may not first begin to receive payments
 103.12 under this section after December 31, 2024.

103.13 Subd. 5. **Allocation of payments.** (a) If there are sufficient applications,
 103.14 approximately 50 percent of the incentive payment shall be for owners of eligible solar
 103.15 photovoltaic modules installed on residential property, and approximately 50 percent shall
 103.16 be for owners of eligible solar photovoltaic modules installed on commercial property.

103.17 (b) The commissioner shall endeavor to geographically distribute incentives paid
 103.18 under this section to owners of solar photovoltaic modules installed throughout the state.

103.19 (c) For purposes of this subdivision:

103.20 (1) "residential property" means residential real estate that is occupied and used as a
 103.21 homestead by its owner or by a renter and includes "multifamily housing development"
 103.22 as defined in section 462C.02, subdivision 5, except that residential property on which
 103.23 solar photovoltaic modules (i) whose capacity exceeds 10 kilowatts is installed; or (ii)
 103.24 connected to a utility's distribution system and whose electricity is purchased by several
 103.25 residents, each of whom own a share of the electricity generated, shall be deemed
 103.26 commercial property; and

103.27 (2) "commercial property" means real property on which is located a business,
 103.28 government, or nonprofit establishment.

103.29 Subd. 6. **Limitation.** An owner receiving an incentive payment under this section
 103.30 may not receive a rebate under section 116C.7791 for the same solar photovoltaic modules.

103.31 **EFFECTIVE DATE.** This section is effective the day following final enactment.

103.32 Sec. 14. Minnesota Statutes 2012, section 237.012, subdivision 3, is amended to read:

103.33 Subd. 3. **Annual reports.** The commissioner of commerce Office of Broadband
 103.34 Development must annually by February 10 report on the achievement of the goals
 103.35 under subdivisions 1 and 2 to the chairs and ranking minority members of the legislative

104.1 committees with primary jurisdiction over telecommunication issues. The report must
104.2 also suggest policies, incentives, and legislation designed to accelerate the achievement of
104.3 the goals. The report on goals under subdivision 1 must be made through 2015.

104.4 **EFFECTIVE DATE.** This section is effective the day following final enactment.

104.5 Sec. 15. Minnesota Statutes 2012, section 237.52, subdivision 4, is amended to read:

104.6 Subd. 4. **Appropriation.** Money in the fund is appropriated to the commissioner of
104.7 commerce to implement sections 237.51 to 237.56, to the commissioner of employment
104.8 and economic development to implement section 248.062, ~~and~~ to the commissioner of
104.9 human services to implement section 256C.30, and to the Legislative Coordinating
104.10 Commission to provide captioning of legislative activity on the commission's Web site
104.11 and for a consolidated access fund for other state agencies.

 108.4 must consider broadband as an economic development tool and must examine and analyze:

108.5 (1) how the state can best use its limited resources to adopt strategies and make
 108.6 investments to improve the use of broadband services by subgroups of broadband users,
 108.7 including mobile broadband users, that promise to deliver the greatest economic impact

108.28 (1) estimate the potential value of on-site energy storage modules as a
 108.29 load-management tool to reduce costs for individual customers and for the utility,
 108.30 including, but not limited to, reductions in energy, particularly peaking and capacity costs;

108.31 (2) examine the interaction of energy storage modules with on-site solar photovoltaic
 108.32 modules; and

108.33 (3) analyze existing barriers to the installation of on-site energy storage modules
 108.34 by utilities, and examine strategies and design potential economic incentives, including

109.1 using utility funds expended under Minnesota Statutes, section 216B.241, to overcome
 109.2 those barriers.

109.10 Sec. 22. **VALUE OF SOLAR THERMAL STUDY.**

109.11 (a) The commissioner of commerce shall contract with an independent consultant
 109.12 selected through a request for proposal process to produce a report analyzing the potential
 109.13 costs and benefits of expanding the installation of solar thermal projects, as defined in
 109.14 Minnesota Statutes, section 216B.2411, subdivision 2, in residential and commercial
 109.15 buildings in this state. The study must examine the potential for solar thermal projects to
 109.16 reduce heating and cooling costs for individual customers and to reduce utilities' costs.
 109.17 The study must also analyze existing barriers to the installation of solar thermal projects
 109.18 by utilities, and examine strategies and design potential economic incentives, including
 109.19 using utility funds expended under Minnesota Statutes, section 216B.241, to overcome
 109.20 those barriers. By January 1, 2014, the commissioner of commerce shall submit the study
 109.21 to the chairs and ranking minority members of the legislative committees with jurisdiction

136.28 department to examine and copy all such records.

136.29 (d) When a licensed elevator constructor supervises the elevator work of an

137.15 partner, or officer of a licensed contractor, as defined by section 326B.163, subdivision
137.16 10, shall perform or offer to perform elevator work with or without compensation, unless
137.17 the individual obtains a contractor's license. A contractor's license does not of itself
137.18 qualify its holder to perform or supervise the elevator work authorized by holding any
137.19 class of personal license.

137.20 (b) Companies licensed under section 326B.33, subdivision 14, as of July 31, 2013,
137.21 shall not be required to comply with this subdivision.

137.22 Subd. 7. **Bond required.** As a condition of licensing, each contractor shall give
137.23 and maintain bond to the state in the sum of \$25,000, conditioned upon the faithful and
137.24 lawful performance of all work contracted for or performed by the contractor within the
137.25 state of Minnesota, and such bond shall be for the benefit of persons injured or suffering
137.26 financial loss by reason of failure of such performance. The bond shall be filed with
137.27 the commissioner and shall be in lieu of all other license bonds to any other political
137.28 subdivision. The bond shall be written by a corporate surety licensed to do business

137.32 and products and completed operations insurance, with limits of at least \$100,000 per
137.33 occurrence, \$300,000 aggregate limit for bodily injury, and property damage insurance

137.35 damage of \$300,000 per occurrence and \$300,000 aggregate limits. The insurance shall be
137.36 written by an insurer licensed to do business in the state of Minnesota, and each contractor

138.1 shall maintain on file with the commissioner a certificate evidencing such insurance. In the
138.2 event of a policy cancellation, the insurer shall send written notice to the commissioner at
138.3 the same time that a cancellation request is received from or a notice is sent to the insured.

138.4 Subd. 9. **Employment of responsible individual.** (a) Each elevator contractor
138.5 must designate a responsible master elevator constructor or limited master elevator
138.6 constructor who shall be the responsible individual for the performance of all elevator
138.7 work in accordance with the requirements of sections 326B.163 to 326B.191, all rules
138.8 adopted under these sections, and all orders issued under section 326B.082. The classes of
138.9 work that a licensed contractor is authorized to perform shall be limited to the classes of
138.10 work that the responsible individual is allowed to perform.

138.11 (b) When a contractor's license is held by an individual, sole proprietorship,
138.12 partnership, limited liability company, or corporation, and the individual, proprietor, one
138.13 of the partners, one of the members, or an officer of the corporation, respectively, is not the
138.14 responsible master elevator constructor or limited master elevator constructor, all elevator
138.15 permits shall be submitted by the responsible master elevator constructor or limited
138.16 master elevator constructor. If the contractor is an individual or a sole proprietorship,
138.17 the responsible master or limited master elevator constructor must be the individual,
138.18 proprietor, or managing employee. If the contractor is a partnership, the responsible
138.19 master or limited master elevator constructor must be a general partner or managing
138.20 employee. If the licensed contractor is a limited liability company, the responsible master
138.21 or limited master elevator constructor must be a chief manager or managing employee.
138.22 If the contractor is a corporation, the responsible master or limited master elevator
138.23 constructor must be an officer or managing employee. If the responsible master or limited
138.24 master elevator constructor is a managing employee, the responsible individual must be
138.25 actively engaged in performing elevator work on behalf of the contractor and cannot be
138.26 employed in any capacity performing elevator work for any other elevator contractor or
138.27 employer. An individual may be the responsible individual for only one contractor.

138.28 (c) All applications and renewals for contractor licenses shall include a verified
138.29 statement that the applicant and responsible individual are in compliance with this
138.30 subdivision.

138.31 Subd. 10. **Examination.** In addition to the other requirements described in this
138.32 section and sections 326B.091 to 326B.098, as a precondition to issuance of a personal
138.33 license, each applicant must pass a written or oral examination developed and administered
138.34 by the commissioner to ensure the competence of each applicant for license. An oral
138.35 examination shall be administered only to an applicant who furnishes a written statement
138.36 from a certified teacher or other professional, trained in the area of reading disabilities,

139.1 stating that the applicant has a specific reading disability that would prevent the applicant
139.2 from performing satisfactorily on a written test. The oral examination shall be structured
139.3 so that an applicant who passes the examination will not impair the applicant's own safety
139.4 or that of others while acting as a licensed individual.

139.5 Subd. 11. **License, registration, and renewal fees; expiration.** (a) Unless revoked
139.6 or suspended under this chapter, all licenses issued or renewed under this section expire on

139.13 original issuance and every two years thereafter; and

139.14 (4) registrations of unlicensed individuals expire one year from the date of original
139.15 issuance and every year thereafter.

139.16 (b) For purposes of calculating license fees and renewal license fees required under
139.17 section 326B.092:

139.18 (1) the registration of an unlicensed individual under subdivision 5 shall be
139.19 considered an entry-level license;

139.20 (2) the journeyman elevator constructor and the limited journeyman elevator
139.21 constructor shall be considered a journeyman license;

139.22 (3) the master elevator constructor and limited master elevator constructor licenses
139.23 shall be considered master licenses; and

139.24 (4) an elevator contractor license shall be considered a business license.

139.25 Subd. 12. **Exemption from licensing.** Employees of a licensed elevator contractor
139.26 or licensed limited elevator contractor are not required to hold or obtain a license
139.27 under this section or be provided with direct supervision by a licensed master elevator
139.28 constructor, licensed limited master elevator constructor, licensed elevator constructor,
139.29 or licensed limited elevator constructor to install, maintain, or repair platform lifts and
139.30 stairway chairlifts. Unlicensed employees performing elevator work under this exemption

170.22 a possibly limited use of natural resources in the future and any resulting decrease in
170.23 employment, the commissioner may use whatever amounts of the appropriation made to
170.24 the commissioner of revenue in section 298.28 that are determined to be necessary and
170.25 proper in the development of the remaining resources of the county and in the vocational
170.26 training and rehabilitation of its residents, except that the amount needed to cover cost
170.27 overruns awarded to a contractor by an arbitrator in relation to a contract awarded by
170.28 the commissioner or in effect after July 1, 1985, is appropriated from the general fund.
170.29 For the purposes of this section, "development of remaining resources" includes, but is

170.31 Sec. 4. Minnesota Statutes 2012, section 298.28, subdivision 4, is amended to read:

170.32 Subd. 4. **School districts.** (a) 23.15 cents per taxable ton, plus the increase provided
170.33 in paragraph (d), less the amount that would have been computed under Minnesota
170.34 Statutes 2008, section 126C.21, subdivision 4, for the current year for that district, must be

171.1 allocated to qualifying school districts to be distributed, based upon the certification of the

171.30 qualify as a tax relief area under section 273.134, paragraph (b), or in which there is a

171.35 this clause as calculated pursuant to chapters 122A, 126C, and 127A for the school year
171.36 ending prior to distribution to the adjusted net tax capacity per pupil unit of the district.

172.1 Each district shall receive that portion of the distribution which its index bears to the sum

172.18 times the pupil units identified in section 126C.05, subdivision 1, enrolled in the second
172.19 previous year or the 1983-1984 school year, whichever is greater, less the product of 1.8

172.25 If the total amount provided by paragraph (d) is insufficient to make the payments
172.26 herein required then the entitlement of \$175 per pupil unit shall be reduced uniformly

172.29 education aid which the district receives pursuant to section 126C.13 or the permissible
172.30 levies of the district. Any amount remaining after the payments provided in this paragraph

172.35 the amount received under this paragraph or \$25 times the number of pupil units served
172.36 in the district. It may use the money for early childhood programs ~~or for outcome-based~~

173.1 ~~learning programs that enhance the academic quality of the district's curriculum. The~~
173.2 ~~outcome-based learning programs must be approved by the commissioner of education.~~

173.3 (e) There shall be distributed to any school district the amount which the school
173.4 district was entitled to receive under section 298.32 in 1975.

173.6 according to the distribution specified in paragraph (b), clause (ii), and two cents per taxable
173.7 ton must be distributed according to the distribution specified in paragraph (c). These

173.20 has not received a copy of the contract for deed in recordable form, as required under
173.21 subdivision 1a. Payments of the penalty shall be deposited in the general fund of the
173.22 county. The penalty may be enforced as a lien against the vendee's interest in the property.

173.24 who fails to record the assignment as required by subdivision 1 is subject to a civil penalty,

173.31 Sunday, or holiday as defined in section 645.44, subdivision 5.

173.32 Subd. 3. **Family farm security loan.** "Family farm security loan" has the meaning
173.33 given in Minnesota Statutes 2008, section 41.52, subdivision 5.

174.1 Subd. 4. **Multiple seller.** "Multiple seller" means a person that has acted as a seller
174.2 in four or more contracts for deed involving residential real property during the 12-month
174.3 period that precedes either: (1) the date on which the purchaser executes a purchase
174.4 agreement under section 559.202; or (2) if there is no purchase agreement, the date on
174.5 which the purchaser executes a contract for deed under section 559.202. A contract for
174.6 deed transaction that is exempt under section 559.202, subdivision 2, is a contract for deed
174.7 for the purposes of determining whether a seller is a multiple seller.

174.8 Subd. 5. **Person.** "Person" means a natural person, partnership, corporation, limited
174.9 liability company, association, trust, or other legal entity, however organized.

174.10 Subd. 6. **Purchase agreement.** "Purchase agreement" means a purchase agreement

174.12 that, at closing, the seller and the purchaser will enter into a contract for deed.

174.20 sections 583.20 to 583.32.

174.21 Sec. 8. **[559.202] CONTRACTS FOR DEED INVOLVING RESIDENTIAL**
174.22 **PROPERTY.**

174.23 Subdivision 1. **Notice required.** (a) In addition to the disclosures required under
174.24 sections 513.52 to 513.60, a multiple seller must deliver the notice specified under
174.25 subdivision 3 to a prospective purchaser as provided under this subdivision.

174.26 (b) If there is a purchase agreement, the notice must be affixed to the front of
174.27 the purchase agreement. A contract for deed for which notice is required under this
174.28 subdivision may not be executed for five business days following the execution of the
174.29 purchase agreement and delivery of the notice and instructions for cancellation.

174.30 (c) If there is no purchase agreement, a multiple seller must deliver the notice in a
174.31 document separate from any other document or writing to a prospective purchaser no less
174.32 than five business days before the prospective purchaser executes the contract for deed.

174.33 (d) The notice must be:

174.34 (1) written in at least 12-point type; and

174.35 (2) signed and dated by the purchaser.

175.1 (e) If a dispute arises concerning whether or when the notice required by this
 175.2 subdivision was provided to the purchaser, there is a rebuttable presumption that the notice
 175.3 was not provided unless the original executed contract for deed contains the following
 175.4 statement, initialed by the purchaser: "By initialing here purchaser acknowledges
 175.5 receipt at least five business days before signing this contract for deed of the disclosure
 175.6 statement entitled "Important Information About Contracts for Deed" required by
 175.7 Minnesota Statutes, section 559.202, subdivision 3."

175.8 Subd. 2. **Exception.** This section does not apply if the purchaser is represented
 175.9 throughout the transaction by either:

175.10 (1) a person licensed to practice law in this state; or

175.11 (2) a person licensed as a real estate broker or salesperson under chapter 82,
 175.12 provided that the representation does not create a dual agency, as that term is defined
 175.13 in section 82.55, subdivision 6.

