

Subd. 3. After July 1, 1969, the state college board may institute a prescribed doctors curriculum of studies and award the appropriate doctoral degree to such persons who complete the prescribed curriculum of studies.

Subd. 4. The state college board may also award an appropriate certificate indicating the completion of a prescribed curriculum of studies not resulting in the conferring of a bachelors, masters or doctors degree to persons completing such prescribed certificated curriculum of studies.

Sec. 2. Doctoral degree study. *The state college board is directed to investigate the development of doctoral programs at the state colleges and to report its findings to each member of the legislature by December 1, 1968. The report shall include a listing of any degrees recommended and the college or colleges at which they shall be taught, the procedures for the development of the doctoral degree programs, and the criteria for the approval of the programs leading to the doctoral degrees.*

Sec. 3 Appropriations. *There is appropriated from the general revenue fund to the state college board the sum of \$25,000 for expenses of the study authorized by section 2 of this act, including but not limited to the employment of consultants whose services the board determines are necessary to the study.*

Sec. 4. *This act is effective upon final enactment.*

Approved May 22, 1967.
