

S.F. No. 933, as introduced - 87th Legislative Session (2011-2012) [11-1462]

2.1 Statutes, section 16B.035, are transferred to the Department of Administration. Prior
2.2 to the transfer mandated by this section and Minnesota Statutes, section 16B.035, the
2.3 commissioner of administration must enter into a service-level agreement with each
2.4 executive agency governing the provision of services under Minnesota Statutes, section
2.5 16B.035. The agreements must specify the services to be provided and the charges, if any,
2.6 for these services. As specified in Minnesota Statutes, section 16B.035, an executive
2.7 agency may choose to obtain these services from an outside vendor, rather than from the
2.8 commissioner. Minnesota Statutes, section 15.039 applies to transfers in this section.
2.9 Executive branch officials may use authority under Minnesota Statutes, section 16B.37,
2.10 as necessary to implement this section, and as required by that section the commissioner
2.11 of administration must submit to the legislature by January 15, 2012, a bill making all
2.12 statutory changes required as a result of these reorganization orders.

2.13 **EFFECTIVE DATE.** This section is effective July 1, 2011, except that the
2.14 requirement to enter into service-level agreements is effective the day following final
2.15 enactment.
