Comm report: To pass as amended and re-refer to Civil Law and Data Practices Policy

1.1 A bill for an act

1.2 relating to insurance; establishing a peer-to-peer car sharing program; amending

1.3 Minnesota Statutes 2020, sections 65B.49, subdivision 5a; 72A.125, subdivision

1.4 1; 297A.64, subdivision 4; proposing coding for new law in Minnesota Statutes,

1.5 chapter 65B.

1.6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.7 Section 1. Minnesota Statutes 2020, section 65B.49, subdivision 5a, is amended to read:

1.8 Subd. 5a. **Rental vehicles.** (a) Every plan of reparation security, wherever issued, insuring

1.9 a natural person as named insured, covering private passenger vehicles as defined under

1.10 section 65B.001, subdivision 3, and pickup trucks and vans as defined under section 168.002

1.11 must: (1) provide that all of the obligation for damage and loss of use to a rented private

1.12 passenger vehicle, including pickup trucks and vans as defined under section 168.002, and

1.13 rented trucks with a registered gross vehicle weight of 26,000 pounds or less would be

1.14 covered by the property damage liability portion of the plan; and (2) extend the plan's basic

1.15 economic loss benefits, residual liability insurance, and uninsured and underinsured motorist

1.16 coverages to the operation or use of the rented motor vehicle. This subdivision does not

1.17 apply to plans of reparation security covering only motor vehicles registered under section

1.18 168.10, subdivision 1a, 1b, 1c, or 1d, or recreational vehicles as defined under section

1.19 168.002. The obligation of the plan must not be contingent on fault or negligence. In all

1.20 cases where the plan's property damage liability coverage is less than \$35,000, the coverage

1.21 available under the subdivision must be \$35,000. Other than as described in this paragraph;

1.22 paragraph (i), clause (2); or paragraph (j), nothing in this section amends or alters the

1.23 provisions of the plan of reparation security as to primacy of the coverages in this section.

1.24 (b) A vehicle is rented for purposes of this subdivision:

(1) if the rate for the use of the vehicle is determined on a monthly, weekly, or daily basis; or

(2) during the time that a vehicle is loaned as a replacement for a vehicle being serviced or repaired regardless of whether the customer is charged a fee for the use of the vehicle.

A vehicle is not rented for the purposes of this subdivision if the rate for the vehicle's use is determined on a period longer than one month or if the term of the rental agreement is longer than one month. A vehicle is not rented for purposes of this subdivision if the rental agreement has a purchase or buyout option or otherwise functions as a substitute for purchase of the vehicle. A vehicle is not rented for purposes of this subdivision if the vehicle is part of a peer-to-peer car sharing program, as defined in section 65B.91, subdivision 8.

(c) The policy or certificate issued by the plan must inform the insured of the application of the plan to private passenger rental vehicles, including pickup trucks and vans as defined under section 168.002, and that the insured may not need to purchase additional coverage from the rental company.

(d) Where an insured has two or more vehicles covered by a plan or plans of reparation security containing the rented motor vehicle coverage required under paragraph (a), the insured may select the plan the insured wishes to collect from and that plan is entitled to a pro rata contribution from the other plan or plans based upon the property damage limits of liability. If the person renting the motor vehicle is also covered by the person's employer's insurance policy or the employer's automobile self-insurance plan, the reparation obligor under the employer's policy or self-insurance plan has primary responsibility to pay claims arising from use of the rented vehicle.

(e) A notice advising the insured of rental vehicle coverage must be given by the reparation obligor to each current insured with the first renewal notice after January 1, 1989. The notice must be approved by the commissioner of commerce. The commissioner may specify the form of the notice.

(f) When a motor vehicle is rented in this state, there must be attached to the rental contract a separate form containing a written notice in at least 10-point bold type, if printed, or in capital letters, if typewritten, which states:

"Under Minnesota law, a personal automobile insurance policy must: (1) cover the rental of this motor vehicle against damage to the vehicle and against loss of use of the vehicle; and (2) extend the policy's basic economic loss benefits, residual liability insurance, and uninsured and underinsured motorist coverages to the operation or use of a rented motor vehicle. Therefore, purchase of any collision damage waiver or similar insurance affected

3.1 in this rental contract is not necessary. In addition, purchase of any additional liability  
3.2 insurance is not necessary if your policy was issued in Minnesota unless you wish to  
3.3 have coverage for liability that exceeds the amount specified in your personal automobile  
3.4 insurance policy."

