Section 1. Minnesota Statutes 1969, Section 94.10, Subdivision 1, is amended to read:

94.10 STATE LANDS; SALE; SURVEYS AND APPRAISALS.
Subdivision 1. Before offering any surplus state owned lands for sale, the commissioner of administration shall cause the lands to be surveyed, if said commissioner deems a survey necessary, and to be appraised by not less than three appraisers, at least two of whom shall be residents of the county in which the lands are situated. Each appraiser shall before entering upon the duties of his office take and subscribe an oath that he will faithfully and impartially discharge his duties as appraiser according to the best of his ability and that he is not interested directly or indirectly in any of the lands to be appraised or the timber or improvements thereon or in the purchase thereof and has entered into no agreement or combination to purchase the same or any part thereof, which oath shall be attached to the report of such appraisal. Before offering such surplus state owned lands for public sale, such lands shall first be offered to the city, village, borough, county, town, school district, or other public body corporate or politic in which the lands are situated for public purposes and they may be sold for such public purposes for not less than the appraised value thereof. If lands are offered for sale for such public purposes, and if a public body notifies the commissioner of administration of its desire to acquire such lands, the public body may have not to exceed two years from the date of the offer to arrange for the payment of such lands in the manner provided by law.
