6.6 have been violated or the information may otherwise be relevant to the board's regulatory
6.7 jurisdiction. Background study data on an individual who is the subject of a background
6.8 study under chapter 245C for a licensed service for which the commissioner of human
6.9 services is the license holder may be shared with the commissioner and the commissioner's
6.10 delegate by the licensing division. Unless otherwise specified in this chapter, the identity
6.11 of a reporter of alleged maltreatment or licensing violations may not be disclosed.

6.12 (j) In addition to the notice of determinations required under section 626.556,

6.29 Section 1. Minnesota Statutes 2012, section 119B.125, subdivision 1b, is amended to
6.30 read:

6.31 Subd. 1b. **Training required.** (a) Effective November 1, 2011, prior to initial
6.32 authorization as required in subdivision 1, a legal nonlicensed family child care provider
6.33 must complete first aid and CPR training and provide the verification of first aid and CPR
6.34 training to the county. The training documentation must have valid effective dates as of
6.35 the date the registration request is submitted to the county ~~and~~. The training must have

7.1 been provided by an individual approved to provide first aid and CPR instruction and have
7.2 included CPR techniques for infants and children.

7.3 (b) Legal nonlicensed family child care providers with an authorization effective
7.4 before November 1, 2011, must be notified of the requirements before October 1, 2011, or
7.5 at authorization, and must meet the requirements upon renewal of an authorization that
7.6 occurs on or after January 1, 2012.

7.7 (c) Upon each reauthorization after the authorization period when the initial first aid
7.8 and CPR training requirements are met, a legal nonlicensed family child care provider
7.9 must provide verification of at least eight hours of additional training listed in the
7.10 Minnesota Center for Professional Development Registry.

7.11 (d) This subdivision only applies to legal nonlicensed family child care providers.

7.12 Sec. 2. Minnesota Statutes 2012, section 245A.02, subdivision 5a, is amended to read:

7.13 Subd. 5a. **Controlling individual.** "Controlling individual" means a public body,
7.14 governmental agency, business entity, officer, owner, or managerial official whose
7.15 responsibilities include the direction of the management or policies of a program. For
7.16 purposes of this subdivision, owner means an individual who has direct or indirect
7.17 ownership interest in a corporation, partnership, or other business association issued a
7.18 license under this chapter. For purposes of this subdivision, managerial official means
7.19 those individuals who have the decision-making authority related to the operation of
7.20 the program, and the responsibility for the ongoing management of or direction of the
7.21 policies, services, or employees of the program. A site director who has no ownership
7.22 interest in the program is not considered to be a managerial official for purposes of this
7.23 definition. Controlling individual does not include:

7.24 (1) a bank, savings bank, trust company, savings association, credit union, industrial
7.25 loan and thrift company, investment banking firm, or insurance company unless the entity
7.26 operates a program directly or through a subsidiary;

7.27 (2) an individual who is a state or federal official, or state or federal employee, or a
7.28 member or employee of the governing body of a political subdivision of the state or
7.29 federal government that operates one or more programs, unless the individual is also an
7.30 officer, owner, or managerial official of the program, receives remuneration from the
7.31 program, or owns any of the beneficial interests not excluded in this subdivision;

7.32 (3) an individual who owns less than five percent of the outstanding common
7.33 shares of a corporation:

7.34 (i) whose securities are exempt under section 80A.45, clause (6); or

7.35 (ii) whose transactions are exempt under section 80A.46, clause (2); or

8.1 (4) an individual who is a member of an organization exempt from taxation under
8.2 section 290.05, unless the individual is also an officer, owner, or managerial official of
8.3 the program or owns any of the beneficial interests not excluded in this subdivision. This
8.4 clause does not exclude from the definition of controlling individual an organization that
8.5 is exempt from taxation.

8.6 Sec. 3. Minnesota Statutes 2012, section 245A.04, subdivision 1, is amended to read:

8.7 Subdivision 1. **Application for licensure.** (a) An individual, corporation,
8.8 partnership, voluntary association, other organization or controlling individual that is
8.9 subject to licensure under section 245A.03 must apply for a license. The application
8.10 must be made on the forms and in the manner prescribed by the commissioner. The
8.11 commissioner shall provide the applicant with instruction in completing the application
8.12 and provide information about the rules and requirements of other state agencies that affect
8.13 the applicant. An applicant seeking licensure in Minnesota with headquarters outside of
8.14 Minnesota must have a program office located within the state.

8.15 The commissioner shall act on the application within 90 working days after a
8.16 complete application and any required reports have been received from other state
8.17 agencies or departments, counties, municipalities, or other political subdivisions. The
8.18 commissioner shall not consider an application to be complete until the commissioner
8.19 receives all of the information required under section 245C.05.

8.20 When the commissioner receives an application for initial licensure that is incomplete
8.21 because the applicant failed to submit required documents or that is substantially
8.22 deficient because the documents submitted do not meet licensing requirements, the
8.23 commissioner shall provide the applicant written notice that the application is incomplete
8.24 or substantially deficient. In the written notice to the applicant the commissioner shall
8.25 identify documents that are missing or deficient and give the applicant 45 days to resubmit
8.26 a second application that is substantially complete. An applicant's failure to submit a
8.27 substantially complete application after receiving notice from the commissioner is a basis
8.28 for license denial under section 245A.05.

