CHAPTER 699—S. F. No. 806

An act relating to veterans of the armed forces of the United States and amending Minnesota Statutes 1949, Sections 43.171; 43.30; 43.245; 197.20; 197.211; 197.45, Subdivision 1; 197.59; 197.601, Subdivision 1; 197.63, Subdivision 1; 268.08, Subdivision 2; 282.031; 282.032, as amended by Laws 1951, Chapter 635, Section 1; 306.03; 374.23; 375.383; 462.421, Subdivisions 22 and 23, as amended by Laws 1951, Chapter 32, Section 1.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1949, Section 43.171, is amended to read:

43.171 **Veterans, eligibility.** Notwithstanding the provisions of Minnesota Statutes 1945, Section 43.17, Subdivision 2, any person who attended a Minnesota Highway Patrol training school and who qualified thereby for employment as a State Highway Patrolman and who, by reason of service in the armed forces during World War II or after active service on and after June 27, 1950, and prior to the final cessation of hostilities as proclaimed by proper federal authority, was unavailable for such employment is hereby declared to be eligible for employment as a State Highway Patrolman for a period of one year from the date hereof providing he is honorably discharged from service in World War II and is otherwise qualified to enter upon and perform the duties of such employment.

Sec. 2. Minnesota Statutes 1949, Section 43.30, is amended to read:

43.30 **Veterans preference.** In all examinations under this chapter a veterans' preference shall be given to *every person who is a veteran as defined in Minnesota Statutes 1949, Section 197.45*; who are citizens of the United States and have been residents of the state of Minnesota five years immediately preceding their application or who enlisted from the State of Minnesota, and to persons who served in the active military or naval service of any government allied with the United States in World War I or World War II, and have been honorably discharged therefrom, and who are citizens of the United States and were such citizens at the time of entrance into such active service, and have been residents of the state of Minnesota five years immediately preceding their application or who enlisted from the state of Minnesota. And the veterans thus preferred shall not be disqualified from holding any position in the classified service on account of his age or by reason of any physical disability provided such age or physical disability does not render him incompetent to perform the duties of the position.

Recognizing that training and experience in the services of the government and loyalty and sacrifice for the government are qualifications of merit which cannot be readily discovered by examination; there shall be added to the examination rating of a disabled veteran a credit of ten points, and if such augmented rating gives to such disabled veteran a passing grade and such disabled veteran is able to perform the duties of the position sought with reasonable efficiency, his name shall be placed at the head of the eligible list for such position.

There shall be added to the examination rating of all other veterans a credit of five points, and if such augmented rating gives to such veteran a passing grade and if such veteran is able to perform the duties of the position with reasonable efficiency, his name shall be placed on the list of eligibles with the names of other eligible persons. The name of a veteran with such augmented rating shall be entered ahead of a non-veteran when their ratings are the same.

Such preference is hereby extended to the widows of deceased veterans and to the spouse of a disabled veteran, who because of such disability is unable to qualify.

The fact that an applicant has claimed a veteran's preference shall not be made known to the examiners and the preference credit shall be added to the examination rating by the director, and the records shall show the examination rating and the preference credit.

A disabled veteran is one who is rated or certified as disabled by the United States Veterans' Administration, or

by the retirement boards of the several branches of the armed forces, and which disability is existing at the time preference is claimed.

In the event of the rejection by the appointing officer of the person so preferred when certified for promotion or to fill a vacancy or a new position, the appointing officer shall forthwith file in writing with the director the reasons for such rejection and shall furnish to the rejected veteran a copy thereof.

Sec. 3. Minnesota Statutes 1949, Section 48.245, is amended to read:

48.245 War veteran, minority; contract for loan. The disability of minority of any person otherwise eligible for guaranty or insurance pursuant to the Servicemen's Readjustment Act of 1944, as amended (P. L. 346, 78th Congress, as amended), *the National Housing Act, as amended (P. L. 475, 81st Congress,)* or *the Defense Housing and Community Facilities and Services Act of 1951, P. L. 139, 82nd Congress*, and of the minor spouse of any eligible veteran irrespective of age, in connection with any transaction entered into pursuant thereto, is hereby removed for all purposes in connection with such transaction, including but not limited to incurring of indebtedness or obligations and acquiring, encumbering, selling, releasing, or conveying property or any interest therein and litigating or settling controversies arising therefrom, if all or part of any obligations incident to such transaction be guaranteed or insured by the Administrator of Veterans' Affairs pursuant to *any act hereinbefore referred to*; provided, that this section shall not be construed to impose any other or greater rights or liabilities than would exist if any such person were under no such disability.

Sec. 4. Minnesota Statutes 1949, Section 197.20, is amended to read:

197.20 Burial of soldiers. The commissioner of veterans' affairs, hereinafter referred to as the commissioner, shall cause to be decently buried, within or without the state, at a cost to the state of not more than \$100, the body of any person, male or female, who *is a veteran as defined in Minnesota Statutes 1949, Section 197.45*, and of any person not a soldier who actually served in this state, or is a resident thereof, in the Indian war of 1862, and who dies within the state or is brought thereto for interment, and has not left sufficient means to defray the expenses of suitable burial. Such interment shall not be made in any place used exclusively for the burial of the pauper dead, and the relatives or comrades of the deceased, if they so desire, shall be permitted to conduct the

burial service. The commissioner shall furnish at a cost of not to exceed \$7.00 a United States flag for each such veteran. All funds appropriated for the purposes of sections 197.20 to 197.24 shall be disbursed by the commissioner in the same manner which other funds of the department are disbursed. The commissioner shall promulgate such regulations as are necessary to carry out the provisions of sections 197.20 to 197.24.
