20.6 language for purposes of subdivision 1a.

20.7 (b) In addition to paragraph (a), to be eligible to receive a seal:

20.8 (1) students must satisfactorily complete all required English language arts credits; and

20.9 (2) students must demonstrate mastery of Minnesota's English language proficiency
20.10 standards.

20.11 (c) Consistent with this subdivision, a high school student who demonstrates an
20.12 intermediate high ACTFL level of functional proficiency in one language in addition to
20.13 English is eligible to receive the state bilingual gold seal. A high school student who
20.14 demonstrates an intermediate high ACTFL level of functional native proficiency in more
20.15 than one language in addition to English is eligible to receive the state multilingual gold
20.16 seal. A high school student who demonstrates an advanced-low ACTFL level of functional
20.17 proficiency in one language in addition to English is eligible to receive the state bilingual
20.18 platinum seal. A high school student who demonstrates an advanced-low ACTFL level of
20.19 functional proficiency in more than one language in addition to English is eligible to receive
20.20 the state multilingual platinum seal.

20.21 (d) School districts and charter schools may give students periodic opportunities to
20.22 demonstrate their level of proficiency in listening, speaking, reading, and writing in a
20.23 language in addition to English. Where valid and reliable assessments are unavailable, a
20.24 school district or charter school may rely on evaluators trained in assessing under ACTFL
20.25 proficiency guidelines to assess a student's level of foreign, heritage, or indigenous language
20.26 proficiency under this section. School districts and charter schools must maintain appropriate
20.27 records to identify high school students eligible to receive the state bilingual or multilingual
20.28 gold and platinum seals. The school district or charter school must affix the appropriate seal
20.29 to the transcript of each high school student who meets the requirements of this subdivision
20.30 and may affix the seal to the student's diploma. A school district or charter school must not
20.31 charge the high school student a fee for this seal.

20.32 (e) A school district or charter school may award elective course credits in world
20.33 languages to a student who demonstrates the requisite proficiency in a language other than
20.34 English under this section.

21.1 (f) A school district or charter school may award community service credit to a student
21.2 who demonstrates an intermediate high or advanced-low ACTFL level of functional
21.3 proficiency in listening, speaking, reading, and writing in a language other than English
21.4 and who participates in community service activities that are integrated into the curriculum,
21.5 involve the participation of teachers, and support biliteracy in the school or local community.

21.6 (g) The commissioner must list on the Web page those assessments that are aligned to
21.7 ACTFL proficiency guidelines.

21.8 (h) By August 1, 2015, the colleges and universities of the Minnesota State Colleges
21.9 and Universities system must establish criteria to translate the seals into college credits
21.10 based on the world language course equivalencies identified by the Minnesota State Colleges
21.11 and Universities faculty and staff and, upon request from an enrolled student, the Minnesota
21.12 State Colleges and Universities may award foreign language credits to a student who receives
21.13 a Minnesota World Language Proficiency Certificate under subdivision 1a. A student who
21.14 demonstrated the requisite level of language proficiency in grade 10, 11, or 12 to receive a
21.15 seal or certificate and is enrolled in a Minnesota State Colleges and Universities institution
21.16 must request college credits for the student's seal or proficiency certificate within three
21.17 academic years after graduating from high school. The University of Minnesota is encouraged
21.18 to award students foreign language academic credits consistent with this paragraph.

21.19 Sec. 7. Minnesota Statutes 2016, section 120B.12, subdivision 2, is amended to read:

21.20 Subd. 2. **Identification; report.** (a) Each school district shall identify before the end of
21.21 kindergarten, grade 1, and grade 2 students who are not reading at grade level before the
21.22 end of the current school year and shall identify students in grade 3 or higher who
21.23 demonstrate a reading difficulty to a classroom teacher. Reading assessments in English,
21.24 and in the predominant languages of district students where practicable, must identify and
21.25 evaluate students' areas of academic need related to literacy. The district also must monitor
21.26 the progress and provide reading instruction appropriate to the specific needs of English
21.27 learners. The district must use a locally adopted, developmentally appropriate, and culturally
21.28 responsive assessment and annually report summary assessment results to the commissioner
21.29 by July 1. The district also must annually report to the commissioner by July 1 a summary
21.30 of the district's efforts to screen and identify students with:

21.31 (1) dyslexia, using screening tools such as those recommended by the department's
21.32 dyslexia and literacy specialist; or

21.33 (2) convergence insufficiency disorder to the commissioner by July 1.

22.1 (b) A student identified under this subdivision must be provided with alternate instruction
 22.2 under section 125A.56, subdivision 1.

22.3 Sec. 8. 120B.122] DYSLEXIA SPECIALIST.

22.4 Subdivision 1. Purpose. The department must employ a dyslexia specialist to provide
 22.5 technical assistance for dyslexia and related disorders and to serve as the primary source of
 22.6 information and support for schools in addressing the needs of students with dyslexia and
 22.7 related disorders. The dyslexia specialist shall also act to increase professional awareness
 22.8 and instructional competencies to meet the educational needs of students with dyslexia or
 22.9 identified with risk characteristics associated with dyslexia and shall develop implementation
 22.10 guidance and make recommendations to the commissioner consistent with section 122A.06,
 22.11 subdivision 4, to be used to assist general education teachers and special education teachers
 22.12 to recognize educational needs and to improve literacy outcomes for students with dyslexia
 22.13 or identified with risk characteristics associated with dyslexia.

22.14 Subd. 2. Definition. For purposes of this section, a "dyslexia specialist" means a dyslexia
 22.15 therapist, licensed psychologist, licensed speech-language pathologist, or certified dyslexia
 22.16 training specialist who has a minimum of three years of field experience in screening,
 22.17 identifying, and treating dyslexia and related disorders.

22.18 Subd. 3. Requirements. A dyslexia specialist shall be highly trained in dyslexia and
 22.19 related disorders and in using interventions and treatments that are evidence-based,
 22.20 multisensory, direct, explicit, structured, and sequential in the areas of phonics, phonemic
 22.21 awareness, vocabulary, fluency, and comprehension.

22.22 Sec. 9. Minnesota Statutes 2016, section 120B.22, subdivision 2, is amended to read:

22.23 Subd. 2. **In-service training.** Each district is encouraged to provide training for district
 22.24 staff and school board members ~~to help~~ on the following:

22.25 (1) helping students identify violence in the family and the community so that students
 22.26 may learn to resolve conflicts in effective, nonviolent ways;

22.27 (2) responding to a disclosure of child sexual abuse in a supportive, appropriate manner;
 22.28 and

22.29 (3) complying with mandatory reporting requirements under section 626.556.

22.30 The in-service training must be ongoing and involve experts familiar with sexual abuse,
 22.31 domestic violence, and personal safety issues.

23.1 Sec. 10. Minnesota Statutes 2016, section 120B.23, subdivision 3, is amended to read:

23.2 Subd. 3. **Grant awards.** (a) The commissioner may award grants for a violence
23.3 prevention education program to eligible applicants as defined in subdivision 2. Grant
23.4 amounts may not exceed \$3 per resident pupil unit in the district or group of districts in the
23.5 prior school year. Grant recipients should be geographically distributed throughout the state.

23.6 (b) School districts and charter schools may accept funds from private and other public
23.7 sources for child sexual abuse prevention programs developed and implemented under
23.8 sections 120B.021, subdivision 1, paragraph (d), and 120B.234, including federal funding
23.9 under the Every Student Succeeds Act.

23.10 Sec. 11. Minnesota Statutes 2016, section 120B.232, subdivision 1, is amended to read:

23.11 Subdivision 1. **Character development education.** (a) Character education is the shared
23.12 responsibility of parents, teachers, and members of the community. The legislature
23.13 encourages districts to integrate or offer instruction on character education including, but
23.14 not limited to, character qualities such as attentiveness, truthfulness, respect for authority,
23.15 diligence, gratefulness, self-discipline, patience, forgiveness, respect for others, peacemaking,
23.16 and resourcefulness. Instruction should be integrated into a district's existing programs,
23.17 curriculum, or the general school environment. To the extent practicable, instruction should
23.18 be integrated into positive behavioral intervention strategies, under section 122A.627. The
23.19 commissioner shall provide assistance at the request of a district to develop character
23.20 education curriculum and programs.

23.21 (b) Character development education under paragraph (a) may include a voluntary
23.22 elementary, middle, and high school program that incorporates the history and values of
23.23 Congressional Medal of Honor recipients and may be offered as part of the social studies,
23.24 English language arts, or other curriculum, as a schoolwide character building and veteran
23.25 awareness initiative, or as an after-school program, among other possibilities.

23.26 Sec. 12. **[120B.234] CHILD SEXUAL ABUSE PREVENTION EDUCATION.**

23.27 Subdivision 1. **Purpose.** The purpose of this section, which may be cited as "Erin's
23.28 Law," is to encourage districts to integrate or offer instruction on child sexual abuse
23.29 prevention to students and training to all school personnel on recognizing and preventing
23.30 sexual abuse and sexual violence.

23.31 Subd. 2. **Curriculum.** School districts may consult with other federal, state, or local
23.32 agencies and community-based organizations, including the Child Information Gateway

24.1 Web site maintained by the United States Department of Health and Human Services, to
24.2 identify research-based tools, curricula, and programs to prevent child sexual abuse for use
24.3 under section 120B.021, subdivision 1, paragraph (d).

24.4 Subd. 3. **Other state programs.** The child sexual abuse prevention instruction provided
24.5 under this section is part of preventing sexual violence against children, which includes,
24.6 but is not limited to, the following activities:

24.7 (1) training on mandated reporting requirements provided on the Department of
24.8 Education's Web site;

24.9 (2) the Code of Ethics for Minnesota Teachers; and

24.10 (3) consultation by the commissioner of education with the commissioners of health,
24.11 human services, and public safety, and other state agencies to prevent violence against
24.12 children.

24.13 Subd. 4. **Report.** The commissioner of education must submit a report by November 1,
24.14 2019, to the chairs and ranking minority members of the legislative committees with
24.15 jurisdiction over kindergarten through grade 12 education, providing information regarding
24.16 child sexual abuse prevention programs developed and implemented by school districts and
24.17 charter schools. The report must include information regarding the students and personnel
24.18 served, program activities, and program revenue sources and expenditures.

24.19 **EFFECTIVE DATE.** This section is effective the day following final enactment.

24.20 Sec. 13. Minnesota Statutes 2016, section 120B.30, subdivision 1, is amended to read:

24.21 Subdivision 1. **Statewide testing.** (a) The commissioner, with advice from experts with
24.22 appropriate technical qualifications and experience and stakeholders, consistent with
24.23 subdivision 1a, shall include in the comprehensive assessment system, for each grade level
24.24 to be tested, state-constructed tests developed as computer-adaptive reading and mathematics
24.25 assessments for students that are aligned with the state's required academic standards under
24.26 section 120B.021, include multiple choice questions, and are administered annually to all
24.27 students in grades 3 through 8. State-developed high school tests aligned with the state's
24.28 required academic standards under section 120B.021 and administered to all high school
24.29 students in a subject other than writing must include multiple choice questions. The
24.30 commissioner shall establish one or more months during which schools shall administer
24.31 the tests to students each school year.

24.32 (1) Students enrolled in grade 8 through the 2009-2010 school year are eligible to be
24.33 assessed under (i) the graduation-required assessment for diploma in reading, mathematics,

25.1 or writing under Minnesota Statutes 2012, section 120B.30, subdivision 1, paragraphs (c),
25.2 clauses (1) and (2), and (d), (ii) the WorkKeys job skills assessment, (iii) the Compass
25.3 college placement test, (iv) the ACT assessment for college admission, (v) a nationally
25.4 recognized armed services vocational aptitude test.

