## **EFFECTIVE DATE.** This section is effective retroactively from January 1, 2024.

Sec. 2. Minnesota Statutes 2022, section 144.7065, subdivision 8, is amended to read:

Subd. 8. Root cause analysis; corrective action plan. (a) Following the occurrence of 2.6 an adverse health care event, the facility must conduct a root cause analysis of the event. 27 In conducting the root cause analysis, the facility must consider as one of the factors staffing 2.8 levels and the impact of staffing levels on the event. Following the analysis, the facility 2.9 must: (1) implement a corrective action plan to implement the findings of the analysis or 2.10 (2) report to the commissioner any reasons for not taking corrective action. If the root cause 2.11 analysis and the implementation of a corrective action plan are complete at the time an event 2.12 must be reported, the findings of the analysis and the corrective action plan must be included 2.13 in the report of the event. The findings of the root cause analysis and a copy of the corrective 2.14 action plan must otherwise be filed with the commissioner within 60 days of the event. 2.15

## (b) During the root cause analysis, the facility must notify any individual whose conduct may be under review no less than three days in advance of any meeting or interview with the individual about the adverse event. The notice shall inform the individual of the subject,

2.19 purpose, date, and time of the meeting or interview.

2.20 Sec. 3. Minnesota Statutes 2022, section 144.7067, subdivision 2, is amended to read:

2.21 Subd. 2. Duty to analyze reports; communicate findings. (a) The commissioner shall:

2.22 (1) analyze adverse event reports, corrective action plans, and findings of the root cause
2.23 analyses to determine patterns of systemic failure in the health care system and successful
2.24 methods to correct these failures;

- 2.25 (2) communicate to individual facilities the commissioner's conclusions, if any, regarding
  2.26 an adverse event reported by the facility;
- 2.27 (3) communicate with relevant health care facilities any recommendations for corrective
  2.28 action resulting from the commissioner's analysis of submissions from facilities; and

2.29 (4) publish an annual report:

2.30 (i) describing, by institution, adverse events reported;
