4.18       auditor, except that an eligible voter may not vote by absentee ballot in person during the  
4.19       period for early voting, as provided in section 203B.31. The county auditor shall make  
4.20       such polling place designations under this section at least 90 days before the election. At

4.27       clerk who has authority under section 203B.05 to administer absentee and early voting  
4.28       laws shall designate election judges to deliver absentee ballots in accordance with this  
4.29       section. The county auditor must also designate election judges to perform the duties in  
4.30       this section. A ballot may be delivered only to an eligible voter who is a temporary or  
4.31       permanent resident or patient in a health care facility or hospital located in the municipality  
4.32       in which the voter maintains residence. The ballots shall be delivered by two election

Sec. 11. **[203B.33] LOCATIONS FOR EARLY VOTING.**

(a) Early voting must be made available at a polling place designated in the county auditor's office, at the municipal clerk's office in every municipality that has been delegated the responsibility to administer absentee voting as provided in section 203B.05, and at any other location designated by the county auditor or municipal clerk at least 90 days before the election. 6.7       Subdivision 1. **Voting procedure.** Each voter shall sign an early voting roster that  
6.8 must include the certification provided in section 204C.10. An individual who is not  
6.9 registered to vote must register in the manner provided in section 201.061, subdivision  
6.10 3. After the voter has signed a roster, two election judges must initial the appropriate  
6.11 ballot for the voter's precinct and provide it to the voter. The voter must mark the ballot  
6.12 and deposit it in either a precinct voting system or a sealed ballot box. A voter may  
6.13 not leave the polling place with the ballot.

6.14       Subd. 2. **Record of voting.** (a) The county auditor or municipal clerk must  
6.15 immediately record that a voter has voted early on the voter's record in the statewide voter  
6.16 registration system. After a voter's record has been marked to record that an individual  
6.17 has voted early, the individual must not be allowed to vote again at that election. Voters  
6.18 who are not preregistered at the voter's current address must be considered election day  
6.19 registrants.

6.20       (b) The early voting rosters must be marked no later than the start of voting on  
6.21 election day to indicate the voters who have cast a ballot at an early voting location.  
6.22 The roster may be marked either:

6.23           (1) by the municipal clerk before election day;

6.24           (2) by the absentee ballot board before election day; or

6.25           (3) by the election judges at the polling place on election day.

6.26       (c) A voter who has cast a ballot in person by early voting and deposited it in a ballot  
6.27 box or ballot counter must not be permitted to vote at the polling place on election day.  
6.28 An absentee ballot received from a voter who has cast a ballot in person by early voting  
6.29 must be rejected by the election judges.

6.30       Subd. 3. **Storage and counting of ballots.** Two staff of the county auditor or two  
6.31 election judges of different major political parties must:

6.32           (1) remove the ballots from the ballot box and seal and secure them at the end of  
6.33 each day on which early ballots were inserted into the ballot box; and

6.34           (2) ensure that the number of ballots removed from the ballot box is equal to the  
6.35 number of voters who voted early.

After the polls have closed, two staff of the county auditor or two election judges of different major political parties must count the early ballots, tabulating the vote in a manner that indicates each vote of the voter and the total votes cast for each candidate or question. In state primary and state general elections, the results must indicate the total votes cast for each candidate or question in each precinct and report the vote totals tabulated for each precinct. The count shall be public. No vote totals from early ballots may be made public before the close of voting on election day.

Sec. 14. Minnesota Statutes 2008, section 204C.10, is amended to read:

The roster must also state: "I understand that deliberately providing false information is a felony punishable by not more than five years imprisonment and a fine of not more than \$10,000, or both."

(b) An individual voting early under section 203B.30 must sign a roster that meets the additional requirements of this paragraph. In addition to the content required under paragraph (a), the roster must also state: "I understand that after I have cast my ballot today, I cannot vote again in this election."

(c) All of the text contained within the quotation marks in paragraphs (a) and (b) must be in bold type in rosters provided to individuals voting under section 203B.30.

(d) A judge may, before the applicant signs the roster, confirm the applicant's name, address, and date of birth.

(e) After the applicant signs the roster, the judge shall give the applicant a voter's receipt. The voter shall deliver the voter's receipt to the judge in charge of ballots as proof of the voter's right to vote, and thereupon the judge shall hand to the voter the ballot. The voters' receipts must be maintained during the time for notice of filing an election contest.