25.5 (2) Students enrolled in grade 8 in the 2010-2011 or 2011-2012 school year are eligible
25.6 to be assessed under (i) the graduation-required assessment for diploma in reading,
25.7 mathematics, or writing under Minnesota Statutes 2012, section 120B.30, subdivision 1,
25.8 paragraph (c), clauses (1) and (2), (ii) the WorkKeys job skills assessment, (iii) the Compass
25.9 college placement test, (iv) the ACT assessment for college admission, (v) a nationally
25.10 recognized armed services vocational aptitude test.

25.11 (3) For students under clause (1) or (2), a school district may substitute a score from an
25.12 alternative, equivalent assessment to satisfy the requirements of this paragraph.

25.13 (b) The state assessment system must be aligned to the most recent revision of academic
25.14 standards as described in section 120B.023 in the following manner:

25.15 (1) mathematics;

25.16 (i) grades 3 through 8 beginning in the 2010-2011 school year; and

25.17 (ii) high school level beginning in the 2013-2014 school year;

25.18 (2) science; grades 5 and 8 and at the high school level beginning in the 2011-2012
25.19 school year; and

25.20 (3) language arts and reading; grades 3 through 8 and high school level beginning in the
25.21 2012-2013 school year.

25.22 (c) For students enrolled in grade 8 in the 2012-2013 school year and later, students'
25.23 state graduation requirements, based on a longitudinal, systematic approach to student
25.24 education and career planning, assessment, instructional support, and evaluation, include
25.25 the following:

25.26 (1) ~~an opportunity to participate on a nationally normed college entrance exam, in grade~~
25.27 ~~11 or grade 12;~~

25.28 ~~(2)~~ achievement and career and college readiness in mathematics, reading, and writing,
25.29 consistent with paragraph (k) and to the extent available, to monitor students' continuous
25.30 development of and growth in requisite knowledge and skills; analyze students' progress
25.31 and performance levels, identifying students' academic strengths and diagnosing areas where
25.32 students require curriculum or instructional adjustments, targeted interventions, or

26.1 remediation; and, based on analysis of students' progress and performance data, determine
26.2 students' learning and instructional needs and the instructional tools and best practices that
26.3 support academic rigor for the student; and

26.4 ~~(3)~~ (2) consistent with this paragraph and section 120B.125, age-appropriate exploration
26.5 and planning activities and career assessments to encourage students to identify personally
26.6 relevant career interests and aptitudes and help students and their families develop a regularly
26.7 reexamined transition plan for postsecondary education or employment without need for
26.8 postsecondary remediation.

26.9 Based on appropriate state guidelines, students with an individualized education program
26.10 may satisfy state graduation requirements by achieving an individual score on the
26.11 state-identified alternative assessments.

26.12 (d) Expectations of schools, districts, and the state for career or college readiness under
26.13 this subdivision must be comparable in rigor, clarity of purpose, and rates of student
26.14 completion.

26.15 A student under paragraph (c), clause ~~(2)~~ (1), must receive targeted, relevant, academically
26.16 rigorous, and resourced instruction, which may include a targeted instruction and intervention
26.17 plan focused on improving the student's knowledge and skills in core subjects so that the
26.18 student has a reasonable chance to succeed in a career or college without need for
26.19 postsecondary remediation. Consistent with sections 120B.13, 124D.09, 124D.091, 124D.49,
26.20 and related sections, an enrolling school or district must actively encourage a student in
26.21 grade 11 or 12 who is identified as academically ready for a career or college to participate
26.22 in courses and programs awarding college credit to high school students. Students are not
26.23 required to achieve a specified score or level of proficiency on an assessment under this
26.24 subdivision to graduate from high school.

26.25 (e) Though not a high school graduation requirement, students are encouraged to
26.26 participate in a nationally recognized college entrance exam. To the extent state funding
26.27 for college entrance exam fees is available, a district must ~~pay the cost~~ reimburse a student
26.28 in grade 11 or 12 who is eligible for a free or reduced-price meal, one time, for an interested
26.29 student in grade 11 or 12 to take for the registration fees associated with a nationally
26.30 recognized college entrance exam before graduating. A student must be able to take the
26.31 exam under this paragraph at the student's high school during the school day and at any one
26.32 of the multiple exam administrations available to students in the district. In order to comply
26.33 with this subdivision, a district may administer the ACT or SAT or both the ACT and SAT
26.34 to comply with this paragraph at the student's high school or arrange for the student to take

27.1 the exam at another location. ~~If the district administers only one of these two tests and a~~
27.2 ~~student opts not to take that test and chooses instead to take the other of the two tests, the~~
27.3 A free or reduced-price meal eligible student may take the ~~other test~~ exam at a different
27.4 time or location and remains eligible for the examination fee reimbursement.

27.5 (f) The commissioner and the chancellor of the Minnesota State Colleges and Universities
27.6 must collaborate in aligning instruction and assessments for adult basic education students
27.7 and English learners to provide the students with diagnostic information about any targeted
27.8 interventions, accommodations, modifications, and supports they need so that assessments
27.9 and other performance measures are accessible to them and they may seek postsecondary
27.10 education or employment without need for postsecondary remediation. When administering
27.11 formative or summative assessments used to measure the academic progress, including the
27.12 oral academic development, of English learners and inform their instruction, schools must
27.13 ensure that the assessments are accessible to the students and students have the modifications
27.14 and supports they need to sufficiently understand the assessments.

27.15 (g) Districts and schools, on an annual basis, must use career exploration elements to
27.16 help students, beginning no later than grade 9, and their families explore and plan for
27.17 postsecondary education or careers based on the students' interests, aptitudes, and aspirations.
27.18 Districts and schools must use timely regional labor market information and partnerships,
27.19 among other resources, to help students and their families successfully develop, pursue,
27.20 review, and revise an individualized plan for postsecondary education or a career. This
27.21 process must help increase students' engagement in and connection to school, improve
27.22 students' knowledge and skills, and deepen students' understanding of career pathways as
27.23 a sequence of academic and career courses that lead to an industry-recognized credential,
27.24 an associate's degree, or a bachelor's degree and are available to all students, whatever their
27.25 interests and career goals.

27.26 (h) A student who demonstrates attainment of required state academic standards, which
27.27 include career and college readiness benchmarks, on high school assessments under
27.28 subdivision 1a is academically ready for a career or college and is encouraged to participate
27.29 in courses awarding college credit to high school students. Such courses and programs may
27.30 include sequential courses of study within broad career areas and technical skill assessments
27.31 that extend beyond course grades.

27.32 (i) As appropriate, students through grade 12 must continue to participate in targeted
27.33 instruction, intervention, or remediation and be encouraged to participate in courses awarding
27.34 college credit to high school students.

28.1 (j) In developing, supporting, and improving students' academic readiness for a career
28.2 or college, schools, districts, and the state must have a continuum of empirically derived,
28.3 clearly defined benchmarks focused on students' attainment of knowledge and skills so that
28.4 students, their parents, and teachers know how well students must perform to have a
28.5 reasonable chance to succeed in a career or college without need for postsecondary
28.6 remediation. The commissioner, in consultation with local school officials and educators,
28.7 and Minnesota's public postsecondary institutions must ensure that the foundational
28.8 knowledge and skills for students' successful performance in postsecondary employment
28.9 or education and an articulated series of possible targeted interventions are clearly identified
28.10 and satisfy Minnesota's postsecondary admissions requirements.

28.11 (k) For students in grade 8 in the 2012-2013 school year and later, a school, district, or
28.12 charter school must record on the high school transcript a student's progress toward career
28.13 and college readiness, and for other students as soon as practicable.

28.14 (l) The school board granting students their diplomas may formally decide to include a
28.15 notation of high achievement on the high school diplomas of those graduating seniors who,
28.16 according to established school board criteria, demonstrate exemplary academic achievement
28.17 during high school.

28.18 (m) The 3rd through 8th grade computer-adaptive assessment results and high school
28.19 test results shall be available to districts for diagnostic purposes affecting student learning
28.20 and district instruction and curriculum, and for establishing educational accountability. The
28.21 commissioner must establish empirically derived benchmarks on adaptive assessments in
28.22 grades 3 through 8. The commissioner, in consultation with the chancellor of the Minnesota
28.23 State Colleges and Universities, must establish empirically derived benchmarks on the high
28.24 school tests that reveal a trajectory toward career and college readiness consistent with
28.25 section 136F.302, subdivision 1a. The commissioner must disseminate to the public the
28.26 computer-adaptive assessments and high school test results upon receiving those results.

28.27 (n) The grades 3 through 8 computer-adaptive assessments and high school tests must
28.28 be aligned with state academic standards. The commissioner shall determine the testing
28.29 process and the order of administration. The statewide results shall be aggregated at the site
28.30 and district level, consistent with subdivision 1a.

28.31 (o) The commissioner shall include the following components in the statewide public
28.32 reporting system:

29.1 (1) uniform statewide computer-adaptive assessments of all students in grades 3 through
29.2 8 and testing at the high school levels that provides appropriate, technically sound
29.3 accommodations or alternate assessments;

29.4 (2) educational indicators that can be aggregated and compared across school districts
29.5 and across time on a statewide basis, including average daily attendance, high school
29.6 graduation rates, and high school drop-out rates by age and grade level;

29.7 (3) state results on the American College Test; and

29.8 (4) state results from participation in the National Assessment of Educational Progress
29.9 so that the state can benchmark its performance against the nation and other states, and,
29.10 where possible, against other countries, and contribute to the national effort to monitor
29.11 achievement.

29.12 (p) For purposes of statewide accountability, "career and college ready" means a high
29.13 school graduate has the knowledge, skills, and competencies to successfully pursue a career
29.14 pathway, including postsecondary credit leading to a degree, diploma, certificate, or
29.15 industry-recognized credential and employment. Students who are career and college ready
29.16 are able to successfully complete credit-bearing coursework at a two- or four-year college
29.17 or university or other credit-bearing postsecondary program without need for remediation.

29.18 (q) For purposes of statewide accountability, "cultural competence," "cultural
29.19 competency," or "culturally competent" means the ability ~~and will~~ of families and educators
29.20 to interact effectively with people of different cultures, native languages, and socioeconomic
29.21 backgrounds.

29.22 Sec. 14. Minnesota Statutes 2016, section 120B.31, is amended by adding a subdivision
29.23 to read:

29.24 Subd. 3a. **Rollout sites; report.** The commissioner of education shall designate up to
29.25 six school districts or charter schools as rollout sites.

29.26 (a) The rollout sites should represent urban school districts, suburban school districts,
29.27 nonurban school districts, and charter schools. The commissioner shall designate rollout
29.28 sites and notify the schools by August 1, 2017, and the designated school districts or charter
29.29 schools shall have the right to opt-out or opt-in as rollout sites by September 1, 2017.

29.30 (b) The commissioner must consult stakeholders and review the American Community
29.31 Survey to develop recommendations for best practices for disaggregated data. Stakeholders
29.32 consulted under this paragraph include at least:

30.1 (1) the rollout sites;

30.2 (2) parent groups; and

30.3 (3) community representatives.

