1.20 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.21 Section 1. Minnesota Statutes 2018, section 5B.06, is amended to read:

1.22 **5B.06 VOTING BY PROGRAM PARTICIPANT; ABSENTEE BALLOT.**

1.23 A program participant who is otherwise eligible to vote may register with the secretary

1.24 of state as a permanent absentee voter. Notwithstanding section 203B.04, subdivision 5,

1.25 the secretary of state is not required to send an absentee ballot application prior to each

1.26 election to a program participant registered as a permanent absentee voter under this section.

1.27 As soon as practicable before each election, the secretary of state shall determine the precinct

1.28 in which the residential address of the program participant is located and shall request from

1.29 ~~and receive from the county auditor or other election official the ballot for that precinct and~~

2.1 ~~shall forward the absentee ballot to the program participant with the other~~ prepare the
2.2 program participant's ballot for that precinct using the Minnesota statewide voter registration
2.3 system and send the ballot with all corresponding materials for absentee balloting as required
2.4 by Minnesota law. The program participant shall complete the ballot and return it to the
2.5 secretary of state, who shall review the ballot in the manner provided by section 203B.121,
2.6 subdivision 2. If the ballot and ballot materials comply with the requirements of that section,
2.7 the ballot must be certified by the secretary of state as the ballot of a program participant,
2.8 and must be forwarded to the appropriate electoral jurisdiction for tabulation along with all
2.9 other ballots. The name and address of a program participant must not be listed in the
2.10 statewide voter registration system.

2.11 Sec. 2. Minnesota Statutes 2018, section 201.071, subdivision 1, is amended to read:

2.12 Subdivision 1. **Form.** Both paper and electronic voter registration applications must
2.13 contain the same information unless otherwise provided by law. A voter registration
2.14 application must contain spaces for the following required information: voter's first name,
2.15 middle name, and last name; voter's previous name, if any; voter's current address; voter's
2.16 previous address, if any; voter's date of birth; voter's municipality and county of residence;
2.17 voter's telephone number, if provided by the voter; date of registration; current and valid
2.18 Minnesota driver's license number or Minnesota state identification number, or if the voter
2.19 has no current and valid Minnesota driver's license or Minnesota state identification, the
2.20 last four digits of the voter's Social Security number; and voter's signature. The paper
2.21 registration application may include the voter's e-mail address, if provided by the voter. The
2.22 electronic voter registration application must include the voter's e-mail address. The
2.23 registration application may include the voter's interest in serving as an election judge, if
2.24 indicated by the voter. The application must also contain the following certification of voter
2.25 eligibility:

2.26 "I certify that I:

2.27 (1) will be at least 18 years old on election day;

2.28 (2) am a citizen of the United States;

2.29 (3) will have ~~resided~~ maintained residence in Minnesota for 20 days immediately
2.30 preceding election day;

2.31 (4) maintain residence at the address given on the registration form;

2.32 (5) am not under court-ordered guardianship in which the court order revokes my right
2.33 to vote;

3.1 (6) have not been found by a court to be legally incompetent to vote;

3.2 (7) have the right to vote because, if I have been convicted of a felony, my felony sentence
3.3 has expired (been completed) or I have been discharged from my sentence; and

3.4 (8) have read and understand the following statement: that giving false information is a
3.5 felony punishable by not more than five years imprisonment or a fine of not more than
3.6 \$10,000, or both."

3.7 The certification must include boxes for the voter to respond to the following questions:

3.8 "(1) Are you a citizen of the United States?" and

3.9 "(2) Will you be 18 years old on or before election day?"

3.10 And the instruction:

3.11 "If you checked 'no' to either of these questions, do not complete this form."

3.12 The form of the voter registration application and the certification of voter eligibility
3.13 must be as provided in this subdivision and approved by the secretary of state. Voter
3.14 registration forms authorized by the National Voter Registration Act must also be accepted
3.15 as valid. The federal postcard application form must also be accepted as valid if it is not
3.16 deficient and the voter is eligible to register in Minnesota.

3.17 An individual may use a voter registration application to apply to register to vote in
3.18 Minnesota or to change information on an existing registration.

3.19 Sec. 3. Minnesota Statutes 2018, section 201.071, subdivision 2, is amended to read:

3.20 Subd. 2. **Instructions.** A registration application shall be accompanied by instructions
3.21 specifying the manner and method of registration, the qualifications for voting, the penalties
3.22 for false registration, and the availability of registration and voting assistance for elderly
3.23 and disabled individuals and residents of health care facilities and hospitals. The instructions
3.24 must indicate that ~~if the voter does not have~~ must provide a valid Minnesota driver's license
3.25 or identification card, or the last four digits of the voter's Social Security number ~~must be~~
3.26 ~~provided~~, unless the voter does not have a Social Security number or valid Minnesota driver's
3.27 license or identification card. If, prior to election day, a person requests the instructions in
3.28 Braille, audio format, or in a version printed in 16-point bold type with 24-point leading,
3.29 the county auditor shall provide them in the form requested. The secretary of state shall
3.30 prepare Braille and audio copies and make them available.

