12.23 Department.

12.24      **Sec. 87. Explanation.**

12.25           This section corrects a reference to the United States Code. In 2015, the Appendix to  
12.26 title 50 of the United States Code was eliminated and most of the non-obsolete provisions  
12.27 were transferred to new chapters 49 to 57 of title 50. United States Code, Appendix, title  
12.28 50, section 511(2), was recodified as title 50, section 3911(2). This section was included at  
12.29 the request of the Department of Revenue.

13.1 **Sec. 88. Explanation.**

13.2 This section corrects an incomplete cross-reference. Paragraph (b) of subdivision 19  
13.3 contains the definition of net income for purposes of the subdivision amended. This section  
13.4 was included at the request of the Department of Revenue.

13.5 **Sec. 89. Explanation.**

13.6 This section corrects references to "qualifying individual" under the Internal Revenue  
13.7 Code, section 21. Currently the statute refers to "qualified individual" which is not a term  
13.8 defined under the Internal Revenue Code, section 21. The erroneous terms were originally  
13.9 added by Laws 1991, chapter 291, article 6, section 25, and Laws 2002, chapter 377, article  
13.10 2, section 9. This change was requested by the Department of Revenue. This section also  
13.11 corrects an error created by Laws 2023, chapter 64, article 1, section 35. That law removed  
13.12 the third item from a list in Minnesota Statutes, section 290.067, subdivision 1, paragraph  
13.13 (e). The change should have also struck a comma and replaced it with the word "or" between  
13.14 the first two items of the list.

13.15 **Sec. 90. Explanation.**

13.16 This section removes an obsolete reference. Minnesota Statutes, section 273.11,  
13.17 subdivision 16, is obsolete by its own terms. It applies to improvements to homestead  
13.18 property made before January 2, 2003. The subdivision is repealed in section 113 of this  
13.19 bill and a cross-reference to it is removed in this section. This section was included at the  
13.20 request of the House Research Department.

13.21 **Sec. 91. Explanation.**

13.22 This section corrects an obsolete term. Laws 2023, chapter 64, article 6, section 4,  
13.23 changed the net proceeds tax on mining to a gross proceeds tax on mining. This section  
13.24 changes the term "net proceeds" to "gross proceeds."

13.25 **Sec. 92. Explanation.**

13.26 This section removes obsolete language relating to a requirement that needed to be  
13.27 completed by December 31, 2017.

13.28 **Sec. 93. Explanation.**

13.29 This section removes obsolete language related to Minnesota Statutes, section 297A.71,  
13.30 subdivision 45, which is repealed in section 113. That subdivision applied to purchases

14.1 made before July 1, 2019, per Laws 2013, chapter 143, article 8, section 37, the effective  
14.2 date, as amended by Laws 2014, chapter 308, article 3, section 33.

14.3 **Sec. 94. Explanation.**

14.4 This section removes obsolete language related to Minnesota Statutes, section 297A.71,  
14.5 subdivision 45, which is repealed in section 113. That subdivision applied to purchases  
14.6 made before July 1, 2019, per Laws 2013, chapter 143, article 8, section 37, the effective  
14.7 date, as amended by Laws 2014, chapter 308, article 3, section 33.

14.8 **Sec. 95. Explanation.**

14.9 This section removes obsolete language related to Minnesota Statutes, section 297A.71,  
14.10 subdivision 45, which is repealed in section 113. That subdivision applied to purchases  
14.11 made before July 1, 2019, per Laws 2013, chapter 143, article 8, section 37, the effective  
14.12 date, as amended by Laws 2014, chapter 308, article 3, section 33.

14.13 **Sec. 96. Explanation.**

14.14 This section corrects an erroneous cross-reference. Misdemeanor violations of obscene  
14.15 or harassing telephone calls are provided for in Minnesota Statutes, section 609.79, not  
14.16 Minnesota Statutes, section 609.749.

14.17 **Sec. 97. Explanation.**

14.18 This section removes obsolete language.

14.19 **Sec. 98. Explanation.**

14.20 This section updates a cross-reference. Minnesota Statutes, section 326B.164, was  
14.21 enacted by Laws 2013, chapter 85, article 2, section 22. During statutory editing, the revisor  
14.22 renumbered section 326B.164, subdivision 3a, to subdivision 4, and renumbered the  
14.23 remaining subdivisions in order. As a result, the reference to section 326B.164, subdivision  
14.24 12, should be to subdivision 13.