8.29 (b) An application for licensure must identify all controlling individuals and must
8.30 specify an agent who is responsible for dealing with the commissioner of human services
8.31 on all matters provided for in this chapter and on whom service of all notices and orders
8.32 must be made. The agent must be authorized to accept service on behalf of all of the
8.33 controlling individuals of the program. Service on the agent is service on all of the
8.34 controlling individuals of the program. It is not a defense to any action arising under this
8.35 chapter that service was not made on each controlling individual of the program. The

9.1 designation of one or more controlling individuals as agents under this paragraph does not
9.2 affect the legal responsibility of any other controlling individual under this chapter.

9.3 (c) An applicant or license holder must have a policy that prohibits license holders,
9.4 employees, subcontractors, and volunteers, when directly responsible for persons served
9.5 by the program, from abusing prescription medication or being in any manner under
9.6 the influence of a chemical that impairs the individual's ability to provide services or
9.7 care. The license holder must train employees, subcontractors, and volunteers about the
9.8 program's drug and alcohol policy.

9.9 (d) An applicant and license holder must have a program grievance procedure that
9.10 permits persons served by the program and their authorized representatives to bring a
9.11 grievance to the highest level of authority in the program.

9.12 (e) The applicant must be able to demonstrate competent knowledge of the
9.13 applicable requirements of this chapter and chapter 245C, and the requirements of
9.14 other licensing statutes and rules applicable to the program or services for which the
9.15 applicant is seeking to be licensed. Effective January 1, 2013, the commissioner may
9.16 require the applicant, except for child foster care, to demonstrate competence in the
9.17 applicable licensing requirements by successfully completing a written examination. The
9.18 commissioner may develop a prescribed written examination format.

9.19 (f) When an applicant is an individual, the individual must provide:

9.20 (1) the applicant's taxpayer identification numbers including the Social Security
9.21 number, and federal employer identification number, if the applicant has employees;

9.22 (2) the complete business name, if any, and if doing business under a different name,
9.23 the doing business as (DBA) name, as registered with the secretary of state; and

9.24 (3) a notarized signature of the applicant.

9.25 (g) When an applicant is a nonindividual, the applicant must provide the:

9.26 (1) applicant's taxpayer identification numbers including the Minnesota tax
9.27 identification number, the and federal employer identification number;

9.28 (2) complete business name, and if doing business under a different name, the doing
9.29 business as (DBA) name, as registered with the secretary of state;

9.30 (3) first, middle, and last name, and address for all individuals who will be
9.31 controlling individuals, including all officers, owners, and managerial officials as defined
9.32 in section 245A.02, subdivision 5a, and the date that the background study was initiated
9.33 by the applicant for each controlling individual. ~~The applicant must also provide the; and~~

9.34 (4) first, middle, and last name, mailing address, and notarized signature of the agent
9.35 authorized by the applicant to accept service on behalf of the controlling individuals.

10.1 (h) At the time of application for licensure or renewal of a license, the applicant
 10.2 or license holder must acknowledge on the form provided by the commissioner if the
 10.3 applicant or license holder elects to receive any public funding reimbursement from the
 10.4 commissioner for services provided under the license that:

10.5 (1) the applicant's or license holder's compliance with the provider enrollment
 10.6 agreement or registration requirements for receipt of public funding may be monitored by
 10.7 the commissioner as part of a licensing investigation or licensing inspection; and

10.8 (2) noncompliance with the provider enrollment agreement or registration
 10.9 requirements for receipt of public funding that is identified through a licensing
 10.10 investigation or licensing inspection, or noncompliance with a licensing requirement that
 10.11 is a basis of enrollment for reimbursement for a service, may result in:

10.12 (i) a correction order or a conditional license under section 245A.06, or sanctions
 10.13 under section 245A.07;

10.14 (ii) nonpayment of claims submitted by the license holder for public program
 10.15 reimbursement;

10.16 (iii) recovery of payments made for the service;

10.17 (iv) disenrollment in the public payment program; or

10.18 (v) other administrative, civil, or criminal penalties as provided by law.

10.19 Sec. 4. Minnesota Statutes 2012, section 245A.04, subdivision 5, is amended to read:

10.20 Subd. 5. **Commissioner's right of access.** (a) When the commissioner is exercising
 10.21 the powers conferred by this chapter and sections 245.69, 626.556, and 626.557, the
 10.22 commissioner must be given access to:

10.23 (1) the physical plant and grounds where the program is provided;₂

10.24 (2) documents and records, including records maintained in electronic format;₂

10.25 (3) persons served by the program;₂ and

10.26 (4) staff and personnel records of current and former staff whenever the program is in
 10.27 operation and the information is relevant to inspections or investigations conducted by the
 10.28 commissioner. Upon request, the license holder must provide the commissioner verification
 10.29 of documentation of staff work experience, training, or educational requirements.

10.30 The commissioner must be given access without prior notice and as often as
 10.31 the commissioner considers necessary if the commissioner is investigating alleged
 10.32 maltreatment, conducting a licensing inspection, or investigating an alleged violation of
 10.33 applicable laws or rules. In conducting inspections, the commissioner may request and
 10.34 shall receive assistance from other state, county, and municipal governmental agencies and
 10.35 departments. The applicant or license holder shall allow the commissioner to photocopy,

11.1 photograph, and make audio and video tape recordings during the inspection of the
11.2 program at the commissioner's expense. The commissioner shall obtain a court order or
11.3 the consent of the subject of the records or the parents or legal guardian of the subject
11.4 before photocopying hospital medical records.