Sec. 4. Minnesota Statutes 2018, section 201.071, subdivision 3, is amended to read:

Subd. 3. **Deficient registration.** No voter registration application is deficient if it contains the voter's name, address, date of birth, current and valid Minnesota driver's license number or Minnesota state identification number, ~~or if the voter has no current and valid Minnesota driver's license or Minnesota state identification number,~~ the last four digits of the voter's Social Security number, if the voter has been issued a Social Security number or valid Minnesota driver's license or identification card, prior registration, if any, and signature. The absence of a zip code number does not cause the registration to be deficient. Failure to check a box on an application form that a voter has certified to be true does not cause the registration to be deficient. The election judges shall request an individual to correct a voter registration application if it is deficient or illegible. No eligible voter may be prevented from voting unless the voter's registration application is deficient or the voter is duly and successfully challenged in accordance with section 201.195 or 204C.12.

A voter registration application accepted prior to August 1, 1983, is not deficient for lack of date of birth. The county or municipality may attempt to obtain the date of birth for a voter registration application accepted prior to August 1, 1983, by a request to the voter at any time except at the polling place. Failure by the voter to comply with this request does not make the registration deficient.

A voter registration application accepted before January 1, 2004, is not deficient for lack of a valid Minnesota driver's license or state identification number or the last four digits of a Social Security number. A voter registration application submitted by a voter who does not have a Minnesota driver's license or state identification number, or a Social Security number, is not deficient for lack of any of these numbers.

A voter registration application submitted electronically through the website of the secretary of state prior to April 30, 2014, is not invalid as a result of its electronic submission.

Sec. 5. Minnesota Statutes 2018, section 201.071, subdivision 8, is amended to read:

Subd. 8. **School district assistance.** School districts shall assist county auditors in determining the school district in which a voter ~~resides~~ maintains residence.

Sec. 6. Minnesota Statutes 2018, section 201.12, subdivision 2, is amended to read:

Subd. 2. **Moved within state.** If any nonforwardable mailing from an election official is returned as undeliverable but with a permanent forwarding address in this state, the county auditor may change the voter's status to "inactive" in the statewide registration system and

shall transmit a copy of the mailing to the auditor of the county in which the new address is located. If an election is scheduled to occur in the precinct in which the voter ~~resides~~ maintains residence in the next 47 days, the county auditor shall promptly update the voter's address in the statewide voter registration system. If there is not an election scheduled, the auditor may wait to update the voter's address until after the next list of address changes is received from the secretary of state. Once updated, the county auditor shall mail to the voter a notice stating the voter's name, address, precinct, and polling place, except that if the voter's record is challenged due to a felony conviction, noncitizenship, name change, incompetence, or a court's revocation of voting rights of individuals under guardianship, the auditor must not mail the notice. The notice must advise the voter that the voter's voting address has been changed and that the voter must notify the county auditor within 21 days if the new address is not the voter's address of residence. The notice must state that it must be returned if it is not deliverable to the voter at the named address.

Sec. 7. Minnesota Statutes 2018, section 201.121, subdivision 3, is amended to read:

Subd. 3. **Postelection sampling.** (a) Within ten days after an election, the county auditor shall send the notice required by subdivision 2 to a random sampling of the individuals registered on election day. The random sampling shall be determined in accordance with the rules of the secretary of state. As soon as practicable after the election, the county auditor shall mail the notice required by subdivision 2 to all other individuals registered on election day. If a notice is returned as not deliverable, the county auditor shall attempt to determine the reason for the return. A county auditor who does not receive or obtain satisfactory proof of an individual's eligibility to vote shall immediately notify the county attorney of all of the relevant information. ~~The~~ By February 15 of each odd-numbered year, the county auditor must notify the secretary of state of the following information for the previous state general election by each precinct:

(1) the total number of all notices that were returned as nondeliverable;

(2) the total number of nondeliverable notices that the county auditor was able to determine the reason for the return along with the reason for each return; and

(3) the total number of individuals for whom the county auditor does not receive or obtain satisfactory proof of an individual's eligibility to vote.

