9.23 local unit of government; or a disaster assistance organization; (C) provided as an in-kind

10.10 ~~(xviii)~~ (xvii) workers' compensation.

10.11 Sec. 15. Minnesota Statutes 2020, section 260.012, is amended to read:

10.12 **260.012 DUTY TO ENSURE PLACEMENT PREVENTION AND FAMILY**  
 10.13 **REUNIFICATION; REASONABLE EFFORTS.**

10.14 (a) Once a child alleged to be in need of protection or services is under the court's  
 10.15 jurisdiction, the court shall ensure that reasonable efforts, including culturally appropriate  
 10.16 services and practices, by the social services agency are made to prevent placement or to  
 10.17 eliminate the need for removal and to reunite the child with the child's family at the earliest  
 10.18 possible time, and the court must ensure that the responsible social services agency makes  
 10.19 reasonable efforts to finalize an alternative permanent plan for the child as provided in  
 10.20 paragraph (e). In determining reasonable efforts to be made with respect to a child and in  
 10.21 making those reasonable efforts, the child's best interests, health, and safety must be of  
 10.22 paramount concern. Reasonable efforts to prevent placement and for rehabilitation and  
 10.23 reunification are always required except upon a determination by the court that a petition  
 10.24 has been filed stating a prima facie case that:

10.25 (1) the parent has subjected a child to egregious harm as defined in section 260C.007,  
 10.26 subdivision 14;

10.27 (2) the parental rights of the parent to another child have been terminated involuntarily;

10.28 (3) the child is an abandoned infant under section 260C.301, subdivision 2, paragraph  
 10.29 (a), clause (2);

10.30 (4) the parent's custodial rights to another child have been involuntarily transferred to a  
 10.31 relative under Minnesota Statutes 2010, section 260C.201, subdivision 11, paragraph (d),  
 10.32 clause (1), section 260C.515, subdivision 4, or a similar law of another jurisdiction;

11.1 (5) the parent has committed sexual abuse as defined in section 260E.03, against the  
11.2 child or another child of the parent;

11.3 (6) the parent has committed an offense that requires registration as a predatory offender  
11.4 under section 243.166, subdivision 1b, paragraph (a) or (b); or

11.5 (7) the provision of services or further services for the purpose of reunification is futile  
11.6 and therefore unreasonable under the circumstances.

11.7 (b) When the court makes one of the prima facie determinations under paragraph (a),  
11.8 either permanency pleadings under section 260C.505, or a termination of parental rights  
11.9 petition under sections 260C.141 and 260C.301 must be filed. A permanency hearing under  
11.10 sections 260C.503 to 260C.521 must be held within 30 days of this determination.

11.11 (c) In the case of an Indian child, in proceedings under sections 260B.178, 260C.178,  
11.12 260C.201, 260C.202, 260C.204, 260C.301, or 260C.503 to 260C.521, the juvenile court  
11.13 must make findings and conclusions consistent with the Indian Child Welfare Act of 1978,  
11.14 United States Code, title 25, section 1901 et seq., as to the provision of active efforts. In  
11.15 cases governed by the Indian Child Welfare Act of 1978, United States Code, title 25, section  
11.16 1901, the responsible social services agency must provide active efforts as required under  
11.17 United States Code, title 25, section 1911(d).

11.18 (d) "Reasonable efforts to prevent placement" means:

11.19 (1) the agency has made reasonable efforts to prevent the placement of the child in foster  
11.20 care by working with the family to develop and implement a safety plan that is individualized  
11.21 to the needs of the child and the child's family and may include support persons from the  
11.22 child's extended family, kin network, and community; or

11.23 (2) the agency has demonstrated to the court that, given the particular circumstances of  
11.24 the child and family at the time of the child's removal, there are no services or efforts  
11.25 available ~~which~~ that could allow the child to safely remain in the home.

11.26 (e) "Reasonable efforts to finalize a permanent plan for the child" means due diligence  
11.27 by the responsible social services agency to:

11.28 (1) reunify the child with the parent or guardian from whom the child was removed;

11.29 (2) assess a noncustodial parent's ability to provide day-to-day care for the child and,  
11.30 where appropriate, provide services necessary to enable the noncustodial parent to safely  
11.31 provide the care, as required by section 260C.219;

12.1 (3) conduct a relative search to identify and provide notice to adult relatives, and engage  
 12.2 relatives in case planning and permanency planning, as required under section 260C.221;

12.3 (4) consider placing the child with relatives in the order specified in section 260C.212,  
 12.4 subdivision 2, paragraph (a);

12.5 ~~(4)~~ (5) place siblings removed from their home in the same home for foster care or  
 12.6 adoption, or transfer permanent legal and physical custody to a relative. Visitation between  
 12.7 siblings who are not in the same foster care, adoption, or custodial placement or facility  
 12.8 shall be consistent with section 260C.212, subdivision 2; and

12.9 ~~(5)~~ (6) when the child cannot return to the parent or guardian from whom the child was  
 12.10 removed, to plan for and finalize a safe and legally permanent alternative home for the child,  
 12.11 and considers permanent alternative homes for the child inside or outside of the state,  
 12.12 preferably with a relative in the order specified in section 260C.212, subdivision 2, paragraph  
 12.13 (a), through adoption or transfer of permanent legal and physical custody of the child.

12.14 (f) Reasonable efforts are made upon the exercise of due diligence by the responsible  
 12.15 social services agency to use culturally appropriate and available services to meet the  
 12.16 individualized needs of the child and the child's family. Services may include those provided  
 12.17 by the responsible social services agency and other culturally appropriate services available  
 12.18 in the community. The responsible social services agency must select services for a child  
 12.19 and the child's family by collaborating with the child's family and, if appropriate, the child.  
 12.20 At each stage of the proceedings ~~where~~ when the court is required to review the  
 12.21 appropriateness of the responsible social services agency's reasonable efforts as described  
 12.22 in paragraphs (a), (d), and (e), the social services agency has the burden of demonstrating  
 12.23 that:

12.24 (1) ~~it~~ the agency has made reasonable efforts to prevent placement of the child in foster  
 12.25 care, including that the agency considered or established a safety plan according to paragraph  
 12.26 (d), clause (1);

12.27 (2) ~~it~~ the agency has made reasonable efforts to eliminate the need for removal of the  
 12.28 child from the child's home and to reunify the child with the child's family at the earliest  
 12.29 possible time;

12.30 (3) the agency has made reasonable efforts to finalize a permanent plan for the child  
 12.31 pursuant to paragraph (e);

12.32 ~~(3)~~ ~~it~~ (4) the agency has made reasonable efforts to finalize an alternative permanent  
 12.33 home for the child, and ~~considers~~ considered permanent alternative homes for the child

13.1 ~~inside or outside~~ in or out of the state, preferably with a relative in the order specified in  
 13.2 section 260C.212, subdivision 2, paragraph (a); or

13.3 ~~(4)~~ (5) reasonable efforts to prevent placement and to reunify the child with the parent  
 13.4 or guardian are not required. The agency may meet this burden by stating facts in a sworn  
 13.5 petition filed under section 260C.141, by filing an affidavit summarizing the agency's  
 13.6 reasonable efforts or facts that the agency believes demonstrate that there is no need for  
 13.7 reasonable efforts to reunify the parent and child, or through testimony or a certified report  
 13.8 required under juvenile court rules.

13.9 (g) Once the court determines that reasonable efforts for reunification are not required  
 13.10 because the court has made one of the prima facie determinations under paragraph (a), the  
 13.11 court may only require the agency to make reasonable efforts for reunification after a hearing  
 13.12 according to section 260C.163, ~~where~~ if the court finds that there is not clear and convincing  
 13.13 evidence of the facts upon which the court based ~~its~~ the court's prima facie determination.  
 13.14 ~~In this case when~~ If there is clear and convincing evidence that the child is in need of  
 13.15 protection or services, the court may find the child in need of protection or services and  
 13.16 order any of the dispositions available under section 260C.201, subdivision 1. Reunification  
 13.17 of a child with a parent is not required if the parent has been convicted of:

13.18 (1) a violation of, or an attempt or conspiracy to commit a violation of, sections 609.185  
 13.19 to 609.20; 609.222, subdivision 2; or 609.223 in regard to another child of the parent;

13.20 (2) a violation of section 609.222, subdivision 2; or 609.223, in regard to the child;

13.21 (3) a violation of, or an attempt or conspiracy to commit a violation of, United States  
 13.22 Code, title 18, section 1111(a) or 1112(a), in regard to another child of the parent;

13.23 (4) committing sexual abuse as defined in section 260E.03, against the child or another  
 13.24 child of the parent; or

13.25 (5) an offense that requires registration as a predatory offender under section 243.166,  
 13.26 subdivision 1b, paragraph (a) or (b).

13.27 (h) The juvenile court, in proceedings under sections 260B.178, 260C.178, 260C.201,  
 13.28 260C.202, 260C.204, 260C.301, or 260C.503 to 260C.521, shall make findings and  
 13.29 conclusions as to the provision of reasonable efforts. When determining whether reasonable  
 13.30 efforts have been made by the agency, the court shall consider whether services to the child  
 13.31 and family were:

13.32 (1) selected in collaboration with the child's family and, if appropriate, the child;

13.33 (2) tailored to the individualized needs of the child and child's family;

14.1 ~~(1)~~ (3) relevant to the safety ~~and~~, protection, and well-being of the child;

14.2 ~~(2)~~ (4) adequate to meet the individualized needs of the child and family;

14.3 ~~(3)~~ (5) culturally appropriate;

14.4 ~~(4)~~ (6) available and accessible;

14.5 ~~(5)~~ (7) consistent and timely; and

14.6 ~~(6)~~ (8) realistic under the circumstances.

14.7 In the alternative, the court may determine that the provision of services or further services  
 14.8 for the purpose of rehabilitation is futile and therefore unreasonable under the circumstances  
 14.9 or that reasonable efforts are not required as provided in paragraph (a).

14.10 (i) This section does not prevent out-of-home placement for the treatment of a child with  
 14.11 a mental disability when it is determined to be medically necessary as a result of the child's  
 14.12 diagnostic assessment or the child's individual treatment plan indicates that appropriate and  
 14.13 necessary treatment cannot be effectively provided outside of a residential or inpatient  
 14.14 treatment program and the level or intensity of supervision and treatment cannot be  
 14.15 effectively and safely provided in the child's home or community and it is determined that  
 14.16 a residential treatment setting is the least restrictive setting that is appropriate to the needs  
 14.17 of the child.

14.18 (j) If continuation of reasonable efforts to prevent placement or reunify the child with  
 14.19 the parent or guardian from whom the child was removed is determined by the court to be  
 14.20 inconsistent with the permanent plan for the child or upon the court making one of the prima  
 14.21 facie determinations under paragraph (a), reasonable efforts must be made to place the child  
 14.22 in a timely manner in a safe and permanent home and to complete whatever steps are  
 14.23 necessary to legally finalize the permanent placement of the child.

14.24 (k) Reasonable efforts to place a child for adoption or in another permanent placement  
 14.25 may be made concurrently with reasonable efforts to prevent placement or to reunify the  
 14.26 child with the parent or guardian from whom the child was removed. When the responsible  
 14.27 social services agency decides to concurrently make reasonable efforts for both reunification  
 14.28 and permanent placement away from the parent under paragraph (a), the agency shall disclose  
 14.29 ~~its~~ the agency's decision and both plans for concurrent reasonable efforts to all parties and  
 14.30 the court. When the agency discloses ~~its~~ the agency's decision to proceed ~~on~~ with both plans  
 14.31 for reunification and permanent placement away from the parent, the court's review of the  
 14.32 agency's reasonable efforts shall include the agency's efforts under both plans.

15.1 Sec. 16. Minnesota Statutes 2020, section 260C.001, subdivision 3, is amended to read:

15.2 Subd. 3. **Permanency, termination of parental rights, and adoption.** The purpose of  
 15.3 the laws relating to permanency, termination of parental rights, and children who come  
 15.4 under the guardianship of the commissioner of human services is to ensure that:

15.5 (1) when required and appropriate, reasonable efforts have been made by the social  
 15.6 services agency to reunite the child with the child's parents in a home that is safe and  
 15.7 permanent;

15.8 (2) if placement with the parents is not reasonably foreseeable, to secure for the child a  
 15.9 safe and permanent placement according to the requirements of section 260C.212, subdivision  
 15.10 2, preferably ~~with adoptive parents~~ with a relative through an adoption or a transfer of  
 15.11 permanent legal and physical custody or, if that is not possible or in the best interests of the  
 15.12 child, ~~a fit and willing relative through transfer of permanent legal and physical custody to~~  
 15.13 ~~that relative~~ with a nonrelative caregiver through adoption; and

15.14 (3) when a child is under the guardianship of the commissioner of human services,  
 15.15 reasonable efforts are made to finalize an adoptive home for the child in a timely manner.

15.16 Nothing in this section requires reasonable efforts to prevent placement or to reunify  
 15.17 the child with the parent or guardian to be made in circumstances where the court has  
 15.18 determined that the child has been subjected to egregious harm, when the child is an  
 15.19 abandoned infant, the parent has involuntarily lost custody of another child through a  
 15.20 proceeding under section 260C.515, subdivision 4, or similar law of another state, the  
 15.21 parental rights of the parent to a sibling have been involuntarily terminated, or the court has  
 15.22 determined that reasonable efforts or further reasonable efforts to reunify the child with the  
 15.23 parent or guardian would be futile.

15.24 The paramount consideration in all proceedings for permanent placement of the child  
 15.25 under sections 260C.503 to 260C.521, or the termination of parental rights is the best interests  
 15.26 of the child. In proceedings involving an American Indian child, as defined in section  
 15.27 260.755, subdivision 8, the best interests of the child must be determined consistent with  
 15.28 the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901, et seq.

15.29 Sec. 17. Minnesota Statutes 2020, section 260C.007, subdivision 27, is amended to read:

15.30 Subd. 27. **Relative.** "Relative" means a person related to the child by blood, marriage,  
 15.31 or adoption; the legal parent, guardian, or custodian of the child's siblings; or an individual  
 15.32 who is an important friend of the child or of the child's parent or custodian, including an

16.1 individual with whom the child has resided or had significant contact or who has a significant  
 16.2 relationship to the child or the child's parent or custodian.

16.3 Sec. 18. Minnesota Statutes 2020, section 260C.151, subdivision 6, is amended to read:

16.4 Subd. 6. **Immediate custody.** If the court makes individualized, explicit findings, based  
 16.5 on the notarized petition or sworn affidavit, that there are reasonable grounds to believe  
 16.6 that the child is in surroundings or conditions which that endanger the child's health, safety,  
 16.7 or welfare that require that responsibility for the child's care and custody be immediately  
 16.8 assumed by the responsible social services agency and that continuation of the child in the  
 16.9 custody of the parent or guardian is contrary to the child's welfare, the court may order that  
 16.10 the officer serving the summons take the child into immediate custody for placement of the  
 16.11 child in foster care, preferably with a relative. In ordering that responsibility for the care,  
 16.12 custody, and control of the child be assumed by the responsible social services agency, the  
 16.13 court is ordering emergency protective care as that term is defined in the juvenile court  
 16.14 rules.

16.15 Sec. 19. Minnesota Statutes 2020, section 260C.152, subdivision 5, is amended to read:

16.16 Subd. 5. **Notice to foster parents and preadoptive parents and relatives.** The foster  
 16.17 parents, if any, of a child and any preadoptive parent or relative providing care for the child  
 16.18 must be provided notice of and a right to be heard in any review or hearing to be held with  
 16.19 respect to the child. Any other relative may also request, and must be granted, a notice and  
 16.20 the ~~opportunity~~ right to be heard under this section. This subdivision does not require that  
 16.21 a foster parent, preadoptive parent, ~~or~~ relative providing care for the child, or any other  
 16.22 relative be made a party to a review or hearing solely on the basis of the notice and right to  
 16.23 be heard.

16.24 Sec. 20. Minnesota Statutes 2020, section 260C.175, subdivision 2, is amended to read:

16.25 Subd. 2. **Notice to parent or custodian and child; emergency placement with**  
 16.26 **relative.** ~~Whenever~~ (a) At the time that a peace officer takes a child into custody for relative  
 16.27 placement or shelter care or relative placement pursuant to subdivision 1, section 260C.151,  
 16.28 subdivision 5, or section 260C.154, the officer shall notify the child's parent or custodian  
 16.29 and the child, if the child is ten years of age or older, that under section 260C.181, subdivision  
 16.30 2, the parent or custodian or the child may request that to place the child ~~be placed~~ with a  
 16.31 relative ~~or a designated caregiver under chapter 257A~~ as defined in section 260C.007,  
 16.32 subdivision 27, instead of in a shelter care facility.

17.1 (b) When a child who is not alleged to be delinquent is taken into custody pursuant to  
17.2 subdivision 1, clause (1) or (2), item (ii), and placement with an identified relative is  
17.3 requested, the peace officer shall coordinate with the responsible social services agency to  
17.4 ensure the child's safety and well-being and comply with section 260C.181, subdivision 2.

17.5 (c) The officer also shall give the parent or custodian of the child a list of names,  
17.6 addresses, and telephone numbers of social services agencies that offer child welfare services.  
17.7 If the parent or custodian was not present when the child was removed from the residence,  
17.8 the list shall be left with an adult on the premises or left in a conspicuous place on the  
17.9 premises if no adult is present. If the officer has reason to believe the parent or custodian  
17.10 is not able to read and understand English, the officer must provide a list that is written in  
17.11 the language of the parent or custodian. The list shall be prepared by the commissioner of  
17.12 human services. The commissioner shall prepare lists for each county and provide each  
17.13 county with copies of the list without charge. The list shall be reviewed annually by the  
17.14 commissioner and updated if it is no longer accurate. Neither the commissioner nor any  
17.15 peace officer or the officer's employer shall be liable to any person for mistakes or omissions  
17.16 in the list. The list does not constitute a promise that any agency listed will ~~in fact~~ assist the  
17.17 parent or custodian.

17.18 Sec. 21. Minnesota Statutes 2020, section 260C.176, subdivision 2, is amended to read:

17.19 Subd. 2. **Reasons for detention.** (a) If the child is not released as provided in subdivision  
17.20 1, the person taking the child into custody shall notify the court as soon as possible of the  
17.21 detention of the child and the reasons for detention.

17.22 (b) No child taken into custody and placed in a relative's home or shelter care facility  
17.23 or relative's home by a peace officer pursuant to section 260C.175, subdivision 1, clause  
17.24 (1) or (2), item (ii), may be held in custody longer than 72 hours, excluding Saturdays,  
17.25 Sundays and holidays, unless a petition has been filed and the judge or referee determines  
17.26 pursuant to section 260C.178 that the child shall remain in custody or unless the court has  
17.27 made a finding of domestic abuse perpetrated by a minor after a hearing under Laws 1997,  
17.28 chapter 239, article 10, sections 2 to 26, in which case the court may extend the period of  
17.29 detention for an additional seven days, within which time the social services agency shall  
17.30 conduct an assessment and shall provide recommendations to the court regarding voluntary  
17.31 services or file a child in need of protection or services petition.

18.1 Sec. 22. Minnesota Statutes 2020, section 260C.178, subdivision 1, is amended to read:

18.2 Subdivision 1. **Hearing and release requirements.** (a) If a child was taken into custody  
18.3 under section 260C.175, subdivision 1, clause (1) or (2), item (ii), the court shall hold a  
18.4 hearing within 72 hours of the time that the child was taken into custody, excluding  
18.5 Saturdays, Sundays, and holidays, to determine whether the child should continue to be in  
18.6 custody.

18.7 (b) Unless there is reason to believe that the child would endanger self or others or not  
18.8 return for a court hearing, or that the child's health or welfare would be immediately  
18.9 endangered, the child shall be released to the custody of a parent, guardian, custodian, or  
18.10 other suitable person, subject to reasonable conditions of release including, but not limited  
18.11 to, a requirement that the child undergo a chemical use assessment as provided in section  
18.12 260C.157, subdivision 1.

18.13 (c) If the court determines that there is reason to believe that the child would endanger  
18.14 self or others or not return for a court hearing, or that the child's health or welfare would be  
18.15 immediately endangered if returned to the care of the parent or guardian who has custody  
18.16 and from whom the child was removed, the court shall order the child:

18.17 (1) into the care of the child's noncustodial parent and order the noncustodial parent to  
18.18 comply with any conditions that the court determines appropriate to ensure the safety and  
18.19 care of the child, including requiring the noncustodial parent to cooperate with paternity  
18.20 establishment proceedings if the noncustodial parent has not been adjudicated the child's  
18.21 father; or

18.22 (2) into foster care as defined in section 260C.007, subdivision 18, under the legal  
18.23 responsibility of the responsible social services agency or responsible probation or corrections  
18.24 agency for the purposes of protective care as that term is used in the juvenile court rules ~~or~~  
18.25 ~~into the home of a noncustodial parent and order the noncustodial parent to comply with~~  
18.26 ~~any conditions the court determines to be appropriate to the safety and care of the child,~~  
18.27 ~~including cooperating with paternity establishment proceedings in the case of a man who~~  
18.28 ~~has not been adjudicated the child's father.~~ The court shall not give the responsible social  
18.29 services legal custody and order a trial home visit at any time prior to adjudication and  
18.30 disposition under section 260C.201, subdivision 1, paragraph (a), clause (3), but may order  
18.31 the child returned to the care of the parent or guardian who has custody and from whom the  
18.32 child was removed and order the parent or guardian to comply with any conditions the court  
18.33 determines to be appropriate to meet the safety, health, and welfare of the child.

19.1 (d) In determining whether the child's health or welfare would be immediately  
19.2 endangered, the court shall consider whether the child would reside with a perpetrator of  
19.3 domestic child abuse.

19.4 (e) The court, before determining whether a child should be placed in or continue in  
19.5 foster care under the protective care of the responsible agency, shall also make a  
19.6 determination, consistent with section 260.012 as to whether reasonable efforts were made  
19.7 to prevent placement or whether reasonable efforts to prevent placement are not required.  
19.8 In the case of an Indian child, the court shall determine whether active efforts, according  
19.9 to section 260.762 and the Indian Child Welfare Act of 1978, United States Code, title 25,  
19.10 section 1912(d), were made to prevent placement. The court shall enter a finding that the  
19.11 responsible social services agency has made reasonable efforts to prevent placement when  
19.12 the agency establishes either:

19.13 (1) that ~~it~~ the agency has actually provided services or made efforts in an attempt to  
19.14 prevent the child's removal but that such services or efforts have not proven sufficient to  
19.15 permit the child to safely remain in the home; or

19.16 (2) that there are no services or other efforts that could be made at the time of the hearing  
19.17 that could safely permit the child to remain home or to return home. The court shall not  
19.18 make a reasonable efforts determination under this clause unless the court is satisfied that  
19.19 the agency has sufficiently demonstrated to the court that there were no services or other  
19.20 efforts that the agency was able to provide at the time of the hearing enabling the child to  
19.21 safely remain home or to safely return home. When reasonable efforts to prevent placement  
19.22 are required and there are services or other efforts that could be ordered ~~which~~ that would  
19.23 permit the child to safely return home, the court shall order the child returned to the care of  
19.24 the parent or guardian and the services or efforts put in place to ensure the child's safety.  
19.25 When the court makes a prima facie determination that one of the circumstances under  
19.26 paragraph (g) exists, the court shall determine that reasonable efforts to prevent placement  
19.27 and to return the child to the care of the parent or guardian are not required.

19.28 (f) If the court finds the social services agency's preventive or reunification efforts have  
19.29 not been reasonable but further preventive or reunification efforts could not permit the child  
19.30 to safely remain at home, the court may nevertheless authorize or continue the removal of  
19.31 the child.

19.32 (f) (g) The court may not order or continue the foster care placement of the child unless  
19.33 the court makes explicit, individualized findings that continued custody of the child by the

20.1 parent or guardian would be contrary to the welfare of the child and that placement is in the  
20.2 best interest of the child.

20.3 ~~(g)~~ (h) At the emergency removal hearing, or at any time during the course of the  
20.4 proceeding, and upon notice and request of the county attorney, the court shall determine  
20.5 whether a petition has been filed stating a prima facie case that:

20.6 (1) the parent has subjected a child to egregious harm as defined in section 260C.007,  
20.7 subdivision 14;

20.8 (2) the parental rights of the parent to another child have been involuntarily terminated;

20.9 (3) the child is an abandoned infant under section 260C.301, subdivision 2, paragraph  
20.10 (a), clause (2);

20.11 (4) the parents' custodial rights to another child have been involuntarily transferred to a  
20.12 relative under Minnesota Statutes 2010, section 260C.201, subdivision 11, paragraph (e),  
20.13 clause (1); section 260C.515, subdivision 4; or a similar law of another jurisdiction;

20.14 (5) the parent has committed sexual abuse as defined in section 260E.03, against the  
20.15 child or another child of the parent;

20.16 (6) the parent has committed an offense that requires registration as a predatory offender  
20.17 under section 243.166, subdivision 1b, paragraph (a) or (b); or

20.18 (7) the provision of services or further services for the purpose of reunification is futile  
20.19 and therefore unreasonable.

20.20 ~~(h)~~ (i) When a petition to terminate parental rights is required under section 260C.301,  
20.21 subdivision 4, or 260C.503, subdivision 2, but the county attorney has determined not to  
20.22 proceed with a termination of parental rights petition, and has instead filed a petition to  
20.23 transfer permanent legal and physical custody to a relative under section 260C.507, the  
20.24 court shall schedule a permanency hearing within 30 days of the filing of the petition.

20.25 ~~(i)~~ (j) If the county attorney has filed a petition under section 260C.307, the court shall  
20.26 schedule a trial under section 260C.163 within 90 days of the filing of the petition except  
20.27 when the county attorney determines that the criminal case shall proceed to trial first under  
20.28 section 260C.503, subdivision 2, paragraph (c).