3.5 No collision damage waiver or other insurance offered as part of or in conjunction with a  
3.6 rental of a motor vehicle may be sold unless the person renting the vehicle provides a written  
3.7 acknowledgment that the above consumer protection notice has been read and understood.

3.8 (g) When damage to a rented vehicle is covered by a plan of reparation security as  
3.9 provided under paragraph (a), the rental contract must state that payment by the reparation  
3.10 obligor within the time limits of section 72A.201 is acceptable, and prior payment by the  
3.11 renter is not required.

3.12 (h) Compensation for the loss of use of a damaged rented motor vehicle is limited to a  
3.13 period no longer than 14 days.

3.14 (i)(1) For purposes of this subdivision, "rented motor vehicle" means a rented vehicle  
3.15 described in paragraph (a), using the definition of "rented" provided in paragraph (b).

3.16 (2) Notwithstanding section 169.09, subdivision 5a, an owner of a rented motor vehicle  
3.17 is not vicariously liable for legal damages resulting from the operation of the rented motor  
3.18 vehicle in an amount greater than \$100,000 because of bodily injury to one person in any  
3.19 one accident and, subject to the limit for one person, \$300,000 because of injury to two or  
3.20 more persons in any one accident, and \$50,000 because of injury to or destruction of property  
3.21 of others in any one accident, if the owner of the rented motor vehicle has in effect, at the  
3.22 time of the accident, a policy of insurance or self-insurance, as provided in section 65B.48,  
3.23 subdivision 3, covering losses up to at least the amounts set forth in this paragraph. Nothing  
3.24 in this paragraph alters or affects the obligations of an owner of a rented motor vehicle to  
3.25 comply with the requirements of compulsory insurance through a policy of insurance as  
3.26 provided in section 65B.48, subdivision 2, or through self-insurance as provided in section  
3.27 65B.48, subdivision 3, which policy of insurance or self-insurance must apply whenever  
3.28 the operator is not covered by a plan of reparation security as provided under paragraph (a);  
3.29 or with the obligations arising from section 72A.125 for products sold in conjunction with  
3.30 the rental of a motor vehicle. Nothing in this paragraph alters or affects liability, other than  
3.31 vicarious liability, of an owner of a rented motor vehicle.

3.32 (3) The dollar amounts stated in this paragraph shall be adjusted for inflation based upon  
3.33 the Consumer Price Index for all urban consumers, known as the CPI-U, published by the  
3.34 United States Bureau of Labor Statistics. The dollar amounts stated in this paragraph are

based upon the value of that index for July 1995, which is the reference base index for purposes of this paragraph. The dollar amounts in this paragraph shall change effective January 1 of each odd-numbered year based upon the percentage difference between the index for July of the preceding year and the reference base index, calculated to the nearest whole percentage point. The commissioner shall announce and publish, on or before September 30 of the preceding year, the changes in the dollar amounts required by this paragraph to take effect on January 1 of each odd-numbered year. The commissioner shall use the most recent revision of the July index available as of September 1. Changes in the dollar amounts must be in increments of \$5,000, and no change shall be made in a dollar amount until the change in the index requires at least a \$5,000 change. If the United States Bureau of Labor Statistics changes the base year upon which the CPI-U is based, the commissioner shall make the calculations necessary to convert from the old base year to the new base year. If the CPI-U is discontinued, the commissioner shall use the available index that is most similar to the CPI-U.

(j) The plan of reparation security covering the owner of a rented motor vehicle is excess of any residual liability coverage insuring an operator of a rented motor vehicle.

Sec. 2. **[65B.90] SHORT TITLE.**

Sections 65B.91 to 65B.95 may be cited as the "Peer-to-Peer Car Sharing Program Act."

Sec. 3. **[65B.91] DEFINITIONS.**

Subdivision 1. **Application of definitions.** Except as otherwise provided, the definitions in this section apply to sections 65B.91 to 65B.95.

Subd. 2. **Car sharing delivery period.** "Car sharing delivery period" means the period of time during which a shared motor vehicle is being delivered to the location of the car sharing start time, if applicable, as documented by the governing car sharing program agreement.

Subd. 3. **Car sharing period.** "Car sharing period" means the period of time that: (1) commences with the car sharing delivery period or, if there is no car sharing delivery period, that commences with the car sharing start time; and (2) ends at the car sharing termination time.

