Sec. 18. **UNOBLIGATED BALANCES ON HAND, CANCELLED INTO TRUNK HIGHWAY FUND.** Except as otherwise provided in this act, any unexpended and unencumbered balances of the appropriations made hereby on June 30 of any fiscal year shall cancel into the trunk highway fund.

Sec. 19. Any moneys made available to any state department or agency by this act by appropriation, transfer or otherwise for the payment of salaries is a source of revenue to such department or agency under the provisions of Minnesota Statutes, Sections 355.50 and 352.04, Subdivision 5.

Sec. 20. The commissioner of administration shall not permit the allotment and encumbrance of the amounts indicated as "excess appropriation" on the work papers of the committee on finance of the senate and the committee on appropriations of the house of representatives. Such amounts shall be held as surplus and shall cancel. Provided however, if the amount of "excess appropriation" is appropriated from a dedicated fund he shall certify this amount to the state auditor. Upon receipt of the certification, the state auditor is directed to transfer the amount so certified back to the dedicated fund. This provision applies only to the biennium beginning July 1, 1971.

Approved June 7, 1971.

CHAPTER No. 966—H.F.No.3137

[Not Coded]

An act relating to the organization and operations of state government; imposing regulations for junior college operations; appropriating moneys with certain conditions for education and related purposes, including the university of Minnesota and its hospitals, state colleges, aids to libraries, junior colleges, higher education coordinating commission, and moneys for medical education; providing aid to school districts including those affected by gross earnings taxation and authorizing the power of eminent domain with certain of the funds provided hereby;

transferring moneys between accounts and funds in the state treasury; controlling certain treasury receipts; and imposing conditions relative to the expenditure of public moneys.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Educational purposes, appropriations. Except as herein otherwise provided, the sums hereinafter set forth in the columns designated "APPROPRIATIONS", or so much thereof as may be necessary, are hereby appropriated out of the general fund in the state treasury or any other fund herein designated for the purposes specified in the following sections of this act, to be available for the fiscal years indicated for each purpose. The figures "1971", "1972", and "1973" wherever used in this act, shall mean that the appropriation or appropriations listed thereunder shall be available for the year ending June 30, 1971, 1972, and 1973 respectively.

Of the amounts provided by this subdivision, \$9,956 for the first year and \$10,590 for the second year are appropriated from the trunk highway fund.

Approved Complement—196

The appointment of the commissioner of education shall be made with the advice and consent of the senate.

This appropriation includes funds in each fiscal year to be used by the state board of education to hire consultants on a contractual basis to continue to assist in formulating curriculum guidance materials, including curriculum development for the gifted child and environmental education. On or before November 15, 1972, the state board of education shall submit a report to the house appropriations committee and senate finance committee detailing the use of these funds and progress made on curriculum development.

brary, of the state college board and Bemidji state college, Mankato state college, Moorhead state college, St. Cloud state college, Southwest state college, and Winona state college.

This appropriation includes a sum each year for regular teacher training at each state college, special education training programs at Mankato, Moorhead and St. Cloud state colleges; nurses training programs at Mankato and Winona state colleges; and a dental hygienist program at Mankato state college.

The amounts appropriated in subdivisions 1 and 2 include a sum in each year for recruitment of faculty. Candidates for twelve month administrative positions in the state college board central office or in a state college and academic positions who have been invited by the state college board for interview may be reimbursed for travel and subsistence expenses in the same manner and in the same amounts as state officers and employees. This reimbursement may be made from college imprest cash funds. The state college board shall reimburse the college imprest cash funds for expenses paid to candidates in accordance with established procedure.

This appropriation includes \$100,000 for the first year and \$150,000 for the second year of the biennium to fund innovative and developmental programs including community services program at Southwest.

In developing the educational program, the state college board shall attempt to serve primarily the needs of the graduates of the state junior colleges and the area vocational-technical schools. Such programs should also include curricula for re-training adults to meet the technological demands of the changing economy.

The state college board shall submit the proposed curriculum and educational program to the higher education coordinating commission for review before May 1, 1972. Periodic progress reports shall be submitted to the senate finance and house appropriations committees.

Subd. 3. State College Board Contingent ... 650,000
Any unexpended balance remaining in the first year shall not cancel but shall be available for the second year of the biennium.

Not to exceed \$300,000 of this appropriation may be used for purposes other than enrollment increases. In event the enrollment of full time equivalent students enrolled in campus courses during the regular school year exceeds the biennial budget estimate for the total state college system submitted to the 1971 legislature, it is the intent of the legislature to provide additional teaching positions at a ratio of one unclassified teaching position to each 19 additional full time equivalent undergraduate student in excess of the biennial budget enrollment estimates for each year of the biennium. For the purposes of this computation, 15 credit hours per quarter is considered a full time undergraduate student.

The above appropriation is to be expended with the approval of the governor after consultation with the legislative advisory committee as provided by Minnesota Statutes 1969, Section 3.30.

None of this appropriation shall be allotted or encumbered until a research project has been approved by the state college board. Any unexpended balance remaining in the first year shall not cancel but shall be available for the second year of the biennium.