20.29 ~~(j)~~ (k) If the court determines the child should be ordered into foster care and the child's  
20.30 parent refuses to give information to the responsible social services agency regarding the  
20.31 child's father or relatives of the child, the court may order the parent to disclose the names,  
20.32 addresses, telephone numbers, and other identifying information to the responsible social

21.1 services agency for the purpose of complying with sections 260C.150, 260C.151, 260C.212,  
 21.2 260C.215, 260C.219, and 260C.221.

21.3 ~~(k)~~ (l) If a child ordered into foster care has siblings, whether full, half, or step, who are  
 21.4 also ordered into foster care, the court shall inquire of the responsible social services agency  
 21.5 of the efforts to place the children together as required by section 260C.212, subdivision 2,  
 21.6 paragraph (d), if placement together is in each child's best interests, unless a child is in  
 21.7 placement for treatment or a child is placed with a previously noncustodial parent who is  
 21.8 not a parent to all siblings. If the children are not placed together at the time of the hearing,  
 21.9 the court shall inquire at each subsequent hearing of the agency's reasonable efforts to place  
 21.10 the siblings together, as required under section 260.012. If any sibling is not placed with  
 21.11 another sibling or siblings, the agency must develop a plan to facilitate visitation or ongoing  
 21.12 contact among the siblings as required under section 260C.212, subdivision 1, unless it is  
 21.13 contrary to the safety or well-being of any of the siblings to do so.

21.14 ~~(k)~~ (m) When the court has ordered the child into the care of a noncustodial parent or in  
 21.15 foster care or into the home of a noncustodial parent, the court may order a chemical  
 21.16 dependency evaluation, mental health evaluation, medical examination, and parenting  
 21.17 assessment for the parent as necessary to support the development of a plan for reunification  
 21.18 required under subdivision 7 and section 260C.212, subdivision 1, or the child protective  
 21.19 services plan under section 260E.26, and Minnesota Rules, part 9560.0228.

21.20 Sec. 23. Minnesota Statutes 2020, section 260C.181, subdivision 2, is amended to read:

21.21 Subd. 2. **Least restrictive setting.** Notwithstanding the provisions of subdivision 1, if  
 21.22 the child had been taken into custody pursuant to section 260C.175, subdivision 1, clause  
 21.23 (1) or (2), item (ii), and is not alleged to be delinquent, the child shall be detained in the  
 21.24 least restrictive setting consistent with the child's health and welfare and in closest proximity  
 21.25 to the child's family as possible. Placement may be with a child's relative, ~~a designated~~  
 21.26 ~~caregiver under chapter 257A~~, or, if no placement is available with a relative, in a shelter  
 21.27 care facility. The placing officer shall comply with this section and shall document why a  
 21.28 less restrictive setting will or will not be in the best interests of the child for placement  
 21.29 purposes.

21.30 Sec. 24. Minnesota Statutes 2020, section 260C.193, subdivision 3, is amended to read:

21.31 Subd. 3. **Best interests of the child.** (a) The policy of the state is to ensure that the best  
 21.32 interests of children in foster care, who experience a transfer of permanent legal and physical

22.1 custody to a relative under section 260C.515, subdivision 4, or adoption under this chapter,  
 22.2 are met by:

22.3 (1) considering placement of a child with relatives in the order specified in section  
 22.4 260C.212, subdivision 2, paragraph (a); and

22.5 (2) requiring individualized determinations under section 260C.212, subdivision 2,  
 22.6 paragraph (b), of the needs of the child and of how the selected home will serve the needs  
 22.7 of the child.

22.8 (b) No later than three months after a child is ordered to be removed from the care of a  
 22.9 parent in the hearing required under section 260C.202, the court shall review and enter  
 22.10 findings regarding whether the responsible social services agency ~~made~~:

22.11 (1) ~~diligent efforts~~ exercised due diligence to identify ~~and~~ search for, notify, and engage  
 22.12 relatives as required under section 260C.221; and

22.13 (2) made a placement consistent with section 260C.212, subdivision 2, that is based on  
 22.14 an individualized determination as required under section 260C.212, subdivision 2, of the  
 22.15 child's needs to select a home that meets the needs of the child.

22.16 (c) If the court finds that the agency has not ~~made efforts~~ exercised due diligence as  
 22.17 required under section 260C.221, ~~and~~ the court shall order the agency to make reasonable  
 22.18 efforts. If there is a relative who qualifies to be licensed to provide family foster care under  
 22.19 chapter 245A, the court may order the child to be placed with the relative consistent with  
 22.20 the child's best interests.

22.21 (d) If the agency's efforts under section 260C.221 are found by the court to be sufficient,  
 22.22 the court shall order the agency to continue to appropriately engage relatives who responded  
 22.23 to the notice under section 260C.221 in placement and case planning decisions and to  
 22.24 appropriately engage relatives who subsequently come to the agency's attention. A court's  
 22.25 finding that the agency has made reasonable efforts under this paragraph does not relieve  
 22.26 the agency of the duty to continue notifying relatives who come to the agency's attention  
 22.27 and engaging and considering relatives who respond to the notice under section 260C.221  
 22.28 in child placement and case planning decisions.

22.29 (e) If the child's birth parent ~~or parents~~ explicitly ~~request~~ requests that a specific relative  
 22.30 ~~or important friend~~ not be considered for placement of the child, the court shall honor that  
 22.31 request if it is consistent with the best interests of the child and consistent with the  
 22.32 requirements of section 260C.221. The court shall not waive relative search, notice, and  
 22.33 consideration requirements, unless section 260C.139 applies. If the child's birth parent ~~or~~

23.1 ~~parents express~~ expresses a preference for placing the child in a foster or adoptive home of  
 23.2 the same or a similar religious background ~~to~~ as that of the birth parent or parents, the court  
 23.3 shall order placement of the child with an individual who meets the birth parent's religious  
 23.4 preference.

23.5 (f) Placement of a child ~~cannot~~ must not be delayed or denied based on race, color, or  
 23.6 national origin of the foster parent or the child.

23.7 (g) Whenever possible, siblings requiring foster care placement ~~should~~ shall be placed  
 23.8 together unless it is determined not to be in the best interests of one or more of the siblings  
 23.9 after weighing the benefits of separate placement against the benefits of sibling connections  
 23.10 for each sibling. The agency shall consider section 260C.008 when making this determination.  
 23.11 If siblings were not placed together according to section 260C.212, subdivision 2, paragraph  
 23.12 (d), the responsible social services agency shall report to the court the efforts made to place  
 23.13 the siblings together and why the efforts were not successful. If the court is not satisfied  
 23.14 that the agency has made reasonable efforts to place siblings together, the court must order  
 23.15 the agency to make further reasonable efforts. If siblings are not placed together, the court  
 23.16 shall order the responsible social services agency to implement the plan for visitation among  
 23.17 siblings required as part of the out-of-home placement plan under section 260C.212.

23.18 (h) This subdivision does not affect the Indian Child Welfare Act, United States Code,  
 23.19 title 25, sections 1901 to 1923, and the Minnesota Indian Family Preservation Act, sections  
 23.20 260.751 to 260.835.

23.21 Sec. 25. Minnesota Statutes 2020, section 260C.201, subdivision 1, is amended to read:

23.22 Subdivision 1. **Dispositions.** (a) If the court finds that the child is in need of protection  
 23.23 or services or neglected and in foster care, ~~it~~ the court shall enter an order making any of  
 23.24 the following dispositions of the case:

23.25 (1) place the child under the protective supervision of the responsible social services  
 23.26 agency or child-placing agency in the home of a parent of the child under conditions  
 23.27 prescribed by the court directed to the correction of the child's need for protection or services:

23.28 (i) the court may order the child into the home of a parent who does not otherwise have  
 23.29 legal custody of the child, however, an order under this section does not confer legal custody  
 23.30 on that parent;

23.31 (ii) if the court orders the child into the home of a father who is not adjudicated, the  
 23.32 father must cooperate with paternity establishment proceedings regarding the child in the

24.1 appropriate jurisdiction as one of the conditions prescribed by the court for the child to  
 24.2 continue in the father's home; and

24.3 (iii) the court may order the child into the home of a noncustodial parent with conditions  
 24.4 and may also order both the noncustodial and the custodial parent to comply with the  
 24.5 requirements of a case plan under subdivision 2; or

24.6 (2) transfer legal custody to one of the following:

24.7 (i) a child-placing agency; or

24.8 (ii) the responsible social services agency. In making a foster care placement ~~for~~ of a  
 24.9 child whose custody has been transferred under this subdivision, the agency shall make an  
 24.10 individualized determination of how the placement is in the child's best interests using the  
 24.11 placement consideration order for relatives, and the best interest factors in section 260C.212,  
 24.12 subdivision 2, ~~paragraph (b)~~, and may include a child colocated with a parent in a licensed  
 24.13 residential family-based substance use disorder treatment program under section 260C.190;  
 24.14 or

24.15 (3) order a trial home visit without modifying the transfer of legal custody to the  
 24.16 responsible social services agency under clause (2). Trial home visit means the child is  
 24.17 returned to the care of the parent or guardian from whom the child was removed for a period  
 24.18 not to exceed six months. During the period of the trial home visit, the responsible social  
 24.19 services agency:

24.20 (i) shall continue to have legal custody of the child, which means that the agency may  
 24.21 see the child in the parent's home, at school, in a child care facility, or other setting as the  
 24.22 agency deems necessary and appropriate;

24.23 (ii) shall continue to have the ability to access information under section 260C.208;

24.24 (iii) shall continue to provide appropriate services to both the parent and the child during  
 24.25 the period of the trial home visit;

24.26 (iv) without previous court order or authorization, may terminate the trial home visit in  
 24.27 order to protect the child's health, safety, or welfare and may remove the child to foster care;

24.28 (v) shall advise the court and parties within three days of the termination of the trial  
 24.29 home visit when a visit is terminated by the responsible social services agency without a  
 24.30 court order; and

24.31 (vi) shall prepare a report for the court when the trial home visit is terminated whether  
 24.32 by the agency or court order ~~which~~ that describes the child's circumstances during the trial

25.1 home visit and recommends appropriate orders, if any, for the court to enter to provide for  
25.2 the child's safety and stability. In the event a trial home visit is terminated by the agency  
25.3 by removing the child to foster care without prior court order or authorization, the court  
25.4 shall conduct a hearing within ten days of receiving notice of the termination of the trial  
25.5 home visit by the agency and shall order disposition under this subdivision or commence  
25.6 permanency proceedings under sections 260C.503 to 260C.515. The time period for the  
25.7 hearing may be extended by the court for good cause shown and if it is in the best interests  
25.8 of the child as long as the total time the child spends in foster care without a permanency  
25.9 hearing does not exceed 12 months;

25.10 (4) if the child has been adjudicated as a child in need of protection or services because  
25.11 the child is in need of special services or care to treat or ameliorate a physical or mental  
25.12 disability or emotional disturbance as defined in section 245.4871, subdivision 15, the court  
25.13 may order the child's parent, guardian, or custodian to provide it. The court may order the  
25.14 child's health plan company to provide mental health services to the child. Section 62Q.535  
25.15 applies to an order for mental health services directed to the child's health plan company.  
25.16 If the health plan, parent, guardian, or custodian fails or is unable to provide this treatment  
25.17 or care, the court may order it provided. Absent specific written findings by the court that  
25.18 the child's disability is the result of abuse or neglect by the child's parent or guardian, the  
25.19 court shall not transfer legal custody of the child for the purpose of obtaining special  
25.20 treatment or care solely because the parent is unable to provide the treatment or care. If the  
25.21 court's order for mental health treatment is based on a diagnosis made by a treatment  
25.22 professional, the court may order that the diagnosing professional not provide the treatment  
25.23 to the child if it finds that such an order is in the child's best interests; or

25.24 (5) if the court believes that the child has sufficient maturity and judgment and that it is  
25.25 in the best interests of the child, the court may order a child 16 years old or older to be  
25.26 allowed to live independently, either alone or with others as approved by the court under  
25.27 supervision the court considers appropriate, if the county board, after consultation with the  
25.28 court, has specifically authorized this dispositional alternative for a child.

25.29 (b) If the child was adjudicated in need of protection or services because the child is a  
25.30 runaway or habitual truant, the court may order any of the following dispositions in addition  
25.31 to or as alternatives to the dispositions authorized under paragraph (a):

25.32 (1) counsel the child or the child's parents, guardian, or custodian;

25.33 (2) place the child under the supervision of a probation officer or other suitable person  
25.34 in the child's own home under conditions prescribed by the court, including reasonable rules

26.1 for the child's conduct and the conduct of the parents, guardian, or custodian, designed for  
26.2 the physical, mental, and moral well-being and behavior of the child;

26.3 (3) subject to the court's supervision, transfer legal custody of the child to one of the  
26.4 following:

26.5 (i) a reputable person of good moral character. No person may receive custody of two  
26.6 or more unrelated children unless licensed to operate a residential program under sections  
26.7 245A.01 to 245A.16; or

26.8 (ii) a county probation officer for placement in a group foster home established under  
26.9 the direction of the juvenile court and licensed pursuant to section 241.021;

26.10 (4) require the child to pay a fine of up to \$100. The court shall order payment of the  
26.11 fine in a manner that will not impose undue financial hardship upon the child;

26.12 (5) require the child to participate in a community service project;

26.13 (6) order the child to undergo a chemical dependency evaluation and, if warranted by  
26.14 the evaluation, order participation by the child in a drug awareness program or an inpatient  
26.15 or outpatient chemical dependency treatment program;

26.16 (7) if the court believes that it is in the best interests of the child or of public safety that  
26.17 the child's driver's license or instruction permit be canceled, the court may order the  
26.18 commissioner of public safety to cancel the child's license or permit for any period up to  
26.19 the child's 18th birthday. If the child does not have a driver's license or permit, the court  
26.20 may order a denial of driving privileges for any period up to the child's 18th birthday. The  
26.21 court shall forward an order issued under this clause to the commissioner, who shall cancel  
26.22 the license or permit or deny driving privileges without a hearing for the period specified  
26.23 by the court. At any time before the expiration of the period of cancellation or denial, the  
26.24 court may, for good cause, order the commissioner of public safety to allow the child to  
26.25 apply for a license or permit, and the commissioner shall so authorize;

26.26 (8) order that the child's parent or legal guardian deliver the child to school at the  
26.27 beginning of each school day for a period of time specified by the court; or

26.28 (9) require the child to perform any other activities or participate in any other treatment  
26.29 programs deemed appropriate by the court.

26.30 To the extent practicable, the court shall enter a disposition order the same day it makes  
26.31 a finding that a child is in need of protection or services or neglected and in foster care, but  
26.32 in no event more than 15 days after the finding unless the court finds that the best interests  
26.33 of the child will be served by granting a delay. If the child was under eight years of age at

27.1 the time the petition was filed, the disposition order must be entered within ten days of the  
27.2 finding and the court may not grant a delay unless good cause is shown and the court finds  
27.3 the best interests of the child will be served by the delay.

27.4 (c) If a child who is 14 years of age or older is adjudicated in need of protection or  
27.5 services because the child is a habitual truant and truancy procedures involving the child  
27.6 were previously dealt with by a school attendance review board or county attorney mediation  
27.7 program under section 260A.06 or 260A.07, the court shall order a cancellation or denial  
27.8 of driving privileges under paragraph (b), clause (7), for any period up to the child's 18th  
27.9 birthday.

27.10 (d) In the case of a child adjudicated in need of protection or services because the child  
27.11 has committed domestic abuse and been ordered excluded from the child's parent's home,  
27.12 the court shall dismiss jurisdiction if the court, at any time, finds the parent is able or willing  
27.13 to provide an alternative safe living arrangement for the child, as defined in Laws 1997,  
27.14 chapter 239, article 10, section 2.

27.15 (e) When a parent has complied with a case plan ordered under subdivision 6 and the  
27.16 child is in the care of the parent, the court may order the responsible social services agency  
27.17 to monitor the parent's continued ability to maintain the child safely in the home under such  
27.18 terms and conditions as the court determines appropriate under the circumstances.

27.19 Sec. 26. Minnesota Statutes 2020, section 260C.201, subdivision 2, is amended to read:

27.20 Subd. 2. **Written findings.** (a) Any order for a disposition authorized under this section

27.28 placement made or to be made by the placing agency using the relative and sibling placement

27.30 or the appropriateness of a child colocated with a parent in a licensed residential family-based  
27.31 substance use disorder treatment program under section 260C.190;

27.32 (4) whether reasonable efforts to finalize the permanent plan for the child consistent  
27.33 with section 260.012 were made including reasonable efforts:

28.1 (i) to prevent the child's placement and to reunify the child with the parent or guardian  
28.2 from whom the child was removed at the earliest time consistent with the child's safety.  
28.3 The court's findings must include a brief description of what preventive and reunification  
28.4 efforts were made and why further efforts could not have prevented or eliminated the  
28.5 necessity of removal or that reasonable efforts were not required under section 260.012 or  
28.6 260C.178, subdivision 1;

28.7 (ii) to identify and locate any noncustodial or nonresident parent of the child and to

28.10 day-to-day care of the child as required under section 260C.219, unless such services are

28.15 the child; and

28.16 (C) if appropriate, provide services necessary to enable the noncustodial or nonresident  
28.17 parent to safely provide the child's day-to-day care, including efforts to engage the  
28.18 noncustodial or nonresident parent in assuming care and responsibility of the child;

28.19 (iii) to make the diligent search for relatives and provide the notices required under  
28.20 section 260C.221; a finding made pursuant to a hearing under section 260C.202 that the

28.22 relatives who responded to the notice under section 260C.221 and other relatives, who came  
28.23 to the attention of the agency after notice under section 260C.221 was sent, in placement

28.28 foster care provider, who will commit to being the permanent legal parent or custodian for

28.31 considered relatives for placement of the child, the court shall order the agency to comply  
28.32 with section 260C.212, subdivision 2, paragraph (a). The court may order the agency to

28.34 placement setting; and

29.1 (v) to place siblings together in the same home or to ensure visitation is occurring when  
29.2 siblings are separated in foster care placement and visitation is in the siblings' best interests  
29.3 under section 260C.212, subdivision 2, paragraph (d); and

29.17 have not been reasonable but that further preventive or reunification efforts could not permit  
29.18 the child to safely remain at home, the court may nevertheless authorize or continue the  
29.19 removal of the child.

29.20 (c) If the child has been identified by the responsible social services agency as the subject  
29.21 of concurrent permanency planning, the court shall review the reasonable efforts of the  
29.22 agency to develop a permanency plan for the child that includes a primary plan ~~which~~ that  
29.23 is for reunification with the child's parent or guardian and a secondary plan ~~which~~ that is  
29.24 for an alternative, legally permanent home for the child in the event reunification cannot  
29.25 be achieved in a timely manner.

29.30 rules to determine whether continued out-of-home placement is necessary and appropriate  
29.31 or whether the child should be returned home. This review is not required if the court has  
29.32 returned the child home, ordered the child permanently placed away from the parent under

30.1 sections 260C.503 to 260C.521, or terminated rights under section 260C.301. Court review  
 30.2 for a child permanently placed away from a parent, including where the child is under  
 30.3 guardianship of the commissioner, shall be governed by section 260C.607. When a child

 30.11 order the agency to continue to appropriately engage relatives who responded to the notice  
 30.12 under section 260C.221 in placement and case planning decisions and to consider relatives  
 30.13 for foster care placement consistent with section 260C.221. Notwithstanding a court's finding  
 30.14 that the agency has made reasonable efforts to search for and notify relatives under section  
 30.15 260C.221, the court may order the agency to continue making reasonable efforts to search  
 30.16 for, notify, engage other, and consider relatives who came to the agency's attention after  
 30.17 sending the initial notice under section 260C.221 ~~was sent.~~

30.18 (c) The court shall review the out-of-home placement plan and may modify the plan as  
 30.19 provided under section 260C.201, subdivisions 6 and 7.

30.20 (d) When the court ~~orders transfer of~~ transfers the custody of a child to a responsible  
 30.21 social services agency resulting in foster care or protective supervision with a noncustodial  
 30.22 parent under subdivision 1, the court shall notify the parents of the provisions of sections  
 30.23 260C.204 and 260C.503 to 260C.521, as required under juvenile court rules.

30.24 (e) When a child remains in or returns to foster care pursuant to section 260C.451 and

 30.31 in foster care no later than 180 days after the initial placement of the child in foster care

31.5 The administrative review shall be open to participation by the parent or guardian of the  
31.6 child and the child, as appropriate.

31.9 Procedure, conduct a hearing to monitor and update the out-of-home placement plan pursuant

31.11 requesting review of the out-of-home placement plan shall give parties to the proceeding

31.28 (4) the extent of progress that has been made toward alleviating or mitigating the causes  
31.29 necessitating placement in foster care;

31.30 (5) the projected date by which the child may be returned to and safely maintained in  
31.31 the home or placed permanently away from the care of the parent or parents or guardian;  
31.32 and

32.3 agency, at the in-court review required under section 260C.317, subdivision 3, clause (3),  
32.4 or 260C.515, subdivision 5 or 6, the court shall review the independent living plan required  
32.5 under section 260C.212, subdivision 1, paragraph (c), clause (12), and the provision of  
32.6 services to the child related to the well-being of the child as the child prepares to leave foster

33.1 Sec. 29. Minnesota Statutes 2020, section 260C.204, is amended to read:

33.10 reunification and its provision of services;

33.11 (3) the agency's reasonable efforts to finalize the permanent plan for the child under  
33.12 section 260.012, paragraph (e), and to make a placement as required under section 260C.212,  
33.13 subdivision 2, in a home that will commit to being the legally permanent family for the  
33.14 child in the event the child cannot return home according to the timelines in this section;  
33.15 and

33.16 (4) in the case of an Indian child, active efforts to prevent the breakup of the Indian

33.19 (b) When a child is placed in a qualified residential treatment program setting as defined  
33.20 in section 260C.007, subdivision 26d, the responsible social services agency must submit  
33.21 evidence to the court as specified in section 260C.712.

33.22 (c) The court shall ensure that notice of the hearing is sent to any relative who:

33.24 interest in participating in planning for the child or being a permanency resource for the  
33.25 child and who has kept the court apprised of the relative's address; or

33.26 (2) asked to be notified of court proceedings regarding the child as is permitted in section  
33.27 260C.152, subdivision 5.

33.28 (d)(1) If the parent or guardian has maintained contact with the child and is complying  
33.29 with the court-ordered out-of-home placement plan, and if the child would benefit from  
33.30 reunification with the parent, the court may either:

34.1 (i) return the child home, if the conditions ~~which~~ that led to the out-of-home placement  
34.2 have been sufficiently mitigated that it is safe and in the child's best interests to return home;  
34.3 or

34.4 (ii) continue the matter up to a total of six additional months. If the child has not returned

34.19 item shall cooperate with the background study required under section 245C.08, if the

34.22 referred to in this item shall be a single-home study in the form required by the commissioner  
34.23 of human services or similar study required by the individual's state of residence when the  
34.24 subject of the study is not a resident of Minnesota. The court may order the responsible  
34.25 social services agency to make a referral under the Interstate Compact on the Placement of  
34.26 Children when necessary to obtain a home study for an individual who wants to be considered  
34.27 for transfer of permanent legal and physical custody or adoption of the child; and

34.28 (iii) to file a petition to support an order for the legally permanent placement plan.

35.4 petition held within 60 days of the filing of the pleadings; or

35.5 (3) if the court orders the agency to file a termination of parental rights, unless the county  
35.6 attorney can show cause why a termination of parental rights petition should not be filed,  
35.7 a petition for termination of parental rights shall be filed in juvenile court within 30 days  
35.8 of the hearing required under this section and a trial on the petition held within 60 days of  
35.9 the filing of the petition.

37.5 the child; and child-specific recruitment efforts such as a relative search, consideration of

37.7 exchanges to facilitate orderly and timely placements in and outside of the state. A copy of

40.19 Sec. 31. Minnesota Statutes 2021 Supplement, section 260C.212, subdivision 2, is amended  
 40.20 to read:

40.21 Subd. 2. **Placement decisions based on best interests of the child.** (a) The policy of  
 40.22 the state of Minnesota is to ensure that the child's best interests are met by requiring an  
 40.23 individualized determination of the needs of the child in consideration of paragraphs (a) to  
 40.24 (f), and of how the selected placement will serve the current and future needs of the child  
 40.25 being placed. The authorized child-placing agency shall place a child, released by court  
 40.26 order or by voluntary release by the parent or parents, in a family foster home selected by  
 40.27 considering placement with relatives ~~and important friends~~ in the following order:

40.28 (1) with an individual who is related to the child by blood, marriage, or adoption,  
 40.29 including the legal parent, guardian, or custodian of the child's ~~siblings~~ sibling; or

40.30 (2) with an individual who is an important friend ~~with whom the child has resided or~~  
 40.31 ~~had significant contact~~ of the child or the child's parent or custodian, including an individual  
 40.32 with whom the child has resided or had significant contact or who has a significant  
 40.33 relationship to the child or the child's parent or custodian.

41.1 For an Indian child, the agency shall follow the order of placement preferences in the Indian  
41.2 Child Welfare Act of 1978, United States Code, title 25, section 1915.

41.3 (b) Among the factors the agency shall consider in determining the current and future  
41.4 needs of the child are the following:

41.5 (1) the child's current functioning and behaviors;

41.6 (2) the medical needs of the child;

41.7 (3) the educational needs of the child;

41.8 (4) the developmental needs of the child;

41.9 (5) the child's history and past experience;

41.10 (6) the child's religious and cultural needs;

41.11 (7) the child's connection with a community, school, and faith community;

41.12 (8) the child's interests and talents;

41.13 (9) the child's ~~relationship to current caretakers,~~ current and long-term needs regarding  
41.14 relationships with parents, siblings, ~~and relatives,~~ and other caretakers;

41.15 (10) the reasonable preference of the child, if the court, or the child-placing agency in  
41.16 the case of a voluntary placement, deems the child to be of sufficient age to express  
41.17 preferences; and

41.18 (11) for an Indian child, the best interests of an Indian child as defined in section 260.755,  
41.19 subdivision 2a.

