4.6	working days if all of the following criteria are met:
4.7	(1) the subsequent background study was initiated in connection with a program licensed
4.8	or regulated under the same provisions of law and rule for at least one program for which
4.9	the individual's disqualification was previously set aside by the commissioner;
4.10	(2) the individual is not disqualified for an offense specified in section 245C.15,
4.11	subdivision 1 or 2;
4.12	(3) the commissioner has received no new information to indicate that the individual

4.19	program or agency in the substance use disorder treatment field, the commissioner shall set
4.20	aside the disqualification for the program or agency in the substance use disorder treatment
4.21	field that initiated the subsequent background study when the criteria under paragraph (b),
4.22	clauses (1), (3), and (4), are met and the individual is not disqualified for an offense specified
