1.4 establishing a courtroom animal advocate procedure; requiring support for forensic

1.5 laboratories; authorizing the receipt of grants and contributions; amending the

1.6 definition of crime of violence; requiring reports; requiring rulemaking;

1.9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.10 Section 1. 299P.01 POLICY DECLARATION.

1.11 Subdivision 1. Findings. Because of ongoing occurrences of animal cruelty throughout

1.12 the state of Minnesota and to ensure that local authorities are adequately prepared to deal

1.13 with animal cruelty crimes and protect the public peace, health, and safety, the legislature

1.14 finds and declares it necessary:

1.15 (1) to create an Office of Animal Protection and to require the office to establish regional

1.16 animal units to assist in the enforcement of animal cruelty statutes;

1.17 (2) to confer upon the commissioner the powers to enforce animal cruelty statutes in

1.18 this chapter;

1.19 (3) to cooperate with and provide services to localities, the state, Tribal nations, and the

1.20 federal government regarding animal cruelty cases; and

1.21 (4) to provide all available financial assistance to eligible applicants related to animal

1.22 cruelty.

1.23 Subd. 2. Link to human violence. It is further declared that animal cruelty crimes are

1.24 linked to human violence, including domestic violence, child abuse, sexual abuse, elder

2.1 abuse, terroristic threats, illegal gambling, drugs, and firearms, arson, fraud, or other property  
2.2 and human-related laws; and, therefore, it is the purpose of these sections and the policy of  
2.3 the state that all functions related to enforcing animal cruelty statutes must be coordinated  
2.4 with various state agencies, localities, Tribal nations, the federal government, other states,

 6.23 of Public Safety resources not directly assigned to the office to be used to assist the office  
 6.24 in fulfilling duties under this chapter.

6.25 **Sec. 7. [299P.07] ANIMAL PROTECTION AND RESPONSE UNIT; SPECIAL**  
 6.26 **AGENTS; CERTIFICATION.**

6.27 **Subdivision 1. Animal protection and response unit.** (a) To assist communities in  
 6.28 enforcing animal cruelty laws and conducting investigations, the director must create animal  
 6.29 protection and response units throughout Minnesota.

6.30 (b) The director must regionally establish at least six animal protection and response  
 6.31 units. The director may adjust regions based on the number of crimes, type of crimes, and  
 6.32 other administrative or operational factors deemed necessary by the director.

7.1 (c) The investigation services director, in consultation with the command team, must  
7.2 designate staff for each regional unit who are responsible for organizing, administering,  
7.3 and operating the unit, including field response teams.

7.8 must notify local law enforcement immediately before initiating the investigation.

7.9 (f) A person, organization, or agency from the United States or Canada that has relevant  
7.10 skills may assist the office in any animal cruelty response when such aid is requested by  
7.11 the director.

7.12 Subd. 2. **Special agents.** (a) The director must determine the hiring process for an  
7.13 applicant for a special agent position in an animal protection and response unit. The number  
7.14 of agents that the director may hire must be determined by legislative funding and the office's  
7.15 budget.

7.16 (b) The office must employ a special agent to lead each regional unit. The lead special  
7.17 agent must have expertise in investigating animal cruelty cases. The director, in consultation  
7.18 with the commissioner and command team, must establish qualifications and criteria for  
7.19 the position and make the appointments for each region. The lead special agent must, at a  
7.20 minimum:

7.21 (1) be a peace officer who meets the office's qualifications;

7.22 (2) be trained and certified by the office in animal law and animal cruelty investigations;

7.23 (3) report to the office's deputy director of investigation services; and

7.24 (4) supervise services that the animal protection and response unit provides and coordinate  
7.25 with other services provided by the office.

7.26 (c) The office must also employ or work with deputy special agents to investigate animal  
7.27 cruelty crimes and animal care services. A deputy special agent:

7.28 (1) may be employed by the office, a city police department, a sheriff's office, a nonprofit  
7.29 corporation, a county, a city, or any other local governmental entity or political subdivision  
7.30 of the state or be self-employed if the individual meets all qualifications determined by the  
7.31 office;

8.2 by the office;

8.3 (3) must investigate animal cruelty crimes, including seizing and placing animals, under  
8.4 the direction of a lead special agent; and

8.5 (4) must follow requirements determined by the office and animal protection and response  
8.6 unit.

8.7 Subd. 3. **Compliance coordinator.** Each animal protection and response unit may  
8.8 employ a compliance coordinator to advise special agents regarding enforcement action  
8.9 compliance with local, state, and federal law. A compliance coordinator must be trained  
8.10 and certified by the office.

8.11 Subd. 4. **Certification.** (a) The office must:

8.12 (1) develop processes for recruiting, hiring, and certifying applicants for positions as  
8.13 special agents and other office staff as necessary to carry out the duties in this chapter;

8.14 (2) determine classifications and subclassifications for commissioning agents or  
8.15 personnel; and

8.16 (3) identify potential conflicts of interest and disqualifying violations.

