.5	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:
.6	Section 1. <u>DELIVERING HEALTH CARE THROUGH STATE PROGRAMS.</u>
.7	Subdivision 1. Plan submittal. The commissioner of human services, in
.8	consultation with the commissioners of health and commerce, shall develop and submit to
.9	the legislature, by December 15, 2012, a plan to restructure and reform medical assistance,
.10	MinnesotaCare, and other state health care programs, in order to maintain and improve
.11	health care access, quality, cost-effectiveness, and affordability, in the event that the
.12	federal government makes significant changes in Medicaid service delivery, eligibility,
.13	and financing.
.14	Subd. 2. Plan criteria. The plan submitted by the commissioner must:
.15	(1) provide for continuity of care and minimize any loss of health care access or
.16	coverage;
.17	(2) emphasize personal responsibility and involvement in making choices about
.18	health care;
.19	(3) provide patients and health care providers with financial incentives to use and
.20	deliver health care services efficiently and achieve better health outcomes;
.21	(4) incorporate innovative and effective health care delivery approaches, including
.22	but not limited to approaches based on defined contributions to enrollees and a system
.23	of coordinated care delivery models; and