175.14 Subd. 3. **Content of the notice.** The notice must contain the following verbatim
 175.15 language:

175.16 **"IMPORTANT INFORMATION ABOUT CONTRACTS FOR DEED**

175.17 **Know What You Are Getting Into**

175.18 (1) A contract for deed is a complex legal agreement. You are NOT a tenant. Mortgage
 175.19 foreclosure laws don't apply.

175.20 (2) You should know ALL of your obligations and rights before you sign a purchase
 175.21 agreement or contract for deed.

175.22 (3) You (seller must circle one):

175.23 (a) DO DO NOT have to pay homeowner's insurance.

175.24 (b) DO DO NOT have to pay property taxes.

175.25 (c) DO DO NOT have to make and pay for some or all of the repairs or
 175.26 maintenance, as described in the contract for deed.

175.27 (4) After some time, you may need to make a large lump sum payment (called a "balloon
 175.28 payment"). Know when it is due and how much it will be. You'll probably need to get a
 175.29 new mortgage, another financial arrangement, or pay for the balance in cash at that time.

175.30 (5) If you miss just a single payment or can't make the balloon payment, the seller can
 175.31 cancel your contract. You will likely lose all the money you have already paid. You will
 175.32 likely lose your ability to purchase the home. The seller can begin an eviction action
 175.33 against you in just a few months.

176.1 (6) Within four months of signing the contract for deed, you must "record" it in the office
 176.2 of the county recorder or registrar of titles in the county in which the property is located.
 176.3 If you do not do so, you could face a fine.

176.4 **Key Things Highly Recommended Before You Sign**

176.5 (1) Get advice from a lawyer or the Minnesota Home Ownership Center at 1-866-462-6466
 176.6 or go to www.hocmn.org. To find a lawyer through the Minnesota State Bar Association,
 176.7 go to www.mnfindalawyer.com.

176.8 (2) Get an independent, professional appraisal of the property to learn what it is worth.

176.9 (3) Get an independent, professional inspection of the property.

176.10 (4) Buy title insurance or ask a real estate lawyer for a "title opinion."

176.11 (5) Check with the city or county to find out if there are inspection reports or unpaid
 176.12 utility bills.

176.13 (6) Check with a title company or the county where the property is located to find out if
 176.14 there is a mortgage or other lien on the property and if the property taxes have been paid.

176.15 (7) Ensure that your interest rate does not exceed the maximum allowed by law by calling
 176.16 the Department of Commerce at 651-297-7053 to get a recorded message for the current
 176.17 month's maximum rate.

176.18 **If You Are Entering into a Purchase Agreement**

176.19 (1) If you haven't already signed the contract for deed, you can cancel the purchase
 176.20 agreement (and get all your money back) if you do so within five business days after
 176.21 getting this notice.

176.22 (2) To cancel the purchase agreement, you must follow the provisions of Minnesota
 176.23 Statutes, section 559.217, subdivision 4. Ask a lawyer for help."

176.24 Subd. 4. **Right to cancel purchase agreement.** (a) A prospective purchaser may
 176.25 cancel a purchase agreement within five business days after actually receiving the notice
 176.26 required under subdivision 1 if a multiple seller fails to timely deliver the notice, provided
 176.27 that the contract for deed has not been executed by all parties.

176.28 (b) A prospective purchaser may cancel the purchase agreement in accordance with
 176.29 the provisions of section 559.217, subdivision 4.

176.30 (c) In the event of cancellation, the multiple seller may not impose a penalty and must
 176.31 promptly refund all payments made by the prospective purchaser prior to cancellation.

176.32 Subd. 5. **Remedies for failure to timely deliver notices.** (a) Notwithstanding
 176.33 any contrary provision in the purchase agreement or contract for deed, a purchaser has

177.1 a private right of action against a multiple seller who fails to timely deliver the notice
177.2 required under subdivision 1. The multiple seller is liable to the purchaser for:

177.3 (1) the greater of actual damages or statutory damages of \$2,500; and

177.4 (2) reasonable attorney fees and court costs.

177.5 (b) A multiple seller who knowingly fails to timely deliver the notice required
177.6 under subdivision 1 is liable to the purchaser for triple the actual or statutory damages
177.7 available under paragraph (a), whichever is greater, provided that the purchaser must elect
177.8 the remedy provided under either paragraph (a) or this paragraph and may not recover
177.9 damages under both paragraphs.

177.10 (c) The rights and remedies provided in this subdivision are cumulative to, and not
177.11 a limitation of, any other rights and remedies provided under law. An action brought
177.12 pursuant to this subdivision must be commenced within four years from the date of the
177.13 alleged violation.

177.14 Subd. 6. **Effects of violation.** A violation of this section has no effect on the
177.15 validity of the contract.

177.16 Subd. 7. **Duty of multiple seller to account.** Upon reasonable request by the
177.17 purchaser and no more than once every 12-month period, a multiple seller must provide an
177.18 accounting of all payments made pursuant to the contract for deed, the amount of interest
177.19 paid, and the amount remaining to satisfy the principal balance under the contract.

177.20 Subd. 8. **No waiver.** The provisions of this section may not be waived.

177.21 **EFFECTIVE DATE.** This section is effective August 1, 2013, and applies to
177.22 transactions in which the contract for deed and the purchase agreement for the contract
177.23 for deed, if any, were both executed on or after that date.

177.24 Sec. 9. Minnesota Statutes 2012, section 559.211, subdivision 2, is amended to read:

177.25 Subd. 2. **Remedies additional.** The remedies provided in this section are in
177.26 addition to and do not limit other rights or remedies available to purchasers or vendors of
177.27 real estate. Subject to the provisions of sections 559.213 and 559.217, subdivision 7, this
177.28 section shall not be construed to bar a court from determining the validity, effectiveness,
177.29 or consequences of proceeding under section 559.21 or 559.217, or granting other relief in
177.30 connection therewith, by reason of the failure of a purchaser to seek or obtain relief under
177.31 this section prior to the purported effective date of the termination of the contract.

177.32 Sec. 10. **2013 DISTRIBUTION ONLY.**

177.33 For the 2013 distribution, a special fund is established to receive 15.3 cents per ton
177.34 of the amount that otherwise would be distributed under Minnesota Statutes, section

178.1 298.28, subdivision 6. The following amounts are allocated to St. Louis County acting as
178.2 the fiscal agent for the recipients for the specific purposes:

178.3 (1) 5.1 cents per ton to the city of Hibbing for improvements to the city's water
178.4 supply system;

178.5 (2) 4.3 cents per ton to the city of Mountain Iron for the cost of moving utilities
178.6 required as a result of actions undertaken by United States Steel Corporation;

178.10 (5) 0.9 cents per ton to the city of Grand Rapids for an eco-friendly heat transfer
178.11 system to replace aging effluent lines.

178.12 **EFFECTIVE DATE.** This section is effective for the 2013 distribution, all of which
178.13 must be made in the August 2013 payment.

178.14 Sec. 11. **IRON RANGE RESOURCES AND REHABILITATION**
178.15 **COMMISSIONER; BONDS AUTHORIZED.**

183.24 under this chapter for any territory embracing an area or a group of two or more adjacent
183.25 areas, whether contiguous or separate, but not situated entirely within the limits of a
183.26 single municipality. The proposed sanitary district must promote the public health and
183.27 welfare by providing an adequate and efficient system and means of collecting, conveying,
183.28 pumping, treating, and disposing of domestic sewage and garbage and industrial wastes
183.29 within the district. When the chief administrative law judge or the Minnesota Pollution
183.30 Control Agency finds that there is need throughout the territory for the accomplishment
183.31 of these purposes; that these purposes can be effectively accomplished on an equitable
183.32 basis by a district if created; and that the creation and maintenance of a district will be
183.33 administratively feasible and in furtherance of the public health, safety, and welfare, the
183.34 chief administrative law judge shall make an order creating the sanitary district. A sanitary

184.1 district is administratively feasible under this section if the district has the financial and
184.2 managerial resources needed to deliver adequate and efficient sanitary sewer services
184.3 within the proposed district.

184.4 (b) Notwithstanding paragraph (a), no district shall be created within 25 miles of the

184.6 and the approval of the governing body of each and every municipality in the proposed
184.7 district by resolution filed with the chief administrative law judge.

184.8 (c) If the chief administrative law judge and the Minnesota Pollution Control Agency
184.9 disagree on the need to create a sanitary district, they must determine whether not allowing
184.10 the sanitary district formation will have a detrimental effect on the environment. If it is
184.11 determined that the sanitary district formation will prevent environmental harm, the sanitary
184.12 district creation or connection to an existing wastewater treatment system must occur.

184.13 Subd. 2. Proceeding to create sanitary district. (a) A proceeding for the creation
184.14 of a district may be initiated by a petition to the chief administrative law judge containing
184.15 the following:

184.17 (2) the name proposed for the district, to include the words "sanitary district";

184.18 (3) a legal description of the territory of the proposed district, including justification
184.19 for inclusion or exclusion for all parcels;

184.20 (4) addresses of every property owner within the proposed district boundaries as
184.21 provided by the county auditor, with certification from the county auditor; two sets of
184.22 address labels for said owners; and a list of e-mail addresses for said owners, if available;

184.23 (5) a statement showing the existence in the territory of the conditions requisite for
184.24 creation of a district as prescribed in subdivision 1;

184.25 (6) a statement of the territorial units represented by and the qualifications of the
184.26 respective signers; and

184.27 (7) the post office address of each signer, given under the signer's signature.

184.28 A petition may consist of separate writings of like effect, each signed by one or more
184.29 qualified persons, and all such writings, when filed, shall be considered together as a
184.30 single petition.

184.31 (b) Petitioners must conduct and pay for a public meeting to inform citizens of the
184.32 proposed creation of the district. At the meeting, information must be provided, including
184.33 a description of the district's proposed structure, bylaws, territory, ordinances, budget, and
184.34 charges and a description of the territory of the proposed district, including justification
184.35 for inclusion or exclusion for all parcels. Notice of the meeting must be published for two
184.36 successive weeks in a qualified newspaper, as defined under chapter 331A, published

185.1 within the territory of the proposed district or, if there is no qualified newspaper published
185.2 within the territory, in a qualified newspaper of general circulation in the territory, and
185.3 must be posted for two weeks in each territorial unit of the proposed district and on the
185.4 Web site of the proposed district, if one exists. Notice of the meeting must be mailed or
185.5 e-mailed at least three weeks prior to the meeting to all property tax billing addresses for
185.6 all parcels included in the proposed district. The following must be submitted to the chief
185.7 administrative law judge with the petition:

185.8 (1) a record of the meeting, including copies of all information provided at the
185.9 meeting;

185.10 (2) a copy of the mailing list provided by the county auditor and used to notify
185.11 property owners of the meeting;

185.12 (3) a copy of the e-mail list used to notify property owners of the meeting;

185.13 (4) the printer's affidavit of publication of public meeting notice;

185.14 (5) an affidavit of posting the public meeting notice with information on dates and
185.15 locations of posting; and

185.16 (6) the minutes or other record of the public meeting documenting that the following
185.17 topics were discussed: printer's affidavit of publication of each resolution, with a copy
185.18 of the resolution from the newspaper attached; and the affidavit of resolution posting
185.19 on the town or proposed district Web site.

185.20 (c) Every petition must be signed as follows:

185.21 (1) for each municipality wherein there is a territorial unit of the proposed district,
185.22 by an authorized officer pursuant to a resolution of the municipal governing body;

185.23 (2) for each organized town wherein there is a territorial unit of the proposed district,
185.24 by an authorized officer pursuant to a resolution of the town board;

185.25 (3) for each county wherein there is a territorial unit of the proposed district consisting
185.26 of an unorganized area, by an authorized officer pursuant to a resolution of the county
185.27 board or by at least 20 percent of the voters residing and owning land within the unit.

185.28 (d) Each resolution must be published in the official newspaper of the governing
185.29 body adopting it and becomes effective 40 days after publication, unless within said
185.30 period there shall be filed with the governing body a petition signed by qualified electors
185.31 of a territorial unit of the proposed district, equal in number to five percent of the number
185.32 of electors voting at the last preceding election of the governing body, requesting a
185.33 referendum on the resolution, in which case the resolution may not become effective until
185.34 approved by a majority of the qualified electors voting at a regular election or special
185.35 election that the governing body may call. The notice of an election and the ballot to be

186.1 used must contain the text of the resolution followed by the question: "Shall the above
186.2 resolution be approved?"

186.3 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to
186.4 the signer's landowner status as shown by the county auditor's tax assessment records,
186.5 certified by the auditor, shall be attached to or endorsed upon the petition.

186.6 (f) At any time before publication of the public notice required in subdivision 3,
186.7 additional signatures may be added to the petition or amendments of the petition may
186.8 be made to correct or remedy any error or defect in signature or otherwise except a
186.9 material error or defect in the description of the territory of the proposed district. If the
186.10 qualifications of any signer of a petition are challenged, the chief administrative law judge
186.11 shall determine the challenge forthwith on the allegations of the petition, the county
186.12 auditor's certificate of land ownership, and such other evidence as may be received.

186.13 Subd. 3. **Notice of intent to create sanitary district.** (a) Upon receipt of a petition
186.14 and the record of the public meeting required under subdivision 2, the chief administrative
186.15 law judge shall publish a notice of intent to create the proposed sanitary district in the State
186.16 Register and mail or e-mail information of that publication to each property owner in the
186.17 affected territory at the owner's address as given by the county auditor. The information
186.18 must state the date that the notice will appear in the State Register and give the Web site

186.21 (2) describe the territory affected by the petition;

186.22 (3) allow 30 days for submission of written comments on the petition;

186.23 (4) state that a person who objects to the petition may submit a written request for
186.24 hearing to the chief administrative law judge within 30 days of the publication of the
186.25 notice in the State Register; and

186.26 (5) state that if a timely request for hearing is not received, the chief administrative
186.27 law judge may make a decision on the petition.

186.28 (b) If 50 or more individual timely requests for hearing are received, the chief
186.29 administrative law judge must hold a hearing on the petition according to the contested
186.30 case provisions of chapter 14. The sanitary district proposers are responsible for paying all
186.31 costs involved in publicizing and holding a hearing on the petition.

186.32 Subd. 4. **Hearing time, place.** If a hearing is required pursuant to subdivision 3, the
186.33 chief administrative law judge shall designate a time and place for a hearing according

186.35 Subd. 5. **Relevant factors.** (a) In arriving at a decision, the chief administrative law
186.36 judge shall consider the following factors:

187.3 (3) alternatives for managing the public health impacts;

187.4 (4) equities of the petition proposal;

187.5 (5) contours of the petition proposal; and

187.6 (6) public notification of and interaction on the petition proposal.

187.7 (b) Based on the factors in paragraph (a), the chief administrative law judge may
187.8 order the sanitary district creation on finding that:

187.9 (1) the proposed district is administratively feasible;

187.10 (2) the proposed district provides a long-term, equitable solution to pollution
187.11 problems affecting public health, safety, and welfare;

187.12 (3) property owners within the proposed district were provided notice of the
187.13 proposed district and opportunity to comment on the petition proposal; and

187.14 (4) the petition complied with the requirements of all applicable statutes and rules
187.15 pertaining to sanitary district creation.

187.16 (c) The chief administrative law judge may alter the boundaries of the proposed
187.17 sanitary district by increasing or decreasing the area to be included or may exclude
187.18 property that may be better served by another unit of government. The chief administrative
187.19 law judge may also alter the boundaries of the proposed district so as to follow visible,
187.20 clearly recognizable physical features for municipal boundaries.

