

county's population bears to the total population served by one officer. For the purposes of this section, the population of any county shall be the most recent estimate made by the department of health. At least every six months the youth conservation commission shall certify to the state treasurer the total cost and expenses incurred by the commission on behalf of each county to which it has provided probation services. The treasurer shall notify each county of the cost and expenses so certified and the county shall pay to the treasurer forthwith the amount certified. All such reimbursements shall be deposited in the general revenue fund. Objections by a county to all allocation of such cost and expenses shall be presented to and determined by the commissioner of administration. Each county obtaining probation services from the youth conservation commission under this section is hereby authorized to use unexpended funds and to levy additional taxes for this purpose.

The county commissioners of ~~all counties~~ *any county* of not more than 100,000 population shall, *when requested to do so by the juvenile judge*, provide probation officers with suitable offices, *and may provide equipment, and secretarial help* needed to render the required services.