Subd. 4. **Car sharing program agreement.** "Car sharing program agreement" means the terms and conditions applicable to a shared motor vehicle owner and a shared motor vehicle driver that govern the use of a shared motor vehicle through a peer-to-peer car

5.1 sharing program. A car sharing program agreement is not a rental contract agreement, as  
5.2 defined in section 65B.49, subdivision 5a.

5.3 Subd. 5. **Car sharing start time.** "Car sharing start time" means the time when the  
5.4 shared motor vehicle becomes subject to the control of the shared motor vehicle driver at  
5.5 or after the time a shared motor vehicle reservation is scheduled to begin, as documented  
5.6 in the peer-to-peer car sharing program records.

5.7 Subd. 6. **Car sharing termination time.** "Car sharing termination time" means the  
5.8 earliest of the following events:

5.9 (1) the expiration of the agreed upon time established for the shared motor vehicle use,  
5.10 according to the terms of the car sharing program agreement if the shared vehicle is delivered  
5.11 to the location agreed upon in the car sharing program agreement;

5.12 (2) when the shared vehicle is returned to a location as alternatively agreed upon by the  
5.13 shared motor vehicle owner and shared motor vehicle driver, as communicated through a  
5.14 peer-to-peer car sharing program and incorporated into the car sharing program agreement;  
5.15 or

5.16 (3) when the shared motor vehicle owner or the shared motor vehicle owner's authorized  
5.17 designee takes possession and control of the shared motor vehicle.

5.18 Subd. 7. **Peer-to-peer car sharing.** "Peer-to-peer car sharing" means the authorized use  
5.19 of a motor vehicle by an individual other than the motor vehicle's owner through a  
5.20 peer-to-peer car sharing program. Peer-to-peer car sharing is not a rental motor vehicle or  
5.21 rented, as defined in section 65B.49, subdivision 5a.

5.22 Subd. 8. **Peer-to-peer car sharing program.** "Peer-to-peer car sharing program" means  
5.23 a business platform that connects motor vehicle owners with drivers to enable the motor  
5.24 vehicle sharing for financial consideration. A peer-to-peer car sharing program is not a  
5.25 company that engages in the business of renting motor vehicles, as provided under section  
5.26 65B.49, subdivision 5a.

5.27 Subd. 9. **Shared motor vehicle.** "Shared motor vehicle" means a motor vehicle that is  
5.28 available for sharing through a peer-to-peer car sharing program. A shared motor vehicle  
5.29 is not a rental motor vehicle, as defined in section 65B.49, subdivision 5a.

5.30 Subd. 10. **Shared motor vehicle driver.** "Shared motor vehicle driver" means an  
5.31 individual authorized to drive the shared motor vehicle by the shared motor vehicle owner  
5.32 under a car sharing program agreement.

6.1 Subd. 11. **Shared motor vehicle owner.** "Shared motor vehicle owner" means the  
6.2 registered owner, or a person or entity designated by the registered owner, of a motor vehicle  
6.3 made available for sharing with shared motor vehicle drivers through a peer-to-peer car  
6.4 sharing program. A shared motor vehicle owner is not a company that engages in the business  
6.5 of renting motor vehicles, as provided under section 65B.49, subdivision 5a.

6.6 Sec. 4. **[65B.92] INSURANCE.**

6.7 Subdivision 1. **Insurance coverage during car sharing period.** (a) Except as provided  
6.8 in paragraph (b), a peer-to-peer car sharing program assumes liability of a shared motor  
6.9 vehicle owner for: (1) bodily injury or property damage to a third party, uninsured motorist,  
6.10 or underinsured motorist; or (2) personal injury protection losses. The assumption of liability  
6.11 under this subdivision occurs only during the car sharing period and provides coverage in  
6.12 the amount stated in the peer-to-peer car sharing program agreement. The amount must not  
6.13 be less than the amount set forth in section 65B.49, subdivision 3.

6.14 (b) Notwithstanding the definition of car sharing termination time under section 65B.91,  
6.15 subdivision 6, the assumption of liability under paragraph (a) does not apply to a shared  
6.16 motor vehicle owner when:

6.17 (1) a shared motor vehicle owner makes an intentional or fraudulent material  
6.18 misrepresentation or omission to the peer-to-peer car sharing program before the car sharing  
6.19 period during which the loss occurred; or

6.20 (2) the shared motor vehicle owner acts in concert with a shared motor vehicle driver  
6.21 who fails to return the shared motor vehicle pursuant to the terms of the car sharing program  
6.22 agreement.