187.21 (d) The chief administrative law judge may deny sanitary district creation if the area,
187.22 or a part thereof, would be better served by an alternative method.

187.23 (e) In all cases, the chief administrative law judge shall set forth the factors that are
187.24 the basis for the decision.

187.25 Subd. 6. **Findings; order.** After the public notice period or the public hearing, if
187.26 required under subdivision 3, and based on the petition, any public comments received,
187.27 and, if a hearing was held, the hearing record, the chief administrative law judge shall
187.28 make findings of fact and conclusions determining whether the conditions requisite for the
187.29 creation of a district exist in the territory described in the petition. If the chief administrative
187.30 law judge finds that the conditions exist, the judge may make an order creating a district
187.31 for the territory described in that petition under the name proposed in the petition or such
187.32 other name, including the words "sanitary district," as the judge deems appropriate.

187.33 Subd. 7. **Denial of petition.** If the chief administrative law judge, after conclusion
187.34 of the public notice period or holding a hearing, if required, determines that the creation of
187.35 a district in the territory described in the petition is not warranted, the judge shall make
187.36 an order denying the petition. The chief administrative law judge shall give notice of the

188.1 denial by mail or e-mail to each signer of the petition. No petition for the creation of a
188.2 district consisting of the same territory shall be entertained within a year after the date of
188.3 an order under this subdivision. Nothing in this subdivision precludes action on a petition
188.4 for the creation of a district embracing part of the territory with or without other territory.

188.5 Subd. 8. **Notice of order creating sanitary district.** The chief administrative law
188.6 judge shall publish a notice in the State Register of the final order creating a sanitary
188.7 district, referring to the date of the order and describing the territory of the district, and
188.8 shall mail or e-mail information of the publication to each property owner in the affected
188.9 territory at the owner's address as given by the county auditor. The information must state
188.10 the date that the notice will appear in the State Register and give the Web site location
188.11 for the State Register. The notice must:

188.12 (1) describe the petition for creation of the district;
188.13 (2) describe the territory affected by the petition; and
188.14 (3) state that a certified copy of the order shall be delivered to the secretary of state
188.15 for filing ten days after public notice of the order in the State Register.

188.16 Subd. 9. **Filing.** Ten days after public notice of the order in the State Register, the
188.17 chief administrative law judge shall deliver a certified copy of the order to the secretary
188.18 of state for filing. Thereupon, the creation of the district is deemed complete, and it
188.19 shall be conclusively presumed that all requirements of law relating thereto have been
188.20 complied with. The chief administrative law judge shall also transmit a certified copy of
188.21 the order for filing to the county auditor of each county and the clerk or recorder of each
188.22 municipality and organized town wherein any part of the territory of the district is situated
188.23 and to the secretary of the district board when elected.

188.24 Sec. 7. **[442A.05] SANITARY DISTRICT ANNEXATION.**

188.25 Subdivision 1. **Annexation.** (a) A sanitary district annexation may occur under
188.26 this chapter for any area adjacent to an existing district upon a petition to the chief
188.27 administrative law judge stating the grounds therefor as provided in this section.

188.28 (b) The proposed annexation area must embrace an area or a group of two or more
188.29 adjacent areas, whether contiguous or separate, but not situated entirely within the limits
188.30 of a single municipality. The proposed annexation must promote public health and
188.31 welfare by providing an adequate and efficient system and means of collecting, conveying,
188.32 pumping, treating, and disposing of domestic sewage and garbage and industrial wastes
188.33 within the district. When the chief administrative law judge or the Minnesota Pollution
188.34 Control Agency finds that there is need throughout the territory for the accomplishment of
188.35 these purposes, that these purposes can be effectively accomplished on an equitable basis

189.1 by annexation to a district, and that the creation and maintenance of such annexation will
 189.2 be administratively feasible and in furtherance of the public health, safety, and welfare,
 189.3 the chief administrative law judge shall make an order for sanitary district annexation. An
 189.4 annexation is administratively feasible under this section if the district has the financial
 189.5 and managerial resources needed to deliver adequate and efficient sanitary sewer services
 189.6 within the proposed annexation.

189.7 (c) Notwithstanding paragraph (b), no annexation to a district shall be approved
 189.8 within 25 miles of the boundary of any city of the first class without the approval
 189.9 of the governing body thereof and the approval of the governing body of each and
 189.10 every municipality in the proposed annexation area by resolution filed with the chief
 189.11 administrative law judge.

189.12 (d) If the chief administrative law judge and the Minnesota Pollution Control Agency
 189.13 disagree on the need for a sanitary district annexation, they must determine whether not
 189.14 allowing the sanitary district annexation will have a detrimental effect on the environment.
 189.15 If it is determined that the sanitary district annexation will prevent environmental harm,
 189.16 the sanitary district annexation or connection to an existing wastewater treatment system
 189.17 must occur.

189.18 Subd. 2. **Proceeding for annexation.** (a) A proceeding for sanitary district
 189.19 annexation may be initiated by a petition to the chief administrative law judge containing
 189.20 the following:

189.21 (1) a request for proposed annexation to a sanitary district;

189.22 (2) a legal description of the territory of the proposed annexation, including
 189.23 justification for inclusion or exclusion for all parcels;

189.24 (3) addresses of every property owner within the existing sanitary district and
 189.25 proposed annexation area boundaries as provided by the county auditor, with certification
 189.26 from the county auditor; two sets of address labels for said owners; and a list of e-mail
 189.27 addresses for said owners, if available;

189.28 (4) a statement showing the existence in such territory of the conditions requisite
 189.29 for annexation to a district as prescribed in subdivision 1;

189.30 (5) a statement of the territorial units represented by and qualifications of the
 189.31 respective signers; and

189.32 (6) the post office address of each signer, given under the signer's signature.

189.33 A petition may consist of separate writings of like effect, each signed by one or more
 189.34 qualified persons, and all such writings, when filed, shall be considered together as a
 189.35 single petition.

190.1 (b) Petitioners must conduct and pay for a public meeting to inform citizens of the
190.2 proposed annexation to a sanitary district. At the meeting, information must be provided,
190.3 including a description of the existing sanitary district's structure, bylaws, territory,
190.4 ordinances, budget, and charges; a description of the existing sanitary district's territory;
190.5 and a description of the territory of the proposed annexation area, including justification
190.6 for inclusion or exclusion for all parcels for the annexation area. Notice of the meeting
190.7 must be published for two successive weeks in a qualified newspaper, as defined under
190.8 chapter 331A, published within the territories of the existing sanitary district and proposed
190.9 annexation area or, if there is no qualified newspaper published within those territories, in
190.10 a qualified newspaper of general circulation in the territories, and must be posted for two
190.11 weeks in each territorial unit of the existing sanitary district and proposed annexation area
190.12 and on the Web site of the existing sanitary district, if one exists. Notice of the meeting
190.13 must be mailed or e-mailed at least three weeks prior to the meeting to all property tax
190.14 billing addresses for all parcels included in the existing sanitary district and proposed
190.15 annexation area. The following must be submitted to the chief administrative law judge
190.16 with the petition:

190.17 (1) a record of the meeting, including copies of all information provided at the
190.18 meeting;

190.19 (2) a copy of the mailing list provided by the county auditor and used to notify
190.20 property owners of the meeting;

190.21 (3) a copy of the e-mail list used to notify property owners of the meeting;

190.22 (4) the printer's affidavit of publication of the public meeting notice;

190.23 (5) an affidavit of posting the public meeting notice with information on dates and
190.24 locations of posting; and

190.25 (6) the minutes or other record of the public meeting documenting that the following
190.26 topics were discussed: printer's affidavit of publication of each resolution, with copy
190.27 of resolution from newspaper attached; and affidavit of resolution posting on town or
190.28 existing sanitary district Web site.

190.29 (c) Every petition must be signed as follows:

190.30 (1) by an authorized officer of the existing sanitary district pursuant to a resolution
190.31 of the board;

190.32 (2) for each municipality wherein there is a territorial unit of the proposed annexation
190.33 area, by an authorized officer pursuant to a resolution of the municipal governing body;

190.34 (3) for each organized town wherein there is a territorial unit of the proposed
190.35 annexation area, by an authorized officer pursuant to a resolution of the town board; and

191.1 (4) for each county wherein there is a territorial unit of the proposed annexation area
 191.2 consisting of an unorganized area, by an authorized officer pursuant to a resolution of the
 191.3 county board or by at least 20 percent of the voters residing and owning land within the unit.

191.4 (d) Each resolution must be published in the official newspaper of the governing
 191.5 body adopting it and becomes effective 40 days after publication, unless within said
 191.6 period there shall be filed with the governing body a petition signed by qualified electors
 191.7 of a territorial unit of the proposed annexation area, equal in number to five percent of the
 191.8 number of electors voting at the last preceding election of the governing body, requesting
 191.9 a referendum on the resolution, in which case the resolution may not become effective
 191.10 until approved by a majority of the qualified electors voting at a regular election or special
 191.11 election that the governing body may call. The notice of an election and the ballot to be
 191.12 used must contain the text of the resolution followed by the question: "Shall the above
 191.13 resolution be approved?"

191.14 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to
 191.15 the signer's landowner status as shown by the county auditor's tax assessment records,
 191.16 certified by the auditor, shall be attached to or endorsed upon the petition.

191.17 (f) At any time before publication of the public notice required in subdivision 4,
 191.18 additional signatures may be added to the petition or amendments of the petition may be
 191.19 made to correct or remedy any error or defect in signature or otherwise except a material
 191.20 error or defect in the description of the territory of the proposed annexation area. If the
 191.21 qualifications of any signer of a petition are challenged, the chief administrative law judge
 191.22 shall determine the challenge forthwith on the allegations of the petition, the county
 191.23 auditor's certificate of land ownership, and such other evidence as may be received.

191.24 Subd. 3. **Joint petition.** Different areas may be annexed to a district in a single
 191.25 proceeding upon a joint petition therefor and upon compliance with the provisions of
 191.26 subdivisions 1 and 2 with respect to the area affected so far as applicable.

191.27 Subd. 4. **Notice of intent for sanitary district annexation.** (a) Upon receipt
 191.28 of a petition and the record of public meeting required under subdivision 2, the chief
 191.29 administrative law judge shall publish a notice of intent for sanitary district annexation
 191.30 in the State Register and mail or e-mail information of the publication to each property
 191.31 owner in the affected territory at the owner's address as given by the county auditor. The
 191.32 information must state the date that the notice will appear in the State Register and give
 191.33 the Web site location for the State Register. The notice must:

191.34 (1) describe the petition for sanitary district annexation;

191.35 (2) describe the territory affected by the petition;

191.36 (3) allow 30 days for submission of written comments on the petition;

192.1 (4) state that a person who objects to the petition may submit a written request for
192.2 hearing to the chief administrative law judge within 30 days of the publication of the
192.3 notice in the State Register; and

192.4 (5) state that if a timely request for hearing is not received, the chief administrative
192.5 law judge may make a decision on the petition.

192.6 (b) If 50 or more individual timely requests for hearing are received, the chief
192.7 administrative law judge must hold a hearing on the petition according to the contested case
192.8 provisions of chapter 14. The sanitary district or annexation area proposers are responsible
192.9 for paying all costs involved in publicizing and holding a hearing on the petition.

192.10 Subd. 5. **Hearing time, place.** If a hearing is required under subdivision 4, the
192.11 chief administrative law judge shall designate a time and place for a hearing according
192.12 to section 442A.13.

192.13 Subd. 6. **Relevant factors.** (a) In arriving at a decision, the chief administrative law
192.14 judge shall consider the following factors:

192.15 (1) administrative feasibility under subdivision 1, paragraph (b);

192.16 (2) public health, safety, and welfare impacts;

192.17 (3) alternatives for managing the public health impacts;

192.18 (4) equities of the petition proposal;

192.19 (5) contours of the petition proposal; and

192.20 (6) public notification of and interaction on the petition proposal.

192.21 (b) Based upon these factors, the chief administrative law judge may order the
192.22 annexation to the sanitary district on finding that:

192.23 (1) the sanitary district is knowledgeable and experienced in delivering sanitary sewer
192.24 services to ratepayers and has provided quality service in a fair and cost-effective manner;

192.25 (2) the proposed annexation provides a long-term, equitable solution to pollution
192.26 problems affecting public health, safety, and welfare;

192.27 (3) property owners within the existing sanitary district and proposed annexation
192.28 area were provided notice of the proposed district and opportunity to comment on the
192.29 petition proposal; and

192.30 (4) the petition complied with the requirements of all applicable statutes and rules
192.31 pertaining to sanitary district annexation.

192.32 (c) The chief administrative law judge may alter the boundaries of the proposed
192.33 annexation area by increasing or decreasing the area to be included or may exclude
192.34 property that may be better served by another unit of government. The chief administrative
192.35 law judge may also alter the boundaries of the proposed annexation area so as to follow
192.36 visible, clearly recognizable physical features for municipal boundaries.

193.1 (d) The chief administrative law judge may deny sanitary district annexation if the
193.2 area, or a part thereof, would be better served by an alternative method.

193.3 (e) In all cases, the chief administrative law judge shall set forth the factors that are
193.4 the basis for the decision.

193.5 Subd. 7. **Findings; order.** (a) After the public notice period or the public hearing, if
193.6 required under subdivision 4, and based on the petition, any public comments received,
193.7 and, if a hearing was held, the hearing record, the chief administrative law judge shall
193.8 make findings of fact and conclusions determining whether the conditions requisite for
193.9 the sanitary district annexation exist in the territory described in the petition. If the chief
193.10 administrative law judge finds that conditions exist, the judge may make an order for
193.11 sanitary district annexation for the territory described in the petition.

193.12 (b) All taxable property within the annexed area shall be subject to taxation for
193.13 any existing bonded indebtedness or other indebtedness of the district for the cost of
193.14 acquisition, construction, or improvement of any disposal system or other works or
193.15 facilities beneficial to the annexed area to such extent as the chief administrative law judge
193.16 may determine to be just and equitable, to be specified in the order for annexation. The
193.17 proper officers shall levy further taxes on such property accordingly.

193.18 Subd. 8. **Denial of petition.** If the chief administrative law judge, after conclusion
193.19 of the public notice period or holding a hearing, if required, determines that the sanitary
193.20 district annexation in the territory described in the petition is not warranted, the judge shall
193.21 make an order denying the petition. The chief administrative law judge shall give notice
193.22 of the denial by mail or e-mail to each signer of the petition. No petition for a sanitary
193.23 district annexation consisting of the same territory shall be entertained within a year
193.24 after the date of an order under this subdivision. Nothing in this subdivision precludes
193.25 action on a petition for a sanitary district annexation embracing part of the territory with
193.26 or without other territory.

193.27 Subd. 9. **Notice of order for sanitary district annexation.** The chief administrative
193.28 law judge shall publish in the State Register a notice of the final order for sanitary district
193.29 annexation, referring to the date of the order and describing the territory of the annexation
193.30 area, and shall mail or e-mail information of the publication to each property owner in the
193.31 affected territory at the owner's address as given by the county auditor. The information
193.32 must state the date that the notice will appear in the State Register and give the Web site
193.33 location for the State Register. The notice must:

193.34 (1) describe the petition for annexation to the district;

193.35 (2) describe the territory affected by the petition; and

194.1 (3) state that a certified copy of the order shall be delivered to the secretary of state
 194.2 for filing ten days after public notice of the order in the State Register.

194.3 Subd. 10. **Filing.** Ten days after public notice of the order in the State Register, the
 194.4 chief administrative law judge shall deliver a certified copy of the order to the secretary
 194.5 of state for filing. Thereupon, the sanitary district annexation is deemed complete, and it
 194.6 shall be conclusively presumed that all requirements of law relating thereto have been
 194.7 complied with. The chief administrative law judge shall also transmit a certified copy of
 194.8 the order for filing to the county auditor of each county and the clerk or recorder of each
 194.9 municipality and organized town wherein any part of the territory of the district, including
 194.10 the newly annexed area, is situated and to the secretary of the district board.