30.4 (c) The commissioner shall report to the legislative committees having jurisdiction over
30.5 kindergarten through grade 12 education policy and finance by February 1, 2018. The
30.6 commissioner may research best practices from other states that have disaggregated data
30.7 beyond the requirements of the most recent reauthorization of the Elementary and Secondary
30.8 Education Act. The recommendations may address:

30.9 (1) the most meaningful use of disaggregated data, including but not limited to which
30.10 reports should include further disaggregated data;

30.11 (2) collection of additional student characteristics, including but not limited to ensuring
30.12 enhanced enrollment forms:

30.13 (i) provide context and the objective of additional data;

30.14 (ii) are designed to convey respect and acknowledgment of the sensitive nature of the
30.15 additional data; and

30.16 (iii) are designed to collect data consistent with user feedback;

30.17 (3) efficient data-reporting approaches when reporting additional information to the
30.18 department;

30.19 (4) the frequency by which districts and schools must update enrollment forms to meet
30.20 the needs of the state's changing racial and ethnic demographics; and

30.21 (5) the criteria for determining additional data. This recommendation should include a
30.22 recommendation for frequency of reviews and updates of the additional data and should
30.23 also identify the approach of updating any additional census data and data on new enrollees.
30.24 This recommendation must consider additional student groups that may face education
30.25 disparities and must take into account maintaining student privacy and providing
30.26 nonidentifiable student level data.

30.27 **EFFECTIVE DATE.** This section is effective for the 2018-2019 school year and later.

30.28 Sec. 15. Minnesota Statutes 2016, section 120B.31, subdivision 4, is amended to read:

30.29 Subd. 4. **Student performance data.** In developing policies and assessment processes
30.30 to hold schools and districts accountable for high levels of academic standards under section
30.31 120B.021, the commissioner shall aggregate and disaggregate student data over time to

31.1 report summary student performance and growth levels and, under section 120B.11,
 31.2 subdivision 2, clause (2), student learning and outcome data measured at the school, school
 31.3 district, and statewide level. The commissioner shall use the student categories identified
 31.4 under the federal Elementary and Secondary Education Act, as most recently reauthorized,
 31.5 and student categories of:

31.6 (1) homelessness;

31.7 (2) ethnicity; under section 120B.35, subdivision 3, paragraph (a), clause (2);

31.8 (3) race; under section 120B.35, subdivision 3, paragraph (a), clause (2);

31.9 (4) home language; ~~immigrant, refugee status;~~

31.10 (5) English learners under section 124D.59;

31.11 (6) free or reduced-price lunch; and

31.12 (7) other categories designated by federal law to organize and report the data so that
 31.13 state and local policy makers can understand the educational implications of changes in
 31.14 districts' demographic profiles over time as data are available.

31.15 Any report the commissioner disseminates containing summary data on student performance
 31.16 must integrate student performance and the demographic factors that strongly correlate with
 31.17 that performance.

31.18 **EFFECTIVE DATE.** This section is effective for the 2019-2020 school year and later.

31.19 Sec. 16. Minnesota Statutes 2016, section 120B.35, subdivision 3, is amended to read:

31.20 Subd. 3. **State growth target; other state measures.** (a)(1) The state's educational
 31.21 assessment system measuring individual students' educational growth is based on indicators
 31.22 of achievement growth that show an individual student's prior achievement. Indicators of
 31.23 achievement and prior achievement must be based on highly reliable statewide or districtwide
 31.24 assessments.

31.25 (2) For purposes of paragraphs (b), (c), and (d), the commissioner must analyze and
 31.26 report separate categories of information using the student categories identified under the
 31.27 federal Elementary and Secondary Education Act, as most recently reauthorized, and, in
 31.28 addition to "other" for each race and ethnicity, and the Karen community, ~~other student~~
 31.29 ~~categories as determined by the total Minnesota population at or above the 1,000-person~~
 31.30 ~~threshold based on the most recent decennial census, including ethnicity; race; refugee status~~
 31.31 ~~seven of the most populous Asian and Pacific Islander groups, three of the most populous~~
 31.32 ~~Native groups, seven of the most populous Hispanic/Latino groups, and five of the most~~

32.1 populous Black and African Heritage groups as determined by the total Minnesota population
32.2 based on the most recent American Community Survey; English learners under section
32.3 124D.59; home language; free or reduced-price lunch; ~~immigrant~~; and all students enrolled
32.4 in a Minnesota public school who are currently or were previously in foster care, except
32.5 that such disaggregation and cross tabulation is not required if the number of students in a
32.6 category is insufficient to yield statistically reliable information or the results would reveal
32.7 personally identifiable information about an individual student.

32.8 (b) The commissioner, in consultation with a stakeholder group that includes assessment
32.9 and evaluation directors, district staff, experts in culturally responsive teaching, and
32.10 researchers, must implement a model that uses a value-added growth indicator and includes
32.11 criteria for identifying schools and school districts that demonstrate medium and high growth
32.12 under section 120B.299, subdivisions 8 and 9, and may recommend other value-added
32.13 measures under section 120B.299, subdivision 3. The model may be used to advance
32.14 educators' professional development and replicate programs that succeed in meeting students'
32.15 diverse learning needs. Data on individual teachers generated under the model are personnel
32.16 data under section 13.43. The model must allow users to:

32.17 (1) report student growth consistent with this paragraph; and

32.18 (2) for all student categories, report and compare aggregated and disaggregated state
32.19 student growth and, under section 120B.11, subdivision 2, clause (2), student learning and
32.20 outcome data using the student categories identified under the federal Elementary and
32.21 Secondary Education Act, as most recently reauthorized, and other student categories under
32.22 paragraph (a), clause (2).

32.23 The commissioner must report measures of student growth and, under section 120B.11,
32.24 subdivision 2, clause (2), student learning and outcome data, consistent with this paragraph,
32.25 including the English language development, academic progress, and oral academic
32.26 development of English learners and their native language development if the native language
32.27 is used as a language of instruction, and include data on all pupils enrolled in a Minnesota
32.28 public school course or program who are currently or were previously counted as an English
32.29 learner under section 124D.59.

32.30 (c) When reporting student performance under section 120B.36, subdivision 1, the
32.31 commissioner annually, beginning July 1, 2011, must report two core measures indicating
32.32 the extent to which current high school graduates are being prepared for postsecondary
32.33 academic and career opportunities:

33.1 (1) a preparation measure indicating the number and percentage of high school graduates
33.2 in the most recent school year who completed course work important to preparing them for
33.3 postsecondary academic and career opportunities, consistent with the core academic subjects
33.4 required for admission to Minnesota's public colleges and universities as determined by the
33.5 Office of Higher Education under chapter 136A; and

33.6 (2) a rigorous coursework measure indicating the number and percentage of high school
33.7 graduates in the most recent school year who successfully completed one or more
33.8 college-level advanced placement, international baccalaureate, postsecondary enrollment
33.9 options including concurrent enrollment, other rigorous courses of study under section
33.10 120B.021, subdivision 1a, or industry certification courses or programs.

33.11 When reporting the core measures under clauses (1) and (2), the commissioner must also
33.12 analyze and report separate categories of information using the student categories identified
33.13 under the federal Elementary and Secondary Education Act, as most recently reauthorized,
33.14 and other student categories under paragraph (a), clause (2).

33.15 (d) When reporting student performance under section 120B.36, subdivision 1, the
33.16 commissioner annually, beginning July 1, 2014, must report summary data on school safety
33.17 and students' engagement and connection at school, consistent with the student categories
33.18 identified under paragraph (a), clause (2). The summary data under this paragraph are
33.19 separate from and must not be used for any purpose related to measuring or evaluating the
33.20 performance of classroom teachers. The commissioner, in consultation with qualified experts
33.21 on student engagement and connection and classroom teachers, must identify highly reliable
33.22 variables that generate summary data under this paragraph. The summary data may be used
33.23 at school, district, and state levels only. Any data on individuals received, collected, or
33.24 created that are used to generate the summary data under this paragraph are nonpublic data
33.25 under section 13.02, subdivision 9.

33.26 (e) For purposes of statewide educational accountability, the commissioner must identify
33.27 and report measures that demonstrate the success of learning year program providers under
33.28 sections 123A.05 and 124D.68, among other such providers, in improving students'
33.29 graduation outcomes. The commissioner, beginning July 1, 2015, must annually report
33.30 summary data on:

33.31 (1) the four- and six-year graduation rates of students under this paragraph;

33.32 (2) the percent of students under this paragraph whose progress and performance levels
33.33 are meeting career and college readiness benchmarks under section 120B.30, subdivision
33.34 1; and

34.1 (3) the success that learning year program providers experience in:

34.2 (i) identifying at-risk and off-track student populations by grade;

34.3 (ii) providing successful prevention and intervention strategies for at-risk students;

34.4 (iii) providing successful recuperative and recovery or reenrollment strategies for off-track
34.5 students; and

34.6 (iv) improving the graduation outcomes of at-risk and off-track students.

34.7 The commissioner may include in the annual report summary data on other education
34.8 providers serving a majority of students eligible to participate in a learning year program.

34.9 (f) The commissioner, in consultation with recognized experts with knowledge and
34.10 experience in assessing the language proficiency and academic performance of all English
34.11 learners enrolled in a Minnesota public school course or program who are currently or were
34.12 previously counted as an English learner under section 124D.59, must identify and report
34.13 appropriate and effective measures to improve current categories of language difficulty and
34.14 assessments, and monitor and report data on students' English proficiency levels, program
34.15 placement, and academic language development, including oral academic language.

34.16 (g) When reporting four- and six-year graduation rates, the commissioner or school
34.17 district must disaggregate the data by student categories according to paragraph (a), clause
34.18 (2).

34.19 (h) A school district must inform parents and guardians that volunteering information
34.20 on student categories not required by the most recent reauthorization of the Elementary and
34.21 Secondary Education Act is optional and will not violate the privacy of students or their
34.22 families, parents, or guardians. The notice must state the purpose for collecting the student
34.23 data.

34.24 **EFFECTIVE DATE.** This section is effective for the 2018-2019 school year and later
34.25 for rollout sites under Minnesota Statutes, section 120B.31, subdivision 3a. This section is
34.26 effective for the 2019-2020 school year and later for all other schools.

34.27 Sec. 17. Minnesota Statutes 2016, section 120B.36, subdivision 1, is amended to read:

34.28 Subdivision 1. **School performance reports and public reporting.** (a) The commissioner
34.29 shall report student academic performance data under section 120B.35, subdivisions 2 and
34.30 3; the percentages of students showing low, medium, and high growth under section 120B.35,
34.31 subdivision 3, paragraph (b); school safety and student engagement and connection under
34.32 section 120B.35, subdivision 3, paragraph (d); rigorous coursework under section 120B.35,

35.1 subdivision 3, paragraph (c); the percentage of students under section 120B.35, subdivision
35.2 3, paragraph (b), clause (2), whose progress and performance levels are meeting career and
35.3 college readiness benchmarks under sections 120B.30, subdivision 1, and 120B.35,
35.4 subdivision 3, paragraph (e); longitudinal data on the progress of eligible districts in reducing
35.5 disparities in students' academic achievement and realizing racial and economic integration
35.6 under section 124D.861; the acquisition of English, and where practicable, native language
35.7 academic literacy, including oral academic language, and the academic progress of all
35.8 English learners enrolled in a Minnesota public school course or program who are currently
35.9 or were previously counted as English learners under section 124D.59; two separate
35.10 student-to-teacher ratios that clearly indicate the definition of teacher consistent with sections
35.11 122A.06 and 122A.15 for purposes of determining these ratios; staff characteristics excluding
35.12 salaries; student enrollment demographics; foster care status, including all students enrolled
35.13 in a Minnesota public school course or program who are currently or were previously in
35.14 foster care, student homelessness, and district mobility; and extracurricular activities. ~~The~~
35.15 ~~report also must indicate a school's status under applicable federal law.~~

35.16 (b) The school performance report for a school site and a school district must include
35.17 school performance reporting information and calculate proficiency rates as required by the
35.18 most recently reauthorized Elementary and Secondary Education Act.

