1.10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.11 Section 1. Minnesota Statutes 2012, section 3.842, subdivision 4a, is amended to read:

1.12 Subd. 4a. **Objections to rules.** (a) For purposes of this subdivision, "committee"

1.13 means the house of representatives policy committee or senate policy committee with

1.14 primary jurisdiction over state governmental operations. The commission or a committee

1.15 may object to a rule as provided in this subdivision. If the commission or a committee

1.16 objects to all or some portion of a rule because the commission or committee considers it

1.17 to be beyond the procedural or substantive authority delegated to the agency, including

1.18 a proposed rule submitted under section 14.15, subdivision 4, or 14.26, subdivision

1.19 ~~3, paragraph (e)~~ 6, the commission or committee may file that objection in the Office

1.20 of the Secretary of State. The filed objection must contain a concise statement of the

1.21 commission's or committee's reasons for its action. An objection to a proposed rule

1.22 submitted by the commission or a committee under section 14.15, subdivision 4, or 14.26,

1.23 subdivision ~~3, paragraph (e)~~ 6, may not be filed before the rule is adopted.

1.24 (b) The secretary of state shall affix to each objection a certification of the date and

1.25 time of its filing and as soon after the objection is filed as practicable shall transmit a

1.26 certified copy of it to the agency issuing the rule in question and to the revisor of statutes.

The secretary of state shall also maintain a permanent register open to public inspection of all objections by the commission or committee.

(c) The commission or committee shall publish and index an objection filed under this section in the next issue of the State Register. The revisor of statutes shall indicate the existence of the objection adjacent to the rule in question when that rule is published in Minnesota Rules.

(d) Within 14 days after the filing of an objection by the commission or committee to a rule, the issuing agency shall respond in writing to the objecting entity. After receipt of the response, the commission or committee may withdraw or modify its objection.

(e) After the filing of an objection by the commission or committee that is not subsequently withdrawn, the burden is upon the agency in any proceeding for judicial review or for enforcement of the rule to establish that the whole or portion of the rule objected to is valid.

(f) The failure of the commission or a committee to object to a rule is not an implied legislative authorization of its validity.

(g) In accordance with sections 14.44 and 14.45, the commission or a committee may petition for a declaratory judgment to determine the validity of a rule objected to by the commission or committee. The action must be started within two years after an objection is filed in the Office of the Secretary of State.

(h) The commission or a committee may intervene in litigation arising from agency action. For purposes of this paragraph, agency action means the whole or part of a rule, or the failure to issue a rule.

Sec. 2. Minnesota Statutes 2012, section 14.05, subdivision 5, is amended to read:

Subd. 5. **Review and repeal of rules.** By December 1 of each fourth year, beginning December 1, 2018, an agency must submit to the governor, the Legislative Coordinating Commission, the policy and funding committees and divisions with jurisdiction over the agency, and the revisor of statutes, a list of any rules or portions of rules that are obsolete, unnecessary, or duplicative of other state or federal statutes or rules. The list must also include an explanation of why the rule or portion of the rule is obsolete, unnecessary, or duplicative of other state or federal statutes or rules. ~~By December 1, The agency must either report a timetable for repeal of the rule or portion of the rule, or must develop a bill for submission to the appropriate policy committee to repeal the obsolete, unnecessary, or duplicative rule. Such a bill must include proposed authorization to use the expedited procedures of section 14.389 to repeal or amend the obsolete, unnecessary, or duplicative rule.~~ A report submitted under this subdivision must be signed by the person in the agency

who is responsible for identifying and initiating repeal of obsolete rules. The report also must identify the status of any rules identified in the prior year's report as obsolete, unnecessary, or duplicative. If none of an agency's rules are obsolete, unnecessary, or duplicative, an agency's ~~December~~ report must state that conclusion.

Sec. 3. Minnesota Statutes 2012, section 14.05, subdivision 6, is amended to read:

Subd. 6. **Veto of adopted rules.** The governor may veto all or a severable portion of a rule of an agency as defined in section 14.02, subdivisions 2 and 4, by submitting notice of the veto to the State Register within 14 days of receiving a copy of the rule from the secretary of state under section 14.16, subdivision 3, 14.26, subdivision 3, or 14.386 or the agency under section 14.389, subdivision 3, ~~or section 14.3895~~. The veto is effective when the veto notice is submitted to the State Register. This authority applies only to the extent that the agency itself would have authority, through rulemaking, to take such action. If the governor vetoes a rule or portion of a rule under this section, the governor shall notify the chairs of the legislative committees having jurisdiction over the agency whose rule was vetoed.

