1.19 Subd. 2. **Education and, residence, and transportation of homeless.** (a)

1.20 Notwithstanding subdivision 1, a district must not deny free admission to a homeless

1.23 (b) The school district of residence for a homeless ~~person of school age pupil~~  
1.24 shall be the school district in which the ~~homeless shelter or other program, center, or~~

2.12 but only through the end of the academic school year. When a pupil is enrolled in a charter  
2.13 school, the district or school that provides transportation for other pupils enrolled in the  
2.14 charter school is responsible for providing transportation. When a homeless student with  
2.15 or without an individualized education program attends a school other than an independent  
2.16 or special school district or charter school, the district of residence is responsible for

10.14 (a) Minnesota Statutes 2010, section 127A.47, subdivision 2, is repealed.

10.15 (b) Minnesota Statutes 2010, section 126C.10, subdivisions 34, 35, and 36, are

10.18 **EDUCATION EXCELLENCE**

10.19 Section 1. Minnesota Statutes 2011 Supplement, section 120B.30, subdivision 1, is  
10.20 amended to read:

10.21 Subdivision 1. **Statewide testing.** (a) The commissioner, with advice from experts  
10.22 with appropriate technical qualifications and experience and stakeholders, consistent with  
10.23 subdivision 1a, shall include in the comprehensive assessment system, for each grade  
10.24 level to be tested, state-constructed tests developed from and aligned with the state's  
10.25 required academic standards under section 120B.021, include multiple choice questions,  
10.26 and be administered annually to all students in grades 3 through 8. State-developed  
10.27 high school tests aligned with the state's required academic standards under section  
10.28 120B.021 and administered to all high school students in a subject other than writing  
10.29 must include multiple choice questions. The commissioner shall establish one or more  
10.30 months during which schools shall administer the tests to students each school year.  
10.31 Schools that the commissioner identifies for stand-alone field testing or other national  
10.32 sampling must participate as directed. Superintendents or charter school directors may  
10.33 appeal in writing to the commissioner for an exemption from a field test based on undue

11.1 hardship. The commissioner's decision regarding the appeal is final. For students enrolled  
11.2 in grade 8 before the 2005-2006 school year, Minnesota basic skills tests in reading,  
11.3 mathematics, and writing shall fulfill students' basic skills testing requirements for a  
11.4 passing state notation. The passing scores of basic skills tests in reading and mathematics  
11.5 are the equivalent of 75 percent correct for students entering grade 9 based on the  
11.6 first uniform test administered in February 1998. Students who have not successfully  
11.7 passed a Minnesota basic skills test by the end of the 2011-2012 school year must pass  
11.8 the graduation-required assessments for diploma under paragraph (c), except that for  
11.9 the 2012-2013 and 2013-2014 school years only, these students may satisfy the state's  
11.10 graduation test requirement for math by complying with paragraph (d), clauses (1) and (3).

11.11 (b) The state assessment system must be aligned to the most recent revision of  
11.12 academic standards as described in section 120B.023 in the following manner:

11.13 (1) mathematics;

11.14 (i) grades 3 through 8 beginning in the 2010-2011 school year; and

11.15 (ii) high school level beginning in the 2013-2014 school year;

11.16 (2) science; grades 5 and 8 and at the high school level beginning in the 2011-2012  
11.17 school year; and

11.18 (3) language arts and reading; grades 3 through 8 and high school level beginning in  
11.19 the 2012-2013 school year.

11.20 (c) For students enrolled in grade 8 in the 2005-2006 school year and later, only the  
11.21 following options shall fulfill students' state graduation test requirements:

11.22 (1) for reading and mathematics:

11.23 (i) obtaining an achievement level equivalent to or greater than proficient as  
11.24 determined through a standard setting process on the Minnesota comprehensive  
11.25 assessments in grade 10 for reading and grade 11 for mathematics or achieving a passing  
11.26 score as determined through a standard setting process on the graduation-required  
11.27 assessment for diploma in grade 10 for reading and grade 11 for mathematics or  
11.28 subsequent retests;

11.29 (ii) achieving a passing score as determined through a standard setting process on the  
11.30 state-identified language proficiency test in reading and the mathematics test for English  
11.31 language learners or the graduation-required assessment for diploma equivalent of those  
11.32 assessments for students designated as English language learners;

11.33 (iii) achieving an individual passing score on the graduation-required assessment for  
11.34 diploma as determined by appropriate state guidelines for students with an individualized  
11.35 education program or 504 plan;

