CHAPTER 348—H. F. No. 1016

*An act to amend General Statutes 1923, Section 10815, as amended by Chapter 172, General Laws 1927, relating to the manufacture and sale of farm machinery and rope and ply goods at the State Prison.*

Be it enacted by the Legislature of the State of Minnesota:

Section 1. State prison may manufacture additional machinery.—That General Statutes 1923, Section 10815, as amended by Chapter 172, General Laws 1927, be amended to read as follows:

“10815. The State Board of Control is hereby authorized, empowered, and directed to establish, construct, equip, maintain and operate, at the State Prison, at Stillwater, a factory for the manufacture of hay rakes, hay loaders, mowers, grain harvesters and binders, corn harvesters and binders and corn cultivators, and the extra parts thereof and, if the board deems it advisable, cultivators of all kinds, culti-packers, manure spreaders, ploughs, rotary hoes, and the extra parts thereof and rope and ply goods of all kinds and for that purpose to employ, and make use of the labor of prisoners kept in said prison, at any time available therefor and as largely as may be, and such but only such skilled laborers as in the judgment of the said Board of Control and the Warden of the State Prison may be necessary for the feasible and successful and profitable employment of the said prisoners therein therefor, and for the purposes of, and to give full effect to, this act, said Board of Control may use all of, or any part of, not exceeding two hundred fifty thousand dollars of the existing state prison revolving fund created by and existing under Chapter 151 of the General Laws of 1909 (Section 9291-9294, General Statutes 1913) but provided further that said State Board of Control and the said Warden of the Prison shall, at all times, in the line of manufacturing herein authorized and directed, employ and make use of prison labor to the largest extent feasible.

And said Board of Control and said Warden of the said Prison are hereby authorized, directed and instructed to establish in and throughout all parts of this State where there is use and demand for such manufactured products as are referred to herein, and binding twines, *and ropes and ply goods of all kinds*, local selling agencies therefor, and to contract with such agencies to furnish thereto for the local sale thereof, *the farm machinery the manufacture of which is authorized by this act* and the extra parts thereof, f. o. b. the said factory, at the actual cost of the production thereof, plus five per cent of the actual cost thereof; including a charge of not to exceed twenty-seven cents per hour for labor of each prisoner employed; and the said local agencies so contracted with are hereby authorized in the resale thereof to their actual customers therefor, to charge advance prices equaling twenty per cent of the prices charged them for said machines (plus actual freight charges), but not a greater profit thereon, and the contracts entered into with said agencies shall be so worded as to obligate them to be diligent in the prosecution of the sales of the said machines to the customers therefor."

Approved April 24, 1929.

#### CHAPTER 349—H. F. No. 1020

*An act to amend Section 27, General Laws 1925, Chapter 407, as amended by General Laws 1927, Chapter 310, relating to the construction, equipment, and operation of locomotives and other steam engines and boilers in forest areas and to fire prevention devices thereon and to the duties and powers of the Commissioner of Forestry and Fire Prevention and other officers in connection therewith.*

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Safety devices on locomotives.—That paragraph (c) of sub-section (1) of Section 27, General Laws 1925, Chapter 407, be and the same hereby is amended so as to read as follows:

"(c) Openings in ash pans for draught purposes shall be protected by screens bolted firmly and securely over such openings or by the use of deflector plates in place of screens, provided that any deflector plate used for such purpose shall extend above or below (as the case may be) the opening to be protected a distance at least