11.5 (b) Persons served by the program have the right to refuse to consent to be
11.6 interviewed, photographed, or audio or videotaped. Failure or refusal of an applicant
11.7 or license holder to fully comply with this subdivision is reasonable cause for the
11.8 commissioner to deny the application or immediately suspend or revoke the license.

11.9 Sec. 5. Minnesota Statutes 2012, section 245A.04, subdivision 11, is amended to read:

11.10 Subd. 11. **Education program; permitted ages, additional requirement.** (a)
11.11 Except for foster care, the commissioner of human services may not grant a license to a
11.12 residential facility for the placement of children before the commissioner has received
11.13 documentation of approval of the on-site educational program from the commissioner of
11.14 education according to section 125A.515.

11.15 (b) A program licensed by the commissioner under Minnesota Rules, chapter 2960,
11.16 may serve persons who are over the age of 18 but under the age of 21 when the person is:

11.17 (1) completing secondary education or a program leading to an equivalent credential;

11.18 (2) enrolled in an institution which provides postsecondary or vocational education;

11.19 (3) participating in a program or activity designed to promote, or remove barriers to,
11.20 employment;

11.21 (4) employed for at least 80 hours per month; or

11.22 (5) incapable of doing any of the activities described in clauses (1) to (4) due to a
11.23 medical condition, which incapability is supported by regularly updated information in the
11.24 case plan of the person.

11.25 (c) In addition to the requirements in paragraph (b), a residential program licensed
11.26 by the commissioner of human services under Minnesota Rules, parts 2960.0010 to
11.27 2960.0710, may serve persons under the age of 21 provided the facility complies with the
11.28 following requirements:

11.29 (1) for each person age 18 and older served at the program, the program must assess
11.30 and document the person's risk of victimizing other residents residing in the facility, and
11.31 based on the assessment, the facility must develop and implement necessary measures
11.32 to minimize any risk of harm to other residents, including making arrangements for
11.33 appropriate sleeping arrangements; and

12.1 (2) the program must assure that the services and living arrangements provided to all
12.2 residents are suitable to the age and functioning of the residents, including separation of
12.3 services, staff supervision, and other program operations as appropriate.

12.4 (d) Nothing in this subdivision precludes the license holder from seeking other
12.5 variances under subdivision 9.

12.6 Sec. 6. Minnesota Statutes 2012, section 245A.06, subdivision 1, is amended to read:

12.7 Subdivision 1. **Contents of correction orders and conditional licenses.** (a) If
12.8 the commissioner finds that the applicant or license holder has failed to comply with an
12.9 applicable law or rule and this failure does not imminently endanger the health, safety,
12.10 or rights of the persons served by the program, the commissioner may issue a correction
12.11 order and an order of conditional license to the applicant or license holder. When issuing a
12.12 conditional license, the commissioner shall consider the nature, chronicity, or severity of
12.13 the violation of law or rule and the effect of the violation on the health, safety, or rights of
12.14 persons served by the program. The correction order or conditional license must state:

12.15 (1) the conditions that constitute a violation of the law or rule;

12.16 (2) the specific law or rule violated;

12.17 (3) the time allowed to correct each violation; and

12.18 (4) if a license is made conditional, the length and terms of the conditional license.

12.19 (b) Nothing in this section prohibits the commissioner from proposing a sanction as
12.20 specified in section 245A.07, prior to issuing a correction order or conditional license.

12.21 (c) The commissioner may also issue a conditional license for services provided
12.22 in the license holder's own home when an individual who has ever been subject to a
12.23 background study has a disqualification that is not set aside if: (1) the disqualified
12.24 individual is a "family or household member" of the license holder, as defined in section
12.25 518B.01, subdivision 2; or (2) the disqualified individual has a record of having had direct
12.26 contact with, or access to, persons served by the program.

12.27 Sec. 7. Minnesota Statutes 2012, section 245A.07, subdivision 2, is amended to read:

12.28 Subd. 2. **Temporary immediate suspension.** If the license holder's actions or
12.29 failure to comply with applicable law or rule, or the actions of other individuals or
12.30 conditions in the program pose an imminent risk of harm to the health, safety, or rights of
12.31 persons served by the program, or if while the program continues to operate pending an
12.32 appeal of an order of revocation the commissioner identifies one or more new violations
12.33 of law or rule which may adversely affect the health or safety of persons served by the
12.34 program, the commissioner shall act immediately to temporarily suspend the license.

13.1 No state funds shall be made available or be expended by any agency or department of
13.2 state, county, or municipal government for use by a license holder regulated under this
13.3 chapter while a license is under immediate suspension. A notice stating the reasons for
13.4 the immediate suspension and informing the license holder of the right to an expedited
13.5 hearing under chapter 14 and specifically Minnesota Rules, parts 1400.8505 to 1400.8612,
13.6 must be delivered by personal service to the address shown on the application or the last
13.7 known address of the license holder. The license holder may appeal an order immediately
13.8 suspending a license. The appeal of an order immediately suspending a license must
13.9 be made in writing by certified mail or personal service. If mailed, the appeal must be
13.10 postmarked and sent to the commissioner within five calendar days after the license holder
13.11 receives notice that the license has been immediately suspended. If a request is made by
13.12 personal service, it must be received by the commissioner within five calendar days after
13.13 the license holder received the order. A license holder and any controlling individual
13.14 shall discontinue operation of the program upon receipt of the commissioner's order to
13.15 immediately suspend the license.

13.16 Sec. 8. Minnesota Statutes 2012, section 245A.07, subdivision 2a, is amended to read:

13.17 Subd. 2a. **Immediate suspension expedited hearing.** (a) Within five working days
13.18 of receipt of the license holder's timely appeal, the commissioner shall request assignment
13.19 of an administrative law judge. The request must include a proposed date, time, and place
13.20 of a hearing. A hearing must be conducted by an administrative law judge within 30
13.21 calendar days of the request for assignment, unless an extension is requested by either
13.22 party and granted by the administrative law judge for good cause. The commissioner shall
13.23 issue a notice of hearing by certified mail or personal service at least ten working days
13.24 before the hearing. The scope of the hearing shall be limited solely to the issue of whether
13.25 the temporary immediate suspension should remain in effect pending the commissioner's
13.26 final order under section 245A.08, regarding a licensing sanction issued under subdivision
13.27 3 following the immediate suspension. The burden of proof in expedited hearings under
13.28 this subdivision shall be limited to the commissioner's demonstration that reasonable
13.29 cause exists to believe that the license holder's actions or failure to comply with applicable
13.30 law or rule poses, or if the actions of other individuals or conditions in the program poses
13.31 an imminent risk of harm to the health, safety, or rights of persons served by the program.
13.32 "Reasonable cause" means there exist specific articulable facts or circumstances which
13.33 provide the commissioner with a reasonable suspicion that there is an imminent risk of
13.34 harm to the health, safety, or rights of persons served by the program.

14.1 (b) The administrative law judge shall issue findings of fact, conclusions, and a
14.2 recommendation within ten working days from the date of hearing. The parties shall
14.3 have ten calendar days to submit exceptions to the administrative law judge's report.
14.4 The record shall close at the end of the ten-day period for submission of exceptions.
14.5 The commissioner's final order shall be issued within ten working days from the close
14.6 of the record. When an appeal of a temporary immediate suspension is withdrawn or
14.7 dismissed, the commissioner shall issue a final order affirming the temporary immediate
14.8 suspension within ten calendar days of the commissioner's receipt of the withdrawal or
14.9 dismissal. Within 90 calendar days after a final order affirming an immediate suspension,
14.10 the commissioner shall make a determination regarding whether a final licensing sanction
14.11 shall be issued under subdivision 3. The license holder shall continue to be prohibited
14.12 from operation of the program during this 90-day period.

14.13 (c) When the final order under paragraph (b) affirms an immediate suspension, and a
14.14 final licensing sanction is issued under subdivision 3 and the license holder appeals that
14.15 sanction, the license holder continues to be prohibited from operation of the program
14.16 pending a final commissioner's order under section 245A.08, subdivision 5, regarding the
14.17 final licensing sanction.

14.18 Sec. 9. Minnesota Statutes 2012, section 245A.07, subdivision 3, is amended to read:

14.19 Subd. 3. **License suspension, revocation, or fine.** (a) The commissioner may
14.20 suspend or revoke a license, or impose a fine if:

14.21 (1) a license holder fails to comply fully with applicable laws or rules;

14.22 (2) a license holder, a controlling individual, or an individual living in the household
14.23 where the licensed services are provided or is otherwise subject to a background study has
14.24 a disqualification which has not been set aside under section 245C.22;

14.25 (3) a license holder knowingly withholds relevant information from or gives false
14.26 or misleading information to the commissioner in connection with an application for
14.27 a license, in connection with the background study status of an individual, during an
14.28 investigation, or regarding compliance with applicable laws or rules; or

14.29 (4) after July 1, 2012, and upon request by the commissioner, a license holder fails
14.30 to submit the information required of an applicant under section 245A.04, subdivision 1,
14.31 paragraph (f) or (g).

14.32 A license holder who has had a license suspended, revoked, or has been ordered
14.33 to pay a fine must be given notice of the action by certified mail or personal service. If
14.34 mailed, the notice must be mailed to the address shown on the application or the last

15.1 known address of the license holder. The notice must state the reasons the license was
15.2 suspended, revoked, or a fine was ordered.

15.3 (b) If the license was suspended or revoked, the notice must inform the license
15.4 holder of the right to a contested case hearing under chapter 14 and specifically Minnesota
15.5 Rules, parts 1400.8505 to 1400.8612. The license holder may appeal an order suspending
15.6 or revoking a license. The appeal of an order suspending or revoking a license must
15.7 be made in writing by certified mail or personal service. If mailed, the appeal must be
15.8 postmarked and sent to the commissioner within ten calendar days after the license holder
15.9 receives notice that the license has been suspended or revoked. If a request is made by
15.10 personal service, it must be received by the commissioner within ten calendar days after
15.11 the license holder received the order. Except as provided in subdivision 2a, paragraph
15.12 (c), if a license holder submits a timely appeal of an order suspending or revoking a
15.13 license, the license holder may continue to operate the program as provided in section
15.14 245A.04, subdivision 7, paragraphs (g) and (h), until the commissioner issues a final order
15.15 on the suspension or revocation.

15.16 (c)(1) If the license holder was ordered to pay a fine, the notice must inform the
15.17 license holder of the responsibility for payment of fines and the right to a contested case
15.18 hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The appeal
15.19 of an order to pay a fine must be made in writing by certified mail or personal service. If
15.20 mailed, the appeal must be postmarked and sent to the commissioner within ten calendar
15.21 days after the license holder receives notice that the fine has been ordered. If a request is
15.22 made by personal service, it must be received by the commissioner within ten calendar
15.23 days after the license holder received the order.

15.24 (2) The license holder shall pay the fines assessed on or before the payment date
15.25 specified. If the license holder fails to fully comply with the order, the commissioner
15.26 may issue a second fine or suspend the license until the license holder complies. If the
15.27 license holder receives state funds, the state, county, or municipal agencies or departments
15.28 responsible for administering the funds shall withhold payments and recover any payments
15.29 made while the license is suspended for failure to pay a fine. A timely appeal shall stay
15.30 payment of the fine until the commissioner issues a final order.

15.31 (3) A license holder shall promptly notify the commissioner of human services,
15.32 in writing, when a violation specified in the order to forfeit a fine is corrected. If upon
15.33 reinspection the commissioner determines that a violation has not been corrected as
15.34 indicated by the order to forfeit a fine, the commissioner may issue a second fine. The
15.35 commissioner shall notify the license holder by certified mail or personal service that a

16.1 second fine has been assessed. The license holder may appeal the second fine as provided
16.2 under this subdivision.

16.3 (4) Fines shall be assessed as follows: the license holder shall forfeit \$1,000 for
16.4 each determination of maltreatment of a child under section 626.556 or the maltreatment
16.5 of a vulnerable adult under section 626.557 for which the license holder is determined
16.6 responsible for the maltreatment under section 626.556, subdivision 10e, paragraph (i),
16.7 or 626.557, subdivision 9c, paragraph (c); the license holder shall forfeit \$200 for each
16.8 occurrence of a violation of law or rule governing matters of health, safety, or supervision,
16.9 including but not limited to the provision of adequate staff-to-child or adult ratios, and
16.10 failure to comply with background study requirements under chapter 245C; and the license
16.11 holder shall forfeit \$100 for each occurrence of a violation of law or rule other than those
16.12 subject to a \$1,000 or \$200 fine above. For purposes of this section, "occurrence" means
16.13 each violation identified in the commissioner's fine order. Fines assessed against a license
16.14 holder that holds a license to provide the residential-based habilitation services, as defined
16.15 under section 245B.02, subdivision 20, and a license to provide foster care, may be
16.16 assessed against both licenses for the same occurrence, but the combined amount of the
16.17 fines shall not exceed the amount specified in this clause for that occurrence.

16.18 (5) When a fine has been assessed, the license holder may not avoid payment by
16.19 closing, selling, or otherwise transferring the licensed program to a third party. In such an
16.20 event, the license holder will be personally liable for payment. In the case of a corporation,
16.21 each controlling individual is personally and jointly liable for payment.

16.22 (d) Except for background study violations involving the failure to comply with an
16.23 order to immediately remove an individual or an order to provide continuous, direct
16.24 supervision, the commissioner shall not issue a fine under paragraph (c) relating to a
16.25 background study violation to a license holder who self-corrects a background study
16.26 violation before the commissioner discovers the violation. A license holder who has
16.27 previously exercised the provisions of this paragraph to avoid a fine for a background
16.28 study violation may not avoid a fine for a subsequent background study violation unless at
16.29 least 365 days have passed since the license holder self-corrected the earlier background
16.30 study violation.

16.31 Sec. 10. Minnesota Statutes 2012, section 245A.07, is amended by adding a
16.32 subdivision to read:

16.33 Subd. 7. Time frame for conducting hearing. Within 15 working days of receipt
16.34 of the license holder's timely appeal of a sanction under this section other than a temporary
16.35 immediate suspension, the commissioner shall request assignment of an administrative

17.1 law judge. The commissioner's request must include a proposed date, time, and place of a
17.2 hearing. A hearing must be conducted by an administrative law judge within 90 calendar
17.3 days of the request for assignment, unless an extension is requested by either party and
17.4 granted by the administrative law judge for good cause or for purposes of discussing
17.5 settlement. In no case shall one or more extensions be granted for a total of more than 90
17.6 calendar days unless there is a criminal or juvenile court action pending against the license
17.7 holder or another individual subject to a background study.

17.8 Sec. 11. Minnesota Statutes 2012, section 245A.08, subdivision 2a, is amended to read:

17.9 Subd. 2a. **Consolidated contested case hearings.** (a) When a denial of a license
17.10 under section 245A.05 or a licensing sanction under section 245A.07, subdivision 3, is
17.11 based on a disqualification for which reconsideration was timely requested and which was
17.12 not set aside under section 245C.22, the scope of the contested case hearing shall include
17.13 the disqualification and the licensing sanction or denial of a license, unless otherwise
17.14 specified in this subdivision. When the licensing sanction or denial of a license is based on
17.15 a determination of maltreatment under section 626.556 or 626.557, or a disqualification
17.16 for serious or recurring maltreatment which was not set aside, the scope of the contested
17.17 case hearing shall include the maltreatment determination, disqualification, and the
17.18 licensing sanction or denial of a license, unless otherwise specified in this subdivision. In
17.19 such cases, a fair hearing under section 256.045 shall not be conducted as provided for in
17.20 sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d.