**S.F. No. 2228, as introduced - 87th Legislative Session (2011-2012) [12-4033]**

12.1 (iv) obtaining achievement level equivalent to or greater than proficient as  
12.2 determined through a standard setting process on the state-identified alternate assessment  
12.3 or assessments in grade 10 for reading and grade 11 for mathematics for students with  
12.4 an individualized education program; or

12.5 (v) achieving an individual passing score on the state-identified alternate assessment  
12.6 or assessments as determined by appropriate state guidelines for students with an  
12.7 individualized education program; and

12.8 (2) for writing:

12.9 (i) achieving a passing score on the graduation-required assessment for diploma;

12.10 (ii) achieving a passing score as determined through a standard setting process on  
12.11 the state-identified language proficiency test in writing for students designated as English  
12.12 language learners;

12.13 (iii) achieving an individual passing score on the graduation-required assessment for  
12.14 diploma as determined by appropriate state guidelines for students with an individualized  
12.15 education program or 504 plan; or

12.16 (iv) achieving an individual passing score on the state-identified alternate assessment  
12.17 or assessments as determined by appropriate state guidelines for students with an  
12.18 individualized education program.

12.19 (d) Students enrolled in grade 8 in any school year from the 2005-2006 school  
12.20 year to the 2009-2010 school year who do not pass the mathematics graduation-required  
12.21 assessment for diploma under paragraph (c) are eligible to receive a high school diploma  
12.22 if they:

12.23 (1) complete with a passing score or grade all state and local coursework and credits  
12.24 required for graduation by the school board granting the students their diploma;

12.25 (2) participate in district-prescribed academic remediation in mathematics; and

12.26 (3) fully participate in at least two retests of the mathematics GRAD test or until  
12.27 they pass the mathematics GRAD test, whichever comes first. A school, district, or charter  
12.28 school must place on the high school transcript a student's current pass status for each  
12.29 subject that has a required graduation assessment.

12.30 In addition, the school board granting the students their diplomas may formally  
12.31 decide to include a notation of high achievement on the high school diplomas of those  
12.32 graduating seniors who, according to established school board criteria, demonstrate  
12.33 exemplary academic achievement during high school.

12.34 (e) The 3rd through 8th grade and high school test results shall be available to  
12.35 districts for diagnostic purposes affecting student learning and district instruction and

13.1 curriculum, and for establishing educational accountability. The commissioner must  
13.2 disseminate to the public the high school test results upon receiving those results.

13.3 (f) The 3rd through 8th grade and high school tests must be aligned with state  
13.4 academic standards. The commissioner shall determine the testing process and the order  
13.5 of administration. The statewide results shall be aggregated at the site and district level,  
13.6 consistent with subdivision 1a.

13.7 (g) In addition to the testing and reporting requirements under this section, the  
13.8 commissioner shall include the following components in the statewide public reporting  
13.9 system:

13.10 (1) uniform statewide testing of all students in grades 3 through 8 and at the high  
13.11 school level that provides appropriate, technically sound accommodations or alternate  
13.12 assessments;

13.13 (2) educational indicators that can be aggregated and compared across school  
13.14 districts and across time on a statewide basis, including average daily attendance, high  
13.15 school graduation rates, and high school drop-out rates by age and grade level;

13.16 (3) state results on the American College Test; and

13.17 (4) state results from participation in the National Assessment of Educational  
13.18 Progress so that the state can benchmark its performance against the nation and other  
13.19 states, and, where possible, against other countries, and contribute to the national effort  
13.20 to monitor achievement.

13.21 Sec. 2. Minnesota Statutes 2010, section 124D.09, subdivision 22, is amended to read:

13.22 Subd. 22. **Transportation.** (a) A parent or guardian of a pupil enrolled in a course  
13.23 for secondary credit may apply to the pupil's district of residence for reimbursement for  
13.24 transporting the pupil between the secondary school in which the pupil is enrolled or the  
13.25 pupil's home and the postsecondary institution that the pupil attends. The state shall  
13.26 provide state aid to a district in an amount sufficient to reimburse the parent or guardian  
13.27 for the necessary transportation costs when the family's or guardian's income is at or  
13.28 below the poverty level, as determined by the federal government. The reimbursement  
13.29 shall be the pupil's actual cost of transportation or 15 cents per mile traveled, whichever  
13.30 is less. Reimbursement may not be paid for more than 250 miles per week. However,  
13.31 if the nearest postsecondary institution is more than 25 miles from the pupil's resident  
13.32 secondary school, the weekly reimbursement may not exceed the reimbursement rate per  
13.33 mile times the actual distance between the secondary school or the pupil's home and the  
13.34 nearest postsecondary institution times ten. The state must pay aid to the district according  
13.35 to this subdivision.