Sec. 4. Minnesota Statutes 2012, section 14.05, is amended by adding a subdivision to read:

Subd. 7. **Electronic notices permitted.** If sections 14.05 to 14.389 require an agency to provide notice or documents to the public, the legislature, or another state agency, the agency may send the notice or document, or a link to the notice or document, using any reliable method of electronic transmission. An agency may file rule-related documents with the Office of Administrative Hearings by electronic transmission in the manner approved by that office and the Office of the Revisor of Statutes by electronic transmission in the manner approved by that office.

Sec. 5. Minnesota Statutes 2012, section 14.07, subdivision 4, is amended to read:

Subd. 4. **Incorporations by reference.** (a) An agency may incorporate by reference into its rules the text from Minnesota Statutes, Minnesota Rules, United States Statutes at Large, United States Code, Laws of Minnesota, Code of Federal Regulations, the Federal Register, and other publications and documents which are determined by the revisor of statutes, to be conveniently available to the public. If the rule incorporates by reference other publications and documents, the rule must contain a statement of incorporation. The statement of incorporation by reference must include the words "incorporated by reference"; must identify by title, author, publisher, and, if applicable, date of publication

of the standard or material to be incorporated; must state whether the material is subject to frequent change; and must contain a statement of availability. When presented with a rule for certification pursuant to subdivision 2 and this subdivision, the revisor of statutes should indicate in the certification that the rule incorporates by reference text from other publications or documents. If the revisor certifies that the form of a rule is approved, that approval constitutes the revisor's finding that the publication or other document other than one listed by name in this subdivision, and which is incorporated by reference into the rules, is conveniently available to the public.

(b) For the purposes of paragraph (a), "conveniently available to the public" means available on the Internet without charge, or available for loan or inspection and copying to a person living anywhere in Minnesota through a statewide interlibrary loan system or in a public library without charge except for reasonable copying fees and mailing costs.

Sec. 6. Minnesota Statutes 2012, section 14.08, is amended to read:

14.08 APPROVAL OF RULE AND RULE FORM; COSTS.

(a) One copy of a rule adopted under section 14.26 must be submitted by the agency to the chief administrative law judge. The chief administrative law judge shall request from the revisor certified copies of the rule when it is submitted by the agency under section 14.26. Within five days after the request for certification of the rule is received by the revisor, excluding weekends and holidays, the revisor shall either return the rule with a certificate of approval of the form of the rule to the chief administrative law judge or notify the chief administrative law judge and the agency that the form of the rule will not be approved.

If the chief administrative law judge disapproves a rule, the agency may modify it and the agency shall submit one copy of the modified rule, approved as to form by the revisor, to the chief administrative law judge.

(b) One copy of a rule adopted after a public hearing must be submitted by the agency to the chief administrative law judge. The chief administrative law judge shall request from the revisor certified copies of the rule when it is submitted by the agency. Within five working days after receipt of the request, the revisor shall either return the rule with a certificate of approval to the chief administrative law judge or notify the chief administrative law judge and the agency that the form of the rule will not be approved.

(c) If the revisor refuses to approve the form of the rule, the revisor's notice must revise the rule so it is in the correct form.

(d) After the agency has notified the chief administrative law judge that it has adopted the rule, the chief administrative law judge shall promptly file four paper copies

or an electronic copy of the adopted rule in the Office of the Secretary of State. The secretary of state shall forward one copy of each rule filed to the agency, to the revisor of statutes, and to the governor.

(d) (e) The chief administrative law judge shall assess an agency for the actual cost of processing rules under this section. Each agency shall include in its budget money to pay the assessments. Receipts from the assessment must be deposited in the administrative hearings account established in section 14.54.

Sec. 7. Minnesota Statutes 2012, section 14.101, subdivision 1, is amended to read:

Subdivision 1. **Required notice.** In addition to seeking information by other methods designed to reach persons or classes of persons who might be affected by the proposal, an agency, at least 60 days before publication of a notice of intent to adopt or a notice of hearing, shall solicit comments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency by causing notice to be published in the State Register. The notice must include a description of the subject matter of the proposal and the types of groups and individuals likely to be affected, and must indicate where, when, and how persons may comment on the proposal and whether and how drafts of any proposal may be obtained from the agency.

This notice must be published within 60 days of the effective date of any new or amendatory law requiring rules to be adopted, amended, or repealed.

An agency intending to adopt an expedited rule under section 14.389 is exempt from the requirements of this section.

(2) the person's name and United States mail address, along with a request to receive copies of the notices by mail.

(b) The agency shall post information on its Web site describing the registration process.

