

Subd. 5 6. If the commissioner of health finds that an immunization required pursuant to this section is not necessary to protect the public's health, he may suspend for one year the requirement that children receive that immunization prior to enrolling in school.

Subd. 7. Each school shall maintain on file immunization records for all children in attendance which contains the information required by subdivisions 1, 2 and 3. The department of health and the local board of health in whose jurisdiction the district is located shall have access to the files maintained pursuant to this subdivision. When a child transfers to another school, the school official shall assist the child's parent or guardian in the transfer of the immunization file to the child's new school within 30 days of the transfer.

Subd. 8. The principal or other person having general control and supervision of a school shall file a report with the commissioner of education on all children enrolled in kindergarten through 12th grade. The report shall be prepared on forms developed jointly by the commissioner of health and the commissioner of education and be distributed to the local school districts by the commissioner of health and shall state the number of children attending the school, the number of children who have not been immunized according to subdivision 1 or 2, and the number of children who received an exemption under subdivision 3, clause (c) or (d). The report shall be filed with the commissioner of education within 60 days of the commencement of each new school term. The commissioner of education shall forward the report, or a copy thereof, to the commissioner of health who shall provide summary reports to local boards of health. The report required by this subdivision shall not be required of any day care facility.

Subd. 9. As used in this section "any school" means any public, private, or parochial elementary or secondary school or day care facility.

Sec. 2. **EFFECTIVE DATE.** This act is effective August 1, 1980.
