20.11	ARTICLE XII
20.12	OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT
20.13	(a) Oversight:
20.14	(1) the executive, legislative, and judicial branches of state government in each member
20.15	state shall enforce this compact and take all actions necessary and appropriate to effectuate
20.16	the compact's purposes and intent. The provisions of this compact and the rules promulgated
20.17	hereunder shall have standing as statutory law;
20.18	(2) all courts shall take judicial notice of the compact and the rules in any judicial or
20.19	administrative proceeding in a member state pertaining to the subject matter of this compact
20.20	which may affect the powers, responsibilities, or actions of the commission; and
20.21	(3) the commission shall be entitled to receive service of process in any such proceeding
20.22	and shall have standing to intervene in such a proceeding for all purposes. Failure to provide
20.23	service of process to the commission shall render a judgment or order void as to the
20.24	commission, this compact, or promulgated rules.
20.25	(b) Default, technical assistance, and termination:
20.26	(1) if the commission determines that a member state has defaulted in the performance
20.27	of its obligations or responsibilities under this compact or the promulgated rules, the
20.28	commission shall:
20.29	(i) provide written notice to the defaulting state and other member states of the nature
20.30	of the default, the proposed means of curing the default, or any other action to be taken by

20.32	(ii) provide remedial training and specific technical assistance regarding the default.

12/02/22	REVISOR	AGW/RC	23-00624	as introduced

21.1	(c) If a state in default fails to cure the default, the defaulting state may be terminated
21.2	from the compact upon an affirmative vote of a majority of the member states, and all rights,
21.3	privileges, and benefits conferred by this compact may be terminated on the effective date
21.4	of termination. A cure of the default does not relieve the offending state of obligations or
21.5	liabilities incurred during the period of default.
21.6	(d) Termination of membership in the compact shall be imposed only after all other
21.7	means of securing compliance have been exhausted. Notice of intent to suspend or terminate
21.8	shall be given by the commission to the governor, the majority and minority leaders of the
21.9	defaulting state's legislature, and each of the member states.

21.11	liabilities incurred through the effective date of termination, including obligations that
21.12	extend beyond the effective date of termination.
21.13	(f) The commission shall not bear any costs related to a state that is found to be in default
21.14	or that has been terminated from the compact, unless agreed upon in writing between the
21.15	commission and the defaulting state.
21.16	(g) The defaulting state may appeal the action of the commission by petitioning the
21.17	United States District Court for the District of Columbia or the federal district where the
21.18	commission has its principal offices. The prevailing member shall be awarded all costs of
21.19	such litigation, including reasonable attorney's fees.
21.20	(h) Dispute resolution:
21.21	(1) upon request by a member state, the commission shall attempt to resolve disputes
21.22	related to the compact that arise among member states and between member and nonmember
21.23	states; and

21.28	provisions and rules of this compact;
21.29	(2) by majority vote, the commission may initiate legal action in the United States District
21.30	Court for the District of Columbia or the federal district where the commission has its
21.31	principal offices against a member state in default to enforce compliance with the provisions