Sec. 15. Minnesota Statutes 2008, section 206.83, is amended to read:

**206.83 TESTING OF VOTING SYSTEMS.**

8.1        ~~Within 14 days before election day~~, The official in charge of elections shall have  
8.2        the voting system tested to ascertain that the system will correctly mark ballots using all  
8.3        methods supported by the system, including through assistive technology, and count the  
8.4        votes cast for all candidates and on all questions. Public notice of the time and place of the  
8.5        test must be given at least two days in advance by publication once in official newspapers.  
8.6        The test must be observed by at least two election judges, who are not of the same major  
8.7        political party, and must be open to representatives of the political parties, candidates, the  
8.8        press, and the public. The test must be conducted by (1) processing a preaudited group  
8.9        of ballots punched or marked to record a predetermined number of valid votes for each  
8.10      candidate and on each question, and must include for each office one or more ballot cards  
8.11      which have votes in excess of the number allowed by law in order to test the ability of  
8.12      the voting system tabulator and electronic ballot marker to reject those votes; and (2)  
8.13      processing an additional test deck of ballots marked using the electronic ballot marker  
8.14      for the precinct, including ballots marked using the electronic ballot display, audio ballot  
8.15      reader, and any assistive voting technology used with the electronic ballot marker. If any  
8.16      error is detected, the cause must be ascertained and corrected and an errorless count must  
8.17      be made before the voting system may be used in the election. After the completion of  
8.18      the test, the programs used and ballot cards must be sealed, retained, and disposed of as  
8.19      provided for paper ballots.

8.20      Testing of equipment used for early voting must be conducted as soon as practicable  
8.21      after the equipment has been programmed. Testing of equipment used on the day of the  
8.22      election must be conducted within the 14 days before election day.

8.23      Sec. 16. Minnesota Statutes 2008, section 206.89, subdivision 2, is amended to read:

8.24      Subd. 2. **Selection for review; notice.** At the canvass of the state primary, the  
8.25      county canvassing board in each county must set the date, time, and place for the  
8.26      postelection review of the state general election to be held under this section.

8.27      At the canvass of the state general election, the county canvassing boards must select  
8.28      the precincts to be reviewed by lot. The early ballots counted centrally must be considered  
8.29      a precinct eligible to be selected for the purposes of this subdivision. The county  
8.30      canvassing board of a county with fewer than 50,000 registered voters must conduct a  
8.31      postelection review of a total of at least two precincts. The county canvassing board of a  
8.32      county with between 50,000 and 100,000 registered voters must conduct a review of a total  
8.33      of at least three precincts. The county canvassing board of a county with over 100,000  
8.34      registered voters must conduct a review of a total of at least four precincts, or three percent

of the total number of precincts in the county, whichever is greater. At least one precinct selected in each county must have had more than 150 votes cast at the general election.

The county auditor must notify the secretary of state of the precincts that have been chosen for review and the time and place the postelection review for that county will be conducted, as soon as the decisions are made. If the selection of precincts has not resulted in the selection of at least four precincts in each congressional district, the secretary of state may require counties to select by lot additional precincts to meet the congressional district requirement. The secretary of state must post this information on the office Web site.

Sec. 17. **REPEALER.**

Minnesota Statutes 2008, section 203B.11, subdivision 2, is repealed.

Sec. 18. **EFFECTIVE DATE; APPLICABILITY.**

(a) Sections 1 to 17 are effective when the secretary of state has certified that:

(1) the statewide voter registration system has been tested, shown to properly allow for the tracking of the information required to conduct early voting, and can handle the expected volume of use; and

(2) that voting equipment that can tabulate at least 30 different ballot styles has been certified for use in this state.

(b) Upon certification, sections 1 to 17 apply to all federal, state, county, and city elections held in 2010 and thereafter, and to all other elections held in 2014 and thereafter. A municipality may implement the requirements of this chapter prior to the date provided in this paragraph, if the secretary of state has made the certification required in paragraph

(a) at least 90 days prior to the date of the election at which early voting will be used.