194.11 Sec. 8. **[442A.06] SANITARY DISTRICT DETACHMENT.**

194.12 Subdivision 1. **Detachment.** (a) A sanitary district detachment may occur under this
 194.13 chapter for any area within an existing district upon a petition to the chief administrative
 194.14 law judge stating the grounds therefor as provided in this section.

194.15 (b) The proposed detachment must not have any negative environmental impact
 194.16 on the proposed detachment area.

194.17 (c) If the chief administrative law judge and the Minnesota Pollution Control
 194.18 Agency disagree on the need for a sanitary district detachment, they must determine
 194.19 whether not allowing the sanitary district detachment will have a detrimental effect on
 194.20 the environment. If it is determined that the sanitary district detachment will cause
 194.21 environmental harm, the sanitary district detachment is not allowed unless the detached
 194.22 area is immediately connected to an existing wastewater treatment system.

194.23 Subd. 2. **Proceeding for detachment.** (a) A proceeding for sanitary district
 194.24 detachment may be initiated by a petition to the chief administrative law judge containing
 194.25 the following:

194.26 (1) a request for proposed detachment from a sanitary district;

194.27 (2) a statement that the requisite conditions for inclusion in a district no longer exist
 194.28 in the proposed detachment area;

194.29 (3) a legal description of the territory of the proposed detachment, including
 194.30 justification for inclusion or exclusion for all parcels;

194.31 (4) addresses of every property owner within the sanitary district and proposed
 194.32 detachment area boundaries as provided by the county auditor, with certification from the
 194.33 county auditor; two sets of address labels for said owners; and a list of e-mail addresses
 194.34 for said owners, if available;

195.1 (5) a statement of the territorial units represented by and qualifications of the
195.2 respective signers; and

195.3 (6) the post office address of each signer, given under the signer's signature.

195.4 A petition may consist of separate writings of like effect, each signed by one or more
195.5 qualified persons, and all such writings, when filed, shall be considered together as a
195.6 single petition.

195.7 (b) Petitioners must conduct and pay for a public meeting to inform citizens of
195.8 the proposed detachment from a sanitary district. At the meeting, information must be
195.9 provided, including a description of the existing district's territory and a description of the
195.10 territory of the proposed detachment area, including justification for inclusion or exclusion
195.11 for all parcels for the detachment area. Notice of the meeting must be published for two
195.12 successive weeks in a qualified newspaper, as defined under chapter 331A, published
195.13 within the territories of the existing sanitary district and proposed detachment area or, if
195.14 there is no qualified newspaper published within those territories, in a qualified newspaper
195.15 of general circulation in the territories, and must be posted for two weeks in each territorial
195.16 unit of the existing sanitary district and proposed detachment area and on the Web site
195.17 of the existing sanitary district, if one exists. Notice of the meeting must be mailed or
195.18 e-mailed at least three weeks prior to the meeting to all property tax billing addresses for
195.19 all parcels included in the sanitary district. The following must be submitted to the chief
195.20 administrative law judge with the petition:

195.21 (1) a record of the meeting, including copies of all information provided at the
195.22 meeting;

195.23 (2) a copy of the mailing list provided by the county auditor and used to notify
195.24 property owners of the meeting;

195.25 (3) a copy of the e-mail list used to notify property owners of the meeting;

195.26 (4) the printer's affidavit of publication of public meeting notice;

195.27 (5) an affidavit of posting the public meeting notice with information on dates and
195.28 locations of posting; and

195.29 (6) minutes or other record of the public meeting documenting that the following
195.30 topics were discussed: printer's affidavit of publication of each resolution, with copy
195.31 of resolution from newspaper attached; and affidavit of resolution posting on town or
195.32 existing sanitary district Web site.

195.33 (c) Every petition must be signed as follows:

195.34 (1) by an authorized officer of the existing sanitary district pursuant to a resolution
195.35 of the board;

196.1 (2) for each municipality wherein there is a territorial unit of the proposed detachment
196.2 area, by an authorized officer pursuant to a resolution of the municipal governing body;

196.3 (3) for each organized town wherein there is a territorial unit of the proposed
196.4 detachment area, by an authorized officer pursuant to a resolution of the town board; and

196.5 (4) for each county wherein there is a territorial unit of the proposed detachment area
196.6 consisting of an unorganized area, by an authorized officer pursuant to a resolution of the
196.7 county board or by at least 20 percent of the voters residing and owning land within the unit.

196.8 (d) Each resolution must be published in the official newspaper of the governing
196.9 body adopting it and becomes effective 40 days after publication, unless within said period
196.10 there shall be filed with the governing body a petition signed by qualified electors of a
196.11 territorial unit of the proposed detachment area, equal in number to five percent of the
196.12 number of electors voting at the last preceding election of the governing body, requesting
196.13 a referendum on the resolution, in which case the resolution may not become effective
196.14 until approved by a majority of the qualified electors voting at a regular election or special
196.15 election that the governing body may call. The notice of an election and the ballot to be
196.16 used must contain the text of the resolution followed by the question: "Shall the above
196.17 resolution be approved?"

196.18 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to
196.19 the signer's landowner status as shown by the county auditor's tax assessment records,
196.20 certified by the auditor, shall be attached to or endorsed upon the petition.

196.21 (f) At any time before publication of the public notice required in subdivision 4,
196.22 additional signatures may be added to the petition or amendments of the petition may be
196.23 made to correct or remedy any error or defect in signature or otherwise except a material
196.24 error or defect in the description of the territory of the proposed detachment area. If the
196.25 qualifications of any signer of a petition are challenged, the chief administrative law judge
196.26 shall determine the challenge forthwith on the allegations of the petition, the county
196.27 auditor's certificate of land ownership, and such other evidence as may be received.

196.28 Subd. 3. **Joint petition.** Different areas may be detached from a district in a single
196.29 proceeding upon a joint petition therefor and upon compliance with the provisions of
196.30 subdivisions 1 and 2 with respect to the area affected so far as applicable.

196.31 Subd. 4. **Notice of intent for sanitary district detachment.** (a) Upon receipt
196.32 of a petition and record of public meeting required under subdivision 2, the chief
196.33 administrative law judge shall publish a notice of intent for sanitary district detachment
196.34 in the State Register and mail or e-mail information of the publication to each property
196.35 owner in the affected territory at the owner's address as given by the county auditor. The

197.1 information must state the date that the notice will appear in the State Register and give
 197.2 the Web site location for the State Register. The notice must:

197.3 (1) describe the petition for sanitary district detachment;

197.4 (2) describe the territory affected by the petition;

197.5 (3) allow 30 days for submission of written comments on the petition;

197.6 (4) state that a person who objects to the petition may submit a written request for
 197.7 hearing to the chief administrative law judge within 30 days of the publication of the
 197.8 notice in the State Register; and

197.9 (5) state that if a timely request for hearing is not received, the chief administrative
 197.10 law judge may make a decision on the petition.

197.11 (b) If 50 or more individual timely requests for hearing are received, the chief
 197.12 administrative law judge must hold a hearing on the petition according to the contested case
 197.13 provisions of chapter 14. The sanitary district or detachment area proposers are responsible
 197.14 for paying all costs involved in publicizing and holding a hearing on the petition.

197.15 Subd. 5. **Hearing time, place.** If a hearing is required under subdivision 4, the
 197.16 chief administrative law judge shall designate a time and place for a hearing according
 197.17 to section 442A.13.

197.18 Subd. 6. **Relevant factors.** (a) In arriving at a decision, the chief administrative law
 197.19 judge shall consider the following factors:

197.20 (1) public health, safety, and welfare impacts for the proposed detachment area;

197.21 (2) alternatives for managing the public health impacts for the proposed detachment
 197.22 area;

197.23 (3) equities of the petition proposal;

197.24 (4) contours of the petition proposal; and

197.25 (5) public notification of and interaction on the petition proposal.

197.26 (b) Based upon these factors, the chief administrative law judge may order the
 197.27 detachment from the sanitary district on finding that:

197.28 (1) the proposed detachment area has adequate alternatives for managing public
 197.29 health impacts due to the detachment;

197.30 (2) the proposed detachment area is not necessary for the district to provide a
 197.31 long-term, equitable solution to pollution problems affecting public health, safety, and
 197.32 welfare;

197.33 (3) property owners within the existing sanitary district and proposed detachment
 197.34 area were provided notice of the proposed detachment and opportunity to comment on
 197.35 the petition proposal; and

198.1 (4) the petition complied with the requirements of all applicable statutes and rules
198.2 pertaining to sanitary district detachment.

198.3 (c) The chief administrative law judge may alter the boundaries of the proposed
198.4 detachment area by increasing or decreasing the area to be included or may exclude
198.5 property that may be better served by another unit of government. The chief administrative
198.6 law judge may also alter the boundaries of the proposed detachment area so as to follow
198.7 visible, clearly recognizable physical features for municipal boundaries.

198.8 (d) The chief administrative law judge may deny sanitary district detachment if the
198.9 area, or a part thereof, would be better served by an alternative method.

198.10 (e) In all cases, the chief administrative law judge shall set forth the factors that are
198.11 the basis for the decision.

198.12 Subd. 7. **Findings; order.** (a) After the public notice period or the public hearing, if
198.13 required under subdivision 4, and based on the petition, any public comments received,
198.14 and, if a hearing was held, the hearing record, the chief administrative law judge shall
198.15 make findings of fact and conclusions determining whether the conditions requisite for
198.16 the sanitary district detachment exist in the territory described in the petition. If the chief
198.17 administrative law judge finds that conditions exist, the judge may make an order for
198.18 sanitary district detachment for the territory described in the petition.

198.19 (b) All taxable property within the detached area shall remain subject to taxation
198.20 for any existing bonded indebtedness of the district to such extent as it would have been
198.21 subject thereto if not detached and shall also remain subject to taxation for any other
198.22 existing indebtedness of the district incurred for any purpose beneficial to such area to
198.23 such extent as the chief administrative law judge may determine to be just and equitable,
198.24 to be specified in the order for detachment. The proper officers shall levy further taxes on
198.25 such property accordingly.

198.26 Subd. 8. **Denial of petition.** If the chief administrative law judge, after conclusion
198.27 of the public notice period or holding a hearing, if required, determines that the sanitary
198.28 district detachment in the territory described in the petition is not warranted, the judge
198.29 shall make an order denying the petition. The chief administrative law judge shall give
198.30 notice of the denial by mail or e-mail to each signer of the petition. No petition for a
198.31 detachment from a district consisting of the same territory shall be entertained within a
198.32 year after the date of an order under this subdivision. Nothing in this subdivision precludes
198.33 action on a petition for a detachment from a district embracing part of the territory with
198.34 or without other territory.

198.35 Subd. 9. **Notice of order for sanitary district detachment.** The chief
198.36 administrative law judge shall publish in the State Register a notice of the final order

199.1 for sanitary district detachment, referring to the date of the order and describing the
 199.2 territory of the detached area and shall mail or e-mail information of the publication
 199.3 to each property owner in the affected territory at the owner's address as given by the
 199.4 county auditor. The information must state the date that the notice will appear in the State
 199.5 Register and give the Web site location for the State Register. The notice must:

- 199.6 (1) describe the petition for detachment from the district;
 199.7 (2) describe the territory affected by the petition; and
 199.8 (3) state that a certified copy of the order shall be delivered to the secretary of state
 199.9 for filing ten days after public notice of the order in the State Register.

199.10 Subd. 10. **Filing.** Ten days after public notice of the order in the State Register, the
 199.11 chief administrative law judge shall deliver a certified copy of the order to the secretary of
 199.12 state for filing. Thereupon, the sanitary district detachment is deemed complete, and it
 199.13 shall be conclusively presumed that all requirements of law relating thereto have been
 199.14 complied with. The chief administrative law judge shall also transmit a certified copy of
 199.15 the order for filing to the county auditor of each county and the clerk or recorder of each
 199.16 municipality and organized town wherein any part of the territory of the district, including
 199.17 the newly detached area, is situated and to the secretary of the district board.

199.18 Sec. 9. **[442A.07] SANITARY DISTRICT DISSOLUTION.**

199.19 Subdivision 1. **Dissolution.** (a) An existing sanitary district may be dissolved under
 199.20 this chapter upon a petition to the chief administrative law judge stating the grounds
 199.21 therefor as provided in this section.

199.22 (b) The proposed dissolution must not have any negative environmental impact on
 199.23 the existing sanitary district area.

199.24 (c) If the chief administrative law judge and the Minnesota Pollution Control
 199.25 Agency disagree on the need to dissolve a sanitary district, they must determine whether
 199.26 not dissolving the sanitary district will have a detrimental effect on the environment. If
 199.27 it is determined that the sanitary district dissolution will cause environmental harm, the
 199.28 sanitary district dissolution is not allowed unless the existing sanitary district area is
 199.29 immediately connected to an existing wastewater treatment system.

199.30 Subd. 2. **Proceeding for dissolution.** (a) A proceeding for sanitary district
 199.31 dissolution may be initiated by a petition to the chief administrative law judge containing
 199.32 the following:

- 199.33 (1) a request for proposed sanitary district dissolution;
 199.34 (2) a statement that the requisite conditions for a sanitary district no longer exist
 199.35 in the district area;

- 200.1 (3) a proposal for distribution of the remaining funds of the district, if any, among
200.2 the related governmental subdivisions;
200.3 (4) a legal description of the territory of the proposed dissolution;
200.4 (5) addresses of every property owner within the sanitary district boundaries as
200.5 provided by the county auditor, with certification from the county auditor; two sets of
200.6 address labels for said owners; and a list of e-mail addresses for said owners, if available;
200.7 (6) a statement of the territorial units represented by and the qualifications of the
200.8 respective signers; and
200.9 (7) the post office address of each signer, given under the signer's signature.

200.10 A petition may consist of separate writings of like effect, each signed by one or more
200.11 qualified persons, and all such writings, when filed, shall be considered together as a
200.12 single petition.

200.13 (b) Petitioners must conduct and pay for a public meeting to inform citizens of the
200.14 proposed dissolution of a sanitary district. At the meeting, information must be provided,
200.15 including a description of the existing district's territory. Notice of the meeting must be
200.16 published for two successive weeks in a qualified newspaper, as defined under chapter
200.17 331A, published within the territory of the sanitary district or, if there is no qualified
200.18 newspaper published within that territory, in a qualified newspaper of general circulation
200.19 in the territory and must be posted for two weeks in each territorial unit of the sanitary
200.20 district and on the Web site of the existing sanitary district, if one exists. Notice of the
200.21 meeting must be mailed or e-mailed at least three weeks prior to the meeting to all property
200.22 tax billing addresses for all parcels included in the sanitary district. The following must be
200.23 submitted to the chief administrative law judge with the petition:

200.24 (1) a record of the meeting, including copies of all information provided at the
200.25 meeting;

200.26 (2) a copy of the mailing list provided by the county auditor and used to notify
200.27 property owners of the meeting;

200.28 (3) a copy of the e-mail list used to notify property owners of the meeting;

200.29 (4) the printer's affidavit of publication of public meeting notice;

200.30 (5) an affidavit of posting the public meeting notice with information on dates and
200.31 locations of posting; and

200.32 (6) minutes or other record of the public meeting documenting that the following
200.33 topics were discussed: printer's affidavit of publication of each resolution, with copy
200.34 of resolution from newspaper attached; and affidavit of resolution posting on town or
200.35 existing sanitary district Web site.