(c) The agency may inquire as to whether those persons on the list in paragraph (a) wish to remain on it and may remove persons for whom there is a negative reply or no reply within 60 days.

6.1 Subd. 2. **Additional notice.** (a) Each agency shall make reasonable efforts to notify
6.2 persons or classes of persons who may be significantly affected by the rule being proposed
6.3 by giving notice of its rule proceedings in newsletters, newspapers, or other publications,
6.4 or through other means of communication.

6.5 (b) For each rulemaking, the agency shall develop an additional notice plan
6.6 describing its efforts to provide additional notification to persons or classes of persons
6.7 who may be affected by the proposed rule or must explain why these efforts were not
6.8 made. The additional notice plan must be submitted to the administrative law judge with
6.9 the other submissions required by section 14.14, subdivision 2a, or 14.26. The agency
6.10 also may seek prior approval of the additional notice plan under the rules of the Office of
6.11 Administrative Hearings.

6.12 Sec. 9. Minnesota Statutes 2012, section 14.116, is amended to read:

12.33 intent to adopt a rule must be the same as the notice published in the State Register, except
12.34 that the mailed notice may omit the text of the proposed rule.

(b) The chief administrative law judge may authorize an agency to omit from the notice of intent to adopt the text of any proposed rule, the publication of which would be unduly cumbersome, expensive, or otherwise inexpedient if:

(1) knowledge of the rule is likely to be important to only a small class of persons;

(2) the notice of intent to adopt states that a free copy of the entire rule is available upon request to the agency; and

(3) the notice of intent to adopt states in detail the specific subject matter of the omitted rule, cites the statutory authority for the proposed rule, and details the proposed rule's purpose and motivation.

Subd. 2. **Dual notices.** The agency may, at the same time notice is given under subdivision 1, give notice of a public hearing and of its intention to proceed under sections 14.14 to 14.20, if one is required under section 14.25. The notice must include a statement advising the public of its intention to cancel the public hearing if ~~25~~ 50 or more persons do not request one. If a hearing is required, there must be at least ten calendar days between the last day for requesting a hearing and the day of the hearing.

Sec. 18. Minnesota Statutes 2012, section 14.25, is amended to read:

14.25 PUBLIC HEARING.

Subdivision 1. **Requests for hearing.** If, during the ~~30-day~~ period allowed for comment under section 14.22, ~~25~~ 50 or more persons submit to the agency a written request for a public hearing of the proposed rule, the agency shall proceed under the provisions of sections 14.14 to 14.20. The written request must include: (1) the name and address of the person requesting the public hearing; ~~and~~ (2) ~~the portion or portions part or subpart, if any, of the rule to which the person objects or a statement that the person opposes the entire rule. If not previously published under section 14.22, subdivision 2, a notice of the public hearing must be published in the State Register and mailed to those persons who submitted a written request for the public hearing. Unless the agency has modified the proposed rule, the notice need not include the text of the proposed rule but only a citation to the State Register pages where the text appears; and~~ (3) the reasons for the objection to each portion of the rule identified.

A written request for a public hearing that does not comply with the requirements of this section is invalid and may not be counted by the agency for purposes of determining whether a public hearing must be held.

Subd. 2. **Withdrawal of hearing requests.** If a request for a public hearing has been withdrawn so as to reduce the number of requests below ~~25~~ 50, the agency must give written notice of that fact to all persons who have requested the public hearing. No public

14.1 hearing may be canceled by an agency within three working days of the hearing. The
14.2 notice must explain why the request is being withdrawn, and must include a description of
14.3 any action the agency has taken or will take that affected or may have affected the decision
14.4 to withdraw the requests. The notice must also invite persons to submit written comments
14.5 within five working days to the agency relating to the withdrawal. The notice and any
14.6 written comments received by the agency is part of the rulemaking record submitted to the
14.7 administrative law judge under section 14.14 or 14.26. The administrative law judge shall
14.8 review the notice and any comments received and determine whether the withdrawal is
14.9 consistent with section 14.001, clauses (2), (4), and (5).

14.10 This subdivision applies only to a withdrawal of a hearing request that affects
14.11 whether a public hearing must be held and only if the agency has taken any action to
14.12 obtain the withdrawal of the hearing request.

