- 1.13 Section 1. Minnesota Statutes 2022, section 204B.14, subdivision 2, is amended to read:
- 1.14 Subd. 2. **Separate precincts; combined polling place.** (a) The following shall constitute
- 1.15 at least one election precinct:
- 1.16 (1) each city ward; and
- 1.17 (2) each town and each statutory city.
- 1.18 (b) A single, accessible, combined polling place may be established no later than
- 1.19 November 1 if a presidential nomination primary or state general election is scheduled to
- 1.20 occur in the following year ~~or May 1 of any other year~~:
- 1.21 (1) for any city of the third or fourth class, any town, or any city having territory in more
- 1.22 than one county, in which all the voters of the city or town shall cast their ballots;
- 1.23 (2) for contiguous precincts in the same municipality;

2.1 (3) for up to four contiguous municipalities located entirely outside the metropolitan
2.2 area, as defined by section 200.02, subdivision 24, that are contained in the same county;
2.3 or

2.4 (4) for noncontiguous precincts located in one or more counties.

2.5 Subject to the requirements of paragraph (c), a single, accessible, combined polling place
2.6 may be established after May 1 of any year in the event of an emergency.

2.7 A copy of the ordinance or resolution establishing a combined polling place must be
2.8 filed with the county auditor within 30 days after approval by the governing body. A polling
2.9 place combined under clause (3) must be approved by the governing body of each
2.10 participating municipality. A polling place combined under clause (4) must be approved by
2.11 the governing body of each participating municipality and the secretary of state and may
2.12 be located outside any of the noncontiguous precincts. A municipality withdrawing from
2.13 participation in a combined polling place must do so by filing a resolution of withdrawal
2.14 with the county auditor no later than October 1 if a presidential nomination primary or state
2.15 general election is scheduled to occur in the following year ~~or April 1 of any other year.~~

2.17 served by the combined polling place, except that in a precinct that uses electronic rosters
2.18 the secretary of state shall provide separate data files for each precinct. A single set of
2.19 election judges may be appointed to serve at a combined polling place. The number of
2.20 election judges required must be based on the total number of persons voting at the last
2.21 similar election in all precincts to be voting at the combined polling place. Separate ballot
2.22 boxes must be provided for the ballots from each precinct. The results of the election must
2.23 be reported separately for each precinct served by the combined polling place, except in a
2.24 polling place established under clause (2) where one of the precincts has fewer than ten
2.25 registered voters, in which case the results of that precinct must be reported in the manner
2.26 specified by the secretary of state.

2.27 (c) If a local elections official determines that an emergency situation preventing the
2.28 safe, secure, and full operation of a polling place on election day has occurred or is imminent,
2.29 the local elections official may combine two or more polling places for that election pursuant
2.30 to this subdivision. To the extent possible, the polling places must be combined and the
2.31 election conducted according to the requirements of paragraph (b), except that:

2.32 (1) polling places may be combined after May 1 and until the polls close on election
2.33 day;

3.1 (2) any city or town, regardless of size or location, may establish a combined polling
3.2 place under this paragraph;

3.3 (3) the governing body is not required to adopt an ordinance or resolution to establish
3.4 the combined polling place;

3.5 (4) a polling place combined under paragraph (b), clause (3) or (4), must be approved
3.6 by the local election official of each participating municipality;

3.7 (5) the local elections official must immediately notify the county auditor and the
3.8 secretary of state of the combination, including the reason for the emergency combination
3.9 and the location of the combined polling place. As soon as possible, the local elections
3.10 official must also post a notice stating the reason for the combination and the location of
3.11 the combined polling place. The notice must also be posted on the governing board's website,
3.12 if one exists. The local elections official must also notify the election judges and request
3.13 that local media outlets publicly announce the reason for the combination and the location
3.14 of the combined polling place; and

3.15 (6) on election day, the local elections official must post a notice in large print in a
3.16 conspicuous place at the polling place where the emergency occurred, if practical, stating
3.17 the location of the combined polling place. The local election official must also post the
3.18 notice, if practical, in a location visible by voters who vote from their motor vehicles as
3.19 provided in section 204C.15, subdivision 2. If polling place hours are extended pursuant to
3.20 section 204C.05, subdivision 2, paragraph (b), the posted notices required by this paragraph
3.21 must include a statement that the polling place hours at the combined polling place will be
3.22 extended until the specified time.

