A bill for an act
relating to veterans; requiring employers to provide veterans time off for Veterans Day; proposing coding for new law in Minnesota Statutes, chapter 197.
BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **[197.4552] TIME OFF FOR VETERANS DAY.**

Subdivision 1. **Time off required.** An employer shall provide each employee who is a veteran with time off for Veterans Day, November 11, if the employee would otherwise be required to work on that day, unless providing time off would (1) impact public health or safety; or (2) cause the employer to experience significant economic or operational disruption. The employer may provide the day off with or without pay, at the employer's discretion.

Subd. 2. **Notice.** (a) An employer shall provide the employer with at least 30 days' prior written notice of the employee's intent to take time off for Veterans Day and shall also provide the employer with a federal certificate of release or discharge from active duty, or equivalent documentation, for purposes of determining the employee's eligibility for the benefit provided in this section.

(b) The employer shall, at least ten days prior to Veterans Day, notify the employee if the employee shall be provided paid or unpaid time off on Veterans Day. If the employer determines that the employer is unable to provide time off for Veterans Day for all employees who request time off, the employer shall deny time off to the minimum number of employees needed by the employer to protect public health and safety or to avoid causing the employer to experience significant economic or operational disruption.

EFFECTIVE DATE. This section is effective the day following final enactment.
