CHAPTER CLII.

AN ACT TO AMEND AN ACT ENTITLED AN "ACT TO PROVIDE FOR THE RECEPTION AND DISPOSITION OF THE QUOTA OF FISH AND SPAWN ALLOTTED TO THIS STATE BY THE UNITED STATES," APPROVED MARCH FIFTH, EIGHTEEN HUNDRED AND SEVENTY-FOUR.

Be it enacted by the Legislature of the State of Minnesota :

SECTION 1. That sections one, two and three of said act shall be amended so as to read as follows :

Section 1. The governor shall appoint immediately after the passage of this act, three commissioners of fisheries, who shall hold their offices for the term of one year, and until their successors are appointed, and shall serve without compensation for the ensuing year. *Provided*, That thereafter the said board of commissioners may, by resolution, designate one member of the board as the business agent of the board ; and it shall be his duty to keep minutes of the acts and proceedings of said board from time to time, including a detailed list of all expenditures ; to collect, classify and present to said board such statistics, data and information as the board may order, or he may think tend to promote the object of this act, and to conduct the correspondence, take charge of and safely keep the reports, books, papers, documents, specimens, &c., which may be collected by the commissioners ; and to prepare an annual report of the board to the governor, showing what has been done by the board for the current year, the performance of their duties, the amount expended by them, and the objects for which the expenditures were made ; which report shall contain such recommendations for legislative action as the commissioners may deem best calculated to promote the cultivation and increase of and to cheapen the more useful food fishes within the state. For the performance of these duties, and of such other duties as may be ordered by the board, the said agent shall be paid from the funds appropriated, such sum as the board by resolution shall designate, not exceeding one thousand dollars per annum.

Governor to appoint commissioners of fisheries—commissioners to appoint agent—compensation of agent.

Sec. 2. It shall be the duty of such commissioners to make application for and receive from the United States commissioner of fisheries, such quota of stock, spawn or fry, as may be allotted from time to time to this state, and to purchase or procure from the fish commissioners of other states, or from other persons or sources, the eggs or fry of such species or varieties of food fishes as the commissioners may deem desirable, and to hatch the spawn and plant the fry so received or procured in such lakes and streams in the state as shall in their judgment afford the best opportunity for the success of this enterprise ; and further to make investigations on the subject of and experiments in fish culture, calculated to promote the objects of this act within the state. It shall be the duty of the commissioners to see that the report of their proceedings and recommendations required by the first section of this act, shall be made to the governor on or before the first Monday of December of each year, and the governor shall lay the same before the legislature on the assembling thereof.

Duty of commissioners.