17.21 (b) Except for family child care and child foster care, reconsideration of a
17.22 maltreatment determination under sections 626.556, subdivision 10i, and 626.557,
17.23 subdivision 9d, and reconsideration of a disqualification under section 245C.22, shall
17.24 not be conducted when:

17.25 (1) a denial of a license under section 245A.05, or a licensing sanction under section
17.26 245A.07, is based on a determination that the license holder is responsible for maltreatment
17.27 or the disqualification of a license holder is based on serious or recurring maltreatment;

17.28 (2) the denial of a license or licensing sanction is issued at the same time as the
17.29 maltreatment determination or disqualification; and

17.30 (3) the license holder appeals the maltreatment determination or disqualification,
17.31 and denial of a license or licensing sanction. In these cases, a fair hearing shall not be
17.32 conducted under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision
17.33 9d. The scope of the contested case hearing must include the maltreatment determination,
17.34 disqualification, and denial of a license or licensing sanction.

18.1 Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment
18.2 determination or disqualification, but does not appeal the denial of a license or a licensing
18.3 sanction, reconsideration of the maltreatment determination shall be conducted under
18.4 sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the
18.5 disqualification shall be conducted under section 245C.22. In such cases, a fair hearing
18.6 shall also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and
18.7 626.557, subdivision 9d.

18.8 (c) In consolidated contested case hearings regarding sanctions issued in family child
18.9 care, child foster care, family adult day services, and adult foster care, the county attorney
18.10 shall defend the commissioner's orders in accordance with section 245A.16, subdivision 4.

18.11 (d) The commissioner's final order under subdivision 5 is the final agency action
18.12 on the issue of maltreatment and disqualification, including for purposes of subsequent
18.13 background studies under chapter 245C and is the only administrative appeal of the final
18.14 agency determination, specifically, including a challenge to the accuracy and completeness
18.15 of data under section 13.04.

18.16 (e) When consolidated hearings under this subdivision involve a licensing sanction
18.17 based on a previous maltreatment determination for which the commissioner has issued
18.18 a final order in an appeal of that determination under section 256.045, or the individual
18.19 failed to exercise the right to appeal the previous maltreatment determination under
18.20 section 626.556, subdivision 10i, or 626.557, subdivision 9d, the commissioner's order is
18.21 conclusive on the issue of maltreatment. In such cases, the scope of the administrative
18.22 law judge's review shall be limited to the disqualification and the licensing sanction or
18.23 denial of a license. In the case of a denial of a license or a licensing sanction issued to
18.24 a facility based on a maltreatment determination regarding an individual who is not the
18.25 license holder or a household member, the scope of the administrative law judge's review
18.26 includes the maltreatment determination.

18.27 (f) The hearings of all parties may be consolidated into a single contested case
18.28 hearing upon consent of all parties and the administrative law judge, if:

18.29 (1) a maltreatment determination or disqualification, which was not set aside under
18.30 section 245C.22, is the basis for a denial of a license under section 245A.05 or a licensing
18.31 sanction under section 245A.07;

18.32 (2) the disqualified subject is an individual other than the license holder and upon
18.33 whom a background study must be conducted under section 245C.03; and

18.34 (3) the individual has a hearing right under section 245C.27.

18.35 (g) When a denial of a license under section 245A.05 or a licensing sanction under
18.36 section 245A.07 is based on a disqualification for which reconsideration was requested

19.1 and was not set aside under section 245C.22, and the individual otherwise has no hearing
19.2 right under section 245C.27, the scope of the administrative law judge's review shall
19.3 include the denial or sanction and a determination whether the disqualification should
19.4 be set aside, unless section 245C.24 prohibits the set-aside of the disqualification. In
19.5 determining whether the disqualification should be set aside, the administrative law judge
19.6 shall consider the factors under section 245C.22, subdivision 4, to determine whether the
19.7 individual poses a risk of harm to any person receiving services from the license holder.

19.8 (h) Notwithstanding section 245C.30, subdivision 5, when a licensing sanction
19.9 under section 245A.07 is based on the termination of a variance under section 245C.30,
19.10 subdivision 4, the scope of the administrative law judge's review shall include the sanction
19.11 and a determination whether the disqualification should be set aside, unless section
19.12 245C.24 prohibits the set-aside of the disqualification. In determining whether the
19.13 disqualification should be set aside, the administrative law judge shall consider the factors
19.14 under section 245C.22, subdivision 4, to determine whether the individual poses a risk of
19.15 harm to any person receiving services from the license holder.

19.16 Sec. 12. Minnesota Statutes 2012, section 245A.08, subdivision 5a, is amended to read:

19.17 Subd. 5a. **Granting subsequent license.** (a) A license holder and each controlling
19.18 individual of a license holder whose license has been revoked because of noncompliance
19.19 with applicable law or rule must not be granted a license for five years following the
19.20 revocation. Notwithstanding the five-year restriction, when a license is revoked because a
19.21 person, other than the license holder, resides in the home where services are provided and
19.22 that person has a disqualification that is not set aside and no variance has been granted,
19.23 the former license holder may reapply for a license when:

19.24 (1) the person with a disqualification, who is not a minor child, is no longer residing
19.25 in the home and is prohibited from residing in or returning to the home; or

19.26 (2) the person with the disqualification is a minor child, the restriction applies until
19.27 the minor child becomes an adult and permanently moves away from the home or five
19.28 years, whichever is less.

19.29 (b) An applicant or controlling individual whose application was denied must not
19.30 be granted a license for two years following a denial, unless the applicant's subsequent
19.31 application contains new information which constitutes a substantial change in the
19.32 conditions that caused the previous denial. The addition of a new co-applicant in a
19.33 subsequent application does not constitute a substantial change. If an applicant or
19.34 controlling individual whose application was denied is affiliated with a subsequent

20.1 application, and two years have not passed since the denial, the subsequent application
20.2 must be denied.