**S.F. No. 2228, as introduced - 87th Legislative Session (2011-2012) [12-4033]**

14.1            (b) A parent or guardian of an alternative pupil enrolled in a course for secondary  
14.2 credit may apply to the pupil's postsecondary institution for reimbursement for  
14.3 transporting the pupil between the secondary school in which the pupil is enrolled or the  
14.4 pupil's home and the postsecondary institution in an amount sufficient to reimburse the  
14.5 parent or guardian for the necessary transportation costs when the family's or guardian's  
14.6 income is at or below the poverty level, as determined by the federal government. The  
14.7 amount of the reimbursement shall be determined as in paragraph (a). The state must pay  
14.8 aid to the postsecondary institution according to this subdivision.

14.9            Sec. 3. Minnesota Statutes 2011 Supplement, section 124D.10, subdivision 1, is  
14.10 amended to read:

14.11            Subdivision 1. **Purposes.** (a) The primary purpose of this section is to:  
14.12 ~~(1)~~ improve pupil learning and student achievement; Additional purposes are to:  
14.13 ~~(2)~~ (1) increase learning opportunities for pupils;  
14.14 ~~(3)~~ (2) encourage the use of different and innovative teaching methods;  
14.15 ~~(4)~~ (3) measure learning outcomes and create different and innovative forms of  
14.16 measuring outcomes;  
14.17 ~~(5)~~ (4) establish new forms of accountability for schools; and  
14.18 ~~(6)~~ (5) create new professional opportunities for teachers, including the opportunity  
14.19 to be responsible for the learning program at the school site.

14.20            (b) This section does not provide a means to keep open a school that a school board  
14.21 decides to close. However, a school board may endorse or authorize the establishing of  
14.22 a charter school to replace the school the board decided to close. Applicants seeking a  
14.23 charter under this circumstance must demonstrate to the authorizer that the charter sought  
14.24 is substantially different in purpose and program from the school the board closed and  
14.25 that the proposed charter satisfies the requirements of this subdivision. If the school  
14.26 board that closed the school authorizes the charter, it must document in its affidavit to the  
14.27 commissioner that the charter is substantially different in program and purpose from  
14.28 the school it closed.

14.29            An authorizer shall not approve an application submitted by a charter school  
14.30 developer under subdivision 4, paragraph (a), if the application does not comply with this  
14.31 subdivision. The commissioner shall not approve an affidavit submitted by an authorizer  
14.32 under subdivision 4, paragraph (b), if the affidavit does not comply with this subdivision.

14.33            Sec. 4. Minnesota Statutes 2011 Supplement, section 124D.10, subdivision 4, is  
14.34 amended to read:

15.1 Subd. 4. **Formation of school.** (a) An authorizer, after receiving an application from  
15.2 a school developer, may charter a licensed teacher under section 122A.18, subdivision  
15.3 1, or a group of individuals that includes one or more licensed teachers under section  
15.4 122A.18, subdivision 1, to operate a school subject to the commissioner's approval of the  
15.5 authorizer's affidavit under paragraph (b). The school must be organized and operated as a  
15.6 nonprofit corporation under chapter 317A and the provisions under the applicable chapter  
15.7 shall apply to the school except as provided in this section.

15.8 Notwithstanding sections 465.717 and 465.719, a school district, subject to this  
15.9 section and section 124D.11, may create a corporation for the purpose of establishing a  
15.10 charter school.

15.11 (b) Before the operators may establish and operate a school, the authorizer must file  
15.12 an affidavit with the commissioner stating its intent to charter a school. An authorizer  
15.13 must file a separate affidavit for each school it intends to charter. The affidavit must  
15.14 state the terms and conditions under which the authorizer would charter a school and  
15.15 how the authorizer intends to oversee the fiscal and student performance of the charter  
15.16 school and to comply with the terms of the written contract between the authorizer  
15.17 and the charter school board of directors under subdivision 6. The commissioner must  
15.18 approve or disapprove the authorizer's affidavit within 60 business days of receipt of the  
15.19 affidavit. If the commissioner disapproves the affidavit, the commissioner shall notify  
15.20 the authorizer of the deficiencies in the affidavit and the authorizer then has 20 business  
15.21 days to address the deficiencies. If the authorizer does not address deficiencies to the  
15.22 commissioner's satisfaction, the commissioner's disapproval is final. Failure to obtain  
15.23 commissioner approval precludes an authorizer from chartering the school that is the  
15.24 subject of this affidavit.

15.25 (c) The authorizer may prevent an approved charter school from opening for  
15.26 operation if, among other grounds, the charter school violates this section or does not meet  
15.27 the ready-to-open standards that are part of the authorizer's oversight and evaluation  
15.28 process or are stipulated in the charter school contract.

15.29 (d) The operators authorized to organize and operate a school, before entering into a  
15.30 contract or other agreement for professional or other services, goods, or facilities, must  
15.31 incorporate as a nonprofit corporation under chapter 317A and must establish a board of  
15.32 directors composed of at least five members who are not related parties until a timely  
15.33 election for members of the ongoing charter school board of directors is held according to  
15.34 the school's articles and bylaws under paragraph (f). A charter school board of directors  
15.35 must be composed of at least five members who are not related parties. Staff members  
15.36 employed at the school, including teachers providing instruction under a contract with a

16.1 cooperative, and all parents or legal guardians of children enrolled in the school are the  
16.2 voters eligible to elect the members of the school's board of directors. A charter school  
16.3 must notify eligible voters of the school board election dates at least 30 days before the  
16.4 election. Board of director meetings must comply with chapter 13D.

16.5 ~~(e) Upon the request of an individual, the charter school must make available~~  
16.6 ~~in a timely fashion~~ A charter school shall publish and maintain on the school's official  
16.7 Web site: (1) the minutes of meetings of the board of directors, and of members and  
16.8 committees having any board-delegated authority; for at least one calendar year from the  
16.9 date of publication; (2) directory information for members of the board of directors and  
16.10 committees having board-delegated authority; and (3) identifying and contact information  
16.11 for the school's authorizer. Identifying and contact information for the school's authorizer  
16.12 must be included in other school materials made available to the public. Upon request of  
16.13 an individual, the charter school must also make available in a timely fashion financial  
16.14 statements showing all operations and transactions affecting income, surplus, and deficit  
16.15 during the school's last annual accounting period; and a balance sheet summarizing assets  
16.16 and liabilities on the closing date of the accounting period. A charter school also must post  
16.17 on its official Web site information identifying its authorizer and indicate how to contact  
16.18 that authorizer and include that same information about its authorizer in other school  
16.19 materials that it makes available to the public.

16.20 (f) Every charter school board member shall attend department-approved ongoing  
16.21 training throughout the member's term on board governance, including training on  
16.22 the board's role and responsibilities, employment policies and practices, and financial  
16.23 management. A board member who does not begin the required initial training within six  
16.24 months after being seated and complete that training within 12 months of being seated on  
16.25 the board is ineligible to continue to serve as a board member.

16.26 (g) The ongoing board must be elected before the school completes its third year of  
16.27 operation. Board elections must be held during the school year but may not be conducted  
16.28 on days when the school is closed for holidays or vacations. The charter school board of  
16.29 directors shall be composed of at least five nonrelated members and include: (i) at least one  
16.30 licensed teacher employed at the school or a licensed teacher providing instruction under  
16.31 contract between the charter school and a cooperative; (ii) the parent or legal guardian  
16.32 of a student enrolled in the charter school who is not an employee of the charter school;  
16.33 and (iii) an interested community member who is not employed by the charter school and  
16.34 does not have a child enrolled in the school. The board may be a teacher majority board  
16.35 composed of teachers described in this paragraph. The chief financial officer and the chief  
16.36 administrator may only serve as ex-officio nonvoting board members and may not serve

17.1 as a voting member of the board. Charter school employees shall not serve on the board  
17.2 unless item (i) applies. Contractors providing facilities, goods, or services to a charter  
17.3 school shall not serve on the board of directors of the charter school. Board bylaws shall  
17.4 outline the process and procedures for changing the board's governance model, consistent  
17.5 with chapter 317A. A board may change its governance model only:

17.6 (1) by a majority vote of the board of directors and the licensed teachers employed  
17.7 by the school, including licensed teachers providing instruction under a contract between  
17.8 the school and a cooperative; and

17.9 (2) with the authorizer's approval.

17.10 Any change in board governance must conform with the board structure established  
17.11 under this paragraph.

17.12 (h) The granting or renewal of a charter by an authorizer must not be conditioned  
17.13 upon the bargaining unit status of the employees of the school.