8.17 (b) A commission issued by the office must:

8.18 (1) require special agents and office staff to participate in training and continuing  
8.19 education courses;

8.21 (3) be renewed at the director's discretion;

8.22 (4) be suspended or revoked at the director's discretion; and

8.23 (5) be approved by the Department of Public Safety.

8.24 (c) A certified agent who is not employed by the office must provide proof of liability  
8.25 insurance coverage to the office.

8.26 Sec. 8. **[299P.08] ENFORCEMENT.**

8.27 Subdivision 1. **Investigation.** The office must conduct any investigation necessary to  
8.28 comply with this chapter.

8.29 Subd. 2. **Subpoenas.** The director may issue an administrative subpoena that requires  
8.30 the attendance of witnesses and the production of books, memoranda, papers, documents,

9.1 articles, or instruments and compels the disclosure by a witness of any fact relative to the  
9.2 matter under investigation. Upon the failure or refusal of a witness to obey a subpoena, the  
9.3 director may petition a district court and, upon a proper showing, the court may enter an  
9.4 order compelling the witness to appear and testify or produce documentary evidence. A  
9.5 witness' failure to obey such a court order is punishable as a contempt of court.

9.6 Subd. 3. **Cease and desist.** (a) Whenever the director has reasonable cause to believe  
9.7 that a violation of chapter 343 has occurred and believes that immediate enforcement is  
9.8 necessary, the director may issue a cease and desist notice that may require a person to cease  
9.9 violating any provision of chapter 343.

9.10 (b) A cease and desist notice must describe the provisions alleged to have been violated  
9.11 and the facts alleged to that constituted the violation.

9.12 (c) If a person fails to comply with a cease and desist notice within 24 hours, the director  
9.13 may file a temporary restraining order with a district court or for injunctive relief to prevent  
9.14 any further violation.

9.15 (d) No stay of a cease and desist notice may be issued before a hearing in a district court  
9.16 involving both parties.

9.17 Subd. 4. **Disposition of dead animals.** (a) The office may safely dispose of dead animals  
9.18 as necessary for an investigation or prosecution of an animal cruelty case.

9.19 (b) Unless a veterinary consultation would cause an undue delay or create a risk to health  
9.20 or safety to a human or animal, the office must consult with a veterinarian when taking  
9.21 possession or control of a dead animal and order a forensic necropsy of the body.

9.22 Subd. 5. **Search and seizure without a warrant.** (a) If a deputy special agent, lead  
9.23 special agent, or peace officer has probable cause to believe that an animal is in imminent  
9.24 danger of suffering a serious injury, infirmity, or death, the deputy special agent, lead special  
9.25 agent, or peace officer may enter upon private property to render emergency aid to the  
9.26 animal.

9.27 (b) If a deputy special agent, lead special agent, or peace officer has probable cause to  
9.28 believe that an animal is in imminent danger of suffering a serious injury, infirmity, or death,  
9.29 the deputy special agent, lead special agent, or peace officer may seize the animal without  
9.30 a warrant. The special agent or peace officer shall immediately take a seized animal under  
9.31 chapter 343 to a veterinarian who is licensed pursuant to chapter 156 to provide medical  
9.32 attention to the animal and to assess the animal's health. Any person or caregiving agency

10.1 receiving an animal that is seized pursuant to chapter 343 must provide the animal with  
10.2 minimum care.

10.3 (c) A special agent or peace officer is not liable for any damages for an entry under this  
10.4 section or chapter 343, provided that the special agent or peace officer does not use any  
10.5 more force than is reasonably necessary to enter the property and remove the animal.

10.6 (d) The guardian from whom an animal is seized must be given the same legal remedies  
10.7 available to the guardian or any potential claimant under chapter 343.

10.8 **Sec. 9. [299P.09] CROSS REPORTING.**

10.9 Subdivision 1. **Public policy.** As declared by the legislature pursuant to chapter 260E  
10.10 and section 626.557, the public policy of this state is to protect children whose health or  
10.11 welfare may be jeopardized through physical abuse, neglect, or sexual abuse; and to protect  
10.12 adults who, because of physical or mental disability or dependency on institutional services,  
10.13 are particularly vulnerable to maltreatment. Because animal cruelty is linked to human  
10.14 violence, it is critical and appropriate to report known or suspected animal cruelty to the  
10.15 authorities responsible for protecting children and vulnerable adults.

10.16 Subd. 2. **Mandated reporting; child abuse; vulnerable adults.** Any employee of or  
10.17 any person commissioned by the Office of Animal Protection who, in the course of  
10.18 deployment, has reasonable cause to suspect that a child or adult is being or has been  
10.19 maltreated must provide a report to the Department of Human Services with notification to  
10.20 the Office of Animal Protection. If the health and welfare of a child or adult is in immediate  
10.21 danger or the child or adult may be abandoned, local law enforcement must be contacted  
10.22 immediately if not already on the scene or involved with the assessment and investigation.