35.19 (c) The commissioner shall develop, annually update, and post on the department Web
35.20 site school performance reports consistent with paragraph (a) and section 120B.11.

35.21 ~~(e)~~ (d) The commissioner must make available performance reports by the beginning of
35.22 each school year.

35.23 ~~(d)~~ (e) A school or district may appeal its results in a form and manner determined by
35.24 the commissioner and consistent with federal law. The commissioner's decision to uphold
35.25 or deny an appeal is final.

35.26 ~~(e)~~ (f) School performance data are nonpublic data under section 13.02, subdivision 9,
35.27 until the commissioner publicly releases the data. The commissioner shall annually post
35.28 school performance reports to the department's public Web site no later than September 1,
35.29 except that in years when the reports reflect new performance standards, the commissioner
35.30 shall post the school performance reports no later than October 1.

35.31 **EFFECTIVE DATE.** This section is effective for the 2017-2018 school year and later.

36.1 Sec. 18. Minnesota Statutes 2016, section 124D.03, subdivision 5a, is amended to read:

36.2 Subd. 5a. **Lotteries.** If a school district has more applications than available seats at a
36.3 specific grade level, it must hold an impartial lottery following the January 15 deadline to
36.4 determine which students will receive seats. The district must give priority to enrolling
36.5 siblings of currently enrolled students, students whose applications are related to an approved
36.6 integration and achievement plan, and children of the school district's staff must receive
36.7 priority in the lottery, and students residing in that part of a municipality, defined under
36.8 section 469.1812, subdivision 3, where:

36.9 (1) the student's resident district does not operate a school building;

36.10 (2) the nonresident district in which the student seeks to enroll operates one or more
36.11 school buildings within the municipality; and

36.12 (3) no other nonresident district operates a school building within the municipality.

36.13 The process for the school district lottery must be established in school district policy,
36.14 approved by the school board, and posted on the school district's Web site.

36.15 **EFFECTIVE DATE.** This section is effective for lotteries conducted beginning July
36.16 1, 2017.

36.17 Sec. 19. Minnesota Statutes 2016, section 124D.09, subdivision 3, is amended to read:

36.18 Subd. 3. **Definitions.** For purposes of this section, the following terms have the meanings
36.19 given to them.

36.20 (a) "Eligible institution" means a Minnesota public postsecondary institution, a private,
36.21 nonprofit two-year trade and technical school granting associate degrees, an opportunities
36.22 industrialization center accredited by the North Central Association of Colleges and Schools,
36.23 or a private, residential, two-year or four-year, liberal arts, degree-granting college or
36.24 university located in Minnesota.

36.25 (b) "Course" means a course or program.

36.26 (c) "Concurrent enrollment" means nonsectarian courses in which an eligible pupil under
36.27 subdivision 5 or 5b enrolls to earn both secondary and postsecondary credits, are taught by
36.28 a secondary teacher or a postsecondary faculty member, and are offered at a high school
36.29 for which the district is eligible to receive concurrent enrollment program aid under section
36.30 124D.091.

37.1 Sec. 20. Minnesota Statutes 2016, section 124D.09, subdivision 5, is amended to read:

37.2 Subd. 5. **Authorization; notification.** Notwithstanding any other law to the contrary,
37.3 an 11th or 12th grade pupil enrolled in a school or an American Indian-controlled tribal
37.4 contract or grant school eligible for aid under section 124D.83, except a foreign exchange
37.5 pupil enrolled in a district under a cultural exchange program, may apply to an eligible
37.6 institution, as defined in subdivision 3, to enroll in nonsectarian courses offered by that
37.7 postsecondary institution. ~~Notwithstanding any other law to the contrary, a 9th or 10th grade~~
37.8 ~~pupil enrolled in a district or an American Indian-controlled tribal contract or grant school~~
37.9 ~~eligible for aid under section 124D.83, except a foreign exchange pupil enrolled in a district~~
37.10 ~~under a cultural exchange program, may apply to enroll in nonsectarian courses offered~~
37.11 ~~under subdivision 10, if (1) the school district and the eligible postsecondary institution~~
37.12 ~~providing the course agree to the student's enrollment or (2) the course is a world language~~
37.13 ~~course currently available to 11th and 12th grade students, and consistent with section~~
37.14 ~~120B.022 governing world language standards, certificates, and seals.~~ If an institution
37.15 accepts a secondary pupil for enrollment under this section, the institution shall send written
37.16 notice to the pupil, the pupil's school or school district, and the commissioner ~~within ten~~
37.17 ~~days of acceptance.~~ The notice must indicate the course and hours of enrollment of that
37.18 pupil. If the pupil enrolls in a course for postsecondary credit, the institution must notify
37.19 the pupil about payment in the customary manner used by the institution.

37.20 Sec. 21. Minnesota Statutes 2016, section 124D.09, is amended by adding a subdivision
37.21 to read:

37.22 Subd. 5b. **Authorization; 9th or 10th grade pupil.** Notwithstanding any other law to
37.23 the contrary, a 9th or 10th grade pupil enrolled in a district or an American Indian-controlled
37.24 tribal contract or grant school eligible for aid under section 124D.83, except a foreign
37.25 exchange pupil enrolled in a district under a cultural exchange program, may apply to enroll
37.26 in nonsectarian courses offered under subdivision 10, if:

37.27 (1) the school district and the eligible postsecondary institution providing the course
37.28 agree to the student's enrollment; or

37.29 (2) the course is a world language course currently available to 11th and 12th grade
37.30 students, and consistent with section 120B.022 governing world language standards,
37.31 certificates, and seals.

38.1 Sec. 22. Minnesota Statutes 2016, section 124D.09, subdivision 9, is amended to read:

38.2 Subd. 9. **Enrollment priority.** (a) A postsecondary institution shall give priority to its
38.3 postsecondary students when enrolling 10th, 11th, and 12th grade pupils in its courses. A
38.4 postsecondary institution may provide information about its programs to a secondary school
38.5 or to a pupil or parent ~~and it may advertise or otherwise recruit or solicit a secondary pupil~~
38.6 ~~to enroll in its programs on educational and programmatic grounds only except,~~
38.7 ~~notwithstanding other law to the contrary, and for the 2014-2015 through 2019-2020 school~~
38.8 ~~years only, an eligible postsecondary institution may advertise or otherwise recruit or solicit~~
38.9 ~~a secondary pupil residing in a school district with 700 students or more in grades 10, 11,~~
38.10 ~~and 12, to enroll in its programs on educational, programmatic, or financial grounds.~~

38.11 (b) An institution must not enroll secondary pupils, for postsecondary enrollment options
38.12 purposes, in remedial, developmental, or other courses that are not college level except
38.13 when a student eligible to participate and enrolled in the graduation incentives program
38.14 under section 124D.68 enrolls full time in a middle or early college program. A middle or
38.15 early college program must be specifically designed to allow the student to earn dual high
38.16 school and college credit with a well-defined pathway to allow the student to earn a
38.17 postsecondary degree or credential. In this case, the student shall receive developmental
38.18 college credit and not college credit for completing remedial or developmental courses.

38.19 (c) Once a pupil has been enrolled in any postsecondary course under this section, the
38.20 pupil shall not be displaced by another student.

38.21 (d) If a postsecondary institution enrolls a secondary school pupil in a course under this
38.22 section, the postsecondary institution also must enroll in the same course an otherwise
38.23 enrolled and qualified postsecondary student who qualifies as a veteran under section
38.24 197.447, and demonstrates to the postsecondary institution's satisfaction that the institution's
38.25 established enrollment timelines were not practicable for that student.

38.26 Sec. 23. Minnesota Statutes 2016, section 124D.09, is amended by adding a subdivision
38.27 to read:

38.28 Subd. 11a. **Access to building and technology.** (a) A school district must allow a student
38.29 enrolled in a course under this section to remain at the school site during regular school
38.30 hours.

38.31 (b) A school district must adopt a policy that provides a student enrolled in a course
38.32 under this section with reasonable access during regular school hours to a computer and

39.1 other technology resources that the student needs to complete coursework for a postsecondary
39.2 enrollment course.

39.3 Sec. 24. Minnesota Statutes 2016, section 124D.09, subdivision 12, is amended to read:

39.4 Subd. 12. **Credits; grade point average weighting policy.** (a) A pupil must not audit
39.5 a course under this section.

39.6 (b) A district shall grant academic credit to a pupil enrolled in a course for secondary
39.7 credit if the pupil successfully completes the course. Seven quarter or four semester college
39.8 credits equal at least one full year of high school credit. Fewer college credits may be
39.9 prorated. A district must also grant academic credit to a pupil enrolled in a course for
39.10 postsecondary credit if secondary credit is requested by a pupil. If no comparable course is
39.11 offered by the district, the district must, as soon as possible, notify the commissioner, who
39.12 shall determine the number of credits that shall be granted to a pupil who successfully
39.13 completes a course. If a comparable course is offered by the district, the school board shall
39.14 grant a comparable number of credits to the pupil. If there is a dispute between the district
39.15 and the pupil regarding the number of credits granted for a particular course, the pupil may
39.16 appeal the board's decision to the commissioner. The commissioner's decision regarding
39.17 the number of credits shall be final.

39.18 (c) A school board must adopt a policy regarding weighted grade point averages for any
39.19 high school or dual enrollment course. The policy must state whether the district offers
39.20 weighted grades. A school board must annually publish on its Web site a list of courses for
39.21 which a student may earn a weighted grade.

39.22 (d) The secondary credits granted to a pupil must be counted toward the graduation
39.23 requirements and subject area requirements of the district. Evidence of successful completion
39.24 of each course and secondary credits granted must be included in the pupil's secondary
39.25 school record. A pupil shall provide the school with a copy of the pupil's grade in each
39.26 course taken for secondary credit under this section. Upon the request of a pupil, the pupil's
39.27 secondary school record must also include evidence of successful completion and credits
39.28 granted for a course taken for postsecondary credit. In either case, the record must indicate
39.29 that the credits were earned at a postsecondary institution.

39.30 (e) If a pupil enrolls in a postsecondary institution after leaving secondary school, the
39.31 postsecondary institution must award postsecondary credit for any course successfully
39.32 completed for secondary credit at that institution. Other postsecondary institutions may
39.33 award, after a pupil leaves secondary school, postsecondary credit for any courses

40.1 successfully completed under this section. An institution may not charge a pupil for the
40.2 award of credit.

40.3 (f) The Board of Trustees of the Minnesota State Colleges and Universities and the
40.4 Board of Regents of the University of Minnesota must, and private nonprofit and proprietary
40.5 postsecondary institutions should, award postsecondary credit for any successfully completed
40.6 courses in a program certified by the National Alliance of Concurrent Enrollment Partnerships
40.7 offered according to an agreement under subdivision 10. Consistent with section 135A.101,
40.8 subdivision 3, all MnSCU institutions must give full credit to a secondary pupil who
40.9 completes for postsecondary credit a postsecondary course or program that is part or all of
40.10 a goal area or a transfer curriculum at a MnSCU institution when the pupil enrolls in a
40.11 MnSCU institution after leaving secondary school. Once one MnSCU institution certifies
40.12 as completed a secondary student's postsecondary course or program that is part or all of a
40.13 goal area or a transfer curriculum, every MnSCU institution must consider the student's
40.14 course or program for that goal area or the transfer curriculum as completed.

40.15 Sec. 25. Minnesota Statutes 2016, section 124D.09, subdivision 13, is amended to read:

40.16 Subd. 13. **Financial arrangements.** For a pupil enrolled in a course under this section,
40.17 the department must make payments according to this subdivision for courses that were
40.18 taken for secondary credit.