41.20 When placing a child in foster care or in a permanent placement based on an individualized  
41.21 determination of the child's needs, the agency must not use one factor in this paragraph to  
41.22 the exclusion of all others, and the agency shall consider that the factors in paragraph (b)  
41.23 may be interrelated.

41.24 (c) Placement of a child cannot be delayed or denied based on race, color, or national  
41.25 origin of the foster parent or the child.

41.26 (d) Siblings should be placed together for foster care and adoption at the earliest possible  
41.27 time unless it is documented that a joint placement would be contrary to the safety or  
41.28 well-being of any of the siblings or unless it is not possible after reasonable efforts by the  
41.29 responsible social services agency. In cases where siblings cannot be placed together, the  
41.30 agency is required to provide frequent visitation or other ongoing interaction between

42.1 siblings unless the agency documents that the interaction would be contrary to the safety  
42.2 or well-being of any of the siblings.

42.3 (e) Except for emergency placement as provided for in section 245A.035, the following  
42.4 requirements must be satisfied before the approval of a foster or adoptive placement in a  
42.5 related or unrelated home: (1) a completed background study under section 245C.08; and  
42.6 (2) a completed review of the written home study required under section 260C.215,  
42.7 subdivision 4, clause (5), or 260C.611, to assess the capacity of the prospective foster or  
42.8 adoptive parent to ensure the placement will meet the needs of the individual child.

42.9 (f) The agency must determine whether colocation with a parent who is receiving services  
42.10 in a licensed residential family-based substance use disorder treatment program is in the  
42.11 child's best interests according to paragraph (b) and include that determination in the child's  
42.12 case plan under subdivision 1. The agency may consider additional factors not identified  
42.13 in paragraph (b). The agency's determination must be documented in the child's case plan  
42.14 before the child is colocated with a parent.

42.15 (g) The agency must establish a juvenile treatment screening team under section 260C.157  
42.16 to determine whether it is necessary and appropriate to recommend placing a child in a  
42.17 qualified residential treatment program, as defined in section 260C.007, subdivision 26d.

42.18 Sec. 32. Minnesota Statutes 2020, section 260C.221, is amended to read:

42.19 **260C.221 RELATIVE SEARCH AND ENGAGEMENT; PLACEMENT**  
42.20 **CONSIDERATION.**

42.21 **Subdivision 1. Relative search requirements.** (a) The responsible social services agency  
42.22 shall exercise due diligence to identify and notify adult relatives of a child as well as current  
42.23 caregivers of the child's sibling, prior to placement or within 30 days after the child's removal  
42.24 from the parent, regardless of whether a child is placed in a relative's home, as required  
42.25 under subdivision 2. The county agency shall consider placement with a relative under this  
42.26 section without delay and whenever the child must move from or be returned to foster care.  
42.27 The relative search required by this section shall be comprehensive in scope. ~~After a finding~~  
42.28 ~~that the agency has made reasonable efforts to conduct the relative search under this~~  
42.29 ~~paragraph, the agency has the continuing responsibility to appropriately involve relatives,~~  
42.30 ~~who have responded to the notice required under this paragraph, in planning for the child~~  
42.31 ~~and to continue to consider relatives according to the requirements of section 260C.212,~~  
42.32 ~~subdivision 2. At any time during the course of juvenile protection proceedings, the court~~  
42.33 ~~may order the agency to reopen its search for relatives when it is in the child's best interest~~  
42.34 ~~to do so.~~

43.1 (b) The relative search required by this section shall include both maternal and paternal  
 43.2 adult relatives of the child; all adult grandparents; all legal parents, guardians, or custodians  
 43.3 of the child's siblings; and any other adult relatives suggested by the child's parents, subject  
 43.4 to the exceptions due to family violence in subdivision 5, paragraph (e) (b). The search shall  
 43.5 also include getting information from the child in an age-appropriate manner about who the  
 43.6 child considers to be family members and important friends with whom the child has resided  
 43.7 or had significant contact. The relative search required under this section must fulfill the  
 43.8 agency's duties under the Indian Child Welfare Act regarding active efforts to prevent the  
 43.9 breakup of the Indian family under United States Code, title 25, section 1912(d), and to  
 43.10 meet placement preferences under United States Code, title 25, section 1915.

43.11 (c) The responsible social services agency has a continuing responsibility to search for  
 43.12 and identify relatives of a child and send the notice to relatives that is required under  
 43.13 subdivision 2, unless the court has relieved the agency of this duty under subdivision 5,  
 43.14 paragraph (e).

43.15 Subd. 2. Relative notice requirements. (a) The agency may provide oral or written  
 43.16 notice to a child's relatives. In the child's case record, the agency must document providing  
 43.17 the required notice to each of the child's relatives. The responsible social services agency  
 43.18 must notify relatives ~~must be notified~~:

43.19 (1) of the need for a foster home for the child, the option to become a placement resource  
 43.20 for the child, the order of placement that the agency will consider under section 260C.212,  
 43.21 subdivision 2, paragraph (a), and the possibility of the need for a permanent placement for  
 43.22 the child;

43.23 (2) of their responsibility to keep the responsible social services agency and the court  
 43.24 informed of their current address in order to receive notice in the event that a permanent  
 43.25 placement is sought for the child and to receive notice of the permanency progress review  
 43.26 hearing under section 260C.204. A relative who fails to provide a current address to the  
 43.27 responsible social services agency and the court forfeits the right to receive notice of the  
 43.28 possibility of permanent placement and of the permanency progress review hearing under  
 43.29 section 260C.204, until the relative provides a current address to the responsible social  
 43.30 services agency and the court. A decision by a relative not to be identified as a potential  
 43.31 permanent placement resource or participate in planning for the child ~~at the beginning of~~  
 43.32 ~~the case~~ shall not affect whether the relative is considered for placement of, or as a  
 43.33 permanency resource for, the child with that relative later at any time in the case, and shall  
 43.34 not be the sole basis for the court to rule out the relative as the child's placement or  
 43.35 permanency resource;

44.1 (3) that the relative may participate in the care and planning for the child, as specified  
 44.2 in subdivision 3, including that the opportunity for such participation may be lost by failing  
 44.3 to respond to the notice sent under this subdivision. ~~"Participate in the care and planning"~~  
 44.4 ~~includes, but is not limited to, participation in case planning for the parent and child,~~  
 44.5 ~~identifying the strengths and needs of the parent and child, supervising visits, providing~~  
 44.6 ~~respite and vacation visits for the child, providing transportation to appointments, suggesting~~  
 44.7 ~~other relatives who might be able to help support the case plan, and to the extent possible,~~  
 44.8 ~~helping to maintain the child's familiar and regular activities and contact with friends and~~  
 44.9 ~~relatives;~~

44.10 (4) of the family foster care licensing and adoption home study requirements, including  
 44.11 how to complete an application and how to request a variance from licensing standards that  
 44.12 do not present a safety or health risk to the child in the home under section 245A.04 and  
 44.13 supports that are available for relatives and children who reside in a family foster home;  
 44.14 ~~and~~

44.15 (5) of the relatives' right to ask to be notified of any court proceedings regarding the  
 44.16 child, to attend the hearings, and of a relative's right ~~or opportunity~~ to be heard by the court  
 44.17 as required under section 260C.152, subdivision 5;

44.18 (6) that regardless of the relative's response to the notice sent under this subdivision, the  
 44.19 agency is required to establish permanency for a child, including planning for alternative  
 44.20 permanency options if the agency's reunification efforts fail or are not required; and

44.21 (7) that by responding to the notice, a relative may receive information about participating  
 44.22 in a child's family and permanency team if the child is placed in a qualified residential  
 44.23 treatment program as defined in section 260C.007, subdivision 26d.

44.24 (b) The responsible social services agency shall send the notice required under paragraph  
 44.25 (a) to relatives who become known to the responsible social services agency, except for  
 44.26 relatives that the agency does not contact due to safety reasons under subdivision 5, paragraph  
 44.27 (b). The responsible social services agency shall continue to send notice to relatives  
 44.28 notwithstanding a court's finding that the agency has made reasonable efforts to conduct a  
 44.29 relative search.

44.30 (c) The responsible social services agency is not required to send the notice under  
 44.31 paragraph (a) to relatives who become known to the agency after an adoption placement  
 44.32 agreement has been fully executed under section 260C.613, subdivision 1. If such a relative  
 44.33 wishes to be considered for adoptive placement of the child, the agency shall inform the

45.1 relative of the relative's ability to file a motion for an order for adoptive placement under  
45.2 section 260C.607, subdivision 6.

45.3 Subd. 3. **Relative engagement requirements.** (a) A relative who responds to the notice  
45.4 under subdivision 2 has the opportunity to participate in care and planning for a child, which  
45.5 must not be limited based solely on the relative's prior inconsistent participation or  
45.6 nonparticipation in care and planning for the child. Care and planning for a child may include  
45.7 but is not limited to:

45.8 (1) participating in case planning for the child and child's parent, including identifying  
45.9 services and resources that meet the individualized needs of the child and child's parent. A  
45.10 relative's participation in case planning may be in person, via phone call, or by electronic  
45.11 means;

45.12 (2) identifying the strengths and needs of the child and child's parent;

45.13 (3) asking the responsible social services agency to consider the relative for placement  
45.14 of the child according to subdivision 4;

45.15 (4) acting as a support person for the child, the child's parents, and the child's current  
45.16 caregiver;

45.17 (5) supervising visits;

45.18 (6) providing respite care for the child and having vacation visits with the child;

45.19 (7) providing transportation;

45.20 (8) suggesting other relatives who may be able to participate in the case plan or that the  
45.21 agency may consider for placement of the child. The agency shall send a notice to each  
45.22 relative identified by other relatives according to subdivision 2, paragraph (b), unless a  
45.23 relative received this notice earlier in the case;

45.24 (9) helping to maintain the child's familiar and regular activities and contact with the  
45.25 child's friends and relatives, including providing supervision of the child at family gatherings  
45.26 and events; and

45.27 (10) participating in the child's family and permanency team if the child is placed in a  
45.28 qualified residential treatment program as defined in section 260C.007, subdivision 26d.

45.29 (b) The responsible social services agency shall make reasonable efforts to contact and  
45.30 engage relatives who respond to the notice required under this section. Upon a request by  
45.31 a relative or party to the proceeding, the court may conduct a review of the agency's  
45.32 reasonable efforts to contact and engage relatives who respond to the notice. If the court

46.1 finds that the agency did not make reasonable efforts to contact and engage relatives who  
46.2 respond to the notice, the court may order the agency to make reasonable efforts to contact  
46.3 and engage relatives who respond to the notice in care and planning for the child.

46.4 Subd. 4. **Placement considerations.** (a) The responsible social services agency shall  
46.5 consider placing a child with a relative under this section without delay and when the child:

46.6 (1) enters foster care;

46.7 (2) must be moved from the child's current foster setting;

46.8 (3) must be permanently placed away from the child's parent; or

46.9 (4) returns to foster care after permanency has been achieved for the child.

46.10 (b) The agency shall consider placing a child with relatives:

46.11 (1) in the order specified in section 260C.212, subdivision 2, paragraph (a); and

46.12 (2) based on the child's best interests using the factors in section 260C.212, subdivision  
46.13 2.

46.14 (c) The agency shall document how the agency considered relatives in the child's case  
46.15 record.

46.16 (d) Any relative who requests to be a placement option for a child in foster care has the  
46.17 right to be considered for placement of the child according to section 260C.212, subdivision  
46.18 2, paragraph (a), unless the court finds that placing the child with a specific relative would  
46.19 endanger the child, sibling, parent, guardian, or any other family member under subdivision  
46.20 5, paragraph (b).

46.21 (e) When adoption is the responsible social services agency's permanency goal for the  
46.22 child, the agency shall consider adoptive placement of the child with a relative in the order  
46.23 specified under section 260C.212, subdivision 2, paragraph (a).

46.24 Subd. 5. **Data disclosure; court review.** ~~(e)~~ (a) A responsible social services agency  
46.25 may disclose private data, as defined in section 13.02 and chapter 260E, to relatives of the  
46.26 child for the purpose of locating and assessing a suitable placement and may use any  
46.27 reasonable means of identifying and locating relatives including the Internet or other  
46.28 electronic means of conducting a search. The agency shall disclose data that is necessary  
46.29 to facilitate possible placement with relatives and to ensure that the relative is informed of  
46.30 the needs of the child so the relative can participate in planning for the child and be supportive  
46.31 of services to the child and family.

47.1 (b) If the child's parent refuses to give the responsible social services agency information  
 47.2 sufficient to identify the maternal and paternal relatives of the child, the agency shall ask  
 47.3 the juvenile court to order the parent to provide the necessary information and shall use  
 47.4 other resources to identify the child's maternal and paternal relatives. If a parent makes an  
 47.5 explicit request that a specific relative not be contacted or considered for placement due to  
 47.6 safety reasons, including past family or domestic violence, the agency shall bring the parent's  
 47.7 request to the attention of the court to determine whether the parent's request is consistent  
 47.8 with the best interests of the child ~~and~~. The agency shall not contact the specific relative  
 47.9 when the juvenile court finds that contacting or placing the child with the specific relative  
 47.10 would endanger the parent, guardian, child, sibling, or any family member. Unless section  
 47.11 260C.139 applies to the child's case, a court shall not waive or relieve the responsible social  
 47.12 services agency of reasonable efforts to:

- 47.13 (1) conduct a relative search;  
 47.14 (2) notify relatives;  
 47.15 (3) contact and engage relatives in case planning; and  
 47.16 (4) consider relatives for placement of the child.

47.17 (c) Notwithstanding chapter 13, the agency shall disclose data to the court about particular  
 47.18 relatives that the agency has identified, contacted, or considered for the child's placement  
 47.19 for the court to review the agency's due diligence.

47.20 (d) At a regularly scheduled hearing not later than three months after the child's placement  
 47.21 in foster care and as required in ~~section~~ sections 260C.193 and 260C.202, the agency shall  
 47.22 report to the court:

47.23 (1) ~~its~~ the agency's efforts to identify maternal and paternal relatives of the child and to  
 47.24 engage the relatives in providing support for the child and family, and document that the  
 47.25 relatives have been provided the notice required under ~~paragraph (a)~~ subdivision 2; and

47.26 (2) ~~its~~ the agency's decision regarding placing the child with a relative as required under  
 47.27 section 260C.212, subdivision 2, ~~and to ask~~. If the responsible social services agency decides  
 47.28 that relative placement is not in the child's best interests at the time of the hearing, the agency  
 47.29 shall inform the court of the agency's decision, including:

47.30 (i) why the agency decided against relative placement of the child; and

47.31 (ii) the agency's efforts to engage relatives ~~to visit or maintain contact with the child in~~  
 47.32 ~~order~~ as required under subdivision 3 to support family connections for the child, ~~when~~  
 47.33 ~~placement with a relative is not possible or appropriate.~~

48.1 ~~(e) Notwithstanding chapter 13, the agency shall disclose data about particular relatives~~  
48.2 ~~identified, searched for, and contacted for the purposes of the court's review of the agency's~~  
48.3 ~~due diligence.~~

48.4 ~~(f)~~ (e) When the court is satisfied that the agency has exercised due diligence to identify  
48.5 relatives and provide the notice required in ~~paragraph (a)~~ subdivision 2, the court may find  
48.6 that the agency made reasonable efforts ~~have been made~~ to conduct a relative search to  
48.7 identify and provide notice to adult relatives as required under section 260.012, paragraph  
48.8 (e), clause (3). A finding under this paragraph does not relieve the responsible social services  
48.9 agency of the ongoing duty to contact, engage, and consider relatives under this section nor  
48.10 is it a basis for the court to rule out any relative from being a foster care or permanent  
48.11 placement option for the child. The agency has the continuing responsibility to:

48.12 (1) involve relatives who respond to the notice in planning for the child; and

48.13 (2) continue considering relatives for the child's placement while taking the child's short-  
48.14 and long-term permanency goals into consideration, according to the requirements of section  
48.15 260C.212, subdivision 2.

48.16 (f) At any time during the course of juvenile protection proceedings, the court may order  
48.17 the agency to reopen the search for relatives when it is in the child's best interests.

48.18 (g) If the court is not satisfied that the agency has exercised due diligence to identify  
48.19 relatives and provide the notice required in ~~paragraph (a)~~ subdivision 2, the court may order  
48.20 the agency to continue its search and notice efforts and to report back to the court.

48.21 ~~(g) When the placing agency determines that permanent placement proceedings are~~  
48.22 ~~necessary because there is a likelihood that the child will not return to a parent's care, the~~  
48.23 ~~agency must send the notice provided in paragraph (h), may ask the court to modify the~~  
48.24 ~~duty of the agency to send the notice required in paragraph (h), or may ask the court to~~  
48.25 ~~completely relieve the agency of the requirements of paragraph (h). The relative notification~~  
48.26 ~~requirements of paragraph (h) do not apply when the child is placed with an appropriate~~  
48.27 ~~relative or a foster home that has committed to adopting the child or taking permanent legal~~  
48.28 ~~and physical custody of the child and the agency approves of that foster home for permanent~~  
48.29 ~~placement of the child. The actions ordered by the court under this section must be consistent~~  
48.30 ~~with the best interests, safety, permanency, and welfare of the child.~~

48.31 ~~(h) Unless required under the Indian Child Welfare Act or relieved of this duty by the~~  
48.32 ~~court under paragraph (f),~~ When the agency determines that it is necessary to prepare for  
48.33 permanent placement determination proceedings, or in anticipation of filing a termination  
48.34 of parental rights petition, the agency shall send notice to the relatives who responded to a

49.1 notice under this section sent at any time during the case, any adult with whom the child is  
 49.2 currently residing, any adult with whom the child has resided for one year or longer in the  
 49.3 past, and any adults who have maintained a relationship or exercised visitation with the  
 49.4 child as identified in the agency case plan. The notice must state that a permanent home is  
 49.5 sought for the child and that the individuals receiving the notice may indicate to the agency  
 49.6 their interest in providing a permanent home. The notice must state that within 30 days of  
 49.7 receipt of the notice an individual receiving the notice must indicate to the agency the  
 49.8 individual's interest in providing a permanent home for the child or that the individual may  
 49.9 lose the opportunity to be considered for a permanent placement. A relative's failure to  
 49.10 respond or timely respond to the notice is not a basis for ruling out the relative from being  
 49.11 a permanent placement option for the child should the relative request to be considered for  
 49.12 permanent placement at a later date.

49.13 Sec. 33. Minnesota Statutes 2020, section 260C.513, is amended to read:

49.14 **260C.513 PERMANENCY DISPOSITIONS WHEN CHILD CANNOT RETURN**  
 49.15 **HOME.**

49.16 ~~(a) Termination of parental rights and adoption, or guardianship to the commissioner of~~  
 49.17 ~~human services through a consent to adopt, are preferred permanency options for a child~~  
 49.18 ~~who cannot return home. If the court finds that termination of parental rights and guardianship~~  
 49.19 ~~to the commissioner is not in the child's best interests, the court may transfer permanent~~  
 49.20 ~~legal and physical custody of the child to a relative when that order is in the child's best~~  
 49.21 ~~interests~~ In determining a permanency disposition under section 260C.515 for a child who  
 49.22 cannot return home, the court shall give preference to a permanency disposition that will  
 49.23 result in the child being placed in the permanent care of a relative through a termination of  
 49.24 parental rights and adoption, guardianship to the commissioner of human services through  
 49.25 a consent to adopt, or a transfer of permanent legal and physical custody, consistent with  
 49.26 the best interests of the child and section 260C.212, subdivision 2, paragraph (a). If a relative  
 49.27 is not available to accept placement or the court finds that a permanent placement with a  
 49.28 relative is not in the child's best interests, the court may consider a permanency disposition  
 49.29 that may result in the child being permanently placed in the care of a nonrelative caregiver,  
 49.30 including adoption.

49.31 (b) When the court has determined that permanent placement of the child away from  
 49.32 the parent is necessary, the court shall consider permanent alternative homes that are available  
 49.33 both inside and outside the state.

50.1 Sec. 34. Minnesota Statutes 2021 Supplement, section 260C.605, subdivision 1, is amended  
50.2 to read:

50.3 Subdivision 1. **Requirements.** (a) Reasonable efforts to finalize the adoption of a child  
50.4 under the guardianship of the commissioner shall be made by the responsible social services  
50.5 agency responsible for permanency planning for the child.

50.6 (b) Reasonable efforts to make a placement in a home according to the placement  
50.7 considerations under section 260C.212, subdivision 2, with a relative or foster parent who  
50.8 will commit to being the permanent resource for the child in the event the child cannot be  
50.9 reunified with a parent are required under section 260.012 and may be made concurrently  
50.10 with reasonable, or if the child is an Indian child, active efforts to reunify the child with the  
50.11 parent.

50.12 (c) Reasonable efforts under paragraph (b) must begin as soon as possible when the  
50.13 child is in foster care under this chapter, but not later than the hearing required under section  
50.14 260C.204.

50.15 (d) Reasonable efforts to finalize the adoption of the child include:

50.16 (1) considering the child's preference for an adoptive family;

50.17 ~~(1)~~ (2) using age-appropriate engagement strategies to plan for adoption with the child;

50.18 ~~(2)~~ (3) identifying an appropriate prospective adoptive parent for the child by updating  
50.19 the child's identified needs using the factors in section 260C.212, subdivision 2;

50.20 ~~(3)~~ (4) making an adoptive placement that meets the child's needs by:

50.21 (i) completing or updating the relative search required under section 260C.221 and giving  
50.22 notice of the need for an adoptive home for the child to:

50.23 (A) relatives who have kept the agency or the court apprised of their whereabouts ~~and~~  
50.24 ~~who have indicated an interest in adopting the child;~~ or

50.25 (B) relatives of the child who are located in an updated search;

50.26 (ii) an updated search is required whenever:

50.27 (A) there is no identified prospective adoptive placement for the child notwithstanding  
50.28 a finding by the court that the agency made diligent efforts under section 260C.221, in a  
50.29 hearing required under section 260C.202;

50.30 (B) the child is removed from the home of an adopting parent; or

51.1 (C) the court determines that a relative search by the agency is in the best interests of  
51.2 the child;

51.3 (iii) engaging the child's relatives or current or former foster parent and the child's  
51.4 relatives identified as an adoptive resource during the search conducted under section  
51.5 260C.221, parents to commit to being the prospective adoptive parent of the child, and  
51.6 considering the child's relatives for adoptive placement of the child in the order specified  
51.7 under section 260C.212, subdivision 2, paragraph (a); or

51.8 (iv) when there is no identified prospective adoptive parent:

51.9 (A) registering the child on the state adoption exchange as required in section 259.75  
51.10 unless the agency documents to the court an exception to placing the child on the state  
51.11 adoption exchange reported to the commissioner;

51.12 (B) reviewing all families with approved adoption home studies associated with the  
51.13 responsible social services agency;

51.14 (C) presenting the child to adoption agencies and adoption personnel who may assist  
51.15 with finding an adoptive home for the child;

51.16 (D) using newspapers and other media to promote the particular child;

51.17 (E) using a private agency under grant contract with the commissioner to provide adoption  
51.18 services for intensive child-specific recruitment efforts; and

51.19 (F) making any other efforts or using any other resources reasonably calculated to identify  
51.20 a prospective adoption parent for the child;

51.21 ~~(4)~~ (5) updating and completing the social and medical history required under sections  
51.22 260C.212, subdivision 15, and 260C.609;

51.23 ~~(5)~~ (6) making, and keeping updated, appropriate referrals required by section 260.851,  
51.24 the Interstate Compact on the Placement of Children;

51.25 ~~(6)~~ (7) giving notice regarding the responsibilities of an adoptive parent to any prospective  
51.26 adoptive parent as required under section 259.35;

51.27 ~~(7)~~ (8) offering the adopting parent the opportunity to apply for or decline adoption  
51.28 assistance under chapter 256N;

51.29 ~~(8)~~ (9) certifying the child for adoption assistance, assessing the amount of adoption  
51.30 assistance, and ascertaining the status of the commissioner's decision on the level of payment  
51.31 if the adopting parent has applied for adoption assistance;

52.1 ~~(9)~~ (10) placing the child with siblings. If the child is not placed with siblings, the agency  
 52.2 must document reasonable efforts to place the siblings together, as well as the reason for  
 52.3 separation. The agency may not cease reasonable efforts to place siblings together for final  
 52.4 adoption until the court finds further reasonable efforts would be futile or that placement  
 52.5 together for purposes of adoption is not in the best interests of one of the siblings; and

52.6 ~~(10)~~ (11) working with the adopting parent to file a petition to adopt the child and with  
 52.7 the court administrator to obtain a timely hearing to finalize the adoption.

52.8 Sec. 35. Minnesota Statutes 2020, section 260C.607, subdivision 2, is amended to read:

52.9 Subd. 2. **Notice.** Notice of review hearings shall be given by the court to:

52.10 (1) the responsible social services agency;

52.11 (2) the child, if the child is age ten and older;

52.12 (3) the child's guardian ad litem;

52.13 (4) counsel appointed for the child pursuant to section 260C.163, subdivision 3;

52.14 (5) relatives of the child who have kept the court informed of their whereabouts as  
 52.15 required in section 260C.221 and who have responded to the agency's notice under section  
 52.16 260C.221, ~~indicating a willingness to provide an adoptive home for the child unless the~~  
 52.17 ~~relative has been previously ruled out by the court as a suitable foster parent or permanency~~  
 52.18 ~~resource for the child;~~

52.19 (6) the current foster or adopting parent of the child;

52.20 (7) any foster or adopting parents of siblings of the child; and

52.21 (8) the Indian child's tribe.

52.22 Sec. 36. Minnesota Statutes 2020, section 260C.607, subdivision 5, is amended to read:

52.23 Subd. 5. **Required placement by responsible social services agency.** (a) No petition  
 52.24 for adoption shall be filed for a child under the guardianship of the commissioner unless  
 52.25 the child sought to be adopted has been placed for adoption with the adopting parent by the  
 52.26 responsible social services agency as required under section 260C.613, subdivision 1. The  
 52.27 court may order the agency to make an adoptive placement using standards and procedures  
 52.28 under subdivision 6.