14.25 **Sec. 99. Explanation.**

14.26 This section updates a cross-reference. Minnesota Statutes, section 326B.164, was  
14.27 enacted by Laws 2013, chapter 85, article 2, section 22. During statutory editing, the revisor  
14.28 renumbered section 326B.164, subdivision 3a, to subdivision 4, and renumbered the

15.1 remaining subdivisions in order. As a result, the reference to section 326B.164, subdivision  
15.2 5, should be to subdivision 6.

15.3 **Sec. 100. Explanation.**

15.4 This amendment corrects a cross-reference. Laws 2023, chapter 47, article 2, section 3,  
15.5 consolidated two definitions for "dependent child" found in section 353.01, subdivisions  
15.6 15 and 15a, into one definition coded at Minnesota Statutes, section 353.01, subdivision  
15.7 15.

15.8 **Sec. 101. Explanation.**

15.9 This amendment corrects a cross-reference. Laws 2023, chapter 47, article 2, section 3,  
15.10 consolidated two definitions for "dependent child" found in section 353.01, subdivisions  
15.11 15 and 15a, into one definition coded at Minnesota Statutes, section 353.01, subdivision  
15.12 15.

15.13 **Sec. 102. Explanation.**

15.14 This section corrects an obsolete cross-reference. Minnesota Statutes, chapter 144D,  
15.15 was repealed and replaced with chapter 144G, by Laws 2019, chapter 60. The Department  
15.16 of Health was consulted in the preparation of this section.

15.17 **Sec. 103. Explanation.**

15.18 This section removes obsolete language relating to the interest rate earned on security  
15.19 deposits before August 1, 2003.

15.20 **Sec. 104. Explanation.**

15.21 This section corrects an erroneous cross-reference. The definitions of "prosecuting  
15.22 attorney" and "judge" are contained in Minnesota Statutes, section 609.221, subdivision 6,  
15.23 clauses (4) and (5), not subdivision 2.

15.24 **Sec. 105. Explanation.**

15.25 This section corrects erroneous and obsolete cross-references. Laws 2021, First Special  
15.26 Session chapter 11, article 9, moved the definition of "correctional facility" from Minnesota  
15.27 Statutes, section 241.021, subdivision 1, paragraph (f), to subdivision 1i. The definitions of  
15.28 "prosecuting attorney" and "judge" are contained in Minnesota Statutes, section 609.221,  
15.29 subdivision 6, clauses (4) and (5), not subdivision 2.

16.1      **Sec. 106. Explanation.**

16.2           This section corrects an obsolete reference. Laws 2021, First Special Session chapter  
16.3 11, article 9, moved the definition of "correctional facility" from Minnesota Statutes, section  
16.4 241.021, subdivision 1, paragraph (f), to subdivision 1i.

16.5      **Sec. 107. Explanation.**

16.6           This section corrects an incomplete cross-reference. The reference to Minnesota Statutes,  
16.7 section 609.749, subdivision 2, clause (8), should include a paragraph. The correct reference  
16.8 is to Minnesota Statutes, section 609.749, subdivision 2, paragraph (c), clause (8).

16.9      **Sec. 108. Explanation.**

16.10          This section corrects an erroneous cross-reference. A mental health professional giving  
16.11 notice to a sheriff is provided for in Minnesota Statutes, section 624.7171, subdivision 5,  
16.12 not Minnesota Statutes, section 626.7171, subdivision 5. There is no Minnesota Statutes,  
16.13 section 626.7171.

16.14      **Sec. 109. Explanation.**

16.15          This amendment corrects a cross-reference. When coding Minnesota Statutes, section  
16.16 136A.1465, the subdivision numbers assigned in Laws 2023, chapter 41, article 2, section  
16.17 19, were reordered. This section updates the cross-reference to the correct subdivision in  
16.18 Minnesota Statutes.

16.19      **Sec. 110. Explanation.**

16.20          This section corrects a drafting error that resulted in an erroneous range reference. There  
16.21 is no Minnesota Statutes, section 64J.845, nor is there a chapter 64J. The correct  
16.22 cross-reference should be to Minnesota Statutes, section 62J.95, which conforms with  
16.23 legislation (2023 H.F. No. 17/ S.F. No. 168), referred to conference committee and included  
16.24 in the final Act. This section was included at the request of the Office of the Attorney  
16.25 General.

16.26      **Sec. 111. Explanation.**

16.27          This section corrects an erroneous internal cross-reference. The system evaluation is  
16.28 required by paragraph (b), not (a), of this subdivision.

17.1       Sec. 112. **Explanation.**

17.2           This section corrects a cross-reference. 2023 S.F. No. 2934, article 3, section 5, does  
17.3 not have a paragraph (a), clause (6). The correct cross-reference is instead to 2023 S.F. No.  
17.4 2934, article 3, section 3.

