Subject to the legislative audit commission's approval, the legislative auditor may examine the recommendations and include as part of the next audit of the agency a report on whether the agency has implemented the recommendations and, if so, in what manner.

3D.12 MONITORING OF RECOMMENDATIONS.

3D.14 CONTINUATION BY LAW.

(a) The following departments and agencies must be reviewed according to the schedule in section 3D.21, but do not expire according to that schedule, unless another law is enacted providing that the entity does expire:

(b) During the regular session immediately before the sunset of a state agency or an advisory committee that expires under section 3D.21, the legislature may enact legislation to continue the agency or advisory committee for a period not to exceed 12 years. This chapter does not prohibit the legislature from:

APPENDIX

Repealed Minnesota Statutes: 13-2923

(c) If an appropriation exists in law for the functions or obligations transferred in subdivision 3 or 4, that appropriation is transferred to the commissioner of administration for the purposes of those subdivisions.

Subd. 3. **Property, rules, and functions of an abolished agency.** (a) Unless the governor designates an appropriate state agency as prescribed by subdivision 4, property and records in the custody of an abolished state agency or advisory committee on June 30 of the year after abolishment must be transferred to the commissioner of administration. If the governor designates an appropriate state agency, the property and records must be transferred to the designated state agency.

(b) Unless otherwise provided by law, statutory duties of an abolished state agency are transferred to the commissioner of administration, and section 16B.38 applies. All rules adopted by the abolished agency remain effective and shall be enforced by the commissioner of administration, and rulemaking authority of the abolished agency is transferred to the commissioner of administration. The commissioner of administration may use authority under section 16B.37 to transfer duties of an abolished agency that have been transferred to the commissioner of administration. Transfers under section 16B.37 are effective upon filing with the secretary of state, even if a reorganization order transfers all or substantially all of the powers or duties of a department.

Subd. 4. **Continuing obligations.** (a) The legislature recognizes the state's continuing obligation to pay bonded indebtedness and all other obligations, including lease, contract, and other written obligations, incurred by a state agency or advisory committee abolished under this chapter, and this chapter does not impair or impede the payment of bonded indebtedness and all other obligations, including lease, contract, and other written obligations, in accordance with their terms. If an abolished state agency or advisory committee has outstanding bonded indebtedness or other outstanding obligations, including lease, contract, and other written obligations, the bonds and all other obligations, including lease, contract, and other written obligations, remain valid and enforceable in accordance with their terms and subject to all applicable terms and conditions of the laws and proceedings authorizing the bonds and all other obligations, including lease, contract, and other written obligations.

(b) The governor shall designate an appropriate state agency that shall continue to carry out all covenants contained in the bonds and in all other obligations, including lease, contract, and other written obligations, and the proceedings authorizing them, including the issuance of bonds, and the performance of all other obligations, including lease, contract, and other written obligations, to complete the construction of projects or the performance of other obligations, including lease, contract, and other written obligations.

(c) The designated state agency shall provide payment from the sources of payment of the bonds in accordance with the terms of the bonds and shall provide payment from the sources of payment of all other obligations, including lease, contract, and other written obligations, in accordance with their terms, whether from taxes, revenues, or otherwise, until the bonds and interest on the bonds are paid in full and all other obligations, including lease, contract, and other written obligations, are performed and paid in full. If the proceedings so provide, all funds established by laws or proceedings authorizing the bonds or authorizing other obligations, including lease, contract, and other written obligations, must remain with the comptroller or the previously designated trustees. If the proceedings do not provide that the funds remain with the comptroller or the previously designated trustees, the funds must be transferred to the designated state agency.

3D.16 ASSISTANCE OF AND ACCESS TO STATE AGENCIES.

The commission may request the assistance of state agencies and officers. When assistance is requested, a state agency or officer shall assist the commission. In carrying out its functions under this chapter, the commission or its designated staff member may inspect the records, documents, and files of any state agency.

Each bill filed in a house of the legislature that would create a new state agency or a new advisory committee to a state agency shall be reviewed by the commission. The commission shall review the bill to determine if:
