### CHAPTER 315—S.F.No. 1112

*An act relating to energy; providing incentives for renewable energy sources of utility power; amending Minnesota Statutes 1990, sections 216B.164, subdivision 4; and 272.02, subdivision 1.*

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 1990, section 216B.164, subdivision 4, is amended to read:

Subd. 4. **PURCHASES; WHEELING.** (a) Except as otherwise provided in paragraph (c), this subdivision shall apply to all qualifying facilities having 40 kilowatt capacity or more as well as qualifying facilities as defined in subdivision 3 which elect to be governed by its provisions.

(b) The utility to which the qualifying facility is interconnected shall purchase all energy and capacity made available by the qualifying facility. The qualifying facility shall be paid the utility's full avoided capacity and energy costs ~~as negotiated by the parties or set by the commission~~ including the value of environmental costs avoided by the qualifying facility considered appropriate by the commission. To the extent possible, the commission shall quantify and value all environmental costs associated with each method of electricity generation.

(c) For all qualifying facilities having 30 kilowatt capacity or more, the utility shall, at the qualifying facility's or the utility's request, provide wheeling or exchange agreements wherever practicable to sell the qualifying facility's output to any other Minnesota utility having generation expansion anticipated or planned for the ensuing ten years. The commission shall establish the methods and procedures to insure that except for reasonable wheeling charges and line losses, the qualifying facility receives the full avoided energy and capacity costs of the utility ultimately receiving the output.

(d) The commission shall set rates for electricity generated by renewable energy.

Sec. 2. Minnesota Statutes 1990, section 272.02, subdivision 1, is amended to read:

Subdivision 1. All property described in this section to the extent herein limited shall be exempt from taxation:

New language is indicated by underline, deletions by ~~strikeout~~.

- (1) all public burying grounds;
- (2) all public schoolhouses;
- (3) all public hospitals;
- (4) all academies, colleges, and universities, and all seminaries of learning;
- (5) all churches, church property, and houses of worship;

(6) institutions of purely public charity except parcels of property containing structures and the structures described in section 273.13, subdivision 25, paragraph (c), clauses (1), (2), and (3), or paragraph (d);

(7) all public property exclusively used for any public purpose;

(8) except for the taxable personal property enumerated below, all personal property and the property described in section 272.03, subdivision 1, paragraphs (c) and (d), shall be exempt.

The following personal property shall be taxable:

(a) personal property which is part of an electric generating, transmission, or distribution system or a pipeline system transporting or distributing water, gas, crude oil, or petroleum products or mains and pipes used in the distribution of steam or hot or chilled water for heating or cooling buildings and structures;

(b) railroad docks and wharves which are part of the operating property of a railroad company as defined in section 270.80;

(c) personal property defined in section 272.03, subdivision 2, clause (3);

(d) leasehold or other personal property interests which are taxed pursuant to section 272.01, subdivision 2; 273.124, subdivision 7; or 273.19, subdivision 1; or any other law providing the property is taxable as if the lessee or user were the fee owner;

(e) manufactured homes and sectional structures; and

(f) flight property as defined in section 270.071.

(9) Personal property used primarily for the abatement and control of air, water, or land pollution to the extent that it is so used, and real property which is used primarily for abatement and control of air, water, or land pollution as part of an agricultural operation or as part of an electric generation system. For purposes of this clause, personal property includes ponderous machinery and equipment used in a business or production activity that at common law is considered real property.

Any taxpayer requesting exemption of all or a portion of any equipment or device, or part thereof, operated primarily for the control or abatement of air or

water pollution shall file an application with the commissioner of revenue. The equipment or device shall meet standards, rules, or criteria prescribed by the Minnesota pollution control agency, and must be installed or operated in accordance with a permit or order issued by that agency. The Minnesota pollution control agency shall upon request of the commissioner furnish information or advice to the commissioner. On determining that property qualifies for exemption, the commissioner shall issue an order exempting the property from taxation. The equipment or device shall continue to be exempt from taxation as long as the permit issued by the Minnesota pollution control agency remains in effect.

(10) Wetlands. For purposes of this subdivision, "wetlands" means (1) land described in section 103G.005, subdivision 18, or (2) land which is mostly under water, produces little if any income, and has no use except for wildlife or water conservation purposes, provided it is preserved in its natural condition and drainage of it would be legal, feasible, and economically practical for the production of livestock, dairy animals, poultry, fruit, vegetables, forage and grains, except wild rice. "Wetlands" shall include adjacent land which is not suitable for agricultural purposes due to the presence of the wetlands. "Wetlands" shall not include woody swamps containing shrubs or trees, wet meadows, meandered water, streams, rivers, and floodplains or river bottoms. Exemption of wetlands from taxation pursuant to this section shall not grant the public any additional or greater right of access to the wetlands or diminish any right of ownership to the wetlands.