On or before November 15, 1972, the state college board shall submit to the house appropriations committee and senate finance committee a written report of the results and status of all research work conducted from this appropriation.

All receipts of every kind, including but not limited to student's tuition and fees, federal receipts, aids, contributions, and reimbursements in all state colleges are reappropriated to the state college board, but subject to budgetary control by the commissioner of administration, except the following receipts not subject to budgetary control by the commissioner of administration:

- (a) those attributed to dormitory functions handled under Minnesota Statutes 1969, Sections 136.31 to 136.38, and
- (b) those attributable to college activity funds (including, for example, receipts from vending machines in buildings other than dormitories and student unions), and
- (c) those attributable to grants for special projects, institutes, and similar activities subject to Minnesota Statutes 1969, Sections 136.143 and 136.144.

Grants awarded to the state college system by any state agency shall be transferred to the account(s) of the state college board. Such transfers shall be by journal voucher or a request for transfer of funds as deemed most appropriate by the state auditor.

A report shall be submitted to the 68th session of the legislature as to the use of all such excepted funds.

Notwithstanding any other law to the contrary, reimbursements are appropriated for use during the fiscal year in which they are received.

The state college board may allocate, not to exceed \$3,000 annually, to each college president and the office of the chancellor for miscellaneous expenses in connection with the state college system. The provisions of Minnesota Statutes 1969, Chapter 16, shall not apply to such expenditures but the state college board shall prescribe the manner, amount, and purpose of such expenditures and report thereon to the 1973 legislature.

Notwithstanding the provisions of Minnesota Statutes 1969, Section 136.06, or any other law to the contrary, expenses incurred in travel outside of the state of Minnesota shall be paid upon prior authorization of the chief executive officer or president of the state college board. No other approval shall be required.

The student union fee to be charged each student in attendance at each state college shall not exceed \$10 per quarter. This is in lieu of the amount prescribed by Minnesota Statutes 1969, Section 136.11, Subdivision 6. The other provisions of such subdivision shall continue in force and effect.

Notwithstanding any provision in Minnesota Statutes 1969, Chapter 16, which may indicate the contrary, when the state college board so requests, technical educational equipment may be procured for the state colleges either by brand designation or in accordance with standards and specifications which the board may promulgate.

In addition to the fees prescribed by Minnesota Statutes 1969, Section 136.11, the state college board may prescribe fees to be charged students for college activities, functions, and purposes.

Notwithstanding any other provision of law to the contrary, the state college board may make refunds to students for tuition, activity fees, union fees and any other fees from imprest cash funds. The imprest cash fund shall be reimbursed periodically by checks or warrants drawn on the funds and accounts to which the refund should ultimately be charged. The state college board shall obtain the approval of the public examiner for the procedures used in carrying out the provisions of this paragraph.

The state college board may waive tuition on institutes, courses or projects when the sponsor pays all costs.

Placement Service Registration Fee, \$10.

Provided that the above fee shall be charged to each student or graduate upon registration with the college placement service.

The state college board is authorized to contract for hospital benefits coverage and medical benefits coverage for students in the same manner as authorized by Minnesota Statutes 1969, Section 43.45.

The provisions of Minnesota Statutes 1969, Section 136.13, notwithstanding, the state college board may hold its annual meeting on any day in the month of May.

The university of Minnesota may establish and conduct a school for the instruction of persons in law enforcement and the governing body of any political subdivision of this state may authorize the attendance upon such school of any law enforcement officer under its jurisdiction and may provide for the payment of the expenses of such person while in attendance at such school from the general funds of such political subdivision. To each person satisfactorily completing the prescribed course of instruction in the school as established shall be issued a certificate of graduation or diploma stating that the holder has graduated therefrom.

The university of Minnesota may establish a program of college level education in law enforcement and police science. If established, such program shall include appropriate courses for persons in law enforcement and also for students preparing for careers in law enforcement and police science.

This appropriation includes \$42,000 the first year and \$43,300 the second year for ore estimates to be furnished by the school of mines at the university of Minnesota for the department of taxation. If the university and the commissioner of taxation fail to contract for ore estimates the moneys set forth are reappropriated to the commissioner of taxation for the same purposes.

Provided that these appropriations for maintenance and operations are made from revenues accruing to the university from:

- (1) the investments of the permanent university fund; and
- (2) the occupation tax on iron ore.

If such revenues are insufficient, the remainder of such appropriations are advanced and appropriated from any moneys in the state treasury credited to the general fund. The income derived from the investment of the permanent university fund is hereby appropriated to the board of regents pursuant to Laws 1963, Chapter 567, Section 2.

For the purposes of these appropriations it is estimated that the income to be derived from the investment of the permanent university fund will not exceed \$2,071,024 for the first year and \$2,142,048 for the second year. If at the end of any fiscal year there are unexpended revenues accruing to the university from the occupation tax on iron ore, the general fund shall be reimbursed therefrom to the extent that payments have been made from the general fund during such fiscal year pursuant to these appropriations. The board of regents shall certify to the state auditor at the end of each quarter the amounts of earnings derived from the investment of the permanent university fund and if the income derived from the investment of the permanent university fund during any fiscal year exceeds the amounts herein stated, the amounts payable from the general fund shall be reduced accordingly.