17.5       Sec. 113. **Explanation.**

17.6           Subdivision 1. **Conflict resolution.** This section resolves a conflict between two enacted  
17.7 laws. Laws 2023, chapter 53, article 11, section 31, amended Minnesota Statutes, section  
17.8 181.9413, relating to sick leave benefits for the care of relatives. This section was also  
17.9 repealed by Laws 2023, chapter 53, article 12, section 8. The repeal was printed in the main  
17.10 text and the amendment was printed as a note. This repealer allows the revisor to remove  
17.11 the note.

17.12          Subd. 2. **Conflict resolution.** This section resolves a conflict between two enacted laws.  
17.13 Laws 2023, chapter 55, article 1, section 2, proposed a new section, Minnesota Statutes,  
17.14 section 121A.224, requiring opiate antagonists in schools, and specifically requiring each  
17.15 school building to have "two doses of nasal naloxone" available on site. The later enacted  
17.16 Laws 2023, chapter 61, article 5, section 1, proposed a similar section with language that  
17.17 requires each school building to have "at least two doses of a nasal opiate antagonist"  
17.18 available on site. Because the two laws could not be merged editorially, the later enacted  
17.19 section was printed in the main text of Minnesota Statutes, section 122A.224, and the  
17.20 language from Laws 2023, chapter 55, article 1, section 2, was printed as a note. This repealer  
17.21 allows the revisor to remove the note.

17.22          Subd. 3. **Conflict resolution.** This section resolves a conflict between two enacted laws.  
17.23 Laws 2023, chapter 55, article 2, section 54, amended Minnesota Statutes, section 124D.68,  
17.24 by adding language to include a pupil with a disability as an eligible pupil under subdivision  
17.25 2, paragraph (a), and establishing additional eligibility qualifications under paragraph (b).  
17.26 Laws 2023, chapter 55, article 7, section 6, amended the same section by only making  
17.27 changes to paragraph (b) to include a pupil with a disability as an eligible pupil. Because  
17.28 the two sections could not be merged editorially, Laws 2023, chapter 55, article 2, section  
17.29 54, which made more detailed changes, was printed in the main text of Minnesota Statutes,  
17.30 section 124D.68, subdivision 2, and the language from article 7, section 6, was printed as  
17.31 a note. This repealer allows the revisor to remove the note.

17.32          Subd. 4. **Conflict resolution.** This section resolves a conflict between two enacted laws.  
17.33 Laws 2023, chapter 16, section 36, amended Minnesota Statutes, section 260.835, subdivision  
17.34 2, relating to the expiration of the American Indian Child Welfare Advisory Council. This

18.1 subdivision was also repealed by Laws 2023, chapter 50, article 1, section 38. The repeal  
18.2 was printed in the main text and the amendment was printed as a note. This repealer allows  
18.3 the revisor to remove the note.

18.4 Subd. 5. **Conflict resolution.** This section resolves a conflict between two enacted laws.  
18.5 Laws 2023, chapter 57, article 2, section 39, amended Minnesota Statutes, section 62K.10,  
18.6 subdivision 4, relating to insurance provider network adequacy. This subdivision was also  
18.7 amended by Laws 2023, chapter 70, article 2, section 22. The amendment in Laws 2023,  
18.8 chapter 70, included language in the effective date that superseded the change made in Laws  
18.9 2023, chapter 57, article 2, section 39. The changes made by Laws 2023, chapter 70, were  
18.10 printed in the main text and the amendment from Laws 2023, chapter 57, were printed as  
18.11 a note. This repealer allows the revisor to remove the note.

18.12 Subd. 6. **Conflict resolution.** This section resolves a conflict between two enacted laws.  
18.13 Laws 2023, chapter 60, article 7, section 8, amended Minnesota Statutes, section 35.156,  
18.14 subdivision 2, relating to the federal funds account for chronic wasting disease. This  
18.15 subdivision was also repealed by Laws 2023, chapter 42, article 2, section 142. The repeal  
18.16 was printed in the main text and the amendment was printed as a note. This repealer allows  
18.17 the revisor to remove the note.

18.18 Subd. 7. **Obsolete subdivision.** This amendment repeals an obsolete subdivision.  
18.19 Minnesota Statutes, section 13.6435, subdivision 8, provided a data practices cross-reference  
18.20 to financial and production data maintained under Minnesota Statutes, section 32D.25,  
18.21 subdivision 2. Laws 2023, chapter 43, article 2, section 142, repealed Minnesota Statutes,  
18.22 section 32D.25.