(11) Native prairie. The commissioner of the department of natural resources shall determine lands in the state which are native prairie and shall notify the county assessor of each county in which the lands are located. Pasture land used for livestock grazing purposes shall not be considered native prairie for the purposes of this clause. Upon receipt of an application for the exemption provided in this clause for lands for which the assessor has no determination from the commissioner of natural resources, the assessor shall refer the application to the commissioner of natural resources who shall determine within 30 days whether the land is native prairie and notify the county assessor of the decision. Exemption of native prairie pursuant to this clause shall not grant the public any additional or greater right of access to the native prairie or diminish any right of ownership to it.

(12) Property used in a continuous program to provide emergency shelter for victims of domestic abuse, provided the organization that owns and sponsors the shelter is exempt from federal income taxation pursuant to section 501(c)(3) of the Internal Revenue Code of 1986, as amended through December 31, 1986, notwithstanding the fact that the sponsoring organization receives funding under section 8 of the United States Housing Act of 1937, as amended.

(13) If approved by the governing body of the municipality in which the property is located, property not exceeding one acre which is owned and operated by any senior citizen group or association of groups that in general limits

membership to persons age 55 or older and is organized and operated exclusively for pleasure, recreation, and other nonprofit purposes, no part of the net earnings of which inures to the benefit of any private shareholders; provided the property is used primarily as a clubhouse, meeting facility, or recreational facility by the group or association and the property is not used for residential purposes on either a temporary or permanent basis.

(14) To the extent provided by section 295.44, real and personal property used or to be used primarily for the production of hydroelectric or hydromechanical power on a site owned by the state or a local governmental unit which is developed and operated pursuant to the provisions of section 103G.535.

(15) If approved by the governing body of the municipality in which the property is located, and if construction is commenced after June 30, 1983:

(a) a "direct satellite broadcasting facility" operated by a corporation licensed by the federal communications commission to provide direct satellite broadcasting services using direct broadcast satellites operating in the 12-ghz. band; and

(b) a "fixed satellite regional or national program service facility" operated by a corporation licensed by the federal communications commission to provide fixed satellite-transmitted regularly scheduled broadcasting services using satellites operating in the 6-ghz. band.

An exemption provided by clause (15) shall apply for a period not to exceed five years. When the facility no longer qualifies for exemption, it shall be placed on the assessment rolls as provided in subdivision 4. Before approving a tax exemption pursuant to this paragraph, the governing body of the municipality shall provide an opportunity to the members of the county board of commissioners of the county in which the facility is proposed to be located and the members of the school board of the school district in which the facility is proposed to be located to meet with the governing body. The governing body shall present to the members of those boards its estimate of the fiscal impact of the proposed property tax exemption. The tax exemption shall not be approved by the governing body until the county board of commissioners has presented its written comment on the proposal to the governing body or 30 days has passed from the date of the transmittal by the governing body to the board of the information on the fiscal impact, whichever occurs first.

(16) Real and personal property owned and operated by a private, nonprofit corporation exempt from federal income taxation pursuant to United States Code, title 26, section 501(c)(3), primarily used in the generation and distribution of hot water for heating buildings and structures.

(17) Notwithstanding section 273.19, state lands that are leased from the department of natural resources under section 92.46.

(18) Electric power distribution lines and their attachments and appurtenances, that are used primarily for supplying electricity to farmers at retail.

New language is indicated by underline, deletions by ~~strikeout~~.

(19) Transitional housing facilities. "Transitional housing facility" means a facility that meets the following requirements. (i) It provides temporary housing to parents and children who are receiving AFDC or parents of children who are temporarily in foster care. (ii) It has the purpose of reuniting families and enabling parents to obtain self-sufficiency, advance their education, get job training, or become employed in jobs that provide a living wage. (iii) It provides support services such as child care, work readiness training, and career development counseling; and a self-sufficiency program with periodic monitoring of each resident's progress in completing the program's goals. (iv) It provides services to a resident of the facility for at least six months but no longer than three years, except residents enrolled in an educational or vocational institution or job training program. These residents may receive services during the time they are enrolled but in no event longer than four years. (v) It is sponsored by an organization that has received a grant under either section 256.7365 for the biennium ending June 30, 1989, or section 462A.07, subdivision 15, for the biennium ending June 30, 1991, for the purposes of providing the services in items (i) to (iv). (vi) It is sponsored by an organization that is exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code of 1986, as amended through December 31, 1987. This exemption applies notwithstanding the fact that the sponsoring organization receives financing by a direct federal loan or federally insured loan or a loan made by the Minnesota housing finance agency under the provisions of either Title II of the National Housing Act or the Minnesota housing finance agency law of 1971 or rules promulgated by the agency pursuant to it, and notwithstanding the fact that the sponsoring organization receives funding under Section 8 of the United States Housing Act of 1937, as amended.

(20) Wind energy conversion systems, as defined in section 216C.06, subdivision 12, installed after January 1, 1991, and used as an electric power source.

Sec. 3. EFFECTIVE DATE.

Section 2 is effective for taxes payable in 1992 and afterward.