52.29 (b) Any relative or the child's foster parent who believes the responsible agency has not  
 52.30 reasonably considered the relative's or foster parent's request to be considered for adoptive

53.1 placement as required under section 260C.212, subdivision 2, and who wants to be considered  
 53.2 for adoptive placement of the child shall bring a request for consideration to the attention  
 53.3 of the court during a review required under this section. The child's guardian ad litem and  
 53.4 the child may also bring a request for a relative or the child's foster parent to be considered  
 53.5 for adoptive placement. After hearing from the agency, the court may order the agency to  
 53.6 take appropriate action regarding the relative's or foster parent's request for consideration  
 53.7 under section 260C.212, subdivision 2, paragraph (b).

53.8 Sec. 37. Minnesota Statutes 2021 Supplement, section 260C.607, subdivision 6, is amended  
 53.9 to read:

53.10 Subd. 6. **Motion and hearing to order adoptive placement.** (a) At any time after the  
 53.11 district court orders the child under the guardianship of the commissioner of human services,  
 53.12 but not later than 30 days after receiving notice required under section 260C.613, subdivision  
 53.13 1, paragraph (c), that the agency has made an adoptive placement, a relative or the child's  
 53.14 foster parent may file a motion for an order for adoptive placement of a child who is under  
 53.15 the guardianship of the commissioner if the relative or the child's foster parent:

53.16 (1) has an adoption home study under section 259.41 or 260C.611 approving the relative  
 53.17 or foster parent for adoption ~~and has~~. If the relative or foster parent does not have an adoption  
 53.18 home study, an affidavit attesting to efforts to complete an adoption home study may be  
 53.19 filed with the motion. The affidavit must be signed by the relative or foster parent and the  
 53.20 responsible social services agency or licensed child-placing agency completing the adoption  
 53.21 home study. The relative or foster parent must also have been a resident of Minnesota for  
 53.22 at least six months before filing the motion; the court may waive the residency requirement  
 53.23 for the moving party if there is a reasonable basis to do so; or

53.24 (2) is not a resident of Minnesota, but has an approved adoption home study by an agency  
 53.25 licensed or approved to complete an adoption home study in the state of the individual's  
 53.26 residence and the study is filed with the motion for adoptive placement. If the relative or  
 53.27 foster parent does not have an adoption home study in the relative or foster parent's state  
 53.28 of residence, an affidavit attesting to efforts to complete an adoption home study may be  
 53.29 filed with the motion instead. The affidavit must be signed by the relative or foster parent  
 53.30 and the agency completing the adoption home study.

53.31 (b) The motion shall be filed with the court conducting reviews of the child's progress  
 53.32 toward adoption under this section. The motion and supporting documents must make a  
 53.33 prima facie showing that the agency has been unreasonable in failing to make the requested  
 53.34 adoptive placement. The motion must be served according to the requirements for motions

54.1 under the Minnesota Rules of Juvenile Protection Procedure and shall be made on all  
54.2 individuals and entities listed in subdivision 2.

54.3 (c) If the motion and supporting documents do not make a prima facie showing for the  
54.4 court to determine whether the agency has been unreasonable in failing to make the requested  
54.5 adoptive placement, the court shall dismiss the motion. If the court determines a prima facie  
54.6 basis is made, the court shall set the matter for evidentiary hearing.

54.7 (d) At the evidentiary hearing, the responsible social services agency shall proceed first  
54.8 with evidence about the reason for not making the adoptive placement proposed by the  
54.9 moving party. When the agency presents evidence regarding the child's current relationship  
54.10 with the identified adoptive placement resource, the court must consider the agency's efforts  
54.11 to support the child's relationship with the moving party consistent with section 260C.221.  
54.12 The moving party then has the burden of proving by a preponderance of the evidence that  
54.13 the agency has been unreasonable in failing to make the adoptive placement.

54.14 (e) The court shall review and enter findings regarding whether the agency, in making  
54.15 an adoptive placement decision for the child:

54.16 (1) considered relatives for adoptive placement in the order specified under section  
54.17 260C.212, subdivision 2, paragraph (a); and

54.18 (2) assessed how the identified adoptive placement resource and the moving party are  
54.19 each able to meet the child's current and future needs, based on an individualized  
54.20 determination of the child's needs, as required under sections 260C.212, subdivision 2, and  
54.21 260C.613, subdivision 1, paragraph (b).

54.22 ~~(e)~~ (f) At the conclusion of the evidentiary hearing, if the court finds that the agency has  
54.23 been unreasonable in failing to make the adoptive placement and that the ~~relative or the~~  
54.24 ~~child's foster parent~~ moving party is the most suitable adoptive home to meet the child's  
54.25 needs using the factors in section 260C.212, subdivision 2, paragraph (b), the court may:

54.26 (1) order the responsible social services agency to make an adoptive placement in the  
54.27 home of the ~~relative or the child's foster parent.~~ moving party if the moving party has an  
54.28 approved adoption home study; or

54.29 (2) order the responsible social services agency to place the child in the home of the  
54.30 moving party upon approval of an adoption home study. The agency must promote and  
54.31 support the child's ongoing visitation and contact with the moving party until the child is  
54.32 placed in the moving party's home. The agency must provide an update to the court after  
54.33 90 days, including progress and any barriers encountered. If the moving party does not have

55.1 an approved adoption home study within 180 days, the moving party and the agency must  
 55.2 inform the court of any barriers to obtaining the approved adoption home study during a  
 55.3 review hearing under this section. If the court finds that the moving party is unable to obtain  
 55.4 an approved adoption home study, the court must dismiss the order for adoptive placement  
 55.5 under this subdivision and order the agency to continue making reasonable efforts to finalize  
 55.6 the adoption of the child as required under section 260C.605.

55.7 ~~(f)~~ (g) If, in order to ensure that a timely adoption may occur, the court orders the  
 55.8 responsible social services agency to make an adoptive placement under this subdivision,  
 55.9 the agency shall:

55.10 (1) make reasonable efforts to obtain a fully executed adoption placement agreement,  
 55.11 including assisting the moving party with the adoption home study process;

55.12 (2) work with the moving party regarding eligibility for adoption assistance as required  
 55.13 under chapter 256N; and

55.14 (3) if the moving party is not a resident of Minnesota, timely refer the matter for approval  
 55.15 of the adoptive placement through the Interstate Compact on the Placement of Children.

55.16 ~~(g)~~ (h) Denial or granting of a motion for an order for adoptive placement after an  
 55.17 evidentiary hearing is an order which may be appealed by the responsible social services  
 55.18 agency, the moving party, the child, when age ten or over, the child's guardian ad litem,  
 55.19 and any individual who had a fully executed adoption placement agreement regarding the  
 55.20 child at the time the motion was filed if the court's order has the effect of terminating the  
 55.21 adoption placement agreement. An appeal shall be conducted according to the requirements  
 55.22 of the Rules of Juvenile Protection Procedure.

55.23 Sec. 38. Minnesota Statutes 2020, section 260C.613, subdivision 1, is amended to read:

55.24 Subdivision 1. **Adoptive placement decisions.** (a) The responsible social services agency  
 55.25 has exclusive authority to make an adoptive placement of a child under the guardianship of  
 55.26 the commissioner. The child shall be considered placed for adoption when the adopting  
 55.27 parent, the agency, and the commissioner have fully executed an adoption placement  
 55.28 agreement on the form prescribed by the commissioner.

55.29 (b) The responsible social services agency shall use an individualized determination of  
 55.30 the child's current and future needs, pursuant to section 260C.212, subdivision 2, paragraph  
 55.31 (b), to determine the most suitable adopting parent for the child in the child's best interests.  
 55.32 The responsible social services agency must consider adoptive placement of the child with  
 55.33 relatives in the order specified in section 260C.212, subdivision 2, paragraph (a).

56.1 (c) The responsible social services agency shall notify the court and parties entitled to  
56.2 notice under section 260C.607, subdivision 2, when there is a fully executed adoption  
56.3 placement agreement for the child.

56.4 (d) In the event an adoption placement agreement terminates, the responsible social  
56.5 services agency shall notify the court, the parties entitled to notice under section 260C.607,  
56.6 subdivision 2, and the commissioner that the agreement and the adoptive placement have  
56.7 terminated.

56.8 Sec. 39. Minnesota Statutes 2020, section 260C.613, subdivision 5, is amended to read:

56.9 Subd. 5. **Required record keeping.** The responsible social services agency shall  
56.10 document, in the records required to be kept under section 259.79, the reasons for the  
56.11 adoptive placement decision regarding the child, including the individualized determination  
56.12 of the child's needs based on the factors in section 260C.212, subdivision 2, paragraph (b);  
56.13 the agency's consideration of relatives in the order specified in section 260C.212, subdivision  
56.14 2, paragraph (a); and the assessment of how the selected adoptive placement meets the  
56.15 identified needs of the child. The responsible social services agency shall retain in the

 72.3 Minnesota Rules, chapter 2960, that provides mental health services to children must, within  
 72.4 ten days of the client's admission: (1) complete the client's diagnostic assessment; or (2)  
 72.5 review and update the client's diagnostic assessment with a summary of the child's current  
 72.6 mental health status and service needs if a diagnostic assessment is available that was

 72.19 family in all phases of developing and implementing the individual treatment plan to the  
 72.20 extent appropriate and must review the individual treatment plan every 90 days after intake.

72.21 **EFFECTIVE DATE.** This section is effective July 1, 2022, or upon federal approval,  
 72.22 whichever is later. The commissioner of human services shall notify the revisor of statutes  
 72.23 when federal approval is obtained.

72.24 Sec. 18. Minnesota Statutes 2020, section 245.4882, is amended by adding a subdivision  
 72.25 to read:

72.26 Subd. 6. **Crisis admissions and stabilization.** (a) A child may be referred for residential  
 72.27 treatment services under this section for the purpose of crisis stabilization by:

72.28 (1) a mental health professional as defined in section 245I.04, subdivision 2;

72.29 (2) a physician licensed under chapter 147 who is assessing a child in an emergency  
 72.30 department; or

72.31 (3) a member of a mobile crisis team who meets the qualifications under section  
 72.32 256B.0624, subdivision 5.

73.1 (b) A provider making a referral under paragraph (a) must conduct an assessment of the  
73.2 child's mental health needs and make a determination that the child is experiencing a mental  
73.3 health crisis and is in need of residential treatment services under this section.

73.4 (c) A child may receive services under this subdivision for up to 30 days and must be  
73.5 subject to the screening and admissions criteria and processes under section 245.4885  
73.6 thereafter.

73.7 (d) For a child eligible for medical assistance, the commissioner shall reimburse counties  
73.8 for all costs incurred for the child receiving children's residential crisis stabilization services,  
73.9 including room and board costs.

73.10 Sec. 19. Minnesota Statutes 2021 Supplement, section 245.4885, subdivision 1, is amended  
73.11 to read:

73.12 Subdivision 1. **Admission criteria.** (a) Prior to admission or placement, except in the  
73.13 case of an emergency, all children referred for treatment of severe emotional disturbance  
73.14 in a treatment foster care setting, residential treatment facility, or informally admitted to a  
73.15 regional treatment center shall undergo an assessment to determine the appropriate level of  
73.16 care if county funds are used to pay for the child's services. An emergency includes when  
73.17 a child is in need of and has been referred for crisis stabilization services under section  
73.18 245.4882, subdivision 6. A child who has been referred to residential treatment for crisis  
73.19 stabilization services in a residential treatment center is not required to undergo an assessment  
73.20 under this section.

73.21 (b) The county board shall determine the appropriate level of care for a child when  
73.22 county-controlled funds are used to pay for the child's residential treatment under this  
73.23 chapter, including residential treatment provided in a qualified residential treatment program  
73.24 as defined in section 260C.007, subdivision 26d. When a county board does not have  
73.25 responsibility for a child's placement and the child is enrolled in a prepaid health program  
73.26 under section 256B.69, the enrolled child's contracted health plan must determine the  
73.27 appropriate level of care for the child. When Indian Health Services funds or funds of a  
73.28 tribally owned facility funded under the Indian Self-Determination and Education Assistance  
73.29 Act, Public Law 93-638, are used for the child, the Indian Health Services or 638 tribal  
73.30 health facility must determine the appropriate level of care for the child. When more than  
73.31 one entity bears responsibility for a child's coverage, the entities shall coordinate level of  
73.32 care determination activities for the child to the extent possible.

73.33 (c) The child's level of care determination shall determine whether the proposed treatment:

74.1 (1) is necessary;

74.2 (2) is appropriate to the child's individual treatment needs;

74.3 (3) cannot be effectively provided in the child's home; and

74.4 (4) provides a length of stay as short as possible consistent with the individual child's  
74.5 needs.

74.6 (d) When a level of care determination is conducted, the county board or other entity  
74.7 may not determine that a screening of a child, referral, or admission to a residential treatment  
74.8 facility is not appropriate solely because services were not first provided to the child in a  
74.9 less restrictive setting and the child failed to make progress toward or meet treatment goals  
74.10 in the less restrictive setting. The level of care determination must be based on a diagnostic  
74.11 assessment of a child that evaluates the child's family, school, and community living  
74.12 situations; and an assessment of the child's need for care out of the home using a validated  
74.13 tool which assesses a child's functional status and assigns an appropriate level of care to the  
74.14 child. The validated tool must be approved by the commissioner of human services and  
74.15 may be the validated tool approved for the child's assessment under section 260C.704 if the  
74.16 juvenile treatment screening team recommended placement of the child in a qualified  
74.17 residential treatment program. If a diagnostic assessment has been completed by a mental  
74.18 health professional within the past 180 days, a new diagnostic assessment need not be  
74.19 completed unless in the opinion of the current treating mental health professional the child's  
74.20 mental health status has changed markedly since the assessment was completed. The child's  
74.21 parent shall be notified if an assessment will not be completed and of the reasons. A copy  
74.22 of the notice shall be placed in the child's file. Recommendations developed as part of the  
74.23 level of care determination process shall include specific community services needed by  
74.24 the child and, if appropriate, the child's family, and shall indicate whether these services  
74.25 are available and accessible to the child and the child's family. The child and the child's  
74.26 family must be invited to any meeting where the level of care determination is discussed  
74.27 and decisions regarding residential treatment are made. The child and the child's family  
74.28 may invite other relatives, friends, or advocates to attend these meetings.

74.29 (e) During the level of care determination process, the child, child's family, or child's  
74.30 legal representative, as appropriate, must be informed of the child's eligibility for case  
74.31 management services and family community support services and that an individual family  
74.32 community support plan is being developed by the case manager, if assigned.

75.1 (f) The level of care determination, placement decision, and recommendations for mental  
75.2 health services must be documented in the child's record and made available to the child's  
75.3 family, as appropriate.

75.4 Sec. 20. Minnesota Statutes 2021 Supplement, section 245.4889, subdivision 1, is amended  
75.5 to read:

75.6 Subdivision 1. **Establishment and authority.** (a) The commissioner is authorized to  
75.7 make grants from available appropriations to assist:

75.18 disturbances who are at risk of out-of-home placement or already in out-of-home placement  
75.19 in family foster settings as defined in chapter 245A and at risk of change in out-of-home  
75.20 placement or placement in a residential facility or other higher level of care. Allowable  
75.21 activities and expenses for respite care services are defined under subdivision 4. A child is  
75.22 not required to have case management services to receive respite care services;

75.23 (4) children's mental health crisis services;

75.25 supervision of clinical trainees who are Black, indigenous, or people of color;

75.26 (6) children's mental health screening and follow-up diagnostic assessment and treatment;

76.15 (17) providers to begin operations and meet program requirements when establishing a  
76.16 new children's mental health program. These may be start-up grants; and

76.17 (18) evidence-informed interventions for youth and young adults who are at risk of  
76.18 developing a mood disorder or are experiencing an emerging mood disorder, including

80.3 for individuals who are uninsured or who may go on and off medical assistance.

80.4 (d) When the standards listed in paragraph (a) or other applicable standards conflict or  
80.5 address similar issues in duplicative or incompatible ways, the commissioner may grant  
80.6 variances to state requirements if the variances do not conflict with federal requirements  
80.7 for services reimbursed under medical assistance. If standards overlap, the commissioner  
80.8 may substitute all or a part of a licensure or certification that is substantially the same as  
80.9 another licensure or certification. The commissioner shall consult with stakeholders, as  
80.10 described in subdivision 4, before granting variances under this provision. For the CCBHC  
80.11 that is certified but not approved for prospective payment under section 256B.0625,

80.13 does not increase the state share of costs.

80.14 (e) The commissioner shall issue a list of required evidence-based practices to be  
80.15 delivered by CCBHCs, and may also provide a list of recommended evidence-based practices.

80.18 shall take into consideration the adequacy of evidence to support the efficacy of the practice,

80.21 provide stakeholders with an opportunity to comment.

80.22 (f) The commissioner shall recertify CCBHCs at least every three years. The  
80.23 commissioner shall establish a process for decertification and shall require corrective action,  
80.24 medical assistance repayment, or decertification of a CCBHC that no longer meets the  
80.25 requirements in this section or that fails to meet the standards provided by the commissioner  
80.26 in the application and certification process.

104.10 commissioner shall recertify a provider entity every three years, allowing up to a six-month  
104.11 grace period for recertification after the certification anniversary. The commissioner may  
104.12 approve a recertification extension, in the interest of sustaining services, when a certain  
104.13 date for recertification is identified. The commissioner shall establish a process for  
104.14 decertification of a provider entity and shall require corrective action, medical assistance  
104.15 repayment, or decertification of a provider entity that no longer meets the requirements in  
104.16 this section or that fails to meet the clinical quality standards or administrative standards  
104.17 provided by the commissioner in the application and certification process.

104.18 (b) The commissioner must provide the following to providers for the certification,

104.30 (3) a noncounty entity certified by the state.

104.31 Subd. 5. **Provider entity clinical infrastructure requirements.** (a) To be an eligible  
104.32 provider entity under this section, a provider entity must have a clinical infrastructure that

105.1 utilizes diagnostic assessment, individual treatment plans, service delivery, and individual  
105.2 treatment plan review that are culturally competent, child-centered, and family-driven to  
105.3 achieve maximum benefit for the client. The provider entity must review, and update as  
105.4 necessary, the clinical policies and procedures every three years, must distribute the policies  
105.5 and procedures to staff initially and upon each subsequent update, and must train staff  
105.6 accordingly.

105.7 (b) The clinical infrastructure written policies and procedures must include policies and  
105.8 procedures for:

105.9 (1) providing or obtaining a client's standard diagnostic assessment. When required  
105.10 components of the standard diagnostic assessment are not provided in an outside or  
105.11 independent assessment or cannot be attained immediately, the provider entity must determine  
105.12 the missing information within 30 days and amend the child's standard diagnostic assessment  
105.13 or incorporate the information into the child's individual treatment plan;

105.14 (2) developing an individual treatment plan;

105.15 (3) providing treatment supervision plans for staff according to section 245I.06. Treatment  
105.16 supervision does not include the authority to make or terminate court-ordered placements  
105.17 of the child. A treatment supervisor must be available for urgent consultation as required  
105.18 by the individual client's needs or the situation;

105.19 (4) requiring a mental health professional to determine the level of supervision for a  
105.20 behavioral health aide, and to document and sign the supervision determination in the  
105.21 behavioral health aide's supervision plan;

105.22 (5) ensuring the immediate accessibility of a mental health professional, clinical trainee,  
105.23 or mental health practitioner to the behavioral aide during service delivery;

105.24 (6) providing service delivery that implements the individual treatment plan and meets  
105.25 the requirements under subdivision 8; and

105.26 (7) individual treatment plan review. The review must determine the extent to which  
105.27 the services have met each of the goals and objectives in the treatment plan. The review  
105.28 must assess the client's progress and ensure that services and treatment goals continue to  
105.29 be necessary and appropriate to the client and the client's family or foster family.

105.30 Subd. 6. **Background studies.** The requirements for background studies under section  
105.31 245I.011, subdivision 4, paragraph (d), may be met by a children's therapeutic services and  
105.32 supports services agency through the commissioner's NETStudy system as provided under  
105.33 sections 245C.03, subdivision 7, and 245C.10, subdivision 8.

106.2 provider entity shall demonstrate the availability, by means of employment or contract, of  
106.3 at least one backup mental health professional in the event of the primary mental health  
106.4 professional's absence.

106.5 (b) In addition to the policies and procedures required under section 245I.03, the policies  
106.6 and procedures must include:

106.7 (1) fiscal procedures, including internal fiscal control practices and a process for collecting  
106.8 revenue that is compliant with federal and state laws; and

106.9 (2) a client-specific treatment outcomes measurement system, including baseline  
106.10 measures, to measure a client's progress toward achieving mental health rehabilitation goals.

106.11 (c) A provider entity that uses a restrictive procedure with a client must meet the  
106.12 requirements of section 245.8261.

106.13 Subd. 8. Qualifications of individual and team providers. (a) An individual or team  
106.14 provider working within the scope of the provider's practice or qualifications may provide  
106.15 service components of children's therapeutic services and supports that are identified as  
106.16 medically necessary in a client's individual treatment plan.

106.17 (b) An individual provider must be qualified as a:

106.18 (1) mental health professional;

106.19 (2) clinical trainee;

106.20 (3) mental health practitioner;

106.21 (4) mental health certified family peer specialist; or

106.22 (5) mental health behavioral aide.

106.23 (c) A day treatment team must include one mental health professional or clinical trainee.

106.24 Subd. 9. Service delivery criteria. (a) In delivering services under this section, a certified  
106.25 provider entity must ensure that:

106.26 (1) the provider's caseload size reasonably enables the provider to play an active role in  
106.27 service planning, monitoring, and delivering services to meet the client's and client's family's  
106.28 needs, as specified in each client's individual treatment plan;

106.29 (2) site-based programs, including day treatment programs, provide staffing and facilities  
106.30 to ensure the client's health, safety, and protection of rights, and that the programs are able  
106.31 to implement each client's individual treatment plan; and

107.1 (3) a day treatment program is provided to a group of clients by a team under the treatment  
107.2 supervision of a mental health professional. The day treatment program must be provided  
107.3 in and by (i) an outpatient hospital accredited by the Joint Commission on Accreditation of  
107.4 Health Organizations and licensed under sections 144.50 to 144.55; (ii) a community mental  
107.5 health center under section 245.62; or (iii) an entity that is certified under subdivision 4 to  
107.6 operate a program that meets the requirements of section 245.4884, subdivision 2, and  
107.7 Minnesota Rules, parts 9505.0170 to 9505.0475. The day treatment program must stabilize  
107.8 the client's mental health status while developing and improving the client's independent  
107.9 living and socialization skills. The goal of the day treatment program must be to reduce or  
107.10 relieve the effects of mental illness and provide training to enable the client to live in the  
107.11 community. The remainder of the structured treatment program may include patient, family,  
107.12 and group psychotherapy and individual or group skills training, if included in the client's  
107.13 individual treatment plan. Day treatment programs are not part of inpatient or residential  
107.14 treatment services. When a day treatment group that meets the minimum group size  
107.15 requirement temporarily falls below the minimum group size because of a member's  
107.16 temporary absence, medical assistance covers a group session conducted for the group  
107.17 members in attendance. A day treatment program may provide fewer than the minimally  
107.18 required hours for a particular child during a billing period in which the child is transitioning  
107.19 into, or out of, the program.

107.20 (b) To be eligible for medical assistance payment, a provider entity must deliver the  
107.21 service components of children's therapeutic services and supports in compliance with the  
107.22 following requirements:

107.23 (1) psychotherapy to address the child's underlying mental health disorder must be  
107.24 documented as part of the child's ongoing treatment. A provider must deliver, or arrange  
107.25 for, medically necessary psychotherapy, unless the child's parent or caregiver chooses not  
107.26 to receive it or the provider determines that psychotherapy is no longer medically necessary.  
107.27 When a provider determines that psychotherapy is no longer medically necessary, the  
107.28 provider must update required documentation, including but not limited to the individual  
107.29 treatment plan, the child's medical record, or other authorizations, to include the  
107.30 determination. When a provider determines that a child needs psychotherapy but  
107.31 psychotherapy cannot be delivered due to a shortage of licensed mental health professionals  
107.32 in the child's community, the provider must document the lack of access in the child's  
107.33 medical record;

107.34 (2) individual, family, or group skills training is subject to the following requirements:

108.1 (i) a mental health professional, clinical trainee, or mental health practitioner shall provide  
108.2 skills training;

108.3 (ii) skills training delivered to a child or the child's family must be targeted to the specific  
108.4 deficits or maladaptations of the child's mental health disorder and must be prescribed in  
108.5 the child's individual treatment plan;

108.6 (iii) group skills training may be provided to multiple recipients who, because of the  
108.7 nature of their emotional, behavioral, or social dysfunction, can derive mutual benefit from  
108.8 interaction in a group setting, which must be staffed as follows:

108.9 (A) one mental health professional, clinical trainee, or mental health practitioner must  
108.10 work with a group of three to eight clients; or

108.11 (B) any combination of two mental health professionals, clinical trainees, or mental  
108.12 health practitioners must work with a group of nine to 12 clients;

108.13 (iv) a mental health professional, clinical trainee, or mental health practitioner must have  
108.14 taught the psychosocial skill before a mental health behavioral aide may practice that skill  
108.15 with the client; and

108.16 (v) for group skills training, when a skills group that meets the minimum group size  
108.17 requirement temporarily falls below the minimum group size because of a group member's  
108.18 temporary absence, the provider may conduct the session for the group members in  
108.19 attendance;

108.20 (3) crisis planning to a child and family must include development of a written plan that  
108.21 anticipates the particular factors specific to the child that may precipitate a psychiatric crisis  
108.22 for the child in the near future. The written plan must document actions that the family  
108.23 should be prepared to take to resolve or stabilize a crisis, such as advance arrangements for  
108.24 direct intervention and support services to the child and the child's family. Crisis planning  
108.25 must include preparing resources designed to address abrupt or substantial changes in the  
108.26 functioning of the child or the child's family when sudden change in behavior or a loss of  
108.27 usual coping mechanisms is observed or the child begins to present a danger to self or others;

108.28 (4) mental health behavioral aide services must be medically necessary treatment services  
108.29 identified in the child's individual treatment plan. To be eligible for medical assistance  
108.30 payment, mental health behavioral aide services must be delivered to a child who has been  
108.31 diagnosed with an emotional disturbance or a mental illness, as provided in subdivision 1,  
108.32 paragraph (m). The mental health behavioral aide must document the delivery of services  
108.33 in written progress notes. Progress notes must reflect implementation of the treatment

109.1 strategies as performed by the mental health behavioral aide and the child's responses to  
109.2 the treatment strategies; and

109.3 (5) mental health service plan development must be performed in consultation with the  
109.4 child's family and, when appropriate, with other key participants in the child's life by the  
109.5 child's treating mental health professional or clinical trainee or by a mental health practitioner  
109.6 and approved by the treating mental health professional. Treatment plan drafting consists  
109.7 of development, review, and revision by face-to-face or electronic communication. The  
109.8 provider must document events, including the time spent with the family and other key  
109.9 participants in the child's life to approve the individual treatment plan. Medical assistance  
109.10 covers service plan development before completion of the child's individual treatment plan.