14.13 Sec. 19. Minnesota Statutes 2012, section 14.26, is amended to read:

14.14 **14.26 ADOPTION OF PROPOSED RULE; SUBMISSION TO**
14.15 **ADMINISTRATIVE LAW JUDGE.**

14.16 Subdivision 1. **Submission.** If no hearing is required, the agency shall submit to an
14.17 administrative law judge assigned by the chief administrative law judge the proposed rule
14.18 and notice as published, the rule as adopted, any written comments received by the agency,
14.19 and a statement of need and reasonableness for the rule. The agency shall give notice to
14.20 all persons who requested to be informed that these materials have been submitted to the
14.21 administrative law judge. This notice must be given on the same day that the record is
14.22 submitted. If the proposed rule has been modified, the notice must state that fact, and must
14.23 also state that a free copy of the proposed rule, as modified, is available upon request from
14.24 the agency. The rule and these materials must be submitted to the administrative law judge
14.25 within 180 days of the day that the comment period for the rule is over or the rule is
14.26 automatically withdrawn. The agency may not adopt the withdrawn rules without again
14.27 following the procedures of sections 14.05 to 14.28, with the exception of section 14.101,
14.28 if the noncompliance is approved by the chief administrative law judge. The agency
14.29 shall report its failure to adopt the rules and the reasons for that failure to the Legislative
14.30 Coordinating Commission, other appropriate legislative committees, and the governor.

14.31 ~~Subd. 2. **Resubmission.** Even if the 180-day period expires while the administrative~~
14.32 ~~law judge reviews the rule, if the administrative law judge rejects the rule, the agency may~~
14.33 ~~resubmit it after taking corrective action. The resubmission must occur within 30 days of~~
14.34 ~~when the agency receives written notice of the disapproval. If the rule is again disapproved,~~
14.35 ~~the rule is withdrawn. An agency may resubmit at any time before the expiration of the~~

15.1 ~~180-day period. If the agency withholds some of the proposed rule, it may not adopt the~~
15.2 ~~withheld portion without again following the procedures of sections 14.14 to 14.28.~~

15.3 Subd. 3. **Review.** ~~(a)~~ Within 14 days of receiving a submission under subdivision 1,
15.4 the administrative law judge shall approve or disapprove the rule as to its legality and its
15.5 form to the extent that the form relates to legality, including the issues of whether the rule
15.6 if modified is substantially different, as determined under section 14.05, subdivision 2,
15.7 from the rule as originally proposed, whether the agency has the authority to adopt the rule,
15.8 and whether the record demonstrates a rational basis for the need for and reasonableness
15.9 of the proposed rule. ~~If the rule is approved, the administrative law judge shall promptly~~
15.10 ~~file four copies of it in the Office of the Secretary of State. The secretary of state shall~~
15.11 ~~forward one copy of each rule to the revisor of statutes, one to the agency, and one to the~~
15.12 ~~governor.~~ If the rule is disapproved, the administrative law judge shall state in writing the
15.13 reasons for the disapproval and make recommendations to overcome the defects.

15.14 Subd. 4. **Harmless error.** The administrative law judge shall disregard any error or
15.15 defect in the proceeding due to the agency's failure to satisfy any procedural requirements
15.16 imposed by law or rule if the administrative law judge finds:

15.17 (1) that the failure did not deprive any person or entity of an opportunity to
15.18 participate meaningfully in the rulemaking process; or

15.19 (2) that the agency has taken corrective action to cure the error or defect so that the
15.20 failure did not deprive any person or entity of an opportunity to participate meaningfully
15.21 in the rulemaking process.

15.22 Subd. 5. **Correction of defects.** ~~(b)~~ (a) The written disapproval must be submitted
15.23 to the chief administrative law judge for approval. If the chief administrative law judge
15.24 approves of the findings of the administrative law judge, the chief administrative law
15.25 judge shall send the statement of the reasons for disapproval of the rule to the agency,
15.26 the Legislative Coordinating Commission, the house of representatives and senate policy
15.27 committees with primary jurisdiction over state governmental operations, and the revisor
15.28 of statutes and advise the agency and the revisor of statutes of actions that will correct the
15.29 defects. The rule may not be filed in the Office of the Secretary of State, nor be published,
15.30 until the chief administrative law judge determines that the defects have been corrected
15.31 or, if applicable, that the agency has satisfied the rule requirements for the adoption of a
15.32 substantially different rule.

15.33 (b) The agency may resubmit the disapproved rule under paragraph (a) to the chief
15.34 administrative law judge after correcting the defects. If the 180-day period expires while
15.35 the administrative law judge is reviewing the rule, the agency may resubmit the rule within
15.36 30 days of the date the agency received written notice of disapproval. In all other cases,

the agency may resubmit the rule at any time before the expiration of the 180-day period in subdivision 1. If the resubmitted rule is disapproved by the chief administrative law judge, the rule is withdrawn. If the agency does not resubmit a portion of the rule, it may not adopt that portion of the rule without again following the procedures of sections 14.14 to 14.28.

