"Section 10½. If in any year it shall become actually necessary to incur indebtedness or expend funds for the purpose of meeting court expenses, mothers' pension allowances, poor relief and other items, the amounts of which are beyond the control of the governing body of such municipality and could not be reasonably and definitely anticipated and fixed at the time of making the budget contemplated by Section 10, the governing body of such municipality may apply to the proper district court for an order permitting the incurring and payment of such additional expenditures. Such application shall be publicly heard by said court at the county seat of the county, after two weeks published notice thereof; and, if the court shall find such additional indebtedness or expenditures to be actually necessary and within the terms of this section, and that the amount thereof could not have been reasonably and definitely anticipated at the time of making the budget, and could not be reasonably met by or out of allotments in the budget to such purposes, or by or out of the emergency fund, said court may make an order permitting and authorizing such additional indebtedness or expenditures, or so much thereof as it shall find to be proper.

Provided, however, that any such municipality by resolution of its governing body, and without submitting the proposition to the electors thereof, may issue and sell its tax anticipation notes which may pledge the general obligation of the respective municipality, or only a certain fund, or both, or otherwise, in anticipation of and in an amount not exceeding sixty per cent of the uncollected taxes levied for the current year at any time during said year when the governing body shall determine it shall be actually necessary, up to the amount of the budget for said current year, without application to the District Court. Such tax anticipation notes shall mature not later than December 31st of the year next succeeding that in which the taxes so anticipated were levied, and shall be in such form and denomination, and shall be executed in such manner, as the governing body shall determine, provided the same must be sold for cash only in the manner prescribed by Mason's Minnesota Statutes of 1927, Section 1943."
