

tion from the board of county commissioners of such county for all such services rendered, until the arrival of the regular county physician, and it shall be the duty of such physician at once to notify the regular county physician of such case, and it shall thereupon be the duty of such county physician to take charge of such case or relieve the county from any further expense for such emergency treatment. Any physician, when so called, in any such emergency case, shall within thirty (30) days after performing such service file with the county auditor of the county within which such service is performed, a written report of such case, giving the name and place of residence of the patient, the day and hour when called, the distance actually traveled in going to such place, the nature of the disease or injury and the service performed, and the time when the regular county physician was notified and took charge of the case and the amount claimed from the board of county commissioners as compensation for such service. The said report shall be duly verified by such physician and shall be presented by said county auditor at the next meeting of the board of county commissioners. No bill for any such service shall be allowed by the board of county commissioners of any county unless the verified report of the claimant shall first have been filed as herein provided for.

Provided, that the provisions of this act shall not apply to counties caring for the poor by the township system."

CHAPTER 173.

Streets in cities of over 50,000.

An act authorizing cities of more than fifty thousand inhabitants to cause the grass to be cut upon grass plots, whenever necessary, within the limits of any street in any such city, and to levy special assessments therefor.

Be it enacted by the Legislature of the State of Minnesota:

Care of grass along streets by park commission.

SECTION 1. Whenever in any city of this state having more than fifty thousand (50,000) inhabitants, a majority of the owners of property fronting upon any street, or any portion of any street not less than one block in length, wherein have been constructed or shall hereafter be con-

structed any grass plots between the sidewalk and roadway of such street, shall file a petition with the common council or other governing body to place the grass plots in said street, or such portion of the street upon which the property owned by the petitioners shall front, as aforesaid, under the care and management of the board of park commissioners of such city for the purpose of having the grass cut upon such grass plots when necessary, such common council may, upon the filing of such petition, pass a resolution placing the grass plots in the street or portion of street described in such petition, under the jurisdiction, care and management of said board of park commissioners for the purpose of causing the grass thereon to be cut when necessary; and upon the passage of such resolution it shall be the duty of the clerk of such common council or other governing body to forthwith forward to said board of park commissioners a certified copy of such resolution.

SEC. 2. Upon the receipt by said board of park commissioners of a certified copy of such resolution, the grass plots upon the street or portion of street described in said petition and said resolution, shall be under the jurisdiction, care and management of said board of park commissioners for the purpose of cutting grass thereon, whenever necessary; and thereupon said board of park commissioners may cause the grass on said grass plots to be cut, whenever necessary, and the expense of such work shall, in the first instance, be payable out of a general fund of such city.