For budgetary purposes it is estimated that the foregoing appropriation from the general fund will not exceed the sum of \$75,844,143 the first year and \$79,467,167 the second year.

(m) Cost of Transporting Burn Patients, Organ Transplant Patients, and Critical Newborn Infants to University Hospital 40,000

Any unexpended balance remaining in the first year shall not cancel but shall be available for the second year of the biennium.

From the appropriation made to the university of Minnesota by this act and from other sources all non-academic employees shall be paid a salary comparable to the salaries paid to state employees in the classified state civil service.

The appropriations made to the university of Minnesota by this act include funds for the employers share of social security, state retirement, and health insurance and such funds shall be expended only for these purposes. Any funds provided for these purposes by this act that are in excess of the employers share shall be returned to the state treasury.

This shall not apply to the employer additional contributions payable to the Minnesota state retirement system to apply on the accrued unfunded liability of that system.

None of the appropriations made in this act, with the exceptions of the appropriations for the university of Minnesota hospitals or made in this or other acts toward buildings, shall be made to the university by the auditor until the university first certifies to the auditor that its aggregate balances in the temporary investment pool, cash, or separate investments, resulting from all state maintenance and special appropriations do not exceed \$7 million plus one-third of all tuition and fee payments from the previous fiscal year. Upon such certification, one-twelfth of the annual appropriation to the university shall be paid at the beginning of each month. Additional payments shall be made by

No payment of appropriations toward buildings shall be made by the auditor until all balances separately invested, including cash, and those in the temporary investment pool attributable to all state building funds shall be reduced below \$5 million. Payment shall then be made upon certification of the amounts needed for construction payments, but so as not to increase the building balances in cash, separately invested, or in the temporary investment pool, to a total above \$5 million.

Appropriations not paid to the university in any fiscal year shall carry over to the following fiscal year.

Moneys not paid to the university by reason of the foregoing requirements shall be invested by the state in those securities authorized by Minnesota Statutes 1969, Section 11.10 until paid to the university. Income from investments shall be credited to the general fund in the state treasury.

vided, except the income to the university of Minnesota, and except all federal aid, contributions, or reimbursements received for any account of any division, institution or department for which an appropriation is made in this act, all income, including fees or receipts of any nature whatsoever, shall be deposited in and for the benefit of the general fund.

Sec. 25. **APPROVED COMPLEMENT.** Whenever an appropriation to any department or agency for salaries discloses an approved complement, that department or agency is limited in the employment of the number of full time equivalent persons including part time and seasonal employees indicated by such approved complement.

Except as otherwise provided in this act, additional employees over the number of the approved complement may be employed on the basis of public necessity or emergency with the written approval of the governor, but the governor shall not approve such additional personnel until he has consulted with the legislative advisory committee created by Laws 1943, Chapter 594, and such committee has made its recommendation upon the matter. Such recommendation shall be advisory only. Failure or refusal of the committee to make a recommendation promptly shall be deemed a negative recommendation. The provisions hereof shall extend to any other agency to which the present authority of the legislative advisory committee may be transferred, but shall be deemed to be repealed in case such authority shall be abolished.

Sec. 26. The commissioner of administration shall not permit the allotment and encumbrance of the amounts indicated as "excess appropriation" on the work papers of the committee on finance of the senate and the committee on appropriations of the house of representatives. Such amounts shall be held as surplus and shall cancel. Provided however, if the amount of "excess appropriation" is appropriated from a dedicated fund he shall certify this amount to the state auditor. Upon receipt of the certification, the state auditor is directed to transfer the amount so certified back to the dedicated fund. This provision applies only to the biennium beginning July 1, 1971.

Sec. 28. In order to enable the state to match the cost of any program under Title I of the Higher Education Act of 1965, any receipts accruing to any state department or agency by reason of service performed for the university of Minnesota in connection with such program shall be deposited in the state treasury. Such receipts are hereby reappropriated to the department or agency making the deposit, to be used as part of the state's 25 percent share of the cost of such programs. The balance of the state's share of the cost of such programs is payable by the participating departments or agencies from any moneys appropriated for salaries, supplies and expenses.

Sec. 29. [136.821] [ADMINISTRATIVE EXPENSE.] Notwithstanding the provisions of any law to the contrary, the administrative expenses of the supplemental retirement plan established pursuant to Minnesota Statutes 1969, Sections 136.80 to 136.87 shall be paid from the portion of the cash realized on the redemption of shares pursuant to Minnesota Statutes 1969, Section 136.82, Subdivision 1, clause (5) which becomes the property of the supplemental retirement account of the teachers retirement fund. The balance of said cash after payment of said expenses shall be prorated as thereafter provided in Minnesota Statutes 1969, Section 136.82, Subdivision 1, clause (5). The amount of \$12,500 is hereby annually appropriated to the teachers retirement association from the cash balance described herein for said purposes.

Approved June 7, 1971.