148.8 The team may include the child's relatives as defined in section 260C.007, subdivisions 26b  
148.9 and 27, the child's foster care provider, and professionals who are a resource to the child's  
148.10 family such as teachers, medical or mental health providers, and clergy, as appropriate,  
148.11 consistent with the family and permanency team as defined in section 260C.007, subdivision  
148.12 16a. Prior to forming the team, the responsible social services agency must consult with the  
148.13 child's parents, the child if the child is age 14 or older, and, if applicable, the child's Tribe  
148.14 to obtain recommendations regarding which individuals to include on the team and to ensure  
148.15 that the team is family-centered and will act in the child's best interests. If the child, child's  
148.16 parents, or legal guardians raise concerns about specific relatives or professionals, the team  
148.17 should not include those individuals. This provision does not apply to paragraph (c).

148.18 (c) If the agency provides notice to Tribes under section 260.761, and the child screened  
148.19 is an Indian child, the responsible social services agency must make a rigorous and concerted  
148.20 effort to include a designated representative of the Indian child's Tribe on the juvenile  
148.21 treatment screening team, unless the child's Tribal authority declines to appoint a  
148.22 representative. The Indian child's Tribe may delegate its authority to represent the child to  
148.23 any other federally recognized Indian Tribe, as defined in section 260.755, subdivision 12.  
148.24 The provisions of the Indian Child Welfare Act of 1978, United States Code, title 25, sections  
148.25 1901 to 1963, and the Minnesota Indian Family Preservation Act, sections 260.751 to  
148.26 260.835, apply to this section.

148.27 (d) If the court, prior to, or as part of, a final disposition or other court order, proposes  
148.28 to place a child with an emotional disturbance or developmental disability or related condition  
148.29 in residential treatment, the responsible social services agency must conduct a screening.  
148.30 If the team recommends treating the child in a qualified residential treatment program, the  
148.31 agency must follow the requirements of sections 260C.70 to 260C.714.

148.32 The court shall ascertain whether the child is an Indian child and shall notify the  
148.33 responsible social services agency and, if the child is an Indian child, shall notify the Indian  
148.34 child's Tribe as paragraph (c) requires.

149.1 (e) When the responsible social services agency is responsible for placing and caring  
149.2 for the child and the screening team recommends placing a child in a qualified residential  
149.3 treatment program as defined in section 260C.007, subdivision 26d, the agency must: (1)  
149.4 begin the assessment and processes required in section 260C.704 without delay; and (2)  
149.5 conduct a relative search according to section 260C.221 to assemble the child's family and  
149.6 permanency team under section 260C.706. Prior to notifying relatives regarding the family  
149.7 and permanency team, the responsible social services agency must consult with the child's  
149.8 parent or legal guardian, the child if the child is age 14 or older, and, if applicable, the child's  
149.9 Tribe to ensure that the agency is providing notice to individuals who will act in the child's  
149.10 best interests. The child and the child's parents may identify a culturally competent qualified  
149.11 individual to complete the child's assessment. The agency shall make efforts to refer the  
149.12 assessment to the identified qualified individual. The assessment may not be delayed for  
149.13 the purpose of having the assessment completed by a specific qualified individual.

149.14 (f) When a screening team determines that a child does not need treatment in a qualified  
149.15 residential treatment program, the screening team must:

149.16 (1) document the services and supports that will prevent the child's foster care placement  
149.17 and will support the child remaining at home;

149.18 (2) document the services and supports that the agency will arrange to place the child  
149.19 in a family foster home; or

149.20 (3) document the services and supports that the agency has provided in any other setting.

149.21 (g) When the Indian child's Tribe or Tribal health care services provider or Indian Health  
149.22 Services provider proposes to place a child for the primary purpose of treatment for an  
149.23 emotional disturbance, a developmental disability, or co-occurring emotional disturbance  
149.24 and chemical dependency, the Indian child's Tribe or the Tribe delegated by the child's Tribe  
149.25 shall submit necessary documentation to the county juvenile treatment screening team,  
149.26 which must invite the Indian child's Tribe to designate a representative to the screening  
149.27 team.

149.28 (h) The responsible social services agency must conduct and document the screening in  
149.29 a format approved by the commissioner of human services.

149.30 Sec. 98. Minnesota Statutes 2020, section 260E.20, subdivision 1, is amended to read:

149.32 prevent future maltreatment, safeguarding and enhancing the welfare of the maltreated child,  
149.33 and supporting and preserving family life whenever possible.

150.1 (b) If the report alleges a violation of a criminal statute involving maltreatment or child  
150.2 endangerment under section 609.378, the local law enforcement agency and local welfare  
150.3 agency shall coordinate the planning and execution of their respective investigation and  
150.4 assessment efforts to avoid a duplication of fact-finding efforts and multiple interviews.  
150.5 Each agency shall prepare a separate report of the results of the agency's investigation or  
150.6 assessment.

150.7 (c) In cases of alleged child maltreatment resulting in death, the local agency may rely  
150.8 on the fact-finding efforts of a law enforcement investigation to make a determination of  
150.9 whether or not maltreatment occurred.

150.10 (d) When necessary, the local welfare agency shall seek authority to remove the child  
150.11 from the custody of a parent, guardian, or adult with whom the child is living.

150.12 (e) In performing any of these duties, the local welfare agency shall maintain an  
150.13 appropriate record.

150.14 (f) In conducting a family assessment or investigation, the local welfare agency shall  
150.15 gather information on the existence of substance abuse and domestic violence.

150.16 (g) If the family assessment or investigation indicates there is a potential for abuse of  
150.17 alcohol or other drugs by the parent, guardian, or person responsible for the child's care,  
150.18 the local welfare agency ~~shall conduct a chemical use~~ must coordinate a comprehensive  
150.19 assessment pursuant to Minnesota Rules, part 9530.6615 section 245G.05.

150.20 (h) The agency may use either a family assessment or investigation to determine whether  
150.21 the child is safe when responding to a report resulting from birth match data under section  
150.22 260E.03, subdivision 23, paragraph (c). If the child subject of birth match data is determined  
150.23 to be safe, the agency shall consult with the county attorney to determine the appropriateness  
150.24 of filing a petition alleging the child is in need of protection or services under section  
150.25 260C.007, subdivision 6, clause (16), in order to deliver needed services. If the child is  
150.26 determined not to be safe, the agency and the county attorney shall take appropriate action  
150.27 as required under section 260C.503, subdivision 2.

150.28 Sec. 99. Minnesota Statutes 2020, section 299A.299, subdivision 1, is amended to read:

151.4 coordinate its activities with existing local groups, organizations, and teams dealing with  
151.5 the same issues the team is addressing.

154.1

**ARTICLE 3**

154.2

**COMMUNITY SUPPORTS**

154.3 Section 1. Minnesota Statutes 2021 Supplement, section 245A.03, subdivision 7, is

154.4 amended to read:

154.5 Subd. 7. **Licensing moratorium.** (a) The commissioner shall not issue an initial license  
154.6 for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, or adult  
154.7 foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter  
154.8 for a physical location that will not be the primary residence of the license holder for the  
154.9 entire period of licensure. If a family child foster care home or family adult foster care home  
154.10 license is issued during this moratorium, and the license holder changes the license holder's  
154.11 primary residence away from the physical location of the foster care license, the  
154.12 commissioner shall revoke the license according to section 245A.07. The commissioner  
154.13 shall not issue an initial license for a community residential setting licensed under chapter  
154.14 245D. When approving an exception under this paragraph, the commissioner shall consider  
154.15 the resource need determination process in paragraph (h), the availability of foster care  
154.16 licensed beds in the geographic area in which the licensee seeks to operate, the results of a  
154.17 person's choices during their annual assessment and service plan review, and the  
154.18 recommendation of the local county board. The determination by the commissioner is final  
154.19 and not subject to appeal. Exceptions to the moratorium include:

154.20 (1) foster care settings where at least 80 percent of the residents are 55 years of age or  
154.21 older;

154.22 (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or  
154.23 community residential setting licenses replacing adult foster care licenses in existence on  
154.24 December 31, 2013, and determined to be needed by the commissioner under paragraph  
154.25 (b);

154.26 (3) new foster care licenses or community residential setting licenses determined to be  
154.27 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,  
154.28 or regional treatment center; restructuring of state-operated services that limits the capacity  
154.29 of state-operated facilities; or allowing movement to the community for people who no  
154.30 longer require the level of care provided in state-operated facilities as provided under section  
154.31 256B.092, subdivision 13, or 256B.49, subdivision 24;

154.32 (4) new foster care licenses or community residential setting licenses determined to be  
154.33 needed by the commissioner under paragraph (b) for persons requiring hospital level care;  
154.34 or

155.1 ~~(5) new foster care licenses or community residential setting licenses for people receiving~~  
 155.2 ~~services under chapter 245D and residing in an unlicensed setting before May 1, 2017, and~~  
 155.3 ~~for which a license is required. This exception does not apply to people living in their own~~  
 155.4 ~~home. For purposes of this clause, there is a presumption that a foster care or community~~  
 155.5 ~~residential setting license is required for services provided to three or more people in a~~  
 155.6 ~~dwelling unit when the setting is controlled by the provider. A license holder subject to this~~  
 155.7 ~~exception may rebut the presumption that a license is required by seeking a reconsideration~~  
 155.8 ~~of the commissioner's determination. The commissioner's disposition of a request for~~  
 155.9 ~~reconsideration is final and not subject to appeal under chapter 14. The exception is available~~  
 155.10 ~~until June 30, 2018. This exception is available when:~~

155.11 ~~(i) the person's case manager provided the person with information about the choice of~~  
 155.12 ~~service, service provider, and location of service, including in the person's home, to help~~  
 155.13 ~~the person make an informed choice; and~~

155.14 ~~(ii) the person's services provided in the licensed foster care or community residential~~  
 155.15 ~~setting are less than or equal to the cost of the person's services delivered in the unlicensed~~  
 155.16 ~~setting as determined by the lead agency; or~~

155.17 ~~(6)~~ (5) new foster care licenses or community residential setting licenses for people  
 155.18 receiving customized living or 24-hour customized living services under the brain injury  
 155.19 or community access for disability inclusion waiver plans under section 256B.49 and residing  
 155.20 in the customized living setting before July 1, 2022, for which a license is required. A  
 155.21 customized living service provider subject to this exception may rebut the presumption that  
 155.22 a license is required by seeking a reconsideration of the commissioner's determination. The  
 155.23 commissioner's disposition of a request for reconsideration is final and not subject to appeal  
 155.24 under chapter 14. The exception is available until June 30, 2023. This exception is available  
 155.25 when:

155.26 (i) the person's customized living services are provided in a customized living service  
 155.27 setting serving four or fewer people under the brain injury or community access for disability  
 155.28 inclusion waiver plans under section 256B.49 in a single-family home operational on or  
 155.29 before June 30, 2021. Operational is defined in section 256B.49, subdivision 28;

155.30 (ii) the person's case manager provided the person with information about the choice of  
 155.31 service, service provider, and location of service, including in the person's home, to help  
 155.32 the person make an informed choice; and

156.1 (iii) the person's services provided in the licensed foster care or community residential  
156.2 setting are less than or equal to the cost of the person's services delivered in the customized  
156.3 living setting as determined by the lead agency.

156.4 (b) The commissioner shall determine the need for newly licensed foster care homes or  
156.5 community residential settings as defined under this subdivision. As part of the determination,  
156.6 the commissioner shall consider the availability of foster care capacity in the area in which  
156.7 the licensee seeks to operate, and the recommendation of the local county board. The  
156.8 determination by the commissioner must be final. A determination of need is not required  
156.9 for a change in ownership at the same address.

156.10 (c) When an adult resident served by the program moves out of a foster home that is not  
156.11 the primary residence of the license holder according to section 256B.49, subdivision 15,  
156.12 paragraph (f), or the adult community residential setting, the county shall immediately  
156.13 inform the Department of Human Services Licensing Division. The department may decrease  
156.14 the statewide licensed capacity for adult foster care settings.

156.15 (d) Residential settings that would otherwise be subject to the decreased license capacity  
156.16 established in paragraph (c) shall be exempt if the license holder's beds are occupied by  
156.17 residents whose primary diagnosis is mental illness and the license holder is certified under  
156.18 the requirements in subdivision 6a or section 245D.33.

156.19 (e) A resource need determination process, managed at the state level, using the available  
156.20 reports required by section 144A.351, and other data and information shall be used to  
156.21 determine where the reduced capacity determined under section 256B.493 will be  
156.22 implemented. The commissioner shall consult with the stakeholders described in section  
156.23 144A.351, and employ a variety of methods to improve the state's capacity to meet the  
156.24 informed decisions of those people who want to move out of corporate foster care or  
156.25 community residential settings, long-term service needs within budgetary limits, including  
156.26 seeking proposals from service providers or lead agencies to change service type, capacity,  
156.27 or location to improve services, increase the independence of residents, and better meet  
156.28 needs identified by the long-term services and supports reports and statewide data and  
156.29 information.

156.30 (f) At the time of application and reapplication for licensure, the applicant and the license  
156.31 holder that are subject to the moratorium or an exclusion established in paragraph (a) are  
156.32 required to inform the commissioner whether the physical location where the foster care  
156.33 will be provided is or will be the primary residence of the license holder for the entire period  
156.34 of licensure. If the primary residence of the applicant or license holder changes, the applicant

157.1 or license holder must notify the commissioner immediately. The commissioner shall print  
157.2 on the foster care license certificate whether or not the physical location is the primary  
157.3 residence of the license holder.

157.4 (g) License holders of foster care homes identified under paragraph (f) that are not the  
157.5 primary residence of the license holder and that also provide services in the foster care home  
157.6 that are covered by a federally approved home and community-based services waiver, as  
157.7 authorized under chapter 256S or section 256B.092 or 256B.49, must inform the human  
157.8 services licensing division that the license holder provides or intends to provide these  
157.9 waiver-funded services.

157.10 (h) The commissioner may adjust capacity to address needs identified in section  
157.11 144A.351. Under this authority, the commissioner may approve new licensed settings or  
157.12 delicense existing settings. Delicensing of settings will be accomplished through a process

166.2 entity reporting the critical incident through the ongoing case management process.

166.3 Department staff shall lead and conduct the reviews and may utilize county staff as reviewers.

166.4 The systemic critical incident review process may include but is not limited to:

167.7 (5) service terminations reported to the department in accordance with section 245D.10,  
167.8 subdivision 3a.

167.9 (c) The systemic critical incident review under this section shall not replace the process  
167.10 for screening or investigating cases of alleged maltreatment of an adult under section 626.557.  
167.11 The department may select cases for systemic critical incident review, under the jurisdiction  
167.12 of the commissioner, reported for suspected maltreatment and closed following initial or  
167.13 final disposition.

167.14 (d) A member of the systemic critical incident review team shall not disclose what  
167.15 transpired during the review, except to carry out the duties of the review. The proceedings  
167.16 and records of the review team are protected nonpublic data as defined in section 13.02,  
167.17 subdivision 13, and are not subject to discovery or introduction into evidence in a civil or  
167.18 criminal action against a professional, the state, or a county agency arising out of the matters  
167.19 that the team is reviewing. Information, documents, and records otherwise available from  
167.20 other sources are not immune from discovery or use in a civil or criminal action solely  
167.21 because the information, documents, and records were assessed or presented during  
167.22 proceedings of the review team. A person who presented information before the systemic  
167.23 critical incident review team or who is a member of the team shall not be prevented from  
167.24 testifying about matters within the person's knowledge. In a civil or criminal proceeding, a  
167.25 person shall not be questioned about the person's presentation of information to the review  
167.26 team or opinions formed by the person as a result of the review.

167.27 Sec. 8. Minnesota Statutes 2020, section 256.0112, is amended by adding a subdivision  
167.28 to read:

167.29 Subd. 11. **Contracts for case management services.** (a) Any contract between a local  
167.30 agency and a private agency for the purchase of case management services must include  
167.31 provisions requiring a process to evaluate the performance of individual case managers,  
167.32 including service recipient input during reassessments under section 256B.0911. As a part

168.1 of this process, the private agency must also have a process by which a service recipient  
 168.2 can request and be offered a different case manager.

168.3 (b) Any contract between a local agency and a private agency for the purchase of case  
 168.4 management services must include provisions stating that continued use of individual case  
 168.5 managers who have received substandard performance evaluations to provide case  
 168.6 management services to medical assistance enrollees constitutes materially deficient quality  
 168.7 of service and is a breach of the contract. Such a contract must also include provisions  
 168.8 authorizing the local agency to enforce appropriate remedies and sanctions for materially  
 168.9 deficient quality of service resulting from continued use of individual case managers who  
 168.10 have received substandard performance reviews.

168.11 (c) All current contracts between a local agency and a private agency for the purchase  
 168.12 of case management services must be updated by July 31, 2023, to reflect the new  
 168.13 requirements under this subdivision.

168.14 **EFFECTIVE DATE.** This section is effective for all new contracts between a local  
 168.15 agency and a private agency for the purchase of case management services entered into on  
 168.16 or after August 1, 2022.

168.17 Sec. 9. Minnesota Statutes 2020, section 256.045, subdivision 3, is amended to read:

168.18 Subd. 3. **State agency hearings.** (a) State agency hearings are available for the following:

168.19 (1) any person applying for, receiving or having received public assistance, medical  
 168.20 care, or a program of social services granted by the state agency or a county agency or the  
 168.21 federal Food and Nutrition Act whose application for assistance is denied, not acted upon  
 168.22 with reasonable promptness, or whose assistance is suspended, reduced, terminated, or  
 168.23 claimed to have been incorrectly paid;

168.24 (2) any patient or relative aggrieved by an order of the commissioner under section  
 168.25 252.27;

168.26 (3) a party aggrieved by a ruling of a prepaid health plan;

168.27 (4) except as provided under chapter 245C, any individual or facility determined by a  
 168.28 lead investigative agency to have maltreated a vulnerable adult under section 626.557 after  
 168.29 they have exercised their right to administrative reconsideration under section 626.557;

168.30 (5) any person whose claim for foster care payment according to a placement of the  
 168.31 child resulting from a child protection assessment under chapter 260E is denied or not acted  
 168.32 upon with reasonable promptness, regardless of funding source;

169.1 (6) any person to whom a right of appeal according to this section is given by other  
169.2 provision of law;

169.3 (7) an applicant aggrieved by an adverse decision to an application for a hardship waiver  
169.4 under section 256B.15;

169.5 (8) an applicant aggrieved by an adverse decision to an application or redetermination  
169.6 for a Medicare Part D prescription drug subsidy under section 256B.04, subdivision 4a;

169.7 (9) except as provided under chapter 245A, an individual or facility determined to have  
169.8 maltreated a minor under chapter 260E, after the individual or facility has exercised the  
169.9 right to administrative reconsideration under chapter 260E;

169.10 (10) except as provided under chapter 245C, an individual disqualified under sections  
169.11 245C.14 and 245C.15, following a reconsideration decision issued under section 245C.23,  
169.12 on the basis of serious or recurring maltreatment; a preponderance of the evidence that the  
169.13 individual has committed an act or acts that meet the definition of any of the crimes listed  
169.14 in section 245C.15, subdivisions 1 to 4; or for failing to make reports required under section  
169.15 260E.06, subdivision 1, or 626.557, subdivision 3. Hearings regarding a maltreatment  
169.16 determination under clause (4) or (9) and a disqualification under this clause in which the  
169.17 basis for a disqualification is serious or recurring maltreatment, shall be consolidated into  
169.18 a single fair hearing. In such cases, the scope of review by the human services judge shall  
169.19 include both the maltreatment determination and the disqualification. The failure to exercise  
169.20 the right to an administrative reconsideration shall not be a bar to a hearing under this section  
169.21 if federal law provides an individual the right to a hearing to dispute a finding of  
169.22 maltreatment;

169.23 (11) any person with an outstanding debt resulting from receipt of public assistance,  
169.24 medical care, or the federal Food and Nutrition Act who is contesting a setoff claim by the  
169.25 Department of Human Services or a county agency. The scope of the appeal is the validity  
169.26 of the claimant agency's intention to request a setoff of a refund under chapter 270A against  
169.27 the debt;

169.28 (12) a person issued a notice of service termination under section 245D.10, subdivision  
169.29 3a, ~~from~~ by a licensed provider of any residential supports and or services as defined listed  
169.30 in section 245D.03, subdivision 1, paragraph paragraphs (b) and (c), clause (3), that is not  
169.31 otherwise subject to appeal under subdivision 4a;

169.32 (13) an individual disability waiver recipient based on a denial of a request for a rate  
169.33 exception under section 256B.4914; or

170.1 (14) a person issued a notice of service termination under section 245A.11, subdivision  
170.2 11, that is not otherwise subject to appeal under subdivision 4a.

170.3 (b) The hearing for an individual or facility under paragraph (a), clause (4), (9), or (10),  
170.4 is the only administrative appeal to the final agency determination specifically, including  
170.5 a challenge to the accuracy and completeness of data under section 13.04. Hearings requested  
170.6 under paragraph (a), clause (4), apply only to incidents of maltreatment that occur on or  
170.7 after October 1, 1995. Hearings requested by nursing assistants in nursing homes alleged  
170.8 to have maltreated a resident prior to October 1, 1995, shall be held as a contested case  
170.9 proceeding under the provisions of chapter 14. Hearings requested under paragraph (a),  
170.10 clause (9), apply only to incidents of maltreatment that occur on or after July 1, 1997. A  
170.11 hearing for an individual or facility under paragraph (a), clauses (4), (9), and (10), is only  
170.12 available when there is no district court action pending. If such action is filed in district  
170.13 court while an administrative review is pending that arises out of some or all of the events  
170.14 or circumstances on which the appeal is based, the administrative review must be suspended  
170.15 until the judicial actions are completed. If the district court proceedings are completed,  
170.16 dismissed, or overturned, the matter may be considered in an administrative hearing.

170.17 (c) For purposes of this section, bargaining unit grievance procedures are not an  
170.18 administrative appeal.

170.19 (d) The scope of hearings involving claims to foster care payments under paragraph (a),  
170.20 clause (5), shall be limited to the issue of whether the county is legally responsible for a  
170.21 child's placement under court order or voluntary placement agreement and, if so, the correct  
170.22 amount of foster care payment to be made on the child's behalf and shall not include review  
170.23 of the propriety of the county's child protection determination or child placement decision.

170.24 (e) The scope of hearings under paragraph (a), clauses (12) and (14), shall be limited to  
170.25 whether the proposed termination of services is authorized under section 245D.10,  
170.26 subdivision 3a, paragraph (b), or 245A.11, subdivision 11, and whether the requirements  
170.27 of section 245D.10, subdivision 3a, paragraphs (c) to (e), or 245A.11, subdivision 2a,  
170.28 paragraphs (d) to (f), were met. If the appeal includes a request for a temporary stay of  
170.29 termination of services, the scope of the hearing shall also include whether the case  
170.30 management provider has finalized arrangements for a residential facility, a program, or  
170.31 services that will meet the assessed needs of the recipient by the effective date of the service  
170.32 termination.

170.33 (f) A vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor  
170.34 under contract with a county agency to provide social services is not a party and may not

171.1 request a hearing under this section, except if assisting a recipient as provided in subdivision  
171.2 4.

171.3 (g) An applicant or recipient is not entitled to receive social services beyond the services  
171.4 prescribed under chapter 256M or other social services the person is eligible for under state  
171.5 law.

171.6 (h) The commissioner may summarily affirm the county or state agency's proposed  
171.7 action without a hearing when the sole issue is an automatic change due to a change in state  
171.8 or federal law.

171.9 (i) Unless federal or Minnesota law specifies a different time frame in which to file an  
171.10 appeal, an individual or organization specified in this section may contest the specified  
171.11 action, decision, or final disposition before the state agency by submitting a written request  
171.12 for a hearing to the state agency within 30 days after receiving written notice of the action,  
171.13 decision, or final disposition, or within 90 days of such written notice if the applicant,  
171.14 recipient, patient, or relative shows good cause, as defined in section 256.0451, subdivision  
171.15 13, why the request was not submitted within the 30-day time limit. The individual filing  
171.16 the appeal has the burden of proving good cause by a preponderance of the evidence.

171.17 Sec. 10. Minnesota Statutes 2020, section 256B.057, subdivision 12, is amended to read:

171.18 Subd. 12. **Presumptive eligibility determinations made by qualified hospitals;**  
171.19 **presumptive eligibility process for home and community-based waiver services.** (a)  
171.20 The commissioner shall establish a process to qualify hospitals that are participating providers  
171.21 under the medical assistance program to determine presumptive eligibility for medical  
171.22 assistance for applicants who may have a basis of eligibility using the modified adjusted  
171.23 gross income methodology as defined in section 256B.056, subdivision 1a, paragraph (b),  
171.24 clause (1).

