**Sec. 5. Power of Commissioner of Administration in modification of certain provisions of Section 1.** Whenever all the contracts have been entered into for the completion of any project for which an appropriation is made by Subdivisions 2, 3, 4, 5, 6 or 7 of Section 1 hereof, and the total amount encumbered therefor is less than the maximum amount appropriated for such project, the commissioner of administration is authorized to use an amount equal to the difference between the total amount so encumbered and the maximum amount so appropriated for any other purpose authorized by Subdivisions 2, 3, 4, 5, 6 or 7 of Section 1 hereof, and the amounts of such differences are hereby appropriated to the commissioner of administration for such other purposes.

**Sec. 6. Taxation. Subdivision 1. Tax levy on all taxable property sufficient to produce \$582,872 each year for 14**

years. For the purpose of providing funds with which to carry out the provisions of Section 1 of this act, the state auditor is hereby authorized and directed to cause to be levied upon all taxable property in the state, including notwithstanding the provisions of Minnesota Statutes 1945, Section 273.13, Subdivisions 6 and 7, all platted or unplatted real estate used for the purpose of a homestead, in the manner in which all other state taxes are levied, for each year commencing in the year 1949 and for each of the next succeeding 14 years, taxes sufficient to produce \$582,872 each year, together with such additional sum each year as may be necessary to pay the interest upon the certificates of indebtedness issued pursuant to the provisions of this section. In the event of a deficiency in the proceeds of a levy for any year, the state auditor shall levy such additional amount in succeeding years as may be necessary to produce the full amount herein authorized. The proceeds from the taxes herein authorized shall be credited to the fund known as the Minnesota State Building Fund.

Subd. 2. **Issuance of state obligations.** Pending the levy and collection of the taxes authorized by Subdivision 1 hereof, the state auditor is authorized and directed to issue and sell certificates of indebtedness of the state not exceeding the amount required from time to time to meet the appropriation made in Section 1 hereof and not exceeding in the aggregate \$8,743,068. These certificates shall be issued and sold by the state auditor upon request of the commissioner of administration as funds are needed for the purposes of Section 1 hereof. These certificates shall be known as state building fund certificates of 1949, shall be numbered consecutively, and shall be issued and sold at not less than par upon sealed bids after two weeks' published notice, unless sold to the State Board of Investment, which is hereby authorized to invest any funds under its control or direction in any of these certificates of indebtedness so issued and to purchase such certificates at a rate of interest not exceeding three per cent per annum. These certificates shall be in such form and of such denominations and shall mature at such times as the state auditor shall determine, not exceeding the time when funds shall be available for the payment thereof from the tax levies authorized in Subdivision 1 of this section. These certificates shall bear such *rate of interest, payable semiannually, and shall contain such other terms and provisions, not inconsistent herewith, as the state auditor may determine.* These certificates shall be signed by the state treasurer and attested by the state auditor under their official seals, and the state auditor and state treasurer

shall keep records thereof. The principal of these certificates shall be payable only from the proceeds of the taxes authorized by Subdivision 1 of this section, and so much thereof as may be necessary is hereby appropriated for such payments, provided that such interest as may become due at any time when there is not on hand a sufficient amount from the proceeds of such taxes to pay the same shall be paid out of the general revenue fund in the state treasury, and the amount necessary therefor is hereby appropriated, to be reimbursed from the proceeds of the taxes authorized by Subdivision 1 of this section.

**Subd. 3. Minnesota state building fund.** The amounts obtained from the sale of the certificates of indebtedness authorized by this section shall be credited to the Minnesota State Building Fund to pay the appropriation made by Subdivision 1 of Section 1 hereof.

**Sec. 7. Application.** In addition to any purpose specified in this act, all appropriations in Section 1 hereof are made for the same purposes as the purposes for which the respective appropriations which they supplement were made.

**Sec. 8. State university.** When used in this act, the term "state university" means Regents of the University of Minnesota.

**Sec. 9. Certain moneys appropriated in 1941, 1943, 1945, 1947, re-appropriated.** Notwithstanding any other provision of law, the moneys appropriated by Laws 1941, Chapter 529, Laws 1943, Chapters 617 or 660, Laws 1945, Chapters 593 or 609, or Laws 1947, Chapters 634 or 636, for purposes which have not been accomplished and remaining unexpended or unencumbered on the effective date of this act and for which an appropriation is made by this act, are hereby reappropriated to the agencies of the state therein named, except as herein otherwise provided, for the purposes therein stated and remain available until such purposes are accomplished.

**Sec. 10. Effective date.** This act shall be effective immediately upon its final enactment.

Approved April 16, 1949.
