State of Minnesota

HOUSE OF REPRESENTATIVES

EIGHTY-NINTH SESSION

H. F. No. 2518

03/08/2016

Authored by Hansen, Hausman and Mariani

The bill was read for the first time and referred to the Committee on Job Growth and Energy Affordability Policy and Finance

1.1

A bill for an act

1.2

relating to capital investment; appropriating money for storm water runoff

1.3

collection and conveyance to below the bluffs in Lilydale along Highway 13.

1.4

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.5

Section 1. **HIGHWAY 13 STORM WATER CONVEYANCE.**

1.6

\$140,000 is appropriated from the general fund to the Public Facilities Authority

1.7

for a grant to the city of Lilydale to design, acquire, construct, and install a storm water

1.8

sewer and drop structure along Trunk Highway 13 in Lilydale that will be large enough

1.9

to effectively collect water from springs and storm water runoff from above the road

1.10

and safely convey the water to below the bluff. The city must coordinate this project

1.11

with the Department of Transportation's Trunk Highway 13 project. The appropriation

1.12

and project also include capital repairs and improvements to existing drainage structures

1.13

along the Big Rivers Regional Trail at the base of the bluff. This appropriation does not

1.14

require a nonstate contribution.

1.15

EFFECTIVE DATE. This section is effective the day following final enactment.
