Sec. 4. Minnesota Statutes 2018, section 120B.11, subdivision 5, is amended to read:

Subd. 5. Report. Consistent with requirements for school performance reports under 4.2 section 120B.36, subdivision 1, the school board shall publish a report in the local newspaper 4.3 with the largest circulation in the district, by mail, or by electronic means on the district 4.4 website. (a) The school board shall must hold an annual public meeting to review, and revise 4.5 where appropriate, student achievement goals, local assessment outcomes, plans, strategies, 4.6 and practices for improving curriculum and, instruction, and cultural competency, and efforts 4.7 to equitably distribute diverse, effective, experienced, and in-field teachers, and to review 4.8 district success in realizing achieving the previously adopted student achievement goals 4.9 and related benchmarks, and the improvement plans leading to the world's best workforce. 4.10 The school board must transmit an electronic summary of its report to the commissioner in 4.11 the form and manner the commissioner determines. 4.12

4.13 (b) The commissioner must complete the annual school performance reports required
4.14 under section 120B.36, subdivision 1, including student performance at each school district
4.15 and school site using the performance measures in subdivision 1a, and other information
4.16 required under this subdivision. The school board must post a copy of the school performance
4.17 reports for the district and each school site on the district's website, or provide a link to the
4.18 district and school site performance reports on the Department of Education's website.

4.19 Sec. 5. Minnesota Statutes 2018, section 120B.11, subdivision 9, is amended to read:

4.20 Subd. 9. Annual evaluation. (a) The commissioner must identify effective strategies,
4.21 practices, and use of resources by districts and school sites in striving for meeting the world's
4.22 best workforce goals. The commissioner must assist districts and sites throughout the state
4.23 in implementing these effective strategies, practices, and use of resources.

(b) The commissioner must use the performance measures in the accountability system 4.24 of the state plan, including academic achievement in math and reading, graduation rates, 4.25 and a school quality indicator, to identify those school sites and districts in any consecutive 4.26 three-year period not making sufficient progress in any consecutive three-year period toward 4.27 improving teaching and learning for all students, including English learners with varied 4.28 needs, consistent with section 124D.59, subdivisions 2 and 2a, and striving for the world's 4.29 best workforce. meeting state goals. The commissioner must implement evaluation timelines 4.30 and measures consistent with the state plan. The commissioner may identify districts or 4.31 school sites that do not provide information required for evaluation as failing to make 4.32 sufficient progress toward meeting state goals. The commissioner may evaluate, designate, 4.33