20.3 Sec. 13. **[245A.1446] FAMILY CHILD CARE DIAPERING AREA**
20.4 **DISINFECTION.**

20.5 Notwithstanding Minnesota Rules, part 9502.0435, a family child care provider may
20.6 disinfect the diaper changing surface with either a solution of at least two teaspoons

47.16 studied will have direct contact with, or access to, people receiving services.

47.17 (b) The commissioner shall consider all relevant information available, including the
47.18 following factors in determining the immediate risk of harm:

47.19 (1) the recency of the disqualifying characteristic;

47.20 (2) the recency of discharge from probation for the crimes;

48.31 commissioner relied upon to disqualify is incorrect or inaccurate within 30 working days
48.32 of receipt of a complete request and all required relevant information.

48.33 (b) If the basis for a disqualified individual's reconsideration request is that the
48.34 individual does not pose a risk of harm, the commissioner shall respond to the request

49.1 within 15 working days after receiving ~~the~~ a complete request for reconsideration and
49.2 all required relevant information.

49.3 (c) If the disqualified individual's reconsideration request is based on both the
49.4 correctness or accuracy of the information the commissioner relied upon to disqualify the
49.5 individual and the individual's risk of harm, the commissioner shall respond to the request
49.6 within 45 working days after receiving ~~the~~ a complete request for reconsideration and

49.13 (1) the individual studied does not submit a timely request for reconsideration
49.14 under section 245C.21;

49.15 (2) the individual submits a timely request for reconsideration, but the commissioner
49.16 does not set aside the disqualification for that license holder under section 245C.22, unless

49.18 (3) an individual who has a right to request a hearing under sections 245C.27 and
49.19 256.045, or 245C.28 and chapter 14 for a disqualification that has not been set aside, does

49.21 (4) an individual submitted a timely request for a hearing under sections 245C.27
49.22 and 256.045, or 245C.28 and chapter 14, but the commissioner does not set aside the
49.23 disqualification under section 245A.08, subdivision 5, or 256.045.

49.24 (b) If the commissioner does not set aside the disqualification under section 245C.22,
49.25 and the license holder was previously ordered under section 245C.17 to immediately
49.26 remove the disqualified individual from direct contact with persons receiving services or
49.27 to ensure that the individual is under continuous, direct supervision when providing direct

50.10 Subdivision 1. **License holder.** (a) If a maltreatment determination or a

50.16 (b) As provided under section 245A.08, subdivision 2a, if the denial of a license
50.17 or licensing sanction is based on a disqualification for which reconsideration was timely
50.18 requested and was not set aside, the scope of the consolidated contested case hearing
50.19 must include:

50.20 (1) the disqualification, to the extent the license holder otherwise has a hearing right

50.23 (c) As provided for under section 245A.08, subdivision 2a, if the denial of a license

50.26 aside, the scope of the contested case hearing must include:

50.27 (1) the maltreatment determination, if the maltreatment is not conclusive under
50.28 section 245C.29;

50.29 (2) the disqualification, if the disqualification is not conclusive under section
50.30 245C.29; and

50.31 (3) the licensing sanction or denial of a license. In such cases, a fair hearing must not
50.32 be conducted under section 256.045. If the disqualification was based on a determination
50.33 of substantiated serious or recurring maltreatment under section 626.556 or 626.557, the
50.34 appeal must be submitted under sections 245A.07, subdivision 3, and 626.556, subdivision

51.6 245A.07, is based on a determination that the license holder is responsible for maltreatment
51.7 or the disqualification of a license holder based on serious or recurring maltreatment;

51.8 (2) the denial of a license or licensing sanction is issued at the same time as the
51.9 maltreatment determination or disqualification; and

51.10 (3) the license holder appeals the maltreatment determination, disqualification, and
51.11 denial of a license or licensing sanction. In such cases a fair hearing under section 256.045
51.12 must not be conducted under sections 245C.27, 626.556, subdivision 10i, and 626.557,
51.13 subdivision 9d. Under section 245A.08, subdivision 2a, the scope of the consolidated
51.14 contested case hearing must include the maltreatment determination, disqualification, and
51.15 denial of a license or licensing sanction.

51.16 Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment
51.17 determination or disqualification, but does not appeal the denial of a license or a licensing
51.18 sanction, reconsideration of the maltreatment determination shall be conducted under

51.24 Subd. 3. **Employees of public employer.** (a) A disqualified individual who is an
51.25 employee of an employer, as defined in section 179A.03, subdivision 15, may request

51.27 1400.8505 to 1400.8612, following a reconsideration decision under section 245C.23,
51.28 unless the disqualification is deemed conclusive under section 245C.29. The request for a
51.29 contested case hearing must be made in writing and must be postmarked and sent within
51.30 30 calendar days after the employee receives notice of the reconsideration decision. If
51.31 the individual was disqualified based on a conviction or admission to any crimes listed in
51.32 section 245C.15, the scope of the contested case hearing shall be limited solely to whether
51.33 the individual poses a risk of harm pursuant to section 245C.22.

51.34 (b) When an individual is disqualified based on a maltreatment determination, the
51.35 scope of the contested case hearing under paragraph (a), must include the maltreatment

52.9 from licensed programs.