171.25 (b) The commissioner shall establish a presumptive eligibility process for home and  
171.26 community-based waiver services applicants and alternative care applicants. The process  
171.27 must allow counties, home and community-based services providers, hospitals, and other  
171.28 agencies, including local area agencies on aging, to determine presumptive eligibility under  
171.29 a Medicaid state plan or waiver authorities.

171.30 (c) Prior to July 1, 2023, the commissioner of human services shall seek federal approval  
171.31 for an amendment to applicable 1915(c) home and community-based waivers to establish  
171.32 a presumptive eligibility process for home and community-based waiver services under this  
171.33 section.

172.1 **EFFECTIVE DATE** This section is effective July 1, 2024, or 90 days after federal  
172.2 approval, whichever is later. The commissioner of human services shall notify the revisor  
172.3 of statutes when federal approval is obtained.

172.9 consultations delivered through telehealth shall be paid at the full allowable rate.

172.10 (b) The commissioner may establish criteria that a health care provider must attest to in  
172.11 order to demonstrate the safety or efficacy of delivering a particular service through  
172.12 telehealth. The attestation may include that the health care provider:

172.13 (1) has identified the categories or types of services the health care provider will provide

172.25 Health care service records for services delivered through telehealth must meet the  
172.26 requirements set forth in Minnesota Rules, part 9505.2175, subparts 1 and 2, and must  
172.27 document:

172.28 (1) the type of service delivered through telehealth;

 173.14 payment if performed in person.

173.15 ~~(e) For mental health services or assessments delivered through telehealth that are based~~  
 173.16 ~~on an individual treatment plan, the provider may document the client's verbal approval or~~  
 173.17 ~~electronic written approval of the treatment plan or change in the treatment plan in lieu of~~

176.29 person who responds under subdivision 2.

176.30 (b) The lead agency must conduct the decision review in a manner that allows an  
176.31 opportunity for interactive communication between the person and a representative of the

177.1 lead agency who has specific knowledge of the proposed decision and the basis for the  
177.2 decision. The interactive communication must be in a format that is accessible to the recipient,

177.7 eligibility or access to the services described in subdivision 1 and provide the person or the  
177.8 person's legal representative, if any, an opportunity to ask questions about the decision. If  
177.9 the lead agency's explanation of the decision is based on a misunderstanding of the person's

177.12 representative, if any, an opportunity to provide clarifying or additional information.

177.13 (d) A person with a representative is not required to participate in the decision review.

177.15 Subd. 4. **Continuation of services.** During the decision review and until the lead agency  
177.16 issues a written notice of action to deny, reduce, suspend, or terminate the eligibility or  
177.17 access, the person must continue to receive covered services.

177.18 Subd. 5. **Notice of action.** Following a decision review, a lead agency may issue a notice  
177.19 of action to deny, reduce, suspend, or terminate the eligibility or access after considering  
177.20 the discussions and information provided during the decision review.

177.21 Subd. 6. **Appeal rights.** Nothing in this section affects a person's appeal rights under  
177.22 section 245.045.

177.23 Sec. 14. Minnesota Statutes 2021 Supplement, section 256B.0911, subdivision 3a, is

177.29 on which an assessment was requested or recommended. Upon statewide implementation  
177.30 of subdivisions 2b, 2c, and 5, this requirement also applies to an assessment of a person  
177.31 requesting personal care assistance services. The commissioner shall provide at least a  
177.32 90-day notice to lead agencies prior to the effective date of this requirement. Assessments  
177.33 must be conducted according to paragraphs (b) to (r).

178.1 (b) Upon implementation of subdivisions 2b, 2c, and 5, lead agencies shall use certified  
178.2 assessors to conduct the assessment. For a person with complex health care needs, a public  
178.3 health or registered nurse from the team must be consulted.

178.4 (c) The MnCHOICES assessment provided by the commissioner to lead agencies must

178.8 plan that meets the individual's needs and preferences.

178.9 (d) Except as provided in paragraph (r), the assessment must be conducted by a certified  
178.10 assessor in a face-to-face conversational interview with the person being assessed. The  
178.11 person's legal representative must provide input during the assessment process and may do  
178.12 so remotely if requested. At the request of the person, other individuals may participate in  
178.13 the assessment to provide information on the needs, strengths, and preferences of the person  
178.14 necessary to develop a community support plan that ensures the person's health and safety.

178.21 the provider's nursing assessment or written report outlining its recommendations regarding  
178.22 the client's care needs. The person conducting the assessment must notify the provider of  
178.23 the date by which this information is to be submitted. This information shall be provided  
178.24 to the person conducting the assessment prior to the assessment. The certified assessor must  
178.25 consider the content of the submitted nursing assessment or report prior to finalizing the  
178.26 person's assessment or reassessment. For a person who is to be assessed for waiver services  
178.27 under section 256B.092 or 256B.49, with the permission of the person being assessed or  
178.28 the person's designated legal representative, the person's current provider of services may  
178.29 submit a written report outlining recommendations regarding the person's care needs the  
178.30 person completed in consultation with someone who is known to the person and has  
178.31 interaction with the person on a regular basis. The provider must submit the report at least

179.2 service and support plan must complete the community support plan and the coordinated  
179.3 service and support plan no more than 60 calendar days from the assessment visit. The  
179.4 person or the person's legal representative must be provided with a written community  
179.5 support plan within the timelines established by the commissioner, regardless of whether  
179.6 the person is eligible for Minnesota health care programs.

179.7 (f) For a person being assessed for elderly waiver services under chapter 256S or  
179.8 customized living services under section 256B.49, a provider who submitted information  
179.9 under paragraph (d) shall receive the final written community support plan when available  
179.10 and the Residential Services Workbook or customized living tool.

179.11 (g) The written community support plan must include:

179.12 (1) a summary of assessed needs as defined in paragraphs (c) and (d);

179.13 (2) the individual's options and choices to meet identified needs, including:

179.14 (i) all available options for case management services and providers;

179.15 (ii) all available options for employment services, settings, and providers;

179.16 (iii) all available options for living arrangements;

179.18 budget options; and

179.19 (v) service provided in a non-disability-specific setting;

179.20 (3) identification of health and safety risks and how those risks will be addressed,  
179.21 including personal risk management strategies;

179.22 (4) referral information; and

179.23 (5) informal caregiver supports, if applicable.

179.24 For a person determined eligible for state plan home care under subdivision 1a, paragraph  
179.25 (b), clause (1), the person or person's representative must also receive a copy of the home  
179.26 care service plan developed by the certified assessor.

179.27 (h) A person may request assistance in identifying community supports without  
179.28 participating in a complete assessment. Upon a request for assistance identifying community  
179.29 support, the person must be transferred or referred to long-term care options counseling  
179.30 services available under sections 256.975, subdivision 7, and 256.01, subdivision 24, for  
179.31 telephone assistance and follow up.

- 180.1 (i) The person has the right to make the final decision:
- 180.2 (1) between institutional placement and community placement after the recommendations  
180.3 have been provided, except as provided in section 256.975, subdivision 7a, paragraph (d);
- 180.4 (2) between community placement in a setting controlled by a provider and living  
180.5 independently in a setting not controlled by a provider;
- 180.6 (3) between day services and employment services; and
- 180.7 (4) regarding available options for self-directed services and supports, including  
180.8 self-directed funding options.
- 180.9 (j) The lead agency must give the person receiving long-term care consultation services  
180.10 or the person's legal representative, materials, and forms supplied by the commissioner  
180.11 containing the following information:

180.13 options;
- 180.14 (2) documentation that the most cost-effective alternatives available were offered to the  
180.15 individual. For purposes of this clause, "cost-effective" means community services and  
180.16 living arrangements that cost the same as or less than institutional care. For an individual  
180.17 found to meet eligibility criteria for home and community-based service programs under  
180.18 chapter 256S or section 256B.49, "cost-effectiveness" has the meaning found in the federally  
180.19 approved waiver plan for each program;
- 180.20 (3) the need for and purpose of preadmission screening conducted by long-term care  
180.21 options counselors according to section 256.975, subdivisions 7a to 7c, if the person selects  
180.22 nursing facility placement. If the individual selects nursing facility placement, the lead  
180.23 agency shall forward information needed to complete the level of care determinations and  
180.24 screening for developmental disability and mental illness collected during the assessment  
180.25 to the long-term care options counselor using forms provided by the commissioner;
- 180.26 (4) the role of long-term care consultation assessment and support planning in eligibility  
180.27 determination for waiver and alternative care programs, and state plan home care, case  
180.28 management, and other services as defined in subdivision 1a, paragraphs (a), clause (6),  
180.29 and (b);
- 180.30 (5) information about Minnesota health care programs;
- 180.31 (6) the person's freedom to accept or reject the recommendations of the team;

181.1 (7) the person's right to confidentiality under the Minnesota Government Data Practices  
181.2 Act, chapter 13;

181.3 (8) the certified assessor's decision regarding the person's need for institutional level of  
181.4 care as determined under criteria established in subdivision 4e and the certified assessor's  
181.5 decision regarding eligibility for all services and programs as defined in subdivision 1a,  
181.6 paragraphs (a), clause (6), and (b);

181.7 (9) the person's right to appeal the certified assessor's decision regarding eligibility for  
181.8 all services and programs as defined in subdivision 1a, paragraphs (a), clauses (6), (7), and  
181.9 (8), and (b), and incorporating the decision regarding the need for institutional level of care  
181.10 or the lead agency's final decisions regarding public programs eligibility according to section  
181.11 256.045, subdivision 3. The certified assessor must verbally communicate this appeal right  
181.12 to the person and must visually point out where in the document the right to appeal is stated;  
181.13 and

181.14 (10) documentation that available options for employment services, independent living,  
181.15 and self-directed services and supports were described to the individual.

181.16 (k) An assessment that is completed as part of an eligibility determination for multiple  
181.17 programs for the alternative care, elderly waiver, developmental disabilities, community  
181.18 access for disability inclusion, community alternative care, and brain injury waiver programs  
181.19 under chapter 256S and sections 256B.0913, 256B.092, and 256B.49 is valid to establish  
181.20 service eligibility for no more than 60 calendar days after the date of the assessment.

181.21 (l) The effective eligibility start date for programs in paragraph (k) can never be prior  
181.22 to the date of assessment. If an assessment was completed more than 60 days before the  
181.23 effective waiver or alternative care program eligibility start date, assessment and support  
181.24 plan information must be updated and documented in the department's Medicaid Management  
181.25 Information System (MMIS). Notwithstanding retroactive medical assistance coverage of  
181.26 state plan services, the effective date of eligibility for programs included in paragraph (k)  
181.27 cannot be prior to the date the most recent updated assessment is completed.

181.28 (m) If an eligibility update is completed within 90 days of the previous assessment and  
181.29 documented in the department's Medicaid Management Information System (MMIS), the  
181.30 effective date of eligibility for programs included in paragraph (k) is the date of the previous  
181.31 face-to-face assessment when all other eligibility requirements are met.

181.32 (n) If a person who receives home and community-based waiver services under section  
181.33 256B.0913, 256B.092, or 256B.49 or chapter 256S temporarily enters for 121 days or fewer  
181.34 a hospital, institution of mental disease, nursing facility, intensive residential treatment

182.1 services program, transitional care unit, or inpatient substance use disorder treatment setting,  
182.2 the person may return to the community with home and community-based waiver services  
182.3 under the same waiver, without requiring an assessment or reassessment under this section,  
182.4 unless the person's annual reassessment is otherwise due. Nothing in this paragraph shall  
182.5 change annual long-term care consultation reassessment requirements, payment for  
182.6 institutional or treatment services, medical assistance financial eligibility, or any other law.

182.7 (o) At the time of reassessment, the certified assessor shall assess each person receiving  
182.8 waiver residential supports and services currently residing in a community residential setting,  
182.9 licensed adult foster care home that is either not the primary residence of the license holder  
182.10 or in which the license holder is not the primary caregiver, family adult foster care residence,  
182.11 customized living setting, or supervised living facility to determine if that person would  
182.12 prefer to be served in a community-living setting as defined in section 256B.49, subdivision  
182.13 23, in a setting not controlled by a provider, or to receive integrated community supports  
182.14 as described in section 245D.03, subdivision 1, paragraph (c), clause (8). The certified  
182.15 assessor shall offer the person, through a person-centered planning process, the option to  
182.16 receive alternative housing and service options.

182.17 (p) At the time of reassessment, the certified assessor shall assess each person receiving  
182.18 waiver day services to determine if that person would prefer to receive employment services  
182.19 as described in section 245D.03, subdivision 1, paragraph (c), clauses (5) to (7). The certified  
182.20 assessor shall describe to the person through a person-centered planning process the option  
182.21 to receive employment services.

182.22 (q) At the time of reassessment, the certified assessor shall assess each person receiving  
182.23 non-self-directed waiver services to determine if that person would prefer an available  
182.24 service and setting option that would permit self-directed services and supports. The certified  
182.25 assessor shall describe to the person through a person-centered planning process the option  
182.26 to receive self-directed services and supports.

182.27 (r) All assessments performed according to this subdivision must be face-to-face unless  
182.28 the assessment is a reassessment meeting the requirements of this paragraph. Remote  
182.29 reassessments conducted by interactive video or telephone may substitute for face-to-face  
182.30 reassessments. For services provided by the developmental disabilities waiver under section  
182.31 256B.092, and the community access for disability inclusion, community alternative care,  
182.32 and brain injury waiver programs under section 256B.49, remote reassessments may be  
182.33 substituted for two consecutive reassessments if followed by a face-to-face reassessment.  
182.34 For services provided by alternative care under section 256B.0913, essential community  
182.35 supports under section 256B.0922, and the elderly waiver under chapter 256S, remote

183.1 reassessments may be substituted for one reassessment if followed by a face-to-face  
 183.2 reassessment. A remote reassessment is permitted only if the person being reassessed, or  
 183.3 the person's legal representative, ~~and the lead agency case manager both agree that there is~~  
 183.4 ~~no change in the person's condition, there is no need for a change in service, and that a~~  
 183.5 ~~remote reassessment is appropriate~~ makes an informed choice for a remote assessment. The  
 183.6 person being reassessed, or the person's legal representative, has the right to refuse a remote  
 183.7 reassessment at any time. During a remote reassessment, if the certified assessor determines  
 183.8 a face-to-face reassessment is necessary in order to complete the assessment, the lead agency  
 183.9 shall schedule a face-to-face reassessment. All other requirements of a face-to-face  
 183.10 reassessment shall apply to a remote reassessment, including updates to a person's support  
 183.11 plan.

 183.13 amended to read:

183.14 Subd. 3f. **Long-term care reassessments and community support plan updates.** (a)  
 183.15 Prior to a reassessment, the certified assessor must review the person's most recent  
 183.16 assessment. Reassessments must be tailored using the professional judgment of the assessor  
 183.17 to the person's known needs, strengths, preferences, and circumstances. Reassessments  
 183.18 provide information to support the person's informed choice and opportunities to express  
 183.19 choice regarding activities that contribute to quality of life, as well as information and  
 183.20 opportunity to identify goals related to desired employment, community activities, and  
 183.21 preferred living environment. Reassessments require a review of the most recent assessment,  
 183.22 review of the current coordinated service and support plan's effectiveness, monitoring of  
 183.23 services, and the development of an updated person-centered community support plan.  
 183.24 Reassessments must verify continued eligibility, offer alternatives as warranted, and provide  
 183.25 an opportunity for quality assurance of service delivery, including an opportunity to provide  
 183.26 a confidential performance assessment of the person's case manager. Reassessments must  
 183.27 be conducted annually or as required by federal and state laws and rules. For reassessments,  
 183.28 the certified assessor and the individual responsible for developing the coordinated service  
 183.29 and support plan must ensure the continuity of care for the person receiving services and  
 183.30 complete the updated community support plan and the updated coordinated service and  
 183.31 support plan no more than 60 days from the reassessment visit.

183.32 (b) The commissioner shall develop mechanisms for providers and case managers to

187.22 or a related condition as outlined in their ITP. All intervention services must be provided  
187.23 under the direction of a QSP. Intervention may take place across multiple settings. The  
187.24 frequency and intensity of intervention services are provided based on the number of  
187.25 treatment goals, person and family or caregiver preferences, and other factors. Intervention  
187.26 services may be provided individually or in a group. Intervention with a higher provider  
187.27 ratio may occur when deemed medically necessary through the person's ITP.

187.34 meets the person's needs and under the direction of the QSP or level I provider.

188.1 (h) ITP development and ITP progress monitoring is development of the initial, annual,  
188.2 and progress monitoring of an ITP. ITP development and ITP progress monitoring documents

188.4 goals and objectives and integrate and coordinate the person's and the person's legal  
188.5 representative's information from the CMDE and ITP progress monitoring. This service  
188.6 must be reviewed and completed by the QSP, and may include input from a level I provider  
188.7 or a level II provider.

188.28 "community-living settings" means a single-family home or multifamily dwelling unit where  
188.29 a service recipient or a service recipient's family owns or rents, and maintains control over  
188.30 the individual unit as demonstrated by a lease agreement. Community-living settings does  
188.31 not include a home or dwelling unit that the service provider owns, operates, or leases or

189.1 (b) To ensure a service recipient or the service recipient's family maintains control over  
189.2 the home or dwelling unit, community-living settings are subject to the following  
189.3 requirements:

189.4 (1) service recipients must not be required to receive services or share services;

189.14 (8) leases must comply with chapter 504B;

189.15 (9) landlords must not charge different rents to tenants who are receiving home and  
189.16 community-based services; and

189.17 (10) access to the greater community must be easily facilitated based on the service  
189.18 recipient's needs and preferences.

189.19 (c) Nothing in this section prohibits a service recipient from having another person or  
189.20 entity not affiliated with the service provider cosign a lease. Nothing in this section prohibits  
189.21 a service recipient, during any period in which a service provider has cosigned the service  
189.22 recipient's lease, from modifying services with an existing cosigning service provider and,  
189.23 subject to the approval of the landlord, maintaining a lease cosigned by the service provider.

189.27 the approval of the landlord, maintaining a lease cosigned by the new service provider.

189.28 (d) A lease cosigned by a service provider meets the requirements of paragraph (a) if  
189.29 the service recipient and service provider develop and implement a transition plan which  
189.30 must provide that, within two years of cosigning the initial lease, the service provider shall  
189.31 transfer the lease to the service recipient and other cosigners, if any.

190.1 (e) In the event the landlord has not approved the transfer of the lease within two years  
190.2 of the service provider cosigning the initial lease, the service provider must submit a  
190.3 time-limited extension request to the commissioner of human services to continue the  
190.4 cosigned lease arrangement. The extension request must include:

190.5 (1) the reason the landlord denied the transfer;

190.6 (2) the plan to overcome the denial to transfer the lease;

190.7 (3) the length of time needed to successfully transfer the lease, not to exceed an additional  
190.8 two years;

190.9 (4) a description of the information provided to the person to help the person make an  
190.10 informed choice about entering into a time-limited cosigned lease extension with the service  
190.11 provider;

190.12 ~~(4)~~ (5) a description of how the transition plan was followed, what occurred that led to  
190.13 the landlord denying the transfer, and what changes in circumstances or condition, if any,  
190.14 the service recipient experienced; and

190.15 ~~(5)~~ (6) a revised transition plan to transfer the cosigned lease between the service provider  
190.16 and the service recipient to the service recipient.

190.17 The commissioner must approve an extension within sufficient time to ensure the continued  
190.18 occupancy by the service recipient.

190.19 (f) In the event the landlord has not approved the transfer of the lease within the timelines  
190.20 of an approved time-limited extension request, the service provider must submit another  
190.21 time-limited extension request to the commissioner of human services to continue the  
190.22 cosigned lease arrangement. A time-limited extension request submitted under this paragraph  
190.23 must include the same information required for an initial time-limited extension request  
190.24 under paragraph (e). The commissioner must approve or deny an extension within 60 days.

190.25 (g) The commissioner may grant a service recipient no more than three additional

 197.22 planning for the specialized facility must have been initiated before July 1, 1991, in

198.8 ~~countable income that exceeds the MSA equivalent rate from the housing support~~  
198.9 ~~supplementary service rate.~~ A resident in a demonstration project site who no longer

198.27 (7) for a housing support provider that operates two ten-bed facilities, one located in  
198.28 Hennepin County and one located in Ramsey County, that provide community support and

198.30 chronically lived unsheltered; and

198.31 (8) for a facility authorized for recipients of housing support in Hennepin County with

199.1 (b) An agency may enter into a housing support agreement for beds with rates in excess  
199.2 of the MSA equivalent rate in addition to those currently covered under a housing support  
199.3 agreement if the additional beds are only a replacement of beds with rates in excess of the  
199.4 MSA equivalent rate which have been made available due to closure of a setting, a change  
199.5 of licensure or certification which removes the beds from housing support payment, or as  
199.6 a result of the downsizing of a setting authorized for recipients of housing support. The  
199.7 transfer of available beds from one agency to another can only occur by the agreement of  
199.8 both agencies.

199.23 factors including ethnicity and race that may result in poor outcomes or service disparities;

 202.6 informed choice process about how and where the person will receive services following

 202.21 by using less-frequent disability service needs assessments or streamlined annual  
 202.22 reevaluations for people whose disability-related needs are not likely to change and  
 202.23 less-frequent or streamlined reassessment is chosen by the participant.

202.24 **Sec. 38. DIRECTION TO COMMISSIONER OF HUMAN SERVICES; FINANCIAL**  
 202.25 **MANAGEMENT SERVICES PROVIDERS.**

#### ARTICLE 4

203.13

#### LICENSING

203.14 Section 1. Minnesota Statutes 2020, section 245A.11, subdivision 7, is amended to read:

203.15 **Subd. 7. Adult foster care; variance for alternate overnight supervision.** (a) The  
 203.16 commissioner may grant a variance under section 245A.04, subdivision 9, to rule parts  
 203.17 requiring a caregiver to be present in an adult foster care home during normal sleeping hours  
 203.18 to allow for alternative methods of overnight supervision. The commissioner may grant the  
 203.19 variance if the local county licensing agency recommends the variance and the county  
 203.20 recommendation includes documentation verifying that:

203.21 (1) the county has approved the license holder's plan for alternative methods of providing  
 203.22 overnight supervision and determined the plan protects the residents' health, safety, and  
 203.23 rights;

203.24 (2) the license holder has obtained written and signed informed consent from each  
 203.25 resident or each resident's legal representative documenting the resident's or legal  
 203.26 representative's agreement with the alternative method of overnight supervision; and

203.27 (3) the alternative method of providing overnight supervision, which may include the  
 203.28 use of technology, is specified for each resident in the resident's: (i) individualized plan of  
 203.29 care; (ii) individual service plan under section 256B.092, subdivision 1b, if required; or (iii)  
 203.30 individual resident placement agreement under Minnesota Rules, part 9555.5105, subpart  
 203.31 19, if required.

203.32 (b) To be eligible for a variance under paragraph (a), the adult foster care license holder  
 203.33 must not have had a conditional license issued under section 245A.06, or any other licensing

204.1 sanction issued under section 245A.07 during the prior 24 months based on failure to provide  
204.2 adequate supervision, health care services, or resident safety in the adult foster care home.

204.3 (c) A license holder requesting a variance under this subdivision to utilize technology  
204.4 as a component of a plan for alternative overnight supervision may request the commissioner's  
204.5 review in the absence of a county recommendation. Upon receipt of such a request from a  
204.6 license holder, the commissioner shall review the variance request with the county.

204.7 (d) ~~A variance granted by the commissioner according to this subdivision before January~~  
204.8 ~~1, 2014, to a license holder for an adult foster care home must transfer with the license when~~  
204.9 ~~the license converts to a community residential setting license under chapter 245D. The~~  
204.10 ~~terms and conditions of the variance remain in effect as approved at the time the variance~~  
204.11 ~~was granted. The variance requirements under this subdivision for alternate overnight~~  
204.12 supervision do not apply to community residential settings licensed under chapter 245D.

204.13 Sec. 2. Minnesota Statutes 2020, section 245A.11, subdivision 7a, is amended to read:

204.14 Subd. 7a. **Alternate overnight supervision technology; adult foster care and**  
204.15 **community residential setting licenses.** (a) The commissioner may grant an applicant or  
204.16 license holder an adult foster care ~~or community residential setting~~ license for a residence  
204.17 that does not have a caregiver in the residence during normal sleeping hours as required  
204.18 under Minnesota Rules, part 9555.5105, subpart 37, item B, or section 245D.02, subdivision  
204.19 33b, but uses monitoring technology to alert the license holder when an incident occurs that  
204.20 may jeopardize the health, safety, or rights of a foster care recipient. The applicant or license  
204.21 holder must comply with all other requirements under Minnesota Rules, parts 9555.5105  
204.22 to 9555.6265, ~~or applicable requirements under chapter 245D,~~ and the requirements under  
204.23 this subdivision. The license printed by the commissioner must state in bold and large font:

204.24 (1) that the facility is under electronic monitoring; and

204.25 (2) the telephone number of the county's common entry point for making reports of  
204.26 suspected maltreatment of vulnerable adults under section 626.557, subdivision 9.

204.27 (b) Applications for a license under this section must be submitted directly to the  
204.28 Department of Human Services licensing division. The licensing division must immediately  
204.29 notify the county licensing agency. The licensing division must collaborate with the county  
204.30 licensing agency in the review of the application and the licensing of the program.

204.31 (c) Before a license is issued by the commissioner, and for the duration of the license,  
204.32 the applicant or license holder must establish, maintain, and document the implementation

205.1 of written policies and procedures addressing the requirements in paragraphs (d) through  
205.2 (f).