200.36 (c) Every petition must be signed as follows:

201.1 (1) by an authorized officer of the existing sanitary district pursuant to a resolution
201.2 of the board;

201.3 (2) for each municipality wherein there is a territorial unit of the existing sanitary
201.4 district, by an authorized officer pursuant to a resolution of the municipal governing body;

201.5 (3) for each organized town wherein there is a territorial unit of the existing sanitary
201.6 district, by an authorized officer pursuant to a resolution of the town board; and

201.7 (4) for each county wherein there is a territorial unit of the existing sanitary district
201.8 consisting of an unorganized area, by an authorized officer pursuant to a resolution of the
201.9 county board or by at least 20 percent of the voters residing and owning land within the unit.

201.10 (d) Each resolution must be published in the official newspaper of the governing body
201.11 adopting it and becomes effective 40 days after publication, unless within said period there
201.12 shall be filed with the governing body a petition signed by qualified electors of a territorial
201.13 unit of the district, equal in number to five percent of the number of electors voting at the
201.14 last preceding election of the governing body, requesting a referendum on the resolution,
201.15 in which case the resolution may not become effective until approved by a majority of the
201.16 qualified electors voting at a regular election or special election that the governing body
201.17 may call. The notice of an election and the ballot to be used must contain the text of the
201.18 resolution followed by the question: "Shall the above resolution be approved?"

201.19 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to
201.20 the signer's landowner status as shown by the county auditor's tax assessment records,
201.21 certified by the auditor, shall be attached to or endorsed upon the petition.

201.22 (f) At any time before publication of the public notice required in subdivision 3,
201.23 additional signatures may be added to the petition or amendments of the petition may be
201.24 made to correct or remedy any error or defect in signature or otherwise except a material
201.25 error or defect in the description of the territory of the proposed dissolution area. If the
201.26 qualifications of any signer of a petition are challenged, the chief administrative law judge
201.27 shall determine the challenge forthwith on the allegations of the petition, the county
201.28 auditor's certificate of land ownership, and such other evidence as may be received.

201.29 **Subd. 3. Notice of intent for sanitary district dissolution.** (a) Upon receipt
201.30 of a petition and record of the public meeting required under subdivision 2, the chief
201.31 administrative law judge shall publish a notice of intent of sanitary district dissolution
201.32 in the State Register and mail or e-mail information of the publication to each property
201.33 owner in the affected territory at the owner's address as given by the county auditor. The
201.34 information must state the date that the notice will appear in the State Register and give
201.35 the Web site location for the State Register. The notice must:

201.36 (1) describe the petition for sanitary district dissolution;

202.1 (2) describe the territory affected by the petition;
202.2 (3) allow 30 days for submission of written comments on the petition;
202.3 (4) state that a person who objects to the petition may submit a written request for
202.4 hearing to the chief administrative law judge within 30 days of the publication of the
202.5 notice in the State Register; and

202.6 (5) state that if a timely request for hearing is not received, the chief administrative
202.7 law judge may make a decision on the petition.

202.8 (b) If 50 or more individual timely requests for hearing are received, the chief
202.9 administrative law judge must hold a hearing on the petition according to the contested
202.10 case provisions of chapter 14. The sanitary district dissolution proposers are responsible
202.11 for paying all costs involved in publicizing and holding a hearing on the petition.

202.12 Subd. 4. **Hearing time, place.** If a hearing is required under subdivision 3, the
202.13 chief administrative law judge shall designate a time and place for a hearing according
202.14 to section 442A.13.

202.15 Subd. 5. **Relevant factors.** (a) In arriving at a decision, the chief administrative law
202.16 judge shall consider the following factors:

202.17 (1) public health, safety, and welfare impacts for the proposed dissolution;
202.18 (2) alternatives for managing the public health impacts for the proposed dissolution;
202.19 (3) equities of the petition proposal;
202.20 (4) contours of the petition proposal; and
202.21 (5) public notification of and interaction on the petition proposal.

202.22 (b) Based upon these factors, the chief administrative law judge may order the
202.23 dissolution of the sanitary district on finding that:

202.24 (1) the proposed dissolution area has adequate alternatives for managing public
202.25 health impacts due to the dissolution;

202.26 (2) the sanitary district is not necessary to provide a long-term, equitable solution to
202.27 pollution problems affecting public health, safety, and welfare;

202.28 (3) property owners within the sanitary district were provided notice of the proposed
202.29 dissolution and opportunity to comment on the petition proposal; and

202.30 (4) the petition complied with the requirements of all applicable statutes and rules
202.31 pertaining to sanitary district dissolution.

202.32 (c) The chief administrative law judge may alter the boundaries of the proposed
202.33 dissolution area by increasing or decreasing the area to be included or may exclude
202.34 property that may be better served by another unit of government. The chief administrative
202.35 law judge may also alter the boundaries of the proposed dissolution area so as to follow
202.36 visible, clearly recognizable physical features for municipal boundaries.

203.1 (d) The chief administrative law judge may deny sanitary district dissolution if the
203.2 area, or a part thereof, would be better served by an alternative method.

203.3 (e) In all cases, the chief administrative law judge shall set forth the factors that are
203.4 the basis for the decision.

203.5 Subd. 6. **Findings; order.** (a) After the public notice period or the public hearing, if
203.6 required under subdivision 3, and based on the petition, any public comments received,
203.7 and, if a hearing was held, the hearing record, the chief administrative law judge shall
203.8 make findings of fact and conclusions determining whether the conditions requisite for
203.9 the sanitary district dissolution exist in the territory described in the petition. If the chief
203.10 administrative law judge finds that conditions exist, the judge may make an order for
203.11 sanitary district dissolution for the territory described in the petition.

203.12 (b) If the chief administrative law judge determines that the conditions requisite for
203.13 the creation of the district no longer exist therein, that all indebtedness of the district has
203.14 been paid, and that all property of the district except funds has been disposed of, the judge
203.15 may make an order dissolving the district and directing the distribution of its remaining
203.16 funds, if any, among the related governmental subdivisions on such basis as the chief
203.17 administrative law judge determines to be just and equitable, to be specified in the order.

203.18 Subd. 7. **Denial of petition.** If the chief administrative law judge, after conclusion
203.19 of the public notice period or holding a hearing, if required, determines that the sanitary
203.20 district dissolution in the territory described in the petition is not warranted, the judge
203.21 shall make an order denying the petition. The chief administrative law judge shall give
203.22 notice of the denial by mail or e-mail to each signer of the petition. No petition for the
203.23 dissolution of a district consisting of the same territory shall be entertained within a year
203.24 after the date of an order under this subdivision.

203.25 Subd. 8. **Notice of order for sanitary district dissolution.** The chief administrative
203.26 law judge shall publish in the State Register a notice of the final order for sanitary
203.27 district dissolution, referring to the date of the order and describing the territory of the
203.28 dissolved district and shall mail or e-mail information of the publication to each property
203.29 owner in the affected territory at the owner's address as given by the county auditor. The
203.30 information must state the date that the notice will appear in the State Register and give
203.31 the Web site location of the State Register. The notice must:

203.32 (1) describe the petition for dissolution of the district;

203.33 (2) describe the territory affected by the petition; and

203.34 (3) state that a certified copy of the order shall be delivered to the secretary of state
203.35 for filing ten days after public notice of the order in the State Register.

204.1 Subd. 9. **Filing.** (a) Ten days after public notice of the order in the State Register,
204.2 the chief administrative law judge shall deliver a certified copy of the order to the secretary
204.3 of state for filing. Thereupon, the sanitary district dissolution is deemed complete, and it
204.4 shall be conclusively presumed that all requirements of law relating thereto have been
204.5 complied with. The chief administrative law judge shall also transmit a certified copy of
204.6 the order for filing to the county auditor of each county and the clerk or recorder of each
204.7 municipality and organized town wherein any part of the territory of the dissolved district
204.8 is situated and to the secretary of the district board.

204.9 (b) The chief administrative law judge shall also transmit a certified copy of the order
204.10 to the treasurer of the district, who must thereupon distribute the remaining funds of the
204.11 district as directed by the order and who is responsible for the funds until so distributed.

204.12 **Sec. 10. [442A.08] JOINT PUBLIC INFORMATIONAL MEETING.**

204.13 There must be a joint public informational meeting of the local governments of any
204.14 proposed sanitary district creation, annexation, detachment, or dissolution. The joint public
204.15 informational meeting must be held after the final mediation meeting or the final meeting
204.16 held according to section 442A.02, subdivision 8, if any, and before the hearing on the
204.17 matter is held. If no mediation meetings are held, the joint public informational meeting
204.18 must be held after the initiating documents have been filed and before the hearing on the
204.19 matter. The time, date, and place of the public informational meeting must be determined
204.20 jointly by the local governments in the proposed creation, annexation, detachment, or
204.21 dissolution areas and by the sanitary district, if one exists. The chair of the sanitary district,
204.22 if one exists, and the responsible official for one of the local governments represented at
204.23 the meeting must serve as the co-chairs for the informational meeting. Notice of the time,
204.24 date, place, and purpose of the informational meeting must be posted by the sanitary
204.25 district, if one exists, and local governments in designated places for posting notices. The
204.26 sanitary district, if one exists, and represented local governments must also publish, at their
204.27 own expense, notice in their respective official newspapers. If the same official newspaper
204.28 is used by multiple local government representatives or the sanitary district, a joint notice
204.29 may be published and the costs evenly divided. All notice required by this section must
204.30 be provided at least ten days before the date for the public informational meeting. At the
204.31 public informational meeting, all persons appearing must have an opportunity to be heard,
204.32 but the co-chairs may, by mutual agreement, establish the amount of time allowed for each
204.33 speaker. The sanitary district board, the local government representatives, and any resident
204.34 or affected property owner may be represented by counsel and may place into the record of
204.35 the informational meeting documents, expert opinions, or other materials supporting their

205.1 positions on issues raised by the proposed proceeding. The secretary of the sanitary district,
 205.2 if one exists, or a person appointed by the chair must record minutes of the proceedings of
 205.3 the informational meeting and must make an audio recording of the informational meeting.
 205.4 The sanitary district, if one exists, or a person appointed by the chair must provide the
 205.5 chief administrative law judge and the represented local governments with a copy of the
 205.6 printed minutes and must provide the chief administrative law judge and the represented
 205.7 local governments with a copy of the audio recording. The record of the informational
 205.8 meeting for a proceeding under section 442A.04, 442A.05, 442A.06, or 442A.07 is
 205.9 admissible in any proceeding under this chapter and shall be taken into consideration by
 205.10 the chief administrative law judge or the chief administrative law judge's designee.

205.11 Sec. 11. **[442A.09] ANNEXATION BY ORDER OF POLLUTION CONTROL**
 205.12 **AGENCY.**

205.13 Subdivision 1. **Annexation by ordinance alternative.** If a determination or order
 205.14 by the Minnesota Pollution Control Agency under section 115.49 or other similar statute is
 205.15 made that cooperation by contract is necessary and feasible between a sanitary district and
 205.16 an unincorporated area located outside the existing corporate limits of the sanitary district,
 205.17 the sanitary district required to provide or extend through a contract a governmental
 205.18 service to an unincorporated area, during the statutory 90-day period provided in section
 205.19 115.49 to formulate a contract, may in the alternative to formulating a service contract to
 205.20 provide or extend the service, declare the unincorporated area described in the Minnesota
 205.21 Pollution Control Agency's determination letter or order annexed to the sanitary district by
 205.22 adopting an ordinance and submitting it to the chief administrative law judge.

205.23 Subd. 2. **Chief administrative law judge's role.** The chief administrative law
 205.24 judge may review and comment on the ordinance but shall approve the ordinance within
 205.25 30 days of receipt. The ordinance is final and the annexation is effective on the date the
 205.26 chief administrative law judge approves the ordinance.

205.27 Sec. 12. **[442A.10] PETITIONERS TO PAY EXPENSES.**

205.28 Expenses of the preparation and submission of petitions in the proceedings under
 205.29 sections 442A.04 to 442A.09 shall be paid by the petitioners. Notwithstanding section
 205.30 16A.1283, the Office of Administrative Hearings may adopt rules according to section
 205.31 14.386 to establish fees necessary to support the preparation and submission of petitions
 205.32 in proceedings under sections 442A.04 to 442A.09. The fees collected by the Office of
 205.33 Administrative Hearings shall be deposited in the environmental fund.

205.34 **EFFECTIVE DATE.** This section is effective the day following final enactment.

206.1 Sec. 13. **[442A.11] TIME LIMITS FOR ORDERS; APPEALS.**

206.2 Subdivision 1. Orders; time limit. All orders in proceedings under this chapter
206.3 shall be issued within one year from the date of the first hearing thereon, provided that
206.4 the time may be extended for a fixed additional period upon consent of all parties of
206.5 record. Failure to so order shall be deemed to be an order denying the matter. An appeal
206.6 may be taken from such failure to so order in the same manner as an appeal from an
206.7 order as provided in subdivision 2.

206.8 Subd. 2. Grounds for appeal. (a) Any person aggrieved by an order issued under
206.9 this chapter may appeal to the district court upon the following grounds:

206.10 (1) the order was issued without jurisdiction to act;

206.11 (2) the order exceeded the jurisdiction of the presiding administrative law judge;

206.12 (3) the order was arbitrary, fraudulent, capricious, or oppressive or in unreasonable
206.13 disregard of the best interests of the territory affected; or

206.14 (4) the order was based upon an erroneous theory of law.

206.15 (b) The appeal must be taken in the district court in the county in which the majority
206.16 of the area affected is located. The appeal does not stay the effect of the order. All notices
206.17 and other documents must be served on both the chief administrative law judge and the
206.18 attorney general's assistant assigned to the chief administrative law judge for purposes
206.19 of this chapter.

206.20 (c) If the court determines that the action involved is unlawful or unreasonable or is
206.21 not warranted by the evidence in case an issue of fact is involved, the court may vacate or
206.22 suspend the action involved, in whole or in part, as the case requires. The matter shall then
206.23 be remanded for further action in conformity with the decision of the court.

206.24 (d) To render a review of an order effectual, the aggrieved person shall file with the
206.25 court administrator of the district court of the county in which the majority of the area is
206.26 located, within 30 days of the order, an application for review together with the grounds
206.27 upon which the review is sought.

206.28 (e) An appeal lies from the district court as in other civil cases.

206.29 Sec. 14. **[442A.12] CHIEF ADMINISTRATIVE LAW JUDGE MAY APPEAL**
206.30 **FROM DISTRICT COURT.**

206.31 An appeal may be taken under the Rules of Civil Appellate Procedure by the chief
206.32 administrative law judge from a final order or judgment made or rendered by the district
206.33 court when the chief administrative law judge determines that the final order or judgment
206.34 adversely affects the public interest.

207.1 Sec. 15. **[442A.13] UNIFORM PROCEDURES.**

207.2 Subdivision 1. **Hearings.** (a) Proceedings initiated by the submission of an initiating
207.3 document or by the chief administrative law judge shall come on for hearing within 30 to
207.4 60 days from receipt of the document by the chief administrative law judge or from the
207.5 date of the chief administrative law judge's action and the person conducting the hearing
207.6 must submit an order no later than one year from the date of the first hearing.

207.7 (b) The place of the hearing shall be in the county where a majority of the affected
207.8 territory is situated, and shall be established for the convenience of the parties.

207.9 (c) The chief administrative law judge shall mail notice of the hearing to the
207.10 following parties: the sanitary district; any township or municipality presently governing
207.11 the affected territory; any township or municipality abutting the affected territory;
207.12 the county where the affected territory is situated; and each planning agency that has
207.13 jurisdiction over the affected area.