Subd. 6. Need or reasonableness not established. (e) If the chief administrative law judge determines that the need for or reasonableness of the rule has not been established, and if the agency does not elect to follow the suggested actions of the chief administrative law judge to correct that defect, then the agency shall submit the proposed rule to the Legislative Coordinating Commission and to the house of representatives and senate policy committees with primary jurisdiction over state governmental operations for advice and comment. The agency may not adopt the rule until it has received and considered the advice of the commission and committees. However, the agency need not wait for advice for more than 60 days after the commission and committees have received the agency's submission.

~~(d) The administrative law judge shall disregard any error or defect in the proceeding due to the agency's failure to satisfy any procedural requirements imposed by law or rule if the administrative law judge finds:~~

~~(1) that the failure did not deprive any person or entity of an opportunity to participate meaningfully in the rulemaking process; or~~

~~(2) that the agency has taken corrective action to cure the error or defect so that the failure did not deprive any person or entity of an opportunity to participate meaningfully in the rulemaking process.~~

Subd. 7. Filing. If the rule is approved, the administrative law judge shall promptly file four paper copies or an electronic copy of it in the Office of the Secretary of State. The secretary of state shall forward one copy of each rule to the revisor of statutes, one to the agency, and one to the governor.

Subd. 4 8. Costs. The Office of Administrative Hearings shall assess an agency for the actual cost of processing rules under this section. Each agency shall include in its budget money to pay the assessment. Receipts from the assessment must be deposited in the administrative hearings account created in section 14.54.

Sec. 20. Minnesota Statutes 2012, section 14.388, subdivision 1, is amended to read:

Subdivision 1. **Requirements.** If an agency for good cause finds that the rulemaking provisions of this chapter are unnecessary, impracticable, or contrary to the public interest when adopting, amending, or repealing a rule to:

(1) address a serious and immediate threat to the public health, safety, or welfare;

(2) comply with a court order or a requirement in federal law in a manner that does not allow for compliance with sections 14.14 to 14.28;

(3) incorporate specific changes set forth in applicable statutes when no interpretation of law is required; or

(4) make changes that do not alter the sense, meaning, or effect of a rule, the agency may adopt, amend, or repeal the rule after satisfying the requirements of subdivision 2 and section 14.386, paragraph (a), clauses (1) to (4). The agency shall incorporate its findings and a brief statement of its supporting reasons in its order adopting, amending, or repealing the rule.

After considering the agency's statement and any comments received, the Office of Administrative Hearings shall determine whether the agency has provided adequate justification for its use of this section.

Rules adopted, amended, or repealed under ~~clauses~~ clause (1) ~~and (2)~~ are effective for a period of two years from the date of publication of the rule in the State Register.

Rules adopted, amended, or repealed under clause (2), (3), or (4) are effective upon publication in the State Register.

Sec. 21. Minnesota Statutes 2012, section 14.389, is amended to read:

14.389 EXPEDITED PROCESS.

Subdivision 1. **Application.** (a) This section applies when a law requiring or authorizing rules to be adopted states that this section must or may be used to adopt the rules. When a law refers to this section, the process in this section is the only process an agency must follow for its rules to:

(1) a law requiring or authorizing rules to be adopted states that this section must or may be used to adopt the rules;

(2) an agency is adopting or incorporating by reference a specific code or standard referenced in a law requiring or authorizing rules to be adopted under this chapter;

(3) an agency is adopting or modifying a rule to conform to a change in federal law or regulation a state law or rule that is binding on the state; or

(4) an agency is repealing rules that are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

(b) An agency may also use this process to adopt rules it determines are noncontroversial if there is other law authorizing the rules.

(c) Rules adopted under this section have the force and effect of law. Sections 14.19 and 14.366 apply to rules adopted under this section.

Subd. 2. **Notice and comment.** (a) The agency must publish notice of the proposed rule in the State Register and must mail the notice by United States mail or electronic mail to persons who have registered with the agency to receive mailed notices.

(b) The notice for rules adopted under the authority granted in subdivision 1, paragraph (b), must include a statement that if 50 or more persons request that the agency follow all of the requirements for rules adopted with or without a public hearing, as appropriate, except section 14.101, the agency shall adopt the rule only after complying with all of the requirements for rules adopted with or without a public hearing, as appropriate, except section 14.101. The notice must also include an easily readable and understandable description of the purpose, nature, and effect of the proposed rules, including a description of the persons or classes of persons who are likely to be affected by the proposed rulemaking. A hearing request made pursuant to this subdivision must be in writing and include: (1) the name and address of the person requesting the agency to adopt the rule in compliance with the procedures under sections 14.05 to 14.28; and (2) the portion or portions of the rule to which the person objects or a statement that the person is opposed to the entire rule.

