subdivisions 2, 3.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2012, section 198.03, subdivision 2, is amended to read:

Subd. 2. **Cost of care.** (a) The commissioner shall set out in rules the method of calculating the average cost of care for the domiciliary and nursing care residents. The cost must be determined yearly based upon the average cost per resident taking into account, but not limited to, administrative cost of the homes, the cost of service available to the resident, and food and lodging costs. These average costs must be calculated separately for domiciliary and nursing care residents. The amount charged each resident for maintenance, if anything, must be based on the appropriate average cost of care calculation and the assets and income of the resident but must not exceed the appropriate average cost of care.

(b) The commissioner shall set out in rules the method of calculating each domiciliary resident's maintenance charge. This maintenance charge shall establish a personal needs allowance based on each domiciliary resident's monthly income. For the period of January 1, 2015, to December 31, 2015, the personal needs allowance shall not be less than \$114 per month. For the period of January 1, 2016, to December 31, 2016, the personal needs allowance shall not be less than \$122 per month. For the period of January 1, 2017, to December 31, 2017, the personal needs allowance shall not be less than \$130 per month. Thereafter, the minimum personal needs allowance must be adjusted by multiplying the allowance by one-half of the percentage change of the Consumer Price Index on the first day of each calendar year.