3.28 voters are willing to travel to a precinct outside of their home jurisdiction to act as an election
3.29 judge, and the jurisdictions to which each eligible voter is willing to travel for that purpose.

3.31 specified by the secretary of state. The secretary of state must combine the data received
3.32 from each political party under this subdivision and must process the data to locate the
3.33 precinct in which the address provided for each potential election judge is located. If the
3.34 data submitted by a political party is insufficient for the secretary of state to locate the proper

Thereafter the political party shall be known by the new name called for by the resolution, and the party under its new name shall have all the rights that it had under its former name.

Each major political party shall also provide for each congressional district and each county or legislative district an executive committee consisting of a chair and such other officers as may be necessary. The party rules may provide for only one executive committee and one convention where any county and congressional district have the same territorial limits.

A delegate or alternate who is deaf, deafblind, or hard-of-hearing who needs interpreter services at a county, legislative district, congressional district, or state convention shall so notify the executive committee of the major political party unit whose convention the delegate or alternate plans to attend. (2) Within two business days after the parties have agreed on a single date on which to conduct their precinct caucuses, the secretary of state shall publicly announce the official state precinct caucus date for the following general election year.

(3) If the chairs of the two largest major political parties do not jointly submit a single date for conducting their precinct caucuses as provided in this paragraph, then for purposes of the next general election year, one of the following dates shall be considered the day of a major political party precinct caucus and sections 202A.19 and 202A.192 shall only apply on that date:

(ii) the Tuesday immediately prior to the presidential nomination primary in a year when a presidential nomination primary is required.

(4) For purposes of this paragraph, the two largest major political parties shall be the parties whose candidates for governor received the greatest and second greatest number of votes at the most recent gubernatorial election.

(c) In the event of severe weather a major political party may request the secretary of state to postpone caucuses. If a major political party makes a request, or upon the secretary of state's own initiative, after consultation with all major political parties and on the advice of the federal Weather Bureau and the Department of Transportation, the secretary of state may declare precinct caucuses to be postponed for a week in counties where weather makes travel especially dangerous. The secretary of state shall submit a notice of the postponement to news media covering the affected counties by 6:00 p.m. on the scheduled day of the caucus. A postponed caucus may also be postponed pursuant to this subdivision.

Subdivision 1. **Time.** Precinct caucuses within a county shall be held on the day established pursuant to section 202A.14, subdivision 1, and the caucuses shall remain open for at least one hour.

Subd. 2. **Place.** The precinct caucuses shall be held at the regular polling places for each precinct or other suitable places designated in the call, and no caucus may be adjourned to any other place or time.

In the event that there is only one suitable meeting place in the precinct polling place and the major political parties cannot agree as to its use, the county auditor shall decide by lot prior to January 15, 1970, the party which is to receive the use of the meeting place in years evenly divisible by four and which party shall receive the use of the meeting place in other years in which a state general election is held. The report of such selections by lot in the county shall be filed by the auditor with the county board which shall publish the same as a part of the minutes of the board meeting at which the report is filed.

A precinct caucus must be held at a place that meets the accessibility standards for precinct polling places specified in section 204B.16, subdivision 5. If only one place satisfies the accessibility and location requirements of this subdivision, the major parties shall alternate use of the place. Prior to January 1, 1990, the county auditor shall decide by lot which party is to use the accessible place in years evenly divisible by four and which party is to use the place in other years when a state general election is held.

202A.155 INTERPRETER SERVICES; CAUCUS MATERIALS.