205.3 (d) The applicant or license holder must have policies and procedures that:

205.4 (1) establish characteristics of target populations that will be admitted into the home,  
205.5 and characteristics of populations that will not be accepted into the home;

205.6 (2) explain the discharge process when a resident served by the program requires  
205.7 overnight supervision or other services that cannot be provided by the license holder due  
205.8 to the limited hours that the license holder is on site;

205.9 (3) describe the types of events to which the program will respond with a physical  
205.10 presence when those events occur in the home during time when staff are not on site, and  
205.11 how the license holder's response plan meets the requirements in paragraph (e), clause (1)  
205.12 or (2);

205.13 (4) establish a process for documenting a review of the implementation and effectiveness  
205.14 of the response protocol for the response required under paragraph (e), clause (1) or (2).

205.15 The documentation must include:

205.16 (i) a description of the triggering incident;

205.17 (ii) the date and time of the triggering incident;

205.18 (iii) the time of the response or responses under paragraph (e), clause (1) or (2);

205.19 (iv) whether the response met the resident's needs;

205.20 (v) whether the existing policies and response protocols were followed; and

205.21 (vi) whether the existing policies and protocols are adequate or need modification.

205.22 When no physical presence response is completed for a three-month period, the license  
205.23 holder's written policies and procedures must require a physical presence response drill to  
205.24 be conducted for which the effectiveness of the response protocol under paragraph (e),  
205.25 clause (1) or (2), will be reviewed and documented as required under this clause; and

205.26 (5) establish that emergency and nonemergency phone numbers are posted in a prominent  
205.27 location in a common area of the home where they can be easily observed by a person  
205.28 responding to an incident who is not otherwise affiliated with the home.

205.29 (e) The license holder must document and include in the license application which  
205.30 response alternative under clause (1) or (2) is in place for responding to situations that  
205.31 present a serious risk to the health, safety, or rights of residents served by the program:

206.1 (1) response alternative (1) requires only the technology to provide an electronic  
206.2 notification or alert to the license holder that an event is underway that requires a response.  
206.3 Under this alternative, no more than ten minutes will pass before the license holder will be  
206.4 physically present on site to respond to the situation; or

206.5 (2) response alternative (2) requires the electronic notification and alert system under  
206.6 alternative (1), but more than ten minutes may pass before the license holder is present on  
206.7 site to respond to the situation. Under alternative (2), all of the following conditions are  
206.8 met:

206.9 (i) the license holder has a written description of the interactive technological applications  
206.10 that will assist the license holder in communicating with and assessing the needs related to  
206.11 the care, health, and safety of the foster care recipients. This interactive technology must  
206.12 permit the license holder to remotely assess the well being of the resident served by the  
206.13 program without requiring the initiation of the foster care recipient. Requiring the foster  
206.14 care recipient to initiate a telephone call does not meet this requirement;

206.15 (ii) the license holder documents how the remote license holder is qualified and capable  
206.16 of meeting the needs of the foster care recipients and assessing foster care recipients' needs  
206.17 under item (i) during the absence of the license holder on site;

206.18 (iii) the license holder maintains written procedures to dispatch emergency response  
206.19 personnel to the site in the event of an identified emergency; and

206.20 (iv) each resident's individualized plan of care, coordinated service and support plan  
206.21 under sections 256B.0913, subdivision 8; 256B.092, subdivision 1b; 256B.49, subdivision  
206.22 15; and 256S.10, if required, or individual resident placement agreement under Minnesota  
206.23 Rules, part 9555.5105, subpart 19, if required, identifies the maximum response time, which  
206.24 may be greater than ten minutes, for the license holder to be on site for that resident.

206.25 (f) Each resident's placement agreement, individual service agreement, and plan must  
206.26 clearly state that the adult foster care ~~or community residential setting~~ license category is  
206.27 a program without the presence of a caregiver in the residence during normal sleeping hours;  
206.28 the protocols in place for responding to situations that present a serious risk to the health,  
206.29 safety, or rights of residents served by the program under paragraph (e), clause (1) or (2);  
206.30 and a signed informed consent from each resident served by the program or the person's  
206.31 legal representative documenting the person's or legal representative's agreement with  
206.32 placement in the program. If electronic monitoring technology is used in the home, the  
206.33 informed consent form must also explain the following:

206.34 (1) how any electronic monitoring is incorporated into the alternative supervision system;

207.1 (2) the backup system for any electronic monitoring in times of electrical outages or  
207.2 other equipment malfunctions;

207.3 (3) how the caregivers or direct support staff are trained on the use of the technology;

207.4 (4) the event types and license holder response times established under paragraph (e);

207.5 (5) how the license holder protects each resident's privacy related to electronic monitoring  
207.6 and related to any electronically recorded data generated by the monitoring system. A  
207.7 resident served by the program may not be removed from a program under this subdivision  
207.8 for failure to consent to electronic monitoring. The consent form must explain where and  
207.9 how the electronically recorded data is stored, with whom it will be shared, and how long  
207.10 it is retained; and

207.11 (6) the risks and benefits of the alternative overnight supervision system.

207.12 The written explanations under clauses (1) to (6) may be accomplished through  
207.13 cross-references to other policies and procedures as long as they are explained to the person  
207.14 giving consent, and the person giving consent is offered a copy.

207.15 (g) Nothing in this section requires the applicant or license holder to develop or maintain  
207.16 separate or duplicative policies, procedures, documentation, consent forms, or individual  
207.17 plans that may be required for other licensing standards, if the requirements of this section  
207.18 are incorporated into those documents.

207.19 (h) The commissioner may grant variances to the requirements of this section according  
207.20 to section 245A.04, subdivision 9.

207.21 (i) For the purposes of paragraphs (d) through (h), "license holder" has the meaning  
207.22 under section 245A.02, subdivision 9, and additionally includes all staff, volunteers, and  
207.23 contractors affiliated with the license holder.

207.24 (j) For the purposes of paragraph (e), the terms "assess" and "assessing" mean to remotely  
207.25 determine what action the license holder needs to take to protect the well-being of the foster  
207.26 care recipient.

207.27 (k) The commissioner shall evaluate license applications using the requirements in  
207.28 paragraphs (d) to (f). The commissioner shall provide detailed application forms, including  
207.29 a checklist of criteria needed for approval.

207.30 (l) To be eligible for a license under paragraph (a), the adult foster care ~~or community~~  
207.31 ~~residential setting~~ license holder must not have had a conditional license issued under section  
207.32 245A.06 or any licensing sanction under section 245A.07 during the prior 24 months based

208.1 on failure to provide adequate supervision, health care services, or resident safety in the  
208.2 adult foster care home ~~or community residential setting.~~

208.3 (m) The commissioner shall review an application for an alternative overnight supervision  
208.4 license within 60 days of receipt of the application. When the commissioner receives an  
208.5 application that is incomplete because the applicant failed to submit required documents or  
208.6 that is substantially deficient because the documents submitted do not meet licensing  
208.7 requirements, the commissioner shall provide the applicant written notice that the application  
208.8 is incomplete or substantially deficient. In the written notice to the applicant, the  
208.9 commissioner shall identify documents that are missing or deficient and give the applicant  
208.10 45 days to resubmit a second application that is substantially complete. An applicant's failure  
208.11 to submit a substantially complete application after receiving notice from the commissioner  
208.12 is a basis for license denial under section 245A.05. The commissioner shall complete  
208.13 subsequent review within 30 days.

208.14 (n) Once the application is considered complete under paragraph (m), the commissioner  
208.15 will approve or deny an application for an alternative overnight supervision license within  
208.16 60 days.

208.17 (o) For the purposes of this subdivision, "supervision" means:

208.18 (1) oversight by a caregiver or direct support staff as specified in the individual resident's  
208.19 place agreement or coordinated service and support plan and awareness of the resident's  
208.20 needs and activities; and

208.21 (2) the presence of a caregiver or direct support staff in a residence during normal sleeping  
208.22 hours, unless a determination has been made and documented in the individual's coordinated  
208.23 service and support plan that the individual does not require the presence of a caregiver or  
208.24 direct support staff during normal sleeping hours.

208.26 Subdivision 1. **Licensed programs; other child care programs.** (a) The commissioner  
208.27 shall conduct a background study of an individual required to be studied under section

208.29 (b) The commissioner shall conduct a background study of an individual required to be  
208.30 studied under section 245C.03, subdivision 1, including a child care background study

209.6 (1) for a background study affiliated with a licensed family child care center or legal  
209.7 nonlicensed child care provider, the individual shall provide information required under  
209.8 section 245C.05, subdivision 1, paragraphs (a), (b), and (d), to the county agency, and be  
209.9 fingerprinted and photographed under section 245C.05, subdivision 5;

209.10 (2) the county agency shall verify the information received under clause (1) and forward  
209.11 the information to the commissioner to complete the background study; and

209.13 include a review of the information required under section 245C.08.

209.14 (d) The commissioner is not required to conduct a study of an individual at the time of  
209.15 reapplication for a license if the individual's background study was completed by the  
209.16 commissioner of human services and the following conditions are met:

209.24 who is newly affiliated with a child foster family setting license holder:

209.25 (1) the county or private agency shall collect and forward to the commissioner the  
209.26 information required under section 245C.05, subdivisions 1 and 5, when the child foster  
209.27 family setting applicant or license holder resides in the home where child foster care services  
209.28 are provided; and

209.29 (2) the background study conducted by the commissioner of human services under this  
209.30 paragraph must include a review of the information required under section 245C.08,  
209.31 subdivisions 1, 3, and 4.

210.1 (f) The commissioner shall conduct a background study of an individual specified under

210.6 forward to the commissioner the information required under section 245C.05, subdivision  
210.7 1, paragraphs (a) and (b), and subdivision 5, paragraphs (a), (b), and (d), for background  
210.8 studies conducted by the commissioner for all family adult day services, for adult foster  
210.9 care when the adult foster care license holder resides in the adult foster care residence, and  
210.10 for family child care and legal nonlicensed child care authorized under chapter 119B;

210.11 (2) the license holder shall collect and forward to the commissioner the information  
210.12 required under section 245C.05, subdivisions 1, paragraphs (a) and (b); and 5, paragraphs

210.17 (a), and subdivisions 3 and 4.

210.18 (g) Applicants for licensure, license holders, and other entities as provided in this chapter  
210.19 must submit completed background study requests to the commissioner using the electronic  
210.20 system known as NETStudy before individuals specified in section 245C.03, subdivision  
210.21 1, begin positions allowing direct contact in any licensed program.

210.22 (h) For an individual who is not on the entity's active roster, the entity must initiate a

210.31 information that indicates the individual may pose a risk of harm to persons receiving  
210.32 services from the license holder, the previous set-aside shall remain in effect.

211.1 (i) For purposes of this section, a physician licensed under chapter 147 or advanced

211.12 the background study requirements under section 123B.03, for an employee for whom a  
211.13 background study under this chapter has been completed.

211.14 (m) A licensed child care center, certified license-exempt child care center, licensed  
211.15 family child care program, or legal nonlicensed child care provider authorized under chapter  
211.16 119B is not required to submit a background study request for a private therapist for whom

211.18 files.

211.19 (n) Upon request of the license holder, the commissioner of human services shall conduct  
211.20 a background study of an individual specified under section 245C.03, subdivision 1,  
211.21 paragraph (a), clauses (2) to (6), who is newly affiliated with a home and community-based  
211.22 service provider licensed certified to provide children's out-of-home respite under section

212.19 the identity of the background study subject, be able to view the identifying information

218.7 Section 1. Minnesota Statutes 2020, section 253B.18, subdivision 6, is amended to read:

218.8 Subd. 6. **Transfer.** (a) A patient who is a person who has a mental illness and is  
218.9 dangerous to the public shall not be transferred out of a secure treatment facility unless it  
218.10 appears to the satisfaction of the commissioner, after a hearing and favorable recommendation  
218.11 by a majority of the special review board, that the transfer is appropriate. Transfer may be  
218.12 to another state-operated treatment program. In those instances where a commitment also  
218.13 exists to the Department of Corrections, transfer may be to a facility designated by the  
218.14 commissioner of corrections.

218.15 (b) The following factors must be considered in determining whether a transfer is  
218.16 appropriate:

218.17 (1) the person's clinical progress and present treatment needs;

218.18 (2) the need for security to accomplish continuing treatment;

218.19 (3) the need for continued institutionalization;

218.20 (4) which facility can best meet the person's needs; and

218.21 (5) whether transfer can be accomplished with a reasonable degree of safety for the  
218.22 public.

218.23 (c) If a committed person has been transferred out of a secure treatment facility pursuant  
218.24 to this subdivision, that committed person may voluntarily return to a secure treatment  
218.25 facility for a period of up to 60 days with the consent of the head of the treatment facility.

218.26 (d) If the committed person is not returned to the original, nonsecure transfer facility  
218.27 within 60 days of being readmitted to a secure treatment facility, the transfer is revoked and  
218.28 the committed person must remain in a secure treatment facility. The committed person  
218.29 must immediately be notified in writing of the revocation.

218.30 (e) Within 15 days of receiving notice of the revocation, the committed person may  
218.31 petition the special review board for a review of the revocation. The special review board

219.1 shall review the circumstances of the revocation and shall recommend to the commissioner  
219.2 whether or not the revocation should be upheld. The special review board may also  
219.3 recommend a new transfer at the time of the revocation hearing.

219.4 (f) No action by the special review board is required if the transfer has not been revoked  
219.5 and the committed person is returned to the original, nonsecure transfer facility with no  
219.6 substantive change to the conditions of the transfer ordered under this subdivision.

219.7 (g) The head of the treatment facility may revoke a transfer made under this subdivision  
219.8 and require a committed person to return to a secure treatment facility if:

219.9 (1) remaining in a nonsecure setting does not provide a reasonable degree of safety to  
219.10 the committed person or others; or

219.11 (2) the committed person has regressed clinically and the facility to which the committed  
219.12 person was transferred does not meet the committed person's needs.

219.13 (h) Upon the revocation of the transfer, the committed person must be immediately  
219.14 returned to a secure treatment facility. A report documenting the reasons for revocation  
219.15 must be issued by the head of the treatment facility within seven days after the committed  
219.16 person is returned to the secure treatment facility. Advance notice to the committed person  
219.17 of the revocation is not required.

219.18 (i) The committed person must be provided a copy of the revocation report and informed,  
219.19 orally and in writing, of the rights of a committed person under this section. The revocation  
219.20 report must be served upon the committed person, the committed person's counsel, and the  
219.21 designated agency. The report must outline the specific reasons for the revocation, including  
219.22 but not limited to the specific facts upon which the revocation is based.

219.23 (j) If a committed person's transfer is revoked, the committed person may re-petition for  
219.24 transfer according to subdivision 5.

219.25 (k) A committed person aggrieved by a transfer revocation decision may petition the  
219.26 special review board within seven business days after receipt of the revocation report for a  
219.27 review of the revocation. The matter must be scheduled within 30 days. The special review  
219.28 board shall review the circumstances leading to the revocation and, after considering the  
219.29 factors in paragraph (b), shall recommend to the commissioner whether or not the revocation  
219.30 shall be upheld. The special review board may also recommend a new transfer out of a

 226.3 the public interest review described in section 144.552; or

226.4 (31) any project to add licensed beds in a hospital that: (i) is designated as a critical  
 226.5 access hospital under section 144.1483, clause (9), and United States Code, title 42, section  
 226.6 1395i-4; (ii) has a licensed bed capacity of fewer than 25 beds; and (iii) has an attached  
 226.7 nursing home, so long as the total number of licensed beds in the hospital after the bed  
 226.8 addition does not exceed 25 beds. Notwithstanding section 144.552, a public interest review  
 226.9 is not required for a project authorized under this clause.

226.10 Sec. 3. Minnesota Statutes 2020, section 144A.75, subdivision 12, is amended to read:

226.11 Subd. 12. **Palliative care.** "Palliative care" means ~~the total active care of patients whose~~  
 226.12 ~~disease is not responsive to curative treatment. Control of pain, of other symptoms, and of~~  
 226.13 ~~psychological, social, and spiritual problems is paramount~~ specialized medical care for  
 226.14 people living with a serious illness or life-limiting condition. This type of care is focused  
 226.15 on reducing the pain, symptoms, and stress of a serious illness or condition. Palliative care  
 226.16 is a team-based approach to care, providing essential support at any age or stage of a serious  
 226.17 illness or condition, and is often provided together with curative treatment. The goal of  
 226.18 palliative care is the achievement of the best quality of life for patients and their families  
 226.19 to improve quality of life for both the patient and the patient's family or care partner.

226.23 Subd. 7. **Human services.** ~~(a)~~ The commissioner of human services shall implement  
 226.24 this section in a manner that is consistent with applicable federal laws and regulations and  
 226.25 that avoids the duplication of review activities performed by a nationally recognized  
 226.26 independent organization.

226.27 ~~(b) By December 31 of each year, the commissioner shall submit to the legislature a~~  
 226.28 ~~written report identifying the number of audits performed by a nationally recognized~~  
 226.29 ~~independent organization that were accepted, partially accepted, or rejected by the~~  
 226.30 ~~commissioner under this section. The commissioner shall provide the rationale for partial~~  
 226.31 ~~acceptance or rejection. If the rationale for the partial acceptance or rejection was based on~~  
 226.32 ~~the commissioner's determination that the standards used in the audit were not equivalent~~

227.1 ~~to state law, regulation, or contract requirement, the report must document the variances~~  
227.2 ~~between the audit standards and the applicable state requirements.~~

227.3 Sec. 2. Minnesota Statutes 2020, section 144A.351, subdivision 1, is amended to read:

227.5 services, with the cooperation of counties and in consultation with stakeholders, including  
227.6 persons who need or are using long-term care services and supports, lead agencies, regional  
227.7 entities, senior, disability, and mental health organization representatives, service providers,  
227.8 and community members shall ~~prepare a report to the legislature by August 15, 2013, and~~  
227.9 ~~biennially thereafter,~~ compile data regarding the status of the full range of long-term care  
227.10 services and supports for the elderly and children and adults with disabilities and mental  
227.11 illnesses in Minnesota. ~~Any amounts appropriated for this report are available in either year~~  
227.12 ~~of the biennium.~~ The report shall address compiled data shall include:

227.13 (1) demographics and need for long-term care services and supports in Minnesota;

227.14 (2) summary of county and regional reports on long-term care gaps, surpluses, imbalances,  
227.15 and corrective action plans;

227.16 (3) status of long-term care services and related mental health services, housing options,  
227.17 and supports by county and region including:

227.19 (ii) access problems, including access to the least restrictive and most integrated services  
227.20 and settings, regarding long-term care services; and

227.21 (iii) comparative measures of long-term care services availability, including serving  
227.22 people in their home areas near family, and changes over time; and

227.23 (4) recommendations regarding goals for the future of long-term care services and  
227.24 supports, policy and fiscal changes, and resource development and transition needs.

227.25 (b) The commissioners of health and human services shall make the compiled data  
227.26 available on at least one of the department's websites.

227.27 Sec. 3. Minnesota Statutes 2020, section 245.4661, subdivision 10, is amended to read:

227.28 Subd. 10. **Commissioner duty to report on use of grant funds biennially.** (a) By  
227.29 November 1, 2016, and biennially thereafter, the commissioner of human services shall  
227.30 provide sufficient information to the members of the legislative committees having  
227.31 jurisdiction over mental health funding and policy issues to evaluate the use of funds

228.1 appropriated under this section of law. The commissioner shall provide, at a minimum, the  
228.2 following information:

228.3 (1) the amount of funding to mental health initiatives, what programs and services were  
228.4 funded in the previous two years, gaps in services that each initiative brought to the attention  
228.5 of the commissioner, and outcome data for the programs and services that were funded; and

228.6 (2) the amount of funding for other targeted services and the location of services.

228.7 (b) This subdivision expires January 1, 2032.

228.8 Sec. 4. Minnesota Statutes 2020, section 245.4889, subdivision 3, is amended to read:

228.9 Subd. 3. **Commissioner duty to report on use of grant funds biennially.** (a) By  
228.10 November 1, 2016, and biennially thereafter, the commissioner of human services shall  
228.11 provide sufficient information to the members of the legislative committees having  
228.12 jurisdiction over mental health funding and policy issues to evaluate the use of funds  
228.13 appropriated under this section. The commissioner shall provide, at a minimum, the following  
228.14 information:

228.15 (1) the amount of funding for children's mental health grants, what programs and services  
228.16 were funded in the previous two years, and outcome data for the programs and services that  
228.17 were funded; and

228.18 (2) the amount of funding for other targeted services and the location of services.

228.19 (b) This subdivision expires January 1, 2032.

228.20 Sec. 5. Minnesota Statutes 2021 Supplement, section 245A.03, subdivision 7, is amended  
228.21 to read:

228.22 Subd. 7. **Licensing moratorium.** (a) The commissioner shall not issue an initial license  
228.23 for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, or adult  
228.24 foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter  
228.25 for a physical location that will not be the primary residence of the license holder for the  
228.26 entire period of licensure. If a family child foster care home or family adult foster care home  
228.27 license is issued during this moratorium, and the license holder changes the license holder's  
228.28 primary residence away from the physical location of the foster care license, the  
228.29 commissioner shall revoke the license according to section 245A.07. The commissioner  
228.30 shall not issue an initial license for a community residential setting licensed under chapter  
228.31 245D. When approving an exception under this paragraph, the commissioner shall consider  
228.32 the resource need determination process in paragraph (h), the availability of foster care

229.1 licensed beds in the geographic area in which the licensee seeks to operate, the results of a  
229.2 person's choices during their annual assessment and service plan review, and the  
229.3 recommendation of the local county board. The determination by the commissioner is final  
229.4 and not subject to appeal. Exceptions to the moratorium include:

229.5 (1) foster care settings where at least 80 percent of the residents are 55 years of age or  
229.6 older;

229.7 (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or  
229.8 community residential setting licenses replacing adult foster care licenses in existence on  
229.9 December 31, 2013, and determined to be needed by the commissioner under paragraph  
229.10 (b);

229.11 (3) new foster care licenses or community residential setting licenses determined to be  
229.12 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,  
229.13 or regional treatment center; restructuring of state-operated services that limits the capacity  
229.14 of state-operated facilities; or allowing movement to the community for people who no  
229.15 longer require the level of care provided in state-operated facilities as provided under section  
229.16 256B.092, subdivision 13, or 256B.49, subdivision 24;

229.17 (4) new foster care licenses or community residential setting licenses determined to be  
229.18 needed by the commissioner under paragraph (b) for persons requiring hospital level care;

229.19 (5) new foster care licenses or community residential setting licenses for people receiving  
229.20 services under chapter 245D and residing in an unlicensed setting before May 1, 2017, and  
229.21 for which a license is required. This exception does not apply to people living in their own  
229.22 home. For purposes of this clause, there is a presumption that a foster care or community  
229.23 residential setting license is required for services provided to three or more people in a  
229.24 dwelling unit when the setting is controlled by the provider. A license holder subject to this  
229.25 exception may rebut the presumption that a license is required by seeking a reconsideration  
229.26 of the commissioner's determination. The commissioner's disposition of a request for  
229.27 reconsideration is final and not subject to appeal under chapter 14. The exception is available  
229.28 until June 30, 2018. This exception is available when:

229.29 (i) the person's case manager provided the person with information about the choice of  
229.30 service, service provider, and location of service, including in the person's home, to help  
229.31 the person make an informed choice; and

229.32 (ii) the person's services provided in the licensed foster care or community residential  
229.33 setting are less than or equal to the cost of the person's services delivered in the unlicensed  
229.34 setting as determined by the lead agency; or

230.1 (6) new foster care licenses or community residential setting licenses for people receiving  
230.2 customized living or 24-hour customized living services under the brain injury or community  
230.3 access for disability inclusion waiver plans under section 256B.49 and residing in the  
230.4 customized living setting before July 1, 2022, for which a license is required. A customized  
230.5 living service provider subject to this exception may rebut the presumption that a license  
230.6 is required by seeking a reconsideration of the commissioner's determination. The  
230.7 commissioner's disposition of a request for reconsideration is final and not subject to appeal  
230.8 under chapter 14. The exception is available until June 30, 2023. This exception is available  
230.9 when:

230.10 (i) the person's customized living services are provided in a customized living service  
230.11 setting serving four or fewer people under the brain injury or community access for disability  
230.12 inclusion waiver plans under section 256B.49 in a single-family home operational on or  
230.13 before June 30, 2021. Operational is defined in section 256B.49, subdivision 28;

230.14 (ii) the person's case manager provided the person with information about the choice of  
230.15 service, service provider, and location of service, including in the person's home, to help  
230.16 the person make an informed choice; and

230.17 (iii) the person's services provided in the licensed foster care or community residential  
230.18 setting are less than or equal to the cost of the person's services delivered in the customized  
230.19 living setting as determined by the lead agency.

230.20 (b) The commissioner shall determine the need for newly licensed foster care homes or  
230.21 community residential settings as defined under this subdivision. As part of the determination,  
230.22 the commissioner shall consider the availability of foster care capacity in the area in which  
230.23 the licensee seeks to operate, and the recommendation of the local county board. The  
230.24 determination by the commissioner must be final. A determination of need is not required  
230.25 for a change in ownership at the same address.

230.26 (c) When an adult resident served by the program moves out of a foster home that is not  
230.27 the primary residence of the license holder according to section 256B.49, subdivision 15,  
230.28 paragraph (f), or the adult community residential setting, the county shall immediately  
230.29 inform the Department of Human Services Licensing Division. The department may decrease  
230.30 the statewide licensed capacity for adult foster care settings.

230.31 (d) Residential settings that would otherwise be subject to the decreased license capacity  
230.32 established in paragraph (c) shall be exempt if the license holder's beds are occupied by  
230.33 residents whose primary diagnosis is mental illness and the license holder is certified under  
230.34 the requirements in subdivision 6a or section 245D.33.

231.1 (e) A resource need determination process, managed at the state level, using the available  
231.2 ~~reports~~ data required by section 144A.351, and other data and information shall be used to  
231.3 determine where the reduced capacity determined under section 256B.493 will be  
231.4 implemented. The commissioner shall consult with the stakeholders described in section  
231.5 144A.351, and employ a variety of methods to improve the state's capacity to meet the  
231.6 informed decisions of those people who want to move out of corporate foster care or  
231.7 community residential settings, long-term service needs within budgetary limits, including  
231.8 seeking proposals from service providers or lead agencies to change service type, capacity,  
231.9 or location to improve services, increase the independence of residents, and better meet  
231.10 needs identified by the long-term services and supports reports and statewide data and  
231.11 information.