52.10 (e) In determining whether the disqualification should be set aside, the administrative
52.11 law judge shall consider all of the characteristics that cause the individual to be disqualified,

52.13 individual ~~poses~~ has met the burden of demonstrating that the individual does not pose
52.14 a risk of harm. The administrative law judge's recommendation and the commissioner's
52.15 order to set aside a disqualification that is the subject of the hearing constitutes a
52.16 determination that the individual does not pose a risk of harm and that the individual may
52.17 provide direct contact services in the individual program specified in the set aside.

52.18 (f) An individual may not request a contested case hearing under this section if a
52.19 contested case hearing has previously been held regarding the individual's disqualification
52.20 on the same basis.

52.21 Sec. 10. Minnesota Statutes 2012, section 245C.29, subdivision 2, is amended to read:

52.22 Subd. 2. **Conclusive disqualification determination.** (a) ~~Unless otherwise~~

52.32 ~~the disqualification under section 245A.08, subdivision 5, 245C.28, subdivision 3, or~~
52.33 ~~256.045, or a court has issued a final decision;~~

53.1 ~~(ii) (2)~~ the individual did not request reconsideration of the disqualification under
 53.2 section 245C.21 on the basis that the information relied upon to disqualify the individual
 53.3 was incorrect; or

53.4 ~~(iii) (3)~~ the individual did not timely request a hearing on the disqualification under
 53.5 ~~section 256.045 or this chapter, chapter 14, or section 256.045 after previously being~~
 53.6 given the right to do so.

53.7 (b) When a licensing action under section 245A.05, 245A.06, or 245A.07 is based
 53.8 on the disqualification of an individual in connection with a license to provide family child
 53.9 care, foster care for children in the provider's own home, or foster care services for adults
 53.10 in the provider's own home, that disqualification shall be conclusive for purposes of the
 53.11 licensing action if a request for reconsideration was not submitted within 30 calendar days
 53.12 of the individual's receipt of the notice of disqualification.

53.13 (c) ~~If a determination that the information relied upon to disqualify an individual~~
 53.14 ~~was correct and disqualification is conclusive under this section, and the individual is~~
 53.15 ~~subsequently disqualified under section 245C.15, the individual has a right to request~~
 53.16 ~~reconsideration on the risk of harm under section 245C.21 unless the commissioner~~
 53.17 ~~is barred from setting aside the disqualification under section 245C.24. Subsequent~~
 53.18 ~~determinations~~ The commissioner's decision regarding the risk of harm shall be ~~made~~
 53.19 ~~according to section 245C.22 and are not subject to another~~ the final agency decision and
 53.20 is not subject to a hearing under this chapter, section 256.045 or chapter 14, or section

53.23 Subd. 3b. **Standard of evidence for maltreatment and disqualification hearings.**

53.24 (a) The state human services referee shall determine that maltreatment has occurred if a
 53.25 preponderance of evidence exists to support the final disposition under sections 626.556
 53.26 and 626.557. For purposes of hearings regarding disqualification, the state human services
 53.27 referee shall affirm the proposed disqualification in an appeal under subdivision 3,
 53.28 paragraph (a), clause (9), if a preponderance of the evidence shows the individual has:

53.29 (1) committed maltreatment under section 626.556 or 626.557, which is serious or
 53.30 recurring;

53.31 (2) committed an act or acts meeting the definition of any of the crimes listed in
 53.32 section 245C.15, subdivisions 1 to 4; or

53.33 (3) failed to make required reports under section 626.556 or 626.557, for incidents
 53.34 in which the final disposition under section 626.556 or 626.557 was substantiated
 53.35 maltreatment that was serious or recurring.

54.1 (b) If the disqualification is affirmed, the state human services referee shall
54.2 determine whether the individual poses a risk of harm in accordance with the requirements
54.3 of section 245C.22, and whether the disqualification should be set aside or not set aside.
54.4 In determining whether the disqualification should be set aside, the human services
54.5 referee shall consider all of the characteristics that cause the individual to be disqualified,
54.6 including those characteristics that were not subject to review under paragraph (a), in
54.7 order to determine whether the individual poses a risk of harm. A decision to set aside
54.8 a disqualification that is the subject of the hearing constitutes a determination that the
54.9 individual does not pose a risk of harm and that the individual may provide direct contact
54.10 services in the individual program specified in the set aside. ~~If a determination that the~~
54.11 ~~information relied upon to disqualify an individual was correct and is conclusive under~~
54.12 ~~section 245C.29, and the individual is subsequently disqualified under section 245C.14,~~
54.13 ~~the individual has a right to again request reconsideration on the risk of harm under section~~
54.14 ~~245C.21. Subsequent determinations regarding risk of harm are not subject to another~~
54.15 ~~hearing under this section.~~

54.16 (c) If a disqualification is based solely on a conviction or is conclusive for any
54.17 reason under section 245C.29, the disqualified individual does not have a right to a
54.18 hearing under this section.

54.19 ~~(e)~~ (d) The state human services referee shall recommend an order to the
54.20 commissioner of health, education, or human services, as applicable, who shall issue a
54.21 final order. The commissioner shall affirm, reverse, or modify the final disposition. Any
54.22 order of the commissioner issued in accordance with this subdivision is conclusive upon
54.23 the parties unless appeal is taken in the manner provided in subdivision 7. In any licensing
54.24 appeal under chapters 245A and 245C and sections 144.50 to 144.58 and 144A.02 to
54.25 144A.46, the commissioner's determination as to maltreatment is conclusive, as provided
54.26 under section 245C.29.
