Subd. 4. PAYMENT OF INTEREST ON LATE PAYMENTS. (a) If a health maintenance organization fails to pay or deny a valid home care provider claim within 30 days as specified in subdivision 3, the health maintenance organization must pay interest to the home care provider on the claim with interest accruing from the 30th day. If a negotiated contract or agreement between a home care provider and a health maintenance organization requires an audit by the health maintenance organization before acceptance and payment of the claim, interest payments do not apply until 30 days after the timely completion of the audit by the health maintenance organization. Before any interest payment is made, the home care provider must bill the health maintenance organization for the interest.

(b) The rate of interest paid by a health maintenance organization under this subdivision shall be 1.5 percent per month or any part of the month.

(c) A home care provider who prevails in a civil action to collect interest payments from a health maintenance organization shall be awarded the costs and disbursements, including attorney fees, incurred in bringing the action.

(d) The minimum monthly interest payment that a health maintenance organization must pay to a home care provider for the unpaid balance for any single overdue claim equal to or exceeding \$100 is \$10. For unpaid balances of less than \$100, the health maintenance organization must pay the actual interest payment due to the home care provider.

(e) A health maintenance organization is not required to make an interest payment on a claim for which payment has been delayed for purposes of reviewing potentially fraudulent or abusive billing practices.