231.12 (f) At the time of application and reapplication for licensure, the applicant and the license  
231.13 holder that are subject to the moratorium or an exclusion established in paragraph (a) are  
231.14 required to inform the commissioner whether the physical location where the foster care  
231.15 will be provided is or will be the primary residence of the license holder for the entire period  
231.16 of licensure. If the primary residence of the applicant or license holder changes, the applicant  
231.17 or license holder must notify the commissioner immediately. The commissioner shall print  
231.18 on the foster care license certificate whether or not the physical location is the primary  
231.19 residence of the license holder.

231.20 (g) License holders of foster care homes identified under paragraph (f) that are not the  
231.21 primary residence of the license holder and that also provide services in the foster care home  
231.22 that are covered by a federally approved home and community-based services waiver, as  
231.23 authorized under chapter 256S or section 256B.092 or 256B.49, must inform the human  
231.24 services licensing division that the license holder provides or intends to provide these  
231.25 waiver-funded services.

231.26 (h) The commissioner may adjust capacity to address needs identified in section  
231.27 144A.351. Under this authority, the commissioner may approve new licensed settings or  
231.28 delicense existing settings. Delicensing of settings will be accomplished through a process  
231.29 identified in section 256B.493. ~~Annually, by August 1, the commissioner shall provide~~  
231.30 ~~information and data on capacity of licensed long-term services and supports, actions taken~~  
231.31 ~~under the subdivision to manage statewide long-term services and supports resources, and~~  
231.32 ~~any recommendations for change to the legislative committees with jurisdiction over the~~  
231.33 ~~health and human services budget.~~

231.34 (i) The commissioner must notify a license holder when its corporate foster care or  
231.35 community residential setting licensed beds are reduced under this section. The notice of

232.1 reduction of licensed beds must be in writing and delivered to the license holder by certified  
 232.2 mail or personal service. The notice must state why the licensed beds are reduced and must  
 232.3 inform the license holder of its right to request reconsideration by the commissioner. The  
 232.4 license holder's request for reconsideration must be in writing. If mailed, the request for  
 232.5 reconsideration must be postmarked and sent to the commissioner within 20 calendar days  
 232.6 after the license holder's receipt of the notice of reduction of licensed beds. If a request for  
 232.7 reconsideration is made by personal service, it must be received by the commissioner within  
 232.8 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

232.9 (j) The commissioner shall not issue an initial license for children's residential treatment  
 232.10 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter  
 232.11 for a program that Centers for Medicare and Medicaid Services would consider an institution  
 232.12 for mental diseases. Facilities that serve only private pay clients are exempt from the  
 232.13 moratorium described in this paragraph. The commissioner has the authority to manage  
 232.14 existing statewide capacity for children's residential treatment services subject to the  
 232.15 moratorium under this paragraph and may issue an initial license for such facilities if the  
 232.16 initial license would not increase the statewide capacity for children's residential treatment  
 232.17 services subject to the moratorium under this paragraph.

232.18 Sec. 6. Minnesota Statutes 2020, section 256.01, subdivision 29, is amended to read:

232.19 Subd. 29. **State medical review team.** (a) To ensure the timely processing of  
 232.20 determinations of disability by the commissioner's state medical review team under sections  
 232.21 256B.055, subdivisions 7, paragraph (b), and 12, and 256B.057, subdivision 9, the  
 232.22 commissioner shall review all medical evidence and seek information from providers,  
 232.23 applicants, and enrollees to support the determination of disability where necessary. Disability  
 232.24 shall be determined according to the rules of title XVI and title XIX of the Social Security  
 232.25 Act and pertinent rules and policies of the Social Security Administration.

232.26 (b) Prior to a denial or withdrawal of a requested determination of disability due to  
 232.27 insufficient evidence, the commissioner shall (1) ensure that the missing evidence is necessary  
 232.28 and appropriate to a determination of disability, and (2) assist applicants and enrollees to  
 232.29 obtain the evidence, including, but not limited to, medical examinations and electronic  
 232.30 medical records.

232.31 ~~(e) The commissioner shall provide the chairs of the legislative committees with~~  
 232.32 ~~jurisdiction over health and human services finance and budget the following information~~  
 232.33 ~~on the activities of the state medical review team by February 1 of each year:~~

233.1 ~~(1) the number of applications to the state medical review team that were denied,~~  
 233.2 ~~approved, or withdrawn;~~

233.3 ~~(2) the average length of time from receipt of the application to a decision;~~

233.4 ~~(3) the number of appeals, appeal results, and the length of time taken from the date the~~  
 233.5 ~~person involved requested an appeal for a written decision to be made on each appeal;~~

233.6 ~~(4) for applicants, their age, health coverage at the time of application, hospitalization~~  
 233.7 ~~history within three months of application, and whether an application for Social Security~~  
 233.8 ~~or Supplemental Security Income benefits is pending; and~~

233.9 ~~(5) specific information on the medical certification, licensure, or other credentials of~~  
 233.10 ~~the person or persons performing the medical review determinations and length of time in~~  
 233.11 ~~that position.~~

233.12 ~~(d)~~ (c) Any appeal made under section 256.045, subdivision 3, of a disability  
 233.13 determination made by the state medical review team must be decided according to the  
 233.14 timelines under section 256.0451, subdivision 22, paragraph (a). If a written decision is not  
 233.15 issued within the timelines under section 256.0451, subdivision 22, paragraph (a), the appeal  
 233.16 must be immediately reviewed by the chief human services judge.

233.17 Sec. 7. Minnesota Statutes 2021 Supplement, section 256.01, subdivision 42, is amended  
 233.18 to read:

233.19 Subd. 42. **Expiration of report mandates.** (a) If the submission of a report by the  
 233.20 commissioner of human services to the legislature is mandated by statute and the enabling  
 233.21 legislation does not include a date for the submission of a final report or an expiration date,  
 233.22 the mandate to submit the report shall expire in accordance with this section.

233.23 (b) If the mandate requires the submission of an annual or more frequent report and the  
 233.24 mandate was enacted before January 1, 2021, the mandate shall expire on January 1, 2023.  
 233.25 If the mandate requires the submission of a biennial or less frequent report and the mandate  
 233.26 was enacted before January 1, 2021, the mandate shall expire on January 1, 2024.

233.27 (c) Any reporting mandate enacted on or after January 1, 2021, shall expire three years  
 233.28 after the date of enactment if the mandate requires the submission of an annual or more  
 233.29 frequent report and shall expire five years after the date of enactment if the mandate requires  
 233.30 the submission of a biennial or less frequent report unless the enacting legislation provides  
 233.31 for a different expiration date.

234.1 (d) By January 15 of each year, the commissioner shall submit ~~a list~~ to the chairs and  
234.2 ranking minority members of the legislative committees with jurisdiction over human  
234.3 services ~~by February 15 of each year, beginning February 15, 2022, a list~~ of all reports set  
234.4 to expire during the following calendar year ~~in accordance with this section~~. Notwithstanding

234.8 committees of the legislature with jurisdiction over section 626.557 regarding the number  
234.9 of requests for review it receives under this section, the number of cases where the panel  
234.10 requires the lead investigative agency to reconsider its final disposition, and the number of  
234.11 cases where the final disposition is changed, and any recommendations to improve the  
234.12 review or investigative process.

234.13 (b) This subdivision expires January 1, 2024.

234.14 Sec. 9. Minnesota Statutes 2021 Supplement, section 256.042, subdivision 4, is amended  
234.15 to read:

234.16 Subd. 4. **Grants.** (a) The commissioner of human services shall submit a report of the  
234.17 grants proposed by the advisory council to be awarded for the upcoming calendar year to  
234.18 the chairs and ranking minority members of the legislative committees with jurisdiction  
234.19 over health and human services policy and finance, by December 1 of each year, beginning  
234.20 ~~March 1, 2020~~ December 1, 2022. This paragraph expires upon the expiration of the advisory  
234.21 council.

234.22 (b) The grants shall be awarded to proposals selected by the advisory council that address  
234.23 the priorities in subdivision 1, paragraph (a), clauses (1) to (4), unless otherwise appropriated

234.30 Subd. 5. **Reports.** (a) The advisory council shall report annually to the chairs and ranking  
234.31 minority members of the legislative committees with jurisdiction over health and human  
234.32 services policy and finance by January 31 of each year, beginning January 31, 2021. The

235.1 report shall include information about the individual projects that receive grants and the  
235.2 overall role of the project in addressing the opioid addiction and overdose epidemic in  
235.3 Minnesota. The report must describe the grantees and the activities implemented, along

APPENDIX  
Repealed Minnesota Statutes: S4165-1

**Subd. 4. Provider entity certification.** (a) The commissioner shall establish an initial provider entity application and certification process and recertification process to determine whether a provider entity has an administrative and clinical infrastructure that meets the requirements in subdivisions 5 and 6. A provider entity must be certified for the three core rehabilitation services of psychotherapy, skills training, and crisis planning. The commissioner shall recertify a provider entity at least every three years. The commissioner shall establish a process for decertification of a provider entity and shall require corrective action, medical assistance repayment, or decertification of a provider entity that no longer meets the requirements in this section or that fails to meet the clinical quality standards or administrative standards provided by the commissioner in the application and certification process.

A treatment supervisor must be available for urgent consultation as required by the individual client's needs or the situation;

(5) meeting day treatment program conditions in items (i) and (ii):

(i) the treatment supervisor must be present and available on the premises more than 50 percent of the time in a provider's standard working week during which the supervisee is providing a mental health service; and

(ii) every 30 days, the treatment supervisor must review and sign the record indicating the supervisor has reviewed the client's care for all activities in the preceding 30-day period;

(ii) when conducted, the on-site presence of the mental health professional must be documented in the child's record and signed by the mental health professional who accepts full professional responsibility;

(7) providing direction to a mental health behavioral aide. For entities that employ mental health behavioral aides, the treatment supervisor must be employed by the provider entity or other provider certified to provide mental health behavioral aide services to ensure necessary and appropriate oversight for the client's treatment and continuity of care. The staff giving direction must begin with the goals on the individual treatment plan, and instruct the mental health behavioral aide on how to implement therapeutic activities and interventions that will lead to goal attainment. The staff giving direction must also instruct the mental health behavioral aide about the client's diagnosis, functional status, and other characteristics that are likely to affect service delivery. Direction must also include determining that the mental health behavioral aide has the skills to interact with the client and the client's family in ways that convey personal and cultural respect and that the aide actively solicits information relevant to treatment from the family. The aide must be able to clearly explain or demonstrate the activities the aide is doing with the client and the activities' relationship to treatment goals. Direction is more didactic than is supervision and requires the staff providing it to continuously evaluate the mental health behavioral aide's ability to carry out the activities of the individual treatment plan and the individual behavior plan. When providing direction, the staff must:

(i) review progress notes prepared by the mental health behavioral aide for accuracy and consistency with diagnostic assessment, treatment plan, and behavior goals and the staff must approve and sign the progress notes;

(ii) identify changes in treatment strategies, revise the individual behavior plan, and communicate treatment instructions and methodologies as appropriate to ensure that treatment is implemented correctly;

(iii) demonstrate family-friendly behaviors that support healthy collaboration among the child, the child's family, and providers as treatment is planned and implemented;

(vi) ensure the immediate accessibility of a mental health professional, clinical trainee, or mental health practitioner to the behavioral aide during service delivery;

(8) providing service delivery that implements the individual treatment plan and meets the requirements under subdivision 9; and

(9) individual treatment plan review. The review must determine the extent to which the services have met each of the goals and objectives in the treatment plan. The review must assess the client's

progress and ensure that services and treatment goals continue to be necessary and appropriate to the client and the client's family or foster family.

**Subd. 7. Qualifications of individual and team providers.** (a) An individual or team provider working within the scope of the provider's practice or qualifications may provide service components of children's therapeutic services and supports that are identified as medically necessary in a client's individual treatment plan.

(c) A day treatment team must include at least one mental health professional or clinical trainee and one mental health practitioner.

**Subd. 8. Required preservice and continuing education.** (a) A provider entity shall establish a plan to provide preservice and continuing education for staff. The plan must clearly describe the type of training necessary to maintain current skills and obtain new skills and that relates to the provider entity's goals and objectives for services offered.

(b) A provider that employs a mental health behavioral aide under this section must require the mental health behavioral aide to complete 30 hours of preservice training. The preservice training must include parent team training. The preservice training must include 15 hours of in-person training of a mental health behavioral aide in mental health services delivery and eight hours of parent team training. Curricula for parent team training must be approved in advance by the commissioner. Components of parent team training include:

- (1) partnering with parents;
- (2) fundamentals of family support;
- (3) fundamentals of policy and decision making;
- (4) defining equal partnership;

- (6) sibling impacts;
- (7) support networks; and
- (8) community resources.

(c) A provider entity that employs a mental health practitioner and a mental health behavioral aide to provide children's therapeutic services and supports under this section must require the mental health practitioner and mental health behavioral aide to complete 20 hours of continuing education every two calendar years. The continuing education must be related to serving the needs of a child with emotional disturbance in the child's home environment and the child's family.

(d) The provider entity must document the mental health practitioner's or mental health behavioral aide's annual completion of the required continuing education. The documentation must include the date, subject, and number of hours of the continuing education, and attendance records, as verified by the staff member's signature, job title, and the instructor's name. The provider entity must keep documentation for each employee, including records of attendance at professional workshops and conferences, at a central location and in the employee's personnel file.

**Subd. 8a. Level II mental health behavioral aide.** The commissioner of human services, in collaboration with children's mental health providers and the Board of Trustees of the Minnesota State Colleges and Universities, shall develop a certificate program for level II mental health behavioral aides.

**Subd. 9. Service delivery criteria.** (a) In delivering services under this section, a certified provider entity must ensure that:

APPENDIX  
Repealed Minnesota Statutes: S4165-1

(1) the provider's caseload size should reasonably enable the provider to play an active role in service planning, monitoring, and delivering services to meet the client's and client's family's needs, as specified in each client's individual treatment plan;

(2) site-based programs, including day treatment programs, provide staffing and facilities to ensure the client's health, safety, and protection of rights, and that the programs are able to implement each client's individual treatment plan; and

(3) a day treatment program is provided to a group of clients by a team under the treatment supervision of a mental health professional. The day treatment program must be provided in and by: (i) an outpatient hospital accredited by the Joint Commission on Accreditation of Health Organizations and licensed under sections 144.50 to 144.55; (ii) a community mental health center under section 245.62; or (iii) an entity that is certified under subdivision 4 to operate a program that meets the requirements of section 245.4884, subdivision 2, and Minnesota Rules, parts 9505.0170 to 9505.0475. The day treatment program must stabilize the client's mental health status while developing and improving the client's independent living and socialization skills. The goal of the day treatment program must be to reduce or relieve the effects of mental illness and provide training to enable the client to live in the community. The program must be available year-round at least three to five days per week, two or three hours per day, unless the normal five-day school week is shortened by a holiday, weather-related cancellation, or other districtwide reduction in a school week. A child transitioning into or out of day treatment must receive a minimum treatment of one day a week for a two-hour time block. The two-hour time block must include at least one hour of patient and/or family or group psychotherapy. The remainder of the structured treatment program may include patient and/or family or group psychotherapy, and individual or group skills training, if included in the client's individual treatment plan. Day treatment programs are not part of inpatient or residential treatment services. When a day treatment group that meets the minimum group size requirement temporarily falls below the minimum group size because of a member's temporary absence, medical assistance covers a group session conducted for the group members in attendance. A day treatment program may provide fewer than the minimally required hours for a particular child during a billing period in which the child is transitioning into, or out of, the program.

(b) To be eligible for medical assistance payment, a provider entity must deliver the service components of children's therapeutic services and supports in compliance with the following requirements:

(1) psychotherapy to address the child's underlying mental health disorder must be documented as part of the child's ongoing treatment. A provider must deliver, or arrange for, medically necessary psychotherapy, unless the child's parent or caregiver chooses not to receive it. When a provider delivering other services to a child under this section deems it not medically necessary to provide psychotherapy to the child for a period of 90 days or longer, the provider entity must document the medical reasons why psychotherapy is not necessary. When a provider determines that a child needs psychotherapy but psychotherapy cannot be delivered due to a shortage of licensed mental health professionals in the child's community, the provider must document the lack of access in the child's medical record;

(2) individual, family, or group skills training is subject to the following requirements:

(i) a mental health professional, clinical trainee, or mental health practitioner shall provide skills training;

(ii) skills training delivered to a child or the child's family must be targeted to the specific deficits or maladaptations of the child's mental health disorder and must be prescribed in the child's individual treatment plan;

(iii) the mental health professional delivering or supervising the delivery of skills training must document any underlying psychiatric condition and must document how skills training is being used in conjunction with psychotherapy to address the underlying condition;

(iv) skills training delivered to the child's family must teach skills needed by parents to enhance the child's skill development, to help the child utilize daily life skills taught by a mental health professional, clinical trainee, or mental health practitioner, and to develop or maintain a home environment that supports the child's progressive use of skills;

(v) group skills training may be provided to multiple recipients who, because of the nature of their emotional, behavioral, or social dysfunction, can derive mutual benefit from interaction in a group setting, which must be staffed as follows:

APPENDIX  
Repealed Minnesota Statutes: S4165-1

(A) one mental health professional, clinical trainee, or mental health practitioner must work with a group of three to eight clients; or

(B) any combination of two mental health professionals, clinical trainees, or mental health practitioners must work with a group of nine to 12 clients;

(vi) a mental health professional, clinical trainee, or mental health practitioner must have taught the psychosocial skill before a mental health behavioral aide may practice that skill with the client; and

(vii) for group skills training, when a skills group that meets the minimum group size requirement temporarily falls below the minimum group size because of a group member's temporary absence, the provider may conduct the session for the group members in attendance;

(3) crisis planning to a child and family must include development of a written plan that anticipates the particular factors specific to the child that may precipitate a psychiatric crisis for the child in the near future. The written plan must document actions that the family should be prepared to take to resolve or stabilize a crisis, such as advance arrangements for direct intervention and support services to the child and the child's family. Crisis planning must include preparing resources designed to address abrupt or substantial changes in the functioning of the child or the child's family when sudden change in behavior or a loss of usual coping mechanisms is observed, or the child begins to present a danger to self or others;

(4) mental health behavioral aide services must be medically necessary treatment services, identified in the child's individual treatment plan and individual behavior plan, and which are designed to improve the functioning of the child in the progressive use of developmentally appropriate psychosocial skills. Activities involve working directly with the child, child-peer groupings, or child-family groupings to practice, repeat, reintroduce, and master the skills defined in subdivision 1, paragraph (t), as previously taught by a mental health professional, clinical trainee, or mental health practitioner including:

(i) providing cues or prompts in skill-building peer-to-peer or parent-child interactions so that the child progressively recognizes and responds to the cues independently;

(ii) performing as a practice partner or role-play partner;

(iii) reinforcing the child's accomplishments;

(iv) generalizing skill-building activities in the child's multiple natural settings;

(v) assigning further practice activities; and

(vi) intervening as necessary to redirect the child's target behavior and to de-escalate behavior that puts the child or other person at risk of injury.

To be eligible for medical assistance payment, mental health behavioral aide services must be delivered to a child who has been diagnosed with an emotional disturbance or a mental illness, as provided in subdivision 1, paragraph (a). The mental health behavioral aide must implement treatment strategies in the individual treatment plan and the individual behavior plan as developed by the mental health professional, clinical trainee, or mental health practitioner providing direction for the mental health behavioral aide. The mental health behavioral aide must document the delivery of services in written progress notes. Progress notes must reflect implementation of the treatment strategies, as performed by the mental health behavioral aide and the child's responses to the treatment strategies; and

(5) mental health service plan development must be performed in consultation with the child's family and, when appropriate, with other key participants in the child's life by the child's treating mental health professional or clinical trainee or by a mental health practitioner and approved by the treating mental health professional. Treatment plan drafting consists of development, review, and revision by face-to-face or electronic communication. The provider must document events, including the time spent with the family and other key participants in the child's life to approve the individual treatment plan. Medical assistance covers service plan development before completion of the child's individual treatment plan. Service plan development is covered only if a treatment plan is completed for the child. If upon review it is determined that a treatment plan was not completed for the child, the commissioner shall recover the payment for the service plan development.

Sec. 34. **REPORT.**

(a) The commissioner of human services shall evaluate all child support programs and enforcement mechanisms. The reports related to the provisions in this chapter are due two years after the implementation date. All other reports on existing programs and enforcement mechanisms are due January 15, 1997 to determine the following:

(1) Minnesota's performance on the child support and incentive measures submitted by the federal Office of Child Support to the United States Congress;

(2) Minnesota's performance relative to other states;

(3) individual county performance; and

(4) recommendations for further improvement.

(b) The commissioner shall evaluate in separate categories the federal, state, and local government costs of child support enforcement in this state. The evaluation must also include a representative sample of private business costs relating to child support enforcement based on a survey of at least 50 Minnesota businesses and nonprofit organizations.

(c) The commissioner shall also report on the amount of child support arrearages in this state with separate categories for the amount of child support in arrears for 90 days, six months, one year, and two or more years. The report must establish a process for determining when an arrearage is considered uncollectible based on the age of the arrearage and likelihood of collection of the amount owed. The amounts determined to be uncollectible must be deducted from the total amount of outstanding arrearages for purposes of determining arrearages that are considered collectible.

(d) The first report on these topics shall be submitted to the legislature by January 1, 1999, and subsequent reports shall be submitted biennially before January 15 of each odd-numbered year.

To determine a client's eligibility, the local agency must determine the client's income, the size of the client's household, the availability of a third-party payment source, and a responsible relative's ability to pay for the client's chemical dependency treatment, as specified in items A to C.

A. The local agency must determine the client's income. A client who is a minor child shall not be deemed to have income available to pay for chemical dependency treatment, unless the minor child is responsible for payment under Minnesota Statutes, section 144.347, for chemical dependency treatment services sought under Minnesota Statutes, section 144.343, subdivision 1.

B. The local agency must determine the client's household size according to subitems (1), (2), and (3).

(1) If the client is a minor child, the household size includes the following persons living in the same dwelling unit:

- (a) the client;
- (b) the client's spouse;
- (c) the client's minor children; and
- (d) the client's spouse's minor children.

(3) For purposes of this item, household size includes a person listed in subitems (1) and (2) who is in out-of-home placement if a person listed in subitem (1) or (2) is contributing to the cost of care of the person in out-of-home placement.

C. The local agency must determine the client's current prepaid health plan enrollment, the availability of a third-party payment source, including the availability of total payment, partial payment, and amount of copayment.

D. The local agency must provide the required eligibility information to the department in the manner specified by the department.

E. The local agency shall require the client and policyholder to conditionally assign to the department the client and policyholder's rights and the rights of minor children to benefits or services provided to the client if the department is required to collect from a third-party pay source.

Subp. 1a. **Redetermination of client eligibility.** The local agency shall redetermine a client's eligibility for CCDTF every six months after the initial eligibility determination, if the client has continued to receive uninterrupted chemical dependency treatment services for that six months. For purposes of this subpart, placement of a client into more than one chemical dependency treatment program in less than ten working days, or placement of a client into a residential chemical dependency treatment program followed by nonresidential chemical dependency treatment services shall be treated as a single placement.

Subp. 2. **Client, responsible relative, and policyholder obligation to cooperate.** A client, responsible relative, and policyholder shall provide income or wage verification, household size verification, and shall make an assignment of third-party payment rights under subpart 1, item C. If a client, responsible relative, or policyholder does not comply with the provisions of this subpart, the client shall be deemed to be ineligible to have the behavioral health fund pay for his or her chemical dependency treatment, and the client and

responsible relative shall be obligated to pay for the full cost of chemical dependency treatment services provided to the client.

**9530.7021 PAYMENT AGREEMENTS.**

When the local agency, the client, and the vendor agree that the vendor will accept payment from a third-party payment source for an eligible client's treatment, the local agency, the client, and the vendor shall enter into a third-party payment agreement. The agreement must stipulate that the vendor will accept, as payment in full for services provided to the client, the amount the third-party payor is obligated to pay for services provided to the client. The agreement must be executed in a form prescribed by the commissioner and is not effective unless an authorized representative of each of the three parties has signed it. The local agency shall maintain a record of third-party payment agreements into which the local agency has entered.

The vendor shall notify the local agency as soon as possible and not less than one business day before discharging a client whose treatment is covered by a payment agreement under this part if the discharge is caused by disruption of the third-party payment.

**9530.7022 CLIENT FEES.**

Subpart 1. **Income and household size criteria.** A client whose household income is within current household size and income guidelines for entitled persons as defined in Minnesota Statutes, section 254B.04, subdivision 1, shall pay no fee.

Subpart 1. **Denial of payment when required assessment not completed.** The department shall deny payments from the behavioral health fund to vendors for chemical dependency treatment services provided to clients who have not been assessed and placed by the county in accordance with parts 9530.6600 to 9530.6655.

B. When a county's allocation under Minnesota Statutes, section 254B.02, subdivisions 1 and 2, has been exhausted, and the county's maintenance of effort has been met as required under Minnesota Statutes, section 254B.02, subdivision 3, and the local agency has been notified by the department that the only clients who are eligible to have their treatment paid for from the behavioral health fund are clients who are eligible under part 9530.7015, subpart 1, the department shall bill the county for 100 percent of the costs of a client's chemical dependency treatment services when the department determines that the client was not eligible under part 9530.7015, subpart 1.

**9530.7030 VENDOR MUST PARTICIPATE IN DAANES SYSTEM.**

Subpart 1. **Participation a condition of eligibility.** To be eligible for payment under the behavioral health fund, a vendor must participate in the Drug and Alcohol Normative Evaluation System (DAANES) or submit to the commissioner the information required in DAANES in the format specified by the commissioner.