6.23 (c) Notwithstanding the definition of car sharing termination time under section 65B.91,  
6.24 subdivision 6, the assumption of liability under paragraph (a) applies to bodily injury,  
6.25 property damage, uninsured and underinsured motorists, or personal injury protection losses  
6.26 by damaged third parties, as required by section 65B.49, subdivision 3.

6.27 (d) A peer-to-peer car sharing program must ensure that during each car sharing period  
6.28 the shared motor vehicle owner and the shared motor vehicle driver are insured under a  
6.29 motor vehicle liability insurance policy that provides insurance coverage in amounts no less  
6.30 than the minimum amounts set forth under section 65B.49, subdivision 3, and:

6.31 (1) recognizes the shared motor vehicle insured under the policy is made available and  
6.32 used through a peer-to-peer car sharing program; or

6.33 (2) does not exclude use of a shared motor vehicle by a shared motor vehicle driver.

7.1 (e) The insurance described under paragraph (d) may be satisfied by motor vehicle  
7.2 liability insurance maintained by:

7.3 (1) a shared motor vehicle owner;

7.4 (2) a shared motor vehicle driver;

7.5 (3) a peer-to-peer car sharing program; or

7.6 (4) a shared motor vehicle owner, a shared motor vehicle driver, and a peer-to-peer car  
7.7 sharing program.

7.8 (f) The insurance described in paragraph (e) that satisfies the insurance requirement of  
7.9 paragraph (d) must be primary during each car sharing period. In the event that a claim  
7.10 occurs in another state with minimum financial responsibility limits higher than \$60,000  
7.11 during the car sharing period, the coverage maintained under paragraph (e) must satisfy the  
7.12 difference in minimum coverage amounts, up to the applicable policy limits.

7.13 (g) The insurer, insurers, or peer-to-peer car sharing program providing coverage under  
7.14 paragraph (d) or (e) must assume primary liability for a claim when:

7.15 (1) a dispute exists as to who was in control of the shared motor vehicle at the time of  
7.16 the loss and the peer-to-peer car sharing program does not have available, did not retain, or  
7.17 fails to provide the information required by subdivision 4; or

7.18 (2) a dispute exists as to whether the shared vehicle was returned to the alternatively  
7.19 agreed upon location, as required under section 65B.91, subdivision 6, clause (2).

7.20 (h) If insurance maintained by a shared motor vehicle owner or shared motor vehicle  
7.21 driver under paragraph (e) has lapsed or does not provide the required coverage, a  
7.22 peer-to-peer car sharing program: (1) must maintain insurance that provides the coverage  
7.23 required by paragraph (d), beginning with the first dollar of a claim; and (2) has the duty  
7.24 to defend the claim, except under the circumstances set forth under paragraph (b).

7.25 (i) Coverage under an automobile insurance policy maintained by the peer-to-peer car  
7.26 sharing program must not be dependent on another automobile insurer first denying a claim,  
7.27 nor must another automobile insurance policy be required to first deny a claim.

7.28 (j) Nothing in this subdivision:

7.29 (1) limits the liability of the peer-to-peer car sharing program for any act or omission  
7.30 of the peer-to-peer car sharing program itself that results in injury to any person as a result  
7.31 of the use of a shared motor vehicle through a peer-to-peer car sharing program; or

(2) limits the ability of the peer-to-peer car sharing program to, by contract, seek indemnification from the shared motor vehicle owner or the shared motor vehicle driver for economic loss sustained by the peer-to-peer car sharing program resulting from a breach of the car sharing program agreement's terms and conditions.

Subd. 2. **Notification of implications of lien.** At the time a vehicle owner registers as a shared motor vehicle owner on a peer-to-peer car sharing program and before the shared motor vehicle owner makes a shared motor vehicle available for car sharing on the peer-to-peer car sharing program, the peer-to-peer car sharing program must notify the shared vehicle owner that if the shared motor vehicle has a lien against it, the shared motor vehicle's use through a peer-to-peer car sharing program, including use without physical damage coverage, may violate the terms of the shared motor vehicle owner's contract with the lienholder.

