2.13 parents, or the child's legal representative. To receive payment for an eligible adult, the
2.14 provider must document:

2.29 with a county or Indian tribe shall be based on a monthly rate negotiated by the host county
2.30 or tribe. The negotiated rate must not exceed the rate charged by the vendor for the same
2.31 service to other payers. If the service is provided by a team of contracted vendors, the
2.32 county or tribe may negotiate a team rate with a vendor who is a member of the team. The

3.11 funds or funds used to match other federal funds. If the service is provided by a tribal
3.12 agency, the nonfederal share, if any, shall be provided by the recipient's tribe. When this
3.13 service is paid by the state without a federal share through fee-for-service, 50 percent of
3.14 the cost shall be provided by the recipient's county of responsibility.

3.15 (i) Notwithstanding any administrative rule to the contrary, prepaid medical
3.16 assistance, general assistance medical care, and MinnesotaCare include mental health case
3.17 management. When the service is provided through prepaid capitation, the nonfederal
3.18 share is paid by the state and the county pays no share.

3.19 (j) The commissioner may suspend, reduce, or terminate the reimbursement to a
3.20 provider that does not meet the reporting or other requirements of this section. The county
3.21 of responsibility, as defined in sections 256G.01 to 256G.12, or, if applicable, the tribal
3.22 agency, is responsible for any federal disallowances. The county or tribe may share this
3.23 responsibility with its contracted vendors.

3.24 (k) The commissioner shall set aside a portion of the federal funds earned for county
3.25 expenditures under this section to repay the special revenue maximization account under

3.33 county-contracted vendors shall include the federal earnings, the state share, and the
3.34 county share.

3.35 (m) Case management services under this subdivision do not include therapy,
3.36 treatment, legal, or outreach services.

4.1 (n) If the recipient is a resident of a nursing facility, intermediate care facility, or
4.2 hospital, and the recipient's institutional care is paid by medical assistance, payment for
4.3 case management services under this subdivision is limited to the lesser of:

4.4 (1) the last 180 days of the recipient's residency in that facility and may not exceed

4.23 to implement paragraph (a).
