- Subp. 2. **Multiple units.** Multiple units of a provider must share the same management that supervises and administers services provided by all units. Multiple units of a provider must be separately licensed if the commissioner determines that the units cannot adequately share supervision and administration of services with the main office because of distinct organizational structures.
- Subp. 3. Classes of licenses. In issuing a license under this part, the commissioner shall assign a license classification according to items A and B. A provider performing only home management tasks must be registered according to Minnesota Statutes, section 144A.461, and need not obtain a home care license.
- A. A provider must apply for one of the classes of the home care license listed in subitems (1) to (5).
- (1) Class A, or professional home care agency license. Under this license, a provider may provide all home care services in a place of residence, including a residential center, at least one of which is nursing, physical therapy, speech therapy, respiratory therapy, occupational therapy, nutritional services, medical social services, home health aide tasks, or the provision of medical supplies and equipment when accompanied by the provision of a home care service.
- (2) Class B, or paraprofessional agency license. Under this license, a provider may perform home care aide tasks and home management tasks, as provided by parts 4668.0110 and 4668.0120.
- (3) Class C, or individual paraprofessional license. Under this license, a provider may perform home health aide, home care aide, and home management tasks.
- (4) Class E, or assisted living programs license. Under this license, a provider may only provide assisted living services to residents of a residential center.
- (5) Class F home care provider license. Under this license, a provider may provide assisted living home care services solely for residents of one or more

registered housing with services establishments, as provided by Minnesota Statutes, section 144A.4605.

B. If a provider meets the requirements of more than one license class, the commissioner shall issue to the provider a separate license for each applicable class of home care licensure.