207.14 (d) The chief administrative law judge shall see that notice of the hearing is published
207.15 for two successive weeks in a legal newspaper of general circulation in the affected area.

207.16 (e) When the chief administrative law judge exercises authority to change the
207.17 boundaries of the affected area so as to increase the quantity of land, the hearing shall
207.18 be recessed and reconvened upon two weeks' published notice in a legal newspaper of
207.19 general circulation in the affected area.

207.20 Subd. 2. **Transmittal of order.** The chief administrative law judge shall see that
207.21 copies of the order are mailed to all parties entitled to mailed notice of hearing under
207.22 subdivision 1, individual property owners if initiated in that manner, and any other party
207.23 of record.

207.24 Sec. 16. **[442A.14] DISTRICT BOARD OF MANAGERS.**

207.25 Subdivision 1. **Composition.** The governing body of each district shall be a board
207.26 of managers of five members, who shall be voters residing in the district and who may
207.27 but need not be officers, members of governing bodies, or employees of the related
207.28 governmental subdivisions, except that when there are more than five territorial units in
207.29 a district, there must be one board member for each unit.

207.30 Subd. 2. **Terms.** The terms of the first board members elected after creation of a
207.31 district shall be so arranged and determined by the electing body as to expire on the first
207.32 business day in January as follows:

207.33 (1) the terms of two members in the second calendar year after the year in which
207.34 they were elected;

208.1 (2) the terms of two other members in the third calendar year after the year in which
208.2 they were elected; and

208.3 (3) the term of the remaining member in the fourth calendar year after the year in
208.4 which the member was elected. In case a board has more than five members, the additional
208.5 members shall be assigned to the groups under clauses (1) to (3) to equalize the groups as
208.6 far as practicable. Thereafter, board members shall be elected successively for regular
208.7 terms beginning upon expiration of the preceding terms and expiring on the first business
208.8 day in January of the third calendar year thereafter. Each board member serves until
208.9 a successor is elected and has qualified.

208.10 Subd. 3. **Election of board.** In a district having only one territorial unit, all the
208.11 members of the board shall be elected by the related governing body. In a district having
208.12 more than one territorial unit, the members of the board shall be elected by the members
208.13 of the related governing bodies in joint session except as otherwise provided. The electing
208.14 bodies concerned shall meet and elect the first board members of a new district as soon
208.15 as practicable after creation of the district and shall meet and elect board members for
208.16 succeeding regular terms as soon as practicable after November 1 next preceding the
208.17 beginning of the terms to be filled, respectively.

208.18 Subd. 4. **Central related governing body.** Upon the creation of a district
208.19 having more than one territorial unit, the chief administrative law judge, on the basis of
208.20 convenience for joint meeting purposes, shall designate one of the related governing
208.21 bodies as the central related governing body in the order creating the district or in a
208.22 subsequent special order, of which the chief administrative law judge shall notify the
208.23 clerks or recorders of all the related governing bodies. Upon receipt of the notification,
208.24 the clerk or recorder of the central related governing body shall immediately transmit the
208.25 notification to the presiding officer of the body. The officer shall thereupon call a joint
208.26 meeting of the members of all the related governing bodies to elect board members, to
208.27 be held at such time as the officer shall fix at the regular meeting place of the officer's
208.28 governing body or at such other place in the district as the officer shall determine. The
208.29 clerk or recorder of the body must give at least ten days' notice of the meeting by mail to
208.30 the clerks or recorders of all the other related governing bodies, who shall immediately
208.31 transmit the notice to all the members of the related governing bodies, respectively.
208.32 Subsequent joint meetings to elect board members for regular terms must be called and
208.33 held in like manner. The presiding officer and the clerk or recorder of the central related
208.34 governing body shall act respectively as chair and secretary of the joint electing body at
208.35 any meeting thereof, but in case of the absence or disability of either of them, the body

209.1 may elect a temporary substitute. A majority of the members of each related governing
209.2 body is required for a quorum at any meeting of the joint electing body.

209.3 Subd. 5. **Nominations.** Nominations for board members may be made by petitions,
209.4 each signed by ten or more voters residing and owning land in the district, filed with the
209.5 clerk, recorder, or secretary of the electing body before the election meeting. No person
209.6 shall sign more than one petition. The electing body shall give due consideration to all
209.7 nominations but is not limited thereto.

209.8 Subd. 6. **Election; single governing body.** In the case of an electing body
209.9 consisting of a single related governing body, a majority vote of all members is required
209.10 for an election. In the case of a joint electing body, a majority vote of members present is
209.11 required for an election. In case of lack of a quorum or failure to elect, a meeting of an
209.12 electing body may be adjourned to a stated time and place without further notice.

209.13 Subd. 7. **Election; multiple governing bodies.** In any district having more than
209.14 one territorial unit, the related governing bodies, instead of meeting in joint session, may
209.15 elect a board member by resolutions adopted by all of them separately, concurring in the
209.16 election of the same person. A majority vote of all members of each related governing
209.17 body is required for the adoption of any such resolution. The clerks or recorders of the
209.18 other related governing bodies shall transmit certified copies of the resolutions to the clerk
209.19 or recorder of the central related governing body. Upon receipt of concurring resolutions
209.20 from all the related governing bodies, the presiding officer and clerk or recorder of the
209.21 central related governing body shall certify the results and furnish certificates of election
209.22 as provided for a joint meeting.

209.23 Subd. 8. **Vacancies.** Any vacancy in the membership of a board must be filled for
209.24 the unexpired term in like manner as provided for the regular election of board members.

209.25 Subd. 9. **Certification of election; temporary chair.** The presiding and recording
209.26 officers of the electing body shall certify the results of each election to the county auditor
209.27 of each county wherein any part of the district is situated and to the clerk or recorder of
209.28 each related governing body and shall make and transmit to each board member elected
209.29 a certificate of the board member's election. Upon electing the first board members of a
209.30 district, the presiding officer of the electing body shall designate a member to serve as
209.31 temporary chair for purposes of initial organization of the board, and the recording
209.32 officer of the body shall include written notice thereof to all the board members with
209.33 their certificates of election.

209.34 Sec. 17. **[442A.15] BOARD ORGANIZATION AND PROCEDURES.**

210.1 Subdivision 1. **Initial, annual meetings.** As soon as practicable after the election
210.2 of the first board members of a district, the board shall meet at the call of the temporary
210.3 chair to elect officers and take other appropriate action for organization and administration
210.4 of the district. Each board shall hold a regular annual meeting at the call of the chair or
210.5 otherwise as the board prescribes on or as soon as practicable after the first business day in
210.6 January of each year and such other regular and special meetings as the board prescribes.

210.7 Subd. 2. **Officers.** The officers of each district shall be a chair and a vice-chair,
210.8 who shall be members of the board, and a secretary and a treasurer, who may but need
210.9 not be members of the board. The board of a new district at its initial meeting or as soon
210.10 thereafter as practicable shall elect the officers to serve until the first business day in
210.11 January next following. Thereafter, the board shall elect the officers at each regular annual
210.12 meeting for terms expiring on the first business day in January next following. Each
210.13 officer serves until a successor is elected and has qualified.

210.14 Subd. 3. **Meeting place; offices.** The board at its initial meeting or as soon
210.15 thereafter as practicable shall provide for suitable places for board meetings and for offices
210.16 of the district officers and may change the same thereafter as the board deems advisable.
210.17 The meeting place and offices may be the same as those of any related governing body,
210.18 with the approval of the body. The secretary of the board shall notify the secretary of state,
210.19 the county auditor of each county wherein any part of the district is situated, and the clerk
210.20 or recorder of each related governing body of the locations and post office addresses of the
210.21 meeting place and offices and any changes therein.

210.22 Subd. 4. **Budget.** At any time before the proceeds of the first tax levy in a district
210.23 become available, the district board may prepare a budget comprising an estimate of the
210.24 expenses of organizing and administering the district until the proceeds are available, with
210.25 a proposal for apportionment of the estimated amount among the related governmental
210.26 subdivisions, and may request the governing bodies thereof to advance funds according to
210.27 the proposal. The governing bodies may authorize advancement of the requested amounts,
210.28 or such part thereof as they respectively deem proper, from any funds available in their
210.29 respective treasuries. The board shall include in its first tax levy after receipt of any such
210.30 advancements a sufficient sum to cover the same and shall cause the same to be repaid,
210.31 without interest, from the proceeds of taxes as soon as received.

210.32 **Sec. 18. [442A.16] DISTRICT STATUS AND POWERS.**

210.33 Subdivision 1. **Status.** Every district shall be a public corporation and a governmental
210.34 subdivision of the state and shall be deemed to be a municipality or municipal corporation
210.35 for the purpose of obtaining federal or state grants or loans or otherwise complying with

211.1 any provision of federal or state law or for any other purpose relating to the powers and
 211.2 purposes of the district for which such status is now or hereafter required by law.

211.3 Subd. 2. **Powers and purpose.** Every district shall have the powers and purposes
 211.4 prescribed by this chapter and such others as may now or hereafter be prescribed by law.
 211.5 No express grant of power or enumeration of powers herein shall be deemed to limit the
 211.6 generality or scope of any grant of power.

211.7 Subd. 3. **Scope of powers and duties.** Except as otherwise provided, a power or
 211.8 duty vested in or imposed upon a district or any of its officers, agents, or employees shall
 211.9 not be deemed exclusive and shall not supersede or abridge any power or duty vested in or
 211.10 imposed upon any other agency of the state or any governmental subdivision thereof, but
 211.11 shall be supplementary thereto.

211.12 Subd. 4. **Exercise of power.** All the powers of a district shall be exercised by its
 211.13 board of managers except so far as approval of any action by popular vote or by any other
 211.14 authority may be expressly required by law.

211.15 Subd. 5. **Lawsuits; contracts.** A district may sue and be sued and may enter into
 211.16 any contract necessary or proper for the exercise of its powers or the accomplishment
 211.17 of its purposes.

211.18 Subd. 6. **Property acquisition.** A district may acquire by purchase, gift, or
 211.19 condemnation or may lease or rent any real or personal property within or without the
 211.20 district that may be necessary for the exercise of district powers or the accomplishment of
 211.21 district purposes, may hold the property for such purposes, and may lease, rent out, sell, or
 211.22 otherwise dispose of any property not needed for such purposes.

211.23 Subd. 7. **Acceptance of money or property.** A district may accept gifts, grants,
 211.24 or loans of money or other property from the United States, the state, or any person,
 211.25 corporation, or other entity for district purposes; may enter into any agreement required in
 211.26 connection therewith; and may hold, use, and dispose of the money or property according
 211.27 to the terms of the gift, grant, loan, or agreement relating thereto.

211.28 **Sec. 19. [442A.17] SPECIFIC PURPOSES AND POWERS.**

211.29 Subdivision 1. **Pollution prevention.** A district may construct, install, improve,

 211.31 required to control and prevent pollution of any waters of the state within its territory.

211.32 Subd. 2. **Sewage disposal.** A district may construct, install, improve, maintain,
 211.33 and operate any system, works, or facilities within or without the district required to
 211.34 provide for, regulate, and control the disposal of sewage, industrial waste, and other waste
 211.35 originating within its territory. The district may require any person upon whose premises

212.1 there is any source of sewage, industrial waste, or other waste within the district to
212.2 connect the premises with the disposal system, works, or facilities of the district whenever
212.3 reasonable opportunity therefor is provided.

212.5 maintain, and operate any system, works, or facilities within or without the district required
212.6 to provide for, regulate, and control the disposal of garbage or refuse originating within the
212.7 district. The district may require any person upon whose premises any garbage or refuse is
212.8 produced or accumulated to dispose of the garbage or refuse through the system, works, or
212.9 facilities of the district whenever reasonable opportunity therefor is provided.

212.10 Subd. 4. **Water supply.** A district may procure supplies of water necessary for any
212.11 purpose under subdivisions 1 to 3 and may construct, install, improve, maintain, and
212.12 operate any system, works, or facilities required therefor within or without the district.

212.13 Subd. 5. **Roads.** (a) To maintain the integrity of and facilitate access to district
212.14 systems, works, or facilities, the district may maintain and repair a road by agreement with
212.15 the entity that was responsible for the performance of maintenance and repair immediately
212.16 prior to the agreement. Maintenance and repair includes but is not limited to providing
212.17 lighting, snow removal, and grass mowing.

212.18 (b) A district shall establish a taxing subdistrict of benefited property and shall levy
212.19 special taxes, pursuant to section 442A.24, subdivision 2, for the purposes of paying the
212.20 cost of improvement or maintenance of a road under paragraph (a).

212.21 (c) For purposes of this subdivision, a district shall not be construed as a road
212.22 authority under chapter 160.

212.23 (d) The district and its officers and employees are exempt from liability for any tort
212.24 claim for injury to person or property arising from travel on a road maintained by the
212.25 district and related to the road's maintenance or condition.

212.26 Sec. 20. **[442A.18] DISTRICT PROJECTS AND FACILITIES.**

212.27 Subdivision 1. **Public property.** For the purpose of constructing, improving,
212.28 maintaining, or operating any system, works, or facilities designed or used for any purpose
212.29 under section 442A.17, a district, its officers, agents, employees, and contractors may enter,
212.30 occupy, excavate, and otherwise operate in, upon, under, through, or along any public
212.31 highway, including a state trunk highway, or any street, park, or other public grounds so
212.32 far as necessary for such work, with the approval of the governing body or other authority
212.33 in charge of the public property affected and on such terms as may be agreed upon with the
212.34 governing body or authority respecting interference with public use, restoration of previous
212.35 conditions, compensation for damages, and other pertinent matters. If an agreement cannot

213.1 be reached after reasonable opportunity therefor, the district may acquire the necessary
213.2 rights, easements, or other interests in the public property by condemnation, subject to all
213.3 applicable provisions of law as in case of taking private property, upon condition that the
213.4 court shall determine that there is paramount public necessity for the acquisition.

213.5 Subd. 2. **Use of other systems.** A district may, upon such terms as may be
213.6 agreed upon with the respective governing bodies or authorities concerned, provide for
213.7 connecting with or using; lease; or acquire and take over any system, works, or facilities
213.8 for any purpose under section 442A.17 belonging to any other governmental subdivision
213.9 or other public agency.

213.10 Subd. 3. **Use by other governmental bodies.** A district may, upon such terms
213.11 as may be agreed upon with the respective governing bodies or authorities concerned,
213.12 authorize the use by any other governmental subdivision or other public agency of any
213.13 system, works, or facilities of the district constructed for any purpose under section
213.14 442A.17 so far as the capacity thereof is sufficient beyond the needs of the district. A
213.15 district may extend any such system, works, or facilities and permit the use thereof by
213.16 persons outside the district, so far as the capacity thereof is sufficient beyond the needs of
213.17 the district, upon such terms as the board may prescribe.

213.18 Subd. 4. **Joint projects.** A district may be a party to a joint cooperative project,
213.19 undertaking, or enterprise with one or more other governmental subdivisions or other
213.20 public agencies for any purpose under section 442A.17 upon such terms as may be
213.21 agreed upon between the governing bodies or authorities concerned. Without limiting the
213.22 effect of the foregoing provision or any other provision of this chapter, a district, with
213.23 respect to any of said purposes, may act under and be subject to section 471.59, or any
213.24 other appropriate law providing for joint or cooperative action between governmental
213.25 subdivisions or other public agencies.

213.28 cesspools, septic tanks, toilets, and other facilities and devices for the reception or disposal
213.29 of human or animal excreta or other domestic wastes within its territory so far as necessary
213.30 to prevent nuisances or pollution or to protect the public health, safety, and welfare
213.31 and may prohibit the use of any such facilities or devices not connected with a district
213.32 disposal system, works, or facilities whenever reasonable opportunity for such connection
213.33 is provided; provided, that the authority of a district under this section does not extend
213.34 or apply to the construction, maintenance, operation, or use by any person other than the

214.1 district of any disposal system or part thereof within the district under and in accordance
 214.2 with a valid and existing permit issued by the Minnesota Pollution Control Agency.

214.3 Sec. 22. **[442A.20] DISTRICT PROGRAMS, SURVEYS, AND STUDIES.**

214.4 A district may develop general programs and particular projects within the scope of
 214.5 its powers and purposes and may make all surveys, studies, and investigations necessary
 214.6 for the programs and projects.

214.7 Sec. 23. **[442A.21] GENERAL AND MUNICIPALITY POWERS.**

214.8 A district may do and perform all other acts and things necessary or proper for the
 214.9 effectuation of its powers and the accomplishment of its purposes. Without limiting the
 214.10 effect of the foregoing provision or any other provision of this chapter, a district, with
 214.11 respect to each and all of said powers and purposes, shall have like powers as are vested
 214.12 in municipalities with respect to any similar purposes. The exercise of such powers by a
 214.13 district and all matters pertaining thereto are governed by the law relating to the exercise
 214.14 of similar powers by municipalities and matters pertaining thereto, so far as applicable,
 214.15 with like force and effect, except as otherwise provided.

214.16 Sec. 24. **[442A.22] ADVISORY COMMITTEE.**

214.17 A district board of managers may appoint an advisory committee with membership
 214.18 and duties as the board prescribes.

214.19 Sec. 25. **[442A.23] BOARD POWERS.**

214.20 Subdivision 1. **Generally.** The board of managers of every district shall have charge
 214.21 and control of all the funds, property, and affairs of the district. With respect thereto, the
 214.22 board has the same powers and duties as are provided by law for a municipality with respect
 214.23 to similar municipal matters, except as otherwise provided. Except as otherwise provided,
 214.24 the chair, vice-chair, secretary, and treasurer of the district have the same powers and duties,
 214.25 respectively, as the mayor, acting mayor, clerk, and treasurer of a municipality. Except as
 214.26 otherwise provided, the exercise of the powers and the performance of the duties of the
 214.27 board and officers of the district and all other activities, transactions, and procedures of the
 214.28 district or any of its officers, agents, or employees, respectively, are governed by the law
 214.29 relating to similar matters in a municipality, so far as applicable, with like force and effect.

214.30 Subd. 2. **Regulation of district.** The board may enact ordinances, prescribe
 214.31 regulations, adopt resolutions, and take other appropriate action relating to any matter
 214.32 within the powers and purposes of the district and may do and perform all other acts and

215.1 things necessary or proper for the effectuation of said powers and the accomplishment
215.2 of said purposes. The board may provide that violation of a district ordinance is a penal
215.3 offense and may prescribe penalties for violations, not exceeding those prescribed by
215.4 law for violation of municipal ordinances.

215.5 Subd. 3. **Arrest; prosecution.** (a) Violations of district ordinances may be
215.6 prosecuted before any court having jurisdiction of misdemeanors. Any peace officer may
215.7 make arrests for violations committed anywhere within the district in the same manner as
215.8 for violations of city ordinances or for statutory misdemeanors.

215.9 (b) All fines collected shall be deposited in the treasury of the district.

215.10 Sec. 26. **[442A.24] TAX LEVIES, ASSESSMENTS, AND SERVICE CHARGES.**

215.11 Subdivision 1. **Tax levies.** The board may levy taxes for any district purpose on all
215.12 property taxable within the district.

215.13 Subd. 2. **Particular area.** In the case where a particular area within the district,
215.14 but not the entire district, is benefited by a system, works, or facilities of the district,
215.15 the board, after holding a public hearing as provided by law for levying assessments on
215.16 benefited property, shall by ordinance establish such area as a taxing subdistrict, to be
215.17 designated by number, and shall levy special taxes on all the taxable property therein, to be
215.18 accounted for separately and used only for the purpose of paying the cost of construction,
215.19 improvement, acquisition, maintenance, or operation of such system, works, or facilities,
215.20 or paying the principal and interest on bonds issued to provide funds therefor and expenses
215.21 incident thereto. The hearing may be held jointly with a hearing for the purpose of levying
215.22 assessments on benefited property within the proposed taxing subdistrict.

215.23 Subd. 3. **Benefited property.** The board shall levy assessments on benefited property
215.24 to provide funds for payment of the cost of construction, improvement, or acquisition of
215.25 any system, works, or facilities designed or used for any district purpose or for payment of
215.26 the principal of and interest on any bonds issued therefor and expenses incident thereto.

215.27 Subd. 4. **Service charges.** The board shall prescribe service, use, or rental charges
215.28 for persons or premises connecting with or making use of any system, works, or facilities
215.29 of the district; prescribe the method of payment and collection of the charges; and provide
215.30 for the collection thereof for the district by any related governmental subdivision or
215.31 other public agency on such terms as may be agreed upon with the governing body or
215.32 other authority thereof.

215.33 Sec. 27. **[442A.25] BORROWING POWERS; BONDS.**

216.1 Subdivision 1. **Borrowing power.** The board may authorize the borrowing of
 216.2 money for any district purpose and provide for the repayment thereof, subject to chapter
 216.3 475. The taxes initially levied by any district according to section 475.61 for the payment
 216.4 of district bonds, upon property within each municipality included in the district, shall be
 216.5 included in computing the levy of the municipality.

216.6 Subd. 2. **Bond issuance.** The board may authorize the issuance of bonds or
 216.7 obligations of the district to provide funds for the construction, improvement, or
 216.8 acquisition of any system, works, or facilities for any district purpose or for refunding
 216.9 any prior bonds or obligations issued for any such purpose and may pledge the full faith
 216.10 and credit of the district; the proceeds of tax levies or assessments; service, use, or
 216.11 rental charges; or any combination thereof to the payment of such bonds or obligations
 216.12 and interest thereon or expenses incident thereto. An election or vote of the people of
 216.13 the district is required to authorize the issuance of any bonds or obligations. Except as
 216.14 otherwise provided in this chapter, the forms and procedures for issuing and selling bonds
 216.15 and provisions for payment thereof must comply with chapter 475.

216.16 Sec. 28. [442A.26] FUNDS; DISTRICT TREASURY.

216.17 The proceeds of all tax levies, assessments, service, use, or rental charges, and
 216.18 other income of the district must be deposited in the district treasury and must be held
 216.19 and disposed of as the board may direct for district purposes, subject to any pledges or
 216.20 dedications made by the board for the use of particular funds for the payment of bonds,
 216.21 interest thereon, or expenses incident thereto or for other specific purposes.

216.22 Sec. 29. [442A.27] EFFECT OF DISTRICT ORDINANCES AND FACILITIES.

216.23 In any case where an ordinance is enacted or a regulation adopted by a district
 216.24 board relating to the same subject matter and applicable in the same area as an existing
 216.25 ordinance or regulation of a related governmental subdivision for the district, the district
 216.26 ordinance or regulation, to the extent of its application, supersedes the ordinance or
 216.27 regulation of the related governmental subdivision. In any case where an area within a
 216.28 district is served for any district purpose by a system, works, or facilities of the district,
 216.29 no system, works, or facilities shall be constructed, maintained, or operated for the same
 216.30 purpose in the same area by any related governmental subdivision or other public agency
 216.31 except as approved by the district board.

216.32 Sec. 30. [442A.28] APPLICATION.

217.1 This chapter does not abridge or supersede any authority of the Minnesota Pollution
217.2 Control Agency or the commissioner of health, but is subject and supplementary thereto.
217.3 Districts and members of district boards are subject to the authority of the Minnesota
217.4 Pollution Control Agency and have no power or authority to abate or control pollution that
217.5 is permitted by and in accord with any classification of waters, standards of water quality,
217.6 or permit established, fixed, or issued by the Minnesota Pollution Control Agency.

217.7 Sec. 31. **[442A.29] CHIEF ADMINISTRATIVE LAW JUDGE'S POWERS.**

217.8 Subdivision 1. **Alternative dispute resolution.** (a) Notwithstanding sections

217.10 the chief administrative law judge, upon consultation with affected parties and considering
217.11 the procedures and principles established in sections 442A.01 to 442A.28, may require
217.12 that disputes over proposed sanitary district creations, attachments, detachments, or
217.13 dissolutions be addressed in whole or in part by means of alternative dispute resolution
217.14 processes in place of, or in connection with, hearings that would otherwise be required
217.15 under sections 442A.01 to 442A.28, including those provided in chapter 14.

217.16 (b) In all proceedings, the chief administrative law judge has the authority and
217.17 responsibility to conduct hearings and issue final orders related to the hearings under
217.18 sections 442A.01 to 442A.28.

217.19 Subd. 2. **Cost of proceedings.** (a) The parties to any matter directed to alternative
217.20 dispute resolution under subdivision 1 must pay the costs of the alternative dispute
217.21 resolution process or hearing in the proportions that the parties agree to.

217.22 (b) Notwithstanding section 14.53 or other law, the Office of Administrative
217.23 Hearings is not liable for the costs.

217.24 (c) If the parties do not agree to a division of the costs before the commencement of
217.25 mediation, arbitration, or hearing, the costs must be allocated on an equitable basis by
217.26 the mediator, arbitrator, or chief administrative law judge.

217.27 (d) The chief administrative law judge may contract with the parties to a matter for
217.28 the purpose of providing administrative law judges and reporters for an administrative
217.29 proceeding or alternative dispute resolution.

217.30 (e) The chief administrative law judge shall assess the cost of services rendered by
217.31 the Office of Administrative Hearings as provided by section 14.53.

217.32 Subd. 3. **Parties.** In this section, "party" means:

217.33 (1) a property owner, group of property owners, sanitary district, municipality, or
217.34 township that files an initiating document or timely objection under this chapter;

218.1 (2) the sanitary district, municipality, or township within which the subject area
218.2 is located;

218.3 (3) a municipality abutting the subject area; and

218.4 (4) any other person, group of persons, or governmental agency residing in, owning
218.5 property in, or exercising jurisdiction over the subject area that submits a timely request
218.6 and is determined by the presiding administrative law judge to have a direct legal interest
218.7 that will be affected by the outcome of the proceeding.

218.8 Subd. 4. **Effectuation of agreements.** Matters resolved or agreed to by the parties
218.9 as a result of an alternative dispute resolution process, or otherwise, may be incorporated
218.10 into one or more stipulations for purposes of further proceedings according to the
218.11 applicable procedures and statutory criteria of this chapter.

218.12 Subd. 5. **Limitations on authority.** Nothing in this section shall be construed to
218.13 permit a sanitary district, municipality, town, or other political subdivision to take, or
218.14 agree to take, an action that is not otherwise authorized by this chapter.

90.163 PERFORMANCE DEPOSIT OPTION.

In lieu of the bond or cash deposit equal to the value of all timber covered by the permit as required by section 90.161 or 90.173, a purchaser of any state timber may pay to the commissioner a performance deposit of ten percent of the appraised value of the permit for the express purpose of entering on the land to clear building sites or logging roads in advance of cutting state timber. No cutting of state timber, except that incidental to the clearing of building sites or logging roads, is allowed until the purchaser has met all of the requirements of section 90.161 or 90.173.

90.173 PURCHASER'S OR ASSIGNEE'S CASH DEPOSIT IN LIEU OF BOND.

(a) In lieu of filing the bond required by section 90.161 or 90.171, as security for the issuance or assignment of a timber permit, the person required to file the bond may deposit with the commissioner cash; a certified check; a cashier's check; a personal check; a postal, bank, or express money order; or an irrevocable bank letter of credit in the same amount as would be required for a bond. All of the conditions of the timber sale bond shall equally apply to the alternatives in lieu of bond. In the event of a default the state may take from the deposit the sum of money to which it is entitled; the remainder, if any, shall be returned to the person making the deposit. When cash is deposited for a bond, it shall be applied to the amount due when a statement is prepared and transmitted to the permit holder pursuant to section 90.181. Any balance due to the state shall be shown on the statement and shall be paid as provided in section 90.181. Any amount of the deposit in excess of the amount determined to be due pursuant to section 90.181 shall be returned to the permit holder when a final statement is transmitted pursuant to that section. All or part of a cash bond may be withheld from application to an amount due on a nonfinal statement if it appears that the total amount due on the permit will exceed the bid price.

(b) If an irrevocable bank letter of credit is provided as security under paragraph (a), at the written request of the permittee the state shall annually allow the amount of the bank letter of credit to be reduced by an amount proportionate to the value of timber that has been harvested and for which the state has received payment under the timber permit. The remaining amount of the bank letter of credit after a reduction under this paragraph must not be less than the value of the timber remaining to be harvested under the timber permit.

(c) If cash; a certified check; a cashier's check; a personal check; or a postal, bank, or express money order is provided as security under paragraph (a) and no cutting of state timber has taken place on the permit, the commissioner may credit the security provided, less any deposit required by sections 90.14 and 90.163, to any other permit to which the permit holder requests in writing that it be credited.

90.41 STATE APPRAISER AND SCALER; VIOLATIONS, PENALTIES.

Subd. 2. **Penalty.** Every person who shall cut timber on state lands and fail to mark the same, as provided by law, and the permit under which the same was cut, shall be guilty of a gross misdemeanor.

Repealed Minnesota Statutes: 13-3012

Subd. 10. **Territorial unit.** "Territorial unit" means all that part of the territory of a district situated within a single municipality, a single organized town outside of any municipality, or, in the case of an unorganized area, within a single county.

115.19 CREATION; PURPOSE; EXCEPTIONS.

A sanitary district may be created under the provisions of sections 115.18 to 115.37 for any territory embracing an area or a group of two or more adjacent areas, whether contiguous or separate, but not situated entirely within the limits of a single municipality, for the purpose of promoting the public health and welfare by providing an adequate and efficient system and means of collecting, conveying, pumping, treating and disposing of domestic sewage and garbage and industrial wastes within the district, in any case where the agency finds that there is need throughout the territory for the accomplishment of these purposes, that these purposes can be effectively accomplished on an equitable basis by a district if created, and that the creation and maintenance of such a district will be administratively feasible and in furtherance of the public health, safety, and welfare; but subject to the following exceptions:

No district shall be created within 25 miles of the boundary of any city of the first class without the approval of the governing body thereof and the approval of the governing body of each and every municipality in the proposed district by resolution filed with the agency.

115.20 PROCEEDING TO CREATE DISTRICT.

Subdivision 1. **Petition required.** (a) A proceeding for the creation of a district may be initiated by a petition to the agency, filed with its secretary, containing the following:

- (1) a request for creation of the proposed district;
 - (2) the name proposed for the district, to include the words "sanitary district";
 - (3) a description of the territory of the proposed district;
 - (4) a statement showing the existence in such territory of the conditions requisite for creation of a district as prescribed in section 115.19;
 - (5) a statement of the territorial units represented by and the qualifications of the respective signers;
 - (6) the post office address of each signer, given under the signer's signature. A petition may consist of separate writings of like effect, each signed by one or more qualified persons, and all such writings, when filed, shall be considered together as a single petition.
- (b) A public meeting must be held to inform citizens of the proposed creation of the district. At the meeting, information must be provided, including a description of the district's proposed structure, bylaws, territory, ordinances, budget, and charges. Notice of the meeting must be published for two successive weeks in a qualified newspaper published within the territory of the proposed district or, if there is no qualified newspaper published within the territory, in a qualified newspaper of general circulation in the territory, and by posting for two weeks in each territorial unit of the proposed district. A record of the meeting must be submitted to the agency with the petition.