40.19 The department must not make payments to a school district or postsecondary institution
40.20 for a course taken for postsecondary credit only. The department must not make payments
40.21 to a postsecondary institution for a course from which a student officially withdraws during
40.22 the first 14 days of the quarter or semester or who has been absent from the postsecondary
40.23 institution for the first 15 consecutive school days of the quarter or semester and is not
40.24 receiving instruction in the home or hospital.

40.25 A postsecondary institution shall receive the following:

40.26 (1) for an institution granting quarter credit, the reimbursement per credit hour shall be
40.27 an amount equal to 88 percent of the product of the formula allowance minus \$425, multiplied
40.28 by 1.2, and divided by 45; or

40.29 (2) for an institution granting semester credit, the reimbursement per credit hour shall
40.30 be an amount equal to 88 percent of the product of the general revenue formula allowance
40.31 minus \$425, multiplied by 1.2, and divided by 30.

40.32 The department must pay to each postsecondary institution 100 percent of the amount
40.33 in clause (1) or (2) within ~~30~~ 45 days of receiving initial enrollment information each quarter

41.1 or semester. If changes in enrollment occur during a quarter or semester, the change shall
41.2 be reported by the postsecondary institution at the time the enrollment information for the
41.3 succeeding quarter or semester is submitted. At any time the department notifies a
41.4 postsecondary institution that an overpayment has been made, the institution shall promptly
41.5 remit the amount due.

41.6 Sec. 26. Minnesota Statutes 2016, section 124D.095, subdivision 3, is amended to read:

41.7 Subd. 3. **Authorization; notice; limitations on enrollment.** (a) A student may apply
41.8 for full-time enrollment in an approved online learning program under section 124D.03 or
41.9 124D.08 or chapter 124E. Notwithstanding sections 124D.03 and 124D.08 and chapter
41.10 124E, procedures for enrolling in supplemental online learning are as provided in this
41.11 subdivision. A student age 17 or younger must have the written consent of a parent or
41.12 guardian to apply. No school district or charter school may prohibit a student from applying
41.13 to enroll in online learning. In order to enroll in online learning, the student and the student's
41.14 parents must submit an application to the online learning provider and identify the student's
41.15 reason for enrolling. An online learning provider that accepts a student under this section
41.16 must notify the student and the enrolling district in writing within ten days if the enrolling
41.17 district is not the online learning provider. The student and the student's parent must notify
41.18 the online learning provider of the student's intent to enroll in online learning within ten
41.19 days of being accepted, at which time the student and the student's parent must sign a
41.20 statement indicating that they have reviewed the online course or program and understand
41.21 the expectations of enrolling in online learning. The online learning provider must use a
41.22 form provided by the department to notify the enrolling district of the student's application
41.23 to enroll in online learning.

41.24 (b) The supplemental online learning notice to the enrolling district when a student
41.25 applies to the online learning provider will include the courses or program, credits to be
41.26 awarded, and the start date of the online course or program. An online learning provider
41.27 must make available the supplemental online course syllabus to the enrolling district. Within
41.28 15 days after the online learning provider makes information in this paragraph available to
41.29 the enrolling district, the enrolling district must notify the online provider whether the
41.30 student, the student's parent, and the enrolling district agree or disagree that the course meets
41.31 the enrolling district's graduation requirements. A student may enroll in a supplemental
41.32 online learning course up to the midpoint of the enrolling district's term. The enrolling
41.33 district may waive this requirement for special circumstances and with the agreement of
41.34 the online provider. An online learning course or program that meets or exceeds a graduation
41.35 standard or the grade progression requirement of the enrolling district as described in the

42.1 provider's online course syllabus meets the corresponding graduation requirements applicable
42.2 to the student in the enrolling district. If the enrolling district does not agree that the course
42.3 or program meets its graduation requirements, then:

42.4 (1) the enrolling district must make available an explanation of its decision to the student,
42.5 the student's parent, and the online provider; and

42.6 (2) the online provider may make available a response to the enrolling district, showing
42.7 how the course or program meets the graduation requirements of the enrolling district.

42.8 (c) An online learning provider must notify the commissioner that it is delivering online
42.9 learning and report the number of online learning students it accepts and the online learning
42.10 courses and programs it delivers.

42.11 (d) An online learning provider may limit enrollment if the provider's school board or
42.12 board of directors adopts by resolution specific standards for accepting and rejecting students'
42.13 applications. Limits to enrollment must not discriminate against any group under chapter
42.14 363A.

42.15 (e) An enrolling district may reduce an online learning student's regular classroom
42.16 instructional membership in proportion to the student's membership in online learning
42.17 courses.

42.18 (f) The online provider must report or make available information on an individual
42.19 student's progress and accumulated credit to the student, the student's parent, and the enrolling
42.20 district in a manner specified by the commissioner unless the enrolling district and the online
42.21 provider agree to a different form of notice and notify the commissioner. The enrolling
42.22 district must designate a contact person to help facilitate and monitor the student's academic
42.23 progress and accumulated credits towards graduation.

43.8 school outcomes, a group of two or more school districts must collaborate with school staff

43.10 partnership must develop a plan to provide challenging programmatic options for students
43.11 under paragraph (a); create professional development opportunities for educators and other
43.12 program participants; increase student engagement and connection and challenging learning
43.13 opportunities for diverse populations of students that are focused on employability skills
43.14 and technical, job-specific skills related to a specific career pathway; or demonstrate
43.15 efficiencies in delivering financial and other services needed to realize plan goals and
43.16 objectives. The plan must include:

43.24 (5) other applicable conditions, regulations, responsibilities, duties, provisions, fee
43.25 schedules, and legal considerations needed to fully implement the plan.

43.26 A partnership may invite additional districts or other participants under paragraph (a) to
43.27 join the partnership after notifying the commissioner.

43.28 (c) A partnership of interested districts must submit an application to the commissioner
43.29 of education in the form and manner the commissioner determines, consistent with the
43.30 requirements of this section. The application must contain the formal approval adopted by
43.31 the school board in each district to participate in the plan.

44.1 (d) Notwithstanding any other law to the contrary, a participating school district under
 44.2 this section continues to: receive revenue and maintain its taxation authority; be organized
 44.3 and governed by an elected school board with general powers under section 123B.02; and
 44.4 be subject to employment agreements under chapter 122A, and section 179A.20; and district
 44.5 employees continue to remain employees of the employing school district.

44.6 (e) Participating districts must submit a biennial report by February 1 in each
 44.7 odd-numbered year to the education committees of the legislature and the commissioner of
 44.8 education that includes performance assessment, high school graduation, and career and
 44.9 technical certification data to show the success of the partnership in preparing diverse
 44.10 populations of students for careers and jobs.

44.11 Subd. 2. **Commissioner's role.** The commissioner of education must convene an advisory
 44.12 panel to advise the commissioner on applicants' qualifications to participate in this program.
 44.13 The commissioner must ensure an equitable geographical distribution of program participants
 44.14 to the extent practicable. The commissioner must select only those applicants that fully
 44.15 complies with subdivision 1. The commissioner may terminate a program participant that
 44.16 fails to effectively implement the goals and objectives contained in its application and
 44.17 according to its stated timeline.

44.18 **EFFECTIVE DATE.** (a) This section is effective the day following final enactment
 44.19 and applies to those applications submitted after that date.

48.26 of the school year each pupil is enrolled in the district's schools divided by the number of

75.5 **ARTICLE 4**

75.6 **SPECIAL EDUCATION**

75.7 Section 1. Minnesota Statutes 2016, section 125A.08, is amended to read:

75.8 **125A.08 INDIVIDUALIZED EDUCATION PROGRAMS.**

75.9 (a) At the beginning of each school year, each school district shall have in effect, for
75.10 each child with a disability, an individualized education program.

75.11 (b) As defined in this section, every district must ensure the following:

75.12 (1) all students with disabilities are provided the special instruction and services which
75.13 are appropriate to their needs. Where the individualized education program team has
75.14 determined appropriate goals and objectives based on the student's needs, including the
75.15 extent to which the student can be included in the least restrictive environment, and where
75.16 there are essentially equivalent and effective instruction, related services, or assistive
75.17 technology devices available to meet the student's needs, cost to the district may be among
75.18 the factors considered by the team in choosing how to provide the appropriate services,
75.19 instruction, or devices that are to be made part of the student's individualized education
75.20 program. The individualized education program team shall consider and may authorize
75.21 services covered by medical assistance according to section 256B.0625, subdivision 26.
75.22 Before a school district evaluation team makes a determination of other health disability
75.23 under Minnesota Rules, part 3525.1335, subparts 1 and 2, item A, subitem (1), the evaluation
75.24 team must seek written documentation of the student's medically diagnosed chronic or acute
75.25 health condition signed by a licensed physician or a licensed health care provider acting
75.26 within the scope of the provider's practice. The student's needs and the special education
75.27 instruction and services to be provided must be agreed upon through the development of
75.28 an individualized education program. The program must address the student's need to develop
75.29 skills to live and work as independently as possible within the community. The individualized
75.30 education program team must consider positive behavioral interventions, strategies, and
75.31 supports that address behavior needs for children. During grade 9, the program must address
75.32 the student's needs for transition from secondary services to postsecondary education and

76.1 training, employment, community participation, recreation, and leisure and home living. In
76.2 developing the program, districts must inform parents of the full range of transitional goals
76.3 and related services that should be considered. The program must include a statement of
76.4 the needed transition services, including a statement of the interagency responsibilities or
76.5 linkages or both before secondary services are concluded. If the individualized education
76.6 program meets the plan components in section 120B.125, the individualized education
76.7 program satisfies the requirement and no additional transition plan is needed;

76.8 (2) children with a disability under age five and their families are provided special
76.9 instruction and services appropriate to the child's level of functioning and needs;

76.10 (3) children with a disability and their parents or guardians are guaranteed procedural
76.11 safeguards and the right to participate in decisions involving identification, assessment
76.12 including assistive technology assessment, and educational placement of children with a
76.13 disability;

76.14 (4) eligibility and needs of children with a disability are determined by an initial
76.15 evaluation or reevaluation, which may be completed using existing data under United States
76.16 Code, title 20, section 33, et seq.;

76.17 (5) to the maximum extent appropriate, children with a disability, including those in
76.18 public or private institutions or other care facilities, are educated with children who are not
76.19 disabled, and that special classes, separate schooling, or other removal of children with a
76.20 disability from the regular educational environment occurs only when and to the extent that
76.21 the nature or severity of the disability is such that education in regular classes with the use
76.22 of supplementary services cannot be achieved satisfactorily;

76.23 (6) in accordance with recognized professional standards, testing and evaluation materials,
76.24 and procedures used for the purposes of classification and placement of children with a
76.25 disability are selected and administered so as not to be racially or culturally discriminatory;
76.26 and

76.27 (7) the rights of the child are protected when the parents or guardians are not known or
76.28 not available, or the child is a ward of the state.