Subd. 3. **Exclusions in motor vehicle liability insurance policies.** (a) An authorized insurer that writes motor vehicle liability insurance in Minnesota may exclude any and all coverage, including the duty to defend or indemnify for any claim, afforded under a shared motor vehicle owner's motor vehicle liability insurance policy. An exclusion under this subdivision may include but is not limited to:

(1) liability coverage for bodily injury and property damage;

(2) personal injury protection coverage;

(3) uninsured and underinsured motorist coverage;

(4) medical payments coverage;

(5) comprehensive physical damage coverage; and

(6) collision physical damage coverage.

(b) Nothing in sections 65B.91 to 65B.95 invalidates or limits an exclusion contained in a motor vehicle liability insurance policy, including any insurance policy in use or approved for use that excludes coverage for motor vehicles made available for rent, sharing, hire, or for any business use.

(c) Nothing in sections 65B.91 to 65B.95 (1) invalidates, limits, or restricts an insurer's ability under existing law to underwrite any insurance policy; or (2) limits or restricts an insurer's ability under existing law to cancel and nonrenew policies.

Subd. 4. **Record keeping; use of vehicle in car sharing program.** A peer-to-peer car sharing program must collect and verify records pertaining to the use of a motor vehicle,

9.1 including but not limited to times used, car sharing period pick-up and drop-off locations,  
9.2 fees paid by the shared motor vehicle driver, and revenues received by the shared motor  
9.3 vehicle owner. A peer-to-peer car sharing program must provide the information upon  
9.4 request to the shared motor vehicle owner, the shared motor vehicle owner's insurer, or the  
9.5 shared motor vehicle driver's insurer to facilitate a claim coverage investigation, settlement,  
9.6 negotiation, or litigation. The peer-to-peer car sharing program must retain the records for  
9.7 a time period not less than the applicable personal injury statute of limitations.

9.8 Subd. 5. **Exemption; vicarious liability.** A peer-to-peer car sharing program and a  
9.9 shared motor vehicle owner are exempt from vicarious liability in accordance with United  
9.10 States Code, title 49, section 30106, and under any state or local law that imposes liability  
9.11 solely based on vehicle ownership.

9.12 Subd. 6. **Contribution against indemnification.** A motor vehicle insurer that defends  
9.13 or indemnifies a claim against a shared motor vehicle that is excluded under the terms of  
9.14 the shared motor vehicle's policy has the right to seek recovery against the motor vehicle  
9.15 insurer of the peer-to-peer car sharing program if the claim is: (1) made against the shared  
9.16 motor vehicle owner or the shared motor vehicle driver for loss or injury that occurs during  
9.17 the car sharing period; and (2) excluded under the terms of the shared motor vehicle's policy.

9.18 Subd. 7. **Insurable interest.** (a) Notwithstanding any other law, statute, rule, or regulation  
9.19 to the contrary, a peer-to-peer car sharing program must have an insurable interest in a  
9.20 shared motor vehicle during the car sharing period.

9.21 (b) Nothing in this subdivision creates liability on a peer-to-peer car sharing program  
9.22 to maintain the coverage mandated by subdivision 1.

9.23 (c) A peer-to-peer car sharing program may own and maintain as the named insured one  
9.24 or more motor vehicle liability insurance policies that separately or in combination provides  
9.25 coverage for:

9.26 (1) liabilities assumed by the peer-to-peer car sharing program under a peer-to-peer car  
9.27 sharing program agreement;

9.28 (2) any liability of the shared motor vehicle owner;

9.29 (3) damage or loss to the shared motor vehicle; or

9.30 (4) any liability of the shared motor vehicle driver.

9.31 (d) A policy that provides the insurance described in paragraph (c), clauses (2) and (4),  
9.32 must expressly provide liability coverage, without prior notice to the insurer, for all shared

10.1 motor vehicles during the car sharing period, subject to any conditions or exclusions permitted  
10.2 by this section.

10.3 (e) The insurance described in paragraph (c) may be issued by any authorized insurer  
10.4 or any eligible surplus lines insurer.

10.5 (f) A peer-to-peer car sharing company is not required to itemize or charge the shared  
10.6 vehicle owner or shared vehicle driver the amount payable as premium under any insurance  
10.7 described in paragraph (c) that is allocable to coverage provided to the shared vehicle driver  
10.8 or the shared vehicle owner, if:

10.9 (1) in the case of the shared vehicle owner, the provided insurance is included without  
10.10 additional or itemized charge in the fee charged by the peer-to-peer car sharing company  
10.11 for the applicable car share reservation, including any financial protection package authorized  
10.12 under section 65B.94; and

10.13 (2) in the case of the shared vehicle driver, the provided insurance is included without  
10.14 additional or itemized charge in the cost of the reservation of the shared motor vehicle,  
10.15 including any financial protection package authorized under section 65B.94.

