

ployee as defined in section 176.66, subdivision 1, notice thereof in accordance with section 176.16 shall have been given to the employer, and unless the claim is filed with the commission with *the period specified in section 176.18*, except that in case of silicosis or asbestosis the claim may be filed with the commission within three years after the date of employee's last exposure or within three years of the date of the last payment of compensation by the employer, or his default in payment. If disablement occurs within the last 90 days allowed by this section for filing claim with the commission, then the employee or his dependents shall be allowed a period of 90 days from the happening of such disablement to comply with the provisions of this section.

Compensation is not payable for partial disability from silicosis or asbestosis, except where such partial disability follows a compensable period of total disability.

Approved April 18, 1951.