76.29 (c) For all paraprofessionals employed to work in programs whose role in part is to
76.30 provide direct support to students with disabilities, the school board in each district shall
76.31 ensure that:

76.32 (1) before or beginning at the time of employment, each paraprofessional must develop
76.33 sufficient knowledge and skills in emergency procedures, building orientation, roles and

77.1 responsibilities, confidentiality, vulnerability, and reportability, among other things, to begin
77.2 meeting the needs, especially disability-specific and behavioral needs, of the students with
77.3 whom the paraprofessional works;

77.4 (2) annual training opportunities are required to enable the paraprofessional to continue
77.5 to further develop the knowledge ~~and~~, skills, and cultural competency, consistent with
77.6 section 120B.30, subdivision 1, paragraph (q), that are specific to the students with whom
77.7 the paraprofessional works, including understanding disabilities, the unique and individual
77.8 needs of each student according to the student's disability and how the disability affects the
77.9 student's education and behavior, following lesson plans, and implementing follow-up
77.10 instructional procedures and activities; and

77.11 (3) a districtwide process obligates each paraprofessional to work under the ongoing
77.12 direction of a licensed teacher and, where appropriate and possible, the supervision of a
77.13 school nurse.

77.14 (d) The school board must make available annual training opportunities to enable a
77.15 special education teacher serving on an individualized education program team to further
77.16 develop the knowledge, skills, and cultural competency necessary to appropriately serve
77.17 students. For purposes of this section, "cultural competency" means the ability to interact
77.18 effectively with people of different cultures, native languages, and socioeconomic
77.19 backgrounds.

77.20 **EFFECTIVE DATE.** This section is effective for the 2017-2018 school year and later.

77.21 **Sec. 2. [125A.087] DATA REVIEW.**

77.22 **Subdivision 1. School district to review data.** At least once each school year, a school
77.23 district is encouraged to review data for each school site on the number of students that are
77.24 referred for emotional behavioral disorder evaluation, disaggregated by race, ethnicity, and
77.25 gender. Nothing in this section requires a school district or public school to report any
77.26 information to the commissioner of education that is not otherwise required by law.

77.27 **Subd. 2. School site to review data.** Teachers and other educational staff at a school
77.28 site must review at least once each school year the data under subdivision 1 for students at
77.29 the school site. The district is encouraged to consult with teachers and other educational
77.30 staff on strategies to reduce any disproportionate representation of students by race, gender,
77.31 or ethnicity in evaluation referrals.

77.32 **EFFECTIVE DATE.** This section is effective for the 2017-2018 school year and later.

78.1 Sec. 3. Minnesota Statutes 2016, section 125A.0941, is amended to read:

78.2 **125A.0941 DEFINITIONS.**

78.3 (a) The following terms have the meanings given them.

78.4 (b) "Emergency" means a situation where immediate intervention is needed to protect
78.5 a child or other individual from physical injury. Emergency does not mean circumstances
78.6 such as: a child who does not respond to a task or request and instead places his or her head
78.7 on a desk or hides under a desk or table; a child who does not respond to a staff person's
78.8 request unless failing to respond would result in physical injury to the child or other
78.9 individual; or an emergency incident has already occurred and no threat of physical injury
78.10 currently exists.

78.11 (c) "Physical holding" means physical intervention intended to hold a child immobile
78.12 or limit a child's movement, where body contact is the only source of physical restraint, and
78.13 where immobilization is used to effectively gain control of a child in order to protect a child
78.14 or other individual from physical injury. The term physical holding does not mean physical
78.15 contact that:

78.16 (1) helps a child respond or complete a task;

78.17 (2) assists a child without restricting the child's movement;

78.18 (3) is needed to administer an authorized health-related service or procedure; or

78.19 (4) is needed to physically escort a child when the child does not resist or the child's
78.20 resistance is minimal.

78.21 (d) "Positive behavioral interventions and supports" means interventions and strategies
78.22 to improve the school environment and teach children the skills to behave appropriately,
78.23 including the key components under section 122A.627.

78.24 (e) "Prone restraint" means placing a child in a face down position.

78.25 (f) "Restrictive procedures" means the use of physical holding or seclusion in an
78.26 emergency. Restrictive procedures must not be used to punish or otherwise discipline a
78.27 child.

78.28 (g) "Seclusion" means confining a child alone in a room from which egress is barred.
78.29 Egress may be barred by an adult locking or closing the door in the room or preventing the
78.30 child from leaving the room. Removing a child from an activity to a location where the
78.31 child cannot participate in or observe the activity is not seclusion.

79.1 Sec. 4. Minnesota Statutes 2016, section 125A.11, subdivision 1, is amended to read:

79.2 Subdivision 1. **Nonresident tuition rate; other costs.** (a) For fiscal year 2015 and later,
79.3 when a school district provides special instruction and services for a pupil with a disability
79.4 as defined in section 125A.02 outside the district of residence, excluding a pupil for whom
79.5 an adjustment to special education aid is calculated according to section 127A.47, subdivision
79.6 7, paragraphs (b) to (d), special education aid paid to the resident district must be reduced
79.7 by an amount equal to (1) the actual cost of providing special instruction and services to
79.8 the pupil, including a proportionate amount for special transportation, plus (2) the amount
79.9 of general education revenue, excluding local optional revenue, plus local optional aid and
79.10 referendum equalization aid attributable to that pupil, calculated using the resident district's
79.11 average general education revenue and referendum equalization aid per adjusted pupil unit
79.12 excluding basic skills revenue, elementary sparsity revenue and secondary sparsity revenue,
79.13 minus (3) the amount of special education aid for children with a disability under section
79.14 125A.76 received on behalf of that child, minus (4) if the pupil receives special instruction
79.15 and services outside the regular classroom for more than 60 percent of the school day, the
79.16 amount of general education revenue and referendum equalization aid, excluding portions
79.17 attributable to district and school administration, district support services, operations and
79.18 maintenance, capital expenditures, and pupil transportation, attributable to that pupil for
79.19 the portion of time the pupil receives special instruction and services outside of the regular
79.20 classroom, calculated using the resident district's average general education revenue and
79.21 referendum equalization aid per adjusted pupil unit excluding basic skills revenue, elementary
79.22 sparsity revenue and secondary sparsity revenue and the serving district's basic skills revenue,
79.23 elementary sparsity revenue and secondary sparsity revenue per adjusted pupil unit.
79.24 Notwithstanding clauses (1) and (4), for pupils served by a cooperative unit without a fiscal
79.25 agent school district, the general education revenue and referendum equalization aid
79.26 attributable to a pupil must be calculated using the resident district's average general
79.27 education revenue and referendum equalization aid excluding compensatory revenue,
79.28 elementary sparsity revenue, and secondary sparsity revenue. Special education aid paid to
79.29 the district or cooperative providing special instruction and services for the pupil must be
79.30 increased by the amount of the reduction in the aid paid to the resident district. If the resident
79.31 district's special education aid is insufficient to make the full adjustment, the remaining
79.32 adjustment shall be made to other state aid due to the district.

79.33 (b) Notwithstanding paragraph (a), when a charter school receiving special education
79.34 aid under section 124E.21, subdivision 3, provides special instruction and services for a
79.35 pupil with a disability as defined in section 125A.02, excluding a pupil for whom an

80.1 adjustment to special education aid is calculated according to section 127A.47, subdivision
80.2 7, paragraphs (b) to (e), special education aid paid to the resident district must be reduced
80.3 by an amount equal to that calculated under paragraph (a) as if the charter school received
80.4 aid under section 124E.21, subdivision 1. Notwithstanding paragraph (a), special education
80.5 aid paid to the charter school providing special instruction and services for the pupil must
80.6 not be increased by the amount of the reduction in the aid paid to the resident district.

80.7 (c) Notwithstanding paragraph (a) and section 127A.47, subdivision 7, paragraphs (b)
80.8 to (d):

80.9 (1) an intermediate district or a special education cooperative may recover unreimbursed
80.10 costs of serving pupils with a disability, including building lease, debt service, and indirect
80.11 costs necessary for the general operation of the organization, by billing membership fees
80.12 and nonmember access fees to the resident district;

80.13 (2) a charter school where more than 30 percent of enrolled students receive special
80.14 education and related services, a site approved under section 125A.515, an intermediate
80.15 district, a site constructed according to Laws 1992, chapter 558, section 7, subdivision 7,
80.16 to meet the educational needs of court-placed adolescents, or a special education cooperative
80.17 may apply to the commissioner for authority to charge the resident district an additional
80.18 amount to recover any remaining unreimbursed costs of serving pupils with a disability;

80.19 (3) the billing under clause (1) or application under clause (2) must include a description
80.20 of the costs and the calculations used to determine the unreimbursed portion to be charged
80.21 to the resident district. Amounts approved by the commissioner under clause (2) must be
80.22 included in the aid adjustments under paragraph (a), or section 127A.47, subdivision 7,
80.23 paragraphs (b) to (d), as applicable.

80.24 (d) For purposes of this subdivision and section 127A.47, subdivision 7, paragraph (b),
80.25 "general education revenue and referendum equalization aid" means the sum of the general
80.26 education revenue according to section 126C.10, subdivision 1, excluding the local optional
80.27 levy according to section 126C.10, subdivision 2e, paragraph (c), plus the referendum
80.28 equalization aid according to section 126C.17, subdivision 7.

80.29 **EFFECTIVE DATE.** This section is effective the day following final enactment.

80.30 Sec. 5. Minnesota Statutes 2016, section 125A.21, subdivision 2, is amended to read:

80.31 Subd. 2. **Third-party reimbursement.** (a) Beginning July 1, 2000, districts shall seek
80.32 reimbursement from insurers and similar third parties for the cost of services provided by
80.33 the district whenever the services provided by the district are otherwise covered by the

81.1 child's health coverage. Districts shall request, but may not require, the child's family to
81.2 provide information about the child's health coverage when a child with a disability begins
81.3 to receive services from the district of a type that may be reimbursable, and shall request,
81.4 but may not require, updated information after that as needed.

81.5 (b) For children enrolled in medical assistance under chapter 256B or MinnesotaCare
81.6 under chapter 256L who have no other health coverage, a district shall provide an initial
81.7 and annual written notice to the enrolled child's parent or legal representative of its intent
81.8 to seek reimbursement from medical assistance or MinnesotaCare for:

81.9 (1) the evaluations required as part of the individualized education program process or
81.10 individualized family service plan process; and

81.11 (2) health-related services provided by the district according to the individualized
81.12 education program or individualized family service plan.

81.13 The initial notice must give the child's parent or legal representative the right to request a
81.14 copy of the child's education records on the health-related services that the district provided
81.15 to the child and disclosed to a third-party payer.

81.16 (c) The district shall give the parent or legal representative annual written notice of:

81.17 (1) the district's intent to seek reimbursement from medical assistance or MinnesotaCare
81.18 for evaluations required as part of the individualized education program process or
81.19 individualized family service plan process, and for health-related services provided by the
81.20 district according to the individualized education program or individualized family service
81.21 plan;

81.22 (2) the right of the parent or legal representative to request a copy of all records
81.23 concerning individualized education program or individualized family service plan
81.24 health-related services disclosed by the district to any third party; and

81.25 (3) the right of the parent or legal representative to withdraw consent for disclosure of
81.26 a child's records at any time without consequence.

81.27 The written notice shall be provided as part of the written notice required by Code of Federal
81.28 Regulations, title 34, section 300.504 or 303.520. The district must ensure that the parent
81.29 of a child with a disability is given notice, in understandable language, of federal and state
81.30 procedural safeguards available to the parent under this paragraph and paragraph (b).

81.31 (d) In order to access the private health care coverage of a child who is covered by private
81.32 health care coverage in whole or in part, a district must:

82.1 (1) obtain annual written informed consent from the parent or legal representative, in
82.2 compliance with subdivision 5; and

82.3 (2) inform the parent or legal representative that a refusal to permit the district or state
82.4 Medicaid agency to access their private health care coverage does not relieve the district of
82.5 its responsibility to provide all services necessary to provide free and appropriate public
82.6 education at no cost to the parent or legal representative.