(c) The mailed notice must include either a copy of the proposed rule or a description of the nature and effect of the proposed rule and a statement that a free copy is available from the agency upon request.

(d) The notice in the State Register must include the proposed rule or the amended rule in the form required by the revisor under section 14.07, an easily readable and understandable summary of the overall nature and effect of the proposed rule, and a citation to the most specific statutory authority for the rule, including authority for the rule to be adopted under the process in this section.

(e) The agency must allow 30 days after publication in the State Register for comment on the rule.

Subd. 3. **Adoption.** The agency may modify a proposed rule if the modifications do not result in a substantially different rule, as defined in section 14.05, subdivision 2, paragraphs (b) and (c). If the final rule is identical to the rule originally published in the State Register, the agency must publish a notice of adoption in the State Register. If the final rule is different from the rule originally published in the State Register, the agency must publish a copy of the changes in the State Register. The agency must also file a copy of the rule with the governor. The rule is effective upon publication in the State Register.

Subd. 4. **Legal review.** Before publication of the final rule in the State Register, the agency must submit the rule and its order adopting, amending, or repealing the rule to an administrative law judge in the Office of Administrative Hearings. The agency's order

19.1 must include the agency's findings and a brief statement summarizing its reasons for using
19.2 this expedited process. The administrative law judge shall within 14 days approve or
19.3 disapprove the rule as to its legality and its form to the extent the form relates to legality.

19.4 Subd. 5. **Option.** A law authorizing or requiring rules to be adopted under this
19.5 section may refer specifically to this subdivision. If the law contains a specific reference to
19.6 this subdivision, as opposed to a general reference to this section:

19.7 (1) the notice required in subdivision 2 must include a statement that a public
19.8 hearing will be held if 100 or more people request a hearing. The request must be in
19.9 the manner specified in section 14.25; and

19.10 (2) if 100 or more people submit a written request for a public hearing, the agency
19.11 may adopt the rule only after complying with all of the requirements of chapter 14 for
19.12 rules adopted after a public hearing, except for section 14.101.

19.13 Subd. 6. **Additional notice plan.** An agency proposing expedited rules under
19.14 subdivision 1 must give notice by methods designed to reach persons or classes of persons
19.15 who might be affected by the proposal before publication of the notice required by
19.16 subdivision 2 in the State Register. The agency must submit its additional notice plan to the
19.17 Office of Administrative Hearings and receive approval of the plan before publication. The
19.18 request for approval must include a description of the proposed additional notice plan; a
19.19 description or a draft of the proposed rules; and an explanation of why the agency believes
19.20 that its additional notice plan provides sufficient notice. The administrative law judge
19.21 must approve or disapprove the plan within five working days after the office receives it.

19.22 Sec. 22. Minnesota Statutes 2012, section 115.44, subdivision 7, is amended to read:

19.23 Subd. 7. **Rule notices.** ~~For rules authorized under this section, the notices required~~
19.24 ~~to be mailed under sections 14.14, subdivision 1a, and 14.22 must also be mailed~~ When a
19.25 rulemaking conducted under this section will change the use classification of a particular
19.26 water, the agency must provide notice to the governing body of each municipality
19.27 bordering the affected water or through which the waters for which standards are sought
19.28 to be adopted flow affected water flows.

19.29 Sec. 23. Minnesota Statutes 2012, section 116.07, subdivision 2, is amended to read:

19.30 Subd. 2. **Adoption of standards.** (a) The Pollution Control Agency shall improve
19.31 air quality by promoting, in the most practicable way possible, the use of energy sources
19.32 and waste disposal methods which produce or emit the least air contaminants consistent
19.33 with the agency's overall goal of reducing all forms of pollution. The agency shall also
19.34 adopt standards of air quality, including maximum allowable standards of emission of air

contaminants from motor vehicles, recognizing that due to variable factors, no single standard of purity of air is applicable to all areas of the state. In adopting standards the Pollution Control Agency shall give due recognition to the fact that the quantity or characteristics of air contaminants or the duration of their presence in the atmosphere, which may cause air pollution in one area of the state, may cause less or not cause any air pollution in another area of the state, and it shall take into consideration in this connection such factors, including others which it may deem proper, as existing physical conditions, zoning classifications, topography, prevailing wind directions and velocities, and the fact that a standard of air quality which may be proper as to an essentially residential area of the state, may not be proper as to a highly developed industrial area of the state. Such standards of air quality shall be premised upon scientific knowledge of causes as well as effects based on technically substantiated criteria and commonly accepted practices. No local government unit shall set standards of air quality which are more stringent than those set by the Pollution Control Agency.

