1.7

Subd. 2. **Cost of care.** (a) The commissioner shall set out in rules the method of

1.8

calculating the average cost of care for the domiciliary and nursing care residents. The cost

must be determined yearly based upon the average cost per resident taking into account,

resident, and food and lodging costs. These average costs must be calculated separately for

1.12

domiciliary and nursing care residents. The amount charged each resident for maintenance,

1.13

if anything, must be based on the appropriate average cost of care calculation and the