82.7 (e) If the commissioner of human services obtains federal approval to exempt covered
82.8 individualized education program or individualized family service plan health-related
82.9 services from the requirement that private health care coverage refuse payment before
82.10 medical assistance may be billed, paragraphs (b), (c), and (d) shall also apply to students
82.11 with a combination of private health care coverage and health care coverage through medical
82.12 assistance or MinnesotaCare.

82.13 (f) In the event that Congress or any federal agency or the Minnesota legislature or any
82.14 state agency establishes lifetime limits, limits for any health care services, cost-sharing
82.15 provisions, or otherwise provides that individualized education program or individualized
82.16 family service plan health-related services impact benefits for persons enrolled in medical
82.17 assistance or MinnesotaCare, the amendments to this subdivision adopted in 2002 are
82.18 repealed on the effective date of any federal or state law or regulation that imposes the
82.19 limits. In that event, districts must obtain informed consent consistent with this subdivision
82.20 as it existed prior to the 2002 amendments and subdivision 5, before seeking reimbursement
82.21 for children enrolled in medical assistance under chapter 256B or MinnesotaCare under
82.22 chapter 256L who have no other health care coverage.

82.23 **EFFECTIVE DATE.** This section is effective August 1, 2017.

82.24 Sec. 6. Minnesota Statutes 2016, section 125A.515, is amended to read:

82.25 **125A.515 PLACEMENT OF STUDENTS; APPROVAL OF EDUCATION**
82.26 **PROGRAM.**

82.27 Subdivision 1. **Approval of on-site education programs.** The commissioner shall
82.28 approve on-site education programs for placement of children and youth in residential
82.29 facilities including detention centers, before being licensed by the Department of Human
82.30 Services or the Department of Corrections. Education programs in these facilities shall
82.31 conform to state and federal education laws including the Individuals with Disabilities
82.32 Education Act (IDEA). This section applies only to placements in children's residential
82.33 facilities licensed by the Department of Human Services or the Department of Corrections.

83.1 For purposes of this section, "on-site education program" means the educational services
83.2 provided directly on the grounds of the ~~care and treatment~~ children's residential facility to
83.3 children and youth placed for care and treatment.

83.4 Subd. 3. **Responsibilities for providing education.** (a) The district in which the children's
83.5 residential facility is located must provide education services, including special education
83.6 if eligible, to all students placed in a facility.

83.7 (b) For education programs operated by the Department of Corrections, the providing
83.8 district shall be the Department of Corrections. For students remanded to the commissioner
83.9 of corrections, the providing and resident district shall be the Department of Corrections.

83.10 Subd. 3a. **Students without a disability from other states.** A school district is not
83.11 required to provide education services under this section to a student who:

83.12 (1) is not a resident of Minnesota;

83.13 (2) does not have an individualized education program; and

83.14 (3) does not have a tuition arrangement or agreement to pay the cost of education from
83.15 the placing authority.

83.16 Subd. 4. **Education services required.** (a) Education services must be provided to a
83.17 student beginning within three business days after the student enters the ~~care and treatment~~
83.18 children's residential facility. The first four days of the student's placement may be used to
83.19 screen the student for educational and safety issues.

83.20 (b) If the student does not meet the eligibility criteria for special education, regular
83.21 education services must be provided to that student.

83.22 Subd. 5. **Education programs for students placed in children's residential facilities.**

83.23 (a) When a student is placed in a children's residential facility ~~approved~~ under this section
83.24 that has an on-site education program, the providing district, upon notice from the ~~care and~~
83.25 ~~treatment~~ children's residential facility, must contact the resident district within one business
83.26 day to determine if a student has been identified as having a disability, and to request at
83.27 least the student's transcript, and for students with disabilities, the most recent individualized
83.28 education program (IEP) and evaluation report, ~~and to determine if the student has been~~
83.29 ~~identified as a student with a disability~~. The resident district must send a facsimile copy to
83.30 the providing district within two business days of receiving the request.

83.31 (b) If a student placed under this section has been identified as having a disability and
83.32 has an individualized education program in the resident district:

84.1 (1) the providing agency must conduct an individualized education program meeting to
84.2 reach an agreement about continuing or modifying special education services in accordance
84.3 with the current individualized education program goals and objectives and to determine if
84.4 additional evaluations are necessary; and

84.5 (2) at least the following people shall receive written notice or documented phone call
84.6 to be followed with written notice to attend the individualized education program meeting:

84.7 (i) the person or agency placing the student;

84.8 (ii) the resident district;

84.9 (iii) the appropriate teachers and related services staff from the providing district;

84.10 (iv) appropriate staff from the children's residential facility;

84.11 (v) the parents or legal guardians of the student; and

84.12 (vi) when appropriate, the student.

84.13 (c) For a student who has not been identified as a student with a disability, a screening
84.14 must be conducted by the providing districts as soon as possible to determine the student's
84.15 educational and behavioral needs and must include a review of the student's educational
84.16 records.

84.17 Subd. 6. **Exit report summarizing educational progress.** If a student has been placed
84.18 in a facility under this section for 15 or more business days, the providing district must
84.19 prepare an exit report summarizing the regular education, special education, evaluation,

85.32 To receive medical assistance payments, the district must pay the nonfederal share of medical
85.33 assistance services provided according to section 256B.0625, subdivision 26, and comply

86.1 with relevant provisions of state and federal statutes and regulations governing the medical
86.2 assistance program.

86.3 **EFFECTIVE DATE.** This section is effective August 1, 2017.

86.4 Sec. 8. Minnesota Statutes 2016, section 256B.0625, subdivision 26, is amended to read:

86.5 Subd. 26. **Special education services.** (a) Medical assistance covers evaluations necessary
86.6 in making a determination for eligibility for individualized education program and
86.7 individualized family service plan services and for medical services identified in a recipient's
86.8 individualized education program and individualized family service plan and covered under
86.9 the medical assistance state plan. Covered services include occupational therapy, physical
86.10 therapy, speech-language therapy, clinical psychological services, nursing services, school
86.11 psychological services, school social work services, personal care assistants serving as
86.12 management aides, assistive technology devices, transportation services, health assessments,
86.13 and other services covered under the medical assistance state plan. Mental health services
86.14 eligible for medical assistance reimbursement must be provided or coordinated through a
86.15 children's mental health collaborative where a collaborative exists if the child is included
86.16 in the collaborative operational target population. The provision or coordination of services
86.17 does not require that the individualized education program be developed by the collaborative.

86.18 The services may be provided by a Minnesota school district that is enrolled as a medical
86.19 assistance provider or its subcontractor, and only if the services meet all the requirements
86.20 otherwise applicable if the service had been provided by a provider other than a school
86.21 district, in the following areas: medical necessity, physician's orders, documentation,
86.22 personnel qualifications, and prior authorization requirements. The nonfederal share of costs
86.23 for services provided under this subdivision is the responsibility of the local school district
86.24 as provided in section 125A.74. Services listed in a child's individualized education program
86.25 are eligible for medical assistance reimbursement only if those services meet criteria for
86.26 federal financial participation under the Medicaid program.

86.27 (b) Approval of health-related services for inclusion in the individualized education
86.28 program does not require prior authorization for purposes of reimbursement under this
86.29 chapter. The commissioner may require physician review and approval of the plan not more
86.30 than once annually or upon any modification of the individualized education program that
86.31 reflects a change in health-related services.

86.32 (c) Services of a speech-language pathologist provided under this section are covered
86.33 notwithstanding Minnesota Rules, part 9505.0390, subpart 1, item L, if the person:

87.1 (1) holds a masters degree in speech-language pathology;

87.2 (2) is licensed by the Minnesota Board of Teaching as an educational speech-language
87.3 pathologist; and

87.4 (3) either has a certificate of clinical competence from the American Speech and Hearing
87.5 Association, has completed the equivalent educational requirements and work experience
87.6 necessary for the certificate or has completed the academic program and is acquiring
87.7 supervised work experience to qualify for the certificate.

87.8 (d) Medical assistance coverage for medically necessary services provided under other
87.9 subdivisions in this section may not be denied solely on the basis that the same or similar
87.10 services are covered under this subdivision.

87.11 (e) The commissioner shall develop and implement package rates, bundled rates, or per
87.12 diem rates for special education services under which separately covered services are grouped
87.13 together and billed as a unit in order to reduce administrative complexity.

87.14 (f) The commissioner shall develop a cost-based payment structure for payment of these
87.15 services. Only costs reported through the designated Minnesota Department of Education
87.16 data systems in distinct service categories qualify for inclusion in the cost-based payment
87.17 structure. The commissioner shall reimburse claims submitted based on an interim rate, and
87.18 shall settle at a final rate once the department has determined it. The commissioner shall
87.19 notify the school district of the final rate. The school district has 60 days to appeal the final
87.20 rate. To appeal the final rate, the school district shall file a written appeal request to the
87.21 commissioner within 60 days of the date the final rate determination was mailed. The appeal
87.22 request shall specify (1) the disputed items and (2) the name and address of the person to
87.23 contact regarding the appeal.

87.24 (g) Effective July 1, 2000, medical assistance services provided under an individualized
87.25 education program or an individual family service plan by local school districts shall not
87.26 count against medical assistance authorization thresholds for that child.

87.27 (h) Nursing services as defined in section 148.171, subdivision 15, and provided as an
87.28 individualized education program health-related service, are eligible for medical assistance
87.29 payment if they are otherwise a covered service under the medical assistance program.
87.30 Medical assistance covers the administration of prescription medications by a licensed nurse
87.31 who is employed by or under contract with a school district when the administration of
87.32 medications is identified in the child's individualized education program. The simple
87.33 administration of medications alone is not covered under medical assistance when

88.1 administered by a provider other than a school district or when it is not identified in the
 88.2 child's individualized education program.

 88.8 technology by Minnesota's students. The commissioner must consult with the Minnesota
 88.9 Assistive Technology Advisory Council and other interested organizations to determine the
 88.10 scope and focus of the study.

88.11 Subd. 2. **Data reporting.** The commissioner must examine the federally required uniform
 88.12 financial accounting and reporting standards object codes and, if necessary, recommend
 88.13 changes to better capture school district spending on assistive technology. The commissioner
 88.14 must examine approaches to collecting additional student-level assistive technology data
 88.15 through the electronic data reporting system.

88.16 Subd. 3. **Assistive technology manual.** The commissioner must examine the department's
 88.17 assistive technology manual, and determine whether to prepare a revised manual.

 88.19 minority members of the legislative committees with jurisdiction over kindergarten through
 88.20 grade 12 education by February 15, 2018, on the use of assistive technology by Minnesota's
 88.21 students and recommend statutory changes to encourage individualized education programs

93.23 (1) is a teacher, but not a superintendent;

93.24 (2) has a continuing contract with the district according to section 122A.40, subdivision
 93.25 7.

93.26 The amount of severance pay must be equal to the teacher's salary for the school year
 93.27 during which the teacher was placed on unrequested leave of absence minus the gross
 93.28 amount the teacher was paid during the 12 months following the teacher's termination of
 93.29 salary, by an entity whose teachers by statute or rule must possess a valid Minnesota teaching
 93.30 license, and minus the amount a teacher receives as severance or other similar pay according

94.13 the levy for this purpose. To determine the amount of severance pay that is due for the
94.14 second six months of the 12 months following the termination of the teacher's salary, the
94.15 district may require the teacher to provide documented evidence of the teacher's employers
94.16 and gross earnings during that period. The district must pay the teacher the amount of
94.17 severance pay it determines to be due from the proceeds of the levy for this purpose.