Subd. 2. **Signatures; publication.** Every petition shall be signed as follows:

- (1) for each municipality wherein there is a territorial unit of the proposed district, by an authorized officer or officers pursuant to a resolution of the municipal governing body;
- (2) for each organized town wherein there is a territorial unit of the proposed district, by an authorized officer or officers pursuant to a resolution of the town board;
- (3) for each county wherein there is a territorial unit of the proposed district consisting of an unorganized area, by an authorized officer or officers pursuant to a resolution of the county board, or by at least 20 percent of the voters residing and owning land within the unit.

Each resolution shall be published in the official newspaper of the governing body adopting it and shall become effective 40 days after publication, unless within said period there shall be filed with the governing body a petition signed by qualified electors of a territorial unit of the proposed district, equal in number to five percent of the number of such electors voting at the last preceding election of the governing body, requesting a referendum on the resolution, in which case the resolution may not become effective until approved by a majority of the qualified electors voting at a regular election or special election which the governing body may call. The notice of any election and the ballot to be used shall contain the text of the resolution followed by the question: "Shall the above resolution be approved?"

If any signer is alleged to be a landowner in a territorial unit, a statement as to the signer's landowner status as shown by the county auditor's tax assessment records, certified by the auditor, shall be attached to or endorsed upon the petition.

APPENDIX

Repealed Minnesota Statutes: 13-3012

Subd. 3. **Changes; errors.** At any time before publication of the public notice required in subdivision 4, or before the public hearing, if required under subdivision 4, additional signatures may be added to the petition or amendments of the petition may be made to correct or remedy any error or defect in signature or otherwise except a material error or defect in the description of the territory of the proposed district. No proceeding shall be invalidated on account of any error or defect in the petition unless questioned by an interested party before the reception of evidence begins at the hearing except a material error or defect in the description of the territory of the proposed district. If the qualifications of any signer of a petition are challenged, the agency or its agent shall determine the challenge forthwith on the allegations of the petition, the county auditor's certificate of land ownership, and such other evidence as may be received.

Subd. 4. **State Register; hearing.** (a) Upon receipt of a petition and the record of the public meeting required under subdivision 1, the agency shall publish a notice in the State Register and mail a copy to each property owner in the affected territory at the owner's address as given by the county auditor. The mailed copy must state the date that the notice will appear in the State Register. Copies need not be sent by registered mail. The notice must:

- (1) describe the petition for creation of the district;
- (2) describe the territory affected by the petition;
- (3) allow 30 days for submission of written comments on the petition;
- (4) state that a person who objects to the petition may submit a written request for hearing to the agency within 30 days of the publication of the notice in the State Register; and
- (5) state that if a timely request for hearing is not received, the agency may make a decision on the petition at a future meeting of the agency.

(b) If 25 or more timely requests for hearing are received, the agency must hold a hearing on the petition in accordance with the contested case provisions of chapter 14.

Subd. 5. **Findings; order.** After the public notice period or the public hearing, if required under subdivision 4, and based on the petition, any public comments received, and, if a hearing was held, the hearing record, the agency shall make findings of fact and conclusions determining whether or not the conditions requisite for the creation of a district exist in the territory described in the petition. If the agency finds that conditions exist, it may make an order creating a district for the territory described in the petition under the name proposed in the petition or such other name, including the words "sanitary district," as the agency deems appropriate.

Subd. 6. **Denial of petition.** If the agency, after the conclusion of the public notice period or the holding of a hearing, if required, determines that the creation of a district in the territory described in the petition is not warranted, it shall make an order denying the petition. The secretary of the agency shall give notice of such denial by mail to each signer of the petition. No petition for the creation of a district consisting of the same territory shall be entertained within a year after the date of an order, but this shall not preclude action on a petition for the creation of a district embracing part of the territory with or without other territory.

Subd. 7. **Notice of orders.** Notice of the making of every order of the agency creating a sanitary district, referring to the date of the order and describing the territory of the district, shall be given by the secretary in like manner as for notice of the hearing on the petition for creation of the district.

Subd. 8. **Appeal.** An appeal may be taken from an order of the agency creating or dissolving a district, annexing territory to or detaching territory from a district, or denying a petition for any such action, as now or hereafter provided for appeals from other orders of the agency except that the giving of notice of the order as provided in subdivision 7 shall be deemed notice thereof to all interested parties, and the time for appeal by any party shall be limited to 30 days after completion of the mailing of copies of the order or after expiration of the prescribed period of posting or publication, whichever is latest. The validity of the creation of a district shall not be otherwise questioned.

Subd. 9. **Filing.** Upon expiration of the time for appeal from an order of the agency creating a district, or, in case of an appeal, upon the taking effect of a final judgment of a court of competent jurisdiction sustaining the order, the secretary of the agency shall deliver a certified copy of the order to the secretary of state for filing. Thereupon the creation of the district shall be deemed complete, and it shall be conclusively presumed that all requirements of law relating thereto have been complied with. The secretary of the agency shall also transmit a certified copy of the order for filing to the county auditor of each county and the clerk or recorder of each municipality and organized town wherein any part of the territory of the district is situated and to the secretary of the district board when elected.

115.21 ANNEXATION, DETACHMENT, AND DISSOLUTION.

APPENDIX

Repealed Minnesota Statutes: 13-3012

Subdivision 1. **Annexation.** An area adjacent to an existing district may be annexed thereto upon a petition to the agency stating the grounds therefor as hereinafter provided, signed by an authorized officer or officers of the district pursuant to a resolution of the board, also signed with respect to the area proposed for annexation in like manner as provided for a petition for creation of a district. Except as otherwise provided, a proceeding for annexation shall be governed by the provisions now or hereafter in force relating to proceedings for the creation of districts, so far as applicable. For the purpose of giving the required notices the territory involved shall comprise the area proposed for annexation together with the entire territory of the district. If the agency determines that the requisite conditions exist in the area proposed for annexation together with the territory of the district, it may make an order for annexation accordingly. All taxable property within the annexed area shall be subject to taxation for any existing bonded indebtedness or other indebtedness of the district for the cost of acquisition, construction, or improvement of any disposal system or other works or facilities beneficial to the annexed area to such extent as the agency may determine to be just and equitable, to be specified in the order for annexation. The proper officers shall levy further taxes on such property accordingly.

Subd. 2. **Detachment.** An area within a district may be detached therefrom upon a petition to the agency stating the grounds therefor as hereinafter provided, signed by an authorized officer or officers of the district pursuant to a resolution of the board, also signed with respect to the area proposed for detachment in like manner as provided for a petition for creation of a district. Except as otherwise provided, a proceeding for detachment shall be governed by the provisions now or hereafter in force relating to proceedings for the creation of districts, so far as applicable. For the purpose of giving the required notices the territory involved shall comprise the entire territory of the district. If the agency determines that the requisite conditions for inclusion in a district no longer exist in the area proposed for detachment, it may make an order for detachment accordingly. All taxable property within the detached area shall remain subject to taxation for any existing bonded indebtedness of the district to such extent as it would have been subject thereto if not detached, and shall also remain subject to taxation for any other existing indebtedness of the district incurred for any purpose beneficial to such area to such extent as the agency may determine to be just and equitable, to be specified in the order for detachment. The proper officers shall levy further taxes on such property accordingly.

Subd. 3. **Joint petition.** Different areas may be annexed to and detached from a district in a single proceeding upon a joint petition therefor and upon compliance with the provisions of subdivisions 1 and 2 with respect to the area affected so far as applicable.

Subd. 4. **Dissolution.** A district may be dissolved upon a petition to the agency stating the grounds for dissolution as hereinafter provided, signed by an authorized officer or officers of the district pursuant to a resolution of the board, and containing a proposal for distribution of the remaining funds of the district, if any, among the related governmental subdivisions. Except as otherwise provided, a proceeding for dissolution shall be governed by the provisions now or hereafter in force relating to proceedings for the creation of districts, so far as applicable. If the commission determines that the conditions requisite for the creation of the district no longer exist therein, that all indebtedness of the district has been paid, and that all property of the district except funds has been disposed of, it may make an order dissolving the district and directing the distribution of its remaining funds, if any, among the related governmental subdivisions on such basis as the agency determines to be just and equitable, to be specified in the order. Certified copies of the order for dissolution shall be transmitted and filed as provided for an order creating a district. The secretary of the agency shall also transmit a certified copy of the order to the treasurer of the district, who shall thereupon distribute the remaining funds of the district as directed by the order, and shall be responsible for such funds until so distributed.

115.22 PETITIONERS TO PAY EXPENSES.

Expenses of the preparation and submission of petitions in proceedings under sections 115.19 to 115.21 shall be paid by the petitioners. Expenses of hearings therein shall be paid out of any available funds appropriated for the agency.

115.23 BOARD OF MANAGERS OF DISTRICT.

Subdivision 1. **Composition.** The governing body of each district shall be a board of managers of five members, who shall be voters residing in the district, and who may but need not be officers, members of governing bodies, or employees of the related governmental subdivisions, except that where there are more than five territorial units in a district there shall be one board member for each unit.

APPENDIX

Repealed Minnesota Statutes: 13-3012

Subd. 2. **Terms.** The terms of the first board members elected after creation of a district shall be so arranged and determined by the electing body as to expire on the first business day in January as follows:

(1) the terms of two members in the second calendar year after the year in which they were elected;

(2) the terms of two other members in the third calendar year after the year in which they were elected;

(3) the term of the remaining member in the fourth calendar year after the year in which the member was elected. In case a board has more than five members the additional members shall be assigned to the groups hereinbefore provided for so as to equalize such groups as far as practicable. Thereafter board members shall be elected successively for regular terms beginning on expiration of the preceding terms and expiring on the first business day in January of the third calendar year thereafter. Each board member shall serve until a successor is elected and has qualified.

Subd. 3. **Election of board.** In a district having only one territorial unit all the members of the board shall be elected by the related governing body. In a district having more than one territorial unit the members of the board shall be elected by the members of the related governing bodies in joint session except as otherwise provided. The electing bodies concerned shall meet and elect the first board members of a new district as soon as practicable after creation of the district, and shall meet and elect board members for succeeding regular terms as soon as practicable after November 1 next preceding the beginning of the terms to be filled, respectively.

Subd. 4. **Central related governing body.** Upon the creation of a district having more than one territorial unit, the agency, on the basis of convenience for joint meeting purposes, shall designate one of the related governing bodies as the central related governing body in the order creating the district or in a subsequent special order, of which the secretary of the agency shall notify the clerks or recorders of all the related governing bodies. Upon receipt of such notification, the clerk or recorder of the central related governing body shall immediately transmit the same to the presiding officer of such body. Such officer shall thereupon call a joint meeting of the members of all the related governing bodies to elect board members, to be held at such time as the officer shall fix at the regular meeting place of the officer's governing body or at such other place in the district as the officer shall determine. At least ten days' notice of the meeting shall be given by mail by the clerk or recorder of such body to the clerks or recorders of all the other related governing bodies, who shall immediately transmit such notice to all the members of such bodies, respectively. Subsequent joint meetings to elect board members for regular terms shall be called and held in like manner. The presiding officer and the clerk or recorder of the central related governing body shall act respectively as chair and secretary of the joint electing body at any meeting thereof, but in case of the absence or disability of either of them such body may elect a temporary substitute. A majority of the members of each related governing body shall be required for a quorum at any meeting of the joint electing body.

Subd. 5. **Nominations.** Nominations for board members may be made by petitions, each signed by ten or more voters residing and owning land in the district, filed with the clerk, recorder, or secretary of the electing body before the election meeting. No person shall sign more than one petition. The electing body shall give due consideration to all such nominations but shall not be limited thereto.

Subd. 6. **Election; single governing body.** In the case of an electing body consisting of a single related governing body, a majority vote of all the members shall be required for an election. In the case of a joint electing body, a majority vote of the members present shall be required for an election. In case of lack of a quorum or failure to elect, a meeting of an electing body may be adjourned to a stated time and place without further notice.

Subd. 7. **Election; multiple governing bodies.** In any district having more than one territorial unit, the related governing bodies, instead of meeting in joint session, may elect a board member by resolutions adopted by all of them separately, concurring in the election of the same person. A majority vote of all the members of each related governing body shall be required for the adoption of any such resolution. The clerks or recorders of the other related governing bodies shall transmit certified copies of such resolutions to the clerk or recorder of the central related governing body. Upon receipt of concurring resolutions from all the related governing bodies, the presiding officer and clerk or recorder of the central related governing body shall certify the results and furnish certificates of election as provided for a joint meeting.

Subd. 8. **Vacancies.** Any vacancy in the membership of a board shall be filled for the unexpired term in like manner as provided for the regular election of board members.

Subd. 9. **Certification of election; temporary chair.** The presiding and recording officers of the electing body shall certify the results of each election to the secretary of the agency, to the county auditor of each county wherein any part of the district is situated, and to the clerk or

APPENDIX

Repealed Minnesota Statutes: 13-3012

recorder of each related governing body, and shall make and transmit to each board member elected a certificate of the board member's election. Upon electing the first board members of a district, the presiding officer of the electing body shall designate one of them to serve as temporary chair for the purposes of initial organization of the board, and the recording officer of the body shall include written notice thereof to all the board members with their certificates of election.

115.24 ORGANIZATION AND PROCEDURE OF BOARD.

Subdivision 1. **Initial, annual meetings.** As soon as practicable after the election of the first board members of a district they shall meet at the call of the temporary chair to elect officers and take other appropriate action for organization and administration of the district. Each board shall hold a regular annual meeting at the call of the chair or otherwise as it shall prescribe on or as soon as practicable after the first business day in January of each year, and such other regular and special meetings as it shall prescribe.

Subd. 2. **Officers.** The officers of each district shall be a chair and a vice-chair, who shall be members of the board, and a secretary and a treasurer, who may but need not be members of the board. The board of a new district at its initial meeting or as soon thereafter as practicable shall elect the officers to serve until the first business day in January next following. Thereafter the board shall elect the officers at each regular annual meeting for terms expiring on the first business day in January next following. Each officer shall serve until a successor is elected and has qualified.

Subd. 3. **Meeting place; offices.** The board at its initial meeting or as soon thereafter as practicable shall provide for suitable places for board meetings and for offices of the district officers, and may change the same thereafter as it deems advisable. Such meeting place and offices may be the same as those of any related governing body, with the approval of such body. The secretary of the board shall notify the secretary of state, the secretary of the agency, the county auditor of each county wherein any part of the district is situated, and the clerk or recorder of each related governing body of the locations and post office addresses of such meeting place and offices and any changes therein.

Subd. 4. **Budget.** At any time before the proceeds of the first tax levy in a district become available, the district board may prepare a budget comprising an estimate of the expenses of organizing and administering the district until such proceeds are available, with a proposal for apportionment of the estimated amount among the related governmental subdivisions, and may request the governing bodies thereof to advance funds in accordance with the proposal. Such governing bodies may authorize advancement of the requested amounts, or such part thereof as they respectively deem proper, from any funds available in their respective treasuries. The board shall include in its first tax levy after receipt of any such advancements a sufficient sum to cover the same and shall cause the same to be repaid, without interest, from the proceeds of taxes as soon as received.

115.25 STATUS AND POWERS OF DISTRICT.

Subdivision 1. **Status.** Every district shall be a public corporation and a governmental subdivision of the state, and shall be deemed to be a municipality or municipal corporation for the purpose of obtaining federal or state grants or loans or otherwise complying with any provision of federal or state law or for any other purpose relating to the powers and purposes of the district for which such status is now or hereafter required by law.

Subd. 2. **Powers and purpose.** Every district shall have the powers and purposes prescribed by sections 115.18 to 115.37 and such others as may now or hereafter be prescribed by law. No express grant of power or enumeration of powers herein shall be deemed to limit the generality or scope of any grant of power.
