- (c) Based on the record, the court shall determine, by clear and convincing evidence, whether the defendant suffers from an applicable condition, whether that condition stems from service in the United States military, and whether the offense was committed as a result of the applicable condition. Within 15 days of the court's findings, either party may file a challenge to the findings and demand a hearing on the defendant's eligibility under this section.
- (d) If the court makes the determination described in paragraph (c), the court shall, without entering a judgment of guilty, defer further proceedings and place the defendant on probation upon such reasonable conditions as it may require and for a period not to exceed the maximum period provided by law. A court may extend a defendant's term of probation pursuant to section 609.135, subdivision 2, paragraphs (g) and (h). Conditions ordered by the court must include treatment, services, rehabilitation, and education sufficient so that if completed, the defendant would be eligible for discharge and dismissal under subdivision 3. If the court determines that a defendant suffers from a substance use disorder, the court shall order a Rule 25 assessment under Minnesota Rules, part 9530.6615, and order the defendant to follow the recommendations contained in the assessment. If the court determines that a defendant suffers from posttraumatic stress disorder, sexual trauma, traumatic brain injury, or other mental health conditions, the court shall order a mental health assessment conducted by a licensed mental health professional and follow the recommendations contained in the examiner's report.
- (e) If the court determines that the defendant is eligible for a deferred sentence but the defendant has previously received a deferred sentence for a felony offense under this subdivision, the court may, but is not required to, impose a deferred sentence. If the court does not impose a deferred sentence, the court may sentence the defendant as otherwise provided in law, including as provided in subdivision 4.

47.1	(f) Upon violation of a condition of probation, the court may enter an adjudication of
47.2	guilt and proceed as otherwise provided in law, including as provided in subdivision 4.
47.3	(g) As a condition of probation, the court may order the defendant to attend a local, state,
47.4	federal, or private nonprofit treatment program for a period not to exceed the maximum
47.5	period for which the defendant could have been incarcerated.
47.6	(h) The court, when issuing an order under this subdivision that a defendant attend an
47.7	established treatment program, shall give preference to a treatment program that has a history
47.8	of successfully treating veterans who suffer from applicable conditions caused by military
47.9	service, including but not limited to programs operated by the United States Department of
47.10	Defense or Veterans Affairs.
47.11	(i) The court and any assigned treatment program shall collaborate with, when available,
47.12	the county veterans service officer and the United States Department of Veterans Affairs
47.13	to maximize benefits and services provided to the defendant. If an appropriate treatment
47.14	provider is not available in the defendant's county of residence or public funding is not
47.15	available, the Minnesota Department of Veterans Affairs shall coordinate with the United
47.16	States Department of Veterans Affairs to locate an appropriate treatment program and
47.17	sources to fund the cost of the defendant's participation in the program.
47.18	(j) If available in the county or judicial district having jurisdiction over the case, the
47.19	defendant may be supervised by a veterans treatment court program under subdivision 5.
47.20	If there is a veterans treatment court that meets the requirements of subdivision 5 in the
47.21	county in which the defendant resides or works, supervision of the defendant may be
47.22	transferred to that county or judicial district veterans treatment court program. Upon the
47.23	defendant's successful or unsuccessful completion of the program, the veterans treatment
47.24	court program shall communicate this information to the court of original jurisdiction for
47.25	further action.
47.26	(k) Sentencing pursuant to this subdivision waives any right to administrative review
47.27	pursuant to section 169A.53, subdivision 1, or judicial review pursuant to section 169A.53,
47.28	subdivision 2, for a license revocation or cancellation imposed pursuant to section 169A.52,
47.29	and also waives any right to administrative review pursuant to section 171.177, subdivision
47.30	10, or judicial review pursuant to section 171.177, subdivision 11, for a license revocation
47.31	or cancellation imposed pursuant to section 171.177, if that license revocation or cancellation
47.32	is the result of the same incident for which the defendant is being sentenced.
47.33	Subd. 3. Discharge and dismissal. (a) Upon the expiration of the period of the defendant's
47.34	probation, the court shall hold a hearing to discharge the defendant from probation and

18.1	determine whether to dismiss the proceedings against a defendant who received a deferred
18.2	sentence under subdivision 2. The hearing shall be scheduled so that the parties have adequate
18.3	time to prepare and present arguments regarding the issue of dismissal. The parties may
18.4	submit written arguments to the court prior to the date of the hearing and may make oral
18.5	arguments before the court at the hearing. The defendant must be present at the hearing
18.6	unless excused under Minnesota Rules of Criminal Procedure, rule 26.03, subdivision 1,
18.7	clause (3).
18.8	(b) The court shall provide notice to any identifiable victim of the offense at least 15
18.9	days before the hearing is held. Notice to victims of the offense under this subdivision must
18.10	specifically inform the victim of the right to submit an oral or written statement to the cour
18.11	at the time of the hearing describing the harm suffered by the victim as a result of the crime
18.12	and the victim's recommendation on whether dismissal should be granted or denied. The
18.13	judge shall consider the victim's statement when making a decision. If a victim notifies the
18.14	prosecutor of an objection to dismissal and is not present at the hearing, the prosecutor shall
48.15	make the objections known to the court.
18.16	(c) The court shall dismiss proceedings against a defendant if the court finds by clear
18.17	and convincing evidence that the defendant:
18.18	(1) is in compliance with the conditions of probation;
18.19	(2) has successfully completed court-ordered treatment and services to address the
18.20	applicable condition caused by military service;
18.21	(3) does not represent a danger to the health or safety of victims or others; and
18.22	(4) has demonstrated significant benefit from court-ordered education, treatment, or

Original ballots that have been duplicated under section 206.86, subdivision 5, are not within the scope of a recount and must not be examined except as provided by a court in an election contest under chapter 209.