94.18 A teacher who receives severance pay under this subdivision waives all further
94.19 reinstatement rights under section 122A.40, subdivision 10 or 11. If the teacher receives
94.20 severance pay, the teacher shall not receive credit for any years of service in the district
94.21 paying severance pay prior to the year in which the teacher becomes eligible to receive
94.22 severance pay.

94.23 The severance pay is subject to section 465.72. The district may levy annually according

94.30 provisions for implementing a health and safety program that complies with health, safety,
94.31 and environmental regulations and best practices, including indoor air quality management
94.32 and remediation of lead hazards.

95.1 (b) The district must annually update the plan, submit the plan to the commissioner for
95.2 approval by July 31, and indicate whether the district will issue bonds to finance the plan
95.3 or levy for the costs.

95.4 (c) For school districts issuing bonds to finance the plan, the plan must include a debt
95.5 service schedule demonstrating that the debt service revenue required to pay the principal
95.6 and interest on the bonds each year will not exceed the projected long-term facilities revenue
95.7 for that year.

95.8 **EFFECTIVE DATE.** This section is effective for revenue for fiscal year 2018 and later.

101.12 value of which shall exceed that specified in section 471.345, subdivision 3, must not be
101.13 made by the school board without first advertising for bids or proposals by two weeks'
101.14 published notice in the official newspaper. This notice must state the time and place of
101.15 receiving bids and contain a brief description of the subject matter.

101.16 Additional publication in the official newspaper or elsewhere may be made as the board
101.17 shall deem necessary.

101.18 After taking into consideration conformity with the specifications, terms of delivery,
101.19 and other conditions imposed in the call for bids, every such contract for which a call for
101.20 bids has been issued must be awarded to the lowest responsible bidder, be duly executed
101.21 in writing, and be otherwise conditioned as required by law. The person to whom the contract
101.22 is awarded shall give a sufficient bond to the board for its faithful performance.

101.23 Notwithstanding section 574.26 or any other law to the contrary, on a contract limited to
101.24 the purchase of a finished tangible product, a board may require, at its discretion, a
101.25 performance bond of a contractor in the amount the board considers necessary. A record
101.26 must be kept of all bids, with names of bidders and amount of bids, and with the successful
101.27 bid indicated thereon. A bid containing an alteration or erasure of any price contained in
101.28 the bid which is used in determining the lowest responsible bid must be rejected unless the
101.29 alteration or erasure is corrected as provided in this section. An alteration or erasure may
101.30 be crossed out and the correction thereof printed in ink or typewritten adjacent thereto and
101.31 initialed in ink by the person signing the bid. In the case of identical low bids from two or
101.32 more bidders, the board may, at its discretion, utilize negotiated procurement methods with
101.33 the tied low bidders for that particular transaction, so long as the price paid does not exceed

102.1 the low tied bid price. In the case where only a single bid is received, the board may, at its
102.2 discretion, negotiate a mutually agreeable contract with the bidder so long as the price paid
102.3 does not exceed the original bid. If no satisfactory bid is received, the board may readvertise.

102.5 by the district must be established by competitive bids. Such standard requirement price
102.6 contracts may contain escalation clauses and may provide for a negotiated price increase
102.7 or decrease based upon a demonstrable industrywide or regional increase or decrease in the
102.8 vendor's costs. Either party to the contract may request that the other party demonstrate
102.9 such increase or decrease. The term of such contracts must not exceed two years with an
102.10 option on the part of the district to renew for an additional two years, except as provided in
102.11 subdivision 7. Contracts for the purchase of perishable food items, except milk for school

102.13 by obtaining two or more written quotations for the purchase or sale, when possible, without
102.14 advertising for bids or otherwise complying with the requirements of this section or section
102.15 471.345, subdivision 3. All quotations obtained shall be kept on file for a period of at least
102.16 one year after receipt.

102.17 Every contract made without compliance with the provisions of this section shall be
102.18 void. Except in the case of the destruction of buildings or injury thereto, where the public
102.19 interest would suffer by delay, contracts for repairs may be made without advertising for

122A.40 EMPLOYMENT; CONTRACTS; TERMINATION.

Subd. 11. **Unrequested leave of absence.** The board may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. The unrequested leave is effective at the close of the school year. In placing teachers on unrequested leave, the board is governed by the following provisions:

(a) The board may place probationary teachers on unrequested leave first in the inverse order of their employment. A teacher who has acquired continuing contract rights must not be placed on unrequested leave of absence while probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed;

(b) Teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed in the inverse order in which they were employed by the school district. In the case of equal seniority, the order in which teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed is negotiable;

(c) Notwithstanding the provisions of paragraph (b), a teacher is not entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, unless that exercise of seniority results in the placement on unrequested leave of absence of another teacher who also holds a provisional license in the same field. The provisions of this paragraph do not apply to vocational education licenses;

(d) Notwithstanding paragraphs (a), (b), and (c), if the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights, the placing of a teacher who has acquired continuing contract rights on unrequested leave before another teacher who has acquired continuing contract rights but who has greater seniority, or the restriction imposed by the provisions of paragraph (c) would place the district in violation of its affirmative action program, the district may retain the probationary teacher, the teacher with less seniority, or the provisionally licensed teacher;

(e) Teachers placed on unrequested leave of absence must be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in the school district in fields in which they are licensed. Reinstatement must be in the inverse order of placement on leave of absence. A teacher must not be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field remains on unrequested leave. The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year is negotiable;

(f) Appointment of a new teacher must not be made while there is available, on unrequested leave, a teacher who is properly licensed to fill such vacancy, unless the teacher fails to advise the school board within 30 days of the date of notification that a position is available to that teacher who may return to employment and assume the duties of the position to which appointed on a future date determined by the board;

(g) A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave;

(h) The unrequested leave of absence must not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service;

(i) The unrequested leave of absence of a teacher who is placed on unrequested leave of absence and who is not reinstated shall continue for a period of five years, after which the right to reinstatement shall terminate. The teacher's right to reinstatement shall also terminate if the teacher fails to file with the board by April 1 of any year a written statement requesting reinstatement;

(j) The same provisions applicable to terminations of probationary or continuing contracts in subdivisions 5 and 7 must apply to placement on unrequested leave of absence;

(k) Nothing in this subdivision shall be construed to impair the rights of teachers placed on unrequested leave of absence to receive unemployment benefits if otherwise eligible.

122A.41 TEACHER TENURE ACT; CITIES OF THE FIRST CLASS; DEFINITIONS.

Subd. 14. **Services terminated by discontinuance or lack of pupils; preference given.**

(a) A teacher whose services are terminated on account of discontinuance of position or lack of pupils must receive first consideration for other positions in the district for which that teacher is

qualified. In the event it becomes necessary to discontinue one or more positions, in making such discontinuance, teachers must be discontinued in any department in the inverse order in which they were employed, unless a board and the exclusive representative of teachers in the district negotiate a plan providing otherwise.

(b) Notwithstanding the provisions of clause (a), a teacher is not entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the Board of Teaching, unless that exercise of seniority results in the termination of services, on account of discontinuance of position or lack of pupils, of another teacher who also holds a provisional license in the same field. The provisions of this clause do not apply to vocational education licenses.

Subd. 3. **Mixed delivery of services.** A district or charter school may contract with a charter school, Head Start or child care centers, family child care programs licensed under section 245A.03, or a community-based organization to provide eligible children with developmentally appropriate services that meet the program requirements in subdivision 2. Components of a mixed-delivery plan include strategies for recruitment, contracting, and monitoring of fiscal compliance and program quality.

Subd. 4. **Eligibility.** A child who is four years of age as of September 1 in the calendar year in which the school year commences is eligible to participate in a voluntary prekindergarten program free of charge. Each eligible child must complete a health and developmental screening within 90 days of program enrollment under sections 121A.16 to 121A.19, and provide documentation of required immunizations under section 121A.15.

Subd. 5. **Application process; priority for high poverty schools.** (a) To qualify for program approval for fiscal year 2017, a district or charter school must submit an application to the commissioner by July 1, 2016. To qualify for program approval for fiscal year 2018 and later, a district or charter school must submit an application to the commissioner by January 30 of the fiscal year prior to the fiscal year in which the program will be implemented. The application must include:

(1) a description of the proposed program, including the number of hours per week the program will be offered at each school site or mixed-delivery location;

(2) an estimate of the number of eligible children to be served in the program at each school site or mixed-delivery location; and

(3) a statement of assurances signed by the superintendent or charter school director that the proposed program meets the requirements of subdivision 2.

(b) The commissioner must review all applications submitted for fiscal year 2017 by August 1, 2016, and must review all applications submitted for fiscal year 2018 and later by March 1 of the fiscal year in which the applications are received and determine whether each application meets the requirements of paragraph (a).

(c) The commissioner must divide all applications for new or expanded programs meeting the requirements of paragraph (a) into four groups as follows: the Minneapolis and St. Paul school districts; other school districts located in the metropolitan equity region as defined in section 126C.10, subdivision 28; school districts located in the rural equity region as defined in section 126C.10, subdivision 28; and charter schools. Within each group, the applications must be ordered by rank using a sliding scale based on the following criteria:

(1) concentration of kindergarten students eligible for free or reduced-price lunches by school site on October 1 of the previous school year. For school district programs to be operated at locations that do not have free and reduced-price lunch concentration data for kindergarten programs for October 1 of the previous school year, including mixed-delivery programs, the school district average concentration of kindergarten students eligible for free or reduced-price lunches must be used for the rank ordering;

(2) presence or absence of a three- or four-star Parent Aware rated program within the school district or close proximity of the district. School sites with the highest concentration of kindergarten students eligible for free or reduced-price lunches that do not have a three- or four-star Parent Aware program within the district or close proximity of the district shall receive the highest priority, and school sites with the lowest concentration of kindergarten students eligible for free or reduced-price lunches that have a three- or four-star Parent Aware rated program within the district or close proximity of the district shall receive the lowest priority.

(d) The aid available for the program as specified in subdivision 6, paragraph (b), must initially be allocated among the four groups based on each group's percentage share of the statewide kindergarten enrollment on October 1 of the previous school year. Within each group, the available aid must be allocated among school sites in priority order until that region's share of the aid limit is reached. If the aid limit is not reached for all groups, the remaining amount must be allocated to the highest priority school sites, as designated under this section, not funded in the initial allocation on a statewide basis.

(e) Once a school site is approved for aid under this subdivision, it shall remain eligible for aid if it continues to meet program requirements, regardless of changes in the concentration of students eligible for free or reduced-price lunches.

(f) If the total aid entitlement approved based on applications submitted under paragraph (a) is less than the aid entitlement limit under subdivision 6, paragraph (b), the commissioner must notify all school districts and charter schools of the amount that remains available within 30 days of the initial application deadline under paragraph (a), and complete a second round of allocations based on applications received within 60 days of the initial application deadline.

APPENDIX

Repealed Minnesota Statutes: H0890-2

(g) Procedures for approving applications submitted under paragraph (f) shall be the same as specified in paragraphs (a) to (d), except that the allocations shall be made to the highest priority school sites not funded in the initial allocation on a statewide basis.

Subd. 6. **Program and aid entitlement limits.** (a) Notwithstanding section 126C.05, subdivision 1, paragraph (d), the pupil units for a voluntary prekindergarten program for an eligible school district or charter school must not exceed 60 percent of the kindergarten pupil units for that school district or charter school under section 126C.05, subdivision 1, paragraph (e).

(b) In reviewing applications under subdivision 5, the commissioner must limit the estimated state aid entitlement approved under this section to \$27,092,000 for fiscal year 2017, \$27,239,000 for fiscal year 2018, and \$26,399,000 for fiscal year 2019 and later.