(b) By March 1 of every odd-numbered year, the secretary of state shall report to the chair and ranking minority members of the legislative committees with jurisdiction over elections the following information for the previous state general election by each precinct and each county:

- 6.1 (1) the total number of all notices that were returned as nondeliverable;
- 6.2 (2) the total number of nondeliverable notices that a county auditor was able to determine
- 6.3 the reason for the return along with the reason for each return; and
- 6.4 (3) the total number of individuals for whom the county auditor does not receive or
- 6.5 obtain satisfactory proof of an individual's eligibility to vote.

6.6 Sec. 8. Minnesota Statutes 2018, section 201.13, subdivision 3, is amended to read:

6.7 Subd. 3. **Use of change of address system.** (a) At least once each month the secretary

6.8 of state shall obtain a list of individuals registered to vote in this state who have filed with

6.9 the United States Postal Service a change of their permanent address. The secretary of state

6.10 may also periodically obtain a list of individuals with driver's licenses or state identification

6.11 cards to identify those who are registered to vote who have applied to the Department of

6.12 Public Safety for a replacement driver's license or state identification card with a different

6.13 address, and a list of individuals for whom the Department of Public Safety received

6.14 notification of a driver's license or state identification card cancellation due to a change of

6.15 residency out of state. However, the secretary of state shall not load data derived from these

6.16 lists into the statewide voter registration system within the 47 days before the state primary

6.17 or 47 days before a November general election.

6.18 (b) If the address is changed to another address in this state, the secretary of state shall

6.19 locate the precinct in which the voter ~~resides~~ maintains residence, if possible. If the secretary

6.20 of state is able to locate the precinct in which the voter ~~resides~~ maintains residence, the

6.21 secretary must transmit the information about the changed address by electronic means to

6.22 the county auditor of the county in which the new address is located. For addresses for

6.23 which the secretary of state is unable to determine the precinct, the secretary may forward

6.24 information to the appropriate county auditors for individual review. If the voter has not

6.25 voted or submitted a voter registration application since the address change, upon receipt

6.26 of the information, the county auditor shall update the voter's address in the statewide voter

6.27 registration system. The county auditor shall mail to the voter a notice stating the voter's

6.28 name, address, precinct, and polling place, unless the voter's record is challenged due to a

6.29 felony conviction, noncitizenship, name change, incompetence, or a court's revocation of

6.30 voting rights of individuals under guardianship, in which case the auditor must not mail the

6.31 notice. The notice must advise the voter that the voter's voting address has been changed

6.32 and that the voter must notify the county auditor within 21 days if the new address is not

6.33 the voter's address of residence. The notice must state that it must be returned if it is not

6.34 deliverable to the voter at the named address.

(c) If the change of permanent address is to an address outside this state, the secretary of state shall notify by electronic means the auditor of the county where the voter formerly ~~resided~~ maintained residence that the voter has moved to another state. If the voter has not voted or submitted a voter registration application since the address change, the county auditor shall promptly mail to the voter at the voter's new address a notice advising the voter that the voter's status in the statewide voter registration system will be changed to "inactive" unless the voter notifies the county auditor within 21 days that the voter is retaining the former address as the voter's address of residence, except that if the voter's record is challenged due to a felony conviction, noncitizenship, name change, incompetence, or a court's revocation of voting rights of individuals under guardianship, the auditor must not mail the notice. If the notice is not received by the deadline, the county auditor shall change the voter's status to "inactive" in the statewide voter registration system.

(d) If, in order to maintain voter registration records, the secretary of state enters an agreement to share information or data with an organization governed exclusively by a group of states, the secretary must first determine that the data security protocols are sufficient to safeguard the information or data shared. If required by such an agreement, the secretary of state may share the following data from the statewide voter registration system and data released to the secretary of state under section 171.12, subdivision 7a:

(1) name;

(2) date of birth;

(3) address;

(4) driver's license or state identification card number;

(5) the last four digits of an individual's Social Security number; and

(6) the date that an individual's record was last updated.

If the secretary of state enters into such an agreement, the secretary and county auditors must process changes to voter records based upon that data in accordance with this section. Except as otherwise provided in this subdivision, when data is shared with the secretary of state by another state, the secretary of state must maintain the same data classification that the data had while it was in the possession of the state providing the data.

Sec. 9. Minnesota Statutes 2018, section 201.1611, subdivision 1, is amended to read:

Subdivision 1. **Forms.** All postsecondary institutions that enroll students accepting state or federal financial aid shall provide voter registration forms to each student as early as

possible in the fall quarter. All school districts shall make available voter registration applications each May and September to all students registered as students of the school district who will be eligible to vote at the next election after those months. A school district has no obligation to provide voter registration applications to students who participate in a postsecondary education option program or who otherwise ~~reside~~ maintain residence in the district but do not attend a school operated by the district. A school district fulfills its obligation to a student under this section if it provides a voter registration application to the student one time. The forms must contain spaces for the information required in section 201.071, subdivision 1, and applicable rules of the secretary of state. The institutions and school districts may request these forms from the secretary of state. Institutions shall consult with their campus student government in determining the most effective means of distributing the forms and in seeking to facilitate election day registration of students under section 201.061, subdivision 3. School districts must advise students that completion of the voter registration application is not a school district requirement.