**ARTICLE 2**  
**VACANCIES IN NOMINATION**

Section 1. Minnesota Statutes 2008, section 203B.12, subdivision 2, is amended to read:

**Subd. 2. Examination of return envelopes.** Two or more election judges shall examine each return envelope and shall mark it accepted or rejected in the manner provided in this subdivision. ~~If a ballot has been prepared under section 204B.12, subdivision 2a, or 204B.41, the election judges shall not begin removing ballot envelopes from the return envelopes until 8:00 p.m. on election day, either in the polling place or at an absentee ballot board established under section 203B.13.~~

10.1       The election judges shall mark the return envelope "Accepted" and initial or sign  
10.2       the return envelope below the word "Accepted" if the election judges or a majority  
10.3       of them are satisfied that:

- 10.4             (1) the voter's name and address on the return envelope are the same as the  
10.5       information provided on the absentee ballot application;
- 10.6             (2) the voter's signature on the return envelope is the genuine signature of the  
10.7       individual who made the application for ballots and the certificate has been completed as  
10.8       prescribed in the directions for casting an absentee ballot, except that if a person other  
10.9       than the voter applied for the absentee ballot under applicable Minnesota Rules, the  
10.10      signature is not required to match;
- 10.11            (3) the voter is registered and eligible to vote in the precinct or has included a  
10.12       properly completed voter registration application in the return envelope; and
- 10.13            (4) the voter has not already voted at that election, either in person or by absentee  
10.14       ballot.

10.15       There is no other reason for rejecting an absentee ballot. In particular, failure to  
10.16       place the ballot within the security envelope before placing it in the outer white envelope  
10.17       is not a reason to reject an absentee ballot.

10.18       The return envelope from accepted ballots must be preserved and returned to the  
10.19       county auditor.

10.20       If all or a majority of the election judges examining return envelopes find that  
10.21       an absent voter has failed to meet one of the requirements prescribed in clauses (1) to  
10.22       (4), they shall mark the return envelope "Rejected," initial or sign it below the word  
10.23       "Rejected," and return it to the county auditor.

10.24       Sec. 2. Minnesota Statutes 2008, section 204B.04, subdivision 2, is amended to read:

10.25           **Subd. 2. Candidates seeking nomination by primary.** No individual who  
10.26       seeks nomination for any partisan or nonpartisan office at a primary shall be nominated  
10.27       for the same office by nominating petition, except as otherwise provided for partisan  
10.28       offices in section 204D.10, subdivision 2, ~~and for nonpartisan offices in section 204B.13,~~  
10.29       **subdivision 4.**

10.30       Sec. 3. Minnesota Statutes 2008, section 204B.04, subdivision 3, is amended to read:

10.31           **Subd. 3. Nomination for nonpartisan office.** No individual shall be nominated  
10.32       by nominating petition for any nonpartisan office ~~except in the event of a vacancy in~~  
10.33       ~~nomination as provided in section 204B.13.~~

11.1 Sec. 4. Minnesota Statutes 2008, section 204B.07, subdivision 1, is amended to read:

11.2 Subdivision 1. **Form of petition.** A nominating petition may consist of one or more  
11.3 separate pages each of which shall state:

11.4 (a) the office sought;

11.5 (b) the candidate's name and residence address, including street and number if  
11.6 any; and

11.7 (c) the candidate's political party or political principle expressed in not more than  
11.8 three words. No candidate who files for a partisan office by nominating petition shall use  
11.9 the term "nonpartisan" as a statement of political principle or the name of the candidate's  
11.10 political party. No part of the name of a major political party may be used to designate the  
11.11 political party or principle of a candidate who files for a partisan office by nominating  
11.12 petition, except that the word "independent" may be used to designate the party or  
11.13 principle. ~~A candidate who files by nominating petition to fill a vacancy in nomination for~~  
11.14 ~~a nonpartisan office pursuant to section 204B.13, shall not state any political principle or~~  
11.15 ~~the name of any political party on the petition.~~

11.16 Sec. 5. Minnesota Statutes 2008, section 204B.09, subdivision 1, is amended to read:

11.18 otherwise provided by this subdivision, affidavits of candidacy and nominating petitions  
11.19 for county, state, and federal offices filled at the state general election shall be filed not  
11.20 more than 70 days nor less than 56 days before the state primary. The affidavit may  
11.21 be prepared and signed at any time between 60 days before the filing period opens and
