Section 1. **APPROPRIATION.**

\$300,000 is appropriated in fiscal year 2014 from the general fund to the commissioner of human services. These funds shall be transferred to the Aliveness Project, a statewide nonprofit, for providing the health and wellness services it has provided to individuals throughout Minnesota since its inception in 1985. The activities and proposed outcomes supported by the appropriation must further the comprehensive plan of the Department of Human Services' HIV/AIDS unit. This is a onetime appropriation and is not added to the base.