Sec. 10. Minnesota Statutes 2018, section 201.225, subdivision 2, is amended to read:

Subd. 2. **Technology requirements.** An electronic roster must:

(1) be able to be loaded with a data file that includes voter registration data in a file format prescribed by the secretary of state;

(2) allow for data to be exported in a file format prescribed by the secretary of state;

(3) allow for data to be entered manually or by scanning a Minnesota driver's license or identification card to locate a voter record or populate a voter registration application that would be printed and signed and dated by the voter. The printed registration application can be either a printed form, labels printed with voter information to be affixed to a preprinted form, or a combination of both;

(4) allow an election judge to update data that was populated from a scanned driver's license or identification card;

(5) cue an election judge to ask for and input data that is not populated from a scanned driver's license or identification card that is otherwise required to be collected from the voter or an election judge;

(6) immediately alert the election judge if the voter has provided information that indicates that the voter is not eligible to vote;

(7) immediately alert the election judge if the electronic roster indicates that a voter has already voted in that precinct, the voter's registration status is challenged, or it appears the voter ~~resides~~ maintains residence in a different precinct;

(8) provide immediate instructions on how to resolve a particular type of challenge when a voter's record is challenged;

(9) provide for a printed voter signature certificate, containing the voter's name, address of residence, date of birth, voter identification number, the oath required by section 204C.10, and a space for the voter's original signature. The printed voter signature certificate can be either a printed form or a label printed with the voter's information to be affixed to the oath;

(10) contain only preregistered voters within the precinct, and not contain preregistered voter data on voters registered outside of the precinct;

(11) be only networked within the polling location on election day, except for the purpose of updating absentee ballot records;

(12) meet minimum security, reliability, and networking standards established by the Office of the Secretary of State in consultation with the Office of MN.IT Services;

(13) be capable of providing a voter's correct polling place; and

(14) perform any other functions necessary for the efficient and secure administration of the participating election, as determined by the secretary of state.

Electronic rosters used only for election day registration do not need to comply with clauses (1), (8), and (10). Electronic rosters used only for preregistered voter processing do not need to comply with clauses (4) and (5).

Sec. 11. Minnesota Statutes 2018, section 202A.16, subdivision 1, is amended to read:

Subdivision 1. **Eligible voters.** Only those individuals who are or will be eligible to vote at the time of the next state general election, may vote or be elected a delegate or officer at the precinct caucus. An eligible voter may vote or be elected a delegate or officer only in the precinct where the voter ~~resides~~ maintains residence at the time of the caucus.

10.1 secretary of state and shall furnish them to any person on request. By January 1 of each

10.18 driver's license number, state identification card number, or Social Security number. The
10.19 secretary of state must review all unverifiable applications for evidence of suspicious activity
10.20 and must forward any such application to an appropriate law enforcement agency for

12.24 representative in Congress.

12.25 Sec. 18. Minnesota Statutes 2018, section 203B.24, subdivision 1, is amended to read:

12.26 Subdivision 1. **Check of voter eligibility; proper execution of certificate.** Upon receipt
12.27 of an absentee ballot returned as provided in sections 203B.16 to 203B.27, the election
12.28 judges shall compare the voter's name with the names recorded under section 203B.19 in
12.29 the statewide registration system to insure that the ballot is from a voter eligible to cast an
12.30 absentee ballot under sections 203B.16 to 203B.27. The election judges shall mark the return
12.31 envelope "Accepted" and initial or sign the return envelope below the word "Accepted" if
12.32 the election judges are satisfied that:

13.1 (1) the voter's name and address on the return envelope appears in substantially the same
13.2 form as on the application records provided to the election judges by the county auditor;

13.3 (2) the voter has signed the federal oath prescribed pursuant to section 705(b)(2) of the
13.4 Help America Vote Act, Public Law 107-252;

13.6 or state identification card number, or the last four digits of the voter's Social Security
13.7 number as submitted on the application, if the voter has one of these documents;

13.8 (4) the voter is not known to have died; and

13.9 (5) the voter has not already voted at that election, either in person or by absentee ballot.

13.12 themselves through other information provided by the applicant, or by an individual
13.13 authorized to apply on behalf of the voter, that the ballots were returned by the same person
13.14 to whom the ballots were transmitted.

13.15 An absentee ballot cast pursuant to sections 203B.16 to 203B.27 may only be rejected
13.16 for the lack of one of clauses (1) to (5). In particular, failure to place the ballot within the
13.17 security envelope before placing it in the outer white envelope is not a reason to reject an
13.18 absentee ballot.

13.19 Election judges must note the reason for rejection on the back of the envelope in the
13.20 space provided for that purpose.

13.21 Failure to return unused ballots shall not invalidate a marked ballot, but a ballot shall
13.22 not be counted if the certificate on the return envelope is not properly executed. In all other
13.23 respects the provisions of the Minnesota Election Law governing deposit and counting of
13.24 ballots shall apply. Notwithstanding other provisions of this section, the counting of the

The special mail ballot procedures must be posted at least six weeks prior to the election. Not more than 46 nor later than 14 days

prior to the election, the auditor or clerk shall mail ballots by nonforwardable mail to all voters registered in the county, municipality, or school district. No later than 14 days before the election, the auditor or clerk must make a subsequent mailing of ballots to those voters who register to vote after the initial mailing but before the 20th day before the election. Eligible voters not registered at the time the ballots are mailed may apply for ballots pursuant to chapter 203B. The auditor or clerk must appoint a ballot board to examine the mail and absentee ballot return envelopes and mark them "Accepted" or "Rejected" within three days of receipt if there are 14 or fewer days before election day, or within five days of receipt if there are more than 14 days before election day. The board may consist of deputy county auditors, deputy municipal clerks, or deputy school district clerks who have received training in the processing and counting of mail ballots, who need not be affiliated with a major political party. Election judges performing the duties in this section must be of different major political parties, unless they are exempt from that requirement under section 205.075, subdivision 4, or section 205A.10. If an envelope has been rejected at least five days before the election, the ballots in the envelope must remain sealed and the auditor or clerk must provide the voter with a replacement ballot and return envelope in place of the spoiled ballot. If the ballot is rejected within five days of the election, the envelope must remain sealed and the official in charge of the ballot board must attempt to contact the voter by telephone or e-mail to notify the voter that the voter's ballot has been rejected. The official must document the attempts made to contact the voter.

If the ballot is accepted, the county auditor or municipal clerk must mark the roster to indicate that the voter has already cast a ballot in that election. After the close of business on the seventh day before the election, the ballots from return envelopes marked "Accepted" may be opened, duplicated as needed in the manner provided by section 206.86, subdivision 5, initialed by the ballot board, and deposited in the appropriate ballot box.

Sec. 28. Minnesota Statutes 2018, section 204C.05, subdivision 1, is amended to read:

21.7 for that office, or one pile for the "Yes" votes and one pile for the "No" votes on a question.
21.8 They shall make a pile of totally defective ballots and a pile of totally blank ballots. They
21.9 shall make a pile of ballots that are not totally defective but are defective with respect to
21.10 the office or question being counted and a pile of ballots that are not totally blank but are
21.11 blank with respect to the office or question being counted. After the separation into piles,
21.12 the election judges shall examine each pile and remove and place in the proper pile any
21.13 ballots that are found in the wrong pile. The election judges shall count the totally blank
21.14 and totally defective ballots and set them aside until the counting is over for that ballot. In
21.15 conducting the count of blank ballots, election judges may presume that the total count
21.16 provided for prepackaged ballots is correct. The election judges may pile ballots crosswise
21.17 in groups of 25 in the same pile to facilitate counting. When their counts agree, the election
21.18 judges shall announce the number of ballots in each pile, and shall write the number in the
21.19 proper place on the summary statements.

21.20 The election judges shall then return all the counted ballots, and all the partially defective
21.21 or partially blank ballots, to the original pile to be separated and counted in the same manner
21.22 for the next office or question.

21.30 the remaining set of summary statements and returns, all unused and spoiled municipal and
21.31 school district ballots, the envelopes containing municipal and school district ballots, and

22.31 for nomination or election is less than one-half of one percent, and the total number of votes
22.32 cast for the nomination or election of all candidates is more than 400 but less than 50,000.

23.1 In cases of offices where two or more seats are being filled from among all the candidates
23.2 for the office, the one-half of one percent difference is between the elected candidate with
23.3 the fewest votes and the candidate with the most votes from among the candidates who
23.4 were not elected.

23.5 (c) A losing candidate for nomination or election to a county, municipal, or school district
23.6 office may request a recount of the votes cast for nomination or election to that office if the
23.7 difference between the vote cast for that candidate and for a winning candidate for nomination
23.8 or election is ten votes or less, and the total number of votes cast for the nomination or
23.9 election of all candidates is no more than 400. In cases of offices where two or more seats
23.10 are being filled from among all the candidates for the office, the ten vote difference is
23.11 between the elected candidate with the fewest votes and the candidate with the most votes
23.12 from among the candidates who were not elected.

23.13 (d) Candidates for county offices shall file a written request for the recount with the
23.14 county auditor. Candidates for municipal or school district offices shall file a written request
23.15 with the municipal or school district clerk as appropriate. All requests under this paragraph
23.16 shall be filed by between the close of the canvass of a primary or special primary and 5:00
23.17 p.m. on the fifth day after the canvass of a primary or special primary or by between the
23.18 close of the canvass of a special or general election and 5:00 p.m. on the seventh day of the
23.19 canvass of a special or general election for which a recount is sought.

23.20 (e) Upon receipt of a request made pursuant to this section, the county auditor shall
23.21 recount the votes for a county office at the expense of the county, the governing body of
23.22 the municipality shall recount the votes for a municipal office at the expense of the
23.23 municipality, and the school board of the school district shall recount the votes for a school
23.24 district office at the expense of the school district.

23.29 major political party shall have a separate column headed by the words "..... Party,"
23.30 giving the party name. Above the party names, the following statement shall be printed.

23.31 "Minnesota Election Law permits you to vote for the candidates of only one political
23.32 party in a state partisan primary election."

If there are only two major political parties to be listed on the ballot, one party must occupy the left-hand column, the other party must occupy the right-hand column, and the center column must contain the following statement:

"Do not vote for candidates of more than one party."

The names of the candidates seeking the nomination of each major political party shall be listed in that party's column. If only one individual files an affidavit of candidacy seeking the nomination of a major political party for an office, the name of that individual shall be placed on the state partisan primary ballot at the appropriate location in that party's column.

In each column, the candidates for senator in Congress shall be listed first, candidates for representative in Congress second, candidates for state senator third, candidates for state representative fourth and then candidates for state office in the order specified by the secretary of state. Vacant offices being filled by special election must be listed with other offices of that type, but after any office of that type for which a candidate will be elected for a full term.

The party columns shall be substantially the same in width, type, and appearance. The columns shall be separated by a 12-point solid line.

Sec. 34. Minnesota Statutes 2018, section 204D.13, subdivision 1, is amended to read:

Subdivision 1. **Order of offices.** The candidates for partisan offices shall be placed on the state general election ballot in the following order: senator in Congress shall be first; representative in Congress, second; state senator, third; and state representative, fourth. Candidates for governor and lieutenant governor shall appear so that a single vote may be cast for both offices. Vacant offices being filled by special election must be listed with other offices of that type, but after any office of that type for which a candidate will be elected for a full term.

The secretary of state shall then promptly certify to the county auditors the names of the nominated individuals, prepare notices of nomination, and notify each nominee of the nomination. In case of a contest of a special primary for state senator or state representative,

25.1 the notice of contest must be filed within two days, excluding Sundays and legal holidays,
25.2 after the canvass is completed, and the contest shall otherwise proceed in the manner provided
25.3 by law for contesting elections.

25.4 Sec. 36. Minnesota Statutes 2018, section 204D.28, subdivision 9, is amended to read:

25.5 Subd. 9. **Filing by candidates.** The time for filing of affidavits and nominating petitions
25.6 for candidates to fill a vacancy at a special election shall open 12 weeks before the special
25.7 primary or on the day the secretary of state issues notice of the special election, whichever
25.8 occurs later. Filings shall close ten weeks before the special primary. A candidate filing for
25.9 the office of United States senator to fill a vacancy at a special election when both offices
25.10 of United States senator are required to be placed on the same ballot must specify on the
25.11 affidavit of candidacy the expiration date of the term of the office that the candidate is
25.12 seeking.

25.13 Sec. 37. Minnesota Statutes 2018, section 204D.28, subdivision 10, is amended to read:

25.14 Subd. 10. **United States senator; candidates; designation of term.** When the names
25.15 of candidates for both offices of United States senator are required to be placed on the same
25.16 ballot, the expiration date of the term of each office shall be printed on the ballot in the
25.17 office heading opposite the name of each candidate for nomination or election to that office.

25.18 Sec. 38. Minnesota Statutes 2018, section 205.13, subdivision 5, is amended to read:

25.20 behalf of a candidate for municipal office in a city of the first class shall be signed by eligible
25.21 voters who ~~reside~~ maintain residence in the election district from which the candidate is to
25.22 be elected. The number of signers shall be at least 500, or two percent of the total number
25.23 of individuals who voted in the municipality, ward, or other election district at the last
25.24 preceding municipal general election, whichever is greater.