17.14 (i) The granting or renewal of a charter school by an authorizer must not be  
17.15 contingent on the charter school being required to contract, lease, or purchase services  
17.16 from the authorizer. Any potential contract, lease, or purchase of service from an  
17.17 authorizer must be disclosed to the commissioner, accepted through an open bidding  
17.18 process, and be a separate contract from the charter contract. The school must document  
17.19 the open bidding process. An authorizer must not enter into a contract to provide  
17.20 management and financial services for a school that it authorizes, unless the school  
17.21 documents that it received at least two competitive bids.

17.22 (j) An authorizer may permit the board of directors of a charter school to expand  
17.23 the operation of the charter school to additional sites or to add additional grades at the  
17.24 school beyond those described in the authorizer's original affidavit as approved by  
17.25 the commissioner only after submitting a supplemental affidavit for approval to the  
17.26 commissioner in a form and manner prescribed by the commissioner. The supplemental  
17.27 affidavit must document that:

17.28 (1) the proposed expansion plan demonstrates need and projected enrollment;

17.29 (2) the expansion is warranted, at a minimum, by longitudinal data demonstrating  
17.30 students' improved academic performance and growth on statewide assessments under  
17.31 chapter 120B;

17.32 (3) the charter school is financially sound and the financing it needs to implement  
17.33 the proposed expansion exists; and

17.34 (4) the charter school has the governance structure and management capacity to  
17.35 carry out its expansion.

18.1 (k) The commissioner shall have 30 business days to review and comment on the  
18.2 supplemental affidavit. The commissioner shall notify the authorizer of any deficiencies in  
18.3 the supplemental affidavit and the authorizer then has 20 business days to address, to the  
18.4 commissioner's satisfaction, any deficiencies in the supplemental affidavit. The school  
18.5 may not expand grades or add sites until the commissioner has approved the supplemental  
18.6 affidavit. The commissioner's approval or disapproval of a supplemental affidavit is final.

18.7 Sec. 5. Minnesota Statutes 2011 Supplement, section 124D.10, subdivision 6, is  
18.8 amended to read:

18.9 Subd. 6. **Charter contract.** The authorization for a charter school must be in the  
18.10 form of a written contract signed by the authorizer and the board of directors of the charter  
18.11 school. The contract must be completed within 45 business days of the commissioner's  
18.12 approval of the authorizer's affidavit. The authorizer shall submit to the commissioner a  
18.13 copy of the signed charter contract within ten business days of its execution. The contract  
18.14 for a charter school must be in writing and contain at least the following:

18.15 (1) a declaration of the additional purposes in subdivision 1 that the school intends  
18.16 to carry out and how the school will report its implementation of the primary purpose and  
18.17 those additional purposes;

18.18 (2) a description of the school program and the specific academic and nonacademic  
18.19 outcomes that pupils must achieve;

18.20 (3) a statement of admission policies and procedures;

18.21 (4) a governance, management, and administration plan for the school;

18.22 (5) signed agreements from charter school board members to comply with all  
18.23 federal and state laws governing organizational, programmatic, and financial requirements  
18.24 applicable to charter schools;

18.25 (6) the criteria, processes, and procedures that the authorizer will use for ongoing  
18.26 oversight of operational, financial, and academic performance;

18.27 (7) the performance evaluation that is a prerequisite for reviewing a charter contract  
18.28 under subdivision 15;

18.29 (8) types and amounts of insurance liability coverage to be obtained by the charter  
18.30 school;

18.31 (9) consistent with subdivision 25, paragraph (d), a provision to indemnify and hold  
18.32 harmless the authorizer and its officers, agents, and employees from any suit, claim,  
18.33 or liability arising from any operation of the charter school, and the commissioner and  
18.34 department officers, agents, and employees notwithstanding section 3.736;

19.2 preoperational planning year, and up to five years for a renewed contract or a contract with

19.4 financial, and operational performance;

19.5 (11) how the board of directors or the operators of the charter school will provide  
19.6 special instruction and services for children with a disability under sections 125A.03

19.18 authorizer and notifying the commissioner, authorizer, school district in which the charter  
19.19 school is located, and parents of enrolled students about the closure, the transfer of student  
19.20 records to students' resident districts, and procedures for closing financial operations.

19.21 Sec. 6. Minnesota Statutes 2011 Supplement, section 124D.10, subdivision 13, is  
19.22 amended to read:
