 1.14 feeding habits, before and after primary teeth appear.

1.15 (c) The commissioner shall develop a distribution plan to ensure that the materials
 1.16 are distributed to expectant and new parents within the targeted communities, including,

1.22 (e) The commissioner shall, with input from stakeholders listed in paragraph (d),
 1.23 develop and pilot incentives to encourage early dental care within one year of an infant's
 1.24 teeth erupting.

2.1 **Sec. 2. GRANTS FOR DENTAL OPERATORY EXPANSION.**

2.2 (a) The commissioner of health shall award grants to private practicing dentists or

2.9 subdivision 1, clause (1), as it relates to the use of a sliding fee scale or other procedures to
2.10 serve all patients, regardless of the patient's ability to pay.

2.11 (b) Grant applications may be submitted to the commissioner at any time, and the
2.12 commissioner shall award grants to any applicant that meets the requirements until all
2.13 appropriated grant funds have been expended. Grants may be awarded to an expansion