25.25 Sec. 39. Minnesota Statutes 2018, section 205A.10, subdivision 5, is amended to read:

25.26 Subd. 5. **School district canvassing board.** For the purpose of a recount of a special
25.27 election conducted under section 126C.17, subdivision 9, or 475.59, the school district
25.28 canvassing board shall consist of one member of the school board other than the clerk,
25.29 selected by the board, the clerk of the school board, the county auditor of the county in
25.30 which the greatest number of school district residents ~~reside~~ maintain residence, the court
25.31 administrator of the district court of the judicial district in which the greatest number of

school district residents ~~reside~~ maintain residence, and the mayor or chair of the town board of the school district's most populous municipality. Any member of the canvassing board may appoint a designee to appear at the meeting of the board, except that no designee may be a candidate for public office. If one of the individuals fails to appear at the meeting of the canvassing board, the county auditor shall appoint an eligible voter of the school district, who must not be a member of the school board, to fill the vacancy. Not more than two school board members shall serve on the canvassing board at one time. Four members constitute a quorum.

The school board shall serve as the school district canvassing board for the election of school board members.

Sec. 40. Minnesota Statutes 2018, section 205A.12, subdivision 5, is amended to read:

Subd. 5. **Board elections.** If the proposal for the establishment of election districts is approved by the voters, the board shall specify the election districts from which vacancies shall be filled as they occur until such time as each board member represents an election district. A candidate for school board in a subsequent election must file an affidavit of candidacy to be elected as a school board member for the election district in which the candidate ~~resides~~ maintains residence. If there are as many election districts as there are members of the board, one and only one member of the board shall be elected from each election district. In school districts where one or more board members are elected by election districts, candidates must indicate on the affidavit of candidacy the number of the district from which they seek election or, if appropriate, that they seek election from one of the offices elected at large. If the election districts have two or three members each, the terms of the members must be staggered. Each board member must be a resident of the election district for which elected but the creation of an election district or a change in election district boundaries shall not disqualify a board member from serving for the remainder of a term.

Sec. 41. Minnesota Statutes 2018, section 206.89, subdivision 4, is amended to read:

Subd. 4. **Standard of acceptable performance by voting system.** A comparison of the results compiled by the voting system with the postelection review described in this section must show that the results of the electronic voting system differed by no more than ~~one-half~~ one-quarter of one percent from the manual count of the offices reviewed. Valid votes that have been marked by the voter outside the vote targets or using a manual marking device

27.1 that cannot be read by the voting system must not be included in making the determination
27.2 whether the voting system has met the standard of acceptable performance for any precinct.

27.3 Sec. 42. Minnesota Statutes 2018, section 206.89, subdivision 5, is amended to read:

27.4 Subd. 5. **Additional review.** (a) If the postelection review in one of the reviewed precincts
27.5 reveals a difference greater than ~~one-half~~ one-quarter of one percent, or greater than two
27.6 votes in a precinct where 400 or fewer voters cast ballots, the postelection review official
27.7 must, within two days, conduct an additional review of the races indicated in subdivision
27.8 3 in at least three precincts in the same jurisdiction where the discrepancy was discovered.
27.9 If all precincts in that jurisdiction have been reviewed, the county auditor must immediately
27.10 publicly select by lot at least three additional precincts for review. The postelection review
27.11 official must complete the additional review within two days after the precincts are selected
27.12 and report the results immediately to the county auditor. If the second review in any of the
27.13 reviewed precincts also indicates a difference in the vote totals compiled by the voting
27.14 system that is greater than ~~one-half~~ one-quarter of one percent from the result indicated by
27.15 the postelection review, or greater than two votes in a precinct where 400 or fewer voters
27.16 cast ballots, the county auditor must conduct a review of the ballots from all the remaining
27.17 precincts in the county for the races indicated in subdivision 3. This review must be
27.18 completed and the results must be reported to the secretary of state within one week after
27.19 the second review was completed.

27.20 (b) If the results from the countywide reviews from one or more counties comprising in
27.21 the aggregate more than ten percent of the total number of persons voting in the election
27.22 clearly indicate that an error in vote counting has occurred, the secretary of state must notify
27.23 the postelection review official of each county in the district that they must conduct manual
27.24 recounts of all the ballots in the district for the affected office using the procedure outlined
27.25 in section 204C.35. The recount must be completed and the results reported to the appropriate
27.26 canvassing board within two weeks after the postelection review official received notice
27.27 from the secretary of state.

