textbooks;

textbooks by faculty;

A bill for an act relating to higher education; establishing an open-access textbook task force; requiring a plan for improved use of open-access textbooks. BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA: Section 1. **OPEN-ACCESS TEXTBOOK TASK FORCE.** (a) The Office of Higher Education shall convene an open-access textbook task force of 11 members to develop a plan for promoting and increasing the use of open-access textbooks and open-content instructional materials in Minnesota postsecondary institutions to reduce textbook costs for students. The task force must include broad representation from Minnesota's postsecondary systems and sectors, including representatives of postsecondary faculty, administrators, student government leaders, business officers, and campus bookstores. (b) The task force must develop a plan for presentation to the committees of the legislature responsible for higher education finance by January 15, 2013. The plan must be based on the following: (1) an inventory of existing open-access textbooks; (2) a description of undergraduate general courses which would be recommended for the use of open-access textbooks; (3) a recommended standardized process for reviewing and approving open-access

(4) recommendations for encouraging and promoting the use of open-access

(5) identification of barriers to the expanded use of open-access textbooks;

Section 1.

## S.F. No. 2503, as introduced - 87th Legislative Session (2011-2012) [12-5555]