(b) The Pollution Control Agency shall promote solid waste disposal control by encouraging the updating of collection systems, elimination of open dumps, and improvements in incinerator practices. The agency shall also adopt standards for the control of the collection, transportation, storage, processing, and disposal of solid waste and sewage sludge for the prevention and abatement of water, air, and land pollution, recognizing that due to variable factors, no single standard of control is applicable to all areas of the state. In adopting standards, the Pollution Control Agency shall give due recognition to the fact that elements of control which may be reasonable and proper in densely populated areas of the state may be unreasonable and improper in sparsely populated or remote areas of the state, and it shall take into consideration in this connection such factors, including others which it may deem proper, as existing physical conditions, topography, soils and geology, climate, transportation, and land use. Such standards of control shall be premised on technical criteria and commonly accepted practices.

(c) The Pollution Control Agency shall also adopt standards describing the maximum levels of noise in terms of sound pressure level which may occur in the outdoor atmosphere, recognizing that due to variable factors no single standard of sound pressure is applicable to all areas of the state. Such standards shall give due consideration to such factors as the intensity of noises, the types of noises, the frequency with which noises recur, the time period for which noises continue, the times of day during which noises occur, and such other factors as could affect the extent to which noises may be injurious to human health or welfare, animal or plant life, or property, or could interfere unreasonably with the enjoyment of life or property. In adopting standards, the Pollution Control Agency shall

21.1 give due recognition to the fact that the quantity or characteristics of noise or the duration
21.2 of its presence in the outdoor atmosphere, which may cause noise pollution in one area
21.3 of the state, may cause less or not cause any noise pollution in another area of the state,
21.4 and it shall take into consideration in this connection such factors, including others which
21.5 it may deem proper, as existing physical conditions, zoning classifications, topography,
21.6 meteorological conditions and the fact that a standard which may be proper in an essentially
21.7 residential area of the state, may not be proper as to a highly developed industrial area of
21.8 the state. Such noise standards shall be premised upon scientific knowledge as well as
21.9 effects based on technically substantiated criteria and commonly accepted practices. No
21.10 local governing unit shall set standards describing the maximum levels of sound pressure
21.11 which are more stringent than those set by the Pollution Control Agency.

21.12 (d) The Pollution Control Agency shall adopt standards for the identification of
21.13 hazardous waste and for the management, identification, labeling, classification, storage,
21.14 collection, transportation, processing, and disposal of hazardous waste, recognizing
21.15 that due to variable factors, a single standard of hazardous waste control may not be
21.16 applicable to all areas of the state. In adopting standards, the Pollution Control Agency
21.17 shall recognize that elements of control which may be reasonable and proper in densely
21.18 populated areas of the state may be unreasonable and improper in sparsely populated
21.19 or remote areas of the state. The agency shall consider existing physical conditions,
21.20 topography, soils, and geology, climate, transportation and land use. Standards of
21.21 hazardous waste control shall be premised on technical knowledge, and commonly
21.22 accepted practices. Hazardous waste generator licenses may be issued for a term not to
21.23 exceed five years. No local government unit shall set standards of hazardous waste control
21.24 which are in conflict or inconsistent with those set by the Pollution Control Agency.

21.25 (e) A person who generates less than 100 kilograms of hazardous waste per month is
21.26 exempt from the following agency hazardous waste rules:

21.27 (1) rules relating to transportation, manifesting, storage, and labeling for photographic
21.28 fixer and x-ray negative wastes that are hazardous solely because of silver content; and

21.29 (2) any rule requiring the generator to send to the agency or commissioner a copy
21.30 of each manifest for the transportation of hazardous waste for off-site treatment, storage,
21.31 or disposal, except that counties within the metropolitan area may require generators to
21.32 provide manifests.

21.33 Nothing in this paragraph exempts the generator from the agency's rules relating to on-site
21.34 accumulation or outdoor storage. A political subdivision or other local unit of government
21.35 may not adopt management requirements that are more restrictive than this paragraph.

(f) In any rulemaking proceeding under chapter 14 to adopt standards for air quality, solid waste, or hazardous waste under this chapter, or standards for water quality under chapter 115, the statement of need and reasonableness must ~~include:~~

~~(1) an assessment of any differences between the proposed rule and:~~

~~(i) existing federal standards adopted under the Clean Air Act, United States Code, title 42, section 7412(b)(2); the Clean Water Act, United States Code, title 33, sections 1312(a) and 1313(c)(4); and the Resource Conservation and Recovery Act, United States Code, title 42, section 6921(b)(1);~~

~~(ii) similar standards in states bordering Minnesota; and~~

~~(iii) similar standards in states within the Environmental Protection Agency Region 5; and~~

~~(2) a specific analysis of the need and reasonableness of each difference~~ assess and provide a specific analysis of the need and reasonableness of each difference between the proposed rule and existing or proposed federal standards and similar standards in relevant states bordering Minnesota or within Environmental Protection Agency Region 5.

Sec. 24. **REPEALER.**

Minnesota Statutes 2012, sections 14.04; 14.14, subdivision 1b; and 14.3895, are repealed.

Sec. 25. **EFFECTIVE DATE; APPLICATION.**

This act is effective the day following final enactment and applies to rules for which a notice of hearing under Minnesota Statutes, section 14.14; a notice of intent to adopt under Minnesota Statutes, section 14.22; or a dual notice under Minnesota Statutes, section 14.225, is published in the State Register on or after that date.

14.04 AGENCY ORGANIZATION; GUIDEBOOK.

To assist interested persons dealing with it, each agency must, in a manner prescribed by the commissioner of administration, prepare a description of its organization, stating the general course and method of its operations and where and how the public may obtain information or make submissions or requests. The commissioner of administration must publish these descriptions at least once every four years commencing in 1981 in a guidebook of state agencies. Notice of the publication of the guidebook must be published in the State Register and given in newsletters, newspapers, or other publications, or through other means of communication. The commissioner must make an electronic version of the guidebook available on the Internet free of charge through the North Star information service.

14.14 HEARING ON RULE.

Subd. 1b. **Farming operations.** When a public hearing is conducted on a proposed rule that affects farming operations, at least one public hearing must be conducted in an agricultural area of the state.

14.3895 PROCESS FOR REPEALING OBSOLETE RULES.

Subdivision 1. **Application.** An agency may use this section to repeal rules identified in the agency's annual obsolete rules report under section 14.05, subdivision 5, unless a law specifically requires another process or unless 25 requests are received under subdivision 4. Sections 14.19, 14.20, 14.365, and 14.366 apply to rules repealed under this section.

Subd. 2. **Notice plan; prior approval.** The agency shall draft a notice plan under which the agency will make reasonable efforts to notify persons or classes of persons who may be significantly affected by the rule repeal by giving notice of its intention in newsletters, newspapers, or other publications, or through other means of communication. Before publishing the notice in the State Register and implementing the notice plan, the agency shall obtain prior approval of the notice plan by the chief administrative law judge.

Subd. 3. **Notice and comment.** The agency shall publish notice of the proposed rule repeal in the State Register. The agency shall also mail the notice by United States mail or electronic mail to persons who have registered with the agency to receive mailed notices and to the chairs and ranking minority party members of the legislative policy and budget committees with jurisdiction over the subject matter of the proposed rule repeal. The agency shall also give notice according to the notice plan approved under subdivision 2. The mailed notice must include either a copy of the rule proposed for repeal or a description of the nature and effect of the proposed rule repeal and a statement that a free copy is available from the agency upon request. The notice must include a statement that, if 25 or more people submit a written request, the agency will have to meet the requirements of sections 14.131 to 14.20 for rules adopted after a hearing or the requirements of sections 14.22 to 14.28 for rules adopted without a hearing, including the preparation of a statement of need and reasonableness and the opportunity for a hearing. The agency shall allow 60 days after publication in the State Register for comment on the proposed rule repeal.

Subd. 4. **Requests.** If 25 or more people submit a written request, the agency may repeal the rule only after complying with sections 14.131 to 14.20 or the requirements of sections 14.22 to 14.28. The requests must be in the manner specified in section 14.25.

Subd. 5. **Adoption.** If the final repeal is identical to the action originally published in the State Register, the agency shall publish a notice of repealers in the State Register. If the final action is different from the action originally published in the State Register, the agency shall publish a copy of the changes in the State Register. The agency shall also file a copy of the repealed rule with the governor. The repeal is effective after it has been subjected to all requirements described in this section or sections 14.131 to 14.20 or 14.22 to 14.28 and five working days after the notice of repeal is published in the State Register unless a later date is required by law or specified in the rule repeal proposal.

Subd. 6. **Legal review.** Before publication of the final rule in the State Register, the agency shall submit the rule to the chief administrative law judge in the Office of Administrative Hearings. The chief administrative law judge shall within 14 days approve or disapprove the rule as to its legality and its form to the extent the form relates to legality.