27.30 which all ballot information is included must be printed in black ink on white colored
27.31 material except that marks not to be read by the automatic tabulating equipment may be
27.32 printed in another color ink. In state elections, a single ballot title must be used, as provided
27.33 in sections 204D.08, subdivision 6, and 204D.11, subdivision 1. ~~In odd-numbered years~~

28.1 When both municipal and school district offices or questions appear on the ballot, the single
28.2 ballot title "City (or Town) and School District Ballot" must be used.

28.10 questions must be printed as close to their corresponding vote targets as possible.

28.11 The line on an optical scan ballot for write-in votes must contain the words "write-in,
28.12 if any."

28.13 If a primary ballot contains both a partisan ballot and a nonpartisan ballot, the instructions
28.14 to voters must include a statement that reads substantially as follows: "This ballot card
28.15 contains a partisan ballot and a nonpartisan ballot. On the partisan ballot you are permitted
28.16 to vote for candidates of one political party only." If a primary ballot contains political party
28.17 columns on both sides of the ballot, the instructions to voters must include a statement that
28.18 reads substantially as follows: "Additional political parties are printed on the other side of
28.19 this ballot. Vote for one political party only." At the bottom of each political party column
28.20 on the primary ballot, the ballot must contain a statement that reads substantially as follows:
28.21 "Continue voting on the nonpartisan ballot." The instructions in section 204D.08, subdivision
28.22 4, do not apply to optical scan partisan primary ballots. Electronic ballot displays and audio
28.23 ballot readers must follow the order of offices and questions on the optical scan or paper
28.24 ballot used in the same precinct, or the sample ballot posted for that precinct.

28.25 Sec. 44. Minnesota Statutes 2018, section 207A.14, subdivision 2, is amended to read:

29.4 of District Court in Ramsey County. For contests relating to any other office, the contestant
29.5 shall file the notice of contest with the court administrator of district court in the county
29.6 where the contestee ~~resides~~ maintains residence.

29.7 If the contest relates to a constitutional amendment, the contestant shall file the notice
29.8 of contest with the court administrator of District Court in Ramsey County. If the contest
29.9 relates to any other question, the contestant shall file the notice of contest with the court
29.10 administrator of district court for the county or any one of the counties where the question
29.11 appeared on the ballot.

29.12 Sec. 46. Minnesota Statutes 2018, section 211B.11, subdivision 1, is amended to read:

29.13 Subdivision 1. **Soliciting near polling places.** A person may not display campaign
29.14 material, post signs, ask, solicit, or in any manner try to induce or persuade a voter within

29.28 shall hold office until the next annual town election, when a successor shall be elected for
29.29 the unexpired term.

29.30 (b) When a vacancy occurs in a town office:

29.31 (1) with more than one year remaining in the term; and

30.1 (2) on or after the 14th day before the first day to file an affidavit of candidacy for the
30.2 town election;

30.3 the vacancy must be filled by appointment. The person appointed serves until the next annual
30.4 town election following the election for which affidavits of candidacy are to be filed, when
30.5 a successor shall be elected for the unexpired term.

30.6 (c) A vacancy in the office of supervisor must be filled by an appointment committee
30.7 comprised of the remaining supervisors and the town clerk.

30.11 (e) When, because of a vacancy, more than one supervisor is to be chosen at the same
30.12 election, candidates for the offices of supervisor shall file for one of the specific terms being
30.13 filled.

30.14 (f) When, for any reason, the town board or the appointment committee fails to fill a
30.15 vacancy in the position of an elected town officer by appointment, a special election may
30.16 be called. To call a special election, the supervisors and town clerk, or any two of them
30.17 together with at least 12 other town freeholders, must file a statement in the town clerk's
30.18 office. The statement must tell why the election is called and that the interests of the town
30.19 require the election. When the town board or the appointment committee fails to fill a
30.20 vacancy by appointment, a special town election may also be called on petition of 20 percent
30.21 of the electors of the town. The percentage is of the number of voters at the last general

31.3 office shall be filled by council appointment until an election is held as provided in this
31.4 subdivision. In case of a tie vote in the council, the mayor shall make the appointment. If
31.5 the vacancy occurs before the first day to file affidavits of candidacy for the next regular
31.6 city election and more than two years remain in the unexpired term, a special election shall
31.7 be held at or before the next regular city election and the appointed person shall serve until
31.8 the qualification of a successor elected at a special election to fill the unexpired portion of
31.9 the term. If the vacancy occurs on or after the first day to file affidavits of candidacy for
31.10 the regular city election or when less than two years remain in the unexpired term, there
31.11 need not be a special election to fill the vacancy and the appointed person shall serve until
31.12 the qualification of a successor. The council must specify by ordinance under what
31.13 circumstances it will hold a special election to fill a vacancy other than a special election