18.23 Subd. 8. **Obsolete provisions.** (a) Paragraph (a) removes an obsolete subdivision.  
18.24 Minnesota Statutes, section 273.11, subdivision 16, applies to improvements to homestead  
18.25 property made before January 2, 2003. This paragraph was included at the request of the  
18.26 House Research Department.

18.27 (b) Paragraph (b) removes an obsolete section. Minnesota Statutes, section 16A.727 is  
18.28 obsolete because the commissioner of management and budget has certified that the bonds  
18.29 authorized under Minnesota Statutes, section 16A.965, are no longer outstanding as provided  
18.30 by Laws 2023, chapter 64, article 13, section 18, the effective date.

18.31 (c) Paragraph (c) removes an obsolete subdivision. Minnesota Statutes, section 297A.71,  
18.32 subdivision 45, applied to purchases made before July 1, 2019, according to Laws 2013,  
18.33 chapter 143, article 8, section 37, the effective date, as amended by Laws 2014, chapter  
18.34 308, article 3, section 33.

19.1 Subd. 9. **Conflict resolution.** This subdivision resolves a conflict between two enacted  
19.2 laws. Laws 2023, chapter 63, article 7, section 3, amended Minnesota Statutes, section  
19.3 340A.412, subdivision 14, to permit the sale of "edible cannabinoid products as defined in  
19.4 section 151.72, subdivision 1, paragraph (f)." Article 6, section 52, of the same law also  
19.5 amended Minnesota Statutes, section 340A.412, subdivision 14, to permit the sale of  
19.6 "lower-potency hemp edibles as defined in section 342.01, subdivision 50." The article 7  
19.7 amendment was effective the day following final enactment while the article 6 amendment  
19.8 was effective March 1, 2025. The law did not, however, prospectively repeal or expire the  
19.9 article 7 amendment. Because the two amendments are technically mergeable and the article  
19.10 7 amendment is not repealed or expired, beginning March 1, 2025, Minnesota Statutes,  
19.11 section 340A.412, subdivision 14, would permit the sale of both "edible cannabinoid  
19.12 products" *and* "lower-potency hemp edibles." This was not the legislative intent, which was  
19.13 to replace the sale of one with the other; not permit the sale of both. By repealing the article  
19.14 7 amendment, effective March 1, 2025, the authority to sell "edible cannabinoid products"  
19.15 terminates, consistent with legislative intent, and only the sale of "lower-potency hemp  
19.16 edibles" is permitted under Minnesota Statutes, section 340A.412, subdivision 14.

19.17 Subd. 10. **Conflict resolution.** This subdivision resolves a conflict between two enacted  
19.18 laws. Laws 2023, chapter 63, article 7, section 1, amended Minnesota Statutes, section  
19.19 34A.01, subdivision 4, to clarify that "edible cannabinoid products as defined in section  
19.20 151.72, subdivision 1, paragraph (f)" are not included in the definition of "food." Article 6,  
19.21 section 6, of the same law also amended Minnesota Statutes, section 34A.01, subdivision  
19.22 4, to clarify that "edible cannabis products, as defined in section 342.01, subdivision 20,  
19.23 lower-potency hemp edibles as defined in section 342.01, subdivision 50, and hemp-derived  
19.24 consumer products, as defined in section 342.01, subdivision 37, that are intended to be  
19.25 eaten or consumed as a beverage," are not "food." The article 7 amendment was effective  
19.26 the day following final enactment while the article 6 amendment was effective March 1,  
19.27 2025. The law did not, however, prospectively repeal or expire the article 7 amendment.  
19.28 Because the two amendments are technically mergeable and the article 7 amendment is not  
19.29 repealed or expired, beginning March 1, 2025, the definition of "food" in Minnesota Statutes,  
19.30 section 34A.01, subdivision 4, would exclude "edible cannabinoid products" *and* "edible  
19.31 cannabis products, as defined in section 342.01, subdivision 20, lower-potency hemp edibles  
19.32 as defined in section 342.01, subdivision 50, and hemp-derived consumer products, as  
19.33 defined in section 342.01, subdivision 37, that are intended to be eaten or consumed as a  
19.34 beverage." This was not the legislative intent, which was to replace the exclusion of one  
19.35 with the other; not include both. By repealing the article 7 amendment, effective March 1,  
19.36 2025, "edible cannabinoid products" will no longer be included in the definition of what is

20.1 or is not "food," under Minnesota Statutes, section 34A.01, subdivision 4, consistent with  
20.2 legislative intent.

20.3 Subd. 11. **Expired report.** This subdivision repeals a subdivision containing a report  
20.4 that expired by its own terms, on January 1, 2024.