10.23 Subd. 3. **Mandated reporting; animal cruelty.** Any child protection or adult protection  
10.24 services employee who knows of or has reasonable cause to suspect that an animal has been  
10.25 or is being harmed, neglected, or cruelly treated in violation of chapter 343 must notify the  
10.26 employee's supervising agency and the Department of Human Services. If the health and  
10.27 welfare of an animal is in immediate danger, the reporter must immediately notify the  
10.28 appropriate law enforcement agency or the Office of Animal Protection.

10.29 Subd. 4. **Criteria.** Criteria and recommendations for cross reporting, including oral and  
10.30 written reports, matters of confidentiality, and training under subdivisions 2, 3, and 5 must  
10.31 be defined by the office in consultation with the Department of Human Services.

11.1 Subd. 5. **Immunity.** A reporter under subdivisions 2 and 3 is immune from any civil or  
11.2 criminal liability that otherwise might result from the reporter's actions, if the reporter is  
11.3 acting in good faith.

11.4 Sec. 10. **[299P.10] COURTROOM ANIMAL ADVOCATE PROGRAM.**

11.5 Subdivision 1. **Court order.** In any prosecution under chapter 343, any court proceeding  
11.6 pursuant to chapter 343, or any other criminal proceeding regarding the welfare, care, or  
11.7 custody of an animal, the court may appoint, upon the court's initiative or upon request of  
11.8 a party, an advocate to represent the interests of the animal.

11.9 Subd. 2. **Advocate; appointment, removal.** When a court appoints an advocate to  
11.10 represent the interests of an animal, the court may appoint the advocate from the list  
11.11 maintained under subdivision 4. The court may remove the advocate at any stage of the  
11.12 proceedings. The decision by a court to appoint an advocate to represent the interests of an  
11.13 animal may be made at any stage of the proceedings.

11.14 Subd. 3. **Advocate; duties and authority.** (a) An advocate appointed under this section  
11.15 must monitor the case; have access to relevant files, documents, and reports related to the  
11.16 case; share with attorneys for the state and defendant any new information relevant to the  
11.17 case or prepared by the advocate for presentation to the court or either party; and present  
11.18 information and recommendations to the court in the best interests of the animal. The  
11.19 advocate's information and recommendations to the court may be based upon the knowledge  
11.20 and experience of the advocate or another specialist with knowledge and experience related  
11.21 to the type of the animal involved in the case.

11.22 (b) An advocate may consult any individual with information that could aid the judge  
11.23 or fact finder; review records relating to the animal's condition and the defendant's actions,  
11.24 including but not limited to records from animal control officers, veterinarians, and police  
11.25 officers; attend hearings in person, virtually, or by telephone; and, if appropriate, provide  
11.26 a victim impact statement to the court.

11.27 Subd. 4. **Advocate requirements.** The office shall maintain a list of attorneys who have  
11.28 indicated a willingness to serve as advocates under this section on a voluntary basis and are  
11.29 eligible to serve as advocates. In order to be eligible to serve as an advocate, an attorney  
11.30 must have completed training as required by the office. A qualified attorney may supervise  
11.31 one or more certified student attorneys.

11.32 **EFFECTIVE DATE.** This section is effective August 1, 2023, and applies to crimes  
11.33 committed on or after that date.

12.1 **Sec. 11. [299P.11] SUPPORT SERVICES; TRAINING, DATA; RESOURCES.**

12.2 **Subdivision 1. Training and auditing.** (a) The director shall develop, administer, and  
12.3 maintain cross-discipline training for and auditing of office personnel and criminal justice  
12.4 partners in the investigation and prosecution of animal cruelty cases. The training must  
12.5 reflect the variety of animal cruelty crimes and investigative and prosecutorial techniques  
12.6 under state law. Cruelty against all animals must be included.

12.7 (b) The director may collaborate with local, state, and national subject experts in  
12.8 developing training curriculum. The director may establish minimum qualifications for  
12.9 training course instructors and hire the instructors necessary to provide the best possible  
12.10 instruction, subject to the limitation of funding appropriated and available for expenditure.

12.11 (c) The director may charge tuition to cover the cost of continuing education courses  
12.12 provided by the office when money available to the director for this purpose is not adequate  
12.13 to pay these costs. The tuition fees collected are appropriated to the director.

12.14 **Subd. 2. Data and information; records.** The director must streamline the collection,  
12.15 analysis, and use of data related to animal cruelty crimes, including case intake, the office's  
12.16 response, charges filed, and final disposition of all complaints reported and cases investigated,  
12.17 in collaboration with the Bureau of Criminal Apprehension and other criminal justice  
12.18 partners.
