CHAPTER 410—S. F. No. 892

An act relating to motor vehicle number plates; amending Minnesota Statutes 1945, Section 168.37, as amended.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1945, Section 168.37, as amended by Laws 1947, Chapter 404, Section 1, is amended to read:

168.37. **Plates; size, form.** Subdivision 1. These number plates shall be substantially of the following size and form: A plate or placard of metal, enamel, or other suitable material, approximately five and five-eighths inches wide and approximately 12 inches long, the length to vary with the number of digits in the number. On the body of such plate there shall be the distinctive registration number assigned to the vehicle, in figures approximately three inches high, each stroke of which shall be of such width as will be most conducive to legibility. A letter or letters similar in size to the figures may be used as a part of the registration number at the beginning thereof to indicate class of registration. Below the registration number there shall be the year of registration number and the word "Minnesota" in characters three-fourths of an inch high. Motor-cycles shall be assigned plates of substantially the same design, but three inches wide and seven inches long, with such proportionate reduction in size of letters and numerals as may be necessary. Dealers' number plates shall be of substantially the same size and design as passenger vehicle and truck plates.

Subd. 2. There shall appear on the number plates issued for the year 1950 and each subsequent year thereafter the following: "10,000 Lakes." Such change in the size and form of the plates and such rearrangement of the words and figures thereon as may be necessary to best carry out the provisions of this subdivision are hereby authorized.

Approved April 14, 1949.