10.16 (g) Notwithstanding any other law or rule to the contrary, a peer-to-peer car sharing  
10.17 company is not engaged in the sale, negotiation, solicitation, or offer of insurance by  
10.18 providing or offering to provide coverage to a shared vehicle owner or shared vehicle driver  
10.19 under a policy of insurance maintained by the peer-to-peer car sharing program pursuant  
10.20 to paragraph (c), including describing the coverage provided and allowing the shared vehicle  
10.21 owner or shared vehicle driver to select among coverage limits.

10.22 **Sec. 5. [65B.93] PHYSICAL DAMAGE PROGRAM.**

10.23 Subdivision 1. **Contractual assumption of risk.** (a) A peer-to-peer car sharing program  
10.24 may enter into a contract with a shared vehicle owner pursuant to the peer-to-peer car sharing  
10.25 program agreement, for a fee, to contractually assume some or all of the shared motor vehicle  
10.26 owner's risk of loss due to physical damage to the shared motor vehicle during the time that  
10.27 the shared motor vehicle is in custody of the shared vehicle driver or peer-to-peer car sharing  
10.28 program.

10.29 (b) Contractual assumption of risk is not considered physical damage insurance or the  
10.30 transaction of the business of insurance in Minnesota.

10.31 (c) Assumption of risk may include loss due to wear and tear, the cost of a substitute  
10.32 vehicle, towing, or other losses directly related to the sharing of the vehicle through the  
10.33 peer-to-peer car sharing program.

11.1 Subd. 2. **Collision damage waiver.** A peer-to-peer car sharing program may enter into  
11.2 a contract with a shared vehicle driver pursuant to which the peer-to-peer car sharing program  
11.3 agrees, for a charge, to contractually assume all or part of the shared vehicle driver's liability  
11.4 for physical damage to the shared motor vehicle due to physical damage to the shared motor  
11.5 vehicle during the time that the shared motor vehicle is in custody of the shared vehicle  
11.6 driver. A contractual assumption of liability under this subdivision:

11.7 (1) is not considered physical damage insurance or the transaction of the business of  
11.8 insurance in Minnesota;

11.9 (2) may be referred to as "collision damage waiver," "optional vehicle protection,"  
11.10 "financial protection," or "physical damage protection" or similar descriptive terms; and

11.11 (3) must be on a separate form that includes:

11.12 (i) the terms of the assumption of liability, including but not limited to any conditions  
11.13 or exclusions;

11.14 (ii) notice that coverage to the shared motor vehicle may be covered under the shared  
11.15 vehicle driver's own automobile insurance; and

11.16 (iii) notice that entering into the contract is not mandatory and may be waived.

11.17 Subd. 3. **No requirement to use adjusters.** A peer-to-peer car sharing program is not  
11.18 required to use licensed property damage adjusters or third-party administrators to value or  
11.19 determine losses under a contract issued pursuant to subdivision 1 and value or determine  
11.20 losses based on estimates from independent repair shops or other independent sources.

11.21 Sec. 6. **[65B.94] FINANCIAL PROTECTION PACKAGES.**

11.22 (a) A car sharing program may offer a financial protection package consisting of a  
11.23 combination of any insurance permitted under section 65B.92 and any contractual assumption  
11.24 of physical damage loss or liability permitted under section 65B.93.

11.25 (b) A financial protection package under this section may be identified as a "package"  
11.26 or "financial protection plan" or words of similar description.

11.27 (c) The cost of a financial protection package under this section may be calculated on a  
11.28 daily basis as a percentage of the daily reservation fee.

11.29 (d) Offering a financial protection package under this section is not the sale, solicitation,  
11.30 or negotiation of insurance merely because the package includes insurance.

12.1 Sec. 7. **[65B.95] CONSUMER PROTECTIONS DISCLOSURES.**

12.2 **Subdivision 1. Required disclosures.** A car sharing program agreement made in  
12.3 Minnesota must disclose to the shared motor vehicle owner and the shared motor vehicle  
12.4 driver:

12.5 (1) any right the peer-to-peer car sharing program has to seek indemnification from the
